

# How to View Overall Test Results

1 Navigate to <https://caaspp-elpac.cde.ca.gov/>.

2 Select the **Alternate English Language Arts/Literacy and Mathematics** tile.

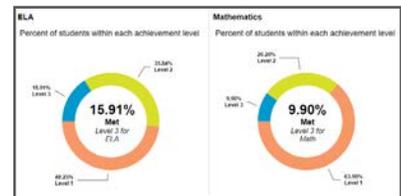

3 Search for an entity by entering a School, District, County, ZIP, or CDS Code.

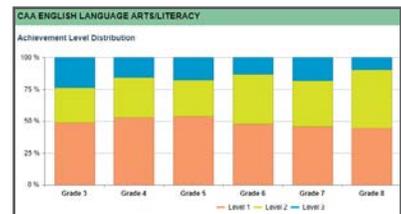

**i** The report defaults to data for all students for the current year unless the organization closed in a previous year, in which case the report defaults to the last year the organization was open.

**i** Graphs are available that show the percentage of students within each achievement level for both English language arts/literacy (ELA) and mathematics. The number shown inside each graph represents the percentage of students in level 3.

4 Select the **View Detailed Test Results** button.

**i** Bar charts that show the percentage of students in each of the three performance levels, by grade, are available for both ELA and mathematics. Hovering over any area of the bar chart will display the percentage of students in that level.

5 Select the triangle to expand **Data Detail** for detailed information.

**i** **Data Detail** includes the following:

*Overall Achievement: Includes the number of students enrolled, tested, and with scores; the mean scale score; and the percentage of students in each performance level.*

6 Select the **Scale Score Ranges** link, below the **Data Detail** table, to view scale score ranges for each subject.

**i** Hovering over the information icon next to each row label will display additional information about the data in that row.
