Exciting Professional Growth Opportunity for California Teachers!

The California Department of Education is seeking motivated, credentialed California teachers, who provide instruction to students in grades 3 through 8 or high school, to join the

Smarter Balanced Digital Library
State Network of Educators (SNE)!

Members of the SNE:

Develop and contribute formative assessment resources for inclusion in the Digital Library.

Evaluate potential Digital Library resources contributed by other SNE members.

SNE membership offers a unique opportunity to collaborate with other educators from California and other Smarter Balanced member states!

E-mail sne@cde.ca.gov to learn more about SNE membership.
