

2018–19 CAASPP Institute

Implementing the Smarter Balanced System of Assessments

This training, coming in 2018, is designed for teams of educators, including classroom teachers, coaches, teachers on special assignment, and site administrators who play a role in supporting the implementation of CAASPP in the classroom.

Training Highlights:

- How to implement the Smarter Balanced system of assessments
- Practical tools to support classroom instruction and family engagement
- Protected team planning time

Locations:

- Sacramento—October 3 & 4
- Pasadena—October 10 & 11
- Fresno—October 17 & 18
- San Diego—October 22 & 23
- Redding—October 24 & 25
- Riverside—October 29 & 30

Register at <https://www.eventsforce.net/scoe/11/home>

Registration is \$200 per attendee and includes training materials, breakfast, and lunch.
