i Three entities is the maximum number that can be compared. Comparisons can be made between levels (e.g., district to state) or at the same level (e.g., school to school).

5 All entity selections will be displayed at the top of the page. Select the **X** next to the entity to remove it from your comparison.

6 Select the **Compare Now** button.

i **Data Detail** includes the following:

Overall Performance: Includes the mean scale score and the percentage of students in each of the four proficiency levels.

i Hovering over the information icon next to each row label will display additional information about the data in that row.
