

How to View Test Results for Student Groups

- 1 Navigate to <https://caaspp-elpac.cde.ca.gov/>.
- 2 Select the **Summative ELPAC** tile.
- 3 Search for an entity by entering a School, District, County, ZIP, or CDS Code.

Summative ELPAC

Summative English Language Proficiency Assessments for California

Type a School, District, County, ZIP...

- 4 In the **Report Options** section, select the student group for which you want to view data.
- 5 Select the **Apply Filters** button.

Year	Grade	Student Group	Apply Filters
2018-19	All Grades	All Students (Default)	Apply Filters

- i** This will update all results on the page. Data displayed pertains only to the student in the student group selected.

- i** Graphs are available that show the percentage of students within each proficiency level. The number shown inside each graph represents the percentage of students in level 4.

- 6 Select the **View Detailed Test Results** button.
- 7 Select the triangle next to the student group name to expand specific sets of results.

- i** **Data Detail** includes the following:

Number of Students and Mean Scale Scores: Includes the number of students enrolled, tested, and with scores; the mean scale score; the mean scale score for oral language composite; and the mean scale score for written language composite.

Number and Percentage of Students at Each Performance Level: Includes the percentage of students in each proficiency level for the overall score, oral language score, and written language score.

Number and Percentage of Students by Domain: Includes percentage of students in each of the three levels per domain.
