- i** Three entities is the maximum number that can be compared. Comparisons can be made between levels (e.g., district to state) or at the same level (e.g., school to school).

- 5 All entity selections will be displayed at the top of the page. Select the **X** next to the entity to remove it from your comparison.
- 6 Select the **Compare Now** button.

- i** The comparison will display the percentage of students in each of the four performance levels for both English language arts/literacy and mathematics.

- i** **Data Detail** includes the following:

Overall Achievement: Includes the mean scale score (if a specific grade is selected) and the percentage of students in each performance level.

- i** Hovering over the information icon next to each row label will display additional information about the data in that row.
