PFT LEA Coordinator Checklist

For the Successful Administration of 2019–20 Physical Fitness Testing

The California Department of Education (CDE) has produced this checklist for local educational agency (LEA) coordinators to assist them in understanding the tasks and other activities necessary to ensure the successful administration of Physical Fitness Testing (PFT) in 2019–20. Please note the following about this checklist:

- It is not exhaustive.
- It may not include every task or activity required of an LEA PFT coordinator to support a successful administration.
- The tasks are listed under the months during which they are most likely to occur; however, some tasks may occur in other months or over a span of several months, depending on your LEA’s schedules and needs. Please adjust the month titles to best fit your local schedules, if necessary.
- Additional details for many of the tasks listed can be found at the end of the checklist.

This checklist spans a 12-month period, from September 2019 through August 2020. Tasks that are ongoing in nature also are listed at the end of the checklist. Select the links within each task to find additional information about that particular task.
Checklist

September 2019

☐ Complete the online PFT Coordinator Designation form on the California PFT website at https://pftdata.org/CoordSearch.aspx.

☐ Distribute Student Score Reports (SSRs) to students/families in accordance with your local plan.

☐ PFT SSRs are available from the California PFT website secure District Portal at https://pftdata.org/ by selecting the Reports tab.

☐ Determine testing protocol for students having an individualized education program (IEP) or Section 504 plan. Relevant information can be found on the CDE PFT Regulations web page at https://www.cde.ca.gov/ta/tg/pf/pftregs06.asp.

☐ Request a waiver from the California State Board of Education if your LEA will be administering the PFT November through January, which is earlier than the testing window.

☐ When the system is rolled over in September, users are locked out. For a new password, a new designation form must be submitted. Forms are located on the California PFT website at https://pftdata.org/files/pft-qrg-coordinator.pdf.
October 2019

☐ Review PFT data preview of school, district, county, and state summary reports and research files, available through the CDE PFT Preview web page at http://preview.cde.ca.gov/pft/logon.asp. The exact date for the preview is to be determined.

☐ Purchase necessary equipment and materials, from a store or vendor of the LEA’s choice, that are needed for administering the PFT. (optional)

☐ Schedule local training dates.

March 2020

☐ Continue the test administration.

Ongoing/Continuous

☐ Establish procedures and monitor sites to ensure that procedures are followed.

☐ Regularly communicate and troubleshoot with site PFT leads and respond to their questions to ensure that any issues are resolved.

LEA Training Coordination

Free online videos for each of the FITNESSGRAM test options are available on the California PFT Modules, Videos, and Training web page at https://pftdata.org/training.aspx/. PFT coordinators, teachers, and other LEA staff responsible for the PFT administration would benefit from viewing the protocols demonstrated in these videos. In addition to the videos, this web page includes free webinars and modules designed to familiarize PFT coordinators with essential PFT requirements and the data submission and correction processes.

Materials

Pre-ID and scannable data collection materials are not required for administering the PFT; however, LEAs can purchase these materials and related services from vendors of their choice.

Administration Funding

The administration of the PFT is not directly funded through state apportionments. Most costs associated with the test administration are the responsibility of the LEA. Costs include equipment and materials, training for teachers, and the processing and analysis of the PFT data.

These costs are no longer recoverable as “state-mandated costs” through California’s State Controller’s Office. They are now covered under the Mandate Block Grant. Information on this grant, including the time line and online application process, is available on the CDE Mandate Block Grant web page at https://www.cde.ca.gov/fg/aa/ca/mandatebg.asp.
Results and Reporting

PFT coordinators should review the reporting requirements and acceptable codes for race and ethnicity and economically disadvantaged reporting in the “PFT Student Data File Layout” found at https://pftdata.org/ under “Resources.”

PFT SSR Letter Template

This is a template for a letter you can send to parents/guardians along with the SSR. It gives an explanation of how to interpret the results and how they are used.

The PFT SSR letter template can be found at https://pftdata.org/files/pftssrletter.docx.

PFT Notification of Test Administration Letter Template

This is a letter template you can use to notify parents/guardians notifying them of the start of PFT testing and your local testing window.

The PFT Notification of Test Administration letter template can be found at https://pftdata.org/files/pftparentletter.docx.

This guide explains the PFT SSR.

Supports and Accommodations

Verify Accessibility Resources

Verify the need for any specialized equipment for students requiring accessibility resources. Accommodations may be provided only to students with an IEP or 504 plan, while designated supports may be provided through an LEA-determined teacher recommendation process.

→ Matrix Two: PFT Variation/Accessibility Resources at https://www.cde.ca.gov/ta/tg/ai/pftaccessibilityresources.asp identifies resources, supports, and accommodations available for the PFT.

Review IEPs and Section 504 Plans

Communicate with your LEA’s special education teachers to review students’ IEPs and Section 504 plans and identify testing supports that are to be used. Students’ parents/guardians along with the IEP or Section 504 plan teams are responsible for deciding how students with disabilities will participate in the fitness areas of the PFT.
Test Planning and Scheduling

Fitness Areas and Test Options

Communicate the areas, options, and equipment that can be used to measure a student’s fitness for California PFT to appropriate staff. This information is available on the CDE Fitness Areas and Test Options web page at https://www.cde.ca.gov/ta/tg/pf/pft1213testoptions.asp.

Students on Block Schedule

Students on block schedules are still required to take the PFT. These students can take the test during the testing window or LEAs can request a waiver to test outside of the testing window on the CDE Waiver Request web page at https://www.cde.ca.gov/re/lr/wr/submit.asp.

Test Security, Procedures, and Forms

Complete the PFT Coordinator Designation Form

The LEA completes the required PFT Coordinator Designation form, identifying the LEA PFT coordinator. A reminder email is sent to the current LEA PFT coordinator and the district superintendent or charter school administrator. Forms are located on the California PFT website at https://pftdata.org/files/pft-qrg-coordinator.pdf.

*The form must be submitted annually and should be resubmitted whenever there is a change to staff or contact information.*

→ The annual PFT Coordinator Designation form form is usually available in September.
