

# Homeless and Foster Youths: Fee Waiver for High School Equivalency and Proficiency Tests!

If you are under the age of 25 (and certified as a homeless youth by a homeless services provider) or a foster youth as defined in *Education Code Section 48412*, you qualify for a fee waiver for high school equivalency and proficiency tests.

The fee waiver covers fees for services related to test administration; it does not cover fees for services or documents required to verify the need for testing accommodations, test preparation, or other services not related to the administration of the tests.

To receive a fee waiver at the time of registration for a test administration, you must submit all standard required registration materials, including the documentation required for all testing accommodations that you may need and certification of your foster or homeless youth status to the test contractor.
