- Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student's compliance for reinstatement, appeal process, and options for enrollment
- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:
  A. Was the misconduct caused by, or directly and substantially related to the student's disability?
  B. Was the misconduct a direct result of Charter School's failure to implement Section 504 Plan?

Notwithstanding and apart from the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student's district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

OUTCOME DATA

Charter School shall gather and maintain all data related to placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.

REHABILITATION PLANS

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School's governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

READMISSION

Charter School's governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School's governing board shall readmit the pupil, unless Charter School's governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil's parent/guardian within a reasonable time.

REINSTATEMENT

Charter School's governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. Charter School is responsible for reinstating the student upon the conclusion of the expulsion period in a timely manner.

Gun-Free Schools Act

Charter School shall comply with the federal Gun-Free Schools Act.

School Climate and Student Discipline System

CNHS No. 2's ultimate priority is to maintain the physical and emotional safety of all members of the community. Teachers take a proactive approach using school-wide PBIS including: setting clear expectations, reinforcing positive behavior, redirecting misbehavior, and teaching conflict resolution skills. In response to misbehavior that

infringes on the safety of our community, we aim to have a discipline system focused on being restorative rather than one with punitive consequences. CNHS No. 2 will provide professional development to staff on the school's discipline policy and progressive discipline practices at the beginning of each year and throughout the year as necessary

School responses to misbehavior may include but are not limited to: loss of privileges, a one-on-one student meeting, parent/guardian contact, behavior incident report, parent/guardian conference, in/out of school suspension, intervention service referrals, and/or a Student Success Team meeting. CNHS No. 2 may also hold restorative circles and use restorative practices to resolve discipline concerns. The aim of these practices is to identify harms, needs, and obligations to repair harm done toward people, property, and the institution.

Egregious misbehavior is met with consequences such as in-school or out-of-school suspension and/or expulsion. Parents/guardians shall notified prior to suspensions and are asked to come to school for an informal suspension conference, which may include the Principal or designee, teacher and/or student. At the suspension conference, an individual behavior plan may be developed for the student.

CNHS No. 2's student discipline policy is included in the student/family handbook. School staff review the discipline policy with students and families at the beginning of the school year and/or upon admission to CNHS No. 2. By enrolling in the school, the students and families acknowledge their understanding of and the responsibility to the standards set forth in the discipline policy. The discipline policy includes student rights and responsibilities and the school's suspension and expulsion policies. The discipline policy will not be implemented in a way that is discriminatory, arbitrary, or capricious, and will follow the general principles of due process.

Student Suspension & Expulsion

In-School Suspension

Using their discretion, the Principal or designee may assign a student to an in-school suspension. Students in in-school suspension will be monitored by the administration and school staff.. Students who are suspended in-school will be provided with work for all courses in which they are enrolled and will be provided with assistance in order to complete their academic assignments. A student may be suspended in-school for a maximum of five school days and a maximum of 20 instructional days per academic year. Students will not be suspended or expelled for academic failure. Students shall only be suspended or expelled for actions as defined by Element 10 of the charter petition.

Grounds for Suspension and Expulsion

Practices and considerations for student suspension and expulsion can be found in the section below; ultimately, the school site Principal or designee has discretion over

student discipline procedures including student suspension and recommendations for expulsion.

Students who present a real or alleged threat to health and safety of others including but not limited to verbally or physically aggressive behavior may be immediately suspended and later recommended for expulsion by the Principal or designee.

A student may be suspended or expelled for any of the acts enumerated in this section and related to school activity or school attendance that occur at any time, including, but not limited to, any of the following:

- While on school grounds.
- While going to or coming from school.
- During the lunch period whether on or off the campus.
- During, or while going to or coming from, a school-sponsored activity.

The Principal or designee may implement alternative consequences to suspension as appropriate. If a parent/guardian would like to appeal a student's suspension, the suspension appeal form is available in the main office. A conference with the Principal and/or their designee will be held to determine whether or not the suspension will be upheld and kept on the student's records.

Matrix for Suspension/Expulsion Recommendations

Student Offenses with No Discretion for Recommendation to Expel	Student Offenses with Limited Discretion for Recommendation to Expel	Student Offenses with Broad Discretion for Recommendation to Expel
Principal shall immediately suspend and recommend expulsion when the following occur at a school or at a school activity off campus.	Principal shall recommend expulsion when the following occur at school or at a school activity off campus unless particular circumstances render expulsion inappropriate.	Principal may suspend and recommend expulsion when the following occur at school, a school activity, or on the way to/from school or a school activity.
1. Possessing, selling, or furnishing a firearm. 2. Brandishing a knife at another person. 3. Unlawfully selling a controlled substance listed in *Health and Safety Code* Section 11053. 4. Committing or attempting to commit a sexual assault or committing sexual battery as defined in 48900 (n). 5. Possession of an explosive.	1. Causing serious physical injury to another person, except in self-defense. 2. Possession of any knife, explosive, or other dangerous object of no reasonable use to the pupil. 3. Unlawful Possession and/or use of any controlled substance (except for the first offense of possession of no more than one avoirdupois ounce of marijuana other than concentrated cannabis. 4. Robbery or extortion. 5. Assault or battery, or threat of, on a school employee.	1. Caused, attempted to cause, or threatened to cause physical injury to another person (unless, in the case of serious injury). 2. Possessed dangerous objects 3. First offense of marijuana possession of not more than one ounce, or alcohol. 4. Sold, furnished, or offered a look alike substance representing drugs or alcohol 5. Caused damage to school or private property. 6. Committed theft 7. Possessed or used tobacco. 8. Committed obscenity/profanity/vulgarity. 9. Possessed, sold, or negotiated to sell any drug paraphernalia. 10. Knowingly received stolen school or private property. 11. Possessed an imitation firearm. 12. Committed sexual harassment. 13. Harassed, threatened or intimidated a student witness. 14. Sold prescription drug Soma. 15. Engaged in an act of hazing. 16. Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act.

Out-of-School Suspension Procedures

Informal Conference

The CNHS No. 2 Principal or designee has the authority to suspend students. Every effort will be made to hold an informal conference prior to suspension with the student and his/her parent or guardian. The conference may be omitted if the Principal or t designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of students or school personnel. If the student is suspended without conference, the parent/guardian shall be notified of the suspension and a conference will be requested as soon as possible.

Notice to Parents/Guardians

At the time of suspension, a designated administrator shall make a reasonable effort to contact the parent/guardian by telephone or in person to be followed up with a written notification. This notice will state the specific offense/s committed by the student. In addition, the notice will state the date and time the student may return to school. If the Principal, Principal designee, or CEO wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may note that the parents are required to respond to this request without delay and that violations of school rules can result in expulsion from the school.

Appeal of Suspension

The suspension of a student will be at the discretion of the Principal or designee of Camino Nuevo High School No. 2. Parents and/or guardians will be notified by the Principal or designee in advance to enactment of the suspension via an informal suspension conference and can appeal a student’s suspension.

- To appeal an in or out of school suspension a student’s parent/guardian must submit the appeal of suspension form to the Director of Student Services. The Director of Student Services works at CNCA’s home office and supports the CNHS No. 2 Principal and Leadership team in ensuring sound discipline practices. The appeal of suspension form can be obtained at the CNHS No. 2 main office or at the CNCA Home Office and must be submitted within 5 days of the last day of the student’s suspension.
- For in/out of school suspension appeals, the Director of Student Services shall form a suspension appeal committee to review the appeal of suspension within 5 school days of the submission of the appeal.
- The Director of Student Services will notify the parent/guardian in writing of the decision of the appeal within 3 working days of the appeal committee’s decision.
- The decision communicated by the Director of Student Services is final and may not be further appealed. The results shall be documented and kept as student records.

- The parent/guardian may submit a written objection to the final decision, which will be kept in the student's records. Submission of a written objection to the Director of Student Services will not result in further appeal actions.

The Principal or designee may implement alternative consequences to suspension as appropriate.

Length of Suspension

The length of suspension for students may not exceed a period of 5 consecutive school days unless the Principal or designee has made a recommendation for expulsion and the outcome is pending. The student may be placed in an interim setting until the outcome of the expulsion hearing. A student shall not be suspended for more than 20 school days; a student in special education shall not be suspended for more than 10 school days within an academic year. The Principal or designee will work with teachers to make necessary arrangements to provide the student with classroom material and current assignments to be completed at home during the length of the suspension including homework. Student assignments may be picked up from the CNHS No. 2 main office daily during the length of the student's suspension; retrieval of work assignments for courses in which the student is enrolled should be picked up from the main office at least once per week. CNHS No. 2 may make arrangements with the parent/guardian of the student to take exams and/or state and teacher administered tests in the CNHS No. 2 main office of the CNCA Home Support Office.

In the event that a student's suspension is extended beyond 5 days pending an expulsion hearing, the Principal or designee will provide the student with an interim placement including independent study. The purpose of the placement is to ensure meaningful access to relevant curriculum and instructional support thereby allowing a pathway to credit completion. Students facing expulsion for the following offenses will be immediately referred to LACOE for interim placement pending the outcome of the expulsion hearing:

1. Unlawful gun possession. This applies to all types of guns including but not limited to firearms, air guns, stun guns, replica guns, and any device that discharges a metallic object by gun powder.
2. For students 16 years of age or older, assault of another person with a weapon in a manner likely to cause serious bodily injury.
3. For students 16 years of age or older, battery of another person causing serious bodily injury.

Pre-Expulsion Conference

A decision to recommend expulsion may not be made until after the Principal or designee has concluded the pre-expulsion conference with the parent/guardian. If at all possible, the student should also be present. At the conclusion of the conference, if the

Principal or designee determines to not recommend expulsion, appropriate alternative intervention should be implemented.

The pre-expulsion conference will be conducted in accordance with the following procedures:

The Principal or designee shall make every effort to contact the family, including by phone and by mail, to schedule the pre-expulsion conference. The Principal or designee shall conduct the conference and arrange for a second school official to be present as a witness. At the conclusion of the conference, the Principal or designee shall:

a. Inform the student and the parent of each applicable charge.
b. Provide the student and the parent with the opportunity to discuss the allegation.
c. Ask the student to respond, verbally and in writing, to the allegation(s) and provide the student the opportunity to admit, deny, or qualify his or her participation and to present any explanation, justification, or other information relevant to the alleged misconduct.
d. Keep record of all pertinent comments made during the conference, particularly those made by the student or parent.
e. Advise the student and parent of their obligation to not engage in harassment, intimidation, or threatening behavior against potential witnesses.
f. Explain the expulsion procedure and the process of an interim placement should the Principal or designee recommend expulsion.
If the student and parent do not attend the pre-expulsion conference, the

Principal or designee will:

a. Exercise all due diligence to reschedule the conference within a reasonable period of time and document the details of each attempt.
b. At the Principal or designee's discretion, the suspension and pre-expulsion conferences may be combined and held as one. c. For students with an IEP or a 504 Plan, the manifestation determination IEP or 504 Plan review meeting must be held prior to the pre-expulsion conference.

School-Site Expulsion Procedures

Only the Principal or designee is authorized to recommend a student's expulsion. The following are steps the school Principal or designee should take whenever a student is accused of an act for which expulsion may or must be recommended.

Incident Investigation

When an alleged incident occurs, the Principal or designee will investigate the matter prior to issuing a suspension, except when the principal has determined that an "emergency situation" exists, defined in E.C. Section 48911[c] a "...clear and present

danger to the lives, safety, or health of pupils or school personnel." The school principal or administrative designee will be responsible for each of the following responsibilities:

1. Collect relevant information surrounding the incident;
2. Identify and interview witness(es) and the accused student;
3. Secure verbal and written statements from the accused student, victim(s) and witness(es) who observed the incident and may corroborate any piece of information obtained;
4. Review the appropriate pupil records, such as cumulative record, and, when applicable, Individual Education Plan (IEP);
5. Contact law enforcement, as applicable;
6. Maintain contact with law enforcement and proceed with the discipline process as appropriate.

Student Suspension Prior to Expulsion

Every effort will be made to hold an informal conference prior to suspension with the student. At this conference, the Principal or designee will:

1. Discuss with the student the details surrounding the charge(s);
2. Provide the student the opportunity to respond to the charge(s) and to present a defense;
3. Inform the student of the grounds upon which a suspension is based, if a suspension is warranted;
4. Encourage the student to write a statement concerning the alleged misconduct and to sign and date it.

The conference may be postponed if the Principal or designee determines that an emergency situation exists. If the student is suspended without conference, the parent/guardian shall be notified of the suspension and a conference will be requested as soon as possible. The student shall be provided with assignments for all courses for which they are enrolled during the term of the student suspension. The student's parent/guardian may pick-up assignments for the student daily in the CNHS No. 2 main office.

The Expulsion Hearing

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. A hearing will be held within 30 days after the date that the school Principal or designee has made the determination that an act subject to expulsion has occurred and has evidence supporting reason for expulsion. The Board of Directors will designate a Board Discipline Committee consisting of at least three members, which includes one CNCA Board Member (excluding the Chairman and President of the Board) and one CNCA school administrator from any CNCA school. The expelling principal or any other administrator and staff who was involved in the disciplinary process cannot be a member of the CNCA Board Discipline Committee. Written notice of the hearing will be forwarded to the student and the student's parent/guardian at

least 10 calendar days before the date of the hearing via certified mail to the student's home address on record. The Board Discipline Committee is delegated by the CNCA Board, the authority to make a final decision on expulsion. A decision, communicated via written notice, along with a record of expulsion, will be made within 10 school days after the conclusion of the expulsion hearing (unless the student requests in writing that the decision be postponed).

This Hearing Notice will include:

a. The date and place of the hearing;
b. A statement of the specific facts, charges and offense upon which the proposed expulsion is based;
c. A copy of CNHS No. 2's disciplinary rules that relate to the alleged violation;
d. Student and parent rights related to expulsion hearings including the right to counsel or the presence of an advocate, and/or language support.

The Hearing Process:

a. Presentation of the case: The school Principal or designee will provide factual evidence upon which the expulsion recommendation is based. The student or parent/representative will also have the right to present on the case and provide relevant context.
b. Evidence: The Principal or designee will provide credible evidence to support the recommendations for expulsion. The student or parent/representative will have the right to provide credible evidence to support the case.
c. Witnesses: The Principal or designee will present any witnesses who will testify on behalf of the school. If the witness is a student, the principal will obtain parental consent. The student or parent/representative will have the right to call upon any witnesses to testify on his/her behalf.

Post Hearing

Written notice to expel a student will be sent by the school Principal or designee to the parent/guardian of any student who is expelled via certified mail to the student'. This notice will include the following:

a. The specific offense(s) committed by the student for any of the acts listed under "Grounds for Suspension and Expulsion."
b. Notice of the student or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with CNHS No. 2;
c. The reinstatement eligibility review date;
d. Copy of the rehabilitation plan;
e. The type of educational placement options during the period of expulsion;
f. Appeal procedures.

A record of the hearing will be created and maintained by any means including electronic recording, as long as a reasonably accurate and complete written

transcription of the hearing can be made. A Fact and Findings document will be prepared in order to summarize the evidence presented at the hearing and , to substantiate the expulsion decision by the CNCA Board Discipline Committee ,CEO, or designee. This document shall serve as a summary of the conclusions regarding the underlying facts of the case under consideration by the CNCA Board Discipline Committee. The Facts and Findings documents will be included with the expulsion order and any other recommendations that the CNCA Board Discipline Committee deems appropriate. If a student is expelled, CNCA will assist the parent/guardians in finding a new and appropriate placement for an expelled student by advising the parent to call the local district Student Discipline Proceedings Office if they would like for the student to attend a local district school or to work with the Los Angeles County Office of Education for an alternative school placement.

Appeal for Expulsion

Expulsion of a student will be recommended by the Principal or the Principal's designee and must be approved by the CNCA Board Discipline Committee. Parents and/or guardians will be notified in advance to enactment of the expulsion and can appeal a student's expulsion. The student will be provided with or continue in the interim placement until a meeting is scheduled to hear the expulsion appeal (within 10 working days of receipt of expulsion appeal).The student's parent(s)/guardian(s) must attend to present their appeal to a committee appointed by CNCA Board of Directors, including CNCA Board of Directors members whose members were not involved in the expulsion recommendation or decision. The parent/guardian is entitled to reasonable accommodations, language support, and other due process protections and rights.

To appeal an in or out of school expulsion a student's parent/guardian must submit a written appeal of expulsion form to the CNCA Chief Operations and Strategy Officer. The appeal of expulsion form can be obtained at the CNCA Home Office and must be submitted within 5 days of receipt of the student's expulsion order.

- The Chief Operations and Strategy Officer shall form an expulsion appeal committee made up of CNCA Board of Directors members not involved in the recommendation for expulsion, expulsion proceedings, or any previous discipline related to the student to review the appeal of expulsion within 5 school days of the submission of the appeal.
- The Chief Operations and Strategy Officer will notify the parent/guardian in writing of the decision of the appeal within 3 working days of the expulsion appeal committee's decision.
- The decision communicated by the Chief Operations and Strategy Officer is final and may not be further appealed. The results shall be documented and kept as student records.
- The parent/guardian may submit a written objection to the final decision, which will be kept in the student's records. Submission of a written objection to the Chief Operations and Strategy Officer will not result in further appeal actions.

The decision of expulsion appeal committee will be final. In the event of a decision to expel a student from Camino Nuevo High School #2, CNCA will work cooperatively with the district of residence, county, and/or charter schools to assist with the appropriate educational placement of the student who has been expelled. If a student is under an expulsion order from another school district (LEA), all information including the student's rehabilitation plan, must be provided to the CNCA Charter School Board of Directors for review. The Board of Directors will determine if enrollment will be granted upon review of expulsion on a case by case basis.

Any incident of violent and/or serious student behavior shall be communicated to the district/school to which the student matriculates via phone or submission of the expulsion order via certified mail.

Element 11 – Employee Retirement Systems

"The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security." (Ed. Code § 47605(b)(5)(K).)

Charter School shall comply in a timely manner with all applicable federal and state laws and regulations, as they may change from time to time, including but not limited to Internal Revenue Code section 414(d) and related regulations, governing Charter School's participation in, and/or coverage of its staff members by, the State Teachers' Retirement System (CalSTRS), the Public Employees' Retirement System (CalPERS), and/or federal social security.

If Charter School participates in, or otherwise covers its staff members by enrolling or continuing their enrollment in, a "government plan" governed by section 414(d) (e.g., CalPERS), upon dissolution or final liquidation of Charter School, and/or its nonprofit public benefit corporation, notwithstanding any provision in Element 15 to the contrary, Charter School shall distribute its net assets in accordance with section 414(d), related regulations, and the government plan's requirements.

If Charter School participates in CalSTRS and/or CalPERS, Charter School shall continue such participation for the duration of Charter School's existence under the same CDS code, if mandated by applicable legal and retirement plan requirements.

Retirement Rights and Systems

All full-time certificated CNHS No. 2 employees who are eligible participate in STRS and eligible classified employees participate in PERS and/or another retirement plan. Employees contribute the required percentage and CNHS No. 2 contributes the employer's required portion. All withholdings from employees and the charter school are forwarded to the STRS/PERS Fund and/or private retirement programs as selected by employees. Contributions to federal social security are made on behalf of all employees who are not STRS eligible. CNHS No. 2 submits all retirement data through LACOE and complies with all policies and procedures for payroll reporting. Employees will accumulate service credit years in the same manner as all other members of STRS/PERS. The CNCA Board of Directors retains the option to consider any other public or private retirement plans and to coordinate such participation with existing programs, as it deems appropriate.

Element 12 – Public School Attendance Alternatives

"The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools." (Ed. Code § 47605(b)(5)(L).)

Pupils of Charter School do not have or gain any right to admission in a particular school of any school district, or program of any school district, as a consequence of applying to or enrolling in Charter School, except to the extent that such a right is extended by the school district.

A pupil who chooses not to attend Charter School may attend a public school within the pupil's school district of residence in accordance with applicable law and that school district's policies and procedures. The pupil alternatively may seek to enroll in another charter school in accordance with applicable law and the terms of the school's charter. If LAUSD is the pupil's school district of residence, an eligible pupil may pursue an inter-district transfer, if available, in accordance with the admission, enrollment, and transfer policies and procedures of the District, as they may change from time to time.

Camino Nuevo High School No. 2 is a school of choice. No student is required to attend the Charter School.

Element 13 – Rights of District Employees

"The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school." (Ed. Code § 47605(b)(5)(M).)

Employees of the District who choose to leave the employment of the District to work at Charter School shall have no automatic rights of return to the District after employment at Charter School unless specifically granted by the District through a leave of absence or other agreement or policy of the District as aligned with the collective bargaining agreements of the District. Leave and return rights for District union-represented employees and former employees who accept employment with Charter School will be administered in accordance with applicable collective bargaining agreements and any applicable judicial rulings.

Element 14 – Mandatory Dispute Resolution

"The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter." (Ed. Code § 47605(b)(5)(N).)

General Provisions

Any claim, controversy or dispute between the District and Charter School arising out of or relating to this Charter, except for any claim, controversy or dispute related to the authorization (non-renewal, revision and/or revocation) of this Charter, ("Dispute") shall be resolved pursuant to the terms of this Element 14.

Notwithstanding any other provision of law, each party shall bear and be solely responsible for all of its own attorneys' fees, costs and expenses associated with any Dispute, including, but not limited to, any written/oral communication, meeting, Issues Conference, mediation, arbitration, administrative and/or civil action (including all levels of appeal), and no party shall be ordered to pay, or be awarded, any other party's attorneys' fees, costs or expenses in connection therewith, regardless of who may be deemed the prevailing party. Any fees, costs and expenses charged by a mediator or arbitrator (including all associated administration fees, costs and expenses) shall be shared equally by the parties regardless of the outcome or award. To that effect, any order or award of attorneys' fees, costs and/or expenses, or mediator's or arbitrator's fees, costs or expenses (including any associated administration fees, costs and expenses), issued by a mediator, arbitrator, judicial officer (including all levels of appeal) or jury in any Dispute shall be deemed invalid as a matter of law and unenforceable by one party against the other party.

Proposition 39 Disputes

Any Dispute related to or arising out of Education Code §47614 and/or its implementing regulations set forth in California Code of Regulations, title 5, section 11969 et seq. ("Proposition 39"), shall be resolved in accordance with the procedures set forth below:

1. Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and all supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

Unless directed otherwise, all Written Notifications to the District and Charter School shall be addressed respectively as follows:

Director

Charter Schools Division
Los Angeles Unified School District
333 South Beaudry Avenue, 20th Floor
Los Angeles, California 90017

Director/Principal
CNHS No. 2
3500 West Temple St.
Los Angeles, CA 90004

2. A written response ("Written Response") shall be tendered to the other party within fifteen (15) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3. If the Dispute has not been resolved by mutual agreement from the Written Response, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4. If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, and conclude within forty (40) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5. If the mediation is not successful, either party may then initiate a civil action. Venue for any civil action between the parties shall be the Los Angeles County Superior Court.

Non-Proposition 39 Disputes

Any Dispute not related to or arising out of Proposition 39 shall be resolved in accordance with the procedures set forth below:

1. Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and any supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

   Unless directed otherwise all Written Notifications to the District and Charter School shall be addressed respectively as follows:

   Director
   Charter Schools Division
   Los Angeles Unified School District
   333 South Beaudry Avenue, 20th Floor
   Los Angeles, California 90017

   Director/Principal
   CNHS No. 2
   3500 West Temple St.
   Los Angeles, CA 90004

2. A written response ("Written Response") shall be tendered to the other party within twenty (20) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3. If the Dispute has not been otherwise resolved by mutual agreement, the parties agree to schedule a conference to discuss the Dispute identified in the Written

Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4. If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5. If the mediation is not successful, then the parties agree to resolve the Dispute by binding arbitration conducted by a single arbitrator. Unless the parties mutually agree otherwise, arbitration proceedings shall be administered in accordance with the commercial arbitration rules of the American Arbitration Association. The arbitrator must be an active member of the State Bar of California or a retired judge of the state or federal judiciary of California.

Element 15 – Charter School Closure Procedures

"The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records." (Ed. Code § 47605(b)(5)(O).)

Revocation of the Charter

The District may revoke the Charter pursuant to the provisions set forth in the Charter Schools Act of 1992, as they may be amended from time to time. The District may revoke the Charter of Charter School if the District finds, through a showing of substantial evidence, that Charter School did any of the following:

- Charter School committed a material violation of any of the conditions, standards, or procedures set forth in the Charter.
- Charter School failed to meet or pursue any of the pupil outcomes identified in the Charter.
- Charter School failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
- Charter School violated any provision of law.

Prior to revocation, and in accordance with Education Code section 47607(d) and state regulations, the LAUSD Board of Education will notify Charter School in writing of the specific violation, and give Charter School a reasonable opportunity to cure the violation, unless the LAUSD Board of Education determines, in writing, that the violation constitutes a severe and imminent threat to the health or safety of the pupils. Revocation proceedings are not subject to the dispute resolution provisions set forth in this Charter.

Pursuant to AB 97, charter schools may be identified for assistance based on state evaluation rubrics and be subject to revocation pursuant to Education Code section 47607.3.

Closure Action

The decision to close Charter School by the governing board of Charter School must be documented in a "Closure Action." A Closure Action shall be deemed to have been automatically taken when any of the following occur: the Charter is revoked (subject to the provisions of Education Code section 47607(i)) or non-renewed by the LAUSD Board of Education and Charter School has exhausted its revocation or non-renewal administrative appeal rights pursuant to Education Code sections 47605(j)(1) and 47607(f), or its administrative appeal rights have lapsed, or the charter school voluntarily closes at any stage of the administrative appeal process; the governing board of Charter School votes to close Charter School; or the Charter lapses.

Closure Procedures

The procedures for charter school closure set forth below are guided by Education Code sections 47604.32, 47605, and 47607 as well as California Code of Regulations, title 5, sections 11962 and 11962.1, and are based on "Charter School Closure Requirements and Recommendations (Revised 08/2009)" posted on the California Department of Education website. All references to "Charter School" apply to Charter School, including its nonprofit corporation and governing board.

Designation of Responsible Person(s) and Funding of Closure

Prior to or at the time of the taking of a Closure Action by either the governing board of Charter School or the LAUSD Board of Education, the governing board of Charter School shall designate a person or persons responsible for conducting and overseeing all closure-related procedures and activities, and allocate sufficient funding for, or otherwise determine how Charter School will fund, these activities.

Notification of Closure Action

Upon the taking of a Closure Action, Charter School shall send written notice of its closure to:

(1) The LAUSD Charter Schools Division (CSD). Charter School shall provide the CSD with written notice of (1) the person(s) designated to be responsible for conducting and overseeing all closure activities, and (2) the source, location, and management of the funding for such activities. If the Closure Action is an act of Charter School, Charter School shall provide the CSD with a copy of the governing board resolution or minutes that documents its Closure Action.

(2) Parents/guardians of all students, and all majority age and emancipated minor students, currently enrolled in Charter School within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written parent notification to the CSD.

(3) Los Angeles County Office of Education (LACOE). Charter School shall send written notification of the Closure Action to LACOE by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

(4) The Special Education Local Plan Area (SELPA) in which Charter School participates. Charter School shall send written notification of the Closure Action to the SELPA in which Charter School participates by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

(5) The retirement systems in which Charter School's employees participate. Within fourteen (14) calendar days of the Closure Action, Charter School shall notify, as applicable, the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS), the Social Security Administration, and the Los Angeles County Office of Education of the Closure Action, and follow their respective procedures for dissolving contracts and reporting. Charter School shall provide a copy of these notifications and correspondence to the CSD.

(6) The California Department of Education (CDE). Charter School shall send written notification of the Closure Action to the CDE by registered mail within 72 hours of the Closure Action. Charter School shall provide a copy of this notification to the CSD.
(7) Any school district that may be responsible for providing education services to the former students of Charter School. Charter School shall send written notification of the Closure Action within 72 hours of the Closure Action. This notice must include a list of potentially returning students and their home schools based on student residence. Charter School shall provide a copy of these notifications, if any, to the CSD.
(8) All Charter School employees and vendors within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written employee and vendor notification, with any attachments, to the CSD.

Notification of all the parties above, with the exception of employees and vendors, must include but is not limited to the following information:

(1) The effective date of the closure of Charter School
(2) The name(s) and contact information for the person(s) handling inquiries regarding the closure
(3) The students' school districts of residence
(4) How parents/guardians of all students, and all majority age and emancipated minor students, may obtain copies of student records and transcripts, including specific information on completed courses and credits that meet graduation requirements

In addition to the four required items above, notification of the CDE shall also include:

(1) A description of the circumstances of the closure
(2) The location of student and personnel records

In addition to the four required items above, notification of parents/guardians of all students, and all majority age and emancipated minor students, shall also include:
(1) Information on how to enroll or transfer the student to an appropriate school
(2) A certified packet of student information that includes closure notice, a copy of the student's cumulative record and other records, including but not limited to grade reports, discipline records, immunization records, completed coursework, credits that meet graduation requirements, a transcript, and state testing results
(3) Information on student completion of college entrance requirements, for all high school students affected by the closure

Notification of employees and vendors shall include:
(1) The effective date of the closure of Charter School

(2) The name(s) and contact information for the person(s) handling inquiries regarding the closure
(3) The date and manner, which shall be no later than 30 days from the effective date of the closure of Charter School, by which Charter School shall provide employees with written verification of employment

Within 30 calendar days of the effective date of closure, Charter School shall provide all employees with written verification of employment. Charter School shall send copies of all such employee verification letters to the CSD.

Records Retention and Transfer

Charter School shall comply with all applicable laws as well as District policies and procedures, as they may change from time to time, regarding the transfer and maintenance of Charter School records, including student records. These requirements include:

1. Charter School shall provide the District with all original student cumulative files and behavior records, pursuant to District policy and applicable District handbook(s) regarding cumulative records for secondary and elementary schools, for all students, both active and inactive, of Charter School. Transfer of the complete and organized original student records to the District, in accordance with District procedures applicable at the time of closure, shall occur within seven (7) calendar days of the effective date of closure.

2. Charter School's process for transferring copies of student records to receiving schools shall be in accordance with applicable law and LAUSD procedures for students moving from one school to another.

3. Charter School shall prepare and provide an electronic master list of all students to the Charter Schools Division in accordance with the District procedures applicable at the time of closure. This list shall include the student's identification number, Statewide Student Identifier (SSID), birthdate, grade, full name, address, home school/school district, enrollment date, exit code, exit date, parent/guardian name(s), and phone number(s). If the Charter School closure occurs before the end of the school year, the list also shall indicate the name of the school to which each student is transferring, if known. This electronic master list shall be delivered to the CSD in the form of a CD or otherwise in accordance with District procedures.

4. Charter School must organize the original cumulative files for delivery to the District in two categories: active students and inactive students. Charter School will coordinate with the CSD for the delivery and/or pickup of student records.

5. Charter School must update all student records in the California Longitudinal Pupil Achievement Data System (CALPADS) prior to closing.

6. Charter School must provide to the CSD a copy of student attendance records, teacher gradebooks, and Title I records (if applicable).

7. Charter School must provide to the CSD the name, title, and contact information of the person designated to maintain all Charter School personnel records after the closure. Personnel records to be transferred to and maintained by the designee must include any and all employee records, including but not limited to, records related to performance and grievance. Charter School must provide to the CSD and the designee a list of all active and inactive employees and their periods of service. Both Charter School and the designee, individually and separately, shall inform the CSD immediately upon the transfer of Charter School's employee records to the designee.

8. Charter School shall ensure that all records are boxed and clearly labeled by classification of documents and the required duration of storage in accordance with District procedures.

9. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student's district of residence.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

(1) An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.
(2) An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.
(3) An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School's annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

(1) Preliminary budgets
(2) Interim financial reports
(3) Second interim financial reports
(4) Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School's governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

(1) Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District's personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.
(2) The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.
(3) The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.

(4) The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated as or by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School's governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.
b. Make final federal tax payments (employee taxes, etc.)
c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School's authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

Additional Provisions

FACILITIES

Charter School shall comply with all geographic and site limitations and related requirements set forth in Education Code sections 47605.1, 47602(a), and 47605(a).

District-Owned Facilities

If Charter School is using District facilities as of the date of the submission of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

The circumstances of Charter School's occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term may be co-terminous with the approved Charter, as permitted by law. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education's approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection by the District's Facilities Services Division, OEHS, and

other District offices in the same manner as other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities (i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- Use: Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.

- Furnishings and Equipment: The District shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

- Leasing; Licensing: Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.

- Programs, Services, and Activities Outside Instructional Program; Third Party Vendors
    (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term "instructional program" is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on "average daily attendance" and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.
    (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall

be subject to the terms and provisions of the use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- Minimum Payments or Charges to be Paid to District Arising From the Facilities:
  (i) Pro Rata Share: The District shall collect and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

  (ii) Taxes; Assessments: Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School's legal or equitable interest created by the use agreement.

- Maintenance & Operations Services: In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.

  (i) Co-Location: If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

  (ii) Sole Occupant: If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD's policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

- Real Property Insurance: Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD's property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of

obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

Non-District-Owned Facilities

Occupancy and Use of the Site: Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

Facility Compliance: Prior to occupancy or use of any non-District-owned school site and/or facility, Charter School shall ensure that the site and/or facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, and notices issued by any authorized building and safety agency. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and shall promptly provide such documentation to the CSD upon request.

Pest Management: Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

Asbestos Management: Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

Insurance

Insurance Requirements

No coverage shall be provided to Charter School by the District under any of the District's self-insured programs or commercial insurance policies. Charter School shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable to the District (A.M. Best A-, VII or better) or the equivalent provided through a California Joint Powers Authority self-insurance program to protect Charter School from claims which may arise from its operations. Each Charter School location shall meet the below insurance requirements individually.

It shall be Charter School's responsibility, not the District's, to monitor its vendors, contractors, partners, and/or sponsors for compliance with the insurance requirements.

The following insurance policies are required:

1. Commercial General Liability, including Fire Legal Liability, coverage of $5,000,000 per Occurrence and in the Aggregate. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy. Coverage shall be maintained with no Self-Insured Retention above $15,000 without the prior written approval of the Division of Risk Management and Insurance Services for the LAUSD.

2. Workers' Compensation Insurance in accordance with provisions of the California Labor Code adequate to protect Charter School from claims that may arise from its operations pursuant to the Workers' Compensation Act (Statutory Coverage). The Workers' Compensation Insurance coverage must also include Employers Liability coverage with limits of $1,000,000/$1,000,000/$1,000,000.

3. Commercial auto Liability, including Owned, Leased, Hired, and Non-owned, coverage with limits of $1,000,000 Combined Single Limit per Occurrence if Charter School does not operate a student transportation service. If Charter School provides student transportation services, the required coverage limit is $5,000,000 Combined Single Limit per Occurrence.

4. Crime Insurance or Fidelity Bond coverage shall be maintained by Charter School to cover all Charter School employees who handle process or otherwise have responsibility for Charter School funds, supplies, equipment, or other assets. Minimum amount of coverage shall be $1,000,000 per

occurrence/$1,000,000 aggregate, with deductible that is acceptable to the Los Angeles Unified School District.

5. Cyber Liability insurance coverage with minimum limits of $500,000 per occurrence and $500,000 general aggregate.

6. Professional Educators Errors and Omissions liability coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

7. Sexual Molestation and Abuse coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or the Errors and Omissions Policy.

8. Employment Practices Legal Liability coverage with limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

9. Excess/Umbrella Liability insurance with limits of not less than $10,000,000 is required of all high schools and any other school that participates in competitive interscholastic or intramural sports programs.

Coverages and limits of insurance may be accomplished through individual primary policies or through a combination of primary and excess policies and alternative methods of coverage as approved by the District. The policy shall be endorsed to name the Los Angeles Unified School District and Its Board of Education as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy.

Evidence of Insurance

Charter School shall furnish to the District's Division of Risk Management and Insurance Services located at 333 S. Beaudry Ave, 28th Floor, Los Angeles CA 90017 within 30 calendar days of all new policies, inceptions, renewals or changes, certificates, or such insurance signed by authorized representatives of the insurance carrier. Certificates shall be endorsed as follows:

> "Charter school shall be required to provide LAUSD with 30 days prior written notice by certified mail, return receipt requested, if the insurance afforded by this policy shall be suspended, cancelled, reduced in coverage limits or non-renewed."

Facsimile or reproduced signatures may be acceptable upon review by the Division of Risk Management and Insurance Services. However, the District reserves the right to require certified copies of any required insurance policies.

Should Charter School deem it prudent and/or desirable to have insurance coverage for damage or theft to Charter School, employee or student property, for student accident, or any other type of insurance coverage not listed above, such insurance shall not be provided by the District and its purchase shall be the responsibility of Charter School.

Hold Harmless/Indemnification Provision

To the fullest extent permitted by law, Charter School does hereby agree, at its own expense, to indemnify, defend and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever, arising out of, or relating to, this Charter agreement. Charter School further agrees to the fullest extent permitted by law, at its own expense, to indemnify, defend, and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever for claims, damages, losses and expenses arising from or relating to acts or omission of acts committed by Charter School and/or its officers, directors, employees or volunteers. Moreover, Charter School agrees to indemnify, defend and hold harmless "the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers, for any contractual liability resulting from third party contracts with Charter School's vendors, contractors, partners or sponsors.

Fiscal Matters

District Oversight Costs

The District may charge for the actual costs of oversight of Charter School not to exceed 1% of Charter School's revenue, or the District may charge for the actual costs of oversight of Charter School not to exceed 3% if Charter School is able to obtain substantially rent free facilities from the District. Notwithstanding the foregoing, the District may charge the maximum oversight fee allowed under the law as it may change from time to time. The oversight fee provided herein is separate and distinct from the charges arising under charter school facilities use agreements.

Cash Reserves

Charter School acknowledges that the recommended cash reserve is 5% of expenditures, as provided in section 15450, title 5 of the California Code of Regulations.

Third-Party Contracts

Charter School shall ensure that all third-party contracts, whether oral or written, for supplies, equipment, goods and/or services, for the direct or indirect benefit of, or otherwise related to the operation of, Charter School, require compliance with and otherwise conform to all applicable local, state, and federal policies, regulations, laws, and guidelines, including but not limited to licensing and permit requirements as well as requirements related to protection of health and safety.

Special Education Revenue Adjustment/Payment for Services

In the event that Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State's adjustment to allocation of special education revenues from Charter School, Charter School authorizes the District to deduct any and all of the in lieu property taxes that Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

Student Body Funds

Charter School shall supervise and manage any and all student body funds in a manner consistent with the provisions of Education Code sections 48930-48938. Charter School shall include and address student body funds in its financial reports, and ensure that such funds are included and addressed in Charter School's annual audit as a stand-alone item.

Audit and Inspection of Records

Charter School agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- Charter School is subject to District oversight.
- The District's statutory oversight responsibility continues throughout the life of the Charter and requires that the District, among other things, monitors the fiscal condition of Charter School.
- The District is authorized to revoke this Charter for, among other reasons, the failure of Charter School to meet generally accepted accounting principles or if Charter School engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit Charter School books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of Charter School's financial information,
- Charter School's debt structure,

- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- Charter School's enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.

Charter School shall cooperate fully with such audits and shall make available any and all records necessary for the performance of the audit upon 30 days' notice to Charter School. When 30 days' notice may defeat the purpose of the audit, the District may conduct the audit upon 24- hours' notice.

Fiscal Policies and Procedures

Charter School shall establish, maintain, and implement sound fiscal policies and procedures, including but not limited to internal controls governing all financial and business-related activities.

Apportionment Eligibility for Students Over 19 Years of Age

Charter School acknowledges that, in order for a pupil over nineteen (19) years of age to remain eligible for generating charter school apportionment, the pupil shall be continuously enrolled in public school and make satisfactory progress toward award of a high school diploma. (Ed. Code § 47612(b).)

Local Control and Accountability Plan

In accordance with California Education Code sections 47604.33 and 47606.5, Charter School shall include in its annual update a "listing and description of the expenditures for the fiscal year implementing the specific actions included in the charter as a result of

District Required Language Addendum

Assurances, Affirmations, and Declarations

Camino Nuevo High School No. 2 (also referred to herein as "CNHS No. 2" and "Charter School") shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter "Ed. Code") § 47605(d)(1).)

- Not charge tuition. (Ed. Code § 47605(d)(1).)

- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code. (Ed. Code § 47605(d)(1); Ed. Code § 220.)

- Except as provided in Education Code section 47605(d)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(d)(1).)

- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(d)(2)(A).)

- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School's capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as "LAUSD" and "District"). (Ed. Code § 47605(d)(2)(B).)

- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, Charter School shall notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. (Ed. Code § 47605(d)(3).)

- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(c)(1).)

- Consult, on a regular basis, with Charter School's parents, legal guardians, and teachers regarding the school's educational programs. (Ed. Code § 47605(c)(2).)

Charter School hereby declares that Charter School, operated as or by its nonprofit public benefit corporation, is and shall be the exclusive public school employer of Charter School's employees for

the purposes of the Educational Employment Relations Act (EERA), Chapter 10.7 (commencing with Section 3540) of Division 4 of Title I of the Government Code. Charter School shall comply with all provisions of the EERA and shall act independently from LAUSD for collective bargaining purposes. In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes.

NOTE: This Charter contains specific "District Required Language" (DRL), including the *Assurances, Affirmations, and Declarations* section above. The DRL should be highlighted in gray within each Charter element or section. The final section of the Charter provides a consolidated addendum of the DRL. This intentional redundancy facilitates efficient charter petition review while ensuring ready access to the DRL for any given section of the Charter. To the extent that any inconsistency may exist between any provision contained within the body of the Charter and the DRL contained in the addendum, the provisions of the DRL addendum shall control.

Element 1 – The Educational Program

"The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners." **(Ed. Code § 47605(b)(5)(A)(i).)**

"The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals." **(Ed. Code § 47605(b)(5)(A)(ii).)**

"If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A" to "G" admissions criteria may be considered to meet college entrance requirements." **(Ed. Code § 47605(b)(5)(A)(iii).)**

LOCAL CONTROL FUNDING FORMULA (LCFF) AND LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP)

Charter School acknowledges and agrees that it must comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula), as they may be amended from time to time, which include the requirement that Charter School shall annually submit a Local Control and Accountability Plan (LCAP)/annual update to the Los Angeles County Superintendent of Schools and the Charter Schools Division (CSD) on or before July 1. In accordance with Education Code sections 47604.33 and 47606.5, Charter School shall annually update its goals and annual actions to achieve those goals identified in the charter pursuant to Education Code section 47605(b)(5)(A)(ii), using the Local Control and Accountability Plan template adopted by the State Board of Education, as it may be changed from time to time. Charter School shall comply with all requirements of Education Code section 47606.5, including but not limited to the

requirement that Charter School "shall consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the local control and accountability plan and annual update to the local control and accountability plan." (Ed. Code § 47606.5(e).)

ACADEMIC CALENDAR AND SCHEDULES

Charter School shall offer, at a minimum, the number of minutes of instruction set forth in Education Code section 47612.5, and the number of school days required by *California Code of Regulations*, title 5, section 11960.

MATHEMATICS PLACEMENT

Charter School shall comply with all applicable requirements of the California Mathematics Placement Act of 2015.

TRANSITIONAL KINDERGARTEN

Charter School shall comply with all applicable requirements regarding transitional kindergarten. For purposes of admission to Charter School, transitional kindergarten shall be considered a part of kindergarten, and therefore students enrolled in transitional kindergarten at Charter School shall be considered existing students of Charter School for purposes of Charter School's admissions, enrollment, and lottery.

HIGH SCHOOL EXIT EXAMINATION

Charter School shall comply with all applicable requirements of Education Code sections 60850 – 60859, including but not limited to the requirements of sections 60851.6 and 60852.3.

WASC ACCREDITATION

If Charter School serves students in grades 9-12, before Charter School graduates its first class of students, Charter School shall obtain, and thereafter maintain, Western Association of Schools and Colleges (WASC) accreditation.

ENGLISH LEARNERS

Charter School shall identify potential English Learners in a timely manner in accordance with all applicable legal requirements. Charter School must provide all English Learners with an effective English language acquisition program that also affords meaningful and equitable access to Charter School's core academic curriculum. Instructional plans for English Learners must be (1) based on sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

On an annual basis, upon request, Charter School shall submit a certification to the LAUSD Charter Schools Division (CSD) that certifies that Charter School has adopted and is implementing either the LAUSD English Learner Master Plan *or* Charter School's own English Learner (EL) Master Plan. If Charter School chooses to implement its own EL Master Plan, the plan shall provide a detailed description of Charter School's EL program, and shall address the following:

- How Charter School's EL Master Plan provides all of its English Learners, including but not limited to Long Term English Learners (LTELs) with an effective English language acquisition program as well as meaningful and equitable access to Charter School's core academic curriculum
- How English Learners' specific needs will be identified
- What services will be offered
- How, where, and by whom the services will be provided
- How Charter School will evaluate its EL program each year, and how the results of this evaluation will be used to improve the program, including the provision of EL services

Each year, Charter School shall provide to the CSD a report on its annual evaluation of the effectiveness of its EL program. Upon request, Charter School shall provide a copy of its current EL Master Plan to the CSD.

Charter School shall administer the CELDT/ELPAC annually in accordance with federal and state requirements.

Charter School shall reclassify English Learners in accordance with federal and state requirements.

Charter School shall provide parent outreach services and meaningfully inform parents with limited English proficiency of important information regarding Charter School matters to the same extent as other parents.

STUDENTS WITH DISABILITIES

Federal Law Compliance

Charter School shall adhere to all provisions of federal law related to students with disabilities including, but not limited to, section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act of 2004.

Special Education Program

Charter School shall ensure that no student otherwise eligible to enroll in Charter School shall be denied, directly or indirectly, admission due to a disability or to Charter School's inability to provide necessary services. Charter School acknowledges that policies and procedures are in place to ensure the recruitment, enrollment, service, and retention of students with disabilities at LAUSD-authorized charter schools, including Charter School.

Prior to LAUSD Board of Education approval of an initial Charter petition, and if a renewing Charter School intends to operate as a "school of the district" for special education services, Charter School shall execute a Memorandum of Understanding ("MOU") by and between LAUSD and Charter School regarding the provision and funding of special education services consistent with applicable state law and the LAUSD Special Education Local Plan Area ("SELPA") Local Plan for Special Education and shall be considered a "public school of the District" for purposes of Special Education pursuant to Education Code Section 47641(b). However, Charter School reserves the right to make written verifiable assurances that it may become an independent local educational agency (LEA) and join a SELPA pursuant to Education Code Section 47641 (a) either on its own or with a grouping of charter school LEAs as a consortium following the requirements of Education Code section 56195.3(b).

SELPA Reorganization

The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code section 56195.1(a). As a single-District SELPA, the District has created two charter school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full implementation of the reorganized LAUSD SELPA commenced in the 2013-2014 school year requiring all District-authorized charter schools to elect one of the three options available under the LAUSD SELPA. Prior to an option election, all District-authorized charter schools were required to participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that had previously executed an Option 3 Memorandum of Understanding ("MOU"), were required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated Program schools do not have LEA status for the purposes of special education but will function in a similar role in that each charter school will be responsible for all special education requirements, including but not limited to services, placement, due process, related services, special education classes, and special education supports. Charter schools that have elected to participate in a District-operated programs option may apply for membership in the Charter-operated Program section of the SELPA. Charter schools accepted for participation in the Charter-operated Programs section receive support from a Special Education Director for the Charter-operated Programs.

Modified Consent Decree Requirements

All charter schools approved by the LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of the *Chanda Smith* Modified Consent Decree ("MCD") and other court orders imposed upon the District pertaining to special education. The MCD is a consent decree entered in a federal court class action lawsuit initially brought on behalf of students with disabilities in LAUSD. It is an agreement of the parties approved by the federal court and monitored by a court-appointed independent monitor. The MCD includes nineteen statistically measureable outcomes and facilities obligations that the District has to achieve to disengage from the MCD and federal court oversight. All charter schools are required to use the District's Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software

system used for online Individualized Education Programs ("IEPs") and tracking of related services provided to students during the course of their education.

As part of fulfilling the District's obligations under the MCD, student level data requests from District-operated and Charter-operated charter schools are made on a regular basis. The requested data must be submitted in the Office of the Independent Monitor's ("OIM") required format in accordance with the OIM's required timelines and as follows:

- End of Year Suspension

  District ID, SSIS ID, last name, first name, date of birth, gender, grade, date of suspension, number of days suspended, and reason for suspension.

- Statewide Assessment Data

  The standard file including District ID.

- Norm day
  District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- CBEDS

- All Students enrolled as of December 1 of each school year

  District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- Dropout
  District ID, SSIS ID, last name, first name, middle name, date of birth, grade, last location, school name and local district

- Monthly SESAC and Suspension data

- Graduation roster from all charter schools with 12th grade students with disabilities

The MCD requires charter schools to implement the District's integrated student information system, which is currently referred to as My Integrated Student Information System (MiSiS). MiSiS is a suite of applications which is designed to capture all District student data. All charter schools are required to utilize MiSiS directly or interface with MiSiS via a web based Application Programming Interface (API) in compliance with the requirements of the MCD and applicable timelines. Upon charter school full utilization of MiSiS either directly or via a web based API, the list of required data above will automatically be captured within MiSiS.

Element 2 – Measurable Pupil Outcomes and Element 3 – Method by which Pupil Progress Toward Outcomes will be Measured

"The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school." **(Ed. Code § 47605(b)(5)(B).)**

"The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card." **(Ed. Code § 47605(b)(5)(C).)**

MEASURABLE GOALS OF THE EDUCATIONAL PROGRAM

Charter School shall meet all statewide content and performance standards and targets. (Ed. Code §§ 47605(c)(1), 60605.)

Charter School shall comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula) and AB 484 (2013), as they may be amended from time to time, including all requirements pertaining to pupil outcomes.

STANDARDIZED TESTING

Charter School agrees to comply with state requirements for participation and administration of all state-mandated tests, including computer-based assessments. Charter School shall submit and maintain complete, accurate, and up-to-date California Longitudinal Pupil Achievement Data System (CALPADS) data in accordance with the requirements of California Code of Regulations, title 5, section 861. Charter School hereby grants authority to the State of California to provide a copy of all test results directly to the District as well as Charter School. Upon request, Charter School shall submit, in the requested format (e.g., CD), a copy of the results of all state-mandated tests to the District.

Element 4 – Governance

"The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement." **(Ed. Code § 47605(b)(5)(D).)**

GENERAL PROVISIONS

As an independent charter school, Charter School, operated as or by its nonprofit public benefit corporation, is a separate legal entity and shall be solely responsible for the debts and obligations of Charter School.

Charter School shall ensure that, at all times throughout the term of the Charter, the bylaws of its governing board and/or nonprofit corporation are and remain consistent with the provisions of this Charter. In the event that the governing board and/or nonprofit corporation operating Charter School amends the bylaws, Charter School shall provide a copy of the amended bylaws to CSD within 30 days of adoption.

Charter School shall send to the CSD copies of all governing board meeting agendas at the same time that they are posted in accordance with the Brown Act. Charter School shall also send to the CSD copies of all board meeting minutes within one week of governing board approval of the minutes. Timely posting of agendas and minutes on Charter School's website will satisfy this requirement.

The District reserves the right to appoint a single representative to the Charter School governing board pursuant to Education Code section 47604(b).

LEGAL AND POLICY COMPLIANCE

Charter School shall comply with all applicable federal, state, and local laws and regulations, and District policies as it relates to charter schools adopted through Board action.[2]

Charter School shall comply with all applicable federal and state reporting requirements, including but not limited to the requirements of CBEDS, CALPADS, the Public Schools Accountability Act of 1999, and Education Code section 47604.33.

Charter School shall comply with the Brown Act and the Public Records Act.

Charter School and all employees and representatives of Charter School, including members of Charter School's governing board, members of Charter School or governing board committees and councils, Charter School administrators, and managers, shall comply with federal and state laws, nonprofit integrity standards, and LAUSD charter school policy, regarding ethics and conflicts of interest. Charter School shall enter into all transactions and conduct business with all persons and entities at arm's length or, in the case of otherwise permissible related party transactions, in a manner equivalent to arm's length.

---

[2] *The District is in the process of compiling a list of LAUSD policies that apply to its authorized charter schools. The list will be finalized by April 1, 2018. Charter Schools Division staff will annually review District policies and make recommendations to the LAUSD Board of Educationr on continued application to charter schools.*

Charter School shall notify parents, guardians, and teachers in writing within 72 hours of the issuance of a Notice of Violation, Notice of Intent to Revoke, Final Decision to Revoke, Notice of Non-Renewal, or equivalent notice, by the LAUSD Board of Education.

TITLE IX, SECTION 504, AND UNIFORM COMPLAINT PROCEDURES

Charter School shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 (Title IX) and section 504 of the Rehabilitation Act of 1973 ("Section 504"), including any investigation of any complaint filed with Charter School alleging its noncompliance with these laws or alleging any actions which would be prohibited by these laws. Charter School shall notify all of its students and employees of the name, office address, and telephone number of the designated employee or employees.

Charter School shall adopt and publish complaint procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX or Section 504.

Charter School shall adopt and implement specific and continuing procedures for notifying applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Charter School, that Charter School does not discriminate on the basis of sex or mental or physical disability in the educational programs or activities which it operates, and that it is required by Title IX and Section 504 not to discriminate on any such basis.

Charter School shall establish and provide a uniform complaint procedure in accordance with applicable federal and state laws and regulations, including but not limited to all applicable requirements of *California Code of Regulations*, title 5, section 4600 et seq.

Charter School shall adhere to all applicable federal and state laws and regulations regarding pupil fees, including Education Code sections 49010 - 49013, and extend its uniform complaint procedure to complaints filed pursuant to Education Code section 49013.

Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the Local Control Funding Formula legislation provisions set forth in Education Code section 52075.

RESPONDING TO INQUIRIES

Charter School, including its nonprofit corporation shall promptly respond to all reasonable inquiries, including but not limited to inquiries regarding financial records from the District, and shall cooperate with the District regarding any inquiries. Charter School acknowledges that Charter School, including but not limited to its nonprofit corporation, is subject to audit by LAUSD, including, without limitation, audit by the District Office of the Inspector General. Charter School

shall provide the District with current, complete, and accurate contact information for Charter School, Charter School administrators, and Board members.

If an allegation or other evidence of waste, fraud, abuse, or other material violation of law related to Charter School's operations, or breach of the Charter, is received or discovered by the District, Charter School, including but not limited to its nonprofit corporation, employees, and representatives, shall cooperate with any resulting inquiry and/or investigation undertaken by the District and/or the Office of the Inspector General Investigations Unit.

Charter School acknowledges and agrees that persons and entities that directly exercise control over the expenditure of Charter School's public funds shall be subject to all necessary and appropriate District charter school oversight.

NOTIFICATION OF THE DISTRICT

Charter School shall notify the Charter Schools Division (CSD) in writing of any citations or notices of workplace hazards, investigations by outside governmental regulatory or investigative agencies, lawsuits, changes in corporate or legal status (e.g., loss of IRS 501(c)(3) status), or other formal complaints or notices, within one week of receipt of such notices by Charter School. Unless prohibited by law, Charter School shall notify the CSD in writing of any internal investigations within one week of commencing investigation. Charter School shall notify the CSD within 24 hours of any dire emergency or serious threat to the health and safety of students or staff.

STUDENT RECORDS

Upon receipt of a student records request from a receiving school/school district, Charter School shall transfer a copy of the student's complete cumulative record within ten (10) school days in accordance with Education Code section 49068. Charter School shall comply with the requirements of California Code of Regulations, title 5, section 3024, regarding the transfer of student special education records. In the event Charter School closes, Charter School shall comply with the student records transfer provisions in Element 15. Charter School shall comply with the requirements of Education Code section 49060 et seq., which include provisions regarding rights to access student records and transfer of records for youth in foster care.

PARENT ENGAGEMENT

Charter School shall not require a parent or legal guardian of a prospective or enrolled student to perform volunteer service hours, or make payment of fees or other monies, goods, or services in lieu of performing volunteer service, as a condition of his/her child's admission, continued enrollment, attendance, or participation in the school's educational activities, or otherwise discriminate against a student in any manner because his/her parent cannot, has not, or will not provide volunteer service to Charter School.

FEDERAL PROGRAM COMPLIANCE

As a recipient of federal funds, Charter School has agreed to meet all applicable programmatic, fiscal and other regulatory requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) and other applicable federal programs. Charter School understands that it is a local educational agency (LEA) for purposes of federal compliance and reporting purposes. Charter School agrees that it will keep and make available to the District any documentation necessary to demonstrate compliance with the requirements of ESEA and other applicable federal programs. Charter School also acknowledges that, as part of its oversight of Charter School, the District may conduct program review for federal as well as state compliance.

Element 5 – Employee Qualifications

"The qualifications to be met by individuals to be employed by the charter school." **(Ed. Code § 47605(b)(5)(E).)**

EQUAL EMPLOYMENT OPPORTUNITY

Charter School acknowledges and agrees that all persons are entitled to equal employment opportunity. Charter School shall not discriminate against applicants or employees on the basis of race, color, religion, sex, gender, gender expression, gender identity, sexual orientation, pregnancy, national origin, ancestry, citizenship, age, marital status, physical disability, mental disability, medical condition, genetic information, military and veteran status, or any other characteristic protected by California or federal law. Equal employment opportunity shall be extended to all aspects of the employer-employee relationship, including but not limited to recruitment, selection, hiring, upgrading, training, promotion, transfer, discipline, layoff, recall, and dismissal from employment.

ESEA/ESSA AND CREDENTIALING REQUIREMENTS

Charter School shall adhere to all requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) that are applicable to teachers and paraprofessional employees. Charter School shall ensure that all teachers are appropriately assigned and fully credentialed in accordance with applicable state requirements for certificated employment, including but not limited to the provisions of Education Code section 47605(l). Charter School shall maintain current copies of all teacher credentials and make them readily available for inspection.

Element 6 – Health and Safety Procedures

"The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall include the requirement that each employee of the charter school furnish it with a criminal record summary as described in Section 44237." **(Ed. Code § 47605(b)(5)(F).)**

HEALTH, SAFETY AND EMERGENCY PREPAREDNESS PLAN

Charter School shall comply with all applicable federal, state, and local requirements related to school and student health, safety, and emergency preparedness.

If Charter School occupies and/or operates on a District facility, Charter School shall comply with all District health, safety, and emergency procedures and requirements applicable to District facilities and related operations, and shall be subject to inspection by the District's Facilities Services Division, Office of Environmental Health and Safety, and other District offices in the same manner as other LAUSD campuses.

Charter School shall adopt, implement, and maintain at all times a current, comprehensive, and site-specific Health, Safety, and Emergency Preparedness Plan ("Plan"), which must include but is not limited to provisions for building and site emergency evacuation, the acquisition and maintenance of adequate onsite emergency supplies. The Plan must include Charter School's requirements and procedures for protecting student health and safety during off-campus school-sponsored activities, including but not limited to field trips and transportation. Charter School shall ensure that all staff members receive annual training on Charter School's health, safety, and emergency procedures, including but not limited to training on bloodborne pathogens, and shall maintain a calendar for, and conduct, emergency response drills for students and staff.

Charter School shall provide all employees, and other persons working on behalf of Charter School who are mandated reporters, with annual training on child abuse detection and reporting, which shall occur within the first six weeks of each school year, or within the first six weeks of a person's employment if employed after the beginning of the school year, in accordance with the requirements of AB 1432 (2014).

Charter School shall stock and maintain the required number and type of emergency epinephrine auto-injectors onsite and provide training to employee volunteers in the storage and use of the epinephrine auto-injector as required by Education Code section 49414 and section 4119.2 of the Business and Professions Code, as they may be amended from time to time.

Charter School shall comply with the requirements of Education Code section 49475, with respect to any athletic program (as defined in Education Code § 49475) offered by or on behalf of Charter School.

Charter School shall periodically review, and update and/or modify as necessary, its Health, Safety, and Emergency Preparedness Plan, and keep it readily available for on-site use. Charter School shall provide a copy of the Health, Safety, and Emergency Preparedness Plan for review upon CSD request.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Charter School, including its employees, officers, and representatives, shall comply with the Family Educational Rights and Privacy Act (FERPA) and Education Code section 49060 et seq. at all times.

CRIMINAL BACKGROUND CLEARANCES AND FINGERPRINTING

Charter School shall comply with all requirements of Education Code sections 44237 and 45125.1. Charter School shall designate and maintain at all times at least one Custodian of Records duly authorized by the California Department of Justice.

Charter School shall maintain on file and available for inspection evidence that (1) Charter School has performed criminal background checks and cleared for employment all employees prior to employment; (2) Charter School has obtained certification from each of its contracting entities/independent contractors that the entity/contractor has conducted required criminal background clearances for its employees prior to provision of schoolsite services and/or any contact with students, and has requested subsequent arrest notification service; and (3) Charter School has performed criminal background checks and cleared for service all volunteers not directly supervised by staff and who may have contact with students. Charter School shall also ensure that it requests and receives subsequent arrest notifications from the California Department of Justice for all employees and volunteers not directly supervised by staff. Upon request, Charter School shall provide a copy of Department of Justice confirmation of Custodian of Records status for each Custodian of Records. Charter School, including its administrators and officers, shall comply with the requirements of Education Code section 44030.5.

IMMUNIZATION AND HEALTH SCREENING REQUIREMENTS

Charter School shall require all employees, and any volunteer or vendor/contracting entity employee who may have frequent or prolonged contact with students, to undergo a risk assessment and/or be examined and determined to be free of active tuberculosis (TB) within the period of 60 days prior to employment/service, or otherwise meet the requirements of Education Code section 49406. Charter School shall maintain TB clearance records and certificates on file.

Charter School shall comply with all federal and state legal requirements, including but not limited to the requirements of SB 277 (2015), related to student immunization, health examination, and health screening, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the students were attending a non-charter public school. Charter School shall maintain student immunization, health examination, and health screening records on file.

SAFE PLACE TO LEARN ACT

Charter School shall comply with all applicable requirements of the Safe Place to Learn Act, Education Code section 234 et seq.

SUICIDE PREVENTION POLICY

If Charter School serves students in grades 7-12, Charter School shall comply with the requirements of AB 2246 (2016), codified in Education Code section 215, including but not limited to the requirement that the school's pupil suicide prevention policy shall be developed in consultation with school and community stakeholders, school-employed mental health professionals, and suicide prevention experts. Charter School shall provide the CSD with a copy of its pupil suicide prevention policy for review upon request.

Element 7 – Means to Achieve Racial and Ethnic Balance

"The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted." **(Ed. Code § 47605(b)(5)(G).)**

COURT-ORDERED INTEGRATION

Charter School shall comply with all requirements of the *Crawford v. Board of Education, City of Los Angeles* court order and the LAUSD Integration Policy adopted and maintained pursuant to the Crawford court order by the District's Student Integration Services (collectively the "Court-ordered Integration Program"). The Court-ordered Integration Program applies to all schools within or chartered through LAUSD.

Charter School has set forth below its initial plan for achieving and maintaining the LAUSD's Racial and Ethnic Balance goal of a 70:30 or 60:40 ratio. (*Ratio represents the percentage of Predominantly Hispanic Black Asian Other (PHBAO) compared to Other White (OW))*. The written plan lists specific dates and locations of recruitment activities that Charter School will undertake in order to achieve the District's Racial and Ethnic Balance goal. Charter School shall monitor the implementation and outcomes of the initial plan, and modify it as necessary throughout the term of the Charter to achieve the District's goal. Upon request, Charter School shall provide the District with a copy of its current written plan.

The District receives neither average daily attendance allocations nor Court-ordered Integration Program cost reimbursements for charter school students. The District may receive the Targeted Instructional Improvement Block Grant (TIIBG) for its Court-ordered Integration Program. The District retains sole discretion over the allocation of TIIBG funding, where available, and cannot guarantee the availability of this funding.

Element 8 – Admission Requirements

"Admission requirements, if applicable." **(Ed. Code § 47605(b)(5)(H).)**

DOCUMENTATION OF ADMISSIONS AND ENROLLMENT PROCESSES

Charter School shall maintain complete and accurate records of its annual admissions and enrollment processes, including but not limited to documentation of implementation of lottery and waitlist criteria and procedures in accordance with the terms of the Charter. These records shall be made available to the District upon request.

HOMELESS AND FOSTER YOUTH

Charter School shall adhere to the provisions of the federal McKinney-Vento Homeless Assistance Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. Charter School shall provide specific information, in its outreach materials, websites, at community meetings, open forums, and regional center meetings, that notifies parents that Charter School is open to enroll and provide services for all students, and provides a standard District contact number for access to additional information regarding enrollment.

Charter School shall comply with all applicable federal and state laws regarding homeless and foster youth, including but not limited to the provisions of AB 379 (2015) and Chapter 5.5 (commencing with Section 48850) of Part 27 of Division 4 of Title 2 of the Education Code, as amended from time to time. Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the applicable provisions of AB 379.

NON-DISCRIMINATION

Charter School shall not require a parent/legal guardian/student to provide information regarding a student's disability, gender, gender identity, gender expression, nationality, legal or economic status, primary language or English Learner status, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, or any other information that would violate federal or state law, prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment. Charter School may request, at the time of, and as part of, conducting its lottery process, the provision of information necessary to apply specific admissions preferences set forth in this Charter.

Charter School shall not request or require submission of a student's IEP, Section 504 Plan, or any other record or related information prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment.

Element 9 – Annual Financial Audits

"The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority." **(Ed. Code § 47605(b)(5)(I).)**

Charter School shall provide for an annual audit that shall be conducted in compliance with applicable state and federal laws, including but not limited to the requirements of Education Code

sections 47605(b)(5)(I) and 41020 as they may be amended from time to time. Charter School shall ensure compliance with the requirements of section 41020(f)(2), which makes it unlawful, absent an Education Audits Appeal Panel waiver, for a public accounting firm to provide audit services to a local educational agency if the lead audit partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local educational agency in each of the six previous years.

The following reports will be submitted to LAUSD, in the required format and within timelines to be specified by LAUSD, each year:

a. Provisional Budget – Spring prior to operating fiscal year
b. Final Budget – July of the budget fiscal year
c. First Interim Projections – November of operating fiscal year
d. Second Interim Projections – February of operating fiscal year
e. Unaudited Actuals – July following the end of the fiscal year
f. Audited Actuals – December 15 following the end of the fiscal year
g. Classification Report – monthly according to Charter School's Calendar
h. Statistical Report – monthly according to Charter School's Calendar of Reports
   In addition:
   - P1, first week of January
   - P2, first week of April
i. Instructional Calendar – annually five weeks prior to first day of instruction
j. Other reports as requested by the District

Element 10 – Suspension and Expulsion Procedures

"The procedures by which pupils can be suspended or expelled." **(Ed. Code § 47605(b)(5)(J).)**

GENERAL PROVISIONS

Charter School shall provide due process for all students, including adequate and timely notice to parents/guardians and students of the grounds for all suspension and expulsion recommendations and decisions and their due process rights regarding suspension and expulsion, including rights of appeal.

Charter School shall ensure that its policies and procedures regarding suspension and expulsion will be periodically reviewed, and modified as necessary, in order to conform to changes in state law.

Charter School shall ensure that its staff is knowledgeable about and complies with the District's Discipline Foundation Policy and/or current equivalent policy, as required by the Modified Consent Decree. Charter School shall comply with the terms of the School Discipline Policy and School Climate Bill of Rights resolution adopted by the LAUSD Board of Education on May 6, 2013.

Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of Charter School's student expulsion process and shall facilitate the post-expulsion placement of expelled students.

Charter School shall document and implement the alternatives to suspension and expulsion that Charter School utilizes in response to attendance-related concerns, e.g. truancy or excessive tardiness.

STUDENTS WITH DISABILITIES

Charter School shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, pending the completion of the expulsion process, Charter School shall identify and provide special education programs and services at an appropriate interim educational placement determined in coordination with the LAUSD Division of Special Education.

In the case of a student who has an Individualized Education Program ("IEP"), or a student who has a Section 504 Plan, Charter School shall ensure that it follows correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District's Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a Section 504 Plan, Charter School's administrator will convene a Link Determination meeting to ask the following two questions:

C. Was the misconduct caused by, or directly and substantially related to the student's disability?
D. Was the misconduct a direct result of the Charter School's failure to implement Section 504?

NOTIFICATION OF THE DISTRICT

Upon expelling any student, Charter School shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed "Notification of Charter School Expulsion" [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Charter School's policies and procedures were followed
    - Copy of parental notice of expulsion hearing
    - Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and

instructions for providing proof of student's compliance for reinstatement, appeal process, and options for enrollment

- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:

C. Was the misconduct caused by, or directly and substantially related to the student's disability?
D. Was the misconduct a direct result of Charter School's failure to implement Section 504 Plan?

Notwithstanding and apart from the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student's district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

OUTCOME DATA

Charter School shall gather and maintain all data related to placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.

REHABILITATION PLANS

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School's governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

READMISSION

Charter School's governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School's governing board shall readmit the pupil, unless Charter School's governing board makes a finding that the pupil has

not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil's parent/guardian within a reasonable time.

REINSTATEMENT

Charter School's governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. Charter School is responsible for reinstating the student upon the conclusion of the expulsion period in a timely manner.

GUN-FREE SCHOOLS ACT

Charter School shall comply with the federal Gun-Free Schools Act.

Element 11 – Employee Retirement Systems

"The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security." **(Ed. Code § 47605(b)(5)(K).)**

Charter School shall comply in a timely manner with all applicable federal and state laws and regulations, as they may change from time to time, including but not limited to Internal Revenue Code section 414(d) and related regulations, governing Charter School's participation in, and/or coverage of its staff members by, the State Teachers' Retirement System (CalSTRS), the Public Employees' Retirement System (CalPERS), and/or federal social security.

If Charter School participates in, or otherwise covers its staff members by enrolling or continuing their enrollment in, a "government plan" governed by section 414(d) (e.g., CalPERS), upon dissolution or final liquidation of Charter School, and/or its nonprofit public benefit corporation, notwithstanding any provision in Element 15 to the contrary, Charter School shall distribute its net assets in accordance with section 414(d), related regulations, and the government plan's requirements.

If Charter School participates in CalSTRS and/or CalPERS, Charter School shall continue such participation for the duration of Charter School's existence under the same CDS code, if mandated by applicable legal and retirement plan requirements.

Element 12 – Public School Attendance Alternatives

"The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools." **(Ed. Code § 47605(b)(5)(L).)**

Pupils of Charter School do not have or gain any right to admission in a particular school of any school district, or program of any school district, as a consequence of applying to or enrolling in Charter School, except to the extent that such a right is extended by the school district.

A pupil who chooses not to attend Charter School may attend a public school within the pupil's school district of residence in accordance with applicable law and that school district's policies and procedures. The pupil alternatively may seek to enroll in another charter school in accordance with applicable law and the terms of the school's charter. If LAUSD is the pupil's school district of residence, an eligible pupil may pursue an inter-district transfer, if available, in accordance with the admission, enrollment, and transfer policies and procedures of the District, as they may change from time to time.

Element 13 – Rights of District Employees

***"The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school."* (Ed. Code § 47605(b)(5)(M).)**

Employees of the District who choose to leave the employment of the District to work at Charter School shall have no automatic rights of return to the District after employment at Charter School unless specifically granted by the District through a leave of absence or other agreement or policy of the District as aligned with the collective bargaining agreements of the District. Leave and return rights for District union-represented employees and former employees who accept employment with Charter School will be administered in accordance with applicable collective bargaining agreements and any applicable judicial rulings.

Element 14 – Mandatory Dispute Resolution

***"The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter."* (Ed. Code § 47605(b)(5)(N).)**

GENERAL PROVISIONS

Any claim, controversy or dispute between the District and Charter School arising out of or relating to this Charter, except for any claim, controversy or dispute related to the authorization (non-renewal, revision and/or revocation) of this Charter, ("Dispute") shall be resolved pursuant to the terms of this Element 14.

Notwithstanding any other provision of law, each party shall bear and be solely responsible for all of its own attorneys' fees, costs and expenses associated with any Dispute, including, but not limited to, any written/oral communication, meeting, Issues Conference, mediation, arbitration, administrative and/or civil action (including all levels of appeal), and no party shall be ordered to

pay, or be awarded, any other party's attorneys' fees, costs or expenses in connection therewith, regardless of who may be deemed the prevailing party. Any fees, costs and expenses charged by a mediator or arbitrator (including all associated administration fees, costs and expenses) shall be shared equally by the parties regardless of the outcome or award. To that effect, any order or award of attorneys' fees, costs and/or expenses, or mediator's or arbitrator's fees, costs or expenses (including any associated administration fees, costs and expenses), issued by a mediator, arbitrator, judicial officer (including all levels of appeal) or jury in any Dispute shall be deemed invalid as a matter of law and unenforceable by one party against the other party.

PROPOSITION 39 DISPUTES

Any Dispute related to or arising out of Education Code §47614 and/or its implementing regulations set forth in California Code of Regulations, title 5, section 11969 *et seq*. ("Proposition 39"), shall be resolved in accordance with the procedures set forth below:

2) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and all supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

Unless directed otherwise, all Written Notifications to the District and Charter School shall be addressed respectively as follows:

Director
Charter Schools Division
Los Angeles Unified School District
333 South Beaudry Avenue, 20th Floor
Los Angeles, California 90017

Director/Principal
[Charter School Name]
[Charter School Address]

3) A written response ("Written Response") shall be tendered to the other party within fifteen (15) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic

confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

4) If the Dispute has not been resolved by mutual agreement from the Written Response, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

5) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, and conclude within forty (40) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

6) If the mediation is not successful, either party may then initiate a civil action. Venue for any civil action between the parties shall be the Los Angeles County Superior Court.

NON-PROPOSITION 39 DISPUTES

Any Dispute not related to or arising out of Proposition 39 shall be resolved in accordance with the procedures set forth below:

2) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and any supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

   Unless directed otherwise all Written Notifications to the District and Charter School shall be addressed respectively as follows:

   Director
   Charter Schools Division
   Los Angeles Unified School District

333 South Beaudry Avenue, 20th Floor
Los Angeles, California 90017

Director/Principal
[Charter School]
[Charter School Address]

3) A written response ("Written Response") shall be tendered to the other party within twenty (20) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

4) If the Dispute has not been otherwise resolved by mutual agreement, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

5) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

6) If the mediation is not successful, then the parties agree to resolve the Dispute by binding arbitration conducted by a single arbitrator. Unless the parties mutually agree otherwise, arbitration proceedings shall be administered in accordance with the commercial arbitration rules of the American Arbitration Association. The arbitrator must be an active member of the State Bar of California or a retired judge of the state or federal judiciary of California.

Element 15 – Charter School Closure Procedures

***"The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records."* (Ed. Code § 47605(b)(5)(O).)**

REVOCATION OF THE CHARTER

The District may revoke the Charter pursuant to the provisions set forth in the Charter Schools Act of 1992, as they may be amended from time to time. The District may revoke the Charter of Charter School if the District finds, through a showing of substantial evidence, that Charter School did any of the following:

- Charter School committed a material violation of any of the conditions, standards, or procedures set forth in the Charter.
- Charter School failed to meet or pursue any of the pupil outcomes identified in the Charter.
- Charter School failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
- Charter School violated any provision of law.

Prior to revocation, and in accordance with Education Code section 47607(d) and state regulations, the LAUSD Board of Education will notify Charter School in writing of the specific violation, and give Charter School a reasonable opportunity to cure the violation, unless the LAUSD Board of Education determines, in writing, that the violation constitutes a severe and imminent threat to the health or safety of the pupils. Revocation proceedings are not subject to the dispute resolution provisions set forth in this Charter.

Pursuant to AB 97, charter schools may be identified for assistance based on state evaluation rubrics and be subject to revocation pursuant to Education Code section 47607.3.

CLOSURE ACTION

The decision to close Charter School, by the governing board of Charter School must be documented in a "Closure Action". A Closure Action shall be deemed to have been automatically taken when any of the following occur: the Charter is revoked (subject to the provisions of Education Code section 47607(i)) or non-renewed by the LAUSD Board of Education and Charter School has exhausted its revocation or non-renewal administrative appeal rights pursuant to Education Code sections 47605(j)(1) and 47607(f), or its administrative appeal rights have lapsed, or the charter school voluntarily closes at any stage of the administrative appeal process;; the governing board of Charter School votes to close Charter School; or the Charter lapses.

CLOSURE PROCEDURES

The procedures for charter school closure set forth below are guided by *Education Code* sections 47604.32, 47605, and 47607 as well as *California Code of Regulations*, title 5, sections 11962 and 11962.1, and are based on "Charter School Closure Requirements and Recommendations (Revised 08/2009)" posted on the California Department of Education website. All references to "Charter School" apply to Charter School, including its nonprofit corporation and governing board.

Designation of Responsible Person(s) and Funding of Closure

Prior to or at the time of the taking of a Closure Action by either the governing board of Charter School or the LAUSD Board of Education, the governing board of Charter School shall designate a person or persons responsible for conducting and overseeing all closure-related procedures and activities, and allocate sufficient funding for, or otherwise determine how Charter School will fund, these activities.

Notification of Closure Action

Upon the taking of a Closure Action, Charter School shall send written notice of its closure to:

1. The LAUSD Charter Schools Division (CSD). Charter School shall provide the CSD with written notice of (1) the person(s) designated to be responsible for conducting and overseeing all closure activities, and (2) the source, location, and management of the funding for such activities. If the Closure Action is an act of Charter School, Charter School shall provide the CSD with a copy of the governing board resolution or minutes that documents its Closure Action.

2. Parents/guardians of all students, and all majority age and emancipated minor students, currently enrolled in Charter School within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written parent notification to the CSD.

3. Los Angeles County Office of Education (LACOE). Charter School shall send written notification of the Closure Action to LACOE by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

4. The Special Education Local Plan Area (SELPA) in which Charter School participates. Charter School shall send written notification of the Closure Action to the SELPA in which Charter School participates by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

5. The retirement systems in which Charter School's employees participate. Within fourteen (14) calendar days of the Closure Action, Charter School shall notify, as applicable, the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS), the Social Security Administration, and the Los Angeles County Office of Education of the Closure Action, and follow their respective procedures for dissolving contracts and reporting. Charter School shall provide a copy of these notifications and correspondence to the CSD.

6. The California Department of Education (CDE). Charter School shall send written notification of the Closure Action to the CDE by registered mail within 72 hours of the Closure Action. Charter School shall provide a copy of this notification to the CSD.

7. Any school district that may be responsible for providing education services to the former students of Charter School. Charter School shall send written notification of the Closure Action within 72 hours of the Closure Action. This notice must include a list of potentially returning students and their home schools based on student residence. Charter School shall provide a copy of these notifications, if any, to the CSD.

8. All Charter School employees and vendors within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written employee and vendor notification, with any attachments, to the CSD.

Notification of all the parties above, with the exception of employees and vendors, must include but is not limited to the following information:

1. The effective date of the closure of Charter School

2. The name(s) and contact information for the person(s) handling inquiries regarding the closure

3. The students' school districts of residence

4. How parents/guardians of all students, and all majority age and emancipated minor students, may obtain copies of student records and transcripts, including specific information on completed courses and credits that meet graduation requirements

In addition to the four required items above, notification of the CDE shall also include:

1. A description of the circumstances of the closure

2. The location of student and personnel records

In addition to the four required items above, notification of parents/guardians of all students, and all majority age and emancipated minor students, shall also include:

1. Information on how to enroll or transfer the student to an appropriate school

2. A certified packet of student information that includes closure notice, a copy of the student's cumulative record and other records, including but not limited to grade reports, discipline records, immunization records, completed coursework, credits that meet graduation requirements, a transcript, and state testing results

3. Information on student completion of college entrance requirements, for all high school students affected by the closure

Notification of employees and vendors shall include:

1. The effective date of the closure of Charter School

2. The name(s) and contact information for the person(s) handling inquiries regarding the closure

3. The date and manner, which shall be no later than 30 days from the effective date of the closure of Charter School, by which Charter School shall provide employees with written verification of employment

Within 30 calendar days of the effective date of closure, Charter School shall provide all employees with written verification of employment. Charter School shall send copies of all such employee verification letters to the CSD.

Records Retention and Transfer

Charter School shall comply with all applicable laws as well as District policies and procedures, as they may change from time to time, regarding the transfer and maintenance of Charter School records, including student records. These requirements include:

10. Charter School shall provide the District with all original student cumulative files and behavior records, pursuant to District policy and applicable District handbook(s) regarding cumulative records for secondary and elementary schools, for all students, both active and inactive, of Charter School. Transfer of the complete and organized original student records to the District, in accordance with District procedures applicable at the time of closure, shall occur within seven (7) calendar days of the effective date of closure.

11. Charter School's process for transferring copies of student records to receiving schools shall be in accordance with applicable law and LAUSD procedures for students moving from one school to another.

12. Charter School shall prepare and provide an electronic master list of all students to the Charter Schools Division in accordance with the District procedures applicable at the time of closure. This list shall include the student's identification number, Statewide Student Identifier (SSID), birthdate, grade, full name, address, home school/school district, enrollment date, exit code, exit date, parent/guardian name(s), and phone number(s). If the Charter School closure occurs before the end of the school year, the list also shall indicate the name of the school to which each student is transferring, if known. This electronic master list shall be delivered to the CSD in the form of a CD or otherwise in accordance with District procedures.

13. Charter School must organize the original cumulative files for delivery to the District in two categories: active students and inactive students. Charter School will coordinate with the CSD for the delivery and/or pickup of student records.

14. Charter School must update all student records in the California Longitudinal Pupil Achievement Data System (CALPADS) prior to closing.

15. Charter School must provide to the CSD a copy of student attendance records, teacher gradebooks, and Title I records (if applicable).

16. Charter School must provide to the CSD the name, title, and contact information of the person designated to maintain all Charter School personnel records after the closure. Personnel records to be transferred to and maintained by the designee must include any and all employee records, including but not limited to, records related to performance and grievance. Charter School must provide to the CSD and the designee a list of all active and inactive employees and their periods of service. Both Charter School and the designee, individually and separately, shall inform the CSD immediately upon the transfer of Charter School's employee records to the designee.

17. Charter School shall ensure that all records are boxed and clearly labeled by classification of documents and the required duration of storage in accordance with District procedures.

18. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student's district of residence.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

1. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.

2. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.

3. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School's annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

1. Preliminary budgets
2. Interim financial reports
3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School's governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District's personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.

2. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.

3. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.

4. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated as or by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School's governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.

b. Make final federal tax payments (employee taxes, etc.)

c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School's authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

Additional Provisions

FACILITIES

Charter School shall comply with all geographic and site limitations and related requirements set forth in Education Code sections 47605.1, 47602(a), and 47605(a).

District-Owned Facilities

If Charter School is using District facilities as of the date of the submission of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

The circumstances of Charter School's occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term may be co-terminous with the approved Charter, as permitted by law. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education's approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection by the District's Facilities Services Division, OEHS, and other District offices in the same manner as other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities *(*i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- Use: Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.

- Furnishings and Equipment: The District shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

- Leasing; Licensing: Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.

- Programs, Services, and Activities Outside Instructional Program; Third Party Vendors
  (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term "instructional program" is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on "average daily attendance" and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.
  (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- Minimum Payments or Charges to be Paid to District Arising From the Facilities:
  (iii) Pro Rata Share: The District shall collect and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its

regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

(iv) Taxes; Assessments: Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School's legal or equitable interest created by the use agreement.

- Maintenance & Operations Services: In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.

(iii) Co-Location: If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

(iv) Sole Occupant: If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD's policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

- Real Property Insurance: Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD's property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

Non-District-Owned Facilities

Occupancy and Use of the Site: Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to

another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

Facility Compliance: Prior to occupancy or use of any non-District-owned school site and/or facility, Charter School shall ensure that the site and/or facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, and notices issued by any authorized building and safety agency. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and shall promptly provide such documentation to the CSD upon request.

Pest Management: Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

Asbestos Management: Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

INSURANCE

Insurance Requirements

No coverage shall be provided to Charter School by the District under any of the District's self-insured programs or commercial insurance policies. Charter School shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable to the District [A.M. Best A-, VII or better] or the equivalent provided through a California Joint Powers Authority self-insurance program to protect Charter School from claims which may arise from its operations. Each Charter School location shall meet the below insurance requirements individually.

It shall be Charter School's responsibility, not the District's, to monitor its vendors, contractors, partners, and/or sponsors for compliance with the insurance requirements.

The following insurance policies are required:

1. Commercial General Liability, including Fire Legal Liability, coverage of $5,000,000 per Occurrence and in the Aggregate. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy. Coverage shall be maintained with no Self-Insured Retention above $15,000 without the prior written approval of the Division of Risk Management and Insurance Services for the LAUSD.

2. Workers' Compensation Insurance in accordance with provisions of the California Labor Code adequate to protect Charter School from claims that may arise from its operations pursuant to the Workers' Compensation Act (Statutory Coverage). The Workers' Compensation Insurance coverage must also include Employers Liability coverage with limits of $1,000,000/$1,000,000/$1,000,000.

3. Commercial Auto Liability, including Owned, Leased, Hired, and Non-owned, coverage with limits of $1,000,000 Combined Single Limit per Occurrence if Charter School does not operate a student transportation service. If Charter School provides student transportation services, the required coverage limit is $5,000,000 Combined Single Limit per Occurrence.

4. Crime Insurance or Fidelity Bond coverage shall be maintained by Charter School to cover all Charter School employees who handle, process or otherwise have responsibility for Charter School funds, supplies, equipment, or other assets. Minimum amount of coverage shall be $1,000,000 per occurrence/$1,000,000 aggregate, with deductible that is acceptable to the Los Angeles Unified School District.

5. Cyber Liability insurance coverage with minimum limits of $500,000 per occurrence and $500,000 general aggregate.

6. Professional Educators Errors and Omissions liability coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

7. Sexual Molestation and Abuse coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or the Errors and Omissions Policy.

8. Employment Practices Legal Liability coverage with limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

9. Excess/Umbrella Liability insurance with limits of not less than $10,000,000 is required of all high schools and any other school that participates in competitive interscholastic or intramural sports programs.

Coverages and limits of insurance may be accomplished through individual primary policies or through a combination of primary and excess policies and alternative methods of coverage as approved by the District. *The policy shall be endorsed to name the Los Angeles Unified School District and Its Board of Education as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy.*

Evidence of Insurance

Charter School shall furnish to the District's Division of Risk Management and Insurance Services located at 333 S. Beaudry Ave, 28th Floor, Los Angeles CA 90017 within 30 calendar days of all new policies, inceptions, renewals or changes, certificates, or such insurance signed by authorized representatives of the insurance carrier. Certificates shall be endorsed as follows:

> *"Charter school shall be required to provide LAUSD with 30 days prior written notice by certified mail, return receipt requested, if the insurance afforded by this policy shall be suspended, cancelled, reduced in coverage limits or non-renewed."*

Facsimile or reproduced signatures may be acceptable upon review by the Division of Risk Management and Insurance Services. However, the District reserves the right to require certified copies of any required insurance policies.

Should Charter School deem it prudent and/or desirable to have insurance coverage for damage or theft to Charter School, employee or student property, for student accident, or any other type of insurance coverage not listed above, such insurance shall not be provided by the District and its purchase shall be the responsibility of Charter School.

Hold Harmless/Indemnification Provision

To the fullest extent permitted by law, Charter School does hereby agree, at its own expense, to indemnify, defend and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever, arising out of, or relating to, this Charter agreement. Charter School further agrees to the fullest extent permitted by law, at its own expense, to indemnify, defend, and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever for claims, damages, losses and expenses arising from or relating to acts or omission of acts committed by Charter School and/or its officers, directors, employees or volunteers. Moreover, Charter School agrees to indemnify, defend and hold harmless "the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers, for any contractual liability resulting from third party contracts with Charter School's vendors, contractors, partners or sponsors.

FISCAL MATTERS

District Oversight Costs

The District may charge for the actual costs of oversight of Charter School not to exceed 1% of Charter School's revenue, or the District may charge for the actual costs of oversight of Charter School not to exceed 3% if Charter School is able to obtain substantially rent free facilities from the District. Notwithstanding the foregoing, the District may charge the maximum oversight fee allowed under the law as it may change from time to time. The oversight fee provided herein is separate and distinct from the charges arising under charter school facilities use agreements.

Cash Reserves

Charter School acknowledges that the recommended cash reserve is 5% of expenditures, as provided in section 15450, title 5 of the California Code of Regulations.

Third Party Contracts

Charter School shall ensure that all third party contracts, whether oral or written, for supplies, equipment, goods and/or services, for the direct or indirect benefit of, or otherwise related to the operation of, Charter School, require compliance with and otherwise conform to all applicable local, state, and federal policies, regulations, laws, and guidelines, including but not limited to licensing and permit requirements as well as requirements related to protection of health and safety.

Special Education Revenue Adjustment/Payment for Services

In the event that Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State's adjustment to allocation of special education revenues from Charter School, Charter School authorizes the District to deduct any and all of the in lieu property taxes that Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

Student Body Funds

Charter School shall supervise and manage any and all student body funds in a manner consistent with the provisions of Education Code sections 48930-48938. Charter School shall include and address student body funds in its financial reports, and ensure that such funds are included and addressed in Charter School's annual audit as a stand-alone item.

Audit and Inspection of Records

Charter School agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- Charter School is subject to District oversight.
- The District's statutory oversight responsibility continues throughout the life of the Charter

and requires that the District, among other things, monitors the fiscal condition of Charter School.

- The District is authorized to revoke this Charter for, among other reasons, the failure of Charter School to meet generally accepted accounting principles or if Charter School engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit Charter School books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of Charter School's financial information,
- Charter School's debt structure,
- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- Charter School's enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.

Charter School shall cooperate fully with such audits and shall make available any and all records necessary for the performance of the audit upon 30 days notice to Charter School. When 30 days notice may defeat the purpose of the audit, the District may conduct the audit upon 24- hours notice.

Fiscal Policies and Procedures

Charter School shall establish, maintain, and implement sound fiscal policies and procedures, including but not limited to internal controls governing all financial and business-related activities.

Apportionment Eligibility for Students Over 19 Years of Age

Charter School acknowledges that, in order for a pupil over nineteen (19) years of age to remain eligible for generating charter school apportionment, the pupil shall be continuously enrolled in public school and make satisfactory progress toward award of a high school diploma. (Ed. Code § 47612(b).)

Local Control and Accountability Plan

In accordance with California Education Code sections 47604.33 and 47606.5, Charter School shall include in its annual update a "listing and description of the expenditures for the fiscal year implementing the specific actions included in the charter as a result of the reviews and assessment required by paragraph (1)" of section 47606.5(a). These expenditures shall be "classified using the California School Accounting Manual pursuant to Section 41010." (Ed. Code § 47606.5(b).)

Assurances, Affirmations, and Declarations

Central City Value High School (also referred to herein as "Central City Value," "CCVHS" and "Charter School") shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter "Ed. Code") § 47605(d)(1).)
- Not charge tuition. (Ed. Code § 47605(d)(1).)
- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code. (Ed. Code § 47605(d)(1); Ed. Code § 220.)
- Except as provided in Education Code section 47605(d)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(d)(1).)
- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(d)(2)(A).)
- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School's capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as "LAUSD" and "District"). (Ed. Code § 47605(d)(2)(B).)
- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, Charter School shall notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. (Ed. Code § 47605(d)(3).)
- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(c)(1).)
- Consult, on a regular basis, with Charter School's parents, legal guardians, and teachers regarding the school's educational programs. (Ed. Code § 47605(c)(2).)

Charter School hereby declares that Charter School, operated as or by its nonprofit public benefit corporation, is and shall be the exclusive public school employer of Charter School's employees for the purposes of the Educational Employment Relations Act (EERA), Chapter 10.7 (commencing with Section 3540) of Division 4 of Title I of the Government Code. Charter School shall comply with all provisions of the EERA and shall act independently from LAUSD for collective bargaining purposes. In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes.

NOTE: This Charter contains specific "District Required Language" (DRL), including the *Assurances, Affirmations, and Declarations* section above. The DRL should be highlighted in gray within each Charter element or section. The final section of the Charter provides a consolidated addendum of the DRL. This intentional redundancy facilitates efficient charter petition review while ensuring ready access to the DRL for any given section of the Charter. To the extent that any inconsistency may exist between any provision contained within the body of the Charter and the DRL contained in the addendum, the provisions of the DRL addendum shall control.

Element 1 – The Educational Program

"The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners." (Ed. Code § 47605(b)(5)(A)(i).)

"The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals." (Ed. Code § 47605(b)(5)(A)(ii).)

"If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A" to "G" admissions criteria may be considered to meet college entrance requirements." (Ed. Code § 47605(b)(5)(A)(iii).)

LOCAL CONTROL FUNDING FORMULA (LCFF) AND LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP)

Charter School acknowledges and agrees that it must comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula), as they may be amended from time to time, which include the requirement that Charter School shall annually submit a Local Control and Accountability Plan (LCAP)/annual update to the Los Angeles County Superintendent of Schools and the Charter Schools Division (CSD) on or before July 1. In accordance with Education Code sections 47604.33 and 47606.5, Charter School shall annually update its goals and annual actions to achieve those goals identified in the charter pursuant to Education Code section 47605(b)(5)(A)(ii), using the Local Control and Accountability Plan template adopted by the State Board of Education, as it may be changed from time to time. Charter School shall comply with all requirements of Education Code section 47606.5, including but not limited to the requirement that Charter School "shall consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the local control and accountability plan and annual update to the local control and accountability plan." (Ed. Code § 47606.5(e).)

ACADEMIC CALENDAR AND SCHEDULES

Charter School shall offer, at a minimum, the number of minutes of instruction set forth in Education Code section 47612.5, and the number of school days required by *California Code of Regulations*, title 5, section 11960.

MATHEMATICS PLACEMENT

Charter School shall comply with all applicable requirements of the California Mathematics Placement Act of 2015.

TRANSITIONAL KINDERGARTEN

Charter School shall comply with all applicable requirements regarding transitional kindergarten. For purposes of admission to Charter School, transitional kindergarten shall be considered a part of kindergarten, and therefore students enrolled in transitional kindergarten at Charter School shall be considered existing students of Charter School for purposes of Charter School's admissions, enrollment, and lottery.

HIGH SCHOOL EXIT EXAMINATION

Charter School shall comply with all applicable requirements of Education Code sections 60850 – 60859, including but not limited to the requirements of sections 60851.6 and 60852.3.

WASC ACCREDITATION

If Charter School serves students in grades 9-12, before Charter School graduates its first class of students, Charter School shall obtain, and thereafter maintain, Western Association of Schools and Colleges (WASC) accreditation.

ENGLISH LEARNERS

Charter School shall identify potential English Learners in a timely manner in accordance with all applicable legal requirements. Charter School must provide all English Learners with an effective English language acquisition program that also affords meaningful and equitable access to Charter School's core academic curriculum. Instructional plans for English Learners must be (1) based on sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

On an annual basis, upon request, Charter School shall submit a certification to the LAUSD Charter Schools Division (CSD) that certifies that Charter School has adopted and is implementing either the LAUSD English Learner Master Plan *or* Charter School's own English Learner (EL) Master Plan. If Charter School chooses to implement its own EL Master Plan, the plan shall provide a detailed description of Charter School's EL program, and shall address the following:

- How Charter School's EL Master Plan provides all of its English Learners, including but not limited to Long Term English Learners (LTELs) with an effective English language acquisition program as well as meaningful and equitable access to Charter School's core academic curriculum
- How English Learners' specific needs will be identified
- What services will be offered
- How, where, and by whom the services will be provided
- How Charter School will evaluate its EL program each year, and how the results of this evaluation will be used to improve the program, including the provision of EL services

Each year, Charter School shall provide to the CSD a report on its annual evaluation of the effectiveness of its EL program. Upon request, Charter School shall provide a copy of its current EL Master Plan to the CSD.

Charter School shall administer the CELDT/ELPAC annually in accordance with federal and state requirements.

Charter School shall reclassify English Learners in accordance with federal and state requirements.

Charter School shall provide parent outreach services and meaningfully inform parents with limited English proficiency of important information regarding Charter School matters to the same extent as other parents.

STUDENTS WITH DISABILITIES

Federal Law Compliance

Charter School shall adhere to all provisions of federal law related to students with disabilities including, but not limited to, section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act of 2004.

Special Education Program

Charter School shall ensure that no student otherwise eligible to enroll in Charter School shall be denied, directly or indirectly, admission due to a disability or to Charter School's inability to provide necessary services. Charter School acknowledges that policies and procedures are in place to ensure the recruitment, enrollment, service, and retention of students with disabilities at LAUSD-authorized charter schools, including Charter School.

Prior to LAUSD Board of Education approval of an initial Charter petition, and if a renewing Charter School intends to operate as a "school of the district" for special education services, Charter School shall execute a Memorandum of Understanding ("MOU") by and between LAUSD and Charter School regarding the provision and funding of special education services consistent with applicable state law and the LAUSD Special Education Local Plan Area ("SELPA") Local Plan for Special Education and shall be considered a "public school of the District" for purposes of Special Education pursuant to Education Code Section 47641(b). However, Charter School reserves the right to make written verifiable assurances that it may become an independent local educational agency (LEA) and join a SELPA pursuant to Education Code Section 47641 (a) either on its own or with a grouping of charter school LEAs as a consortium following the requirements of Education Code section 56195.3(b).

SELPA Reorganization

The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code section 56195.1(a). As a single-District SELPA, the District has created two charter school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full

implementation of the reorganized LAUSD SELPA commenced in the 2013-2014 school year requiring all District-authorized charter schools to elect one of the three options available under the LAUSD SELPA. Prior to an option election, all District-authorized charter schools were required to participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that had previously executed an Option 3 Memorandum of Understanding ("MOU"), were required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated Program schools do not have LEA status for the purposes of special education but will function in a similar role in that each charter school will be responsible for all special education requirements, including but not limited to services, placement, due process, related services, special education classes, and special education supports. Charter schools that have elected to participate in a District-operated programs option may apply for membership in the Charter-operated Program section of the SELPA. Charter schools accepted for participation in the Charter-operated Programs section receive support from a Special Education Director for the Charter-operated Programs.

Modified Consent Decree Requirements

All charter schools approved by the LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of the *Chanda Smith* Modified Consent Decree ("MCD") and other court orders imposed upon the District pertaining to special education. The MCD is a consent decree entered in a federal court class action lawsuit initially brought on behalf of students with disabilities in LAUSD. It is an agreement of the parties approved by the federal court and monitored by a court-appointed independent monitor. The MCD includes nineteen statistically measureable outcomes and facilities obligations that the District has to achieve to disengage from the MCD and federal court oversight. All charter schools are required to use the District's Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software system used for online Individualized Education Programs ("IEPs") and tracking of related services provided to students during the course of their education.

As part of fulfilling the District's obligations under the MCD, student level data requests from District-operated and Charter-operated charter schools are made on a regular basis. The requested data must be submitted in the Office of the Independent Monitor's ("OIM") required format in accordance with the OIM's required timelines and as follows:

- End of Year Suspension

District ID, SSIS ID, last name, first name, date of birth, gender, grade, date of suspension, number of days suspended, and reason for suspension.

- Statewide Assessment Data

The standard file including District ID.

- Norm day

District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- CBEDS
- All Students enrolled as of December 1 of each school year

District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- Dropout

District ID, SSIS ID, last name, first name, middle name, date of birth, grade, last location, school name and local district

- Monthly SESAC and Suspension data
- Graduation roster from all charter schools with 12th grade students with disabilities

The MCD requires charter schools to implement the District's integrated student information system, which is currently referred to as My Integrated Student Information System (MiSiS). MiSiS is a suite of applications which is designed to capture all District student data. All charter schools are required to utilize MiSiS directly or interface with MiSiS via a web based Application Programming Interface (API) in compliance with the requirements of the MCD and applicable timelines. Upon charter school full utilization of MiSiS either directly or via a web based API, the list of required data above will automatically be captured within MiSiS.

GENERAL INFORMATION	
• The contact person for Charter School is:	Joaquin Arroyo, Principal
• The contact address for Charter School is:	221 North Westmoreland Ave., Los Angeles, CA 90004
• The contact phone number for Charter School is:	213-471-4686
• The proposed address or ZIP Code of the target community to be served by Charter School is:	221 N. Westmoreland Ave., Los Angeles, CA 90004
• This location is in LAUSD Board District:	2
• This location is in LAUSD Local District:	Central
• The grade configuration of Charter School is:	9-12
• The number of students in the first year will be:	480
• The grade level(s) of the students in the first year will be:	9-12
• Charter School's scheduled first day of instruction in 2018-2019 is:	August 6, 2018
• The enrollment capacity, defined as the total number of students who may be enrolled in Charter School regardless of student residency is:	480
• The type of instructional calendar (e.g., traditional/year-round, single track/multi-track, extended day/year) will be:	Traditional
• The bell schedule for Charter School will be:	MTTF: 7:30 AM – 2:53 PM Weds: 7:30 AM – 1:37 PM
• The term of this Charter shall be from:	July 1, 2018 - June 30, 2023

Student Population to be Served

Value Schools was founded to educate students who come from traditionally underserved populations. Opened in 2003 and located at its present site since 2007, Central City Value High School is a classroom-based high school that primarily enrolls youth from the Silver Lake/Koreatown neighborhood of downtown Los Angeles. Most of Central City Value's students come from families living below the poverty line, have parents who did not attend college, and live in households where English is not typically spoken. Some are recent arrivals to the United States, speaking little or no English.

Students from the surrounding neighborhoods often experience domestic instability, with families of mixed citizenship and immigration status who are often under substantial stress. They have experienced more trauma, food insecurity and substandard education than students in neighborhoods with higher income levels. Central City Value High School recognizes that the families it serves need targeted assistance to ensure that students are prepared for, apply to, attend and complete their higher education.

Although gentrification of the surrounding area is thought likely to change the demographics of the neighborhood somewhat in coming years, Central City Value still expects an enrollment and demographic pattern substantially similar to that in recent years.

Central City Value High School Student Demographics*				
Characteristic	**2014-2015**	**2015-2016**	**2016-2017**	**2017-2018**
Hispanic/Latino	95.5%	93.8%	95.6%	94.0%
English Language Learner	17.0%	14.1%	14.7%	15.0%
Fluent English Proficient	71.7%	76.2%	74.4%	75.6%
English Only	11.1%	9.7%	9.4%	9.2%
Free/Reduced Price Meal Eligible	95.1%	94.2%	94.3%	95.3%
Students with Disabilities	9.8%	10.6%	10.1%	9.2%

*Sources: 2014-2017 - CDE DataQuest; 2017-2018 - internal CCVHS data submitted to CALPADS

Central City Value High School Five-year Enrollment Plan					
Grade	**2018-2019**	**2019-2020**	**2020-2021**	**2021-2022**	**2022-2023**
9	128	128	128	128	128
10	122	122	122	122	122
11	118	118	118	118	118
12	112	112	112	112	112
Total	480	480	480	480	480

Central City Value expects its recruitment efforts to yield full classes over the term of the charter, but has budgeted more conservatively to reflect recent small declines in enrollment. For a variety of reasons including neighborhood gentrification by residents with younger (or no) children, increasing post-recession housing costs, and immigration enforcement activity, families in the area Central City Value serves have become increasingly transient in recent years. Transfers out of Central City Value tend to be transfers to geographically distant schools or districts in conjunction with a family move. Class sizes decline over time because although students who transfer into Central City Value in the middle of their high school years are sought out and welcomed, many high school students do not wish to leave their first high school home.

While it's currently authorized and requested charter capacity is 480, Central City Value is prepared to adapt to any foreseeable increase in enrollment or decrease in attrition. Physical, financial, and faculty resources are sufficient to handle such fluctuations. Should unanticipated influx and retention occur to require a material revision to increase capacity (e.g., to 512), Central City Value would seek such a revision in consultation with the Charter Schools Division.

Community Need for Charter School

Central City Value High School exceeds the current standard for charter renewal. It fills a need in the community for a high-quality educational option for families who seek a small, rigorous academic setting with a strong, values-based school culture. Students whose parents choose this environment thrive, as evidenced by their performance relative to their peers in nearby and similar schools. They do so because Value Schools creates intentional school communities in which highly qualified professionals enlist parents and students to work toward a common goal – helping all students acquire the skills, knowledge, and intellectual flexibility to fulfill their potential as citizens contributing to a better world.

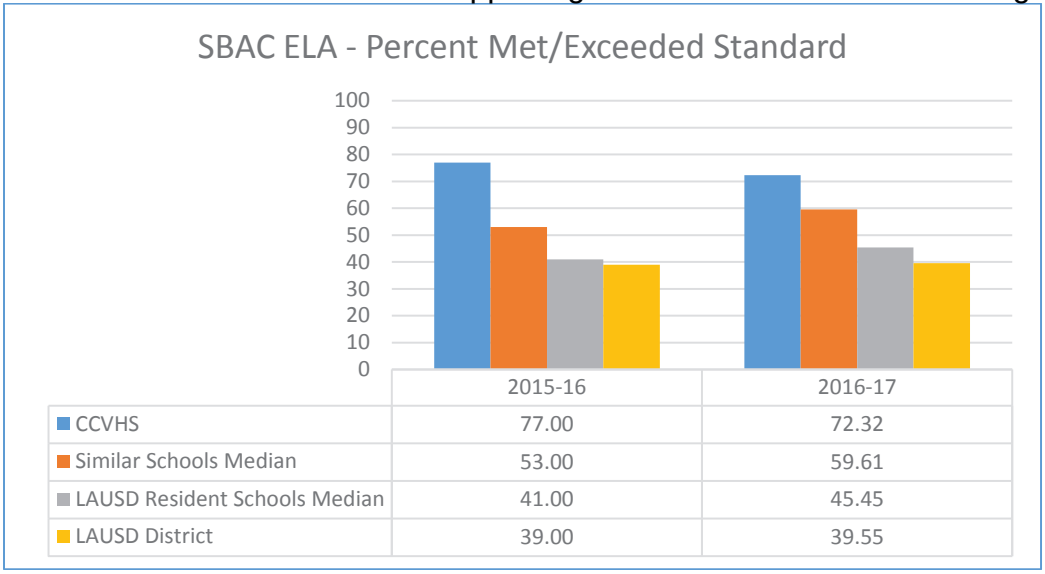
While much of this intentional school culture is best observed by witnessing the educational experience on campus, state and local oversight necessarily relies on objective performance measures that reflect the products of that culture. Current performance measures include the California Assessment of Student Performance and Progress (CAASPP), the NWEA, school-level results such as graduation, college readiness, and college acceptance rates, and English Learner reclassification rates.

The performance measures summarized below indicate that across all numerically significant subgroups, Central City Value student achievement compares favorably to that of students in the neighborhood schools that Central City Value students would otherwise attend and in Los Angeles Unified School District schools with similar populations and characteristics. Importantly, regardless of initial skill levels, students show substantial growth when they enter the Value Schools environment.

Comparative performance on English Language Arts

Central City Value's performance in English Language Arts is consistent with its emphasis on academic excellence to improve its graduates' chances of attending a four-year university. As was demonstrated in earlier years on metrics including the CST and API, Central City Value's English Language Arts achievement exceeds that of the schools its students would otherwise attend (resident schools) and that of schools with demographically similar populations (similar schools) as well as the LAUSD as a whole.

Schoolwide results. The CAASPP-administered Smarter Balanced Assessment program has required testing of 11th-grade students in English Language Arts and Mathematics for the last three years of the current charter term. In each of those years, a substantially higher proportion of Central City Value students met or exceeded the prescribed standard than comparison schools. The chart below shows data for the most recent two years of testing.



Source: Data set provided by CSD for Central City Value

Subgroup results. Given the nature and relative homogeneity of the student populations in Central City Value, similar and resident schools, it is not surprising that the schoolwide superior performance is reflected in the Economically Disadvantaged and Hispanic/Latino subgroups, as seen below:

SBAC English Language Arts % of Students who Met or Exceeded Standard		
	2015-2016	**2016-2017**
CCVHS (All Students)	77.00%	72.32%
CCVHS (English Learners)	*	*
CCVHS (Socioeconomically Disadvantaged)	77.00%	71.43%
CCVHS (Latino)	77.00%	72.12%
CCVHS (Students with Disabilities)	*	*
Similar Schools median (All Students)	53.00%	59.51%
Resident Schools median (All Students)	41.00%	45.45%
LAUSD (All Students)	39.00%	39.55%

*No. of students tested fell below Cal. Ed. Code §52052's threshold for numerical significance.
Source: Data set provided by CSD for Central City Value

Additional comparison subgroup data from the most recent test administration shows that Central City Value's performance advantage in English Language Arts occurs in all numerically significant subgroups, not just in the authorizing district but in the state as a whole.

	All Students	Hisp./Latino	Econ. Disadvantaged	Hisp./Latino for ED	SWD	EL Students	RFEP	Females	Males
State of California	2602.5	2574.5	2571.6	2565.2	2481.4	2468.8	2609.0	2618.4	2587.1
Los Angeles Unified	2587.2	2580.8	2582.2	2580.1	2476.2	2447.6	2595.8	2601.0	2573.2
Central City Value	2629.4	2629.9	2626.9	2629.3	2541.7	2521.7	2644.8	2648.7	2612.0

Source: Data from CAASPP/SBAC website

Performance growth over time – NWEA Reading. All student groups, but particularly English Learners, show substantial growth over time at Central City Value, with EL students showing an average RIT score growth of 6.7 in the last year measured.

	All Students	EL	SWD
2015-16	0.8	2.7	2.9
2016-17	3.7	6.7	4.1

Source: Internal CCVHS NWEA results

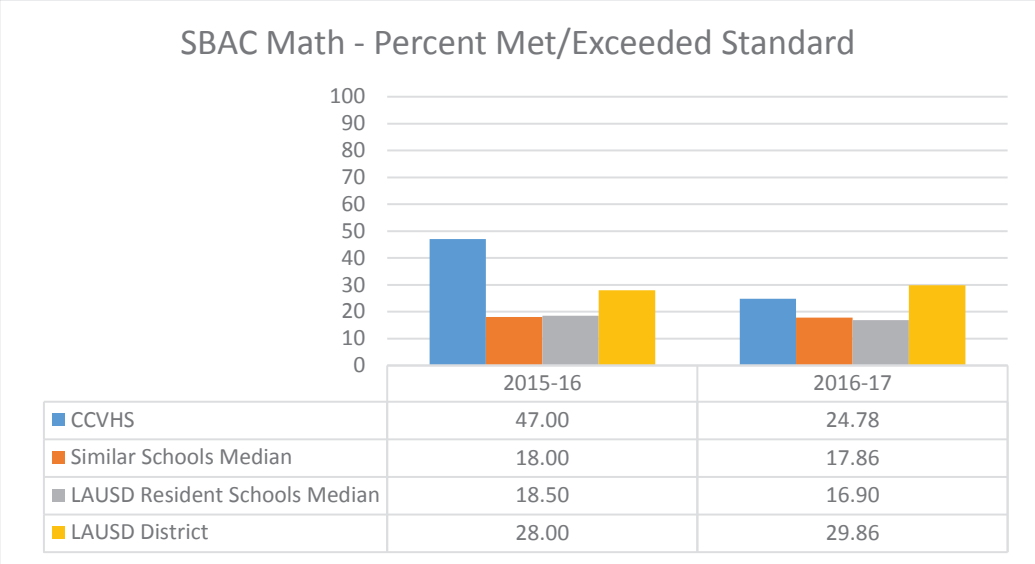
English Learner progress and reclassification. Consistent with the ELA growth shown by English Learners on the NWEA, Central City Value's most recent EL reclassification rate reflects substantially more progress toward English proficiency than in comparison schools.

	2014-2015	2015-2016	2016-2017
CCVHS	13.8	15.0	25.0
Similar Schools	16.0	15.0	15.0
Resident Schools	18.2	13.1	12.8
LAUSD	16.6	12.1	16.8

Source: CSD-provided data set for CCVHS and median rates of comparison entities

Comparative performance on Mathematics

Schoolwide results. As is true for most public schools in the LAUSD, Central City Value scores on CAASPP's Mathematics assessment are lower than the same students' scores on the ELA assessment. While Central City Value still outperformed resident and similar schools, the differences were smaller. A particularly outstanding group of students who were juniors in the second year of the test's administration produced scores somewhat higher than expected in the typical year.



Source: Data set provided by CSD for Central City Value

Subgroup results. Despite the disparity between ELA and mathematics assessment results overall, Central City Value's commitment to improving performance for all student subgroups can be seen in the breakdown of scores in numerically significant subgroups, below.

SBAC Mathematics % of Students who Met or Exceeded Standard		
	2015-2016	**2016-2017**
CCVHS (All Students)	47.00%	24.78%
CCVHS (English Learners)	*	*
CCVHS (Socioeconomically Disadvantaged)	47.00%	25.71%
CCVHS (Latino)	48.00%	25.71%
CCVHS (Students with Disabilities)	*	*
Similar Schools median (All Students)	18.00%	17.86%
Resident Schools median (All Students)	18.50%	16.90%
LAUSD (All Students)	28.00%	29.86%

*No. of students tested fell below Cal. Ed. Code §52052's threshold for numerical significance.
Source: Data set provided by CSD for Central City Value

	All Students	Hisp./Latino	Econ. Disadvantaged	Hisp./Latino for ED	SWD	EL Students	RFEP	Females	Males
State of California	2565.0	2527.1	2527.9	2517.9	2437.5	2448.2	2609.0	2569.3	2560.9
Los Angeles Unified	2542.9	2533.0	2537.3	2532.9	2435.1	2427.8	2595.8	2545.5	2540.3
Central City Value	2560.6	2561.9	2561.3	2562.5	2454.7	2464.3	2644.8	2571.3	2550.9

Source: Data from CAASPP/SBAC website

Performance growth over time – NWEA Mathematics. Again, as with ELA, student growth over time is especially noteworthy, particularly for English Learners and students with disabilities. In the most recent year, English Learners had an average increase in RIT scores of 8.4; students with disabilities had an average increase of 4.6.

	All Students	EL	SWD
2015-16	3.8	3.8	1.9
2016-17	3.6	8.4	4.6

Source: Internal CCVHS NWEA results

Challenges in mathematics education. Since California began requiring 11th-graders to take part in the Smarter Balanced Assessment System, Central City Value's scores in the Mathematics section have been uneven. In the first administration, 20% of Central City Value juniors students met or exceeded the math standard. In 2016 that percentage jumped to 47%, which was dramatically higher than the median for resident or similar schools. In 2017, 11th-grade math scores declined to 25%, representing a challenge for Central City Value even though these scores still outpaced area schools.

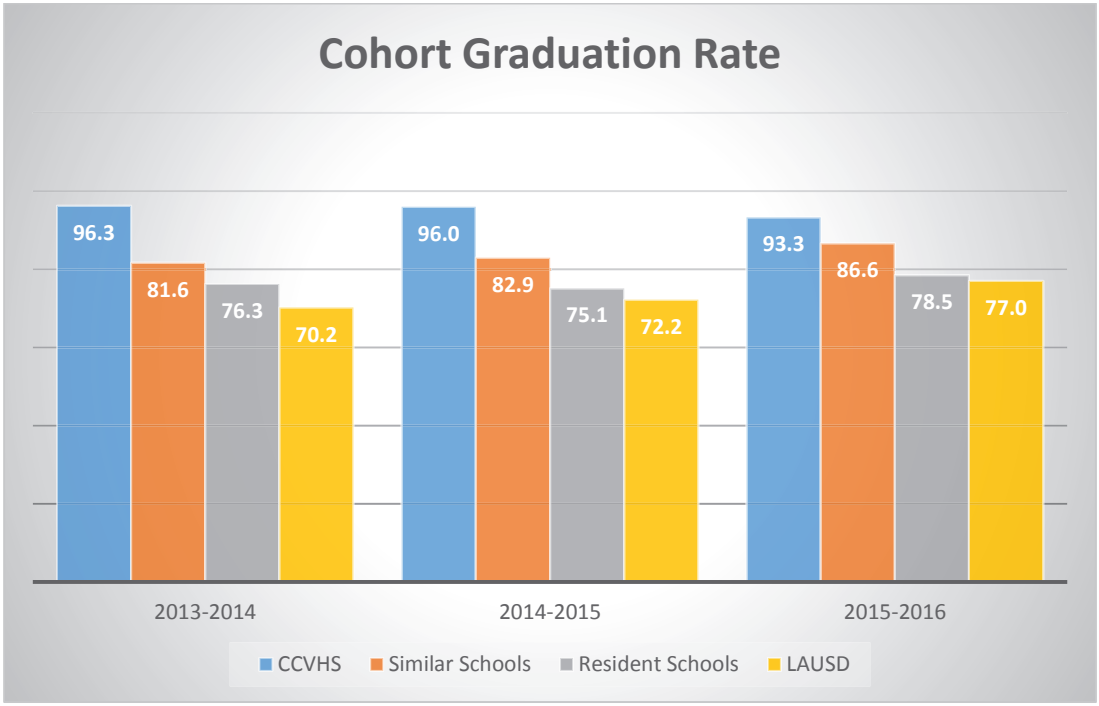
In its ongoing performance data analysis, Central City Value concluded that the performance spike and decline likely resulted from two main factors: the happenstance of an unusual mix of talented scholars in the 2016 junior class (which was reflected in other areas including four-year and elite university admissions), and two exceptionally skilled math teachers, both of whom departed in the same year (one to pursue a Ph.D. and one to move out of the area).

Recent mathematics scores still track or outpace comparison schools, but when seen in conjunction with relatively stable high scores on the English Language Arts section, they represent a challenge. Central City Value is attempting to meet that challenge with strategies directed to both students and teachers. In addition to the weekly attention to grades, motivation and learning strategies during all students' advisory periods, student-centered strategies include: (a) required, free after-school tutoring by math department faculty for students whose grades drop below a C-minus; (b) math tutoring four days per week during the 30-minute SSR period for students whose scores nearly meet the standard on the NWEA math assessment (currently 30-35 students); (c) a new Math Enrichment class for students in Integrated Math II; (d) ten optional Saturday sessions to prepare students for the SBAC; and (e) summer school math remediation classes. Teacher-centered strategies include: (a) a new, highly qualified Mathematics Department chair; (b) personal coaching on instruction and assessment under the auspices of CPM, the creator of the Integrated Mathematics curriculum used at Central City Value; (c) regular teacher professional development activities including ways to differentiate instruction; and (d) periodic CMO-wide "Teachers Teaching Teachers" sessions at which Value Schools mathematics faculty share best practices and bring in outside teacher professional development resources as needed.

Graduation and post-secondary education

The first of Value Schools' core values is "Academic excellence is the means to a full life." From the beginning of their careers in a Value Schools K-8 or one of its high schools, students are told that going to school is the most important thing that they can be doing at this stage of their lives, that graduation from high school is a minimum goal, and that all students can and should move on to higher education or training. Graduation, college readiness, and university acceptance data reflect that emphasis.

Graduation rate



Source: Data set provided by CSD for Central City Value

College readiness and admission data. Central City Value makes substantial efforts to ensure that students can acquire the number and type of course credits they need to enter a four-year university in the California state system. The proportion of Central City Value students who graduate with all the U.C. "A-G" requirements with a grade of "C" or better is shown below. (Combining information for California State University requirements and University of California requirements would yield somewhat higher numbers, but Central City Value's focus is on qualifying students for U.C. schools and private schools with equivalent admission requirements.)

Central City Value High School Successful A-G Completion Rate				
2012-2013	**2013-2014**	**2014-2015**	**2015-2016**	**2016-2017**
51%	60%	72%	63%	76%

Source: Internal Central City Value transcript data

The emphasis on college readiness pays off in the acceptance rate to four-year institutions of higher learning:

2017 Central City Value Graduates Accepted to Four-Year College or University	
All Students	72%
English Learners	17%
Socioecon. Disadv./Low Income Students	71%
Students with Disabilities	11%

Source: Internal Central City Value records

Summary

On the 2016-2017 SBAC assessment in English Language Arts, 72.32% of Central City Value's students met or exceeded the performance standards, as compared to the median of 45.45% for resident schools. In Math, 24.78% of Central City Value's students met or exceeded the performance standards, as compared to the median of 16.90% for resident schools.

On the 2015-2016 SBAC assessment in English Language Arts, 77% of Central City Value's students met or exceeded the performance standards, as compared to the resident schools median of 41%. In Math, 47% of Central City Value's students met or exceeded the performance standards, as compared to the resident schools median of 18.5%.

Central City Value reclassifies its English Learners at a higher rate than similar and resident comparison schools. Its college-going culture of academic excellence leads to high rates of readiness to enter universities and correspondingly high rates of acceptance.

Goals and Philosophy

Mission of Central City Value High School

Central City Value High School's mission is to facilitate the learning of high school students who come from underserved populations by providing a highly focused academic program in a community that fosters character development with a core set of values. Central City Value is committed to helping students grow into persons who make a positive difference for their community and their world throughout their lives.

The core values around which Central City Value High School is built, discussed at more length in the description of Instructional Design and Focus below, are:

1. ***Academic excellence is the means to a full life.***
2. ***Each student can develop to his or her fullest potential.***
3. ***Each individual is unique and deserves respect.***
4. ***A safe, nurturing community is essential to academic excellence.***
5. ***Service to others and the community is a responsibility of an educated person.***

Central City Value students will become self-motivated, well-rounded, competent, lifelong learners who will make a difference in the world when they have fully understood the meaning of these values and put them into practice.

What it Means to be an Educated Person in the Twenty-first Century

The Central City Value High School vision of an educated person in the 21st century is one who has the motivation, knowledge and skills necessary to make a positive difference in the world. These individuals:

- actively seek to continue to learn throughout their entire lives;
- have both the basic knowledge and skills that all persons can acquire and the refinement of those special talents that each person possesses;
- respect every person and work to promote the dignity of each person;
- show that by collaborating with others the community can gain more than what the individuals can achieve on their own; and

- use what they have learned to contribute to society through employment, civic participation, family life, and community service.

Central City Value's approach to educating young people is premised on the research-informed belief that successfully completing at least a four-year college-level education provides the best opportunity to acquire the skills listed above. To be considered educated in the 21st century in the United States, a student should be able to:

- demonstrate proficiency in English language arts, mathematics, science, social sciences and the arts;
- gather and evaluate information and produce original works with confidence and clarity;
- use technology effectively, creatively, and responsibly;
- apply, analyze, synthesize and evaluate new information and ideas at a high level; and
- communicate ideas clearly, build and defend arguments logically, and solve problems collaboratively.

Along with this focus on university preparedness, Central City Value recognizes and supports alternative paths to becoming an educated, successful and contributing member of the community. Visiting speakers and counselor input have led graduates to military careers, trade and technical schooling, and entrepreneurial pursuits before or in lieu of attending a four-year university.

How Learning Best Occurs

Learning best occurs in an environment where there are shared high expectations for academic performance and proper behavior, and a strong community of individuals committed to the five core values on which the Value Schools are built.

Central City Value's teachers are guided by research findings in education and learning. A fundamental resource is Robert Marzano's *Classroom Instruction that Works* (2001). Through a meta-analysis of hundreds of studies, Marzano's research team identified these nine instructional practices as particularly effective in raising student achievement:

- Identifying similarities and differences
- Summarizing and note taking
- Reinforcing effort and providing recognition
- Providing appropriate homework and practice
- Modeling and allowing for nonlinguistic representations
- Promoting cooperative learning
- Setting objectives and providing feedback
- Generating and testing hypotheses
- Presenting cues, questions, and advance organizers

Central City Value's teachers receive professional development on these practices, and have also identified the following factors and practices as important to their students' successful acquisition of knowledge and skills:

- Appropriate motivation for acquisition of knowledge and/or skills
- Balance of familiar and new concepts
- Opportunity to immediately use newly acquired information
- Frequent repetition
- Diversity of models of work that illustrate high standards and expectations
- Authentic and meaningful application of learning
- Opportunity to transition from concrete to abstract thought
- Appropriate and intermittent reinforcement and corrections during successive approximations to the goal

Goals for Producing Self-Motivated, Competent, and Lifelong Learners

Central City Value's goals are best reflected in the Schoolwide Learner Outcomes (SLOs, formerly known as ESLRs).

Central City Value High School students are:

1. Life-long self-directed learners who:
    a. Possess a strong academic foundation
    b. Think critically and analytically to expand knowledge and solve problems;
    c. Demonstrate the skills and knowledge to adapt to new technologies;
    d. Take risks for the sake of growth;
    e. Set, prioritize, and pursue goals;
    f. Recognize and use resources; and
    g. Strive to enhance and maintain physical, mental, and emotional well-being.

2. Effective communicators who:
    a. Speak, write, and use other forms of expression accurately, effectively, and creatively;
    b. Exercise efficient and critical listening and reading skills;
    c. Possess the language skills to interact in a culturally diverse society;
    d. Foster conflict resolution in a creative, peaceful, and dignified manner; and
    e. Promote the idea that school provides an environment to achieve one's potential.

3. Collaborative individuals who:
    a. Participate effectively in a variety of leadership and supportive roles;
    b. Recognize, accept, and exercise social responsibilities and civic duties;
    c. Respect and value individuals of different cultures, backgrounds, and abilities;
    d. Maintain a high level of personal and academic integrity; and
    e. Make sound, ethical, and accountable decisions that affect the natural environment and their school community.

Annual Goals

These SLOs, developed to produce students who are self-motivated, competent, lifelong learners, are operationalized in the specific annual goals in the LCFF State Priorities tables that follow. The tables set out goals for all numerically significant pupil subgroups, the actions Central City Value will take to achieve the goals, and the metrics by which progress toward the goals will be measured. Note: an asterisk indicates "subgroup not numerically significant at this time."

LCFF STATE PRIORITIES	
GOAL #1	
Consistent with Values #1 and #2, all students will seek and achieve academic excellence in a broad range of studies, consistent with their individual gifts and potential.	Related State Priorities: ☒ 1 ☒ 4 ☒ 7 ☒ 2 ☒ 5 ☒ 8 ☒ 3 ☐ 6 Local Priorities: ☒: Inculcate core values ☐:

Specific Annual Actions to Achieve Goal

Outcome groups 1 and 2 (Excellence in basic services and implementation of content and performance standards)

- *Recruit and retain highly qualified teachers and administrators.*
- *Assign teachers to courses they are well qualified to teach.*
- *Provide onsite teacher professional development.*
- *Encourage and allocate funds for off-site professional development.*
- *Provide special education contract instructors as needed in addition to encroachment fee.*
- *Annually review curricular materials for efficacy and alignment with current standards.*
- *Purchase standards-aligned curricular materials for all students in standards-based courses.*

Outcome group 3 (Excellence in pupil achievement, Mathematics)

- *Use integrated curriculum and co-enrollment strategies to improve mathematics learning.*
- *Purchase appropriate materials, supplies and educational software to reinforce and extend mathematics curriculum.*

Outcome group 4 (Excellence in pupil achievement, English Language Arts)

- *Annually evaluate English Learner Master Plan and revise as needed.*
- *Implement research-based ELD program.*
- *Use co-enrollment strategies for English Learners to expedite development of fluency and reclassification.*

Outcome group 5 (Pupil achievement; broad course of study: Implementing Value #2 by developing student potential)

- *Monitor student progress toward graduation and completion of UC A-G requirements.*
- *Meet with parents and students after each semester grading period to ensure student is on track to graduate.*
- *Provide credit recovery opportunities for all students who need them.*
- *Offer as many Honors and Advanced Placement courses as warranted by enrollment, in a broad range of subject areas including mathematics, English, history/social studies, art and design.*
- *Counsel students and parents on the advantage of challenging courses and encourage students to develop their potential by taking higher level courses whenever possible.*
- *Provide multiple methods/opportunities for students to prepare for SAT/ACT.*
- *Employ college counselors sufficient to provide individual guidance for all students.*
- *Allocate funds for Naviance or similar college-preparation software or services.*
- *Hold multiple informational events for parents to encourage college applications (e.g., college application instruction, college selection assistance, financial aid explanations)*
- *Offer each student the opportunity to go on college tours.*

Expected Annual Measurable Outcomes

Outcome #1a: All core courses will be taught by properly assigned, appropriately credentialed teachers.
Metric/Method for Measuring: % of core course sections taught by credentialed teachers knowledgeable in the subject area

Applicable Student Groups	Baseline	2018-2019	2019-2020	2020-2021	2021-2022	2022-2023
All Students (Schoolwide)	100%	100%	100%	100%	100%	100%

Outcome #1b: Teachers will model Value #1 as lifelong learners by developing their skills and knowledge.
Metric/Method for Measuring: % of teachers who obtain more than 10 hours of outside professional development

Applicable Student Groups	Baseline	2018-2019	2019-2020	2020-2021	2021-2022	2022-2023
All Students (Schoolwide)	56%	59%	60%	61%	62%	63%

Outcome #2: All students will have access to the full curriculum with standards-aligned curricular materials.
Metric/Method for Measuring: % of students who have standards-aligned curriculum/materials.

Applicable Student Groups	Baseline	2018-2019	2019-2020	2020-2021	2021-2022	2022-2023
All Students (Schoolwide)	100%	100%	100%	100%	100%	100%

Outcome #3a: Students will understand mathematics concepts and how to use them.
Metric/Method for Measuring: % of students who meet or exceed the standard on state-mandated assessment of mathematics (SBA)

Applicable Student Groups	Baseline	2018-2019	2019-2020	2020-2021	2021-2022	2022-2023
All Students (Schoolwide)	25%	2%	4%	6%	8%	10%

		increase above baseline	increase above baseline	increase above baseline	increase above baseline	increase above baseline

GOAL #2

Consistent with Values 3, 4, and 5, Central City Value will maintain a safe, nurturing school community that respects the uniqueness and dignity of all persons and that develops enthusiastic, lifelong contributors to a healthy and cooperative world.

Related State Priorities:

☒ 1 ☐ 4 ☐ 7
☐ 2 ☒ 5 ☐ 8

☐:

Specific Annual Actions to Achieve Goal

Outcome group 1 (Consistent with Value #3, respectfully engaging parents and students as unique individuals encourages regular attendance and enthusiastic participation in the school community.)

- *Hold professional development sessions on "Teaching the Values," emphasizing a culture of respect.*
- *Convene each class level weekly in a "Community Time" session designed to build community, reinforce the core values, and resolve differences constructively.*
- *Hold a senior retreat moderated by staff trained to reinforce community values of respect, individuality, and trust.*
- *Hold regular Parent/Student/Advisor conferences to keep parents involved in students' education and emphasize importance of regular attendance.*
- *Engage the services of Value Schools' attendance intervention specialist to help families overcome obstacles to regular attendance.*

Outcome group 2 (Consistent with Value #4, a safe, nurturing community facilitates academic success and develops good citizens.)

- *Employ staff (e.g., security guard, custodian) and technology (e.g., alarm system) sufficient to keep school safe and clean.*
- *Regularly maintain school facilities, including classrooms, furniture, equipment and vehicles.*
- *Provide well-balanced, appetizing meals for students.*

Outcome group 3 (Consistent with Value #5, modeling a culture of "giving back" encourages students, parents, and others to contribute meaningfully to the school and to the wider community.)

- *Allocate funds to organize and support student activities such as leadership council, clubs and athletics.*
- *Organize and support community service activities such as neighborhood cleanups, Heal the Bay, and charity fundraisers.*

Expected Annual Measurable Outcomes

Outcome #1a: Central City Value will decrease chronic absenteeism.
Metric/Method for Measuring: Chronic absenteeism rate as reported on the CDE School Dashboard

Applicable Student Groups	Baseline	2018-2019	2019-2020	2020-2021	2021-2022	2022-2023
All Students (Schoolwide)	20.4%	2% decrease below baseline	4% decrease below baseline	6% decrease below baseline	8% decrease below baseline	10% decrease below baseline

Instructional Design

Central City Value High School's instructional design has a proven track record of success. Central City Value will continue to increase academic success in the population it serves by implementing a traditional, classroom-based instructional model centered on five core values. The curriculum is grounded in the relevant state standards (Common Core, Next Generation Science Standards, etc.), based on sound research, and primarily directed at preparing all students to attend a four-year university.

The research-based model by which Central City Value High School will continue to increase academic success among low-income minority students rests on two proven elements: (1) an emphasis on values and (2) accountability for results.

An Emphasis on Values

Since the 1990s, research has shown that low-income and minority students thrive in schools that share key characteristics with academically successful parochial schools serving the same demographic. Those characteristics include a focused curriculum, an emphasis on academics, and direct management by the principal. The most important factor, though, is that parents and faculty share a set of core beliefs and values; this common ground generates an extra "social capital" propelling student achievement. (See, e.g., Bryk et al., *Catholic Schools and the Common Good,* 1993.)

Research by Samuel Casey Carter found that schools that create a culture that purposefully emphasizes moral development have higher achievement levels. Carter described twelve very different schools, each of which fostered academic success by forming strong, character-based cultures. He described four traits of such schools: a strong belief that culture determines outcomes; a culture that is nurturing but demanding; a culture committed to student success;

and a culture of people, principles and purpose. (Carter, *On Purpose: How Great School Cultures Form Strong Character*, 2011.)

The Value Schools model does not rest on a unique curriculum or unusual teaching methods. Rather, what energizes and binds the Central City Value High School community in the learning experience is a common "worldview." It is reflected in the five values that form the core of Value Schools' educational model, mentioned above but set out in more detail here:

- ***Academic excellence is the means to a full life.***

Academic learning develops a person's capacities to enjoy life, to live cooperatively and comfortably with others, to contribute to the economic well-being of oneself and society and to be an active citizen. Anything less than striving for excellence deprives both students and society. The fundamental means to excellence are teachers who offer expert instruction with high expectations for performance, students who are disciplined learners and standards of accountability for both.

- ***Each student can develop to his or her fullest potential.***

Each person is different, but each is gifted with talents and abilities. While each ought to excel in an area of special talent, each also should develop the whole range of human talents to the maximum extent possible. Schools have the responsibility of assisting parents and the students to identify areas of special talent and, at the same time, guiding students so that no area of learning is neglected.

- ***Each individual is unique and deserves respect.***

Each person has the right to life, liberty and the pursuit of happiness. These rights accord each with dignity that is to be respected by all. This dignity implies that in society there are rules that limit certain behaviors so that all might have the fullest exercise of their rights. These rules are the laws enacted by government, codes of conduct set by institutions, customs and practices found in civil society and the moral norms freely adopted by individuals. Good schools set high standards for student behavior.

- ***A safe, nurturing community is essential to academic excellence.***

Rules of conduct that protect each person's dignity are not enough to create community. A community grows from common ideals and shared experiences. A community is composed of persons who genuinely care for each other and who seek well for each other. In a community, everyone belongs and feels valued by the others. In community, each feels secure and is supported in efforts to grow in every way.

- ***Service to others and the community is a responsibility of an educated person.***

An education completes a person by developing his/her talents and abilities. However, an educated person is not satisfied only with personal development. Talents and abilities perfected through an education need to be used to make a better world for all. Community service is a benefit for the civic or economic life of society, as well as for the family, social groups and voluntary organizations.

The Value Schools experience shows that emphasizing these five values purposefully develops a school culture that forms student character and drives student achievement.

Accountability for Results

As schools of choice, charter schools are accountable to multiple stakeholders. Parents, in particular, must be satisfied that their children are receiving a good education, and always have the option of moving their children to another school. Accordingly, Central City Value High School is committed to constant self-assessment and accountability to its families. In its instructional model, Central City Value implements this focus on accountability using a continuous cycle of three critical elements:

- a clear set of student learning outcomes based on California's Common Core State Standards for ELA and Mathematics, Next Generation Science Standards, state standards for History and Social Science, and other standards as applicable;
- methods and activities for students that have been selected by professional teachers; and
- ongoing assessment (testing) to determine that the student has acquired the learning.

This approach to the learning process is not unique to Value Schools; in fact, it is increasingly being adopted by the educational community. Value Schools is different, at least at present, in that it focuses its teachers' attention on student learning performance and compensates (i.e., rewards and continues to employ) its teachers and administrators for success in student learning.

Factors for Success

The success of Value Schools depends on the "who" (our educators), the "what" (our curricular focus), and the "how" (our methods and assessments) of its educational model. Experience shows six elements essential to success:

- ***Select the right educators.***

The educators hired for Central City Value High School must demonstrate both proficiency and commitment. They must be well trained, confident and capable of identifying the strengths and needs of each student. They must also be flexible and creative in choosing or developing appropriate techniques to reinforce those strengths and meet those needs, while staying faithful to the prescribed standards. Of utmost importance, they must believe in and support the five core values that undergird the entire enterprise.

- ***Plan, assess, and annually revise the educational program as a team.***

The principal and teachers work as a team to choose a coordinated instructional program. The annual school-wide cycle has three steps: (1) review curriculum standards; (2) analyze available assessment results; and (3) decide what instructional activities will take place. Following the team planning, individual teachers make their own lesson plans. These steps are repeated in a continuous cycle, informed by assessments.

- ***Focus the curriculum on students as individuals.***

A standards-based curriculum focuses on what students know, not what teachers teach. Teaching may be a group activity; learning is done person-by-person. Student-focused learning requires teachers to provide learning activities and tasks suited to individual needs. Some learning activities may occur individually, some in small groups and some in large groups. At

Central City Value High School, teachers employ differentiated instruction and assessment strategies to focus on each individual student.

- ***Use research–based instructional materials.***

As part of the annual planning and budgeting cycle, administrators and teachers seek research-based instructional materials aligned with applicable curricular standards, including Common Core and Next Generation Science Standards. The teachers are expected to use the materials when and where they are helpful to the students. When students require alternative or additional materials to master content and skills, the teachers are expected to research and request materials that will support student learning.

- ***Supervise teachers.***

The success of the program relies on the commitment and professionalism of the teacher to facilitate student learning. In the Value Schools model, teachers are not simply trusted to be professional. Lead teachers, the assistant principal, and principal supervise the teaching that takes place in the Charter School. Supervision is not limited to coaching teachers on different methodologies; it is also assisting teachers in understanding the standards and interpreting assessments. Other levels of supervision and guidance are provided through peer observations and reflective debriefings, as well discussions of best practices.

- ***Foster the growth of the educators.***

Central City Value High School provides opportunities for the continued growth of its teachers, administrators, and other educational staff. Professional development needs vary with the achievement of the students and the experience of the teachers in any given year. The administration offers and supports internal and external professional development opportunities for all teachers, based on recommendations by the Academic Council. Peer and administrative observation cycles are used to promote best practices and to ensure accountability.

"Teaching" the Values

Because the Five Values are so central to the program at Central City Value High School, a consistent and purposeful presentation to the students is essential. There are three ways in which the values are presented to the students (and their parents): persistent communication, reinforcing the practice of the values by students and the modeling of the values by faculty and staff.

"Persistent communication" means that the values are heard or read by the students many times during the school day. The following are some examples of "persistent communication." At the time of initial registration at Central City Value High School, the parent will meet with a school administrator who uses the Five Values as a framework for explaining the school's expectations for the family and what the family can expect of Central City Value. For example, the family is told that regular attendance is essential because of Value 1 – achieving academic excellence is the means to a full and complete life, and a student with poor attendance will not be successful in school. An administrator would explain the relationship of the school uniform to the values of building a unified community. (With certain "freer-dress day" exceptions, Central City Value students are required to wear black or khaki pants or shorts with a school-supplied polo shirt or another polo shirt, sweatshirt, or jacket that either bears the Central City

Value logo or is of a plain navy blue color. The Student and Parent Handbook spells out the dress code in more detail.)

Parents are encouraged to commit to supporting the values by signing a Parent Pledge. (This also serves as the Title I Parent Compact.) Administrators who conduct the parent induction meetings notify parents and guardians that parental involvement is encouraged, but is not a requirement for acceptance to, or continued enrollment at, Central City Value. All parents and guardians will also receive this notice by way of the Student and Parent Handbook.

If a conduct issue arises with a student, advisory teachers or administrators may use one or more of the Five Values as a vehicle for discussing the issue with the student (and parent). For example, if a student is excessively teasing another student, the matter would be addressed in the context of the third value, which emphasizes respect for others.

One period each week, all members of an entire class meet together for "Community Time." This vital part of each week provides a variety of opportunities to introduce and reinforce the Five Values. Motivational speeches from classmates, guest speakers, Value Schools board members or Central City Value staff provide concrete examples of overcoming obstacles to success and maximizing potential, giving life to Values 1 and 2. Sharing current events and engaging student action may illustrate Value 5, while working out conflicts and setting common goals exemplify Values 3 and 4. At Central City Value High School, Community Time has been found to be an essential tool in imparting the Five Values and in getting students to internalize them. Other student awards ceremonies and assemblies also provide opportunities for reinforcing the values.

To reinforce the themes throughout the school day and campus, the Five Values are posted as banners and wall hangings in many locations and reproduced in student planners. Teachers begin every class by describing the link between the academic objectives of the session and one or more of the Five Values.

Reinforcing the practice of the values is done most frequently by praising a student or group of students for living out a value in the course of a school day. Alternatively, a value can be highlighted by pointing out when it has *not* been practiced. When collecting homework assignments, for example, teachers might praise students for getting their work done in a timely fashion, exemplifying the pursuit of academic excellence. A failure to turn in assignments, similarly, calls for a message about the failure to honor that value.

Finally, faculty and staff serve as role models for the students as they demonstrate the values throughout the day. For example, they demonstrate the value of community by showing how teachers collaborate in multiple ways. Teachers also provide opportunities for students to build community by assigning group projects, performing community service, playing on sports teams, and learning effective and respectful social communication skills.

Summary of Instructional Methods and Strategies

Value Schools' instructional programs are grounded in the Five Values and focused on student needs. Central City Value is not organized around a particular pedagogical style. Its program employs a continuous cycle of determining baseline performance in the context of learning standards, selecting appropriate instructional materials and strategies, executing those strategies, and analyzing the results. This cyclical approach to instruction is supported by the selection of the principal and teachers, assessment and planning, supervision of teachers, professional development, focus on individual students, and research-based instructional materials.

With appropriate assistance and oversight from school administrators and mentors, teachers assess the learning strengths and needs of their students, select appropriate materials, and differentiate their instruction to lead each student to mastery of the curriculum. If the chosen methods and materials are not successful, responsibility for adapting or replacing them is immediate and local.

Experience shows that various teaching strategies can succeed at Central City Value. These include direct instruction, peer teaching, collaborative problem solving and exploration, seminar-based discussion, Socratic questioning, demonstrations and experiments, and online learning. Transcending all teaching methodologies are the Five Values, schoolwide learner outcomes, and the belief that when the correct teaching strategies and motivational methods are used, all students at Central City Value High School will succeed.

Curriculum and Instruction

A standards-based curriculum provides for each grade level or subject area the specific content to be learned and the specific skills to be acquired. Central City Value High School uses California's Common Core State Standards for Mathematics and for English Language Arts, aligning its English Learner efforts to the latter; the Next Generation Science Standards; and state standards for History and Social Science. Teachers in science, social studies, world languages other than English, and elective classes also address the Common Core literacy standards in the context of teaching their subject matter. The applicable Common Core State Standards for the non-core subject areas are also incorporated into the curriculum. All courses are designed to lead to mastery of the Charter School's schoolwide learner outcomes and incorporate the five core values whenever possible.

A comprehensive course list follows.

COURSE LIST

English Language Arts

English 9/English 9 Honors
Core/College Preparatory
UC approved but not as an honors course.
2 semesters. No prerequisite.
This course introduces students to a variety of literary genres and writings, including but not limited to articles, autobiographies, poetry, persuasive essays, literature and exposition. Students will read and critically respond to texts both orally and in writing, using a variety of methods including compare/contrast, persuasion, narration, and description. In addition, students will study vocabulary and grammar, and will complete daily reading and writing tasks. By the end of the course, students will have developed and improved their analytical reading, writing, speaking, and listening skills to support their further studies through high school and into college.

English 10/English 10 Honors
Core/College Preparatory
UC approved
2 semesters. Prerequisite: passing grade in English 9 or concurrent placement.
English 10 focuses on literature and non-fiction from around the world. This comprehensive course of study is designed to strengthen critical thinking and reading skills as students study and analyze world literature. They will compose original texts that demonstrate descriptive, narrative, expository, and literary analysis skills. Additionally, students will complete journals, grammar and vocabulary exercises, and a research paper. By the end of the course, students will have developed and improved their analytical reading, writing, speaking, and listening skills to support their further studies through high school and into college.

English 11/English 11 Honors
Core/College Preparatory
UC approved
2 semesters. Prerequisite: passing grade in English 10 or concurrent placement.
English 11 focuses on the American experience, California state standards, and Central City Value High School's Schoolwide Learner Outcomes, which expect that students become (1) Lifelong, self-directed learners, (2) Effective Communicators, and (3) Collaborative Individuals. Students are guided through the comprehension, analysis, and critique of multiple genres including literary, expository, and technical documents to gain insight into elements and aspects of American culture expressed through its literature, rhetoric, and media. By the end of the course, students will have developed and improved their analytical reading, writing, speaking, and listening skills to support their entry into and success through college.

English 12/English 12 Honors
Core/College Preparatory
UC approved
2 semesters. Prerequisite: passing grade of English 11 or concurrent placement.
English 12 extends students' range of reading and writing skills to prepare them to succeed in college English courses. The course focuses on British literature, including Shakespeare and classical texts as well as romantic, Victorian, modern, post-modern and contemporary works. Students will trace the historical development of English literature and the growth of the English language through social, political, and cultural influences. Students will critically read and analyze selected works for theme, tone, voice, and ideology. By the end of the course, students will have developed and improved their analytical reading, writing, speaking, and listening skills to support their entry into and success through college.

CSU Expository Reading and Writing
Core/College Preparatory
UC approved
2 semesters. Prerequisite: passing grade in English 11 or concurrent placement; open to Seniors only.
The Expository Reading and Writing Course (ERWC) was developed collaboratively by staff at California State University and California high school teachers to more effectively bridge the high-school and college literacy experience of students. The ERWC aims to prepare college-bound seniors for the literacy demands of higher education. Through a sequence of rigorous instructional modules, student in this rhetoric-based course develop advanced proficiency in expository, analytical, and argumentative reading and writing. Students will deeply read, critically comprehend, and respond to non-fiction and literary texts, and will learn research methods and documentation conventions. Course texts include contemporary essays, newspaper and magazine articles, editorials, reports, biographies, memos, assorted public documents, non-fiction and literary texts. By the end of this course, students will be expected to use an independent examination process when reading unfamiliar texts and writing in response to them.

AP English Language and Composition
Core/College Preparatory
UC approved
2 semesters. Prerequisite: Teacher recommendation; grade of "C" or better in English 10/10H; open to Juniors and Seniors only; placement essay required.
Advanced Placement English Language and Composition is a college-level course in which students analyze a variety of texts to perform rhetorical and argumentative analysis. Each quarter of this full-year course has a thematic unit, with all working together to support the overall schema. Students in this course examine many of the seminal works of American and British authors. Emphasis is on the study of rhetoric and argument of increasing complexity in works of fiction and non-fiction, with the holistic goal of developing critical and analytical readers and cogent writers capable of meeting the demands of college level work.

AP English Literature and Composition
Core/College Preparatory
UC approved
2 semesters. Prerequisite: Teacher recommendation; grade of "C" or better in English 11/11H; open to Juniors and Seniors only; placement essay required.
Advanced Placement English Literature and Composition is a college-level course that engages students in the intensive study of various genres from British and American works to Russian and other world literature written from the sixteenth century (or before) to contemporary times. Students interpret these while considering their structure, style, and themes; the social and historical values they reflect; and the use of such literary and rhetorical devices as diction, syntax, figurative language, and tone. Additionally, students write extensively offering evaluations and interpretations of literary pieces in different writing genres including expository and argumentation essays.

Mathematics

Math Enrichment
Non-core
2 semesters. No prerequisite.
The goal of this course is to provide support to students in Integrated Math I and Integrated Math II who lack the necessary skills to succeed in the course. It will give students a strong foundation in essential basic math skills in order to increase their competence in mathematics and gain confidence in their abilities. This course will focus on number sense, the language of math, rules of exponents, square roots, order of operations, functions, equations, inequalities, data analysis, statistics, probability, and mathematical reasoning in problem solving.

Integrated Math I /Honors Integrated Math I
Core/College Preparatory
UC approved but not as an honors course
2 Semesters.
Integrated Math I is the first course of a three-course sequence including Integrated Math I, Integrated Math II, and Integrated Math III. Integrated Math I satisfies the California Common Core Standards and is intended primarily for students in the ninth grade. Integrated Math I builds and strengthens students' conceptual knowledge of functions, linear functions, transformations and solving, modeling two-variable data, sequences, systems of equations, congruence and coordinate geometry, exponential functions, inequalities, functions and data, constructions and closure.

Integrated Math II /Honors Integrated Math II (replaced Geometry/Hon. Geometry in 2015-2016)
Core/College Preparatory
UC approved but not as an honors course
2 Semesters. Prerequisite course: Passing grade in Integrated Math I or equivalent.
Integrated Math II is the second of a three-year integrated math sequence that will help students see the relationships between algebra, geometry, and statistics. This class completes

the geometry curriculum in the first semester, and then completes the second semester of algebra. The geometry portion of this class includes similarity, polygons, circles, areas, volumes, and an introduction to right triangle trigonometry. The algebra portion includes an introduction to functions, imaginary numbers, higher order polynomials, graphing of functions, and irrational expressions.

Integrated Math III (replaced Algebra 2 in 2016-2017)
Core/College Preparatory
UC approved but not as an honors course
2 Semesters. Prerequisite courses: Passing grade in Integrated Math I and II or equivalent.
Integrated Math III is the third course of a three course sequence that includes Integrated Math I, II, and III. This course uses a problem-centered approach and is integrated with the other core content courses including English, science, and social science. Knowledge is built through units organized around a central theme. Students solve a variety of smaller problems that develop the underlying skills and concepts needed to solve the central problem of each unit. This course weaves content standards from Algebra I, Geometry, Algebra II, and Statistics at an intermediate to advanced level including coordinate geometry, circles and other conic sections, binomial distributions, permutations and combinations, exponential and logarithmic functions, rates of change, derivatives, trigonometry and quadratics. The course demands that students further develop the logic needed for abstract problem solving and emphasizes the common core standards.

Precalculus
Core/College Preparatory
UC approved
2 semesters. Prerequisite: A grade of C- or better in Integrated Math III.
In this course, students cover the algebraic, exponential, logarithmic, and trigonometric functions and their graphs, as well as analytic geometry, in preparation for a course in calculus. The main focus is to build a solid background in the mathematics needed to study and apply calculus to real world problems.

Calculus AB
Core/College Preparatory
UC approved
2 semesters. Prerequisite: Integrated Math 3 and/or Precalculus.
This class is for students who have completed Precalculus with a “C” or higher, and demonstrated abilities to begin handling college-level coursework, but with a slower pace. Students will be exposed to higher level topics in mathematics that cannot be covered in precalculus, as well as learning new tools and strategies to analyze and interpret functions of graphs with various techniques. By the end of the course, students will be able to identify the limits of functions, determine continuity, use differentiation to identify important criteria (tangent lines, rates of change), use integration techniques to identify the area of functions between two regions, and use different calculus strategies to determine solutions of sequences (Riemann Sums, Trapezoidal Rule, Mean Value Theorem).

AP Calculus AB
Core/College Preparatory
UC approved
2 semesters. Prerequisite: 4 years of high school math courses and teacher recommendation.
Calculus AB prepares students for the AP Calculus AB Examination topics of elementary functions and differential and integral calculus. Other topics include functions, graphs, limits and continuity, derivatives of basic functions, applications of the derivative, implicit differentiation, curve sketching, related rates, implicit differentiation to find the derivative of an inverse function, integration, applications of integration, geometric interpretation of differential equations via slope fields, and L'Hopital's rule.

Statistics and Probability
Core/College Preparatory
UC approved
2 semesters. Prerequisite: Integrated Math I.
Statistics and Probability strengthens students' conceptual knowledge of designs of experiments, descriptive statistics, correlation and regression, probability, chance variability, sampling, chance models, and tests of significance. This course satisfies the California Common Core Standards for statistics and probability and is primarily intended for students in the 11th and 12th grades. Students are exposed to non-routine problems that encourage transference and extension. These problems often require students to work collaboratively to produce a variety of outcomes and representations (reports, diagrams, models and presentations). Students will be exposed to models of real-world situations and asked to create their own. Manipulatives, news articles, technology, graphs, charts, and diagrams will help students see the connections between different sections of the test and realize that many connections exist between different topics in mathematics and to other disciplines.

History/Social Science

World History/Honors World History
Core/College Preparatory
2 semesters. No prerequisite.
This intensive year-long course covers modern world history, focusing on the development of western civilization and nations, and their relationship to the development and foreign policy of the United States. Students will comprehend how cultural patterns, political institutions, and genetic diversity of today are directly related to the past. This course teaches students with diverse backgrounds and abilities to read, write, and think critically about current and historical issues.

AP European History
Core/College Preparatory
UC approved
2 semesters: Prerequisite: Teacher recommendation and a placement exam.
The AP European History course is designed to give students a rigorous, college-level exposure to European history, giving students the analytic skills and factual knowledge necessary to deal

critically with problems and materials in European history. The course prepares students for intermediate and advanced college courses by making demands upon them equivalent to those made by full-year introductory college courses. The course will survey significant events, themes, and periods in European history with supplementary readings in the form of documents, essays, or books. This course examines the evolution of European history from the late-Middle Ages to the present. Since the AP curriculum demands higher-order thinking, students are frequently required to analyze, synthesize, and evaluate primary and secondary historical sources, in addition to comprehending, memorizing, and applying facts.

U.S. History/ Honors U.S. History

Core/College Preparatory

UC approved

2 semesters. Prerequisite: for Honors, teacher recommendation.

This course covers a broad range of history, beginning with enlightenment influences of the founding institutions and concluding with the Reagan Revolution. The course makes history comprehensible to all learners by presenting the material through a combination of oral, text, graphics, and video input. The content is aligned to California History/Social Science standards. Students engage in an in-depth exploration of U.S. history to appreciate how their place in the U.S. today was shaped by events that predated them. Students will comprehend how cultural patterns, political institutions, and genetic diversity of today derive from the past. This course teaches students with diverse backgrounds and abilities to read, write, and think critically about current and historical issues. A significant portion of classroom instruction is devoted to developing logical thinking by posing questions and eliciting answers. Students are given many opportunities to read, analyze, and write about historical documents.

AP United States History

Core/College Preparatory

UC approved

2 semesters. Prerequisite: Teacher recommendation and placement exam.

This AP United States History course is designed to give students a rigorous, college-level exposure to United States history. It will provide students with the analytic skills and factual knowledge necessary to deal critically with the problems and materials in U.S. history. The program prepares students for intermediate and advanced college courses by making demands upon them equivalent to those made by full-year introductory college courses. The course will survey significant events in U.S. history with supplementary readings in the form of documents, essays, or books on special themes. This course examines the evolution of the American republic from the initial European incursions into North America to the present. Since the AP curriculum demands higher-order thinking, students are frequently required to analyze, synthesize, and evaluate primary and secondary historical sources, in addition to comprehending, memorizing, and applying facts.

United States Government and Politics
Core/College Preparatory
UC approved
1 semester. Prerequisite: open to Seniors only.
This course teaches the philosophy and processes of the different levels of our government. The class will focus on the following units: Basic Government Theory, the U.S. Constitution, Federalism in the United States, the Three Main Branches of our National Government, Civil Rights, Civil Liberties, and Political Parties. The main goal of the class is to transform each student into a more politically aware and responsible citizen. After the class, each student will be prepared to be an informed voter and willingly participate in our political process.

AP United States Government and Politics
Core/College Preparatory
UC approved
2 semesters. Prerequisite: open to Seniors only; teacher recommendation and placement exam.
AP United States Government and Politics is an intensive study of the formal and informal structures of government and the processes of the American political system, with an emphasis on policy-making and implementation. This course is designed to prepare students for the AP Exam. The major units of the course are: Constitutional Underpinnings, The Four Main Institutions of Government, Civil Rights and Civil Liberties, American Political Culture and Public Opinion, Political Participation, Political Parties, Interest Groups, the Media, and Public Policy. This course will also cover economics and therefore fulfills the economics graduation requirement as well.

Latin American Studies
Elective/College Preparatory
UC approved
1 Semester. No prerequisite.
This course examines the discovery and colonization of Spanish-speaking Latin America and the subsequent rise of nation states in Central and South America from Mexico to Chile and Argentina. The course emphasizes the political, social, and cultural changes that Latin American countries have gone through to become modern nations in the last 500 years, and also examines how Latin American people have attempted to understand themselves and their civilization in the same time period. Contemporary Latin American authors are studied to understand the nature of this struggle throughout the region.

Science

Environmental Science/Honors Environmental Science
Elective/College Preparatory
Core/College Preparatory for Honors
UC approved but not as an honors course
2 semesters. No prerequisite.
This course is designed to cover a variety of topics within the sciences. The goal is to provide students with the scientific principles, concepts and methodologies required to understand the

interrelationships of the natural world, to identify and analyze environmental problems both natural and human-made, to evaluate risk factors of these problems, and to examine alternative solutions for resolving or preventing them. Emphasis in this class is placed on science as a process, energy conversions underlying all ecological processes, the Earth as an interconnected system, how humans alter the environment, environmental problems and their social context and developing sustainable practices. The course will incorporate NGSS standards and the CCSS ELA standards for literacy in science. Students in the honors class will be required to read documents at a higher Lexile level than students in the non-honors class. Furthermore, students in the honors class will be required to answer questions that require an increased depth of knowledge.

Biology/Honors Biology
Core/College Preparatory
UC approved for both
2 semesters. Prerequisite for the Honors Biology: Teacher's recommendation and at least a B-grade in Environmental Science.
Biology is a laboratory science course that utilizes a conceptual approach to teach the study of living things. Concepts covered include but are not limited to life's diversity, cells, heredity, energy and matter, organization of living systems, evolution, physiology, the biosphere, and ecological principles. Students will be required to complete laboratories, apply scientific methods, and write comprehensive laboratory reports. The course will incorporate NGSS standards and the CCSS ELA standards for literacy in science.

AP Biology
Core/College Preparatory
UC approved
2 semesters. Prerequisites: Biology and Integrated Math 1 and 2
AP Biology is an introductory college-level biology course. Students cultivate their understanding of biology through inquiry-based investigations as they explore the following topics: evolution, cellular processes — energy and communication, genetics, information transfer, ecology, and interactions. The course is based on four Big Ideas that encompass core scientific principles, theories, and processes that cut across traditional boundaries and provide a broad way of thinking about living organisms and biological systems. These are: (1) The process of evolution explains the diversity and unity of life; (2) Biological systems utilize free energy and molecular building blocks to grow, to reproduce, and to maintain dynamic homeostasis; (3) Living systems store, retrieve, transmit, and respond to information essential to life processes; (4) Biological systems interact, and these systems and their interactions possess complex properties.

Chemistry/Honors Chemistry
Core/College Preparatory
UC approved for both
2 semesters. Prerequisite for Honors Chemistry: Teacher's recommendation and at least a B-grade in Biology.
This course is based on the Chemistry in the Community course developed by the American Chemical Society. The course explores chemistry as it relates to household, local, and global

environments. Chemistry is a laboratory science that allows students to understand concepts using a hands-on approach. Students are expected to follow scientific methods when performing laboratories and completing lab reports. The course will incorporate NGSS standards and the CCSS ELA standards for literacy in science.

Anatomy and Physiology/Honors Anatomy and Physiology
Core/College Preparatory
UC approved for both.
2 semesters. Prerequisite: Open to Juniors and Seniors only; grade of B or better in Biology and Chemistry is strongly recommended.
Anatomy & Physiology is presented using two major unifying themes. First, structure and function complement one another in the normal, healthy human body. Second, nearly all structure and function in the body can be explained in terms of keeping conditions in the internal environment relatively constant in homeostasis. Repeated emphasis of these principles encourages students to integrate otherwise isolated factual information into a cohesive and understandable whole. As a result, anatomy and physiology emerge as living dynamic topics of personal interest and importance. The course will span all the systems of the body in health and cover some pathology.

World Languages Other than English

Spanish 1
Core/College Preparatory
UC approved
2 semesters. No prerequisite.
This course is designed to develop world language skills and to prepare students for living in a global society. Classroom instruction is designed to develop the ability to communicate in a second language by involving students in communicative tasks. Classroom instruction includes reading, writing, listening, and speaking skills. Students will learn the target language in a contemporary cultural context.

Spanish 2
Core/College Preparatory
UC approved
2 semesters. Prerequisite: C or better in Spanish 1, Teacher Recommendation and/or Spanish Placement Test.
This second year course is designed to further enhance world language skills and to prepare students for living in a global society. Classroom instruction is designed to increase the ability to communicate in a second language by involving students in communicative tasks. Classroom instruction includes reading, writing, listening, and speaking skills. Students will learn the target language in a contemporary cultural context.

Spanish 3
Core/College Preparatory
UC approved
2 semesters. Prerequisite: C or better in Spanish 2, Teacher Recommendation and/or Spanish Placement Test.
This elective course reviews and broadens grammatical concepts of the Spanish language through practice of more complex structures and more extensive vocabulary. Spanish 3 provides further opportunity to practice the four basic language skills. The course increases emphasis on speaking, reading, writing, and listening, and continues to present information pertaining to the life and culture of the people. The course is conducted primarily in the Spanish language.

AP Spanish
Core/College Preparatory
UC approved
2 semesters. Prerequisite: B or better in Spanish 3 and Teacher recommendation.
This course reviews and expands course work from the first three years. The emphasis of this course is to prepare for the AP Spanish Language and Culture Examination. It reviews and broadens grammatical concepts of the Spanish language. It continues to provide practice in the four basic language skills. It maintains emphasis on speaking, reading, writing, and listening. The basic study of literature is begun at this level. It continues to present information pertaining to the life and culture of the people portrayed in literature. Spanish is spoken. The course is conducted primarily in the Spanish language.

Visual and Performing Arts

Art 1: A Visual Journey
Core/College Preparatory
Meets the UC and Cal State VPA Requirement
2 semesters. No Prerequisites.
Art 1 is a survey course for beginning art students. Students will create original works of art in both 2- and 3-dimensional designs in a variety of media. Some of the materials used in the course are charcoal, ink, pencil, watercolor and mixed media collage. Students will apply goal setting and problem solving skills in the completion of their assignments, so creative solutions will be met on deadline. Throughout the two semesters, students will have the opportunity to read and write about artists, time periods and apply critical thinking skills in the writing about and the discussion of works of art. Art 1 is a discipline-based course that is designed to meet the California Content Standards required for the Visual Arts in the Proficient Category.

Drawing and Painting
Core/College Preparatory
Meets the UC and Cal State VPA requirement
2 semesters. Prerequisite: Art 1 A & B.
Drawing and Painting is an advanced art class in which students will apply what they learned in Art 1 to more challenging assignments in the area of two-dimensional art. Students will create

works of art of acceptable quality using the techniques of graphic drawing, pen and ink, colored pencil, watercolor, tempera paint and multi-media collage. Drawing and Painting is a discipline-based course designed to meet the California Content Standards in the Visual Arts in the Advanced Category.

AP Art History

Core/College Preparatory

UC approved; meets the UC and Cal State VPA requirement

2 semesters. Prerequisite: Art 1 A & B.

Art History is a two-semester chronological survey of Western art and an overview of art and ideas outside the Western tradition. Beginning with Pre-historic and ending with Post-modernism, students will study ideas and trends influencing artists from ancient times to the present day. Art will be viewed both as an expression of culture and as an exchange of cultures. This course includes the investigation of art and art history through slides, films, reading, field trips, and writing and art projects. Studio projects will provide exploration of historic media and methods and an understanding of the creative process. Art History is a discipline-based course designed to meet the California Content Standards in the Visual Arts in the Proficient Category.

AP Studio Art: Drawing

Core/College Preparatory

UC approved; meets the UC and Cal State VPA requirement

2 semesters. Prerequisites: Art 1 A & B, Drawing and Painting A & B, and Teacher recommendation.

AP Studio Art is a college-level course for students who have an exceptional desire to pursue higher levels of personal development and growth in the visual arts. The course will encompass various techniques and drawing media, expansion of foundation skills, and the development of personal style and themes (voice) shown in artwork, thinking and articulating personal ideas in writing and in verbal critique. Discussion with the teachers, peers and other mentor groups, expanding one's knowledge of artists and art history will be demonstrated during the year through research and oral presentations. Student work will be presented during the year and exhibited in the annual student art exhibit. Drawing media employed will include pencil, charcoal, ink, pastel; also used will be printmaking, painting and other forms of expression. This course is designed to meet the California Content Standards in the Visual Arts in the Advanced Category.

Exploring Graphic Design

Elective/College Preparatory

UC approved

1 Semester: Prerequisite: One semester of Drawing and Painting.

The Graphic Design course is intended for the skilled and motivated digital and visual art student who is interested in producing college-level photographs and photography-based projects and mastering the principles of design while developing a personal vision using advanced compositional techniques and concepts. Students will view digital photography as an art form, using the image as ground for a collage, manipulation, and current software techniques that place photography within contemporary artistic practices that blend ideas with technology. The course will focus on developing a deeper understanding of how the elements

and principles of design are expressed using digital imagery for student artist to create their own consistent "voice" and artistic style. Students will use the critique process as a method for evaluation as well as idea generation for current and future work. Over the course of the school year, students should be able to produce a variety of quality digital-based works that show advanced knowledge and skill through their own point of view.

3-D Design
Elective/College Preparatory
UC approved; meets the UC and Cal State VPA requirement.
2 semesters, no prerequisite.
In 3-D art, we begin by learning how to draw in order to express what we see. Drawing is an essential foundation to the art making process and provides us with a new way of seeing. Through practice, we will develop an "artist lens" to explore sculpture through the use of many different materials. Art will consist of studio time to work on projects, along with demonstrations, lectures, and critiques. The fundamental "building blocks" of any artwork are known as the *elements of art* (line, shape, form, value, texture, color, space). The ways we organize the elements of art are known as the *principles of design* (balance, contrast, dominance, emphasis, repetition, rhythm, variation, unity, subordination, movement). We will observe the elements of art and principles throughout the year. The units explored in 3-D art are Drawing into Sculpture, Bookmaking, Assemblage Art, Craft, Paper Mache, Soft Sculpture and Loom Beading.

Miscellaneous Electives and Non-Core Courses

Becoming a Man
Non-core/College Preparatory
Elective
UC approved History/Social Science elective
1 Semester. No prerequisite.
The purpose of this class is to study and reflect on the meaning and application of masculine life in our society. The goal is for each student to emerge from the class with a proper understanding of the strengths and weaknesses of manhood. Manhood will be covered from multiple angles: Anthropology, Biology, Psychology, Sociology, History, and Media/Art. Each student's personal view of manhood will be blended into a broader perspective while he or she completes the major projects for the class.

Chicano Power, Civil Rights, and the Birth of Rock and Roll
Elective/College Preparatory
UC approved History/Social Science elective
1 semester. Prerequisite or co-requisite: U.S. History.
This course critically evaluates civil rights and music in the 1950s and 1960s. The Chicano, African-American, and women's civil rights movements, as well as the "hippie" counterculture, receive principal focus. The course uses both primary and secondary sources to demonstrate the political and social changes in American during these decades. Video and music samples supplement written material. Students participate through classroom discussion, independent

research, and pupil-created PowerPoint presentations. By illuminating the fifties and sixties in a thematic, side-by-side comparison, students realize the dynamic cultural and historic transformation during this period. Students also develop research skills, increase computer literacy, and master critical reading and writing.

Criminology

Elective/College Preparatory

UC approved History/Social Science elective

1 Semester. Prerequisite: Juniors or Seniors; must have passed or be concurrently taking U.S. History A.

This course is an introductory course in which students study the topic of criminal justice from the following perspectives: Historical, Sociological, Psychological, Political, Economic, Practical, and Ideological. The class will focus on topics such as the History of Criminal Justice, Constitutional Underpinnings of American Law, Structure of Criminal Trials, Basics of Law Enforcement, Felonies and Misdemeanors, Basics of Corrections, Civil Liberties vs. Criminal Justice, and Social Deviance.

Freshman Seminar

Non-core/ Required

UC approved

2 Semesters. No prerequisite.

The goal of Freshman Seminar is to prepare each student academically for a successful high school career at Central City Value High School. Upon completion of this course, students will have a thorough understanding of the five core values of the school. Students will explore their attitudes and beliefs about education and their responsibility to themselves, their families, and their community. Students will demonstrate the ability for goal setting, time management, note-taking, public speaking, peer learning, communicating with teachers and peers, listening skills, and critical writing and thinking skills. These skills will empower students to become self-advocates throughout high school, for a successful college experience, and as life-long learners.

History of Film

Elective/College Preparatory

UC approved History/Social Science elective

1 Semester. No prerequisite.

This course examines film-making from the 1800s through the present. Its main objective is to familiarize students with the history of American film, with a special focus on films that have been culturally and aesthetically influential. The course examines the history of American cinema from the invention of the movie camera to the silent era, the era of the studio monopolies and the contemporary blockbuster. Films will be studied for their artistic, cultural, and historical meanings. Screenings will include films from all genres (dramas, comedies, musicals, film noir, westerns, science fiction, etc.) and by directors such as Charlie Chaplin, Victor Fleming, Michael Curtiz, Orson Welles, Stanley Donen, Gene Kelly, Alfred Hitchcock, Francis Ford Coppola, Steven Spielberg, George Lucas, etc. Students will also learn how to interpret film form (narrative structure, storytelling modes, etc.) and style (lighting, staging, acting, camerawork, editing, sound, etc.). This course provides a foundation of knowledge for

aspiring movie makers, for students interested in further film study, and for those who simply desire a deeper appreciation of American cinema and mass culture.

Improvisation and Sketch Comedy
Core/College Preparatory
UC approved interdisciplinary elective
2 semesters, no prerequisite.
This course will outline guidelines and techniques for Long Form Improvisation as it is taught at the Upright Citizen's Brigade Training Centers and performed at the Upright Citizens Brigade Theatres in New York and Los Angeles. Students will adhere to a set of clear guidelines as they work together with other improvisers to build a comedic scene with scene partners. Students will learn the concept of "Game," which is the single specific idea that makes a scene funny. This course will also teach students how to write and perform sketch comedy. Students will learn to write sketches in a variety of formats, working alone or with others. Students will discuss, analyze, rehearse and perform scripted and improvisational scenes and monologues. They will also learn the history of improv and sketch (Monty Python, Kids in the Hall, Saturday Night Live, The Family, Improv Olympics, etc.). Students will design their own theatrical sets and create advertisement posters for their comedy shows.

Introduction to Psychology
Elective/College Preparatory
UC approved History/Social Science elective
2 semesters. Prerequisite: Open to Juniors and Seniors only; grade of C or better in Biology and in English classes.
This course introduces students to the systematic and scientific study of the behavior and mental processes of human beings and other animals. This course is intended to provide an academic introduction to the field. Students will study each of the major sub-fields within psychology and will also learn about the methods that psychologists use. The course format is lecture and discussion, with reading, observation and writing required. Students will also conduct and present their own research projects. The course follows many of the recommendations and standards proposed by the American Psychological Association for the teaching of high school psychology. A comprehensive final exam will be given at the end of each semester.

Introduction to Women's and Gender Studies
Elective/College Preparatory
UC approved interdisciplinary elective
1 semester. No prerequisite.
The goal of this class is to provide students with an analytical lens that they can use to understand the social construction of gender and sexuality. The course will begin by analyzing the construction of gender and how it intersects with power, oppression, class, age and sexual identity. The course will then focus on analyzing how gender and sexuality affect privilege and oppression, and the relationship of those concepts to the nation's perception of the female gender, body and beauty. The class will highlight and follow the development of women in popular culture to focus on how gender has been and is currently presented. This course will

allow students to critically think about how the concepts of gender and sexuality play out in people's daily lives, institutions and media.

Life Skills
Elective
1 Semester. No prerequisite.
The primary goal of this course is to facilitate decision-making and other skills related to post-secondary success. Students will also learn about college entrance requirements and steps to succeeding in higher education. Topics include goal setting, selecting a college major and classes, and acquiring financial aid.

Principles of Economics
Elective/College Preparatory
UC approved History/Social Science elective
1 semester. Prerequisite: open to Seniors only.
This course provides students with an understanding of economic theory, culture and modern practice in all global regions. The course covers both macroeconomic and microeconomic principles. It focuses on these main units: Goods vs. Services, Scarcity and Utility, Economics as Decision Making Process, Different Types of Economies, Role of Government in Economics, Supply and Demand, Equilibrium and Elasticity, Business Structures, Aggregate Economic Indicators, Inflation, and National Economic Trends. The main goal of the class is to educate each to become a more economically aware and financially responsible citizen.

Public Speaking
Elective/College Preparatory
UC approved interdisciplinary elective.
1 Semester. No prerequisite.
The primary goals of this course are to make students confident public speakers, critical thinkers and life-long learners. In this course, students will overcome any public speaking apprehension and will learn how to be an effective public speaker. Students will research speech topics, study the theories and principles of effective communication, and critically evaluate their own speech performances and the performances of others.

SAT Prep
Non-Core/Elective
1 Semester: Open to juniors and seniors only.
The SAT Prep course is a semester long course designed to facilitate college admission for juniors and seniors by preparing them to take the SAT. Students use an SAT Prep book, as well as several online and additional resources to learn skills and strategies to practice and prepare for the SAT. Half of the course focuses on the Math section, where students review key concepts such as numbers and operations, algebra and functions, geometry and measurement, and statistics and probability. The other half of the course focuses on the Critical Reading section and the Writing section of the exam. In the Critical Reading section of the course, students learn vocabulary and strategies to tackle the sentence completion and passage-based reading questions. In the Writing section, students learn strategies to identify sentence error

types, improve sentences and paragraphs, and write essays. Students also learn time management and test-taking strategies.

PE 1: Fitness and Health
Core/Non-college preparatory
2 Semesters. No prerequisite.
This is a required course with the primary goal of developing physical fitness and healthy living by raising awareness and encouraging students to make informed and intelligent lifestyle choices. Students will engage in a variety individual and collaborative activities, and will track their physical fitness growth. Students will also cover health issues including nutrition, sexually transmitted diseases, and healthy lifestyle choices.

PE 2: Fitness and Health
Core/Non-college preparatory
2 Semesters.
This is a required course in which the primary goal is to continue the development of physical fitness and healthy living awareness begun in PE 1 to encourage students to make informed and intelligent lifestyle choices. Students will engage in a variety individual and collaborative activities, and will track their physical fitness growth. Students will also cover health issues included but not limited to nutrition, sexually transmitted diseases, and healthy lifestyle choices.

Introduction to Computer Science (online course offered by Edhesive.com)
Elective/College Preparatory
UC approved
2 semesters. Prerequisite: Passing grade in Integrated Math I.
Introduction to Computer Science is an interactive introductory course for students new to programming that teaches the foundations of computer science using the Python language. This year-long course prepares students for AP Computer Science A and AP Computer Science Principles and teaches students how to think computationally and solve complex problems. The course includes web-based video classes, activities, and practice exercises; regular quizzes, projects and exams, with substantial online support.

AP Computer Science (online course offered by Edhesive.com)
Elective/College Preparatory
UC approved
2 semesters. Prerequisite: Grade of B or better in Introduction to Computer Science and Teacher recommendation.
AP Computer Science teaches fundamental programming topics including problem solving, design strategies and methodologies, organization of data (data structures), approaches to processing data (algorithms), analysis of potential solutions, and ethical and social implications of computing. Students will learn to design and implement computer programs that solve problems relevant to today's society, including art, media, and engineering. AP Computer Science A teaches object-oriented programming using the Java language and is meant to be the equivalent of a first-semester, college-level course in computer science. It will emphasize problem solving and algorithm development, and use hands-on experiences and examples so

that students can apply programming tools and solve complex problems. This course will prepare students for the end-of-course AP Exam.

English Enrichment

Non-core/Required for certain students
ELD class
2 semesters. Prerequisite: None

Designed for English Learners, this class allows students to continue their English language development. Targeted instructional routines for vocabulary, writing, speaking, and listening help English Learners master the Common Core State Standards. By completing the reading and writing assignments, and through in-depth feedback, students will become empowered, independent learners with the skills and knowledge to succeed throughout high school and college.

Resource Lab

Non-core/Elective
1 semester. Prerequisites: None

During resource lab, students practice their reading and writing skills, as well as their oral language skills. This class is used to help support a few students with IEPs in a small group setting and to exercise ELA skills in a casual and pressure-free environment. Students start the class with a journal entry based on a teacher prompt. The students share afterwards by giving an oral summary. The next activity involves reading an interesting Newsela article independently and taking a quiz on it. Video is also used in the resource lab. Students have the rest of the period to catch up on homework, with the teacher available to assist with assignments if needed.

Intervention and enrichment programs

Student Success Program

The Student Success Program (SSP) at Central City Value identifies, challenges, supports and follows students who are struggling academically or behaviorally. The Five Values provide the framework for intervention, discussion and change.

The SSP has three tiers and a Pre-Tier 1 warning stage. Once identified as needing SSP services, a student stays in an assigned tier for one or two 6-week blocks, depending on the tier.

Teachers who observe that a student is displaying academic or behavioral difficulties convey that observation to the SSP Coordinator. A student who is displaying these difficulties in two or more classes may be given an SSP warning or be placed in the Tier 1 level of intervention, depending on the severity of the situation.

Pre-Tier 1 Warning. On the recommendation of two teachers or administrators, a student whose GPA falls below 2.5 or who is failing two or more classes may be given an SSP warning. These students are directed to attend teachers' office hours for the classes they are failing, and meet with the SSP Coordinator and teachers to discuss informally elements of the RtI program that might get the student back on track.

Tier 1. Students are placed in Tier 1 if they meet two or more of the triggering criteria: (1) GPA falls below 2.0; (2) failing two core classes; (3) referral by two or more teachers/administrators (4) excessive absence or tardiness; (5) student is in jeopardy of failing to meet graduation requirements.

In Tier 1, staff members focus on Value #2, which emphasizes reaching one's potential. They help the student identify hindrances to success. The following approaches are used to help students reach their potential:

- The student meets with the SSP Coordinator during Sustained Silent Reading period once per week, at which time the SSP Coordinator checks in on student's class grades, GPA, attendance, and behavior reflections.
- Once problems are identified, the student is given tools to overcome issues that can be addressed immediately.
- The SSP Coordinator and the student develop a plan for success, which the Coordinator distributes to classroom teachers and advisor.
- The parent is notified of the SSP placement and has an opportunity to comment on the plan.
- After a 6-week block, student progress toward reaching goals is evaluated by a team of 3 teachers, the SSP Coordinator, advisor and the student.
- If sufficient progress has been made, the student is removed from SSP but monitored for continued success.
- If insufficient progress has been made, the student is provided with increased interventions.

Tier 2. This level of support is for students who do not display sufficient improvement in the identified academic or behavioral issue(s) after one six-week block of intervention. Tier 2 provides more intensive intervention, including parental consultation, more frequent progress assessment, and longer time in tier. Students stay in this tier for at least two blocks before they are eligible to move to another tier.

In Tier 2, the following approaches are used to help students move up to Tier 1 and reach their potential:

- The student and parent attend the "Living the Values" meeting at the end of weeks 1, 2, 4 and 5.
- The student meets twice weekly with the SSP Coordinator either before or after school to discuss goals, interventions provided, and overall progress.
- Students are given academic skills supports through in-class small group intervention, after-school tutoring, and access to technology-based skill building programs.
- The student is monitored for progress by the SSP Coordinator, all classroom teachers, advisor and the student.
- A student who demonstrates progress returns to the Tier 1 intervention level and is monitored for continued success.

- A student who does not demonstrate progress is referred for more intensive evaluation and interventions.

Tier 3. Students who need more regular, more frequent, or more intensive intervention than those in Tier 2 are assigned to Tier 3. The SSP Coordinator and a special education professional plan and implement more intensive supports. Students are supported at this level for three consecutive blocks and must demonstrate success before becoming more independent.

In Tier 3, the following approaches are used to provide extra help for students:

- An SSP meeting takes place at the start of each block.
- The SSP Coordinator meets with the student twice a week (once before or after school and once during the school day).
- A special education professional observes the student in the classroom once or twice during each block, shares observations with the team and makes recommendations.
- The student chooses a mentor teacher to meet with regularly for support and guidance.
- The student and at least one parent meet every six weeks with an administrator. In these meetings, the administrator uses a values-based structure to clarify expectations for the student, discuss progress, identify successful behaviors, and consider supports that may be available at home.
- The student may be recommended for individual or group counseling to improve pro-social behaviors and explore hindrances to success.
- If a disability or untreated mental health issue is suspected, the student is referred to a special education professional or counselor for further screening or evaluation.
- At the end of each block the student's progress is evaluated by the student, the SSP Coordinator, all relevant classroom teachers, the advisor, the mentor teacher, and sometimes a counselor. Students making significant progress move back to a less intensive level of intervention and are monitored for future success. Students not demonstrating significant progress may be recommended for further evaluation by a special education professional to explore the possibility of a more serious condition or disability.

Reaching one's potential is a lifelong process. At every step of the Student Success Program, students are encouraged to be agents of their own change and growth. As positive behaviors increase, students gain more power over their choices and consequences. The SSP team is there to guide, support, encourage and model at the level needed for each student.

Enrichment opportunities for all students

Central City Value High School provides enrichment opportunities for all students to become well rounded people. These opportunities include exposure to the fine arts, cultural activities, career and college preparation supports, and other extracurricular experiences. For example, Central City Value takes students to the Los Angeles World Affairs Council, to art museums including MOCA and the Getty Museum, the GRAMMY Museum, and to plays and musicals at

the Music Center and the USC drama department. These activities are frequently linked to the curriculum to deepen students' understanding of topics they are currently studying. For example, students in the Chicano Studies class might tour architecture reflecting that culture, art classes visit local museums, social studies students go to events at the World Affairs Council. Consistent with Central City Value's emphasis on higher education, beginning in their freshman year, every student has the chance to tour at least one and often several 4-year colleges or universities.

On-campus enrichment events include a schoolwide talent show, a Winter Art performance, and etiquette classes. Motivational guest speakers are brought in to speak to the students about their goals and future, offer advice on higher education and careers, and encourage them to deepen and broaden their studies.

Curricular and Instructional Materials

While subject to change as new materials become available, following are the texts, supplemental texts, and other instructional materials Central City Value teachers expect to use during the charter term.

Methodologies and Curriculum in Support of Content Standards

The administration and the academic lead teachers are responsible for the implementation of the Common Core State Standards (CCSS). Central City Value provides ongoing training in how to implement the standards, including workshops, online training, and off-site professional development in content and pedagogy. Department teams evaluate the effectiveness of curriculum materials and make materials recommendations to the administration before the budget is set for the following year.

The English curriculum in the 9th, 10th, and 11th grades at Central City Value High School targets the English Language Arts Common Core State Standards. Similarly, the Integrated Math I, II, and III (and corresponding Honors courses) curriculum is aligned to the Mathematics Common Core State Standards. Curricula for classes other than math and English integrate the literacy aspects of the Common Core State Standards.

In Central City Value science classes, the application of three-dimensional learning of the Next Generation Science Standards (NGSS) is designed to guide instruction in biology, chemistry, environmental science and physiology. The science curriculum facilitates student understanding of the world by including the three performance expectations of disciplinary core ideas, crosscutting concepts, and scientific and engineering practices. To achieve this, Central City Value aims to shift the traditional teacher-centered role to student-centered learning, fostering curiosity in students and allowing them to critically tackle phenomena related to science and engineering. The teacher serves as the facilitator who guides students into solving problems. Further, since the three-dimensional learning is designed to be progressive, building on ideas from the past, all science teachers will hold regular meetings to ensure that ideas covered in each class build upon one another, as students move on to the next grade level. Central City Value's Science Department will strive to allow students to seek knowledge, find evidence and test theories to gain a better understanding of scientific concepts, and will support professional development of teachers to attend NGSS trainings whenever they are available.

Technology-Related Skill Mastery

All classrooms at Central City Value High School have computers for student use, with a current schoolwide computer to student ratio of approximately 1.3 to 1. Basic computer literacy figures prominently in Freshman Seminar, a required first-year course. Students acquire proficiency in keyboarding, MS Word, MS PowerPoint and MS Excel or their equivalents. Students continue to use and practice essential computer skills throughout their tenure at Central City Value whenever their instructors deem it appropriate, such as using MS Word to write essays, MS PowerPoint when giving oral presentations, and MS Excel to perform calculations and create charts and graphs.

To prepare for computer-administered examinations such as the Smarter Balanced Assessments, all students in grades 10 – 12 also take certain semester exams on computers. Twice a year, teachers use PowerSchool-Assessment to prepare and administer Common Core/SBAC-aligned benchmark assessments using a computerized examination format similar to what students will encounter on state tests. To prepare students for the SBAC Math exam, Central City Value introduces graphing calculators early in the integrated mathematics sequence and requires their use in all math courses.

Graduation requirements

Central City Value's curriculum is designed to ensure that students will acquire the number and type of units required and recommended by the University of California and the California State University. Central City Value requires a minimum of 230 units for graduation, with each course requiring a grade of "D" or better for credit toward graduation. The prescribed course of study is shown below:

Subject Area	**California State Mandated Requirements for High School Graduation**	**UC Requirements for Freshman Admission**	**CSU Requirements for Freshman Admission**	**CCVHS Requirements for Graduation**
English	3 years	4 years of approved courses	4 years of approved courses	4 years of approved courses.
Mathematics	2 years, including Algebra I beginning in 2003-04 (*EC* 51224.5)	3 years, including algebra, geometry, and intermediate algebra. 4 years recommended.	3 years, including algebra, intermediate algebra, and geometry	3 years of math classes, including Integrated Math II and III minimally.
Social Science	3 years of history/social science, including 1 year of U.S. history & geography; 1 year of world history, culture, and geography; and 1 semester each of American government and economics.	2 years of history/social science, including 1 year of U.S. history or 1/2 year of U.S. history and 1/2 year of civics or American government; and 1 year of world history, cultures, and geography.	2 years, including 1 year of U.S. history or U.S. history and government and 1 year of other approved social science.	3 years of history/social science, including 1 year of U.S. history & geography; 1 year of world history; and 1 semester each of American government and principles of economics.
Science	2 years, including biological and physical sciences.	2 years with lab required, chosen from biology, chemistry, and physics.	2 years, including 1 year of biological and 1 year of physical science with lab.	2 years, including biological and physical sciences, recommend 3 years.

Subject Area	California State Mandated Requirements for High School Graduation	UC Requirements for Freshman Admission	CSU Requirements for Freshman Admission	CCVHS Requirements for Graduation
		3 years recommended.		
World Languages	1 year of either visual and performing arts or world language other than English.	2 years in same language required. 3 years recommended.	2 years in same language required.	2 years in same language required.
Visual and Performing Arts		1 year of visual and performing arts chosen from the following: dance, drama/theater, music, or visual art.	1 year of visual and performing arts chosen from the following: dance, drama/theater, music, or visual art.	1 year of visual and performing arts chosen from the following: our UC-approved VPA list.
Physical Education	2 years	None	None	2 years
Electives		1 year *	1 year *	1 year *

* Must be chosen from UC-approved academic courses in history, English, advanced mathematics, lab science, world language other than English, social science, arts, or interdisciplinary. For a course to count toward Central City Value's graduation requirement, the student must achieve a grade of "D" or better.

University of California "A-G" Requirements

Admission to the University of California requires a student to acquire 150 units, with a grade of "C" or better, in courses approved by the University of California across seven subject areas. Central City Value High School offers a broad range of courses sufficient to allow students to acquire these units, and advisors or counselors perform regular checks to ensure that students are on track. The following courses meet the University of California A-G requirements:*

A Requirement: U.S. History; Honors U.S. History; AP U.S. History; U.S. Government and Politics; AP U.S. Government and Politics; World History; Honors World History; Latin American Studies; AP European History

B Requirement: English 9; English 10; Honors English 10; English 11; Honors English 11; English 12; Honors English 12; AP English Language and Composition; AP English Literature and Composition; CSU Expository Reading and Writing

C Requirement: Integrated Math I; Honors Integrated Math I; Integrated Math II; Honors Integrated Math II; Integrated Math III; Honors Integrated Math III; Precalculus; Calculus; AP Calculus AB; Statistics and Probability

D Requirement: Biology; Honors Biology; AP Biology; Chemistry; Honors Chemistry; Anatomy and Physiology; Honors Anatomy and Physiology; Environmental Science

E Requirement: Spanish 1; Spanish 2; Spanish 3; AP Spanish Language and Culture

F Requirement: Art: A Visual Journey; Drawing and Painting; AP Studio Art: Drawing; Exploring Graphic Design; 3-D design; AP Art History

G Requirement: Principles of Economics; Introduction to Psychology; Chicano Power, Civil Rights, and the Birth of Rock and Roll; Introduction to Women's and Gender Studies; Becoming a Man; Criminology; Improv and Sketch Comedy; Introduction to Computer Science; AP Computer Science; Becoming a Man; Freshman Seminar; History of Film; Public Speaking

*Note: The University of California does not categorize 9th-grade classes as Honors classes in any subject area, but the courses count toward the overall A-G requirement. The Course List indicates the distinction between "UC-approved" and "UC-approved but not as Honors course."

California State University Requirements

The California State University system also prescribes the number and types of courses high school students should complete for admission and success in its universities. Students at Central City Value High School, with the assistance of teachers and counselors, should be prepared to meet these requirements; advisors under the supervision of the assistant principal perform quarterly checks on students' progress toward meeting the requirements and recommend schedule changes as necessary to reach them.

Course requirements for both the UC and CSU systems are posted on the Value Schools website and regularly disseminated to students and parents.

Credit recovery and support

Central City Value High School recognizes that certain students may have difficulty in a particular class or may suffer a traumatic event in their lives that may prevent them from passing a particular course. Parents are notified if their son or daughter has not received credit for a class and should make up the credits. A summer school program is held for students who need credit recovery. Students may also repeat a class during the following school year, or be referred to a community college for a make-up class. Students are also allowed to make up a course using GradPoint, an online platform that supports credit recovery.

The college counselor or faculty advisors provide individualized academic advising to all students to ensure they are meeting A-G requirements, helping students fill gaps as needed. While transfers in the senior year are uncommon, these students may have modified graduation goals and supports. Seniors at risk of not graduating are prioritized for academic advising, intervention, state-mandated high school exit exam support (if applicable), summer school, and credit recovery opportunities.

WASC Accreditation

Central City Value High School is WASC-accredited up until 2021, and will have a mid-term visit in 2018.

Parent Notification Regarding Course Transferability

Central City Value High School understands the importance of ensuring that the school and parents can communicate effectively about all issues, but especially about students' academic progress and requirements for university acceptance and attendance. The school has staff fluent in both English and Spanish (and other languages as necessary) to facilitate that communication, and uses interpreters when appropriate.

During the initial enrollment process, and at intervals throughout their students' high school years, Central City Value High School informs parents and guardians about the transferability of courses to colleges and universities and to other public high schools. The information is disseminated at parent meetings and sent home with students, included in the student/parent handbook, and posted on the school's website. Efforts are made to ensure that parents receive the information in the language of their choice.

Student/Parent/Advisor conferences are used to inform parents about their students' progress towards fulfilling graduation and university admission requirements, as are parent meetings held on several evenings throughout the year. Students at risk of not graduating receive special attention from advisors, appropriate interventions by the Student Support Program, and credit recovery opportunities. If a student is transferring into or out of Central City Value and the transfer might result in the inability to obtain the credits needed to graduate or gain admission to a California state university, the parents or guardians are advised about credit recovery options and what is required to meet graduation requirements. The school explains which course requirements the student is missing and suggests avenues by which the necessary units can be obtained. All parent meetings are held in English and Spanish or have translators as needed to ensure parents and administrators are able to communicate clearly.

Preparing for Higher Education and Careers (C/CI)

To meet the demands graduates will encounter in higher education and employment, Central City Value works to develop in students the skills they will need to survive and thrive in their lives after high school. Central City Value uses two primary vehicles for this: the Advisory Period (for all students) and the Life Skills course (an elective many students choose). Advisory teachers and the college counselors monitor student schedules and achievement. Individually and in groups, staff regularly stress to students that they should complete the University of California A-G requirements, take Advanced Placement courses and exams if possible, and do their best on all tests but especially the Smarter Balanced assessments.

The vast majority of students are expected to reach the "Prepared" level on the College/Career Indicator through a combination of (1) earning a high school diploma and (2) qualifying scores on Smarter Balanced summative assessments or AP examinations. Central City Value's emphasis on meeting the A-G requirements will also result in a large group of students reaching "Prepared" status via the "A-G plus Smarter Balanced" or "A-G plus AP Exam" pathways.

Given its primary focus on university preparedness, its relatively small size, and resource constraints, Central City Value is not set up to provide full Career Technical Education pathways. Rather, it develops in students a broad range of academic and life skills in all students, and assists students who wish to pursue technical education either in a dual enrollment setting or upon graduation.

Regardless of the post-graduation route students plan to take, all students need the skills to be full participants in the workforce and the society. Accordingly, counselors are currently revising the Advisory curriculum to more systematically ensure that students acquire essential life/work skills. The program will be divided into differing tiers, specific to grade level. It will cover such topics as: graduation requirements and how to keep track of progress toward graduation; the importance of attending a college/university; different majors and careers; how to write a résumé and prepare for employment; basic business etiquette; business writing; self-awareness; and communication skills. The Advisory Program will be wide-ranging, drawing on outside professional resources as well as such online tools as Naviance, collegeboard.org; Khan Academy, Newsela, and scholarship websites. Central City Value administration will evaluate and revise the program in light of the Career/College Indicator, other college readiness and acceptance indicators, and alumni experience.

Professional Development

Teacher recruitment

Educators hired for Value Schools must have the professional training required to be able to recognize student needs, to identify materials and approaches likely to meet those needs, and to differentiate their instructional approaches to maximize student achievement. Central City Value High School seeks teachers who are committed to helping all students succeed, who understand and accept the five core values, and who are willing to collaborate with other faculty to create an exceptional school by instilling those values in their students. All teachers recruited for Central City Value must have the appropriate qualification for state credential requirements.

To recruit qualified teaching candidates, administrators at Central City Value will:

- distribute job announcements;
- post job positions on Internet websites (e.g., EDJOIN);
- attend job fairs in California;
- contact local universities' education programs; and
- maintain partner relationships with Teach for America and Loyola Marymount University.

The principal and a team of administrators, lead teachers, and core faculty with relevant knowledge interview promising candidates. Whenever possible, candidates are asked to provide a model lesson, either online or in person, to allow the interview team to assess the recruit's content knowledge and teaching skills.

Value Schools and Central City Value facilitate teacher recruitment and retention through:

- competitive salaries and benefits plan;
- periodic longevity salary increases;
- small campus settings;
- tuition reimbursement opportunities;
- opportunities for leadership roles; and
- traditions and appreciation celebrations that recognize teachers.

Continuing professional development

Central City Value encourages all teachers to continue their education by attending online and in-person graduate and post-graduate courses, workshops, and training throughout the year, including the summer months. An Academic Council assesses training needs, creates and oversees Central City Value's professional development program, and ensures opportunities are offered on multiple tracks:

CMO-wide education. Teachers Teaching Teachers (TTT) is a CMO-wide initiative that occurs twice during each academic year. TTT provides an opportunity for all faculty members at Value Schools to learn from each other on a range of topics common to all Value Schools and pervasive in the population they serve. These events operate to increase teacher knowledge and to build community across Value Schools, which enhances educational continuity from Kindergarten through high school graduation.

Single-campus professional development sessions. One afternoon per week (currently Wednesday) is set aside for on-site professional development and for teacher collaboration. Using a Professional Learning Communities model, teachers and administrators share their expertise with the rest of the teaching staff through in-house workshops.

One-on-one peer observation and coaching. Central City Value organizes peer observations as one way of ensuring that teachers are using the teaching techniques learned during professional development. The administration visits classrooms frequently to observe teachers applying these techniques.

Off-site specialty training. As desired and appropriate, Central City Value encourages and supports teachers who wish to attend courses and conferences and share their increased knowledge with the wider school community. Recent opportunities have included:

- CPM Math workshops
- Advanced Placement conferences
- California Association for the Gifted conferences

Before each school year begins, specific preparation and training sessions are scheduled for all teachers (and in some instances, all staff) to ensure proper delivery of the educational program and familiarity with required topics.

Professional Development Plan. For the 2018-19 school year, Central City Value's Professional Development Plan is:

1. Before school year begins, all staff members will attend training sessions on:
    a. Curriculum, discipline, general staff expectations, schoolwide data trends, school culture and values.
    b. Health, safety, and emergency procedures, including CPR and blood-borne pathogen avoidance
    c. Child abuse detection and reporting
    d. Youth suicide prevention
    e. Brown Act requirements

f. Any other mandated subject

2. During the school year:

   a. Weekly professional development sessions (every Wednesday while school is in session) conducted, as appropriate, by the administration, lead teachers, and others with particular expertise. Topics and scheduling are structured according to need, with some sessions being relevant for all and some for more specialized groups.

   b. Outside workshops and other professional development opportunities as approved by Administration.

Below are some of the professional development topics expected to be covered during the five-year charter term. In addition to the mandated sessions, topics scheduled for 2018-19 are noted by an asterisk.

- Implementing Common Core State Standards in the classroom*
- Working with students with disabilities*
- Teaching English Language Learners*
- Behavioral interventions and restorative justice*
- Writing across the curriculum
- Collaborative learning*
- Using technology in the classroom*
- Using PowerSchool, including PowerSchool-Assessment*
- Using Google Classroom and PowerSchool's Unified Classroom*
- Using the Integrated Mathematics curriculum* (math faculty only)
- How to differentiate instruction*
- Teaching critical thinking/metacognitive strategies
- Response to Intervention*
- Using Achieve 3000*
- Plagiarism, peer editing and using online detection services (e.g., Turnitin.com)*

Meeting the Needs of All Students

As a small learning community, Central City Value is able pay close attention to the needs of all students and intervene early with students who need more challenging assignments, more language development, tutoring in specific subjects, or socio-emotional supports. The primary vehicle for keeping track of these needs and ensuring they are met is the Advisory Program.

The purpose of the Advisory Program is to boost academic success through professional and caring relationships between advisors and students. Faculty members who act as advisors help students become aware of their learning patterns and motivate them to become college-ready. Each week, an advisor meets with each student, using information from PowerSchool to monitor student progress and set goals for the week. The program draws on all five of the

school's core values and the schoolwide learner outcomes, and functions as a key support network for all students. It is also the main mode of communication, enabling students to be well-informed members of the school community. To ensure that students receive appropriate support, the Advisory Program provides direct communication between faculty members and students' families.

English Learners

Central City Value High School is committed to serving the needs of all students, including those who enroll with little or no fluency in English. Central City Value follows all applicable federal and state laws and regulations concerning English Learners and concerning educational equity for all. This Master Plan summarizes the school's approach to identifying, classifying, educating and reclassifying English Learners.

Identifying and Classifying English Learners. Central City Value identifies English Learners among newly enrolled students using CALPADS, the Home Language Survey (HLS), and the state-mandated tool for assessing English language proficiency (CELDT/ELPAC).[1]

CALPADS. Before the school year begins, the Title III Coordinator checks CALPADS for information concerning home language, date of initial U.S. school enrollment, and language classification status of new students who come to Central City Value from other California public schools. That information is entered into a database and disseminated to the teachers.

When a student enrolls at Central City Value for the first time, parents receive an enrollment packet requesting certain information beyond that required for lottery participation or admission. The administration maintains English and Spanish enrollment packets at all times and prepares packets in other languages or employs interpreters as needed if parents do not read either language. Included in the enrollment packet is a Home Language Survey.

Home Language Survey. As required by law, Central City Value uses the Home Language Survey to determine whether a language other than English is used in the student's home. Before asking parents to complete the HLS, the Title III Coordinator or designee describes its purpose and uses, explains that their child may be given a test of English language proficiency, and assures them that the HLS will not be used to determine the student's language classification or immigration status. The information provided on the Home Language Survey is kept in the student's cumulative record.

The Home Language Survey asks six questions:

1. What language did your child learn when he/she first began to talk?
2. What language does your child most frequently speak at home?
3. What language do you (the parents or guardians) most frequently use when speaking with your child?
4. What language is most often spoken by adults in the home?

[1] References in this plan to CELDT/ELPAC denote whatever state-mandated assessment of English language proficiency is in effect at the time the assessment is made.

5. Has the student ever received any formal English language instruction in an English as a Second Language (ESL) or English Language Development (ELD) program?
6. Has your child ever been given the CELDT (California English Language Development Test)?

The Title III Coordinator or designee uses the HLS to assign a student to a preliminary language status as follows:

1. If the answers to the first four questions on the Home Language Survey are "English," the student is classified as English Only (EO).
2. If the answer to any of the first three questions on the Home Language Survey indicates a potential language barrier, the student is considered a Possible English Learner.
3. If the answer to the first three questions on the HLS is "English" and the response to the fourth question is a language other than English, the Title III Coordinator/designee inquires further into the student's home language background to determine whether the student should be considered a Possible English Learner. This inquiry involves consulting with the parent and considering such factors as:
    - Answers to HLS questions 5 & 6.
    - Parent requires an interpreter to communicate in English.
    - Parent speaks to the student in a language other than English.
    - Parent completed the HLS in a language other than English (e.g., spelling the word "English" in another language such as "ingles").
    - Student initiates interaction with parents in a language other than English.
    - When parents are absent, the student is regularly under the care of a person who speaks a language other than English.
    - Student, after having been enrolled in the Mainstream English Program designed for students with fluent-English proficiency for a reasonable length of time, demonstrates a lack of comprehension regarding instruction and classroom/school routines conducted in English.

CELDT/ELPAC. Once Possible English Learners are identified, but no later than 30 days after they enroll at Central City Value, the Title III Coordinator or designee administers the state English language proficiency assessment, either the California English Language Development Test (CELDT) or, once implemented, the English Language Proficiency Assessment for California (ELPAC). Parents are consulted about the need to administer the assessment and are informed about the results and subsequent program placement. (Students who are identified ELs also take the state-mandated English language assessment annually until they are reclassified.)

The Title III Coordinator, with input from teachers or administrators as appropriate, uses the CELDT/ELPAC results to identify and place English Learners. The Title III Coordinator promptly notifies teachers of the classification, but teachers do not wait for official notice to employ strategies addressing the needs of English Learners.

Initial Language Classification/Status

Based on the overall performance on the initial English language proficiency assessment, a Possible English Learner may be classified as follows:

Initial Fluent English Proficient (IFEP): The overall performance level on the initial CELDT/ELPAC is Early Advanced or Advanced, with Listening, Speaking, Reading, and Writing skill area scores of Intermediate or higher (grades 5-12). This result can occur when the student enters school already fluent in English and the home language(s) or when the student has had minimal exposure to the other language(s) spoken in the home.

English Learner (EL): The overall performance level on the initial CELDT/ELPAC is Beginning, Early Intermediate, or Intermediate. A student may also be classified as an EL if the overall performance level is Early Advanced or Advanced, but with skill area scores of Beginning or Early Intermediate in Listening, Speaking, Reading or Writing (grades 5-12).

Parent Notification

Parents of students who are tested using the CELDT/ELPAC receive, within 30 calendar days of initial or annual proficiency testing, official notice of:

- the student's initial English Language Proficiency Level and how it was assessed;
- the student's official language classification and program placement;
- reclassification, or program exit, criteria; and
- for ELs with a disability, information about how the student's instructional program will meet both English language and special needs as delineated in the IEP.

Service Providers

Teachers are the mainstay of the English Learner program at Central City Value, providing instruction during the day. All Central City Value core content teachers must have the state-required EL Authorization. All teachers are trained in and use SDAIE strategies to provide English Learners access to the core and elective curriculum. Teachers also use Middlebury's Interactive Languages and Rosetta Stone as appropriate.

Guided by input from its English Language Advisory Committee and led by the Title III Coordinator, Central City Value administration and faculty ensure that instruction is effective for all students including ELs. The administration uses ongoing professional development, classroom observations, peer teacher mentors, parent surveys, and other stakeholder input to ensure that needs are properly assessed and met.

Services Provided

Overview. With the exception of 9th-grade students in the "newcomer" category, all students at Central City Value High School are placed in the mainstream general education program. (9th-grade newcomers are placed in an ELD class instead of English 9.) All classes except those for World Language other than English (e.g., Spanish) are taught in English, but teachers differentiate instruction to meet the needs of all students, modifying the level of English used with students of differing language acquisition status. English Learners are supported through a combination of modified instruction, academic support as needed, and specific strategies for acquiring academic English. Teachers provide sheltered instruction using SDAIE techniques when students have difficulty understanding English.

Newcomers classified as Emerging Language Learners (Beginners/Early Intermediate), as determined by entry date into the country and assessment scores, if any, are placed in a full-block English Enrichment Class, which replaces English 9. Students in this class use Middlebury Interactive's ELL Level Entering program. This program is project-based and provides newcomer English Learners with instruction in both Basic Interpersonal Communication Skills (BICS) and Cognitive Academic Language Proficiencies (CALP). It is aligned to the Common Core State Standards (CCSS) and the four language domains of reading, writing, listening, and speaking.

All other English Learners identified as Expanding Language Learners (Intermediate) and Bridging Language Learners (Early Advanced and Advanced) attend, in addition to their core English class, an additional 30-minute block of Language Enrichment instruction 4 days a week within the school day. Students in these classes use the Achieve3000 Boost, Access, and Español program, which focuses on improving literacy skills, informal, and academic English vocabulary, and is aligned with the CCSS and the four language domains.

All English Learners are also placed in an English Learners Summer School for Reading and Language Development to conserve and extend the gains made during the school year in the four language domains. This class continues the development of academic English in the four language domains. It also supports the school's Summer Reading Program, which assists students with their summer assignments so they can be ready for the new school year.

Research-Based Instructional Strategies for Developing Academic English
Central City Value teachers embed in all classroom instruction strategies for the continuing development of academic English. These include strategies identified by the U.S. Department of Education such as:

1. **Monitor progress.** Through regular assessments, data analysis, and data-driven instruction, teachers identify areas of need and quickly provide remediation opportunities. The Title III Coordinator oversees this process to ensure that the entire teaching staff employs best practices.
2. **Provide opportunities for reading interventions.** ELs are often at risk for struggling in reading and other academic content areas. Small-group tutoring during the N-block helps these students, offering targeted assistance to ensure mastery and proficiency in English Language Arts.
3. **Teach vocabulary explicitly.** Central City Value explicitly addresses the well-recognized vocabulary gap that underlies EL students' difficulty mastering grade-level content. Research suggests students need to learn 3,000-4,000 new vocabulary words each year. Central City Value teachers in all classes provide vocabulary instruction using word lists, word walls, and targeted vocabulary review.
4. **Develop Academic English.** To achieve academic success, ELs need to reach cognitive academic language proficiency (CALP), which research suggests may take five years or more. Students must possess both basic interpersonal communication skills (BICS) of social language and the content-area vocabulary and language specific to academic skills. "Academic English" is needed for students to perform and demonstrate higher-order tasks such as comparing, synthesizing, analyzing and inferring. Accordingly, teachers explicitly teach and scaffold vocabulary and tasks such as synthesis and

analysis. Central City Value uses strategies such as co-enrollment in English/ELD classes and targeted instruction during summer school to expedite and reinforce acquisition of academic English knowledge.

5. **Use cooperative peer learning techniques.** Central City Value teachers use strategies such as "pair-share" to give students authentic language practice among their peers. Teachers provide a prompt and students practice their vocabulary and grammar by speaking briefly on the topic of the prompt and discussing it with classmates. Such techniques can develop both BICS and academic language in an engaging and collaborative format.

Consistent with California English Language Development Standards, Central City Value's overall instructional program is designed to meet the needs of English Learners and to benefit all students with high expectations and an intense focus on literacy. Central City Value teachers use the California English Language Development Standards and Proficiency Level Descriptors to differentiate instruction for English Learners. As these standards are aligned with Common Core standards, Central City Value's Common Core-aligned curriculum addresses English Learners' needs organically throughout the school day and year. ELD standards suggest additional differentiation techniques, student activities, and appropriate texts for Emerging, Expanding, and Bridging English Learners. Among the strategies Central City Value teachers use to meet the needs of ELs are:

- Pre-teaching of key vocabulary
- Peer tutoring with students who demonstrate more advanced English skills during daily Advisory period
- Additional phonics, decoding, and fluency instruction
- Use of native language, when necessary, to clarify words or concepts
- Supportive culture of high expectations and discipline
- Predictable class structure in all content areas
- Extended time for literacy (reading and writing) instruction
- Word Walls to reinforce academic vocabulary
- In-school tutoring designed to meet the academic and developmental needs of students at each grade level
- Systematic reading strategy and textual analysis instruction
- Extensive independent reading at each student's level
- Systematic writing and grammar instruction
- Frequent use of "think-pair-share" and other cooperative learning strategies
- Use of graphic organizers to represent ideas
- Reinforcement of ELA standards in all content areas
- Explicit vocabulary instruction in all content areas
- Group work in all content areas
- Frequent use of assessments and specific feedback from teachers
- Frequent communication with and engagement of parents in supporting academic and behavioral expectations

Central City Value regularly assesses and monitors students' language development and growth. Along with the annual administration of the state-mandated assessment and implementation of the reclassification process, teachers document students' ELD progress with ELD assessment portfolios.

Reclassifying English Learners

The overarching goal of the EL program is to bring English Learners to sufficient English fluency to merit reclassification and leave the program. The Title III Coordinator/designee is responsible for ensuring that ELs who meet the eligibility criteria are reclassified in a timely manner.

Students are considered eligible for reclassification as Fluent English Proficient when they:

- demonstrate a CELDT overall performance level of 4 or 5 with skill area scores of 3 or higher in Listening, Speaking, Reading and Writing, or the ELPAC equivalent;
- obtain a score on the NWEA Reading test equivalent to the midpoint of the "Basic" range for their grade level; and
- are recommended for reclassification by the teacher of their English class.

Parental consultation. When a student appears to qualify for reclassification, the Title III Coordinator/designee sends a Notice of Reclassification home to the parents, entering the date of the notice into the school-wide data system. Parents are asked to sign a copy of the letter to indicate their consent to the reclassification and return it to the school. The consent is filed in the student's cumulative record along with the performance data that triggered the reclassification.

If the parent/guardian does not return the form or otherwise indicate consent to reclassification, the Title III Coordinator will contact the parents to discuss the evidence for eligibility and the advantages of reclassification. The final decision to reclassify a student remains with the principal.

Upon reclassification, the Title III Coordinator meets with the student to share the news of reclassification and makes any necessary changes to the student's schedule.

Progress after reclassification

All RFEP students are monitored at the end of each reporting period. If a student is not making satisfactory progress after reclassification, the Title III Coordinator/designee meets with the classroom teacher(s) to develop an instructional plan with specialized support. Appropriate intervention measures may include such approaches as:

- Student/teacher/parent conference
- Specialized reading, writing, and/or math instruction
- After school and/or before school academic support
- Summer school

English Learners with disabilities are identified and reclassified in the same way, with attention to appropriate testing accommodations listed in their Individualized Education Programs (IEPs). In addition to the basic reclassification criteria, the IEP team also determines if an EL with a disability has met the English Language Development (ELD) goal(s) in his/her IEP.

Annual Assessment Results and Program Placement: Parents of EL students who are administered the annual CELDT/ELPAC receive official notification informing them of their child's:

- Annual English language proficiency level and how it was assessed
- Official language classification
- Instructional program placement

The Title III Coordinator/designee is responsible for monitoring ELD progress and ensuring teachers have time and training to complete the review of ELD assessments and student work samples.

Professional Development

Central City Value holds regular professional development sessions for administrators and staff covering legal and other requirements concerning the identification, placement, education and reclassification of English Learners. Teachers, administrators, staff responsible for working with EL students' records, office staff and support staff must attend this annual training, which is scheduled shortly before the start of the school year or early in the school year. This training includes initial EL identification, placement options and procedures, parental rights and involvement in identification and placement, and how to communicate assessment results to families.

In addition to this mandatory training on the EL Master Plan, Central City Value provides regular professional development on techniques and strategies for developing language proficiency. These sessions occur both shortly before the school year begins and during Wednesday afternoon Professional Development periods.

Program Evaluation

To evaluate the efficacy of the EL Program, the Title III Coordinator, principal/designee and ELAC look at state-mandated testing and performance on nationally normed assessments (e.g., the NWEA MAP) and at performance and growth on midterm and semester exams. The Title III Coordinator also analyzes CELDT/ELPAC data to assess student progress in language acquisition. Results are disaggregated to examine EL and non-EL performance separately to identify gaps in the EL program that need to be addressed in curricular materials, instructional strategies, or professional development.

The program evaluation includes progress monitoring by weekly quizzes, midterm and semester exams, projects, tests, written work, and performance on state-mandated testing and nationally normed assessments. Performance indicators of interest include:

- Individual student improvement on the CELDT/ELPAC test from year to year
- Individual student improvement on the NWEA MAP assessment year over year
- Schoolwide RFEP rate
- Individual RFEP progress monitoring
- Schoolwide CAASPP sub group reports for grade 11

These indicators are captured on a performance dashboard and reported at faculty meetings, ELAC meetings, and meetings of the Academic Performance and Accountability Committee

(APAC) of Central City Value's Board of Directors. The principal and APAC summarize the results for the full Board of Directors to help the board's exercise its oversight responsibilities.

Gifted and Talented (GATE) Students and Students Above Grade Level

Central City Value High School does not offer a GATE program. The needs of gifted and high-achieving students are addressed through:

- Differentiation
- Honors and Advanced Placement courses
- Dual Enrollment

Differentiation. Teachers differentiate their instruction within the classrooms at all levels, extending the curriculum in breadth and depth with anchor assignments and independent learning. Open-ended assignments provide an opportunity for gifted and high-achieving students to add breadth and depth to their learning. Teachers may provide "challenge" activities in lieu of regular assignments, or may propose "teasers" or extension questions. Novels chosen for small group discussions are leveled to provide more in-depth analysis for the more able students.

Honors and Advanced Placement courses. Central City Value offers honors courses in English, Math, Science, and Social Science as well as twelve Advanced Placement courses. Honors and AP courses provide students with the academic vocabulary and foundation to read difficult material and to understand subtle differences in the English language, particularly Academic English.

Dual Enrollment. To enrich and deepen the educational experience for gifted and high-achieving students, the college counselor is available to help students co-enroll at local community colleges for additional courses.

Identification, outreach, and monitoring. Students entering Central City Value take the NWEA assessment in reading, writing, and mathematics. Students who read above grade level or possess a strong foundation in mathematics are placed in the appropriate honors classes. Students who do not initially test into Honors or Advanced Placement courses can move into these courses based on teacher recommendation. Consistent with its emphasis on academic excellence as a core value, Central City Value sets high expectations and encourages all students to become qualified for Honors and Advanced Placement courses.

To ensure that students are appropriately placed and that gifted and high-achieving students are benefiting from their placement and educational experiences, lead teachers and administrators analyze their scores on the NWEA, Smarter Balanced Assessments, Advanced Placement tests, the PSAT and SAT, and internal benchmark exams. Academic counselors consult with teachers and students to ensure all students are appropriately challenged without being overwhelmed.

Students Achieving Below Grade Level

Central City Value has multiple structures to support students who are working below grade level, including the Advisory Program, differentiated instruction, the Student Success Program. For example, teachers use in-class small group intervention and offer tutoring during office hours, which may be after school or during other free periods. Teachers also seek out alternative materials by which a student may better understand the content to be mastered, and encourage students performing below grade level to take advantage of technology-based skill building programs (e.g., Naviance SAT/ACT prep, Khan Academy, Criterion Writing).

Additionally, summer school and ELD classes are held for those who need the extra instructional time, and two math instructors are available until 4:30 PM three days a week to provide assistance to students who need it.

Identification and monitoring by Advisory Program. The advisor is the primary teacher on campus who ensures that students working below grade level receive academic support. Each semester, the advisor meets with each student and his or her parents/guardians to discuss the student's academic progress. The advisor also manages students' transcripts and works with the administration to see that students working below grade level are scheduled for summer school courses.

Differentiated instruction. Teachers use differentiated instructional strategies – SDAIE strategies, homogeneous/heterogeneous grouping, computer software, small group instruction – in their classrooms. Students who are working below grade level have the opportunity to receive tutoring during the SSR and lunch periods. If students continue working below grade level, they will be referred to the Student Success Program.

Student Success Program. The Student Success Program (SSP) is an intervention program that assists students facing academic difficulties. The program is based on the premise that all students learn differently and that with the appropriate supports all students can achieve academic success. Each student in the program has a team comprising their teachers, advisor, an administrator, the SSP coordinator and parents. This team assesses the student's strengths and weaknesses and develops appropriate interventions to help the student improve to grade level academicwork.

Summer school. Central City Value offers students who work below grade level the opportunity to attend summer school sessions to help them reach mastery of curricular standards. Summer school is also used to encourage summer reading and provide additional ELD instruction to prevent summer drift. Summer reading assignments are based on students' NWEA-ascertained reading levels. Teachers set a goal of raising students' reading levels by two grades each year and use differentiated instruction, active reading strategies, and targeted reading assignments to reach that goal.

Math enrichment. Students who are functioning below grade level in math and need a stronger foundation are placed in Math Enrichment and highly encouraged to attend office hours to receive tutoring on their specific deficiencies. Teachers direct students on a course of training using Khan Academy, identifying the appropriate modules to target the students' deficiencies.

Students remain in this program until they have demonstrated mastery of the course-level standards.

Graduation plan. All students develop a graduation plan to keep track of their progress toward graduation. Teachers and a college counselor help students to create the plan after the first semester of freshman year and to update it each semester thereafter. Students who need to make up credits to graduate on time are invited to summer school and may also be counseled to seek credit recovery at local adult high schools.

Central City Value High School uses scores on the NWEA, SBAC, SAT, and internal benchmark exams to monitor the progress of all students, including those achieving below grade level. Teachers and administrators organize grade-level meetings within Central City Value and across the Value Schools network for teachers to discuss strategies to better assist these students.

Socio-Economically Disadvantaged/Low Income Students

When students enroll at Central City Value High School, the principal or assistant principal uses CALPADS and the free/reduced meal application forms parents complete during registration to identify socioeconomically disadvantaged/low-income students. The vast majority of Central City Value students fall in this category, so all programs are geared to this subgroup.

Central City Value provides enrichment opportunities for socio-economically disadvantaged students to broaden their exposure to the fine arts, cultural activities and other extracurricular experiences that facilitate the growth of a well-rounded person. For example, students may go to the Los Angeles World Affairs Council, to art museums including MOCA and the Getty Museum, the GRAMMY Museum, and to plays and musicals at the Music Center and the USC drama department. Central City Value also sponsors a schoolwide talent show, a Winter Art performance, etiquette classes, and clubs that expand students' horizons.

Consistent with its core value that "Academic excellence is the means to a full life," Central City Value High School emphasizes the value of an education and the importance of hard work to all its students regardless of socioeconomic status. To motivate students to keep their focus on higher education, teachers, administrators, and other school staff, throughout the school year and in all activities, refer to college admission and attendance as a desirable and achievable goal.

Central City Value also provides opportunities for students and parents to acquire the intangible social skills and information needed for higher education and career success. The student advisory program focuses students on college information and the five values, using events such as Back-to-School Nights, College Nights, college campus visits, an annual college fair, financial aid workshops, and on-campus college presentations. Advisors work with all students to ensure they take a university-oriented curriculum. Juniors and seniors work with a college counselor to create individual graduation plans, prepare for university admission and placement tests, write personal statements and essays for applications, apply to appropriate institutions of higher education, and seek financial aid.

Parents are treated as partners with teachers and administrators in the educational process. At individual meetings with advisors, teachers, and the college counselor, as well as at monthly meetings of parent groups, parents are encouraged to help their children attain their

educational and career goals. Central City Value honors the Title I Parent Compact that guarantees regular meetings with parents, teachers and staff to develop goals to help socioeconomically disadvantaged students increase their academic achievement, and seeks input from the School Site Council and Academic Council on ways to reach those goals.

Many socioeconomically disadvantaged students enter college with a smaller academic vocabulary than their more advantaged peers. To mitigate this deficit, Central City Value High School assigns all students a curriculum-aligned summer reading book and assignment. By reading grade-level texts and thinking about these texts critically throughout the summer months, students not only acquire vocabulary but practice critical reading comprehension strategies as well.

For students who desire additional support and tutoring or simply want a quiet place to sit and complete daily homework assignments, teachers provide office hours during each full school day. While open to all, such safe havens and additional support structures are especially important to socioeconomically disadvantaged students, who often lack home environments conducive to academic work. Of particular importance to students who do not have computers or the internet in their homes, Central City Value students have access to computers on campus before, during, and after school.

Recognizing the impact of poverty on student concentration and performance, Central City Value contracts with an outside provider to provide free or reduced-cost counseling services for students who do not have Medi-Cal or other health insurance sufficient to cover similar services. There is also a full-time socio-emotional counselor available to students.

Central City Value High School uses scores on the NWEA, SBAC, the SAT, and internal benchmark exams to monitor the progress of students in this group as it does for other groups. Teachers meet regularly to discuss student progress and strategies that might specifically target the socioeconomically disadvantaged population.

Students with Disabilities

See District Required Language above.

Students in Other Subgroups

Given the population that Central City Value serves, nearly all students fall within one of the categories already described, particularly socioeconomically disadvantaged/low income status. Homeless and foster youth are not a large segment of the school community, but Central City Value recognizes that the segment may grow over the charter term due to, among other things, changes in national immigration policy. It also recognizes the particular needs of such students and the rights accorded them under Cal. Ed. Code §48850 *et seq.* and abides by its responsibilities under the Foster Youth Bill of Rights.

Central City Value generally first learns of the home status of its students during the enrollment process (post-lottery, if any), when it gathers residence and parent/guardian information. Teachers and counselors are alert to signs that already-enrolled students' home status has changed, and foster parents typically identify themselves to the school promptly upon taking on their fostering duties.

To meet the particular needs of homeless and foster youth, Central City Value partners with local support agencies. For example, it maintains a strong relationship with Magnolia Place, part of the Children's Bureau of Southern California, which specializes in providing services for foster youth and foster parents. One member of Central City Value's board of directors is the long-time Director of Community Services for the Bureau's Los Angeles region. He brings special expertise and close attention to matters involving this population.

When a Central City Value student is identified as a foster youth, the principal assigns him or her to an academic counselor. That counselor works with the student's advisory teacher to monitor the student's academic and social progress. The advisory teacher checks in with the student daily, allowing for regular monitoring of social and behavioral issues. The academic counselor meets with the student weekly, often including the advisory teacher. The counselor, advisor, and other teachers as appropriate meet regularly to gather data and develop plans for any additional support the student may need.

A "Typical Day"

Central City Value High School students have six classes per semester, in a three-day rotation with four classes per day. Thus, in addition to an advisory period, lunch and nutrition breaks, and reading or English Enrichment sessions, each student has four 78-minute classes on Monday, Tuesday, Thursday and Friday. These days begin at 7:30 AM and end at 2:53 PM. (Wednesday's schedule is modified to accommodate teacher professional development, parent/teacher conferences, etc.) For example:

Day A – Periods 1, 2, 3, 4

Day B – Periods 5, 6, 1, 2

Day C – Periods 3, 4, 5, 6

The A – C pattern repeats throughout the semester.

Advisory period. At the end of the first class session, students have a six-minute break, then report to an advisory period. Advisory periods are 25 minutes on Wednesdays and 20 minutes each other day. During these periods:

- Advisors take attendance.
- Students hear the daily bulletin.
- Advisors may use the period for a discussion of one of the core values.
- Students may use computers to check grades or assignments on PowerSchool, research college opportunities or work on applications.

An intentional outcome of the advisory period is that advisors develop relationships with the students, monitor academic and social problems, and direct students to after-school tutoring if needed. These relationships and attention to progress inform the Student/Parent/Advisor meetings each semester.

Community Time. On a typical full day, one class cohort will be found in the community room for a 20-minute session that explicitly reinforces one or more of the Five Core Values. In a typical Community Time session, students might hear a motivational talk from another classmate, a guest speaker, or school personnel. They might engage in a discussion of a difficult situation or a disruptive school event, process traumatic external events, or adopt class goals. These sessions are an integral part of building a safe, nurturing community and of the Restorative Justice program.

Typical class experiences. In each class period, the teacher begins by explaining the day's agenda. Included in this agenda is the academic objective, the Common Core State Standard attached to that objective, the school values and SLOs that apply to the lesson, and a coordinating warm-up exercise that focuses students on the objective.

In a typical day, a student has a 30-minute "N block" for either 30 minutes of Silent Sustained Reading (SSR) or an English Enrichment class. (English Learners receive a minimum of 2 hours of language instruction weekly, often using programs such as Achieve3000, *Middlebury Interactive Languages* and *Rosetta Stone*.) After the English Enrichment or SSR time, students report to their second class. Their third class is followed by lunch, then a fourth class, then dismissal.

After-school hours. After-school hours may be spent with teachers holding office hours or tutoring, which is mandatory if a student's grade falls below a C-. Academically eligible students may also participate in Central City Value's extensive CIF-sanctioned sports program.

Element 2 – Measurable Pupil Outcomes and Element 3 – Method by which Pupil Progress Toward Outcomes will be Measured

"The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school." **(Ed. Code § 47605(b)(5)(B).)**

"The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card." **(Ed. Code § 47605(b)(5)(C).)**

MEASURABLE GOALS OF THE EDUCATIONAL PROGRAM

Charter School shall meet all statewide content and performance standards and targets. (Ed. Code §§ 47605(c)(1), 60605.)

Charter School shall comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula) and AB 484 (2013), as they may be amended from time to time, including all requirements pertaining to pupil outcomes.

STANDARDIZED TESTING

Charter School agrees to comply with state requirements for participation and administration of all state-mandated tests, including computer-based assessments. Charter School shall submit and maintain complete, accurate, and up-to-date California Longitudinal Pupil Achievement Data System (CALPADS) data in accordance with the requirements of California Code of Regulations, title 5, section 861. Charter School hereby grants authority to the State of California to provide a copy of all test results directly to the District as well as Charter School. Upon request, Charter School shall submit, in the requested format (e.g., CD), a copy of the results of all state-mandated tests to the District.

Measurable Goals of the Educational Program

The measurable goals of Central City Value High School's educational program are set out in the State Priorities table in Element 1, and are incorporated here by reference.

Objectives of the school's educational program

Central City Value High School provides an engaging, rigorous, college preparatory education centered on its five core values. Students graduating from Central City Value High School will be prepared for success in college and will possess the motivation and skills to make a positive difference in the world. By hiring and developing highly qualified and caring teachers; and by modeling and teaching the values, Central City Value creates a vibrant learning community in which all students can thrive.

Performance Targets Aligned to State Priorities

Central City Value High School has aligned its performance targets to state priorities, as can be seen in the State Priorities table in Element 1, which sets out measurable goals and is incorporated here by reference. Administrators use a school-developed dashboard to report to parents and the governing board progress on reaching the targets. Students review their individual results with their advisor.

All students take the NWEA assessments in the fall and again in spring to measure academic growth in ELA and math. Teachers analyze the results of these exams and use the results to tailor lessons specific to the needs of the students. NWEA data provides the school with an additional data point and additional insight into student performance. It is expected that in the typical year, at least 75% of students will demonstrate at least one year of growth in ELA and Mathematics for each year in school, as measured by the NWEA assessments.

Academic progress is measured by internal benchmark exams given in each academic discipline four times each year. Teachers use PowerSchool - Assessment to track and analyze the results of these exams, and the goal is to have at least 90% of students pass these benchmark exams each time they are administered. Since the questions on the benchmark exams are linked to the Common Core State Standards, the results of these exams give an indication of future student performance on the Smarter Balanced assessments. The NWEA assessments also closely mirror concepts to be tested on the SBAC assessments and will therefore also be used to gauge future SBAC assessment results.

Method for Measuring Pupil Progress Toward Outcomes: Formative Assessment

Central City Value High School uses the following tools to track student progress. They will be used for placement, formative data and summative data as indicated. Performance expectations are found in Element 1 (State Priorities Table) or listed below the description of the assessment.

	Placement	Formative	Summative	Other	Frequency
NWEA Assessments	X		X		Biannually
Common Core standards aligned benchmark assessments		X	X		4/year (every 9 weeks)
Class-specific unit end/chapter end exams		X			Teacher option
Goal: At least seventy percent of students receive a grade of C or higher on each exam.					
Other student work products				X	Teacher option
Goal: At least seventy percent of students earn a 3 on a 5 point rubric, which corresponds to a "C" grade.					

Data Analysis and Reporting

The types of data the school will use. Central City Value High School uses performance data from the following standardized assessments: The NWEA assessments, state-mandated high school exit exam (if applicable), the Smarter Balanced Assessments, the EAP, the CELDT/ELPAC, and AP exams. The school also uses data from benchmark exams given every nine weeks.

The role and use of data to inform curriculum and instruction. Teachers and administration analyze performance data to identify the students' skill strengths and deficits, and perform item analyses of the assessments themselves to identify the most challenging learning tasks. Teachers then use the data to modify their instruction and will reteach standards that students have failed to master until the large majority of students are able to demonstrate proficiency on that standard on a formative assessment. Curricular changes may be made in response to patterns of performance.

The NWEA/MAP is administered two or three times a year to measure student growth in ELA and Math and to inform instruction. Mandatory benchmark exams are given every nine weeks, and teachers use PowerSchool - Assessment to mine the information to assess student progress. This allows teachers to re-teach when necessary, differentiating instruction to accommodate the learning styles of subgroups and individuals.

Results of the benchmarks are regularly discussed in department meetings and shared with theadministration. During these discussions, teachers exchange ideas on how to teach difficult concepts in their subject area. With the use of frequent benchmark exams, teachers identify areas of academic weakness in students from the identified subgroups (students with disabilities, ELs). The teachers use the data to provide additional instruction in those areas to meet the needs of the students and move them toward mastery of the standards.

The role and use of data to monitor and improve the charter school's educational program and operations. Central City Value gathers input from stakeholders on its educational program and operations. In addition to regular parent meetings, ELAC and LCAP input processes, and observation, Central City Value uses online surveys such as those prepared by WestEd to get feedback from students, parents, teaching, and support staff. A committee of school staff will analyze the survey results and suggest improvements.

Central City Value High School also uses surveys to assess parent support for the school and to assess how well students have internalized the five core values. These surveys are administered and analyzed annually and reports from the data are prepared for the Board of Directors and the school community.

The role and use of data to inform stakeholders of school performance. Consistent with its emphasis on academic excellence, Central City Value tracks student academic performance and reports on that performance regularly to the CEO and the Board of Directors. A dashboard is used to keep the board apprised of performance and highlight areas of particular excellence or need for growth. The Academic Performance and Accountability Committee, a committee of the Central City Value High School Board of Directors, meets at least twice during the year to review the dashboard and the school's progress toward

meeting specific goals. In keeping with principles of charter school transparency, dashboard data will also be made available on the school's website, either directly or by way of a link to the new state dashboard site.

Grading, Progress Reporting, and Promotion/Retention

Grading policy. Central City Value teachers use the following grading scale in all courses:

A range	B range	C range	D range	F range
97-100% = A+	87-89% = B+	77-79% = C+	67-69% = D+	Below 60% = F
93-96% = A	83-86% = B	73-76% = C	63-66% = D	
90-92% = A-	80-82% = B-	70-72% = C-	60-62% = D-	

Grades at Central City Value High School reflect level of mastery of academic standards and do not reflect behavior. Teachers are encouraged to allow students to make up work when late or incomplete, so that appropriate mastery of learning standards can be assessed. Teacher comments about citizenship and work habits will be mentioned in a separate area of a student's report card. Quizzes, exams, oral presentations, projects and papers will be graded and used to determine a student's final grade in a course.

Type and frequency of progress reporting. At the end of each semester, report cards are issued to students and families. Progress reports are given at the midpoint of each semester. Student/Parent/Advisor conferences are scheduled at this time, and specific strategies for improving grades are discussed.

PowerSchool is used to calculate grades and provide progress reports and report cards. Parents, students, and teachers have twenty-four hour access to student grades via PowerSchool. Teachers are required to update student grades at least once a week so that parents and students can monitor student progress.

Advisors discuss academic progress with their advisees at least once a week. Advisors share effective strategies and practices for maximizing a student's potential and, with the student, sets incremental goals for improvement. The Advisor/Advisee relationship involves motivation, inspiration and modeling, as well as correction of ineffective learning habits and poor time management.

Promotion/retention policy and procedures. Central City Value High School students will be promoted to the next grade level once they have earned a sufficient number of units that will show that they are on track to graduate. Students are retained if they are deficient in units and their deficiencies will not be able to be remediated during summer school. Teachers and administrators make every effort to ensure students obtain the required number of units to graduate.

Parents are notified at each advisory meeting of a student's progress. Retention as a possible option is presented as soon as it appears that a student is unlikely to complete the year's units, and no later than the April advisory meeting. A separate retention meeting is held with the student, parents, and either principal or assistant principal to fully explain the consequences of retention and to enlist the parent's help in encouraging and motivating the student to excel. If

parents do not consent to having the student retained, the administrator provides a written notice of the retention recommendation and asks the parents to indicate that they understand the recommendation but choose to have their student promoted despite the risk that he or she will not have sufficient credits to graduate on time.

Element 4 – Governance

"The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement." **(Ed. Code § 47605(b)(5)(D).)**

GENERAL PROVISIONS

As an independent charter school, Charter School, operated as or by its nonprofit public benefit corporation, is a separate legal entity and shall be solely responsible for the debts and obligations of Charter School.

Charter School shall ensure that, at all times throughout the term of the Charter, the bylaws of its governing board and/or nonprofit corporation are and remain consistent with the provisions of this Charter. In the event that the governing board and/or nonprofit corporation operating Charter School amends the bylaws, Charter School shall provide a copy of the amended bylaws to CSD within 30 days of adoption.

Charter School shall send to the CSD copies of all governing board meeting agendas at the same time that they are posted in accordance with the Brown Act. Charter School shall also send to the CSD copies of all board meeting minutes within one week of governing board approval of the minutes. Timely posting of agendas and minutes on Charter School's website will satisfy this requirement.

The District reserves the right to appoint a single representative to the Charter School governing board pursuant to Education Code section 47604(b).

LEGAL AND POLICY COMPLIANCE

Charter School shall comply with all applicable federal, state, and local laws and regulations, and District policies as it relates to charter schools adopted through Board action.[2]

Charter School shall comply with all applicable federal and state reporting requirements, including but not limited to the requirements of CBEDS, CALPADS, the Public Schools Accountability Act of 1999, and Education Code section 47604.33.

Charter School shall comply with the Brown Act and the Public Records Act.

Charter School and all employees and representatives of Charter School, including members of Charter School's governing board, members of Charter School or governing board committees and councils, Charter School administrators, and managers, shall comply with federal and state laws, nonprofit integrity standards, and LAUSD charter school policy, regarding ethics and conflicts of interest. Charter School shall enter into all transactions and conduct business with all persons and entities at arm's length or, in the case of otherwise permissible related party transactions, in a manner equivalent to arm's length.

[2] The District is in the process of compiling a list of LAUSD policies that apply to its authorized charter schools. The list will be finalized by April 1, 2018. Charter Schools Division staff will annually review District policies and make recommendations to the LAUSD Board of Education on continued application to charter schools.

Charter School shall notify parents, guardians, and teachers in writing within 72 hours of the issuance of a Notice of Violation, Notice of Intent to Revoke, Final Decision to Revoke, Notice of Non-Renewal, or equivalent notice, by the LAUSD Board of Education.

TITLE IX, SECTION 504, AND UNIFORM COMPLAINT PROCEDURES

Charter School shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 (Title IX) and section 504 of the Rehabilitation Act of 1973 ("Section 504"), including any investigation of any complaint filed with Charter School alleging its noncompliance with these laws or alleging any actions which would be prohibited by these laws. Charter School shall notify all of its students and employees of the name, office address, and telephone number of the designated employee or employees.

Charter School shall adopt and publish complaint procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX or Section 504.

Charter School shall adopt and implement specific and continuing procedures for notifying applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Charter School, that Charter School does not discriminate on the basis of sex or mental or physical disability in the educational programs or activities which it operates, and that it is required by Title IX and Section 504 not to discriminate on any such basis.

Charter School shall establish and provide a uniform complaint procedure in accordance with applicable federal and state laws and regulations, including but not limited to all applicable requirements of *California Code of Regulations*, title 5, section 4600 et seq.

Charter School shall adhere to all applicable federal and state laws and regulations regarding pupil fees, including Education Code sections 49010 - 49013, and extend its uniform complaint procedure to complaints filed pursuant to Education Code section 49013.

Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the Local Control Funding Formula legislation provisions set forth in Education Code section 52075.

RESPONDING TO INQUIRIES

Charter School, including its nonprofit corporation shall promptly respond to all reasonable inquiries, including but not limited to inquiries regarding financial records from the District, and shall cooperate with the District regarding any inquiries. Charter School acknowledges that Charter School, including but not limited to its nonprofit corporation, is subject to audit by LAUSD, including, without limitation, audit by the District Office of the Inspector General. Charter School shall provide the District with current, complete, and accurate contact information for Charter School, Charter School administrators, and Board members.

If an allegation or other evidence of waste, fraud, abuse, or other material violation of law related to Charter School's operations, or breach of the Charter, is received or discovered by the District, Charter School, including but not limited to its nonprofit corporation, employees, and

representatives, shall cooperate with any resulting inquiry and/or investigation undertaken by the District and/or the Office of the Inspector General Investigations Unit.

Charter School acknowledges and agrees that persons and entities that directly exercise control over the expenditure of Charter School's public funds shall be subject to all necessary and appropriate District charter school oversight.

NOTIFICATION OF THE DISTRICT

Charter School shall notify the Charter Schools Division (CSD) in writing of any citations or notices of workplace hazards, investigations by outside governmental regulatory or investigative agencies, lawsuits, changes in corporate or legal status (e.g., loss of IRS 501(c)(3) status), or other formal complaints or notices, within one week of receipt of such notices by Charter School. Unless prohibited by law, Charter School shall notify the CSD in writing of any internal investigations within one week of commencing investigation. Charter School shall notify the CSD within 24 hours of any dire emergency or serious threat to the health and safety of students or staff.

STUDENT RECORDS

Upon receipt of a student records request from a receiving school/school district, Charter School shall transfer a copy of the student's complete cumulative record within ten (10) school days in accordance with Education Code section 49068. Charter School shall comply with the requirements of California Code of Regulations, title 5, section 3024, regarding the transfer of student special education records. In the event Charter School closes, Charter School shall comply with the student records transfer provisions in Element 15. Charter School shall comply with the requirements of Education Code section 49060 et seq., which include provisions regarding rights to access student records and transfer of records for youth in foster care.

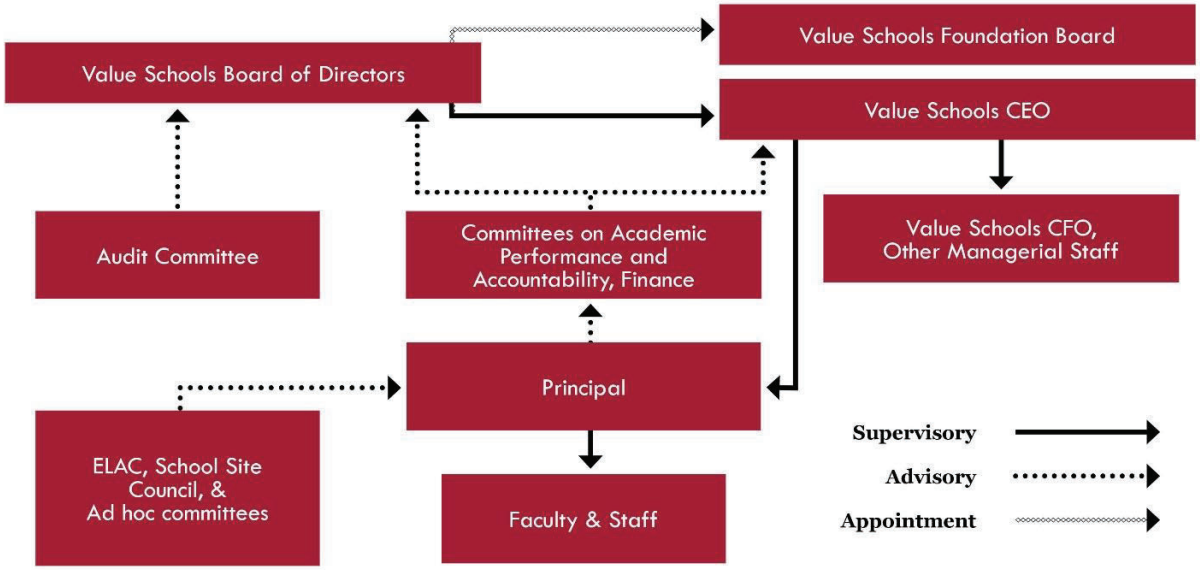
PARENT ENGAGEMENT

Charter School shall not require a parent or legal guardian of a prospective or enrolled student to perform volunteer service hours, or make payment of fees or other monies, goods, or services in lieu of performing volunteer service, as a condition of his/her child's admission, continued enrollment, attendance, or participation in the school's educational activities, or otherwise discriminate against a student in any manner because his/her parent cannot, has not, or will not provide volunteer service to Charter School.

FEDERAL PROGRAM COMPLIANCE

As a recipient of federal funds, Charter School has agreed to meet all applicable programmatic, fiscal and other regulatory requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) and other applicable federal programs. Charter School understands that it is a local educational agency (LEA) for purposes of federal compliance and reporting purposes. Charter School agrees that it will keep and make available to the District any documentation necessary to demonstrate compliance with the requirements of ESEA and other applicable federal programs. Charter School also acknowledges that, as part of its oversight of Charter School, the District may conduct program review for federal as well as state compliance.

Organizational Chart



Value Schools

Value Schools, a Charter Management Organization, is a California nonprofit public benefit corporation established by Jerome R. Porath, Ph.D. and incorporated in July 2000.

The mission of Value Schools is to establish and support high-quality, values-based elementary and secondary charter schools for populations of students who have been historically underserved.

The Value Schools Board of Directors sets all policies for, and has sole legal and fiduciary responsibility for, Central City Value High School.

Value Schools is responsible for establishing and maintaining relationships with all relevant government units on behalf of the Charter School, including but not limited to the Los Angeles Unified School District, the Los Angeles County Office of Education, and the California Department of Education.

Value Schools separately accounts for all funds, public and private, that are given to Central City Value High School, and uses such funds solely for the operation of Central City Value High School. Value Schools enters into all contracts, leases and other legal agreements that may be necessary to operate Central City Value High School.

Value Schools provides financial and accounting services, legal representation, public relations and general oversight of school operations for Central City Value High School. In return for the services provided, a percentage of the public funds given to operate Central City Value High School is transferred to Value Schools for its general operations. That percentage is determined for each school operated by Value Schools by the anticipated cost of services provided and financial position of the Charter School. Eight percent per year is currently set as the

appropriate target when a Charter School attains full enrollment; newer schools historically have been assessed a lower amount until they reached full enrollment. Value Schools reserves the right to adjust the fees as necessary to cover the services provided.

Value Schools Board of Directors

Membership and General Responsibilities

The Value Schools Board of Directors oversees all schools operated by Value Schools, the nonprofit public benefit corporation that operates Central City Value High School. As prescribed by the Value Schools by-laws, the board is to have at least five and no more than seven members. The board is self-perpetuating, with each Director elected for a term expiring on the second June 30th occurring after the date the Director takes office, unless the Board determines that to provide the continuity of staggered terms, a Director may be elected for a term expiring on the first June 30th occurring after the date the Director takes office.

The Value Schools Board of Directors also appoints, removes, and sets the terms of the members of the Value Schools Foundation ("VSF"). VSF is a California nonprofit public benefit corporation, recognized as an exempt organization under section 501(c)(3) of the Internal Revenue Code, created and operated exclusively to support Value Schools. VSF does not receive any public funds and does not exercise any authority over Value Schools or Central City Value High School.

The Value Schools Board of Directors recruits candidates for both boards who share the vision of Value Schools and who have the capacity to make a contribution to the advancement of the mission of Value Schools. This capacity is demonstrated through having a commitment to educational excellence for traditionally underserved populations; understanding of the communities Value Schools serves; the time to assist with board or Value Schools projects; and expertise relevant to the board's guidance and oversight functions. Current directors have expertise in education, finance and investments, community resources, law, community health and organizational consulting.

The responsibilities of the Value Schools Board of Directors are to ensure that the mission of the Charter School is fulfilled, to hold the Value Schools Chief Executive Officer accountable for the successful performance of Central City Value High School in all areas, and to ensure the financial integrity of the Charter School and the sufficiency of resources.

Central City Value High School agrees and acknowledges that the governing board of Value Schools is the sole controlling and governing body for the Charter School, and accordingly holds fiduciary authority and responsibility for, among other things:

1) the selection, hiring, compensation, supervision, evaluation, and termination of the CEO and, through the CEO, all other Central City Value employees;
2) the governance and operation of Central City Value High School in compliance with applicable law, policy, and the Charter, as they may be amended from time to time; and
3) Central City Value High School's financial management and viability, including but not limited to all expenditures and accounting of all public funds received by or on behalf of Central City Value and its students.

Board of Directors – Structure and Operations

The Value Schools Board of Directors conducts its work through meetings of the whole and three standing committees, all of which operate under Brown Act requirements. It may also be informed by advice and analyses produced by ad hoc committees or by task forces that the CEO forms from time to time.

Audit Committee

The Audit Committee comprises one or more members of the Value Schools Board and such other participants as the chair of the Value Schools Board may appoint. This committee participates in the selection of an external auditor, annually meets with the auditor, and reports audit findings to the Value Schools Board of Directors.

Academic Performance and Accountability Committee

Members of the Academic Performance and Accountability Committee are selected from the Value Schools board. The committee works with senior staff and school leadership to monitor academic performance at Central City Value High School, considering what performance elements should be measured, how they should be measured, the timing of measurement, and how results should be reported. For each meeting, the principal gives the committee dashboard metrics assessing progress toward schoolwide and subgroup goals included in Central City Value's LCAP, and with any other significant internal metrics. From time to time, the committee also examines broader issues of educational importance and how Value Schools can increase academic achievement. The committee regularly reports its findings to the Value Schools Board of Directors to help the board fulfill its responsibility to ensure a successful educational program.

Finance Committee

The Finance Committee, comprising members of the Value Schools board, works with the CEO, CFO and back-office service provider to ensure that the finances of Central City Value High School are properly managed and reported. Finance Committee meetings include reviews of financial reports from Value Schools staff and back-office service provider. The committee also reviews Value Schools' business practices to maximize efficiency and effectiveness. The group regularly reports its findings to the full Value Schools Board of Directors to help the Board fulfill its responsibility to ensure sound financial operations.

Meeting procedures

Timing, location and notice. Board of Directors' meetings are scheduled four times a year, approximately quarterly. At times throughout the year, additional Board meetings are convened as needed to act on unforeseen or urgent issues, such as the need to obtain resolutions to pursue facilities, funding, or grant opportunities. Board meetings are held within the LAUSD boundaries, usually at one of the Value Schools, in a location sufficiently large to accommodate members of the public who attend. Time is allotted for members of the public to address the board.

Consistent with Brown Act requirements, written notice of meeting dates and locations is provided, posted at Central City Value in a prominent place as close to its main entrance as is practically possible, and posted on the Value Schools website. At least 72 hours before regular

meetings, and 24 hours before special meetings, the meeting agenda is posted in the same location as the notice of dates and locations.

Agendas and meeting minutes are available on request by e-mail or at the Central City Value main office, and are posted on the Value Schools website.

Quorum. A quorum of the Board for the transaction of business shall be the greater of a majority of the Directors then in office or one-fifth of the authorized Directors.

Teleconferencing. The Board may use teleconferencing in connection with any meeting of the Board. If the Board elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The timeline for posting the notice and agenda shall be the same as for an in-person meeting of the Board. The agenda shall provide an opportunity for members of the public to address the Board directly at each teleconference location. During the teleconference, at least a quorum of the members of the Board shall participate from locations within the boundaries of the District. Participation in a meeting through use of teleconferencing constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. All votes taken during a teleconferenced meeting shall be by roll call.

Value Schools' Major Executive Positions

Chief Executive Officer

The primary responsibility of the Chief Executive Officer (CEO) of Value Schools is the leadership and management of that organization. The duties of the CEO include oversight of academic programs; educational leadership; budgeting; fundraising; development; public relations; long-range planning; student services; and recruitment of personnel for the home office. The CEO is responsible for the financial stability of the organization and oversight, control and supervision of all buildings, grounds and equipment.

The CEO recruits, appoints, supports, evaluates and, if needed, dismisses school principals. The CEO supports the principals by holding bi-weekly one-on-one meetings to discuss important issues. The CEO and all principals in the Value Schools organization also meet bi-weekly as a group to discuss any problems and concerns that may arise, to provide mutual support, and to share best practices. The CEO convenes leadership workshops to provide professional development for principals and other school leaders.

The CEO reports to the Value Schools Board of Directors, which is responsible for the selection, hiring, compensation, supervision, evaluation, and termination of the CEO. The CEO is not a member of the Value Schools Board of Directors or of the Value Schools Foundation Board.

Chief Financial Officer

The Chief Financial Officer (CFO) keeps and maintains adequate and correct accounts of the properties and the financial transactions of Value Schools. The CFO works closely with the CEO and back-office service provider to ensure that each school and the organization is financially sound and has adequate and appropriate processes and procedures in place to guarantee ongoing success. The CFO provides expertise in the areas of finance and accounting; payroll and human resources; insurance; grant and bond reporting. The CFO supports the activities of the auditors during the annual financial audit and ensures timely preparation and dissemination of such financial reports as may be required by the Board of Directors or the CEO. The CFO reports to and is evaluated by the CEO.

Central City Value High School Staff and Organization

Principal

The major responsibility for Charter School decisions rests with the principal. The principal has authority in the areas of school personnel, curriculum, students, facilities and finances. The principal also chairs the School Site Council. The principal reports to and is evaluated by the CEO.

Faculty & Staff

See Job Descriptions in Element 5. Faculty and staff report to and are evaluated by the principal of Central City Value.

School Site Council

As prescribed by Cal. Ed. Code § 52852, Central City Value High School's School Site Council comprises the principal, two parents chosen at parent meetings, two faculty members chosen by the faculty, and two students chosen by student election.

The School Site Council participates in the Central City Value budgeting process before the budget is submitted to the Board of Directors for approval, provides input on the LCAP, reviews any policies sent to it by the Value Schools Board of Directors for review, and serves as the Advisory Committee required by Title I. The School Site Council also advises on school policies of concern to parents and students (e.g., student uniforms, vacation schedules, nutrition, special classes and extra-curricular activities) and to the faculty (e.g., leave days, faculty dress code and non-classroom responsibilities).

The School Site Council meets at least four times a year and complies with the Brown Act in its operations. Information from School Site Council meetings is communicated to the Value Schools Board by the principal.

English Learner Advisory Committee (ELAC)

This committee works with school leadership to ensure English Learners receive the services necessary to become proficient in English, enroll in college preparatory classes, and attain higher academic achievement. The ELAC helps to assess needs, set program goals and objectives, and develop a master plan for English Learners at Central City Value. Membership includes school administrators and teachers, but parents of English Learners comprise at least

the same percentage of the ELAC membership as English learners constitute of the school's total student population.

Other Stakeholder Involvement

Central City Value builds a safe, nurturing community of scholars by affirmatively seeking as much student, teacher, and parent participation as possible. The administration uses in-school announcements, letters, the parent/student handbook, and the Value Schools website to advertise opportunities by which stakeholders can help guide Central City Value's educational program and school operations and to give notice of meetings and events.

Although the School Site Council takes the lead on helping to develop and update the Local Control Accountability Plan (LCAP), Central City Value seeks other stakeholder input on the LCAP and other school matters throughout the year. Central City Value holds frequent meetings to inform parents about the school's operations and core values. Most meetings and events are held during evening hours to accommodate parents who work during the day. School-level and subgroup performance data are made available so parents can review student progress. Parents are invited to participate in discussions and surveys to provide input and feedback on spending and program decisions. Central City Value also invites parents and other stakeholders to participate in college preparation activities such as college/university information nights, college admission workshops, and explanations of student aid opportunities.

Teachers participate in a variety of committees throughout the year to analyze performance data and evaluate program effectiveness. This collaborative process encourages maximum stakeholder involvement in decision making.

Student opportunities for involvement include the Leadership Council, School Site Council, Student Ambassadors, National Honor Society, athletics, and various clubs.

Element 5 – Employee Qualifications

"The qualifications to be met by individuals to be employed by the charter school." **(Ed. Code § 47605(b)(5)(E).)**

EQUAL EMPLOYMENT OPPORTUNITY

Charter School acknowledges and agrees that all persons are entitled to equal employment opportunity. Charter School shall not discriminate against applicants or employees on the basis of race, color, religion, sex, gender, gender expression, gender identity, sexual orientation, pregnancy, national origin, ancestry, citizenship, age, marital status, physical disability, mental disability, medical condition, genetic information, military and veteran status, or any other characteristic protected by California or federal law. Equal employment opportunity shall be extended to all aspects of the employer-employee relationship, including but not limited to recruitment, selection, hiring, upgrading, training, promotion, transfer, discipline, layoff, recall, and dismissal from employment.

ESEA/ESSA AND CREDENTIALING REQUIREMENTS

Charter School shall adhere to all requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) that are applicable to teachers and paraprofessional employees. Charter School shall ensure that all teachers are appropriately assigned and fully credentialed in accordance with applicable state requirements for certificated employment, including but not limited to the provisions of Education Code section 47605(l). Charter School shall maintain current copies of all teacher credentials and make them readily available for inspection.

Central City Value High School currently has and expects to continue having for the next charter term the following positions:

Certificated:

Principal
Assistant Principal
Dean of Students
Teacher – Core Subjects
Teacher – Special Area
Substitute Teacher
Special Education Coordinator

Classified:

Various Clerical Positions
School Custodian
School Facilities Maintenance Worker
School Security Guard

Job Descriptions

Position descriptions follow.

Job Description for Position of Principal

General Responsibility

The principal provides overall leadership, direction and management to the school community in accord with the policies and practices of *Value Schools*.

Supervision

The principal is supervised by the chief executive officer of *Value Schools* (or an authorized delegate) and is directly responsible to that person.

Specific Duties

1. Hires, supervises and evaluates the teachers and other school personnel, subject to the policies of *Value Schools* governing the qualification for employees and the personnel practices—including teacher evaluation based on student achievement.
2. Organizes the instructional program, chooses the programs and materials, and supervises the instruction and assessment of students; with the advice and assistance of the faculty and subject to the curriculum standards and program assessment for *Value Schools*.
3. Administers the admission of students, including lottery, student orientation and parent induction; makes major student disciplinary decisions; supervises student grading and, with the advice and assistance of staff, makes student placement decisions.
4. Supervises the maintenance and repair of the materials, equipment and school facilities and property; with input from faculty and staff, submits recommendations to *Value Schools* CEO or designee for facilities improvements.
5. Prepares the school budget according to the CFO's budget preparation guidance for *Value Schools* and with input from the faculty; makes or approves all financial decisions necessary to implement the approved budget plan.
6. Chairs the School Site Council and provides it with staff support.
7. Plans appropriate professional development activities.
8. Acts as a role model of the five core values of *Value Schools*.
9. Supports the philosophy and goals of the school and the mission and goals of *Value Schools*.
10. Ensures the health, safety and welfare of students and other faculty and staff.
11. Holds confidential matters with appropriate confidentiality.
12. Adheres to all the employee policies and practices of the school and of *Value Schools*.
13. Carries out other such duties and responsibilities as may be assigned by the chief executive officer (or authorized delegate) to achieve the goals of *Value Schools*.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools*.
2. Master's degree in school administration (or equivalent).
3. Successful experience as a principal in a private or parochial school or as a principal in a "site-based-managed" public school; or preparation through
    a. on-the-job training by having been a vice-principal (or equivalent position with a different title) in a private, parochial or site-based-managed public school; or
    b. graduate-level education in a program designed to prepare for leadership in private or parochial school.
4. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
5. Fluency in the English language.
6. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualifications

1. Five years successful experience as a principal of a private, parochial or site-base-managed public school.
2. Academic preparation through graduate level education in a program designed to prepare for leadership in private or parochial school.
3. Fluency in the native language of the Charter School's students other than English.

Job Description for Position of
Assistant Principal

General Responsibility

The assistant principal is responsible for assisting the principal by performing some of the duties of the principal in accord with the policies and practices of *Value Schools*. The assistant principal may also be assigned teaching responsibilities when such assignment is consistent with the Value Schools policy that all core courses will be taught by properly assigned, appropriately credentialed teachers."

Supervision

The assistant principal is supervised by the principal and is directly responsible to the principal.

Specific Duties

1. Performs or assists principal with principal's duties as assigned.
2. Represents the principal to the faculty, staff, parents and students in the absence of the principal.
3. Participates in the professional development activities that have been established by the principal or by the chief executive officer (or authorized delegate).
4. Acts as a role model of the five core values of *Value Schools*.
5. Supports the philosophy and goals of the school and the mission and goals of *Value Schools*.
6. Ensures the health, safety and welfare of students and other faculty and staff.
7. Holds confidential matters with appropriate confidentiality.
8. Adheres to all the employee policies and practices of the school and of *Value Schools*.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools.*
2. A master's degree or California teaching credential.
3. Five years of successful teaching experience.
4. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
5. Fluency in the English language.

Desired Qualifications

1. Experience working in one of the *Value Schools*.
2. Preparation by experience or education to be a principal in one of the *Value Schools*.
3. Fluency in the native language of the students other than English.

Job Description for Position of
Dean of Students

General Responsibility

A dean of students is responsible for maintaining order in the school community.

Supervision

A dean of students is supervised by the principal and is directly responsible to the principal.

Specific Duties

1. Performs certain specific duties of the principal that are assigned by the principal.
2. Gives assistance to the principal in undertaking certain activities of the specific duties of the principal.
3. Participates in the professional development activities that have been established by the principal or by the chief executive officer (or authorized delegate).
4. Acts as a role model of the five core values of *Value Schools*.
5. Supports the philosophy and goals of the school and the mission and goals of *Value Schools*.
6. Ensures the health, safety and welfare of students and other faculty and staff.
7. Holds confidential matters with appropriate confidentiality.
8. Adheres to all the employee policies and practices of the school and of *Value Schools*.
9. Works with faculty and staff to:
    a. Create classroom discipline procedures,
    b. Observe classroom management,
    c. Organize meetings with parents and students,
    d. Update emergency procedures in classroom and school,
    e. Help develop sound relationships with students,
    f. Assure that students are demonstrating the values of the school.
10. Works with students to:
    a. Mend and maintain relationships with teachers, students and parents,
    b. Assist them with their behavior in the classroom,
    c. Hold them accountable for their actions,
    d. Develop to their fullest potential,
    e. Work with our counseling services,
    f. Understand the need to be at school on time.
11. Works with parents to:
    a. Emphasize the importance of academic excellence,
    b. Encourage their parental role in their student's life,

c. Create a safe and learning environment at home,
d. Solve student's behavioral issues in the classroom,
e. Help reinforce the five Values of the school.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools*.
2. A bachelor's degree or California teaching credential.
3. Five years successful teaching experience.
4. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
5. Fluency in the English language.
6. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualifications

1. Experience working in one of the Value Schools.
2. Preparation by experience or education to be a principal in one of the Value Schools.
3. Fluency in the native language of the charter school students other than English.

Job Description for Position of

Teacher—Core Subjects

General Responsibility

A core teacher is responsible for facilitating student learning at specified grade level(s) or in basic subject area(s) in accord with the policies and practices of *Value Schools*.

Supervision

A core teacher is supervised by the school principal and is responsible to the principal. However, if the size of the school justifies school administrators in addition to a principal, the principal may assign the supervision of a teacher to one of these other administrators.

Specific Duties

1. Prepares and delivers instruction.
2. Monitors student acquisition of the learning standards by formal and informal means.
3. Supervises students, models and reinforces responsible student behavior.
4. Provides reports on student progress to all relevant stakeholders.
5. Maintains an environment that is conducive to learning.
6. Participates in school planning, budgeting and decision making with the principal as required.
7. Supports and cooperates with other school faculty and staff in a manner that furthers the successful completion of their duties.
8. Responds promptly and respectfully to inquiries from parents.
9. Attends such parent, community and professional meetings required by the principal.
10. Participates in relevant professional development activities.
11. Acts as a role model of the five core values of *Value Schools*.
12. Supports the philosophy and goals of the school and the mission and goals of *Value Schools*.
13. Ensures the health, safety and welfare of students and other faculty and staff.
14. Holds confidential matters with appropriate confidentiality.
15. Adheres to all the policies and practice of the school and of *Value Schools*.
16. Performs other duties that may be assigned by the principal that further the goals of the school.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools*.
2. Bachelor's degree in the subject area(s) to be taught or in a closely related area.
3. Has the appropriate credential for the position.
4. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
5. Fluency in the English language.

6. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualifications

1. Successful experience in teaching or in other ways working with students (of the age level for which employment is offered).
2. Fluency in the native language of the students other than English.

Job Description for Position of

Teacher—Special Area

General Responsibility

A special area teacher is responsible for facilitating student learning by providing a particular educational service that supplements the work of the core teachers in accord with the policies and practices of *Value Schools*. Some examples of Special Area teachers are: special education teachers and coordinators, remedial specialists, speech therapist, librarians, school and college counselors, art teachers and physical education teachers/coaches.

Supervision

A special area teacher is supervised by the school principal and is responsible to the principal. However, if the size of the school justifies school administrators in addition to a principal, the principal may assign the supervision of a teacher to one of these other administrators.

Specific Duties

1. Determines specialized needs of the students through consultation with one or more of the core teachers and the principal and through appropriate assessment procedures.
2. Prepares and delivers instruction, support or experiences to increase or enhance student learning.
3. Supervises students, models and reinforces responsible student behavior.
4. Provides reports on student progress to all relevant stakeholders
5. Maintains an environment that is conducive to learning.
6. Participates in school planning, budgeting and decision making with the principal as required.
7. Supports and cooperates with other school faculty and staff in a manner that furthers the successful completion of their duties.
8. Responds promptly and respectfully to inquiries from parents.
9. Attends such parent, community and professional meetings required by the principal.
10. Participates in relevant professional development activities.

11. Acts as a role model of the five core values of *Value Schools*.
12. Supports the philosophy and goals of the school and the mission and goals of *Value Schools*.
13. Ensures the health, safety and welfare of students and other faculty and staff.
14. Holds confidential matters with appropriate confidentiality.
15. Adheres to all the policies and practice of the school and of *Value Schools*.
16. Performs other duties that may be assigned by the principal that further the goals of the school.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools*.
2. Bachelor's degree in the subject area(s) to be taught or in a closely related area.
3. Has the appropriate credential for the position.
4. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
5. Fluency in the English language.
6. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualifications

1. Successful experience in teaching or in other ways working with students (of the age level for which employment is offered).
2. Fluency in the native language of the students other than English.

Job Description for Position of Substitute Teacher

General Responsibility

A substitute teacher is responsible for facilitating student learning by performing the work of a core teacher or special area teacher in the absence of that teacher, in accord with the policies and practices of *Value Schools.*

Supervision

A substitute teacher is supervised by the school principal and is responsible to the principal in all matters. However, if the size of the school justifies school administrators in addition to a principal, the principal may assign the supervision of a substitute teacher to one of these other administrators.

Specific Duties

1. Implements the lesson plans, learning activities and assessments that were designed by the absent teacher.

2. In cases of a long absence of a teacher, the substitute teacher may be required to perform all the specific duties of the teacher for whom a substitute is needed.
3. Acts as a role model of the five core values of *Value Schools*.
4. Supports the philosophy and goals of the school and the mission and goals of *Value Schools*.
5. Ensures the health, safety and welfare of students and other faculty and staff.
6. Holds confidential matters with appropriate confidentiality.
7. Adheres to all the employee policies and practices of the school and of *Value Schools*.
8. Performs other duties that may be assigned by the principal that further the goals of the school.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools*.
2. Bachelor's degree in the subject area(s) to be taught or in a closely related area.
3. Evidence of the qualifications required by the State of California for the position.
4. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
5. Fluency in the English language.
6. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualifications

1. Successful experience in teaching or in other ways working with students of the age level for which employment is offered.
2. Fluency in the native language of the students other than English.

Job Description for Position of

Special Education Coordinator

General Responsibility

A special education coordinator is responsible for ensuring that students with disabilities receive appropriate services and accommodations.

Supervision

A special education coordinator is supervised by the school principal and is responsible to the principal in all matters. However, if the size of the school justifies school administrators in addition to a principal, the principal may assign the supervision of a special education coordinator to one of these other administrators.

Specific Duties

1. Provides professional development and resources to special education teachers and general education teachers regarding placement, curriculum, and procedures.
2. Analyzes assessment results to drive instruction and IEP development.
3. Schedules and facilitates IEP meetings in a collaborative and professional manner.
4. Supports general education teachers and administrators in implementation of appropriate strategies to meet the needs of students with IEPs.
5. Creates and maintains Special Education documentation in accordance with federal, state, and district regulations.
6. Develops and assists with appropriate behavior management techniques for student with special needs.
7. Mentors RSP teachers.
8. Ensures IEP timeline compliance.
9. Complete monthly reporting documents at school site (300 report via Welligent)
10. Develop positive relationships with outside vendors (i.e. Direct Ed) to ensure students are receiving documented services (speech, counseling, deaf/hard of hearing)
11. Assist with the development of 504 Plans
12. Develop positive relationships with parents and families in order to engage them in the IEP process and keep families informed of student progress
13. Assist administration with preparing documentation for the DVR.
14. Acts as a role model of the five core values of Value Schools.
15. Supports the philosophy and goals of the school and the mission and goals of Value Schools.
16. Ensures the health, safety and welfare of students and other faculty and staff.
17. Holds confidential matters with appropriate confidentiality.
18. Adheres to all the employee policies and practice of the school and of Value Schools.
19. Performing other duties that may be assigned by the principal that further the goals of the school.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools*.
2. Bachelor's degree
3. Has the credential required by the Commission on Teacher Credentialing for the position.
4. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.

5. Fluency in the English language.
6. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualifications

1. Successful experience in working with students with disabilities.
2. Fluency in the native language of the students other than English.

Master Job Description for Clerical Positions

General Responsibility

Clerical positions at *Value Schools* may have different titles depending on levels of responsibility and experience and the size of the individual school's office staff. Such titles include office manager, school secretary, administrative assistant, and clerical assistant. Employees in these positions provide clerical and staff support to principals and to others on the school faculty and staff.

Supervision

An employee in a clerical position is supervised by the principal or by a staff person assigned by the principal to perform the function.

Specific Duties

1. Performs clerical functions including word processing, data entry, filing, and mailing; answers telephones; schedules events, meetings and appointments, etc.
2. Performs receptionist duties of greeting visitors, answering general inquiries about the school, observing activities on school premises.

4. Calls parents in cases of student absence, emergencies, or as otherwise directed.
5. Manages projects as assigned by the principal.
6. Helps with certain bookkeeping and financial management functions.
7. Purchases office and school supplies as directed.
8. Admits tardy students and records their entry into the school.
9. Acts as liaison with members of the community beyond the Charter School.
10. Helps teachers arrange field trips, duplicate materials and order instructional supplies.

11. Attends staff meetings as directed.
12. Participates in professional development activities as directed.
13. Acts as a role model of the five core values of *Value Schools.*
14. Supports the philosophy and goals of the school and the mission and goals of *Value Schools.*
15. Ensures the health, safety and welfare of students and other faculty and staff.
16. Holds confidential matters with appropriate confidentiality.
17. Adheres to all the employee policies and practices of the school and of *Value Schools.*
18. Performs other duties as assigned by the principal that further the goals of the school.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools.*
2. High school diploma.
3. Experience or formal training in the word processing, data entry and management, the use of computers and other office equipment.
4. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
5. Fluency in the English language.
6. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualifications

1. Clerical experience commensurate with position level.
2. Experience as an employee or volunteer in a school or agency serving school-aged children and youth.
3. Some college.
4. Knowledge of basic spreadsheet functions.
5. Fluency in a native language of the students other than English.

Job Description for Position of
School Custodian

General Responsibility

A custodian is responsible for cleaning the school building and grounds and keeping the appearance of the facilities in good order in accord with the policies and practices of *Value Schools*.

Supervision

The custodian is supervised by the principal or by a staff person assigned by the principal to perform the function; the custodian is responsible to the principal or assigned staff person.

Specific Duties

1. Cleans regularly and routinely all areas of the building.
2. Ensures that the exterior of the building and grounds are in good order.
3. Prepares for the principal a schedule for the cleaning of the building.
4. Assists faculty and staff in the maintaining the good appearance of their work areas.
5. Cleans facilities on evenings or weekends as may be needed to accommodate school activities.
6. Orders cleaning and other school supplies.
7. Attends staff meetings as scheduled by the principal.
8. Participates in appropriate professional development activities.
9. Acts as a role model of the five core values of *Value Schools.*
10. Supports the philosophy and goals of the school and the mission and goals of *Value Schools.*
11. Ensures the health, safety and welfare of students and other faculty and staff.
12. Holds confidential matters with appropriate confidentiality.
13. Adheres to all the employee policies and practices of the school and of *Value Schools.*
14. Performs other duties that may be assigned by the principal that further the goals of the school.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools.*
2. High school diploma.
3. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
4. Fluency in the English language.

5. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualifications

1. Experience of three or more years in a custodial position.
2. Experience as an employee or volunteer in a school or agency serving school-aged children and youth.
3. Fluency in a native language of the students other than English.

Job Description for Position of
School Facilities Maintenance Worker

General Responsibility

A school facilities maintenance worker is responsible for ensuring that the building systems are in good working order in accord with the policies and practices of *Value Schools*.

Supervision

The school facilities maintenance worker is supervised by the principal or by a staff person assigned by the principal to perform the function; the school facilities maintenance worker is responsible to the principal or assigned staff person.

Specific Duties

1. Inspects, maintains and repairs building systems (electrical, plumbing, HVAC, etc.) either directly or by arranging for their inspection, repair and maintenance.
2. Prepares a schedule of inspections and maintenance.
3. Identifies, screens, and assists in the selection of maintenance and repair services.
4. Makes purchases of supplies and equipment.
5. Performs one or more of the duties of a school custodian in the absence of the custodian.
6. Attends staff meetings as scheduled by the principal.
7. Participates in the professional development activities that have been established by the principal or by the chief executive officer (or authorized delegate).
8. Acts as a role model of the five core values of *Value Schools.*
9. Supports the philosophy and goals of the school and the mission and goals of *Value Schools.*
10. Ensures the health, safety and welfare of students and other faculty and staff.
11. Holds confidential matters with appropriate confidentiality.

12. Adheres to all the employee policies and practices of the school and of *Value Schools.*
13. Performs other duties that may be assigned by the principal that further the goals of the school.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools.*
2. High school diploma.
3. Experience as a tradesperson or apprentice in at least one area of building systems, or three years of experience in facilities maintenance
4. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
5. Fluency in the English language.
6. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualifications

1. Holds a license in one or more of the areas of building systems.
2. Has three or more years of experience in facilities maintenance.
3. Experience as an employee or volunteer in a school or agency serving school-aged children and youth.
4. Fluency in a native language of the students other than English.

Job Description for Position of Security Guard

General Responsibility

A security guard maintains the security and safety of the student body, faculty and staff; patrols the campus; and maintains security of buildings and grounds in accord with the policies and practices of *Value Schools.* The security guard is neither required nor permitted to carry or have access to a weapon while on duty.

Supervision

A security guard is supervised by the school principal and is responsible to the principal in all matters. However, if the size of the school justifies school administrators in addition to a principal, the principal may assign the supervision of a security guard to one of these other administrators.

Specific Duties

1. Provides a safe, secure environment for students, staff and guests on campus.
2. Establishes and maintains good rapport with students, staff and community members.

3. Regulates student behavior on campus, in cafeterias, restrooms, parking lots and other open areas.
4. Assists with controlling classroom disturbances or acts of defiance.
5. Detains students suspected of narcotics, tobacco, or alcoholic infractions.
6. Patrols campus; greets and directs visitors; checks for passes and identification cards as needed; and handles safety situations posed by unauthorized persons.
7. Acts as a role model of the five core values of *Value Schools.*
8. Supports the philosophy and goals of the school and the mission and goals of *Value Schools.*
9. Holds confidential matters with appropriate confidentiality.
10. Adheres to all the employee policies and practices of the school and of *Value Schools.*
11. Performs other duties that may be assigned by the principal.

Required Qualifications

1. Evidence of agreement with the five core values of *Value Schools.*
2. High school diploma.
3. Compliance with the policies on tuberculosis, criminal record review and employment eligibility verification.
4. Fluency in the English language.
5. Ability to read printed materials; to hear oral questions and instructions; orally present information, give directions and answer questions; to arrange furniture, equipment and materials in classrooms and other school settings.

Desired Qualification

1. Successful experience as a school security guard.

Element 6 – Health and Safety Procedures

"The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall include the requirement that each employee of the charter school furnish it with a criminal record summary as described in Section 44237." (Ed. Code § 47605(b)(5)(F).)

HEALTH, SAFETY AND EMERGENCY PREPAREDNESS PLAN

Charter School shall comply with all applicable federal, state, and local requirements related to school and student health, safety, and emergency preparedness.

If Charter School occupies and/or operates on a District facility, Charter School shall comply with all District health, safety, and emergency procedures and requirements applicable to District facilities and related operations, and shall be subject to inspection by the District's Facilities Services Division, Office of Environmental Health and Safety, and other District offices in the same manner as other LAUSD campuses.

Charter School shall adopt, implement, and maintain at all times a current, comprehensive, and site-specific Health, Safety, and Emergency Preparedness Plan ("Plan"), which must include but is not limited to provisions for building and site emergency evacuation, the acquisition and maintenance of adequate onsite emergency supplies. The Plan must include Charter School's requirements and procedures for protecting student health and safety during off-campus school-sponsored activities, including but not limited to field trips and transportation. Charter School shall ensure that all staff members receive annual training on Charter School's health, safety, and emergency procedures, including but not limited to training on blood borne pathogens, and shall maintain a calendar for, and conduct, emergency response drills for students and staff.

Charter School shall provide all employees, and other persons working on behalf of Charter School who are mandated reporters, with annual training on child abuse detection and reporting, which shall occur within the first six weeks of each school year, or within the first six weeks of a person's employment if employed after the beginning of the school year, in accordance with the requirements of AB 1432 (2014).

Charter School shall stock and maintain the required number and type of emergency epinephrine auto-injectors onsite and provide training to employee volunteers in the storage and use of the epinephrine auto-injector as required by Education Code section 49414 and section 4119.2 of the Business and Professions Code, as they may be amended from time to time.

Charter School shall comply with the requirements of Education Code section 49475, with respect to any athletic program (as defined in Education Code § 49475) offered by or on behalf of Charter School.

Charter School shall periodically review, and update and/or modify as necessary, its Health, Safety, and Emergency Preparedness Plan, and keep it readily available for on-site use. Charter School shall provide a copy of the Health, Safety, and Emergency Preparedness Plan for review upon CSD request.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Charter School, including its employees, officers, and representatives, shall comply with the Family Educational Rights and Privacy Act (FERPA) and Education Code section 49060 et seq. at all times.

CRIMINAL BACKGROUND CLEARANCES AND FINGERPRINTING

Charter School shall comply with all requirements of Education Code sections 44237 and 45125.1. Charter School shall designate and maintain at all times at least one Custodian of Records duly authorized by the California Department of Justice.

Charter School shall maintain on file and available for inspection evidence that (1) Charter School has performed criminal background checks and cleared for employment all employees prior to employment; (2) Charter School has obtained certification from each of its contracting entities/independent contractors that the entity/contractor has conducted required criminal background clearances for its employees prior to provision of school site services and/or any contact with students, and has requested subsequent arrest notification service; and (3) Charter School has performed criminal background checks and cleared for service all volunteers not directly supervised by staff and who may have contact with students. Charter School shall also ensure that it requests and receives subsequent arrest notifications from the California Department of Justice for all employees and volunteers not directly supervised by staff. Upon request, Charter School shall provide a copy of Department of Justice confirmation of Custodian of Records status for each Custodian of Records. Charter School, including its administrators and officers, shall comply with the requirements of Education Code section 44030.5.

IMMUNIZATION AND HEALTH SCREENING REQUIREMENTS

Charter School shall require all employees, and any volunteer or vendor/contracting entity employee who may have frequent or prolonged contact with students, to undergo a risk assessment and/or be examined and determined to be free of active tuberculosis (TB) within the period of 60 days prior to employment/service, or otherwise meet the requirements of Education Code section 49406. Charter School shall maintain TB clearance records and certificates on file.

Charter School shall comply with all federal and state legal requirements, including but not limited to the requirements of SB 277 (2015), related to student immunization, health examination, and health screening, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the students were attending a non-charter public school. Charter School shall maintain student immunization, health examination, and health screening records on file.

SAFE PLACE TO LEARN ACT

Charter School shall comply with all applicable requirements of the Safe Place to Learn Act, Education Code section 234 et seq.

SUICIDE PREVENTION POLICY

If Charter School serves students in grades 7-12, Charter School shall comply with the requirements of AB 2246 (2016), codified in Education Code section 215, including but not limited to the requirement that the school's pupil suicide prevention policy shall be developed in consultation with school and community stakeholders, school-employed mental health professionals, and suicide prevention experts. Charter School shall provide the CSD with a copy of its pupil suicide prevention policy for review upon request.

Custodian of Records

For purposes of the California Department of Justice requirements, the Principal of Central City Value High School and the Chief Financial Officer of Value Schools will serve as Custodians of Records.

Health, Wellness & Safety

Central City Value High School maintains comprehensive policies to ensure the health and safety of its students, staff, parents and others who may be on school premises. These policies cover the following areas:

- Compliance with federal, state and local laws concerning health and safety, including but not limited to building codes, fire codes, and occupational safety laws
- Supervision of students
- Prevention of injury
- Prevention of property loss by fire, vandalism, theft and water damage
- Emergency preparedness for fire, medical emergency, earthquake, flooding, bomb threat, and violence or criminal activity or police action around the school
- Administration of medication to students

In addition, Value Schools has adopted wellness policies on physical activity and nutrition to implement its commitment to providing school environments that promote and protect students' health, well-being, and ability to learn by supporting healthy eating and physical activity. In particular:

- Central City Value will engage students, parents, teachers, food service professionals, health professionals, and other interested community members in developing, implementing, monitoring, and reviewing the school's nutrition and physical activity policies.
- All students will have opportunities, support, and encouragement to be physically active on a regular basis.
- Foods and beverages sold or served at school will meet the nutrition recommendations of the U.S. Department of Agriculture's Dietary Guidelines for Americans.
- Qualified child nutrition professionals will provide students with access to a variety of affordable, nutritious, and appealing foods that meet the health and nutrition needs of students; will accommodate the religious, ethnic, and cultural diversity of the student body in meal planning; and will provide clean, safe, and pleasant settings and adequate time for students to eat.

- To the maximum extent practicable, the Charter School will participate in available federal school meal programs (including the School Breakfast Program, National School Lunch Program [including after-school snacks], Summer Food Service Program, and Fruit and Vegetable Snack Program).
- Central City Value High School will provide nutrition education and physical education to foster lifelong habits of healthy eating and physical activity, and will establish linkages between health education and school meal programs, and with related community services.

Specific goals have been adopted in the following areas:

- Nutritional quality and portion sizes of foods and beverages sold and served on campus, including both government-supported food programs and foods and beverages sold individually
- Qualifications of school food service staff
- Discouraging the sharing of foods and beverages
- Healthy choices in fundraising activities, rewards, celebrations, and school-sponsored events
- Nutrition and physical activity promotion and food marketing, appropriate to grade level, using a sequential, comprehensive, and standards-based program
- Integrating physical activity into the classroom setting
- Communicating with parents about the importance of healthy diets and daily physical activity for their children, encouraging good practices in these areas, and supplying resources to educate them on ways to achieve these goals outside school
- Appropriate food marketing in school consistent with Central City Value's standards
- Staff wellness
- Physical activity opportunities and physical education, including daily physical activity and physical activity opportunities before and after school

For each of the schools it operates, Value Schools establishes a baseline assessment of the school's nutrition and physical activity status and regularly monitors and reviews policies to ensure that its charter schools achieve the standards set by the Wellness Policy.

Element 7 – Means to Achieve Racial and Ethnic Balance

"The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted." (Ed. Code § 47605(b)(5)(G).)

COURT-ORDERED INTEGRATION

Charter School shall comply with all requirements of the *Crawford v. Board of Education, City of Los Angeles* court order and the LAUSD Integration Policy adopted and maintained pursuant to the Crawford court order by the District's Student Integration Services (collectively the "Court-ordered Integration Program"). The Court-ordered Integration Program applies to all schools within or chartered through LAUSD.

Charter School has set forth below its initial plan for achieving and maintaining the LAUSD's Racial and Ethnic Balance goal of a 70:30 or 60:40 ratio. (Ratio represents the percentage of Predominantly Hispanic Black Asian Other (PHBAO) compared to Other White (OW)). The written plan lists specific dates and locations of recruitment activities that Charter School will undertake in order to achieve the District's Racial and Ethnic Balance goal. Charter School shall monitor the implementation and outcomes of the initial plan, and modify it as necessary throughout the term of the Charter to achieve the District's goal. Upon request, Charter School shall provide the District with a copy of its current written plan.

The District receives neither average daily attendance allocations nor Court-ordered Integration Program cost reimbursements for charter school students. The District may receive the Targeted Instructional Improvement Block Grant (TIIBG) for its Court-ordered Integration Program. The District retains sole discretion over the allocation of TIIBG funding, where available, and cannot guarantee the availability of this funding.

General Policy Statement

Notwithstanding other statements, assurances and certifications that may appear in this charter petition, Central City Value High School in admitting students to the school will follow California law and the requirements and procedures presented in Element 8.

Charter School's Plan to Achieve the District's Racial and Ethnic Balance Goal

Because most of the students attend Central City Value High School live in nearby neighborhoods and these neighborhoods are mostly Hispanic/Latino, the school has a disproportionately high number of Hispanic/Latino students compared to district-wide percentages, but is demographically almost identical to traditional public schools in the neighborhood. Central City Value will continue to prepare recruitment literature in English, as well as in Spanish and Korean, to continue its outreach efforts to African-American, Asian, Caucasian, and other students. Central City Value will conduct outreach to community organizations and middle schools, both public and private, during the late fall and winter to attract additional ethnic groups. In addition to recruiting at other Value Schools and at Rise Kohyang Middle School at 3020 Wilshire Blvd, Los Angeles, CA 90010, Central City Value will be participating in the:

- KIPP L.A. High School Fair in September 2018, at LA Plaza de Cultura y Artes, 501 N. Main St. Los Angeles, CA 90012; and the

- Vista Charter Middle School High School Fair in November 2018 at 2900 W Temple St, Los Angeles, CA 90026.

When non-Latino families inquire about Central City Value, the administration will make every effort to encourage them to enroll their children. In addition Central City Value High School will look to nearby neighborhoods that may have racial/ethnic populations other than Hispanic and actively recruit in those neighborhoods. In particular, Central City Value will advertise, by posters or flyers and, when possible, in-person gatherings, at the following local parks:

- Poinsettia Recreation Center, 7341 Willoughby, 90046
- Madison Hancock, 627 N. Rossmore Ave., 90004
- Lemon Grove Recreation Center, 4959 Lemon Grove Ave., 90029
- Pan Pacific Park, 7600 Beverly Blvd., 90036
- Denker Recreation Center, 1550 W. 35th Pl., 90018
- Trinity Park, 2415 Trinity St., 90011
- Plunge City Park, 1300 W. Olympic, 90015
- Hope and Peace Park, 843 S. Bonnie Brae, 90057
- Echo Park Youth Center, 515 Laveta Terrace, 90026
- Lake Street Community Center, 227 N. Lake St., 90026

Value Schools maintains a website to inform families of prospective students about their school choices and the advantages of attending one of the *Value Schools* charter schools. Specific information about Central City Value High School is included on that site to encourage parents who may not be familiar with Central City Value from living in the neighborhood to consider it as an educational option on the basis of its academic success. Central City Value High School has ensured that it is listed with information sites about charter schools such as those maintained by the LAUSD and the California Charter Schools Association. Written materials are also maintained at the Charter School site, and are mailed to the families of prospective students on request.

Element 8 – Admission Requirements

"Admission requirements, if applicable." (Ed. Code § 47605(b)(5)(H).)

DOCUMENTATION OF ADMISSIONS AND ENROLLMENT PROCESSES

Charter School shall maintain complete and accurate records of its annual admissions and enrollment processes, including but not limited to documentation of implementation of lottery and waitlist criteria and procedures in accordance with the terms of the Charter. These records shall be made available to the District upon request.

HOMELESS AND FOSTER YOUTH

Charter School shall adhere to the provisions of the federal McKinney-Vento Homeless Assistance Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. Charter School shall provide specific information, in its outreach materials, websites, at community meetings, open forums, and regional center meetings, that notifies parents that Charter School is open to enroll and provide services for all students, and provides a standard District contact number for access to additional information regarding enrollment.

Charter School shall comply with all applicable federal and state laws regarding homeless and foster youth, including but not limited to the provisions of AB 379 (2015) and Chapter 5.5 (commencing with Section 48850) of Part 27 of Division 4 of Title 2 of the Education Code, as amended from time to time. Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the applicable provisions of AB 379.

NON-DISCRIMINATION

Charter School shall not require a parent/legal guardian/student to provide information regarding a student's disability, gender, gender identity, gender expression, nationality, legal or economic status, primary language or English Learner status, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, or any other information that would violate federal or state law, prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment. Charter School may request, at the time of, and as part of, conducting its lottery process, the provision of information necessary to apply specific admissions preferences set forth in this Charter.

Charter School shall not request or require submission of a student's IEP, Section 504 Plan, or any other record or related information prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment.

Student Recruitment

Central City Value High School primarily recruits students from the neighborhood in which it is located. As is true for surrounding schools, the student population is largely socio-economically disadvantaged (as defined by eligibility for free or reduced price meals). There are also a significant number of English language learners. The traditional public schools in the

surrounding area have low achievement profiles. Central City Value reaches out to students from these schools to inform them of their educational choices. Recruiting, advertising and outreach materials make it clear that Central City Value High School welcomes all students, including those with disabilities.

Admission Requirements

The requirements for admission to Central City Value High School are as follows:

1. The student must be a resident of the state of California.
2. The student must be eligible to enter the ninth grade.
3. The student must not have completed the twelfth grade

Admission Priorities

In the event that there are more youth seeking enrollment in Central City Value High School than there is space available, students will be admitted according to the following priorities:

Lottery Exemptions

Students currently enrolled in Central City Value High School are exempt from the lottery.

Lottery Preferences

1. Students living within LAUSD boundaries are given first preference in the lottery as required by Ed. Code §47605(d)(2)(B).
2. Second preference is given to siblings of children currently enrolled in Central City Value, to promote educational continuity and family convenience.
3. Third preference is given to children of Central City Value's staff or of members of the Value Schools Board of Directors up to 10% of enrollment, to promote board involvement, regular attendance and staff retention.

Admission Process

1. Parents who are seeking to enroll a new student in the school submit a lottery application. Lottery applications for the upcoming year are available throughout the year at the school and on the school's website. Enrollment is open all year except from the close of business on the Monday before the lottery draw to the morning following the draw.
2. The lottery application asks for the student name, parent contact information, the grade level for which admission is sought, the birth date of the student and information that would indicate whether the student is eligible for preference in the lottery.
3. At least fifteen days before the lottery draw, parents of students who are currently enrolled are asked if they plan to have their children return in the following year. If they say "yes," or fail to return the form, those students are counted as returning for purposes of calculating the number of available seats.
4. The lottery draw is held in January, typically on the second Friday of the month. The specific date, time and location are noted on the lottery application; the first lottery draw of the new charter term, if needed, will occur at 8:00 AM on January 11, 2019. The lottery is held at Central City Value High School in its Community Room unless the number of attendees necessitates a move to a larger area on the campus. Attendance at the lottery is not required for admission to the school.

5. The lottery draw is conducted by the principal or the principal's designee. One staff member chosen by the faculty and one parent representative chosen at a parent meeting oversee lottery procedures, reviewing stated procedures beforehand and verifying that the procedures are properly executed. District representatives are invited to attend lottery drawing.
6. If the number of applicants exceeds the available seats on the lottery date, a lottery is conducted by the principal or principal's designee by randomly drawing names of applicants with preferences, in the order of priority listed above. The names drawn first are accepted for admission until all seats are filled. The remainder of the names are drawn to create the waiting list.
7. Once the waiting list of students with lottery preferences is established, the principal or principal's designee randomly draws names from the remaining applicant pool and places them on the waiting list in the order the names are drawn.
8. Once all seats are filled and a waiting list established, applications are still accepted, and assigned a waiting list number in the order in which they are received.

Public notice of admission process

1. All applicants to Central City Value High School are given a written description of the rules governing the admission process when they submit a lottery application.
2. The lottery application notes the place, date and time of the lottery. This information is also posted in a prominent place near the entrance to the school most commonly used by the public and on the Value Schools website.
3. Within twenty-four hours after the lottery, names of those selected by lottery are posted in the same location as the notice of the lottery.
4. As noted in "Admission Process" above, attendance at the lottery is not required for admission to the Charter School. Parents may contact the Charter School's main office to learn the outcome of their child's lottery application, i.e., admission or place on a waiting list.

Enrollment

1. Before a student attends Central City Value High School for the first time, but only after the student has been admitted, the family is asked to complete an enrollment form by which the school obtains additional information about the student and family.
2. A member of the school's clerical staff notifies those selected for admission, in the order of their lottery draw, to notify them of admission and begin the enrollment process. If the staff member is unable to reach a parent directly, he or she will leave a message asking the parent to call for an appointment. If the parent fails to respond within two business days, that student loses his/her place and is moved to the end of the waiting list.
3. At the time of contact with a parent, an appointment is scheduled for the parent to meet with Charter School staff to complete the enrollment form. Appropriate accommodations are made for parents/guardians who cannot attend an appointment during regular office hours, including extended office hours and the opportunity to submit the enrollment form by mail. Charter School staff offer assistance to parents, in

person or on the telephone, who need help filling out the form. If the parent fails to keep the appointment and does not appear for a rescheduled appointment date, or fails to submit the enrollment form within five business days that student loses his/her place and is moved to the end of the waiting list.

Waiting list

1. The waiting list governs the order in which openings are filled.
2. If a parent applies after the lottery and all seats have been filled, the parent is orally notified at the time of application of the position that the student will be assigned on the waiting list.
3. If a seat becomes available at a later date due to the departure of an enrolled student, a member of the school office staff calls parents in the order of placement on the list. Parents are given email and telephone contact information and directed to contact the school within three calendar days by one of those methods, or in person, to indicate interest in the position.

Lottery records

Central City Value High School maintains in the cumulative files of admitted students a record of how they were selected for admission (e.g., a sibling of a current student or lottery) for as long as the student is enrolled at the school. If the student leaves the school before graduating, the record of how the student was selected is removed from the student's file and filed with the records of those students not selected in the year the student was admitted.

Central City Value High School maintains for three years a file with the lottery applications for those students not selected for admission. Filed lottery applications indicate the date the application was received, the date of lottery and the waiting list number if one was assigned. A copy of any admission-related correspondence between a family and the school is appended to the filed application.

Parent induction program

After the student has been admitted, parents are offered the opportunity to meet with Central City Value High School's principal or designee. In the conference the Charter School's expectations for both the student and parent are outlined. Parents are encouraged to identify their children's current strengths, interests, needs, and potential challenges. They are also asked to identify the challenges they may face in their role as partners in their child's success at Central City Value. The principal guides the parent through possible solutions to these challenges and describes the parent supports provided by Central City Value. The conference includes an invitation to parents to make a commitment to support the core values and to cooperate with Central City Value in the formation of the student in these values. Students are invited to join their parents at the end of the conference and to commit to the core values.

Although parents and students are invited to participate in the induction conference and to commit to the core values, neither students nor parents are required to participate as a condition of any student's admission, continued enrollment, attendance, or participation in Central City Value's educational activities.

Element 9 – Annual Financial Audits

"The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority." (Ed. Code § 47605(b)(5)(I).)

Charter School shall provide for an annual audit that shall be conducted in compliance with applicable state and federal laws, including but not limited to the requirements of Education Code sections 47605(b)(5)(I) and 41020 as they may be amended from time to time. Charter School shall ensure compliance with the requirements of section 41020(f)(2), which makes it unlawful, absent an Education Audits Appeal Panel waiver, for a public accounting firm to provide audit services to a local educational agency if the lead audit partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local educational agency in each of the six previous years.

The following reports will be submitted to LAUSD, in the required format and within timelines to be specified by LAUSD, each year:

a. Provisional Budget – Spring prior to operating fiscal year
b. Final Budget – July of the budget fiscal year
c. First Interim Projections – November of operating fiscal year
d. Second Interim Projections – February of operating fiscal year
e. Unaudited Actuals – July following the end of the fiscal year
f. Audited Actuals – December 15 following the end of the fiscal year
g. Classification Report – monthly according to Charter School's Calendar
h. Statistical Report – monthly according to Charter School's Calendar of Reports
   In addition:
   - P1, first week of January
   - P2, first week of April
i. Instructional Calendar – annually five weeks prior to first day of instruction
j. Other reports as requested by the District

Selecting the Auditor Approved by the State Controller

The Value Schools CEO and CFO meet annually with the Audit Committee of Value Schools to determine whether the auditor engaged for the previous fiscal year should be contracted for the current fiscal year audit. If the auditor previously engaged is determined to be satisfactory and eligible, the Audit Committee reports that determination to the Value Schools Board for approval by the Board. If a new auditor is to be engaged, the Value Schools CEO and CFO propose two or more auditors with experience in education finance from the California State Controller's list of Certified Public Accountants Directory Service (CPADS) for K-12 Local Education Agency Audits as posted at http://cpads.sco.ca.gov/ or otherwise promulgated by the Controller. The Audit Committee reviews the qualifications of the auditors, verifies that they are on the state controller's list of approved auditors, interviews prospective auditors and reviews references as needed. The Audit Committee submits its recommendation to the Board for approval.

Conducting the Annual Audit

The Value Schools CFO prepares a draft financial statement for the auditor's review, prepares all schedules requested by the auditor and provides all documents and records requested by the auditor. The Principal of Central City Value High School provides information to the CFO or to the auditor as requested. The Value Schools CEO is available to meet with the auditor to ensure that all necessary information is provided. The Audit Committee has the opportunity to meet with the auditor to review the draft audit before it is finalized.

Correcting Issues Identified in the Audit

Upon completion of the annual audit the final audit report is submitted to the Audit Committee. The Audit Committee reviews the report for any deficiencies, findings, material weaknesses, or audit exceptions. The Audit Committee reports such issues to the entire Board. The Audit Committee supervises the CEO and CFO in the correction of such issues and provides such support as may be needed. All recommended changes are to be implemented within thirty days of the Audit Committee's review of the final audit report or within a reasonable time period in light of the complexity of the recommended changes. All deficiencies, findings, material weaknesses, or audit exceptions are to be resolved to the satisfaction of LAUSD.

Submitting the Audit to Required Agencies

The Value Schools CFO is responsible for ensuring the submission of the completed annual audit to the Los Angeles Unified School District, the California State Controller, the California Department of Education, the Los Angeles County Office of Education and any other governmental agency that might become required by law or regulation. The submission of the annual audit is to be on the timeline required by state law or regulation.

Element 10 – Suspension and Expulsion Procedures

"The procedures by which pupils can be suspended or expelled." (Ed. Code § 47605(b)(5)(J).)

GENERAL PROVISIONS

Charter School shall provide due process for all students, including adequate and timely notice to parents/guardians and students of the grounds for all suspension and expulsion recommendations and decisions and their due process rights regarding suspension and expulsion, including rights of appeal.

Charter School shall ensure that its policies and procedures regarding suspension and expulsion will be periodically reviewed, and modified as necessary, in order to conform to changes in state law.

Charter School shall ensure that its staff is knowledgeable about and complies with the District's Discipline Foundation Policy and/or current equivalent policy, as required by the Modified Consent Decree. Charter School shall comply with the terms of the School Discipline Policy and School Climate Bill of Rights resolution adopted by the LAUSD Board of Education on May 6, 2013.

Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of Charter School's student expulsion process and shall facilitate the post-expulsion placement of expelled students.

Charter School shall document and implement the alternatives to suspension and expulsion that Charter School utilizes in response to attendance-related concerns, e.g. truancy or excessive tardiness.

STUDENTS WITH DISABILITIES

Charter School shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, pending the completion of the expulsion process, Charter School shall identify and provide special education programs and services at an appropriate interim educational placement determined in coordination with the LAUSD Division of Special Education.

In the case of a student who has an Individualized Education Program ("IEP"), or a student who has a Section 504 Plan, Charter School shall ensure that it follows correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District's Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a Section 504 Plan, Charter School's administrator will convene a Link Determination meeting to ask the following two questions:

A. Was the misconduct caused by, or directly and substantially related to the student's disability?
B. Was the misconduct a direct result of the Charter School's failure to implement Section 504?

NOTIFICATION OF THE DISTRICT

Upon expelling any student, Charter School shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed "Notification of Charter School Expulsion" [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Charter School's policies and procedures were followed
- Copy of parental notice of expulsion hearing
- Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student's compliance for reinstatement, appeal process, and options for enrollment
- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:
  A. Was the misconduct caused by, or directly and substantially related to the student's disability?
  B. Was the misconduct a direct result of Charter School's failure to implement Section 504 Plan?

Notwithstanding and apart from the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student's district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

OUTCOME DATA

Charter School shall gather and maintain all data related to placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.

REHABILITATION PLANS

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School's governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the

rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

READMISSION

Charter School's governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School's governing board shall readmit the pupil, unless Charter School's governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil's parent/guardian within a reasonable time.

REINSTATEMENT

Charter School's governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. Charter School is responsible for reinstating the student upon the conclusion of the expulsion period in a timely manner.

GUN-FREE SCHOOLS ACT

Charter School shall comply with the federal Gun-Free Schools Act.

School Climate and Student Discipline System

The Charter School's values-based school climate and student discipline system are consistent with the principles of the District's *Discipline Foundation Policy, School Discipline Policy* and *School Climate Bill of* Rights resolution in that it uses schoolwide positive behavior support and discipline prevention, implements tiered behavior intervention, employs multiple alternatives to suspension, and provides professional development to teachers, administrators, and staff on all aspects of the Central City Value discipline policies.

Central City Value High School maintains a positive behavior philosophy, with modeling and reinforcement of positive behavior and lifestyle choices. Discipline policies focus on the students' rights and responsibilities while on school grounds and at school activities, as well as the school's options for dealing with challenging behavior. Central City Value uses alternatives to suspension to support students when behavioral missteps occur, including conversation with teachers or administrators, Community Time sessions in which students are able to reflect on their actions and make amends to the community, and tiered interventions of increasing severity. (See "Interventions Rather than Sanctions" below.) Following general principles of due process, Central City Value's discipline policies shall not be discriminatory, arbitrary or capricious. The policies are adapted as needed to take account of the provisions of the IDEA and other considerations common to students with special needs.

Responsible Behavior for Students

Responsible behavior is a hallmark of Value Schools because it reflects an acceptance of the Five Core Values, in particular the values of respecting others and building a safe and nurturing community. These values are closely aligned with the principles of the District's *Discipline Foundation Policy*. Students learn these values and how they relate to their educational experience throughout their Central City Value tenure, as described more fully in Element 1. The emphasis on these values results in such habits as:

- politeness and courtesy towards all (e.g., teachers, students, volunteers, visitors);
- kind words about others: statements that degrade another because of race, gender, creed, national origin, physical appearance or any other characteristic are not acceptable; language that is crude, obscene or in any way may be considered a form of sexual harassment is unacceptable; threats to a person's well-being and all forms of bullying—even if made in jest—are not acceptable;
- just actions toward others: acts of physical violence of any kind—including pushing, shoving, tripping—and any kind of fighting are not acceptable; taking or destroying or in any way reducing in value the property of another (including the community property of the school) is not acceptable; lewd behavior, signs and gestures are not acceptable;
- healthy choices, including the avoidance of tobacco, controlled substances and alcohol.

Respecting human dignity is a form of toleration of another's rights and differences. However, beyond just getting along with others, human persons have the opportunity of benefiting from the gifts and talents of one another. This is the meaning of community: recognizing that we both give and gain in our cooperative work with one another. This value results in such habits as:

- cooperation with teachers and students in academics and other activities;
- honesty: telling the truth creates the possibility of trust and trust leads to a comfort and freedom in cooperation;
- resolving differences peacefully: going beyond the avoidance of negative words or violent actions and seeking a way to live and work together so that everyone can benefit—resolving differences peacefully sometimes means bringing in another person (most often an adult) who can help find a solution that works for everyone;
- getting help for those in need—this includes help for those who are physically sick or injured and those who are psychologically suffering because of some personal problem (e.g., substance abuse or depression) of some family situation (e.g., death of a parent or divorce) and of some peer pressure (e.g., conflicts in school or with friends, pressure from gangs);
- following safety rules so that all can feel and be secure;
- regular attendance—because frequent absences affect school funding that reduces resources for all as well as one's own education.

The other three values—academic learning, the development of each person's talents in an academically well-rounded way, and service to the community—are manifested in the following habits:

- striving to do one's best at all times;
- paying attention in class and following teacher directions;
- doing homework and other assignments in a timely fashion; and
- helping others to do their work where appropriate.

Interventions Rather Than Sanctions

The school climate at Central City Value High Schools is rooted in the Five Core Values underpinning all Value Schools. Inculcating those values in the students and staff leads to a climate that reinforces the importance of school attendance, development of one's potential, respect for self and others, maintaining a safe and nurturing school community, and being of service to the wider community. Central City Value High School's goal is to produce students who are respectful scholars, able to interact successfully with people having world views, beliefs and preferences different from their own. Because the vast majority of Central City Value students internalize these values from an early age, many potential disciplinary issues are averted or resolved without need for formal action.

Given research supporting alternatives to suspension and expulsion, Central City Value High School employs a Restorative Justice model to implement its discipline policy. Central City Value believes that everyone deserves multiple opportunities for growth and development. Restorative Justice allows those who have been harmed the opportunity to be heard, have input into resolution and have access to support. It also holds accountable those who caused the harm and gives them a role in making amends. Using Restorative Justice in the context of the core values, most problems are resolved with respectful, non-blaming communication and a problem-solving approach.

1. Interventions by Classroom Teachers
    - Meet with students between classes or after school to discuss underlying cause of inappropriate behavior, and understand effects of behavior on others.
    - Model appropriate behavior for specific situations.
    - Generate alternative behavioral strategies.
    - Formulate classroom-specific behavior plan.
    - Discover common areas of interest with staff or other students.
    - Seek motivational and inspirational influences.
    - Help student find and carry out restitution for wrongdoing.
    - Contact parent to meet with student and teacher.
2. Interventions by Administrators

All of the above interventions are also used by administrators. In addition, administrators may:

- Formulate a schoolwide behavior plan.
- Identify additional staff members for mentoring or support.

- Convene SSP meeting to explore unmet learning or social needs.
- Recommend and arrange counseling.
- For attendance-related issues, follow up with approved protocol.

3. Interventions by Counselors
   - Explore root causes of inappropriate behaviors.
   - Screen for common mental health problems (trauma, depression, bullying, gender confusion or sexual orientation issues, eating disorders, anger, drug use, etc.).
   - Set up individual or group sessions to teach coping skills.
   - Refer student to other mental health professional if needed.
4. Interventions by Parents
   - Meet with teachers and administration to discuss behaviors.
   - Reinforce positive changes at home.
   - Coordinate behavior plans with school and home.
   - Arrange for outside support, if needed.

Sanctions Other Than Suspension and Expulsion

1. Opportunity for make-up work, with support if necessary
2. Making restitution for offense, under the principles of Restorative Justice
3. Loss of privileges, such as free dress on Fridays or eligibility for "student of the day"
4. Detention

Suspension and Expulsion – Overview

Consistent with its preference for intervention over sanctions, Central City Value implements a discipline structure that, when student behavior requires removal from the classroom, favors the least severe sanction necessary to maintain school safety and maximize student learning. Except where suspension and recommended expulsion are mandatory, as described below, the Principal may authorize an in-school or out-of-school suspension following the process described.

Because the goal of the discipline policy is to address infractions with as little disruption to the learning process as possible, Central City Value prefers in-school to out-of-school suspensions when safety permits. Students assigned to in-school suspension are removed from their regular class and placed in another learning environment. In addition to the regular classwork, they are provided an opportunity to reflect on the actions leading to their suspension and how those actions contravene the core values. They are given an opportunity and assistance to develop a plan to make amends and restore the good order of the community.

As California law requires, Central City Value shall not involuntarily disenroll, dismiss, transfer or terminate a student for any reason unless the student's parent or guardian has been given written notice of intent to remove the student. That notice must:

- Be provided no less than five schooldays before the effective date of the action;
- Be written in the student's native language or that of the student's parent, guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder, and

- Inform the recipient(s) of the right to initiate certain notice and hearing procedures (described below) before the action is taken.

If the parent, guardian, or educational rights holder initiates those procedures, the student shall remain enrolled and shall not be removed until Central City Value issues a final decision. Note that this provision does not apply to certain suspensions as described in Cal. Ed. Code § 47605(b)(5)(J).

Grounds for Expulsion or Suspension

Except in cases involving grounds for mandatory expulsion, any of the behaviors or offenses listed below may be grounds for in-school or out-of-school suspension, or expulsion, depending on the severity of the offense and taking into account the safety of the rest of the school community.

1. Grounds for Expulsion (Mandated)

The following offenses are those which mandate immediate suspension and recommendation for expulsion if committed at school or at a school activity off school grounds:

a. Possessing, selling, or furnishing a firearm.
b. Brandishing a knife at another person.
c. Unlawfully selling a controlled substance.
d. Committing or attempting to commit a sexual assault or committing a sexual battery.
e. Possession of an explosive.

Note: Pursuant to E.C. Section 48915 (g), "knife" means any dirk, dagger, or other weapon with a fixed sharpened blade fitted primarily for stabbing; a weapon with a blade fitted primarily for stabbing; a weapon with a blade longer than 3½ inches; a folding knife with a blade that locks into place; or a razor with an unguarded blade.

2. Grounds for Expulsion (Limited Discretion)

The following offenses are subject to Limited Principal Discretion; the Principal shall make a recommendation to expel a student if it is determined that the student committed one or more of the following acts at school or at a school activity off school grounds unless the Principal also determines that expulsion is inappropriate, in which case the Principal may initiate suspension procedures:

a. Causing serious physical injury to another person, except in self-defense.
b. Possession of a knife or other dangerous object of no reasonable use to the pupil.
c. Unlawful possession of any controlled substance, except for either of the following:
    i. The first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis.
    ii. The possession of over-the-counter medication for use by the student for medical purposes or medication prescribed for the student by a physician.
d. Robbery or extortion.
e. Assault or battery upon any school employee.

Note: A serious physical injury includes, but is not limited to: "loss of consciousness, concussion, bone fracture, protracted loss or impairment of function of any bodily member or organ, wound requiring extensive suturing, and serious disfigurement." (California Penal Code Section 243)

In determining whether an offense warrants expulsion or a lesser sanction, the Principal considers:

a. Whether other means of correction are not feasible or have repeatedly failed to bring about proper conduct, and
b. Whether due to the nature of the violation, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

3. Grounds for Suspension or Expulsion (Broad discretion)

The Principal has maximum discretion whether or not to recommend expulsion when he or she determines that a student has committed any of the following offenses at any time, including but not limited to while on the premises of a Value Schools campus; while going to or coming from school; during the lunch period whether on or off campus; and during, or while going to or coming from, a school-sponsored activity:

a. Caused, attempted to cause, or threatened to cause physical injury to another person.
b. Willfully used force or violence upon the person of another, except in self-defense.
c. Possessed not more than one ounce of marijuana (applicable to the first offense only) or possessed alcohol.
d. Offered, arranged, or negotiated to sell any controlled substance, alcoholic beverage, or an intoxicant of any kind, and then either sold, delivered, or otherwise furnished to any person another liquid, substance, or material represented as a controlled substance, alcoholic beverage, or intoxicant.
e. Caused or attempted to cause damage to school or private property.
f. Stole or attempted to steal school property or private property.
g. Possessed or used tobacco or any tobacco products.
h. Committed an obscene act or engaged in habitual profanity or vulgarity.
i. Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia.
j. Knowingly received stolen school or private property.
k. Possessed an imitation firearm. "Imitation firearm" means a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude it is a firearm.
l. Harassed, threatened, or intimidated a pupil who is a complaining witness or witness in a school disciplinary proceeding.
m. Committed sexual harassment (applicable to grades 4 through 12 only).
n. Caused, attempted to cause, threatened to cause, or participated in an act of hate violence (applicable to grades 4 through 12 only).

o. Intentionally engaged in harassment, threats, or intimidation against school district personnel or pupils (applicable to grades 4 through 12 only).
p. Made terroristic threats against school officials or school property, or both.
q. Offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma.
r. Engaged in, or attempted to engage in, hazing.
s. Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act.

In determining whether an offense warrants expulsion or a lesser sanction, the Principal considers:

a. Whether other means of correction are not feasible or have repeatedly failed to bring about proper conduct, and
b. Whether due to the nature of the violation, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

Suspension/Expulsion Process

General

The Principal has the authority to suspend and to recommend expulsion subject to the due process rights of students and parents/guardians. The maximum consecutive number of school days for a suspension for a single incident is five. The maximum number of days for suspension during the school year is twenty unless it is necessary to extend a suspension pending resolution of an expulsion hearing or appeal. The maximum number of suspension days for students with disabilities is ten. At all steps during the suspension and expulsion process, necessary translation or interpretation services are provided to ensure parents/guardians are able to understand and participate in the process. Reasonable accommodations are made to ensure parents/guardians who wish to attend a conference or hearing are able to do so.

Suspension Procedures

Notice to Parents/Guardians; Pre-suspension Conference

Suspension in emergency situations. An "emergency situation" involves a danger to the lives, safety or health of students or school personnel. When the Principal or the Principal's designee determines that a student must be removed to ameliorate an emergency situation, the student may be suspended without a conference.

In the case of an emergency suspension without a conference, both the parent/guardian and the student are immediately notified of the student's right to return to school, no later than the next school day, for purposes of a conference with the Principal or the Principal's designee. The notice includes the anticipated length and conditions of the emergency suspension, the specific reasons for it, and an invitation to attend the conference with or without counsel or other advisor. Parents/guardians are assured that reasonable accommodations and language support will be available. They are also informed that a conference with the student is required for the student to return to school, but that they are not required to attend the conference and that no penalty will be imposed on the student if they do not attend. If information presented at the

conference proves the suspension was in error, the suspension shall be removed from the student's record.

Suspension in non-emergency situations. In all non-emergency situations that appear to warrant suspension, a school administrator (typically the Dean of Students) will attempt to contact, by telephone or in person, the student's parent, guardian, or educational rights holder to explain the situation and to schedule a pre-suspension conference within two school days. A written notice is also sent that explains the behavior or events that appear to warrant the suspension, whether it will be an in-school or out-of-school suspension, and the length of the anticipated suspension. The notice either confirms the conference details scheduled orally or, if no contact has been made, details the right to a pre-suspension conference and the time and place it will be held. Whenever practical, the conference will include the teacher, supervisor or other school employee who referred the student for disciplinary action. Unless the student waives the right to a conference or is physically unable to attend, the student's presence is required. Parents, guardians and educational rights holders are encouraged but not required to attend. No penalty, including non-reinstatement, may be imposed on the student for the failure of a parent or guardian to attend the conference.

In the event a suspension is imposed, whether a pre-suspension conference is held or waived, written notice is given to the student and to the person responsible for him or her to indicate the reason suspension was imposed and the date and time the student may return to school (or, for in-school suspensions, return to the regular classroom).

Activities During Suspension

During a period of suspension the student is given assignments and homework by the student's teacher(s) to minimize the loss of schooling. Upon return to school, the student is given an opportunity to make up any missed tests. The assignments are listed on PowerSchool, which the student and parent have access to at home or in school. This gives the student and parent(s) the knowledge of all classroom and homework assignments that are assigned during the days of suspensions. The Principal or designee meet with the suspended student upon return to ensure that assignments have been completed.

Appeal of a Suspension

An appeal from the decision to suspend shall be made in writing to the Chief Executive Officer of Value Schools within five calendar days after the decision of the Principal or Assistant Principal. The written appeal must specify the grounds for the appeal; that is, what provision of law, Central City Value's charter or the Parent/Student Handbook is said to have been violated or misapplied in the conduct of the suspension process. Within five calendar days of receipt of the written appeal the Chief Executive Officer of Value Schools shall notify the parent of the following:

- When and where the informal hearing will be held; however the informal hearing shall be conducted no later than fourteen calendar days after the appeal has been received;
- Who will conduct the hearing – the hearing officer will be the Chief Executive Officer of Value Schools or, in the event of a conflict, a principal or administrator from a Value

Schools campus other than Central City Value High School who is not familiar with the events at issue;

- Who may attend the informal hearing, including at least the parent/guardian, counsel or non-attorney advisor, and student;
- Options for reasonable accommodations and language support if needed
- What types of evidence or testimony will be considered, i.e., documentary or testimonial evidence that proper procedures were not followed at the school level;
- What the possible outcomes of the hearing may be, i.e., upholding the decision, reversing the decision, or returning it to the Principal for further action if it is determined that proper procedures were not followed at the school level;
- When a final decision will be made; however the decision shall not be made later than three (3) calendar days after the hearing.

All timelines may be extended by mutual agreement. The decision is given in writing. The decision of the Principal shall not be reversed arbitrarily or capriciously. The decision of the hearing officer (typically the Value Schools CEO) is final.

Expulsion Procedures

Recommendation for Expulsion

If the action for which a student has been suspended is one that requires or may warrant expulsion, and the Principal decides to recommend expulsion, the Principal appoints a Reviewing Officer familiar with the circumstances surrounding the suspension. The Reviewing Officer: (1) determines whether the student's suspension should be extended pending an expulsion hearing; and (2) contacts the Value Schools CEO to request that a Discipline Review Committee be appointed to conduct the expulsion hearing. Both steps are explained below.

Suspension Pending Expulsion Hearing

A student who is suspended for an offense likely to lead to expulsion may only return to school if the Reviewing Officer determines that the suspension should not be continued pending the expulsion hearing. The student and/or parent will be given an opportunity to be heard as part of this determination. The suspension and, if necessary, interim placement, will be continued until the expulsion hearing if:

- The student's presence will likely be disruptive to the educational process, and/or
- The student poses a threat or danger to others.

The total number of days for which a pupil may be suspended from Charter School shall not exceed 20 school days in any school year, unless a pupil enrolls in or is transferred to another regular school, an opportunity school or class, or a continuation education school or class, in which case the total number of schooldays for which the pupil may be suspended shall not exceed 30 days in any school year. Central City Value will offer a suitable interim placement, such as at a grade-appropriate opportunity school or class, continuation school, or off-site supervised suspension classroom where the student will have meaningful access to education during the term of the suspension pending the outcome of the expulsion process.

For suspension periods not requiring an interim placement, the suspended student's homeroom teacher continues to provide the student with classroom material and current

assignments to be completed at home during the length of the suspension. Written notification listing all required assignments is sent to the student's parents and all needed materials are provided for pick-up in the Central City Value main office. The assignments are also listed on PowerSchool, to which the student and parents have access.

Completed student work sent or delivered to the Charter School's main office are graded in a timely manner by the teacher of each subject, and returned to student on a regular basis, either at the Charter School's main office or by mail if parents so request. Completed assignments are given credit toward semester grades. When completion of regular assignments would otherwise depend on classroom attendance or participation (e.g., group projects), alternative, comparably challenging assignments are accepted.

Expulsion Hearing

The Value Schools CEO appoints a Discipline Review Committee ("DRC") of two certificated members and up to four members in total (certificated and/or classified) uninvolved with the incident. The DRC may not include the Principal, any of the student's current teachers or coaches, the Reviewing Officer, or the Chief Executive Officer of Value Schools. At least one member will be an administrator from another Value Schools campus.

The DRC's role is to conduct an expulsion hearing at which the student and parents have a meaningful opportunity to be heard and to present evidence, and to write a report of its findings of fact and conclusions. The DRC may interview and call hearing witnesses on its own initiative. Unless postponed for good cause by the chair of the DRC at the request of the student and/or parent, the hearing is held within 30 days after the date the student was suspended. At all steps during the suspension and expulsion process, whether written or oral, necessary translation or interpretation services are provided to ensure parents/guardians are able to understand and participate in the process. Hearings are held at a time and in a setting that reasonably accommodates physical and scheduling constraints of necessary parties, including parents/guardians.

Written notice of the hearing is given to the student and the student's parents within three days of the expulsion recommendation and at least 10 business days before the date of the hearing. Parents are notified of:

- The date, time and place of the hearing, and options for obtaining a reasonable postponement to prepare for it
- A statement of the specific facts, charges and offense(s) upon which the proposed expulsion is based
- A copy of the disciplinary rules that relate to the alleged violation
- The opportunity for the student or the student's parents to appear in person at the hearing
- The opportunity for the student to be represented by counsel or a non-attorney advocate
- Options for reasonable accommodations and language support if needed
- The right to examine and acquire copies of all documents to be used at the hearing
- The opportunity to cross-examine all witnesses that testify at the hearing

- The opportunity to present evidence and witnesses on behalf of the student
- The intention to hold the hearing in a closed session unless the student's parent/guardian makes a written request, at least ten (10) business days prior to the hearing, that the hearing be held in an open session.

Record of Hearing
A reasonably accurate and complete record of the hearing shall be made and may be maintained by any means, including electronic recording or minutes taken of the proceeding. If electronic recording is used, it must permit a reasonably accurate and complete transcription of the proceedings. Minutes or transcripts are provided to parents/guardians as soon as possible.

Presentation of Evidence
While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A decision to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from unidentified witnesses to the alleged offense, if the Discipline Review Committee determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses
In the event of an expulsion hearing involving a sexual offense, the DRC will consult with a mental health professional or victims' rights advocate for advice concerning the unique needs of any witness, including a complaining witness, to permit a full examination of the facts while protecting the rights of all persons involved. In such cases, the complaining witness in any sexual assault or battery case will be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying. The Charter School will also provide the complaining witness a room separate from the hearing room for use prior to and during breaks in testimony.

In preparing for and conducting the hearing, the DRC will make efforts to minimize the discomfort and potential intimidation of any complaining witness, including such measures as non-threatening seating arrangements, permitting periods of relief from examination and cross-examination during which he or she may leave the hearing room, and limiting the time for taking the testimony of the complaining witness to the hours he/she is normally in school, unless good cause is shown that such accommodations would prejudice the rights of the student whose alleged infraction is under consideration.

Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the DRC that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the

admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Discipline Review Committee Decision

Based on its investigation and considering all the evidence introduced by the student, parent/guardian, and counsel or advisor, the DRC decides whether there is enough evidence to support the assertion that the student committed an infraction warranting expulsion. Within three calendar days after the hearing and deliberation, the DRC prepares a written summary of its findings of fact and its conclusions concerning expulsion or non-expulsion.

Notice of Decision

After the DRC delivers its findings of fact and conclusions to the Principal, the Principal or designee attempts to notify the parents/guardians by telephone or in person of the decision. Whether or not such oral notice is accomplished, if a decision to expel is made, Central City Value sends the parents/guardians, within two calendar days, written notice of the decision, including the findings and conclusions. This notice also includes the following: notice of the specific offense committed by the student; notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School; notice of any appeal options; and information about alternative placement options, such as Community Day Schools, Opportunity Schools or Independent Study School, other charter schools, and placements suggested by the District.

Appeal of an Expulsion

An appeal of an expulsion decision must be made in writing to the Chief Executive Officer of Value Schools within ten business days after the DRC's decision is received by the parents/guardians. The written appeal must specify the grounds for the appeal. Upon receipt of the appeal, the CEO notifies the Value Schools Board that an appeal has been filed.

Within ten (10) calendar days of receipt of the written appeal the Chief Executive Officer of Value Schools provides the parent/guardian with notice of the following:

- When and where the hearing will be held, which shall be no later than fourteen calendar days after the CEO receives the appeal; if appellant requests an extension, a hearing date will be set within 30 business days of the appeal notice;
- Who will conduct the appeal hearing, i.e., the Value Schools Board;
- Who may attend the hearing, including at least the parent/guardian, counsel or non-attorney advisor, and student;
- Options for reasonable accommodations and language support
- What types of evidence or testimony will be considered, i.e., documentary or testimonial evidence concerning the event under discussion and/or the original hearing;
- What the possible outcomes of the hearing may be, i.e., upholding the decision, reversing the decision, or returning it to the Principal for further action if it is determined that proper procedures were not followed at the school level;
- When a final decision will be made; however the decision shall not be made later than three calendar days after the hearing.

All timelines may be shortened or extended by mutual agreement, and agreement is not to be unreasonably withheld by the Charter School. Upon request of the student and/or parents, the Board may decide the matter based on the written appeal and record submitted, without a hearing. Whether decided on the record or after a hearing, the appellate decision is given in writing not later than three days after the conclusion of the submission of all materials and conclusion of any oral presentations. The decision of the DRC shall not be reversed arbitrarily or capriciously.

Central City Value High School is responsible for ensuring that any records of the expulsion proceedings are maintained, and makes available to students/parents the written findings, minutes and, if any, audio records of the proceedings.

Central City Value also provides post-expulsion support to expelled students and their families to facilitate continued access to education. In the event a student must be expelled, the Charter School will work cooperatively with the parents, public school district of residence, and others to assist with the educational placement of a student who is being expelled. The Charter School will notify the school or district in which an expelled student will next be enrolled of any and all incidents of violence or of behavior that was threatening to the well-being of any person. Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of Charter School's student expulsion process and shall facilitate the post-expulsion placement of expelled students.

Reinstatement and Readmission

Upon expulsion, students expelled from Central City Value High School are given a rehabilitation plan developed by the Value Schools Board with the assistance of the Principal or his or her designee, and a written notice of the procedures for seeking readmission. The rehabilitation plan includes the elements that the Value Schools Board will consider if the student seeks readmission. While tailored to the individual situation, such elements typically include evidence of improved behavior, attendance and academic performance in the alternative placement setting. The plan may also set out a schedule for periodic review to ensure the student is complying with the rehabilitation plan, as well as a description of assessments to be made at the time of review for readmission. The rehabilitation plan includes that date on which the student may apply for readmission to Central City Value, which will be no later than one (1) year from the date of expulsion.

When the term of expulsion has expired and the student is presented for reinstatement, the Principal reviews compliance with the conditions of the rehabilitation plan and recommends to the Value Schools Board that the student be reinstated, or explains why he or she does not find reinstatement is warranted. The Value Schools Board decides whether to authorize reinstatement.

Element 11 – Employee Retirement Systems

"The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security." (Ed. Code § 47605(b)(5)(K).)

Charter School shall comply in a timely manner with all applicable federal and state laws and regulations, as they may change from time to time, including but not limited to Internal Revenue Code section 414(d) and related regulations, governing Charter School's participation in, and/or coverage of its staff members by, the State Teachers' Retirement System (CalSTRS), the Public Employees' Retirement System (CalPERS), and/or federal social security.

If Charter School participates in, or otherwise covers its staff members by enrolling or continuing their enrollment in, a "government plan" governed by section 414(d) (e.g., CalPERS), upon dissolution or final liquidation of Charter School, and/or its nonprofit public benefit corporation, notwithstanding any provision in Element 15 to the contrary, Charter School shall distribute its net assets in accordance with section 414(d), related regulations, and the government plan's requirements.

If Charter School participates in CalSTRS and/or CalPERS, Charter School shall continue such participation for the duration of Charter School's existence under the same CDS code, if mandated by applicable legal and retirement plan requirements.

Responsible staff

Central City Value High School will have two categories of employees – certificated and classified. At the time of initial employment, each employee will meet with the Human Resources Manager for Value Schools and receive information about the applicable retirement programs. The Human Resources Manager and CFO will work with the Los Angeles County Office of Education to ensure that each employee is properly enrolled in the appropriate program.

Coverage offered

Certificated Staff. All eligible credentialed employees will be covered by the California State Teachers Retirement System (CalSTRS) subject to the terms of that system. Those employees covered by CalSTRS participate in the Medicare portion of the federal social security system, but are not eligible for the OASDI portion. Central City Value High School acknowledges that it must continue such participation for the duration of its existence under the same CDS code.

Classified Staff. All eligible non-credentialed employees will be covered by the California Public Employees Retirement System (CalPERS). Employees covered by CalPERS participate in both the Medicare and OASDI portions of the federal social security system. Central City Value High School acknowledges that it must continue such participation for the duration of its existence under the same CDS code.

All Staff. All employees will be eligible to make voluntary contributions to a tax sheltered plan.

Element 12 – Public School Attendance Alternatives

***"The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools."* (Ed. Code § 47605(b)(5)(L).)**

Pupils of Charter School do not have or gain any right to admission in a particular school of any school district, or program of any school district, as a consequence of applying to or enrolling in Charter School, except to the extent that such a right is extended by the school district.

A pupil who chooses not to attend Charter School may attend a public school within the pupil's school district of residence in accordance with applicable law and that school district's policies and procedures. The pupil alternatively may seek to enroll in another charter school in accordance with applicable law and the terms of the school's charter. If LAUSD is the pupil's school district of residence, an eligible pupil may pursue an inter-district transfer, if available, in accordance with the admission, enrollment, and transfer policies and procedures of the District, as they may change from time to time.

By a notice in the Parent-Student Handbook, Central City Value High School will notify students and parents/guardians that any pupil may choose to enroll in another school.

Element 13 – Rights of District Employees

"The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school." **(Ed. Code § 47605(b)(5)(M).)**

Employees of the District who choose to leave the employment of the District to work at Charter School shall have no automatic rights of return to the District after employment at Charter School unless specifically granted by the District through a leave of absence or other agreement or policy of the District as aligned with the collective bargaining agreements of the District. Leave and return rights for District union-represented employees and former employees who accept employment with Charter School will be administered in accordance with applicable collective bargaining agreements and any applicable judicial rulings.

Element 14 – Mandatory Dispute Resolution

"The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter." **(Ed. Code § 47605(b)(5)(N).)**

GENERAL PROVISIONS

Any claim, controversy or dispute between the District and Charter School arising out of or relating to this Charter, except for any claim, controversy or dispute related to the authorization (non-renewal, revision and/or revocation) of this Charter, ("Dispute") shall be resolved pursuant to the terms of this Element 14.

Notwithstanding any other provision of law, each party shall bear and be solely responsible for all of its own attorneys' fees, costs and expenses associated with any Dispute, including, but not limited to, any written/oral communication, meeting, Issues Conference, mediation, arbitration, administrative and/or civil action (including all levels of appeal), and no party shall be ordered to pay, or be awarded, any other party's attorneys' fees, costs or expenses in connection therewith, regardless of who may be deemed the prevailing party. Any fees, costs and expenses charged by a mediator or arbitrator (including all associated administration fees, costs and expenses) shall be shared equally by the parties regardless of the outcome or award. To that effect, any order or award of attorneys' fees, costs and/or expenses, or mediator's or arbitrator's fees, costs or expenses (including any associated administration fees, costs and expenses), issued by a mediator, arbitrator, judicial officer (including all levels of appeal) or jury in any Dispute shall be deemed invalid as a matter of law and unenforceable by one party against the other party.

PROPOSITION 39 DISPUTES

Any Dispute related to or arising out of Education Code §47614 and/or its implementing regulations set forth in California Code of Regulations, title 5, section 11969 *et seq*. ("Proposition 39"), shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and all supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

Unless directed otherwise, all Written Notifications to the District and Charter School shall be addressed respectively as follows:

Director
Charter Schools Division
Los Angeles Unified School District
333 South Beaudry Avenue, 20th Floor
Los Angeles, California 90017

Central City Value High School
c/o Principal
221 N. Westmoreland Ave.
Los Angeles, CA 90004

2) A written response ("Written Response") shall be tendered to the other party within fifteen (15) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3) If the Dispute has not been resolved by mutual agreement from the Written Response, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, and conclude within forty (40) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5) If the mediation is not successful, either party may then initiate a civil action. Venue for any civil action between the parties shall be the Los Angeles County Superior Court.

NON-PROPOSITION 39 DISPUTES

Any Dispute not related to or arising out of Proposition 39 shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and any supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

   Unless directed otherwise all Written Notifications to the District and Charter School shall be addressed respectively as follows:

   Director
   Charter Schools Division
   Los Angeles Unified School District
   333 South Beaudry Avenue, 20th Floor
   Los Angeles, California 90017

   Central City Value High School
   c/o Principal
   221 N. Westmoreland Ave.
   Los Angeles, CA 90004

2) A written response ("Written Response") shall be tendered to the other party within twenty (20) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3) If the Dispute has not been otherwise resolved by mutual agreement, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5) If the mediation is not successful, then the parties agree to resolve the Dispute by binding arbitration conducted by a single arbitrator. Unless the parties mutually agree otherwise, arbitration proceedings shall be administered in accordance with the commercial arbitration rules of the American Arbitration Association. The arbitrator must be an active member of the State Bar of California or a retired judge of the state or federal judiciary of California.

Element 15 – Charter School Closure Procedures

"The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records." (Ed. Code § 47605(b)(5)(O).)

REVOCATION OF THE CHARTER

The District may revoke the Charter pursuant to the provisions set forth in the Charter Schools Act of 1992, as they may be amended from time to time. The District may revoke the Charter of Charter School if the District finds, through a showing of substantial evidence, that Charter School did any of the following:

- Charter School committed a material violation of any of the conditions, standards, or procedures set forth in the Charter.
- Charter School failed to meet or pursue any of the pupil outcomes identified in the Charter.
- Charter School failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
- Charter School violated any provision of law.

Prior to revocation, and in accordance with Education Code section 47607(d) and state regulations, the LAUSD Board of Education will notify Charter School in writing of the specific violation, and give Charter School a reasonable opportunity to cure the violation, unless the LAUSD Board of Education determines, in writing, that the violation constitutes a severe and imminent threat to the health or safety of the pupils. Revocation proceedings are not subject to the dispute resolution provisions set forth in this Charter.

Pursuant to AB 97, charter schools may be identified for assistance based on state evaluation rubrics and be subject to revocation pursuant to Education Code section 47607.3.

CLOSURE ACTION

The decision to close Charter School, by the governing board of Charter School must be documented in a "Closure Action". A Closure Action shall be deemed to have been automatically taken when any of the following occur: the Charter is revoked (subject to the provisions of Education Code section 47607(i)) or non-renewed by the LAUSD Board of Education and Charter School has exhausted its revocation or non-renewal administrative appeal rights pursuant to Education Code sections 47605(j)(1) and 47607(f), or its administrative appeal rights have lapsed, or the charter school voluntarily closes at any stage of the administrative appeal process;; the governing board of Charter School votes to close Charter School; or the Charter lapses.

CLOSURE PROCEDURES

The procedures for charter school closure set forth below are guided by *Education Code* sections 47604.32, 47605, and 47607 as well as *California Code of Regulations*, title 5, sections 11962 and 11962.1, and are based on "Charter School Closure Requirements and Recommendations (Revised 08/2009)" posted on the California Department of Education website. All references to

"Charter School" apply to Charter School, including its nonprofit corporation and governing board.

Designation of Responsible Person(s) and Funding of Closure

Prior to or at the time of the taking of a Closure Action by either the governing board of Charter School or the LAUSD Board of Education, the governing board of Charter School shall designate a person or persons responsible for conducting and overseeing all closure-related procedures and activities, and allocate sufficient funding for, or otherwise determine how Charter School will fund, these activities.

Notification of Closure Action

Upon the taking of a Closure Action, Charter School shall send written notice of its closure to:

1. The LAUSD Charter Schools Division (CSD). Charter School shall provide the CSD with written notice of (1) the person(s) designated to be responsible for conducting and overseeing all closure activities, and (2) the source, location, and management of the funding for such activities. If the Closure Action is an act of Charter School, Charter School shall provide the CSD with a copy of the governing board resolution or minutes that documents its Closure Action.
2. Parents/guardians of all students, and all majority age and emancipated minor students, currently enrolled in Charter School within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written parent notification to the CSD.
3. Los Angeles County Office of Education (LACOE). Charter School shall send written notification of the Closure Action to LACOE by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.
4. The Special Education Local Plan Area (SELPA) in which Charter School participates. Charter School shall send written notification of the Closure Action to the SELPA in which Charter School participates by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.
5. The retirement systems in which Charter School's employees participate. Within fourteen (14) calendar days of the Closure Action, Charter School shall notify, as applicable, the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS), the Social Security Administration, and the Los Angeles County Office of Education of the Closure Action, and follow their respective procedures for dissolving contracts and reporting. Charter School shall provide a copy of these notifications and correspondence to the CSD.
6. The California Department of Education (CDE). Charter School shall send written notification of the Closure Action to the CDE by registered mail within 72 hours of the Closure Action. Charter School shall provide a copy of this notification to the CSD.
7. Any school district that may be responsible for providing education services to the former students of Charter School. Charter School shall send written notification of the Closure

Action within 72 hours of the Closure Action. This notice must include a list of potentially returning students and their home schools based on student residence. Charter School shall provide a copy of these notifications, if any, to the CSD.

8. All Charter School employees and vendors within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written employee and vendor notification, with any attachments, to the CSD.

Notification of all the parties above, with the exception of employees and vendors, must include but is not limited to the following information:

1. The effective date of the closure of Charter School
2. The name(s) and contact information for the person(s) handling inquiries regarding the closure
3. The students' school districts of residence
4. How parents/guardians of all students, and all majority age and emancipated minor students, may obtain copies of student records and transcripts, including specific information on completed courses and credits that meet graduation requirements

In addition to the four required items above, notification of the CDE shall also include:

1. A description of the circumstances of the closure
2. The location of student and personnel records

In addition to the four required items above, notification of parents/guardians of all students, and all majority age and emancipated minor students, shall also include:

1. Information on how to enroll or transfer the student to an appropriate school
2. A certified packet of student information that includes closure notice, a copy of the student's cumulative record and other records, including but not limited to grade reports, discipline records, immunization records, completed coursework, credits that meet graduation requirements, a transcript, and state testing results
3. Information on student completion of college entrance requirements, for all high school students affected by the closure

Notification of employees and vendors shall include:

1. The effective date of the closure of Charter School
2. The name(s) and contact information for the person(s) handling inquiries regarding the closure
3. The date and manner, which shall be no later than 30 days from the effective date of the closure of Charter School, by which Charter School shall provide employees with written verification of employment

Within 30 calendar days of the effective date of closure, Charter School shall provide all employees with written verification of employment. Charter School shall send copies of all such employee verification letters to the CSD.

Records Retention and Transfer

Charter School shall comply with all applicable laws as well as District policies and procedures, as they may change from time to time, regarding the transfer and maintenance of Charter School records, including student records. These requirements include:

1. Charter School shall provide the District with all original student cumulative files and behavior records, pursuant to District policy and applicable District handbook(s) regarding cumulative records for secondary and elementary schools, for all students, both active and inactive, of Charter School. Transfer of the complete and organized original student records to the District, in accordance with District procedures applicable at the time of closure, shall occur within seven (7) calendar days of the effective date of closure.
2. Charter School's process for transferring copies of student records to receiving schools shall be in accordance with applicable law and LAUSD procedures for students moving from one school to another.
3. Charter School shall prepare and provide an electronic master list of all students to the Charter Schools Division in accordance with the District procedures applicable at the time of closure. This list shall include the student's identification number, Statewide Student Identifier (SSID), birthdate, grade, full name, address, home school/school district, enrollment date, exit code, exit date, parent/guardian name(s), and phone number(s). If the Charter School closure occurs before the end of the school year, the list also shall indicate the name of the school to which each student is transferring, if known. This electronic master list shall be delivered to the CSD in the form of a CD or otherwise in accordance with District procedures.
4. Charter School must organize the original cumulative files for delivery to the District in two categories: active students and inactive students. Charter School will coordinate with the CSD for the delivery and/or pickup of student records.
5. Charter School must update all student records in the California Longitudinal Pupil Achievement Data System (CALPADS) prior to closing.
6. Charter School must provide to the CSD a copy of student attendance records, teacher gradebooks, and Title I records (if applicable).
7. Charter School must provide to the CSD the name, title, and contact information of the person designated to maintain all Charter School personnel records after the closure. Personnel records to be transferred to and maintained by the designee must include any and all employee records, including but not limited to, records related to performance and grievance. Charter School must provide to the CSD and the designee a list of all active and inactive employees and their periods of service. Both Charter School and the

designee, individually and separately, shall inform the CSD immediately upon the transfer of Charter School's employee records to the designee.

8. Charter School shall ensure that all records are boxed and clearly labeled by classification of documents and the required duration of storage in accordance with District procedures.
9. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student's district of residence.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

1. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.
2. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.
3. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School's annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

1. Preliminary budgets
2. Interim financial reports

3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School's governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District's personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.
2. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.
3. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.
4. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated as or by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School's governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.

b. Make final federal tax payments (employee taxes, etc.)

c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School's authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

Closure Agents

In the event that Central City Value High School closes, the Chief Executive Officer and Chief Financial Officer of Value Schools will serve as closure agents.

Additional Provisions

FACILITIES

Charter School shall comply with all geographic and site limitations and related requirements set forth in Education Code sections 47605.1, 47602(a), and 47605(a).

District-Owned Facilities

If Charter School is using District facilities as of the date of the submission of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

The circumstances of Charter School's occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term may be co-terminous with the approved Charter, as permitted by law. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education's approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection by the District's Facilities Services Division, OEHS, and other District offices in the same manner as other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities *(*i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent

Charter School from conducting its educational programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- Use: Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.
- Furnishings and Equipment: The District shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.
- Leasing; Licensing: Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.
- Programs, Services, and Activities Outside Instructional Program; Third Party Vendors

  (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term "instructional program" is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on "average daily attendance" and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.

  (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- Minimum Payments or Charges to be Paid to District Arising From the Facilities:

  (i) Pro Rata Share: The District shall collect and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

(ii) Taxes; Assessments: Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School's legal or equitable interest created by the use agreement.

- Maintenance & Operations Services: In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.
  (i) Co-Location: If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.
  (ii) Sole Occupant: If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD's policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.
- Real Property Insurance: Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD's property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

Non-District-Owned Facilities

Occupancy and Use of the Site: Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any

language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

Facility Compliance: Prior to occupancy or use of any non-District-owned school site and/or facility, Charter School shall ensure that the site and/or facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, and notices issued by any authorized building and safety agency. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and shall promptly provide such documentation to the CSD upon request.

Pest Management: Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

Asbestos Management: Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

INSURANCE

Insurance Requirements

No coverage shall be provided to Charter School by the District under any of the District's self-insured programs or commercial insurance policies. Charter School shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable to the District [A.M. Best A-, VII or better] or the equivalent provided through a California Joint Powers Authority self-insurance program to protect Charter School from claims which may arise from its operations. Each Charter School location shall meet the below insurance requirements individually.

It shall be Charter School's responsibility, not the District's, to monitor its vendors, contractors, partners, and/or sponsors for compliance with the insurance requirements.

The following insurance policies are required:

1. Commercial General Liability, including Fire Legal Liability, coverage of $5,000,000 per Occurrence and in the Aggregate. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy.

Coverage shall be maintained with no Self-Insured Retention above $15,000 without the prior written approval of the Division of Risk Management and Insurance Services for the LAUSD.

2. Workers' Compensation Insurance in accordance with provisions of the California Labor Code adequate to protect Charter School from claims that may arise from its operations pursuant to the Workers' Compensation Act (Statutory Coverage). The Workers' Compensation Insurance coverage must also include Employers Liability coverage with limits of $1,000,000/$1,000,000/$1,000,000.
3. Commercial Auto Liability, including Owned, Leased, Hired, and Non-owned, coverage with limits of $1,000,000 Combined Single Limit per Occurrence if Charter School does not operate a student transportation service. If Charter School provides student transportation services, the required coverage limit is $5,000,000 Combined Single Limit per Occurrence.
4. Crime Insurance or Fidelity Bond coverage shall be maintained by Charter School to cover all Charter School employees who handle, process or otherwise have responsibility for Charter School funds, supplies, equipment, or other assets. Minimum amount of coverage shall be $1,000,000 per occurrence/$1,000,000 aggregate, with deductible that is acceptable to the Los Angeles Unified School District.
5. Cyber Liability insurance coverage with minimum limits of $500,000 per occurrence and $500,000 general aggregate.
6. Professional Educators Errors and Omissions liability coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate.
7. Sexual Molestation and Abuse coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or the Errors and Omissions Policy.
8. Employment Practices Legal Liability coverage with limits of $5,000,000 per occurrence and $5,000,000 general aggregate.
9. Excess/Umbrella Liability insurance with limits of not less than $10,000,000 is required of all high schools and any other school that participates in competitive interscholastic or intramural sports programs.

Coverages and limits of insurance may be accomplished through individual primary policies or through a combination of primary and excess policies and alternative methods of coverage as approved by the District. *The policy shall be endorsed to name the Los Angeles Unified School District and Its Board of Education as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy.*

Evidence of Insurance

Charter School shall furnish to the District's Division of Risk Management and Insurance Services located at 333 S. Beaudry Ave, 28th Floor, Los Angeles CA 90017 within 30 calendar days of all new policies, inceptions, renewals or changes, certificates, or such insurance signed by authorized representatives of the insurance carrier. Certificates shall be endorsed as follows:

> *"Charter school shall be required to provide LAUSD with 30 days prior written notice by certified mail, return receipt requested, if the insurance afforded by this policy shall be suspended, cancelled, reduced in coverage limits or non-renewed."*

Facsimile or reproduced signatures may be acceptable upon review by the Division of Risk Management and Insurance Services. However, the District reserves the right to require certified copies of any required insurance policies.

Should Charter School deem it prudent and/or desirable to have insurance coverage for damage or theft to Charter School, employee or student property, for student accident, or any other type of insurance coverage not listed above, such insurance shall not be provided by the District and its purchase shall be the responsibility of Charter School.

Hold Harmless/Indemnification Provision

To the fullest extent permitted by law, Charter School does hereby agree, at its own expense, to indemnify, defend and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever, arising out of, or relating to, this Charter agreement. Charter School further agrees to the fullest extent permitted by law, at its own expense, to indemnify, defend, and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever for claims, damages, losses and expenses arising from or relating to acts or omission of acts committed by Charter School and/or its officers, directors, employees or volunteers. Moreover, Charter School agrees to indemnify, defend and hold harmless "the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers, for any contractual liability resulting from third party contracts with Charter School's vendors, contractors, partners or sponsors.

FISCAL MATTERS

District Oversight Costs

The District may charge for the actual costs of oversight of Charter School not to exceed 1% of Charter School's revenue, or the District may charge for the actual costs of oversight of Charter School not to exceed 3% if Charter School is able to obtain substantially rent free facilities from the District. Notwithstanding the foregoing, the District may charge the maximum oversight fee allowed under the law as it may change from time to time. The oversight fee provided herein is separate and distinct from the charges arising under charter school facilities use agreements.

Cash Reserves

Charter School acknowledges that the recommended cash reserve is 5% of expenditures, as provided in section 15450, title 5 of the California Code of Regulations.

Third Party Contracts

Charter School shall ensure that all third party contracts, whether oral or written, for supplies, equipment, goods and/or services, for the direct or indirect benefit of, or otherwise related to the operation of, Charter School, require compliance with and otherwise conform to all applicable local, state, and federal policies, regulations, laws, and guidelines, including but not limited to licensing and permit requirements as well as requirements related to protection of health and safety.

Special Education Revenue Adjustment/Payment for Services

In the event that Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State's adjustment to allocation of special education revenues from Charter School, Charter School authorizes the District to deduct any and all of the in lieu property taxes that Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

Student Body Funds

Charter School shall supervise and manage any and all student body funds in a manner consistent with the provisions of Education Code sections 48930-48938. Charter School shall include and address student body funds in its financial reports, and ensure that such funds are included and addressed in Charter School's annual audit as a stand-alone item.

Audit and Inspection of Records

Charter School agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- Charter School is subject to District oversight.
- The District's statutory oversight responsibility continues throughout the life of the Charter and requires that the District, among other things, monitors the fiscal condition of Charter School.
- The District is authorized to revoke this Charter for, among other reasons, the failure of Charter School to meet generally accepted accounting principles or if Charter School engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit Charter School books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the

following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of Charter School's financial information,
- Charter School's debt structure,
- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- Charter School's enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.

Charter School shall cooperate fully with such audits and shall make available any and all records necessary for the performance of the audit upon 30 days notice to Charter School. When 30 days notice may defeat the purpose of the audit, the District may conduct the audit upon 24- hours notice.

Fiscal Policies and Procedures

Charter School shall establish, maintain, and implement sound fiscal policies and procedures, including but not limited to internal controls governing all financial and business-related activities.

Apportionment Eligibility for Students Over 19 Years of Age

Charter School acknowledges that, in order for a pupil over nineteen (19) years of age to remain eligible for generating charter school apportionment, the pupil shall be continuously enrolled in public school and make satisfactory progress toward award of a high school diploma. (Ed. Code § 47612(b).)

Local Control and Accountability Plan

In accordance with California Education Code sections 47604.33 and 47606.5, Charter School shall include in its annual update a "listing and description of the expenditures for the fiscal year implementing the specific actions included in the charter as a result of the reviews and assessment required by paragraph (1)" of section 47606.5(a). These expenditures shall be "classified using the California School Accounting Manual pursuant to Section 41010." (Ed. Code § 47606.5(b).)

ADDENDUM

District Required Language

Assurances, Affirmations, and Declarations

Central City Value High School (also referred to herein as "Central City Value," "CCVHS" and "Charter School") shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter "Ed. Code") § 47605(d)(1).)

- Not charge tuition. (Ed. Code § 47605(d)(1).)

- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code. (Ed. Code § 47605(d)(1); Ed. Code § 220.)

- Except as provided in Education Code section 47605(d)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(d)(1).)

- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(d)(2)(A).)

- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School's capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as "LAUSD" and "District"). (Ed. Code § 47605(d)(2)(B).)

- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, Charter School shall notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. (Ed. Code § 47605(d)(3).)

- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(c)(1).)

- Consult, on a regular basis, with Charter School's parents, legal guardians, and teachers regarding the school's educational programs. (Ed. Code § 47605(c)(2).)

Charter School hereby declares that Charter School, operated as or by its nonprofit public benefit corporation, is and shall be the exclusive public school employer of Charter School's employees for the purposes of the Educational Employment Relations Act (EERA), Chapter 10.7 (commencing with Section 3540) of Division 4 of Title I of the Government Code. Charter School shall comply with all provisions of the EERA and shall act independently from LAUSD for collective bargaining purposes. In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes.

NOTE: This Charter contains specific "District Required Language" (DRL), including the *Assurances, Affirmations, and Declarations* section above. The DRL should be highlighted in gray within each Charter element or section. The final section of the Charter provides a consolidated addendum of the DRL. This intentional redundancy facilitates efficient charter petition review while ensuring ready access to the DRL for any given section of the Charter. To the extent that any inconsistency may exist between any provision contained within the body of the Charter and the DRL contained in the addendum, the provisions of the DRL addendum shall control.

Element 1 – The Educational Program

"The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners." **(Ed. Code § 47605(b)(5)(A)(i).)**

"The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals." **(Ed. Code § 47605(b)(5)(A)(ii).)**

"If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A" to "G" admissions criteria may be considered to meet college entrance requirements." **(Ed. Code § 47605(b)(5)(A)(iii).)**

LOCAL CONTROL FUNDING FORMULA (LCFF) AND LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP)

Charter School acknowledges and agrees that it must comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula), as they may be amended from time to time, which include the requirement that Charter School shall annually submit a Local Control and Accountability Plan (LCAP)/annual update to the Los Angeles County Superintendent of Schools and the Charter Schools Division (CSD) on or before July 1. In accordance with Education Code sections 47604.33 and 47606.5, Charter School shall annually update its goals and annual actions to achieve those goals identified in the charter pursuant to Education Code section 47605(b)(5)(A)(ii), using the Local Control and Accountability Plan template adopted by the State Board of Education, as it may be changed from time to time. Charter School shall comply with all requirements of Education Code section 47606.5, including but not limited to the

requirement that Charter School "shall consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the local control and accountability plan and annual update to the local control and accountability plan." (Ed. Code § 47606.5(e).)

ACADEMIC CALENDAR AND SCHEDULES

Charter School shall offer, at a minimum, the number of minutes of instruction set forth in Education Code section 47612.5, and the number of school days required by California Code of Regulations, title 5, section 11960.

MATHEMATICS PLACEMENT

Charter School shall comply with all applicable requirements of the California Mathematics Placement Act of 2015.

TRANSITIONAL KINDERGARTEN

Charter School shall comply with all applicable requirements regarding transitional kindergarten. For purposes of admission to Charter School, transitional kindergarten shall be considered a part of kindergarten, and therefore students enrolled in transitional kindergarten at Charter School shall be considered existing students of Charter School for purposes of Charter School's admissions, enrollment, and lottery.

HIGH SCHOOL EXIT EXAMINATION

Charter School shall comply with all applicable requirements of Education Code sections 60850 – 60859, including but not limited to the requirements of sections 60851.6 and 60852.3.

WASC ACCREDITATION

If Charter School serves students in grades 9-12, before Charter School graduates its first class of students, Charter School shall obtain, and thereafter maintain, Western Association of Schools and Colleges (WASC) accreditation.

ENGLISH LEARNERS

Charter School shall identify potential English Learners in a timely manner in accordance with all applicable legal requirements. Charter School must provide all English Learners with an effective English language acquisition program that also affords meaningful and equitable access to Charter School's core academic curriculum. Instructional plans for English Learners must be (1) based on sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

On an annual basis, upon request, Charter School shall submit a certification to the LAUSD Charter Schools Division (CSD) that certifies that Charter School has adopted and is implementing either the LAUSD English Learner Master Plan *or* Charter School's own English Learner (EL) Master Plan. If Charter School chooses to implement its own EL Master Plan, the plan shall provide a detailed description of Charter School's EL program, and shall address the following:

- How Charter School's EL Master Plan provides all of its English Learners, including but not limited to Long Term English Learners (LTELs) with an effective English language acquisition program as well as meaningful and equitable access to Charter School's core academic curriculum
- How English Learners' specific needs will be identified
- What services will be offered
- How, where, and by whom the services will be provided
- How Charter School will evaluate its EL program each year, and how the results of this evaluation will be used to improve the program, including the provision of EL services

Each year, Charter School shall provide to the CSD a report on its annual evaluation of the effectiveness of its EL program. Upon request, Charter School shall provide a copy of its current EL Master Plan to the CSD.

Charter School shall administer the CELDT/ELPAC annually in accordance with federal and state requirements.

Charter School shall reclassify English Learners in accordance with federal and state requirements.

Charter School shall provide parent outreach services and meaningfully inform parents with limited English proficiency of important information regarding Charter School matters to the same extent as other parents.

STUDENTS WITH DISABILITIES

Federal Law Compliance

Charter School shall adhere to all provisions of federal law related to students with disabilities including, but not limited to, section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act of 2004.

Special Education Program

Charter School shall ensure that no student otherwise eligible to enroll in Charter School shall be denied, directly or indirectly, admission due to a disability or to Charter School's inability to provide necessary services. Charter School acknowledges that policies and procedures are in place to ensure the recruitment, enrollment, service, and retention of students with disabilities at LAUSD-authorized charter schools, including Charter School.

Prior to LAUSD Board of Education approval of an initial Charter petition, and if a renewing Charter School intends to operate as a "school of the district" for special education services,

Charter School shall execute a Memorandum of Understanding ("MOU") by and between LAUSD and Charter School regarding the provision and funding of special education services consistent with applicable state law and the LAUSD Special Education Local Plan Area ("SELPA") Local Plan for Special Education and shall be considered a "public school of the District" for purposes of Special Education pursuant to Education Code Section 47641(b). However, Charter School reserves the right to make written verifiable assurances that it may become an independent local educational agency (LEA) and join a SELPA pursuant to Education Code Section 47641 (a) either on its own or with a grouping of charter school LEAs as a consortium following the requirements of Education Code section 56195.3(b).

SELPA Reorganization

The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code section 56195.1(a). As a single-District SELPA, the District has created two charter school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full implementation of the reorganized LAUSD SELPA commenced in the 2013-2014 school year requiring all District-authorized charter schools to elect one of the three options available under the LAUSD SELPA. Prior to an option election, all District-authorized charter schools were required to participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that had previously executed an Option 3 Memorandum of Understanding ("MOU"), were required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated Program schools do not have LEA status for the purposes of special education but will function in a similar role in that each charter school will be responsible for all special education requirements, including but not limited to services, placement, due process, related services, special education classes, and special education supports. Charter schools that have elected to participate in a District-operated programs option may apply for membership in the Charter-operated Program section of the SELPA. Charter schools accepted for participation in the Charter-operated Programs section receive support from a Special Education Director for the Charter-operated Programs.

Modified Consent Decree Requirements

All charter schools approved by the LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of the *Chanda Smith* Modified Consent Decree ("MCD") and other court orders imposed upon the District pertaining to special education. The MCD is a consent decree entered in a federal court class action lawsuit initially brought on behalf of students with disabilities in LAUSD. It is an agreement of the parties approved by the federal court and monitored by a court-appointed independent monitor. The MCD includes nineteen statistically measureable outcomes and facilities obligations that the District has to achieve to disengage from the MCD and federal court oversight. All charter schools are required to use the District's Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software system used for online Individualized Education Programs ("IEPs") and tracking of related services provided to students during the course of their education.

As part of fulfilling the District's obligations under the MCD, student level data requests from District-operated and Charter-operated charter schools are made on a regular basis. The requested data must be submitted in the Office of the Independent Monitor's ("OIM") required format in accordance with the OIM's required timelines and as follows:

- End of Year Suspension

  District ID, SSIS ID, last name, first name, date of birth, gender, grade, date of suspension, number of days suspended, and reason for suspension.

- Statewide Assessment Data

  The standard file including District ID.

- Norm day
  District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- CBEDS

- All Students enrolled as of December 1 of each school year

  District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- Dropout
  District ID, SSIS ID, last name, first name, middle name, date of birth, grade, last location, school name and local district

- Monthly SESAC and Suspension data

- Graduation roster from all charter schools with 12th grade students with disabilities

The MCD requires charter schools to implement the District's integrated student information system, which is currently referred to as My Integrated Student Information System (MiSiS). MiSiS is a suite of applications which is designed to capture all District student data. All charter schools are required to utilize MiSiS directly or interface with MiSiS via a web based Application Programming Interface (API) in compliance with the requirements of the MCD and applicable timelines. Upon charter school full utilization of MiSiS either directly or via a web based API, the list of required data above will automatically be captured within MiSiS.

Element 2 – Measurable Pupil Outcomes and Element 3 – Method by which Pupil Progress Toward Outcomes will be Measured

"The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school." **(Ed. Code § 47605(b)(5)(B).)**

"The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card." **(Ed. Code § 47605(b)(5)(C).)**

MEASURABLE GOALS OF THE EDUCATIONAL PROGRAM

Charter School shall meet all statewide content and performance standards and targets. (Ed. Code §§ 47605(c)(1), 60605.)

Charter School shall comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula) and AB 484 (2013), as they may be amended from time to time, including all requirements pertaining to pupil outcomes.

STANDARDIZED TESTING

Charter School agrees to comply with state requirements for participation and administration of all state-mandated tests, including computer-based assessments. Charter School shall submit and maintain complete, accurate, and up-to-date California Longitudinal Pupil Achievement Data System (CALPADS) data in accordance with the requirements of California Code of Regulations, title 5, section 861. Charter School hereby grants authority to the State of California to provide a copy of all test results directly to the District as well as Charter School. Upon request, Charter School shall submit, in the requested format (e.g., CD), a copy of the results of all state-mandated tests to the District.

Element 4 – Governance

"The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement." **(Ed. Code § 47605(b)(5)(D).)**

GENERAL PROVISIONS

As an independent charter school, Charter School, operated as or by its nonprofit public benefit corporation, is a separate legal entity and shall be solely responsible for the debts and obligations of Charter School.

Charter School shall ensure that, at all times throughout the term of the Charter, the bylaws of its governing board and/or nonprofit corporation are and remain consistent with the provisions of this Charter. In the event that the governing board and/or nonprofit corporation operating Charter School amends the bylaws, Charter School shall provide a copy of the amended bylaws to CSD within 30 days of adoption.

Charter School shall send to the CSD copies of all governing board meeting agendas at the same time that they are posted in accordance with the Brown Act. Charter School shall also send to the CSD copies of all board meeting minutes within one week of governing board approval of the minutes. Timely posting of agendas and minutes on Charter School's website will satisfy this requirement.

The District reserves the right to appoint a single representative to the Charter School governing board pursuant to Education Code section 47604(b).

LEGAL AND POLICY COMPLIANCE

Charter School shall comply with all applicable federal, state, and local laws and regulations, and District policies as it relates to charter schools adopted through Board action.[3]

Charter School shall comply with all applicable federal and state reporting requirements, including but not limited to the requirements of CBEDS, CALPADS, the Public Schools Accountability Act of 1999, and Education Code section 47604.33.

Charter School shall comply with the Brown Act and the Public Records Act.

Charter School and all employees and representatives of Charter School, including members of Charter School's governing board, members of Charter School or governing board committees and councils, Charter School administrators, and managers, shall comply with federal and state laws, nonprofit integrity standards, and LAUSD charter school policy, regarding ethics and conflicts of interest. Charter School shall enter into all transactions and conduct business with all persons and entities at arm's length or, in the case of otherwise permissible related party transactions, in a manner equivalent to arm's length.

Charter School shall notify parents, guardians, and teachers in writing within 72 hours of the issuance of a Notice of Violation, Notice of Intent to Revoke, Final Decision to Revoke, Notice of Non-Renewal, or equivalent notice, by the LAUSD Board of Education.

[3] The District is in the process of compiling a list of LAUSD policies that apply to its authorized charter schools. The list will be finalized by April 1, 2018. Charter Schools Division staff will annually review District policies and make recommendations to the LAUSD Board of Education on continued application to charter schools.

TITLE IX, SECTION 504, AND UNIFORM COMPLAINT PROCEDURES

Charter School shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 (Title IX) and section 504 of the Rehabilitation Act of 1973 ("Section 504"), including any investigation of any complaint filed with Charter School alleging its noncompliance with these laws or alleging any actions which would be prohibited by these laws. Charter School shall notify all of its students and employees of the name, office address, and telephone number of the designated employee or employees.

Charter School shall adopt and publish complaint procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX or Section 504.

Charter School shall adopt and implement specific and continuing procedures for notifying applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Charter School, that Charter School does not discriminate on the basis of sex or mental or physical disability in the educational programs or activities which it operates, and that it is required by Title IX and Section 504 not to discriminate on any such basis.

Charter School shall establish and provide a uniform complaint procedure in accordance with applicable federal and state laws and regulations, including but not limited to all applicable requirements of California Code of Regulations, title 5, section 4600 et seq.

Charter School shall adhere to all applicable federal and state laws and regulations regarding pupil fees, including Education Code sections 49010 - 49013, and extend its uniform complaint procedure to complaints filed pursuant to Education Code section 49013.

Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the Local Control Funding Formula legislation provisions set forth in Education Code section 52075.

RESPONDING TO INQUIRIES

Charter School, including its nonprofit corporation shall promptly respond to all reasonable inquiries, including but not limited to inquiries regarding financial records from the District, and shall cooperate with the District regarding any inquiries. Charter School acknowledges that Charter School, including but not limited to its nonprofit corporation, is subject to audit by LAUSD, including, without limitation, audit by the District Office of the Inspector General. Charter School shall provide the District with current, complete, and accurate contact information for Charter School, Charter School administrators, and Board members.

If an allegation or other evidence of waste, fraud, abuse, or other material violation of law related to Charter School's operations, or breach of the Charter, is received or discovered by the District, Charter School, including but not limited to its nonprofit corporation, employees, and

representatives, shall cooperate with any resulting inquiry and/or investigation undertaken by the District and/or the Office of the Inspector General Investigations Unit.

Charter School acknowledges and agrees that persons and entities that directly exercise control over the expenditure of Charter School's public funds shall be subject to all necessary and appropriate District charter school oversight.

NOTIFICATION OF THE DISTRICT

Charter School shall notify the Charter Schools Division (CSD) in writing of any citations or notices of workplace hazards, investigations by outside governmental regulatory or investigative agencies, lawsuits, changes in corporate or legal status (e.g., loss of IRS 501(c)(3) status), or other formal complaints or notices, within one week of receipt of such notices by Charter School. Unless prohibited by law, Charter School shall notify the CSD in writing of any internal investigations within one week of commencing investigation. Charter School shall notify the CSD within 24 hours of any dire emergency or serious threat to the health and safety of students or staff.

STUDENT RECORDS

Upon receipt of a student records request from a receiving school/school district, Charter School shall transfer a copy of the student's complete cumulative record within ten (10) school days in accordance with Education Code section 49068. Charter School shall comply with the requirements of California Code of Regulations, title 5, section 3024, regarding the transfer of student special education records. In the event Charter School closes, Charter School shall comply with the student records transfer provisions in Element 15. Charter School shall comply with the requirements of Education Code section 49060 et seq., which include provisions regarding rights to access student records and transfer of records for youth in foster care.

PARENT ENGAGEMENT

Charter School shall not require a parent or legal guardian of a prospective or enrolled student to perform volunteer service hours, or make payment of fees or other monies, goods, or services in lieu of performing volunteer service, as a condition of his/her child's admission, continued enrollment, attendance, or participation in the school's educational activities, or otherwise discriminate against a student in any manner because his/her parent cannot, has not, or will not provide volunteer service to Charter School.

FEDERAL PROGRAM COMPLIANCE

As a recipient of federal funds, Charter School has agreed to meet all applicable programmatic, fiscal and other regulatory requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) and other applicable federal programs. Charter School understands that it is a local educational agency (LEA) for purposes of federal compliance and reporting purposes. Charter School agrees that it will keep and make available to the District any documentation necessary to demonstrate compliance with the requirements of ESEA and other applicable federal programs. Charter School also acknowledges that, as part of its

oversight of Charter School, the District may conduct program review for federal as well as state compliance.

Element 5 – Employee Qualifications

"The qualifications to be met by individuals to be employed by the charter school." **(Ed. Code § 47605(b)(5)(E).)**

EQUAL EMPLOYMENT OPPORTUNITY

Charter School acknowledges and agrees that all persons are entitled to equal employment opportunity. Charter School shall not discriminate against applicants or employees on the basis of race, color, religion, sex, gender, gender expression, gender identity, sexual orientation, pregnancy, national origin, ancestry, citizenship, age, marital status, physical disability, mental disability, medical condition, genetic information, military and veteran status, or any other characteristic protected by California or federal law. Equal employment opportunity shall be extended to all aspects of the employer-employee relationship, including but not limited to recruitment, selection, hiring, upgrading, training, promotion, transfer, discipline, layoff, recall, and dismissal from employment.

ESEA/ESSA AND CREDENTIALING REQUIREMENTS

Charter School shall adhere to all requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) that are applicable to teachers and paraprofessional employees. Charter School shall ensure that all teachers are appropriately assigned and fully credentialed in accordance with applicable state requirements for certificated employment, including but not limited to the provisions of Education Code section 47605(l). Charter School shall maintain current copies of all teacher credentials and make them readily available for inspection.

Element 6 – Health and Safety Procedures

"The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall include the requirement that each employee of the charter school furnish it with a criminal record summary as described in Section 44237." **(Ed. Code § 47605(b)(5)(F).)**

HEALTH, SAFETY AND EMERGENCY PREPAREDNESS PLAN

Charter School shall comply with all applicable federal, state, and local requirements related to school and student health, safety, and emergency preparedness.

If Charter School occupies and/or operates on a District facility, Charter School shall comply with all District health, safety, and emergency procedures and requirements applicable to District facilities and related operations, and shall be subject to inspection by the District's Facilities Services Division, Office of Environmental Health and Safety, and other District offices in the same manner as other LAUSD campuses.

Charter School shall adopt, implement, and maintain at all times a current, comprehensive, and site-specific Health, Safety, and Emergency Preparedness Plan ("Plan"), which must include but is not limited to provisions for building and site emergency evacuation, the acquisition and maintenance of adequate onsite emergency supplies. The Plan must include Charter School's requirements and procedures for protecting student health and safety during off-campus school-sponsored activities, including but not limited to field trips and transportation. Charter School shall ensure that all staff members receive annual training on Charter School's health, safety, and emergency procedures, including but not limited to training on blood borne pathogens, and shall maintain a calendar for, and conduct, emergency response drills for students and staff.

Charter School shall provide all employees, and other persons working on behalf of Charter School who are mandated reporters, with annual training on child abuse detection and reporting, which shall occur within the first six weeks of each school year, or within the first six weeks of a person's employment if employed after the beginning of the school year, in accordance with the requirements of AB 1432 (2014).

Charter School shall stock and maintain the required number and type of emergency epinephrine auto-injectors onsite and provide training to employee volunteers in the storage and use of the epinephrine auto-injector as required by Education Code section 49414 and section 4119.2 of the Business and Professions Code, as they may be amended from time to time.

Charter School shall comply with the requirements of Education Code section 49475, with respect to any athletic program (as defined in Education Code § 49475) offered by or on behalf of Charter School.

Charter School shall periodically review, and update and/or modify as necessary, its Health, Safety, and Emergency Preparedness Plan, and keep it readily available for on-site use. Charter School shall provide a copy of the Health, Safety, and Emergency Preparedness Plan for review upon CSD request.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Charter School, including its employees, officers, and representatives, shall comply with the Family Educational Rights and Privacy Act (FERPA) and Education Code section 49060 et seq. at all times.

CRIMINAL BACKGROUND CLEARANCES AND FINGERPRINTING

Charter School shall comply with all requirements of Education Code sections 44237 and 45125.1. Charter School shall designate and maintain at all times at least one Custodian of Records duly authorized by the California Department of Justice.

Charter School shall maintain on file and available for inspection evidence that (1) Charter School has performed criminal background checks and cleared for employment all employees prior to employment; (2) Charter School has obtained certification from each of its contracting entities/independent contractors that the entity/contractor has conducted required criminal

background clearances for its employees prior to provision of school site services and/or any contact with students, and has requested subsequent arrest notification service; and (3) Charter School has performed criminal background checks and cleared for service all volunteers not directly supervised by staff and who may have contact with students. Charter School shall also ensure that it requests and receives subsequent arrest notifications from the California Department of Justice for all employees and volunteers not directly supervised by staff. Upon request, Charter School shall provide a copy of Department of Justice confirmation of Custodian of Records status for each Custodian of Records. Charter School, including its administrators and officers, shall comply with the requirements of Education Code section 44030.5.

IMMUNIZATION AND HEALTH SCREENING REQUIREMENTS

Charter School shall require all employees, and any volunteer or vendor/contracting entity employee who may have frequent or prolonged contact with students, to undergo a risk assessment and/or be examined and determined to be free of active tuberculosis (TB) within the period of 60 days prior to employment/service, or otherwise meet the requirements of Education Code section 49406. Charter School shall maintain TB clearance records and certificates on file.

Charter School shall comply with all federal and state legal requirements, including but not limited to the requirements of SB 277 (2015), related to student immunization, health examination, and health screening, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the students were attending a non-charter public school. Charter School shall maintain student immunization, health examination, and health screening records on file.

SAFE PLACE TO LEARN ACT

Charter School shall comply with all applicable requirements of the Safe Place to Learn Act, Education Code section 234 et seq.

SUICIDE PREVENTION POLICY

If Charter School serves students in grades 7-12, Charter School shall comply with the requirements of AB 2246 (2016), codified in Education Code section 215, including but not limited to the requirement that the school's pupil suicide prevention policy shall be developed in consultation with school and community stakeholders, school-employed mental health professionals, and suicide prevention experts. Charter School shall provide the CSD with a copy of its pupil suicide prevention policy for review upon request.

Element 7 – Means to Achieve Racial and Ethnic Balance

***"The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted."* (Ed. Code § 47605(b)(5)(G).)**

COURT-ORDERED INTEGRATION

Charter School shall comply with all requirements of the *Crawford v. Board of Education, City of Los Angeles* court order and the LAUSD Integration Policy adopted and maintained pursuant to the Crawford court order by the District's Student Integration Services (collectively the "Court-ordered Integration Program"). The Court-ordered Integration Program applies to all schools within or chartered through LAUSD.

Charter School has set forth below its initial plan for achieving and maintaining the LAUSD's Racial and Ethnic Balance goal of a 70:30 or 60:40 ratio. (*Ratio represents the percentage of Predominantly Hispanic Black Asian Other (PHBAO) compared to Other White (OW))*. The written plan lists specific dates and locations of recruitment activities that Charter School will undertake in order to achieve the District's Racial and Ethnic Balance goal. Charter School shall monitor the implementation and outcomes of the initial plan, and modify it as necessary throughout the term of the Charter to achieve the District's goal. Upon request, Charter School shall provide the District with a copy of its current written plan.

The District receives neither average daily attendance allocations nor Court-ordered Integration Program cost reimbursements for charter school students. The District may receive the Targeted Instructional Improvement Block Grant (TIIBG) for its Court-ordered Integration Program. The District retains sole discretion over the allocation of TIIBG funding, where available, and cannot guarantee the availability of this funding.

Element 8 – Admission Requirements

***"Admission requirements, if applicable."* (Ed. Code § 47605(b)(5)(H).)**

DOCUMENTATION OF ADMISSIONS AND ENROLLMENT PROCESSES

Charter School shall maintain complete and accurate records of its annual admissions and enrollment processes, including but not limited to documentation of implementation of lottery and waitlist criteria and procedures in accordance with the terms of the Charter. These records shall be made available to the District upon request.

HOMELESS AND FOSTER YOUTH

Charter School shall adhere to the provisions of the federal McKinney-Vento Homeless Assistance Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. Charter School shall provide specific information, in its outreach materials, websites, at community

meetings, open forums, and regional center meetings, that notifies parents that Charter School is open to enroll and provide services for all students, and provides a standard District contact number for access to additional information regarding enrollment.

Charter School shall comply with all applicable federal and state laws regarding homeless and foster youth, including but not limited to the provisions of AB 379 (2015) and Chapter 5.5 (commencing with Section 48850) of Part 27 of Division 4 of Title 2 of the Education Code, as amended from time to time. Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the applicable provisions of AB 379.

NON-DISCRIMINATION

Charter School shall not require a parent/legal guardian/student to provide information regarding a student's disability, gender, gender identity, gender expression, nationality, legal or economic status, primary language or English Learner status, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, or any other information that would violate federal or state law, prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment. Charter School may request, at the time of, and as part of, conducting its lottery process, the provision of information necessary to apply specific admissions preferences set forth in this Charter.

Charter School shall not request or require submission of a student's IEP, Section 504 Plan, or any other record or related information prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment.

Element 9 – Annual Financial Audits

"The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority." **(Ed. Code § 47605(b)(5)(I).)**

Charter School shall provide for an annual audit that shall be conducted in compliance with applicable state and federal laws, including but not limited to the requirements of Education Code sections 47605(b)(5)(I) and 41020 as they may be amended from time to time. Charter School shall ensure compliance with the requirements of section 41020(f)(2), which makes it unlawful, absent an Education Audits Appeal Panel waiver, for a public accounting firm to provide audit services to a local educational agency if the lead audit partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local educational agency in each of the six previous years.

The following reports will be submitted to LAUSD, in the required format and within timelines to be specified by LAUSD, each year:

a. Provisional Budget – Spring prior to operating fiscal year
b. Final Budget – July of the budget fiscal year
c. First Interim Projections – November of operating fiscal year

d. Second Interim Projections – February of operating fiscal year
e. Unaudited Actuals – July following the end of the fiscal year
f. Audited Actuals – December 15 following the end of the fiscal year
g. Classification Report – monthly according to Charter School's Calendar
h. Statistical Report – monthly according to Charter School's Calendar of Reports
In addition:
    - P1, first week of January
    - P2, first week of April
i. Instructional Calendar – annually five weeks prior to first day of instruction
j. Other reports as requested by the District

Element 10 – Suspension and Expulsion Procedures

"The procedures by which pupils can be suspended or expelled." **(Ed. Code § 47605(b)(5)(J).)**

GENERAL PROVISIONS

Charter School shall provide due process for all students, including adequate and timely notice to parents/guardians and students of the grounds for all suspension and expulsion recommendations and decisions and their due process rights regarding suspension and expulsion, including rights of appeal.

Charter School shall ensure that its policies and procedures regarding suspension and expulsion will be periodically reviewed, and modified as necessary, in order to conform to changes in state law.

Charter School shall ensure that its staff is knowledgeable about and complies with the District's Discipline Foundation Policy and/or current equivalent policy, as required by the Modified Consent Decree. Charter School shall comply with the terms of the School Discipline Policy and School Climate Bill of Rights resolution adopted by the LAUSD Board of Education on May 6, 2013.

Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of Charter School's student expulsion process and shall facilitate the post-expulsion placement of expelled students.

Charter School shall document and implement the alternatives to suspension and expulsion that Charter School utilizes in response to attendance-related concerns, e.g. truancy or excessive tardiness.

STUDENTS WITH DISABILITIES

Charter School shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, pending the completion of the expulsion process, Charter School shall identify and provide special

education programs and services at an appropriate interim educational placement determined in coordination with the LAUSD Division of Special Education.

In the case of a student who has an Individualized Education Program ("IEP"), or a student who has a Section 504 Plan, Charter School shall ensure that it follows correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District's Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a Section 504 Plan, Charter School's administrator will convene a Link Determination meeting to ask the following two questions:

A. Was the misconduct caused by, or directly and substantially related to the student's disability?
B. Was the misconduct a direct result of the Charter School's failure to implement Section 504?

NOTIFICATION OF THE DISTRICT

Upon expelling any student, Charter School shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed "Notification of Charter School Expulsion" [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Charter School's policies and procedures were followed
    - Copy of parental notice of expulsion hearing
    - Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student's compliance for reinstatement, appeal process, and options for enrollment
    - If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
    - If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:

A. Was the misconduct caused by, or directly and substantially related to the student's disability?
B. Was the misconduct a direct result of Charter School's failure to implement Section 504 Plan?

Notwithstanding and apart from the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student's district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student

records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

OUTCOME DATA

Charter School shall gather and maintain all data related to placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.

REHABILITATION PLANS

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School's governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

READMISSION

Charter School's governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School's governing board shall readmit the pupil, unless Charter School's governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil's parent/guardian within a reasonable time.

REINSTATEMENT

Charter School's governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. Charter School is responsible for reinstating the student upon the conclusion of the expulsion period in a timely manner.

GUN-FREE SCHOOLS ACT

Charter School shall comply with the federal Gun-Free Schools Act.

Element 11 – Employee Retirement Systems

***"The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security."* (Ed. Code § 47605(b)(5)(K).)**

Charter School shall comply in a timely manner with all applicable federal and state laws and regulations, as they may change from time to time, including but not limited to Internal Revenue Code section 414(d) and related regulations, governing Charter School's participation in, and/or coverage of its staff members by, the State Teachers' Retirement System (CalSTRS), the Public Employees' Retirement System (CalPERS), and/or federal social security.

If Charter School participates in, or otherwise covers its staff members by enrolling or continuing their enrollment in, a "government plan" governed by section 414(d) (e.g., CalPERS), upon dissolution or final liquidation of Charter School, and/or its nonprofit public benefit corporation, notwithstanding any provision in Element 15 to the contrary, Charter School shall distribute its net assets in accordance with section 414(d), related regulations, and the government plan's requirements.

If Charter School participates in CalSTRS and/or CalPERS, Charter School shall continue such participation for the duration of Charter School's existence under the same CDS code, if mandated by applicable legal and retirement plan requirements.

Element 12 – Public School Attendance Alternatives

***"The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools."* (Ed. Code § 47605(b)(5)(L).)**

Pupils of Charter School do not have or gain any right to admission in a particular school of any school district, or program of any school district, as a consequence of applying to or enrolling in Charter School, except to the extent that such a right is extended by the school district.

A pupil who chooses not to attend Charter School may attend a public school within the pupil's school district of residence in accordance with applicable law and that school district's policies and procedures. The pupil alternatively may seek to enroll in another charter school in accordance with applicable law and the terms of the school's charter. If LAUSD is the pupil's school district of residence, an eligible pupil may pursue an inter-district transfer, if available, in accordance with the admission, enrollment, and transfer policies and procedures of the District, as they may change from time to time.

Element 13 – Rights of District Employees

***"The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school."* (Ed. Code § 47605(b)(5)(M).)**

Employees of the District who choose to leave the employment of the District to work at Charter School shall have no automatic rights of return to the District after employment at Charter School

unless specifically granted by the District through a leave of absence or other agreement or policy of the District as aligned with the collective bargaining agreements of the District. Leave and return rights for District union-represented employees and former employees who accept employment with Charter School will be administered in accordance with applicable collective bargaining agreements and any applicable judicial rulings.

Element 14 – Mandatory Dispute Resolution

***"The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter."* (Ed. Code § 47605(b)(5)(N).)**

GENERAL PROVISIONS

Any claim, controversy or dispute between the District and Charter School arising out of or relating to this Charter, except for any claim, controversy or dispute related to the authorization (non-renewal, revision and/or revocation) of this Charter, ("Dispute") shall be resolved pursuant to the terms of this Element 14.

Notwithstanding any other provision of law, each party shall bear and be solely responsible for all of its own attorneys' fees, costs and expenses associated with any Dispute, including, but not limited to, any written/oral communication, meeting, Issues Conference, mediation, arbitration, administrative and/or civil action (including all levels of appeal), and no party shall be ordered to pay, or be awarded, any other party's attorneys' fees, costs or expenses in connection therewith, regardless of who may be deemed the prevailing party. Any fees, costs and expenses charged by a mediator or arbitrator (including all associated administration fees, costs and expenses) shall be shared equally by the parties regardless of the outcome or award. To that effect, any order or award of attorneys' fees, costs and/or expenses, or mediator's or arbitrator's fees, costs or expenses (including any associated administration fees, costs and expenses), issued by a mediator, arbitrator, judicial officer (including all levels of appeal) or jury in any Dispute shall be deemed invalid as a matter of law and unenforceable by one party against the other party.

PROPOSITION 39 DISPUTES

Any Dispute related to or arising out of Education Code §47614 and/or its implementing regulations set forth in California Code of Regulations, title 5, section 11969 *et seq*. ("Proposition 39"), shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and all supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

Unless directed otherwise, all Written Notifications to the District and Charter School shall be addressed respectively as follows:

Director
Charter Schools Division
Los Angeles Unified School District
333 South Beaudry Avenue, 20th Floor
Los Angeles, California 90017

Director/Principal
[Charter School Name]
[Charter School Address]

2) A written response ("Written Response") shall be tendered to the other party within fifteen (15) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3) If the Dispute has not been resolved by mutual agreement from the Written Response, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, and conclude within forty (40) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5) If the mediation is not successful, either party may then initiate a civil action. Venue for any civil action between the parties shall be the Los Angeles County Superior Court.

NON-PROPOSITION 39 DISPUTES

Any Dispute not related to or arising out of Proposition 39 shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and any supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

   Unless directed otherwise all Written Notifications to the District and Charter School shall be addressed respectively as follows:

   Director
   Charter Schools Division
   Los Angeles Unified School District
   333 South Beaudry Avenue, 20th Floor
   Los Angeles, California 90017

   Central City Value High School
   c/o Principal
   221 N. Westmoreland Ave.
   Los Angeles, CA 90004

2) A written response ("Written Response") shall be tendered to the other party within twenty (20) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3) If the Dispute has not been otherwise resolved by mutual agreement, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15)

business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5) If the mediation is not successful, then the parties agree to resolve the Dispute by binding arbitration conducted by a single arbitrator. Unless the parties mutually agree otherwise, arbitration proceedings shall be administered in accordance with the commercial arbitration rules of the American Arbitration Association. The arbitrator must be an active member of the State Bar of California or a retired judge of the state or federal judiciary of California.

Element 15 – Charter School Closure Procedures

"The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records." **(Ed. Code § 47605(b)(5)(O).)**

REVOCATION OF THE CHARTER

The District may revoke the Charter pursuant to the provisions set forth in the Charter Schools Act of 1992, as they may be amended from time to time. The District may revoke the Charter of Charter School if the District finds, through a showing of substantial evidence, that Charter School did any of the following:

- Charter School committed a material violation of any of the conditions, standards, or procedures set forth in the Charter.
- Charter School failed to meet or pursue any of the pupil outcomes identified in the Charter.
- Charter School failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
- Charter School violated any provision of law.

Prior to revocation, and in accordance with Education Code section 47607(d) and state regulations, the LAUSD Board of Education will notify Charter School in writing of the specific violation, and give Charter School a reasonable opportunity to cure the violation, unless the LAUSD Board of Education determines, in writing, that the violation constitutes a severe and imminent threat to the health or safety of the pupils. Revocation proceedings are not subject to the dispute resolution provisions set forth in this Charter.

Pursuant to AB 97, charter schools may be identified for assistance based on state evaluation rubrics and be subject to revocation pursuant to Education Code section 47607.3.

CLOSURE ACTION

The decision to close Charter School, by the governing board of Charter School must be documented in a "Closure Action". A Closure Action shall be deemed to have been automatically taken when any of the following occur: the Charter is revoked (subject to the provisions of Education Code section 47607(i)) or non-renewed by the LAUSD Board of Education and Charter School has exhausted its revocation or non-renewal administrative appeal rights pursuant to Education Code sections 47605(j)(1) and 47607(f), or its administrative appeal rights have lapsed, or the charter school voluntarily closes at any stage of the administrative appeal process;; the governing board of Charter School votes to close Charter School; or the Charter lapses.

CLOSURE PROCEDURES

The procedures for charter school closure set forth below are guided by Education Code sections 47604.32, 47605, and 47607 as well as California Code of Regulations, title 5, sections 11962 and 11962.1, and are based on "Charter School Closure Requirements and Recommendations (Revised 08/2009)" posted on the California Department of Education website. All references to "Charter School" apply to Charter School, including its nonprofit corporation and governing board.

Designation of Responsible Person(s) and Funding of Closure

Prior to or at the time of the taking of a Closure Action by either the governing board of Charter School or the LAUSD Board of Education, the governing board of Charter School shall designate a person or persons responsible for conducting and overseeing all closure-related procedures and activities, and allocate sufficient funding for, or otherwise determine how Charter School will fund, these activities.

Notification of Closure Action

Upon the taking of a Closure Action, Charter School shall send written notice of its closure to:

1. The LAUSD Charter Schools Division (CSD). Charter School shall provide the CSD with written notice of (1) the person(s) designated to be responsible for conducting and overseeing all closure activities, and (2) the source, location, and management of the funding for such activities. If the Closure Action is an act of Charter School, Charter School shall provide the CSD with a copy of the governing board resolution or minutes that documents its Closure Action.

2. Parents/guardians of all students, and all majority age and emancipated minor students, currently enrolled in Charter School within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written parent notification to the CSD.

3. Los Angeles County Office of Education (LACOE). Charter School shall send written notification of the Closure Action to LACOE by registered mail within 72 hours of the

Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

4. The Special Education Local Plan Area (SELPA) in which Charter School participates. Charter School shall send written notification of the Closure Action to the SELPA in which Charter School participates by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

5. The retirement systems in which Charter School's employees participate. Within fourteen (14) calendar days of the Closure Action, Charter School shall notify, as applicable, the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS), the Social Security Administration, and the Los Angeles County Office of Education of the Closure Action, and follow their respective procedures for dissolving contracts and reporting. Charter School shall provide a copy of these notifications and correspondence to the CSD.

6. The California Department of Education (CDE). Charter School shall send written notification of the Closure Action to the CDE by registered mail within 72 hours of the Closure Action. Charter School shall provide a copy of this notification to the CSD.

7. Any school district that may be responsible for providing education services to the former students of Charter School. Charter School shall send written notification of the Closure Action within 72 hours of the Closure Action. This notice must include a list of potentially returning students and their home schools based on student residence. Charter School shall provide a copy of these notifications, if any, to the CSD.

8. All Charter School employees and vendors within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written employee and vendor notification, with any attachments, to the CSD.

Notification of all the parties above, with the exception of employees and vendors, must include but is not limited to the following information:

1. The effective date of the closure of Charter School

2. The name(s) and contact information for the person(s) handling inquiries regarding the closure

3. The students' school districts of residence

4. How parents/guardians of all students, and all majority age and emancipated minor students, may obtain copies of student records and transcripts, including specific information on completed courses and credits that meet graduation requirements

In addition to the four required items above, notification of the CDE shall also include:

1. A description of the circumstances of the closure

2. The location of student and personnel records

In addition to the four required items above, notification of parents/guardians of all students, and all majority age and emancipated minor students, shall also include:

1. Information on how to enroll or transfer the student to an appropriate school

2. A certified packet of student information that includes closure notice, a copy of the student's cumulative record and other records, including but not limited to grade reports, discipline records, immunization records, completed coursework, credits that meet graduation requirements, a transcript, and state testing results

3. Information on student completion of college entrance requirements, for all high school students affected by the closure

Notification of employees and vendors shall include:

1. The effective date of the closure of Charter School

2. The name(s) and contact information for the person(s) handling inquiries regarding the closure

3. The date and manner, which shall be no later than 30 days from the effective date of the closure of Charter School, by which Charter School shall provide employees with written verification of employment

Within 30 calendar days of the effective date of closure, Charter School shall provide all employees with written verification of employment. Charter School shall send copies of all such employee verification letters to the CSD.

Records Retention and Transfer

Charter School shall comply with all applicable laws as well as District policies and procedures, as they may change from time to time, regarding the transfer and maintenance of Charter School records, including student records. These requirements include:

1. Charter School shall provide the District with all original student cumulative files and behavior records, pursuant to District policy and applicable District handbook(s) regarding cumulative records for secondary and elementary schools, for all students, both active and inactive, of Charter School. Transfer of the complete and organized original student records to the District, in accordance with District procedures applicable at the time of closure, shall occur within seven (7) calendar days of the effective date of closure.

2. Charter School's process for transferring copies of student records to receiving schools shall be in accordance with applicable law and LAUSD procedures for students moving from one school to another.

3. Charter School shall prepare and provide an electronic master list of all students to the Charter Schools Division in accordance with the District procedures applicable at the time of closure. This list shall include the student's identification number, Statewide Student Identifier (SSID), birthdate, grade, full name, address, home school/school district, enrollment date, exit code, exit date, parent/guardian name(s), and phone number(s). If the Charter School closure occurs before the end of the school year, the list also shall indicate the name of the school to which each student is transferring, if known. This electronic master list shall be delivered to the CSD in the form of a CD or otherwise in accordance with District procedures.

4. Charter School must organize the original cumulative files for delivery to the District in two categories: active students and inactive students. Charter School will coordinate with the CSD for the delivery and/or pickup of student records.

5. Charter School must update all student records in the California Longitudinal Pupil Achievement Data System (CALPADS) prior to closing.

6. Charter School must provide to the CSD a copy of student attendance records, teacher gradebooks, and Title I records (if applicable).

7. Charter School must provide to the CSD the name, title, and contact information of the person designated to maintain all Charter School personnel records after the closure. Personnel records to be transferred to and maintained by the designee must include any and all employee records, including but not limited to, records related to performance and grievance. Charter School must provide to the CSD and the designee a list of all active and inactive employees and their periods of service. Both Charter School and the designee, individually and separately, shall inform the CSD immediately upon the transfer of Charter School's employee records to the designee.

8. Charter School shall ensure that all records are boxed and clearly labeled by classification of documents and the required duration of storage in accordance with District procedures.

9. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student's district of residence.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

4. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.

5. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.

6. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School's annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

1. Preliminary budgets
2. Interim financial reports
3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School's governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after

all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District's personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.

2. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.

3. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.

4. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated as or by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School's governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.

b. Make final federal tax payments (employee taxes, etc.)

c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School's authorization to operate as a charter

school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

Additional Provisions

FACILITIES

Charter School shall comply with all geographic and site limitations and related requirements set forth in Education Code sections 47605.1, 47602(a), and 47605(a).

District-Owned Facilities

If Charter School is using District facilities as of the date of the submission of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

The circumstances of Charter School's occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term may be co-terminous with the approved Charter, as permitted by law. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education's approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection by the District's Facilities Services Division, OEHS, and other District offices in the same manner as other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities *(*i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- Use: Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.

- Furnishings and Equipment: The District shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

- Leasing; Licensing: Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.

- Programs, Services, and Activities Outside Instructional Program; Third Party Vendors
    (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term "instructional program" is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on "average daily attendance" and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.
    (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the

use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- Minimum Payments or Charges to be Paid to District Arising From the Facilities:
  (i) Pro Rata Share: The District shall collect and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

  (ii) Taxes; Assessments: Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School's legal or equitable interest created by the use agreement.

- Maintenance & Operations Services: In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.

  (i) Co-Location: If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

  (ii) Sole Occupant: If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD's policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

- Real Property Insurance: Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD's property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

Non-District-Owned Facilities

Occupancy and Use of the Site: Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

Facility Compliance: Prior to occupancy or use of any non-District-owned school site and/or facility, Charter School shall ensure that the site and/or facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, and notices issued by any authorized building and safety agency. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and shall promptly provide such documentation to the CSD upon request.

Pest Management: Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

Asbestos Management: Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

INSURANCE

Insurance Requirements

No coverage shall be provided to Charter School by the District under any of the District's self-insured programs or commercial insurance policies. Charter School shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable to the District [A.M. Best A-, VII or better] or the equivalent provided through a California Joint Powers Authority self-insurance program to protect Charter School from claims which may arise from its operations. Each Charter School location shall meet the below insurance requirements individually.

It shall be Charter School's responsibility, not the District's, to monitor its vendors, contractors, partners, and/or sponsors for compliance with the insurance requirements.

The following insurance policies are required:

1. Commercial General Liability, including Fire Legal Liability, coverage of $5,000,000 per Occurrence and in the Aggregate. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy. Coverage shall be maintained with no Self-Insured Retention above $15,000 without the prior written approval of the Division of Risk Management and Insurance Services for the LAUSD.

2. Workers' Compensation Insurance in accordance with provisions of the California Labor Code adequate to protect Charter School from claims that may arise from its operations pursuant to the Workers' Compensation Act (Statutory Coverage). The Workers' Compensation Insurance coverage must also include Employers Liability coverage with limits of $1,000,000/$1,000,000/$1,000,000.

3. Commercial Auto Liability, including Owned, Leased, Hired, and Non-owned, coverage with limits of $1,000,000 Combined Single Limit per Occurrence if Charter School does not operate a student transportation service. If Charter School provides student transportation services, the required coverage limit is $5,000,000 Combined Single Limit per Occurrence.

4. Crime Insurance or Fidelity Bond coverage shall be maintained by Charter School to cover all Charter School employees who handle, process or otherwise have responsibility for Charter School funds, supplies, equipment, or other assets. Minimum amount of coverage shall be $1,000,000 per occurrence/$1,000,000 aggregate, with deductible that is acceptable to the Los Angeles Unified School District.

5. Cyber Liability insurance coverage with minimum limits of $500,000 per occurrence and $500,000 general aggregate.

6. Professional Educators Errors and Omissions liability coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

7. Sexual Molestation and Abuse coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or the Errors and Omissions Policy.

8. Employment Practices Legal Liability coverage with limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

9. Excess/Umbrella Liability insurance with limits of not less than $10,000,000 is required of all high schools and any other school that participates in competitive interscholastic or intramural sports programs.

Coverages and limits of insurance may be accomplished through individual primary policies or through a combination of primary and excess policies and alternative methods of coverage as approved by the District. *The policy shall be endorsed to name the Los Angeles Unified School District and Its Board of Education as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy.*

Evidence of Insurance

Charter School shall furnish to the District's Division of Risk Management and Insurance Services located at 333 S. Beaudry Ave, 28th Floor, Los Angeles CA 90017 within 30 calendar days of all new policies, inceptions, renewals or changes, certificates, or such insurance signed by authorized representatives of the insurance carrier. Certificates shall be endorsed as follows:

> *"Charter school shall be required to provide LAUSD with 30 days prior written notice by certified mail, return receipt requested, if the insurance afforded by this policy shall be suspended, cancelled, reduced in coverage limits or non-renewed."*

Facsimile or reproduced signatures may be acceptable upon review by the Division of Risk Management and Insurance Services. However, the District reserves the right to require certified copies of any required insurance policies.

Should Charter School deem it prudent and/or desirable to have insurance coverage for damage or theft to Charter School, employee or student property, for student accident, or any other type of insurance coverage not listed above, such insurance shall not be provided by the District and its purchase shall be the responsibility of Charter School.

Hold Harmless/Indemnification Provision

To the fullest extent permitted by law, Charter School does hereby agree, at its own expense, to indemnify, defend and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever, arising out of, or relating to, this Charter agreement. Charter School further agrees to the fullest extent permitted by law, at its own expense, to indemnify, defend, and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever for claims, damages, losses and expenses arising from or relating to acts or omission of acts committed by Charter School and/or its officers, directors, employees or volunteers. Moreover, Charter School agrees to indemnify, defend and hold harmless "the LAUSD and the

Board of Education and their members, officers, directors, agents, representatives, employees and volunteers, for any contractual liability resulting from third party contracts with Charter School's vendors, contractors, partners or sponsors.

FISCAL MATTERS

District Oversight Costs

The District may charge for the actual costs of oversight of Charter School not to exceed 1% of Charter School's revenue, or the District may charge for the actual costs of oversight of Charter School not to exceed 3% if Charter School is able to obtain substantially rent free facilities from the District. Notwithstanding the foregoing, the District may charge the maximum oversight fee allowed under the law as it may change from time to time. The oversight fee provided herein is separate and distinct from the charges arising under charter school facilities use agreements.

Cash Reserves

Charter School acknowledges that the recommended cash reserve is 5% of expenditures, as provided in section 15450, title 5 of the California Code of Regulations.

Third Party Contracts

Charter School shall ensure that all third party contracts, whether oral or written, for supplies, equipment, goods and/or services, for the direct or indirect benefit of, or otherwise related to the operation of, Charter School, require compliance with and otherwise conform to all applicable local, state, and federal policies, regulations, laws, and guidelines, including but not limited to licensing and permit requirements as well as requirements related to protection of health and safety.

Special Education Revenue Adjustment/Payment for Services

In the event that Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State's adjustment to allocation of special education revenues from Charter School, Charter School authorizes the District to deduct any and all of the in lieu property taxes that Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

Student Body Funds

Charter School shall supervise and manage any and all student body funds in a manner consistent with the provisions of Education Code sections 48930-48938. Charter School shall include and address student body funds in its financial reports, and ensure that such funds are included and addressed in Charter School's annual audit as a stand-alone item.

Audit and Inspection of Records

Charter School agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- Charter School is subject to District oversight.

- The District's statutory oversight responsibility continues throughout the life of the Charter and requires that the District, among other things, monitors the fiscal condition of Charter School.

- The District is authorized to revoke this Charter for, among other reasons, the failure of Charter School to meet generally accepted accounting principles or if Charter School engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit Charter School books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of Charter School's financial information,
- Charter School's debt structure,
- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- Charter School's enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.

Charter School shall cooperate fully with such audits and shall make available any and all records necessary for the performance of the audit upon 30 days notice to Charter School. When 30 days notice may defeat the purpose of the audit, the District may conduct the audit upon 24- hours notice.

Fiscal Policies and Procedures

Charter School shall establish, maintain, and implement sound fiscal policies and procedures, including but not limited to internal controls governing all financial and business-related activities.

Apportionment Eligibility for Students Over 19 Years of Age

Charter School acknowledges that, in order for a pupil over nineteen (19) years of age to remain eligible for generating charter school apportionment, the pupil shall be continuously enrolled in public school and make satisfactory progress toward award of a high school diploma. (Ed. Code § 47612(b).)

Local Control and Accountability Plan

In accordance with California Education Code sections 47604.33 and 47606.5, Charter School shall include in its annual update a "listing and description of the expenditures for the fiscal year implementing the specific actions included in the charter as a result of the reviews and assessment required by paragraph (1)" of section 47606.5(a). These expenditures shall be "classified using the California School Accounting Manual pursuant to Section 41010." (Ed. Code § 47606.5(b).)

Element 15 – Charter School Closure Procedures 252
Additional Provisions 259

ASSURANCES, AFFIRMATIONS, and DECLARATIONS

[Los Angeles Academy of Arts and Enterprise] (also referred to herein as "[LAAAE]" and "Charter School") shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter "Ed. Code") § 47605(d)(1).)

- Not charge tuition. (Ed. Code § 47605(d)(1).)

- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code. (Ed. Code § 47605(d)(1); Ed. Code § 220.)

- Except as provided in Education Code section 47605(d)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(d)(1).)

- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(d)(2)(A).)

- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School's capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as "LAUSD" and "District"). (Ed. Code § 47605(d)(2)(B).)

- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, Charter School shall notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. (Ed. Code § 47605(d)(3).)

- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(c)(1).)

- Consult, on a regular basis, with Charter School's parents, legal guardians, and teachers regarding the school's educational programs. (Ed. Code § 47605(c)(2).)

Charter School hereby declares that Charter School, operated as or by its nonprofit public benefit corporation, is and shall be the exclusive public school employer of Charter School's

employees for the purposes of the Educational Employment Relations Act (EERA), Chapter 10.7 (commencing with Section 3540) of Division 4 of Title I of the Government Code. Charter School shall comply with all provisions of the EERA and shall act independently from LAUSD for collective bargaining purposes. In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes.

NOTE: This Charter contains specific "District Required Language" (DRL), including the *Assurances, Affirmations, and Declarations* section above. The DRL should be highlighted in gray within each Charter element or section. The final section of the Charter provides a consolidated addendum of the DRL. This intentional redundancy facilitates efficient charter petition review while ensuring ready access to the DRL for any given section of the Charter. To the extent that any inconsistency may exist between any provision contained within the body of the Charter and the DRL contained in the addendum, the provisions of the DRL addendum shall control.

INTRODUCTION

Los Angeles Academy of Arts and Enterprise (LAAAE) is a small, independent charter school serving approximately 300 students in grades 6-12 who primarily reside in Koreatown and Westlake. With a respective population per square mile at 42,611 and 38,214, these two neighborhoods rank the highest and second highest in population density in the entire county. Only one other neighborhood in the county exceeds a population density of 25,500 per square mile.[1] Financial struggle is visible in the community. At $26,757 and $30,558, Westlake and Koreatown rank six and 14 respectively in lowest median income out of 265 neighborhoods that generated data.[1] Los Angeles Homeless Services Authority (2019)[2] reported that there was an approximate homeless population of 1,869 in Westlake and another 587 in Koreatown. About 40% of adults have less than a high school diploma in Koreatown. In Westlake, that number is about 59%. For both communities, approximately 68% of residents are foreign born
.

Crime and violence are palpable in these communities. For the May 2019 to November 2019 reporting period, Westlake ranked 23 (out of 209) in violent crimes; Koreatown ranked 52 (Los Angeles Times, n.d.). Both neighborhoods are also recognized as the birthplace of Mara Salvatrucha 13 (InSight Crime, 2018). Commonly referred to as MS-13, this gang "is one of the world's largest and arguably most violent street gangs" (InSight Crime, 2018, p. 3). MS-13 was the first U.S. street gang designated by the U.S. Treasury Department as a transnational criminal organization (United States Department of the Treasury, 2012; United States Department of the Treasury, 2015). The gang has also been the subject of numerous documentaries such as: World's Most Dangerous Gang: Power of Fear (National Geographic, 2019); Gangland: Capitol Killers (History Channel, 2010); and MS13: World's Most Dangerous Gang (National Geographic, 2006). Although Hispanics account for approximately one-half of the community's population, they have historically been overrepresented at the school. Specifically, during the previous term, Hispanics accounted for over 90% of the annual enrollment. The data in this petition will demonstrate how LAAAE is serving the educational needs in this community.

On August 24, 2004, Los Angeles Unified School District (LAUSD) authorized LAAAE to open its doors in September 2005. Upon initial authorization, LAAAE only offered sixth grade. Adding one grade each subsequent year, LAAAE graduated its first senior

class in June 2012. LAAAE has now graduated eight senior classes. LAAAE's charter was most recently renewed by LAUSD in March 2015. LAAAE is currently collocated with Roybal Learning Center at 1200 West Colton Street, Los Angeles. LAAAE is submitting this petition for approval of a five-year charter renewal commencing on July 1, 2020. LAAAE meets the minimum statutory criteria for renewal set forth in Ed. Code § 47607(b).

ELEMENT 1: THE EDUCATIONAL PROGRAM

Element 1 – The Educational Program

"The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners." **(Ed. Code § 47605(b)(5)(A)(i).)**

"The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals." **(Ed. Code § 47605(b)(5)(A)(ii).)**

"If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A" to "G" admissions criteria may be considered to meet college entrance requirements." **(Ed. Code § 47605(b)(5)(A)(iii).)**

LOCAL CONTROL FUNDING FORMULA (LCFF) AND LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP)

Charter School acknowledges and agrees that it must comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula), as they may be amended from time to time, which include the requirement that Charter School shall annually submit a Local Control and Accountability Plan (LCAP)/annual update to the Los Angeles County Superintendent of Schools and the Charter Schools Division (CSD) on or before July 1. In accordance with Education Code sections 47604.33 and 47606.5, Charter School shall annually update its goals and annual actions to achieve those goals identified in the charter pursuant to Education Code section 47605(b)(5)(A)(ii), using the Local Control and Accountability Plan template adopted by the State Board of Education, as it may be changed from time to time. Charter School shall comply with all requirements of Education Code section 47606.5, including but not limited to the requirement that Charter School "shall consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the local control and accountability plan and annual update to the local control and accountability plan." (Ed. Code § 47606.5(e).)

ACADEMIC CALENDAR AND SCHEDULES

Charter School shall offer, at a minimum, the number of minutes of instruction set forth in Education Code section 47612.5, and the number of school days required by *California Code of Regulations*, title 5, section 11960.

MATHEMATICS PLACEMENT

Charter School shall comply with all applicable requirements of the California Mathematics Placement Act of 2015.

TRANSITIONAL KINDERGARTEN

Charter School shall comply with all applicable requirements regarding transitional kindergarten. For purposes of admission to Charter School, transitional kindergarten shall be considered a part of kindergarten, and therefore students enrolled in transitional kindergarten at Charter School shall be considered existing students of Charter School for purposes of Charter School's admissions, enrollment, and lottery.

HIGH SCHOOL EXIT EXAMINATION

Charter School shall comply with all applicable requirements of Education Code sections 60850 – 60859, including but not limited to the requirements of sections 60851.6 and 60852.3.

WASC ACCREDITATION

If Charter School serves students in grades 9-12, before Charter School graduates its first class of students, Charter School shall obtain, and thereafter maintain, Western Association of Schools and Colleges (WASC) accreditation.

ENGLISH LEARNERS

Charter School shall identify potential English Learners in a timely manner in accordance with all applicable legal requirements. Charter School must provide all English Learners with an effective English language acquisition program that also affords meaningful and equitable access to Charter School's core academic curriculum. Instructional plans for English Learners must be (1) based on sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

On an annual basis, upon request, Charter School shall submit a certification to the LAUSD Charter Schools Division (CSD) that certifies that Charter School has adopted and is implementing either the LAUSD English Learner Master Plan *or* Charter School's own English Learner (EL) Master Plan. If Charter School chooses to implement its own EL Master Plan, the plan shall provide a detailed description of Charter School's EL program, and shall address the following:

- How Charter School's EL Master Plan provides all of its English Learners, including but not limited to Long Term English Learners (LTELs) with an effective English language acquisition program as well as meaningful and equitable access to Charter School's core academic curriculum
- How English Learners' specific needs will be identified
- What services will be offered
- How, where, and by whom the services will be provided
- How Charter School will evaluate its EL program each year, and how the results of this evaluation will be used to improve the program, including the provision of EL services

Each year, Charter School shall provide to the CSD a report on its annual evaluation of the effectiveness of its EL program. Upon request, Charter School shall provide a copy of its current EL Master Plan to the CSD.

Charter School shall administer the CELDT/ELPAC annually in accordance with federal and state requirements.

Charter School shall reclassify English Learners in accordance with federal and state requirements.

Charter School shall provide parent outreach services and meaningfully inform parents with limited English proficiency of important information regarding Charter School matters to the same extent as other parents.

STUDENTS WITH DISABILITIES

Federal Law Compliance

Charter School shall adhere to all provisions of federal law related to students with disabilities including, but not limited to, section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act of 2004.

Special Education Program

Charter School shall ensure that no student otherwise eligible to enroll in Charter School shall be denied, directly or indirectly, admission due to a disability or to Charter School's inability to provide necessary services. Charter School acknowledges that policies and procedures are in place to ensure the recruitment, enrollment, service, and retention of students with disabilities at LAUSD-authorized charter schools, including Charter School.

Prior to LAUSD Board of Education approval of an initial Charter petition, and if a renewing Charter School intends to operate as a "school of the district" for special education services, Charter School shall execute a Memorandum of Understanding ("MOU") by and between LAUSD and Charter School regarding the provision and funding of special education services consistent with applicable state law and the LAUSD Special

Education Local Plan Area ("SELPA") Local Plan for Special Education and shall be considered a "public school of the District" for purposes of Special Education pursuant to Education Code Section 47641(b). However, Charter School reserves the right to make written verifiable assurances that it may become an independent local educational agency (LEA) and join a SELPA pursuant to Education Code Section 47641 (a) either on its own or with a grouping of charter school LEAs as a consortium following the requirements of Education Code section 56195.3(b).

SELPA Reorganization

The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code section 56195.1(a). As a single-District SELPA, the District has created two charter school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full implementation of the reorganized LAUSD SELPA commenced in the 2013-2014 school year requiring all District-authorized charter schools to elect one of the three options available under the LAUSD SELPA. Prior to an option election, all District-authorized charter schools were required to participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that had previously executed an Option 3 Memorandum of Understanding ("MOU"), were required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated Program schools do not have LEA status for the purposes of special education but will function in a similar role in that each charter school will be responsible for all special education requirements, including but not limited to services, placement, due process, related services, special education classes, and special education supports. Charter schools that have elected to participate in a District-operated programs option may apply for membership in the Charter-operated Program section of the SELPA. Charter schools accepted for participation in the Charter-operated Programs section receive support from a Special Education Director for the Charter-operated Programs.

Modified Consent Decree Requirements

All charter schools approved by the LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of the *Chanda Smith* Modified Consent Decree ("MCD") and other court orders imposed upon the District pertaining to special education. The MCD is a consent decree entered in a federal court class action lawsuit initially brought on behalf of students with disabilities in LAUSD. It is an agreement of the parties approved by the federal court and monitored by a court-appointed independent monitor. The MCD includes nineteen statistically measureable outcomes and facilities obligations that the District has to achieve to disengage from the MCD and federal court oversight. All charter schools are required to use the District's Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software system used for online Individualized Education Programs ("IEPs") and tracking of related services provided to students during the course of their education.

As part of fulfilling the District's obligations under the MCD, student level data requests from District-operated and Charter-operated charter schools are made on a regular basis. The requested data must be submitted in the Office of the Independent Monitor's ("OIM") required format in accordance with the OIM's required timelines and as follows:

- End of Year Suspension

  District ID, SSIS ID, last name, first name, date of birth, gender, grade, date of suspension, number of days suspended, and reason for suspension.

- Statewide Assessment Data

  The standard file including District ID.

- Norm day
  District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- CBEDS

- All Students enrolled as of December 1 of each school year

  District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- Dropout
  District ID, SSIS ID, last name, first name, middle name, date of birth, grade, last location, school name and local district

- Monthly SESAC and Suspension data

- Graduation roster from all charter schools with 12th grade students with disabilities

The MCD requires charter schools to implement the District's integrated student information system, which is currently referred to as My Integrated Student Information System (MiSiS). MiSiS is a suite of applications which is designed to capture all District student data. All charter schools are required to utilize MiSiS directly or interface with MiSiS via a web based Application Programming Interface (API) in compliance with the requirements of the MCD and applicable timelines. Upon charter school full utilization of MiSiS either directly or via a web based API, the list of required data above will automatically be captured within MiSiS.

General Information

The contact person for Charter School is:	David Calvo, Principal
The contact address for Charter School is:	PO Box 26750 Los Angeles, CA 90026
The contact phone number for Charter School is:	213-487-0600
The proposed address or ZIP Code of the target community to be served by Charter School is:	1200 West Colton Street Los Angeles, CA 90026
This location is in LAUSD Board District:	2
This location is in LAUSD Local District:	Central
The grade configuration of Charter School is:	6-12
The number of students in the first year will be:	333
The grade level(s) of the students in the first year will be:	6-12
Charter School's scheduled first day of instruction in 2020-2025:	August 10, 2020
The enrollment capacity is: (Enrollment capacity is defined as all students who are enrolled in Charter School regardless of student residency).	500
The type of instructional calendar (e.g. traditional/year-round, single track/multi-track, extended day/year) will be:	Traditional
The bell schedule for Charter School will be:	Both straight schedule (1-7) and block
The term of this charter shall be from:	July 1, 2020 to June 30, 2025

Community Need for Charter School

Los Angeles Academy of Arts and Enterprise (LAAAE) is in its 15th year of operation and has become to be known in the community as a school that supports students with high needs. LAAAE has been recognized for four consecutive years (2015-2019) by the California PBIS Coalition for demonstrating systems of tiered interventions for struggling learners. (LAAAE is the only California charter school to earn Platinum recognition in the award's history. LAAAE was also the only school within the LAUSD geography to be awarded Platinum recognition.)[3] Despite the challenges of serving a predominantly minority, immigrant, and socially and economically underserved population, LAAAE is making great strides toward providing support and increasing student achievement and filling an educational void in its community.

[3] California PBIS Coalition. (n.d.). State Recognition System. Schools Recognized. Retrieved from www.pbisca.org

Meeting the needs of the community

LAAAE is filling an educational void in the community it serves. As described in the following tables and narrative, the home schools of most LAAAE students are significantly larger and struggle to meet the needs of disadvantaged and struggling learners. Since 2010, LAAAE has implemented measures yielding improved student achievement outcomes and remarkable Smarter Balanced results as described in the section below.

LAAAE has analyzed available data during its charter term and compared with resident schools and other entities. California Education Code § 47607(b)(4) indicates that "[t]he entity that granted the charter determines that the academic performance of the charter school is at least equal to the academic performance of the public schools that the charter school pupils would otherwise have been required to attend." The threshold for including a resident school has been 10 students "who would otherwise have been required to attend" the resident school. When filing reports with LAUSD, such as for Prop 39, LAAAE has listed the first school that appears in the Resident School Identifier, as the home school for students. That is, a student can only attend one school at a time.

LAAAE contends that four schools should not be added to the resident school data set because exactly 10 students live in the Jefferson Zone of Choice. Since Dr. Maya Angelou Community High School is the first listed school for these 10 students when searching for a home school, that is the school that has been included in LAAAE's previous resident schools performance communications. From a mathematical perspective, 10 students should contribute only one data point in the resident schools analysis. Compounding this is that § 47607(b)(4) further indicates that the performance analysis should take "into account the composition of the pupil population that is served at LAAAE." Because of outreach to marginalized families and youth, LAAAE serves a greater percentage of socio economically disadvantaged students and English learners, including newcomers and ever-English learners, than these schools. Below are the most recent demographic data (for 2018-2019).

	English Learners			Free or Reduced Lunch
	0-3 Yrs.	EL	Ever-ELs	
LAAAE	12.54%	37.28%	88.85%	98.26%

Angelou	11.44%	31.78%	81.78%	96.56%
Jefferson	10.71%	24.84%	73.76%	94.72%
Nava	8.59%	20.33%	84.17%	97.27%
Santee	8.73%	23.29%	81.34%	95.32%

Source: California Department of Education, DataQuest

LAAAE's data presentation includes the median of the four schools in the Jefferson Zone of Choice, as one data point in the resident schools analyses.

LAAAE also requests consideration for a performance adjustment. LAAAE serves students in grades 6-12. Students in grades six, seven, eight, and eleven are administered the SBAC assessments. Since the other resident schools do not have this configuration, it is appropriate to adjust the scores so that a fair comparison of performance can be made across the middle school grades and high school grades configurations. (In general, statewide data clearly demonstrates different levels of performance across the grade configurations.) Moreover, since most students enroll at LAAAE in middle school, time is needed for students to be brought to grade level and learn English. LAAAE's data generally represents increased performance in the high school, suggesting that students are unquestionably being brought to grade level as the student progresses through the curriculum.

Data from the tables in this section was compiled from data retrieved at California Department of Education's DataQuest (www.dq.cde.ca.gov/Dataquest). In school year 2018-2019, LAAAE's resident high schools' median SBAC proficiency performance was 37.74% and 19.01% for English language arts and mathematics respectively. LAAAE's high school adjusted proficiency scores were 54.54% and 13.33% for English language arts and mathematics. (This high school adjusted proficiency is the sole performance of the eleventh grade as opposed to the performance of the entire student body which includes middle school students.) Accordingly, LAAAE's 2018-2019 high school scores exceed the median performance for English language arts, and the performance of other identified entities.

Source: California Department of Education, DataQuest

In the school year 2018-2019, LAAAE's resident middle schools' median proficiency performance was 27.52% and 15.99% for English language arts and mathematics respectively. LAAAE's middle school adjusted proficiency scores were 20.59% and 12.75% for English language arts and mathematics respectively. (This middle school adjusted proficiency is the sole performance of the middle school grades as opposed to the performance of the entire student body which includes high school students.) LAAAE's performance was near the median.

In the school year 2015-2016, LAAAE's resident middle schools' median proficiency performance was 21.50% and 12.50% for English language arts and mathematics

respectively. LAAAE's middle school adjusted proficiency scores were 22.1% and 10.5% for English language arts and mathematics respectively. LAAAE was near the median.

Analyzing the cumulative distance from median data throughout LAAAE's term, LAAAE achieved a positive distance from resident school's median in both English language arts and mathematics.

MEDIAN PERFORMANCE ANALYSIS	Distance from Median ELA	Math
2019 High School Grades	16.80%	-1.68%
2019 Middle School Grades	-6.93%	-3.24%
2018 High School Grades	-2.06%	10.14%
2018 Middle School Grades	-0.06%	4.83%
2017 High School Grades	13.20%	-8.37%
2017 Middle School Grades	-2.14%	-4.86%
2016 High School Grades	11.00%	11.50%
2016 Middle School Grades	0.60%	-2.00%
Charter Term Median Performance	30.42%	6.34%

Graduation Performance Analysis

When comparing graduation performance across resident schools, it's important to consider that graduation criteria for LAAAE and LAUSD differ. However, both institutions desire an A-G program for their students, since admission to the University of California (UC) and California State University (CSU) requires students to complete an A-G program. Thus, the A-G completion rate is the appropriate index to consider for high school graduation. [On June 9, 2015 the LAUSD Board of Education adopted Equity on A-G: Reaffirming Our Commitment to A-G Life Preparation for All (Res-070-14/15). As is suggested in its name, this resolution (page 820) reaffirms LAUSD's commitment to an A-G course sequence for high school students.] An A-G Adjusted Graduation Rate can be easily calculated by multiplying the percentage of graduates by the percentage of graduates meeting A-G program completion.

Notwithstanding the A-G Adjusted Rate described, students who do not timely graduate within four years are encouraged to remain enrolled and graduate. About half of those who do not graduate within four years, graduate in their fifth year. Some students take a sixth year to finish. Student analysis of those who did not timely graduate with their cohort, indicate that most of them enrolled at LAAAE post ninth grade census date. That is, these students came to LAAAE seeking a different high school opportunity than the one they started at. However, their time to graduate is not extended when the student transfers into LAAAE.

LAAAE works diligently with students who require additional time beyond four years to fulfill graduation requirements and makes every effort to maintain the students. This practice has led to a lower dropout rate, leading to the ultimate goal for all education institutions - graduation for all. LAAAE has made the decision to support these students and see them through to the receipt of a diploma, nonetheless. While the focus remains on ensuring a four-year cohort graduation rate, some student needs do extend beyond that timeline and LAAAE supports all students.

Although LAAAE strives to work with students through to graduation, this may not be the case as some of the resident schools. LAUSD has an established practice to provide "options" for students who are not meeting expectations. LAUSD's Parent and Student Handbook (page 12) illustrates these options. Once a student enrolls in an option program, that student is no longer calculated in the cohort graduation rate for the comprehensive school, and becomes part of the alternative school graduation rate calculation.

Another consideration when reviewing the graduation rate is that LAAAE has a no "D" grade policy. This is because the University of California will not accept A-G coursework that is not "a letter grade of C or better." High school students attending LAUSD schools can earn and use D grades toward graduation.

Lastly, it is noteworthy to add that because LAAAE is a small school, and has small graduation cohort sizes, a few students can account for significant percentage

fluctuations. LAAAE has the smallest graduation cohort among the Resident Schools for each of the years in review.

Below are tables demonstrating how LAAAE's A-G Adjusted Rate exceeds the median A-G Adjusted Rate of resident schools, the A-G Adjusted Rates of LAUSD, County of Los Angeles, and State of California. LAAAE data indicates LAAAE is leading the resident schools and other LEAs in both schoolwide and subgroup A-G completion. Students with Disabilities are not included because too few students were tested across the schools and the data sample is insufficient to meet the threshold for public reporting.

(Because the 2015-2016 cohort sizes for the economically disadvantaged and English learner subgroups are not publicly available, the A-G Adjusted Rates could not be calculated for these subgroups. However, data does exist for how many students graduated with and without an A-G program. Dividing them both, provides the percentage of the students graduating with and without the A-G program.)

Source: California Department of Education, DataQuest

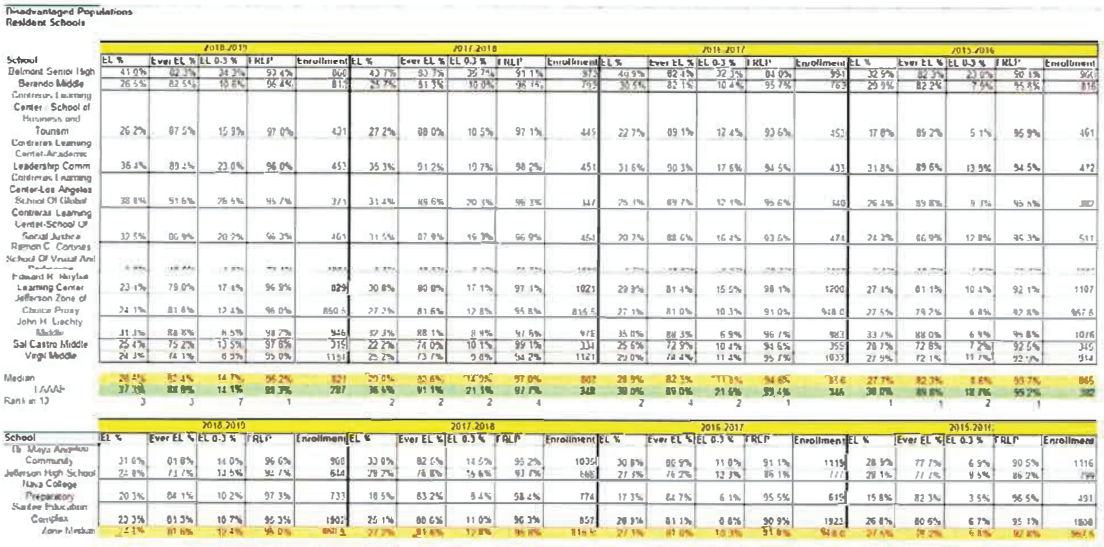
Another consideration for data analysis is LAAAE's largely disadvantaged student body. During the previous charter term, LAAAE ranked high among resident schools in serving an English learner population, including newcomer population.



Source: (*CDE Data Quest, School Demographics, English Learners)*

A Similar Schools Analysis is not appropriate because the demographics of the identified Similar Schools are notably different than those of LAAAE. For example, the English

learner median for the provided Similar Schools is seven percent. LAAAE's English learner rate is 37.3% - just over 30% from the median schools. The Ever English learner median for the similar schools is 59.7%. The Ever English learner rate, a figure that includes the percentage of Reclassified Fluent-English-Proficient (RFEP) students – another PSAA metric, for LAAAE is 88.9% - about 30% above the median for Similar Schools.

For the 2017-2018 school year, the English learner median and Ever English learner medians are 8.8% and 58.5% respectively. These figures for LAAAE are 36.5% and 91.1%. The median for low socioeconomic status students is 84.8%, while LAAAE is 96.3%.

For the 2016-2017 school year, the English learner median and Ever English learner medians are 9.3% and 57.8% respectively. These figures for LAAAE are 38% and 89.0%. The median for low socioeconomic status students is 83.2%, while LAAAE is 99.4%.

For the 2015-2016 school year, the English learner median and Ever English learner medians are 8.8% and 57.0% respectively. These figures for LAAAE are 38% and 89.8%. The median for low socioeconomic status students is 87.8%, while LAAAE's is 98.7%. It is noteworthy to add that none of the similar schools are middle schools. Two serve middle grades, with one of the two also serving elementary grades. All fourteen provide high school programming. Data details are below.

Other Data

Other related data support LAAAE's academic outcomes. For example, LAAAE qualifies for CCSA's public advocacy support for renewal within its accountability framework, which is based on publicly available academic indicators. LAAAE met the criteria for CCSA renewal support with each accountability framework which includes the current version starting in 2019 and the previous version which covered charter term years 2016

– 2018. Moreover, because of LAAAE's academic performance, CCSA did not need to conduct a Multiple Measure Review during any of those years.

Similarly because of LAAAE's academic outcomes, LAAAE has not been identified for Differentiated Assistance (California Accountability) while LAUSD has. LAAAE has also not been identified for either Comprehensive Support and Improvement (CSI) or Additional Targeted Support and Improvement (ATSI) under Federal Accountability (ESSA), while multiple Resident Schools have been so identified.

Both LAAAE's internal and state data meet the conditions of the first benchmark. LAAAE's support from CCSA and exclusion from school designations for underperforming schools further support this.

Student Population To Be Served

School records indicate that the significant majority are classified as economically disadvantaged and Latino. About one third are English learners. Students come to LAAAE from the surrounding neighborhood, either by walking to school or riding public transportation.

Since opening in 2005, the LAAAE has attracted students and families primarily due to its small learning community and safe environment for students and families. Gradually, as arts and enterprise courses have become more robust, the school has attracted students specifically interested in the study of arts and enterprise. Over the next five years, LAAAE expects to continue serving students in grades 6-12 with similar demographics of the surrounding community and reflective of the existing student population as described above.

Five-Year Student Enrollment Rollout Plan

Grade Level	Current (2019-20)	Year 1 (2020-21)	Year 2 (2021-22)	Year 3 (2022-23)	Year 4 (2023-24)	Year 5 (2024-25)
6th	35	40	46	60	60	75
7th	26	50	45	60	75	75
8th	56	28	50	45	60	75
9th	67	75	50	60	75	75
10th	42	67	75	50	60	75
11th	31	42	67	75	50	50
12th	37	31	42	67	75	75
TOTAL	294	333	375	417	455	500

Meeting the Needs of LAAAE's Student Population

Reflecting on the academic improvements, particularly in relation to nearby schools, merits additional review into various other quantitative and qualitative data. The data reflects that LAAAE serves a significant English learner population since the beginning of the charter term. This petition describes the comprehensive program necessary to meet the needs of our students.

Attendance Rates

LAAAE records indicate that it has maintained a mid-90's average daily attendance (94.2% - 96.9%) during the term of this charter and anticipates a continued ADA of at least 95%.

Surrounding Schools Data

The charts above and below provide a comprehensive analysis of the schools nearby including resident and similar school demographics. They do not reappear here in the to avoid repetition.

Program Enhancement

LAAAE has pushed towards enhancing teacher professional development and refining school staffing to support teacher effectiveness. Faculty have participated in an array of professional development workshops including: Specifically Designed Academic Instruction in English (SDAIE) strategies, use of Illuminate, *A Framework for Understanding Poverty*, as well as a school-wide workshop on *Compassionate Communication* presented by the author of the book, *Words Can Change Your Brain.* Professional development has also included regulatory training such as child abuse and blood borne pathogens. Faculty have also engaged in offsite professional development through providers such as: Western Association of Schools and Colleges (WASC), Los Angeles Unified School District (LAUSD), Los Angeles County Office of Education (LACOE), the Association of Supervision and Curriculum Development (ASCD) and an array of discipline specific conferences. Topics addressed at these workshops varied and included: Common Core State Standards, English learners, special education, discipline, and instructional practices.

Academic Support - The bell schedule includes two late start days. This time is used for professional development, collaboration, and processes such as Response to Intervention (RtI). The bell schedule includes 90-minute blocks. The extended class time allows teachers and students to become more engaged in lessons. The 90-minute block schedule also allows for extra time needed to set up science experiments, change apparel for physical education and dance, and work on project-based activities. Nutrition and advisory are also part of the school day. Advisory includes character education curriculum, which focuses on addressing many of the school-wide learner outcomes especially in the areas of social skills, leadership, communication, and self-advocacy.

LAAAE implements Multi-Tiered Systems of Supports as part of its academic support system. MTSS is an evidence-based model that uses data to inform decisions on how best to support students. MTSS integrates both academic and behavioral instruction and intervention. The integrated instruction and intervention is delivered to students in varying intensities (multiple tiers) based on student need. Students who are struggling to achieve mastery will receive targeted assistance from instructional and support staff and will be provided with multiple opportunities to improve their performance and master content.

Reading intervention supports students reading below grade level. LAAAE currently utilizes i-Ready and NewsELA. A reading intervention class is offered as a component of the student's schedule with placement being determined by reading ability and space on the student's schedule. A student will not be assigned a reading intervention class if the student is far behind in credits and such scheduling may further impede on-time graduation. Throughout the school year, onsite professional development activities for teachers have included the needs of students qualifying for special education and English learners. These professional development activities are conducted by both onsite personnel and external consultants. The Special Education Coordinator works closely with teachers to ensure that accommodations are made in the least restrictive environment. There is a resource room for students who need additional supports. Students in the special education program who believe they need more time or greater assistance on assignments are able to avail themselves of this resource before-, during- and after-school. To ensure access throughout the school day, teachers are notified ahead of time of this resource available to students in the special education program. RtI is used to help students who are struggling either academically or behaviorally while continuing to give them access to rigorous courses. Special Education and English learner paraprofessionals also provides support for both during the school day and after school.

Expanded Student Services – To better serve its challenging student population, LAAAE expanded its counseling services to provide comprehensive support services. Since this expansion, the RtI process has improved and become more robust. Mental health services have also increased and include group therapy topics such as: depression, conflict resolution, anger management, and bereavement support. Mental health services are provided with parent consultation and authorization. LAAAE has a comprehensive student services team to meet the needs of students.

Partnership with Los Angeles County Department of Mental Health – With this partnership, LAAAE is able to provide additional mental health services, such as depression, behavioral problems, aggression, impulsivity, anxiety, substance abuse, bullying, and trauma.

Areas of Future Growth

LAAAE's last WASC long range plan, which covers six years, is excerpted below. (LAAAE's next Self Study will start in school year 2020-2021).

1. The school needs to increase Student Average Daily Attendance (ADA) and reduce the number of students coming in tardy to school to improve student achievement for all students and implement ways to measure this on a schoolwide basis.

2. Further develop and implement a robust literacy intervention program to construct a strong foundation on which to build deep content knowledge via curricular resources, assessments, intervention, teachers and supplemental materials.

3. The school needs to increase curriculum rigor for all students to increase the number of students who are college ready as measured by the EAP, ELM, SAT/ACT and AP exams.

4. The school needs to create a clear Positive Behavior and Intervention Support (PBIS) discipline policy that is adhered to by all faculty and staff. Classroom rules and expectations are not consistent throughout the campus.

5. Teachers are just now starting to use data to drive instruction; the school needs to create common formative and common summative assessments across the curriculums: each department and subject should have the same set of criterion for data analysis.

LAAAE has made significant growth towards these long range goals and continues making progress toward these and other goals identified in other school plans such as the LCAP. LAAAE takes pride in meeting the needs of the students and community it serves and will continue to work with the support of its stakeholders to increase student achievement from year to year. Stakeholders have frequent opportunity to discuss the progress of goals in advisory meetings, Parent Teacher Organization meetings, biannual school wide retreats, and board meetings.

Goals and Philosophy

The mission of LAAAE is to prepare students for leadership in the arts and business, where creativity, academic knowledge and financial literacy are essential for success. We are developing a generation of diverse, educated, compassionate leaders in the arts and business by providing a dynamic, innovative education that integrates the four lenses of learning: Academics, Arts, Enterprise, and Personal Growth.

- Academics: The LAAAE curriculum fully addresses the core academic content standards of the California State Board of Education and meets the University of California A-G admission requirements.
- The Arts: LAAAE provides comprehensive courses in the visual and performing arts.
- Enterprise: LAAAE provides business education courses that teach core and advanced principles of enterprise, economics, and entrepreneurship.
- Personal Growth: LAAAE focuses on personal growth and responsibility to self and others, through character education and community service.

At LAAAE, we believe that the arts are powerful tools that engage students, not only in academic studies, but also in life itself. The arts engage students at a profound level,

validating different ways of learning and expressing themselves, while overcoming language and cultural differences. We believe that the confluence of arts and enterprise can lead to more productive, passionate students, engaged in their studies, better able to acquire necessary skills, and thus optimally prepared to pursue their future livelihoods. We are committed to equip students with the skills and personal growth necessary to be successful scholars throughout life. The vision of the school is to effectively integrate academics, the arts and enterprise into student educational experiences which will prepare tomorrow's leaders. Our belief is that quality instruction combined with community partnerships will enhance both student literacy and meaningful, purposeful, and enjoyable educational learning opportunities.

The concept to establish LAAAE originated with Moctesuma Esparza, an award-winning filmmaker, who produced many movies including "Selena," The "Milagro Beanfield War," "Gettysburg," "Dorothy Dandridge," "Selma Lord Selma," "Price of Glory," and "The Ballad of Gregorio Cortez." Receiving over 100 honors, including an Academy Award nomination, Esparza grew up in southern California and graduated from UCLA with a bachelor's and master's degree in film. He was active in the Chicano civil rights movement in the 1960's.

In addition to movie making, he remains active in the community and served on the Board of Directors of the Los Angeles County High School for the Performing Arts on the California State University, Los Angeles campus. This experience led Mr. Esparza to envision a charter school as an option to the Los Angeles County High School for the Performing Arts, for students who have limited or no access there, but have dreams and talents that need to be nurtured and developed. He wanted all students, regardless of socioeconomic status, to have access to both a college preparatory curriculum that focuses on visual and performing arts and enterprise. Thus, LAAAE was founded and continues to develop into a viable public education option for students and families.

Educational Philosophy

LAAAE believes that all people have an abiding need for meaning. People want to connect time and space, experience and event, body and spirit, intellect and emotion. We create art to make these connections, to express the otherwise inexpressible. A society without the arts is unimaginable. Our cultural diversity is a vast resource for any arts discipline, and should be used to help students understand themselves and others. The different art forms provide a variety of lenses for examining the cultures and artistic contributions of our nation and others around the world. Curriculum without the arts is not a complete education.

The Arts Education Partnership reported that 45 states require districts or schools to provide arts instruction; 26 states have an arts requirement for high school graduation. Americans for the Arts (2005) revealed that the American people overwhelmingly believe that arts are vital to a well-rounded education. Yet, despite federal and state

policies aimed at promoting the arts and despite the general public's opinion on arts, arts education is disappearing from our schools (Holcomb, 2007).

The study of the arts has been shown to engage students in the learning experience and promote personal accountability while encouraging teamwork, emphasize synthesis of information as well as support divergent thinking, and to allow thinking of the higher values of life. As such, it provides linkages and support for all other curricula, including that which takes place outside the school walls.

The arts have been shown to be a powerful gateway to study, especially for those at risk. Students who have had difficulty learning find self-validation, self-expression and comfort in the arts. The arts provide an atmosphere of engagement so that studies that had previously been interpreted as too difficult to attempt, become more reachable. The arts also provide an environment where communication can be non-verbal. So ability can be seen without misconception, brought about beyond language differences and linguistic minorities. Comprehensive research on arts education and integration is provided in the Arts Integration section of Instructional Design.

LAAAE views economics and arts as not only compatible studies but also symbiotic curricular mates. As the world becomes more complex, young people face a large and increasing variety of important economic decisions, both in their personal lives and as citizens in a global society. By the time students graduate from high school, they will need to understand enough about economics to make reasoned judgments about personal finances and economic policies in order to succeed. Much research supports this perspective. All 50 states and the District of Columbia include economics in their K-12 standards. Moreover personal finance is included in 13 states as a high school requirement. Despite the strong support for economics and finance, support for entrepreneurship is lagging. According to a 2009 survey by the Council for Economic Education, only four states require study about entrepreneurship as a component of a course needed to graduate. Entrepreneurship education should be universal. Entrepreneurship is a key driver in the economy. People exposed to entrepreneurship frequently express that they have more opportunity to exercise creative freedoms, higher self-esteem, and an overall sense of control over their own lives. Forty percent of youth between the ages of 8 and 24 would like to start a business or have already done so. Not every student will start their own business, but everyone benefits from acquiring an entrepreneurial mindset. "Entrepreneurship education is the fundamental tool for reversing the youth unemployment crisis globally. It is a tool that can arm young people not only to start businesses and create jobs, but also to be opportunity-focused, flexible employees ready to fill existing jobs."

"It is to the benefit of every student and every community to establish an entrepreneurial culture in every school" for the following four reasons: (1) Entrepreneurship education provides students an alternate career path at any time in their lives; (2) It provides a background for the teaching of academic subjects giving those studies a grounding in the real world; (3) Entrepreneurial concepts and skills require students to be innovative and

use critical thinking skills; and (4) Entrepreneurial skills give students a way to give back to their communities (Coulson, 2014).

LAAAE is not a school that is apart from community and industry. LAAAE links arts, enterprise and community in order to heighten student engagement and excitement in learning, to increase skills, job opportunities and career horizons. Entrepreneurship and business education are taught at LAAAE using a hands-on approach, by tapping into students' creativity and by making them move around the business world to show them how it works.

LAAAE supports students' multiple intelligences and learning styles. Moreover, students are encouraged to develop self-discovery and self-worth, in order to gain social and emotional success, and to find their identity in society and community, as well as fulfill their rights and responsibilities as citizens.

Charter School students will acquire and develop the skills that will ensure future academic success. The school's goal is that each of our students will enter and graduate from the college, university and or conservatory of their choice. LAAAE's curriculum is designed to prepare students for a future that demands self-assurance, flexibility and creativity as well as the ability to demonstrate proficiency of core academic knowledge through a variety of media.

What it Means to Be an Educated Person in the 21st Century

A well-educated person in the 21st century must possess the necessary skills gained through the development of core academic subject knowledge. Students must also learn the essential skills for success in today's world, such as critical thinking, problem solving, communication, and collaboration. In congruence to the framework outlined by the Partnership for 21st Century Skills, LAAAE develops student competencies in these 4 areas: (1) Core Subjects and 21st Century Themes, (2) Life and Career Skills, (3) Learning and Innovation Skills, and (4) Information, Media, and Technology Skills.

College and Career readiness

To be successful for college and career, students must master the core subjects and 21st Century Themes. These include the core subject areas: English Language Arts, World Languages, Arts, Mathematics, Economics, Science, Geography, History, Government, and Civics. Additionally, an educated person must also understand academic content at much higher levels, such as having: Global Awareness; Financial, Economic, Business, and Entrepreneurial Literacy; Civic Literacy; Health Literacy and Environmental Literacy

An educated person must have life and career skills that will enable them to be successful in college and their career. These skills include being flexible and adaptable, taking

initiative, having self-direction, interacting positively and collaborative with others, setting and meeting project goals, and being able to guide and lead others.

Students must also have skills in learning and innovation. The focus will be on the 4 Cs: creativity, critical thinking, communication, and collaboration.

- Creativity: able to use a wide range of idea creation techniques, create new and worthwhile ideas, elaborate, refine, analyze, and evaluate their own ideas for improvement in creativity.
- Critical thinking: able to reason effectively, use systems thinking such as analyzing parts to a whole, make sound judgment and decisions based on facts and evidence, and solve problems.
- Communication: able to articulate thoughts clearly and concisely, listening effectively to decipher meaning, and use communication for a range of purposes and to varied audiences.
- Collaboration: able to work effectively and respectfully with diverse teams, exercise flexibility and willingness to help in making compromises, and assume shared responsibilities in working towards common goals

Use of technology

People in the 21st century must interact regularly with technology and various media because the nature of modern times grants us: (1) access to an abundance of information, (2) rapid changes in technology and tools, and (3) the ability to collaborate and make individual contributions on an unprecedented scale. To be effective in the 21st century, people must be able to exhibit a range of functional and critical literacy in relation to technology, information, and media.

- Information Literacy: able to access information efficiently and effectively, and evaluate sources critically
- Media Literacy: able to understand the construction and purpose of media, example how media is experienced differently by individuals and groups, and have fundamental understanding of the ethical/legal issues surrounding the access and use of media.
- Technology Literacy: able to use technology as a tool to research, create, evaluate, and communicate information, use a range of digital technology (e.g., computers, PDAs, media players, GPS, etc.).

The vision and mission of LAAAE are consistent with research on 21st century skills. LAAAE is committed to fulfilling our mission and to providing a research-based curriculum and an educational program designed to prepare students for a future that will increasingly demand academic competence as well as self-assurance and responsibility, critical thinking and creativity.

How Learning Best Occurs

LAAAE believes that learning best occurs under Coalition of Essential Skills Common Principles that have been imbedded in our educational philosophy. They are grounded on increasing learning opportunities, raising academic achievement, providing development opportunities in arts and enterprise, and promoting civic responsibility. To achieve this, LAAAE's educational program will draw upon Dr. Theodore Sizer's Coalition of Essential Schools and its ten principles. A sampling of the integration of the ten principles into LAAAE's philosophy is as follows:

Principle 1. Learning to use one's mind well. LAAAE will focus on helping its pupils learn to use their minds well by holding high expectations and challenging them with rigorous and grade level-specific content.

Principle 2: Less is more, depth over coverage. LAAAE's faculty will employ the Common Core State Standards to focus on each student mastering a limited number of essential skills and areas of knowledge. Curricular decisions will be guided by the aim of thorough student mastery and achievement rather than by effort to merely cover content.

Principle 3: Goals apply to all students. The goals of LAAAE apply to all students. While goals of each individual student may vary, LAAAE will strive for each student to maximize his or her fullest potential.

Principle 4. Personalization. Teaching and learning will be personalized to the maximum feasible extent. To capitalize on this personalization, the school principal and faculty will provide input into the decisions about the details of the course of study, the use of students' and teachers' time, and the choice of teaching materials and specific pedagogies.

Principle 5. Student-as-worker, teacher-as-coach. The governing practical metaphor of LAAAE is the student as worker, rather than the more familiar unilateral teacher as deliverer of instruction. LAAAE faculty's role as coach is to provoke students to learn, how to learn, and thus be independent learners.

Principle 6. Demonstration of mastery. Teaching and learning at LAAAE will be documented and assessed with tools based on student performance of real tasks. Students not at appropriate levels of competence will be provided with intervention and support to assist them to meet grade level standards. Multiple forms of evidence, ranging from ongoing observation of the learner to completion of specific projects will be incorporated to better understand the learner's strengths and needs. Students will also be recognized for their mastery through various award assemblies and activities.

Principle 7. A tone of decency and trust. The tone of LAAAE will explicitly and self-consciously stress values of un-anxious expectation, trust, and decency. Incentives

appropriate for students and teachers will be emphasized. Parents will be key collaborators and vital members of the school community.

Principle 8. Commitment to the entire school. LAAAE's principal and teachers should perceive themselves as generalists first (teachers and scholars in general education) and specialists (experts in a particular discipline) second. Faculty and staff should expect multiple obligations (teacher-counselor-manager) and a sense of commitment to the entire school.

Principle 9. Resources dedicated to teaching and learning. LAAAE's budget targets will provide for student loads that promote personalization, resources for increased student achievement outcomes, time for collective planning by teachers, and competitive salaries for staff.

Principle 10. Democracy and equity. LAAAE will demonstrate non-discriminatory and inclusive policies, practices, and pedagogies. It will model democratic practices that involve all the school's stakeholders. LAAAE will honor diversity and build on the strength of its community, deliberately and explicitly challenging all forms of inequity.

Goals for Enabling Self-motivated, Competent, and Lifelong learners

One of the great challenges facing the educational community is determining how to best inspire young people, especially those at risk, to look beyond school for learning. LAAAE believes that lifelong learning is best achieved through inculcating students with the skills of learning and then supporting them as they discover for themselves. Studies have repeatedly shown that students who discover their own knowledge and understanding and then have it verified through real-world experience are much more likely to retain that knowledge and are also much more likely to search out knowledge and understanding on their own.

LAAAE has developed a series of school wide learner outcomes that are key to students developing the ultimate skill of adaptability in the modern workplace -- the ability to learn.

LAAAE faculty and students recently updated LAAAE's schoolwide learner outcomes so that students demonstrate empathy, integrity, perseverance, respect, and innovation.

Annual Goals and Actions Aligned to State Priorities

In accordance with the requirements of Education Code § 47605(b)(5)(A)(ii), LAAAE's Local Control and Accountability Plan (LCAP) includes annual goals for all pupils and for each subgroup of pupils identified for each of the eight (8) state priorities identified in Education Code § 52060(d). Please refer to the table in Element 2 and 3 for LAAAE's Annual Goals and Measurable Pupil Outcomes Aligned to State Priorities.

Instructional Design

LAAAE offers students a rich curriculum and an array of A-G courses that will be transferable for credit to other institutions. The courses are presented in a way that is intended to capture the students' interest and engage their thinking at the highest and deepest levels. Students will engage in high interest, multidisciplinary, hands-on projects that embed and address respective standards. Through problem solving and peer collaborative work, the students' creativity, and sense of identity and self-esteem, will be enhanced. The intended outcome is that they are knowledgeable individuals, who are proficient in academic concepts and skills. In accordance to the CCSS and California State Standards, the school's curriculum design:

- Fully addresses the Common Core State Standards and California State Standards and meets the University of California A-G requirements.
- Includes comprehensive courses in the visual and performing arts.
- Includes business education courses that teach core and advanced principles of enterprise, economics, and entrepreneurship.
- Focuses on personal growth and responsibility to self and others, through character education and community service.

The Common Core State Standards (CCSS) enables teachers to provide students with tools and knowledge their professional judgment and experience identify as most helpful for meeting the goals set out in the CCSS and California State Standards. Accordingly, teachers have opportunities to work cooperatively through horizontal and vertical planning in order to develop lesson plans aligned to these standards while implementing the high-yield instructional strategies in the classroom such as:

Explicit Direct Instruction (EDI) – EDI is a strategic collection of instructional practices combined together to design and deliver well-crafted lessons that explicitly teach content, especially grade-level content, to all students. Here are the EDI lesson design components:

- **Learning Objective**: A statement describing what students Will be able to do by the end of the lesson. It must match the independent practice towards the end of the lesson.
- **Activate Prior Knowledge**: Purposefully moving something connected to the new lesson from students' long-term memories into their working memories so they can build upon existing knowledge.
- **Concept Development**: Teaching students the concepts contained in the learning objective.
- **Skill Development**: Teaching students the steps or processes used to execute the skills in the Learning Objective. Teaching the students how to do it.

- **Lesson Importance**: Teaching students why the content in the lesson is important for them to learn and understand.
- **Guided Practice**: Working problems or scenarios with students at the same time, step-by-step, while checking they are executing the steps correctly.
- **Lesson Closure**: Having students work problems or answer questions to prove that they have learned the concepts and skills in the Learning Objective before they are given Independent Practice to do by themselves.
- **Independent Practice**: Having students successfully practice exactly what they were taught in the lesson.

Furthermore, EDI lessons incorporate several ways to deliver the lesson. These strategies include:

- Checking for Understanding: Continually verifying that students are learning while they are being taught, ensuring to address misconceptions as they arise.
- Explaining: Teaching by telling students the content.
- Modeling: Teaching using think-alouds to reveal to students the strategic thinking required to solve a problem or answer a question.
- Demonstrating: Teaching using physical objects to clarify the content and to support kinesthetic learning.

Public Outcomes by Design – The goal of the Public Outcomes by Design approach is to teach students how to translate academic content into a visual or performing arts outcome that is standards-based and demonstrates proficiency or mastery of the content. Students will engage in a variety of public outcomes which are defined as an artifact or experience that can be seen, heard, touched, or transmitted.

Differentiated Instruction - Differentiated instruction provides a learning environment that will maximize the potential for student success. Differentiated instruction can be recognized by a variety of classroom characteristics such as: teachers begin where the students are; teachers engage in instruction through different learning modalities; a student competes more against himself or herself than against others; teachers provide specific ways for each individual to learn; teachers use classroom time flexibly; and teachers are diagnosticians, prescribing the best possible instruction for each student.

Scaffolding – Teachers identify the current developmental skills of individual students based on assessments and provide support structures to help students move to the next level. As the year progresses, the student becomes more adept at skills and at directing his or her learning, and becomes more autonomous. Scaffolding strategies include: show and tell; tap into prior knowledge; give more time to talk; pre-teach vocabulary; use visual aids; and pause, ask questions, pause, review.

Inquiry-Based Learning - Based on the scientific method, this student-centered strategy requires students to conduct investigations independent of the teacher, unless otherwise

directed or guided through the process of discovery. Teachers use this strategy in developing critical thinking and problem solving skills.

Project-based Learning - PBL integrates knowing and doing. Students learn knowledge and elements of the core curriculum, but also apply what they know to solve authentic problems and produce results that matter. Though PBL, teachers engage students in projects where students can take advantage of digital tools to produce high quality, collaborative products.

Information Processing Strategies - Teaching students "how to" process information is a key factor in teaching students how to strategically organize, store, retrieve, and apply information presented. Such strategies will include memorization, reciprocal teaching, graphic organizers, scaffolding, or webbing.

Restorative Practices – LAAAE focuses on restorative rather than punitive approaches to responding to behavior. The driving force behind this approach is the idea of proactively building positive school communities while dramatically reducing discipline referrals. "Restorative means to believe that decisions are best made and conflicts are best resolves by those most directly involved in them. The restorative practices movement seeks to develop good relationships and restore a sense of community in an increasingly disconnected world. These practices have been applied in justice systems, families, workplaces and neighborhoods, as well as in schools". This approach includes an expectation of Culturally Responsive Teaching and creative, meaningful alternatives to suspension. The expectation is for students to want to be come to school and to be in school every day.

LAAAE does not view suspensions or expulsions as an effective way of addressing student behaviors. To support our students, we have a robust student services team as well as different programs that motivate students. Accordingly, LAAAE was recognized by the California PBIS Coalition for four consecutive years for providing a support infrastructure to students. Thus, not only are alternatives to traditional school discipline in place at LAAAE, LAAAE has been recognized for implementing them.

Growth Mindset- In order to develop a rigorous instructional program under the California Common Core State Standards, it is imperative that LAAAE develops a growth mindset in its students. Under the Common Core State Standards, students are pushed to develop their conceptual knowledge and expand their critical thinking, reading, and writing skills. This has led LAAAE to develop a more robust instructional program, including intensified approach to how they reach their subgroups, such as English Learners and Students with Disabilities. The implementation of curriculum aligned to the rigors of the Common Core State Standards, and integration of the arts and enterprise into the instructional program implore the need to develop a strong growth mindset in its students.

Culturally Responsive Teaching and Learning- In order to be culturally responsive, transforming instructional practices must occur intentionally. This spans various practices, including classroom management, academic-literacy instruction, academic-vocabulary instruction, academic-language instruction, and creating a responsive learning environment. It is about changing educators' hearts and mindsets about how students are looked upon culturally and linguistically in all areas of instruction.

Responsive Classroom Management	Responsive Academic Literacy	Responsive Academic Vocabulary	Responsive Academic Language
• Ways for responding • Ways for discussing • Attention signals • Movement	• Read-aloud storytelling • Supplemental text selections • Interaction with text strategies	• Focus on common strategies • Building on students' words • Focus on low-frequency words	• Contrastive analysis • Revision process • Role playing

Other High Yield Instructional Strategies

Cooperative Learning - Teachers limit use of ability groups, keep groups small, apply strategy consistently and systematically and assign roles and responsibilities in groups. Teachers integrate content and language through group engagement, reader's theatre, pass the pencil, circle of friends, cube it, radio reading, shared reading and writing, plays, science projects, debates, jigsaw, group reports, choral reading, affinity diagrams.

Identifying similarities and differences - Students compare, classify, and create metaphors, analogies and non-linguistic or graphic representations. Teachers utilize: thinking maps, T-charts, Venn diagrams, classifying, analogies, cause and effect links, compare and contrast organizers. Question/Answer/Relationship (QAR) sketch to stretch, and affinity diagrams.

Summarizing and Note Taking - Students learn to eliminate unnecessary information, substitute some information, keep important information, write / rewrite, and analyze information. Students should be encouraged to put some information into own words. Teachers model summarization techniques, identify key concepts, bullets, outlines, clusters, narrative organizers, journal summaries, break down assignments, create simple reports, quick writes, graphic organizers, column notes, and affinity diagrams.

Nonlinguistic Representations - Students create graphic representations, models, mental pictures, drawings, pictographs, and participate in kinesthetic (hands-on) activities in order to assimilate knowledge. Teachers incorporate: Visual tools and manipulatives,

problem-solution organizers, spider webs, diagrams, concept maps, drawings, charts, thinking maps, graphic organizers, sketch to stretch, storyboards, foldables, act out content, and make physical models.

Generating and Testing Hypothesis - Students generate, explain, test and defend hypotheses using both inductive and deductive strategies through problem solving, history investigation, invention, experimental inquiry, and decision-making. Student incorporate thinking processes, constructivist practices, investigations, explorations, social construction of knowledge, use of inductive and deductive reasoning, questioning the author of a book, and finding other ways to solve same math problem.

Visible Learning - Visible Learning means an enhanced role for teachers as they become evaluators of their own teaching. According to John Hattie, Visible Learning and Teaching occurs when teachers see learning through the eyes of students and help them become their own teachers.

The figure below represents the high-level principles of Visible Learning:

I see learning through the eyes of my students			
Mind frames • I am an evaluator/activator • I am a change agent • I am a seeker of feedback • I use dialogue more than monologue • I enjoy challenge • I have high expectations for all • I welcome error • I am passionate about and promote the language of learning	**A cooperative and critical partner** • I use learning intentions and success criteria • I aim for surface and deep outcomes • I consider prior achievement and attitudes • I set high expectation targets • I feed the gap in student learning	**An adaptive learning expert** • I create trusting environments • I know the power of peers • I use multiple strategies • I know when and how to differentiate • I foster deliberate practice and concentration • I know I can develop	**A receiver of feedback** • I know how to use the three feedback questions • I know how to use the three feedback levels • I give and receive feedback • I monitor and interpret my learning/teaching

		confidence to succeed	
I help students become their own teachers			

Arts Integration – Fully aligned to a core mission of the school, arts integration focuses on the infusion and integration of the arts throughout the curriculum. Arts integration blends content and skills between an art form and another academic subject (Isenberg & Jalongo, 2010). Arts integration research positively links to increased student engagement, motivation, and persistence. The arts can engage students who are not typically reached through traditional teaching methods, including those from economically disadvantaged backgrounds, reluctant learners, and those with learning disabilities (Deasy, 2002; Fiske, 1999; Stevenson & Deasy, 2005). Catterall found that English learners are significantly more likely to pursue a college degree if they attend an arts-rich high school. Rinne et al's review of long term memory effects "clearly suggests that arts integration may offer a highly effective way to enhance retention of content." Arts integration has also been linked to improved attendance and decreased disciplinary issues (Barry, 2010).

The integration of arts enables students to make meaningful connections to one another, to themselves, to their lived world, and to other content areas. Through experimenting with different art forms and processes, students learn to take risks through exploration and to develop flexible thinking skills, envisioning from different vantage points and responding to new possibilities in the creative process (Fiske, 1999;[11] Stevenson & Deasy, 2005[12]). Thus, arts integration cultivates and provides an arena to display the varying multiple intelligences (Pearson, 1998).

The benefits of this model extend beyond students. Principals of arts-rich schools encourage teachers to take risks, to learn new skills, and to make changes in their instruction to support arts integration. Additionally, the nature of integration fosters collaboration amongst teachers. Such collaborative relationships contribute to increased teacher satisfaction, interest, and success, and lead to the development of a sense of community of practice in the school. These teachers are more innovative in their teaching, willing to experiment, persevere in integrating the arts despite barriers, and approach their classes in a more child-centered rather than adult-centered manner (Barry, 2010[13]; Burton et al., 1999).

LAAAE educators meets the needs of individual students through the use of differentiation and response to intervention. Differentiating instruction may mean teaching the same material to all students using a variety of instructional strategies, or it may require the teacher to deliver lessons at varying levels of difficulty based on the ability of each student. According to Carol Ann Tomlinson, differentiation occurs in many ways, including designing lessons based on student learning styles, group students by shared interests or ability for assignments, assess students learning using formative and summative assessments, manage the classroom to ensure students have a safe and

supportive learning environment, and continually assess and adjust lesson content to meet the individual needs of students.

Continually assessing adjusting lesson content is key to responding to individual student needs. LAAAE educators analyze student work, focusing on identifying gaps in student learning, and creates a plan of action to ensure those gaps are addressed. The protocol includes selecting formative assessments, unpacking the standard(s) the assessments address, identifying the conceptual knowledge and procedural skills necessary to demonstrate mastery of the standard, and reviewing student work against the exemplar. LAAAE educators will then create a plan for re-teaching to ensure students who did not meet the standard have additional opportunities for re-learning and embed additional practice and assessment to ensure those gaps are addressed.

Curriculum and Instruction

The school uses the Common Core State Standards and the California State Standards (as applicable) as the base content for the instructional program. The curriculum meets or exceeds the core academic content standards of the California State Board of Education by offering enrichment classes in the arts and enterprise, and providing opportunities for reading and mathematics intervention to students who are performing below grade level.

English-Language Arts Curriculum

With the Common Core State Standards emphasizing increased literacy across all content areas, students will be respectively challenged within the domains of reading: literature; reading: informational text; writing; speaking and listening; and language. While students continue to need mastery of enabling skills such as reading, writing, and computing, they must also prepare for the additional basics, which include problem solving, critical and creative thinking, decision making, flexibility and adaptability, and the ability to work collaboratively. The intent of the LAAAE curriculum is to: equip students with the level of literacy needed to participate as informed citizens in a democratic society, function effectively in the world of work, and realize personal fulfillment.

Using the CCSS as a base, the first priority of an English language arts program is language development. Use of oral and written language allows for the expression of the human spirit, the development of ethical responsibility, and the ability to interact with and influence others. Indeed, it is the use of language that challenges us to examine and clarify our thinking as we search for the best means to communicate our thoughts and ideas.

Language and literature are the content of an integrated English language arts program. The study of these areas includes the structure of the English language, its social and historical perspective, and a respect and appreciation for cultural diversity. Essential to this study is the systematic exploration of literature with a clear emphasis on the comprehension and response to the beauty and legacy of the English language. The readings balance traditional "classics" with contemporary works.

At LAAAE, students will share the responsibility for their learning. They must develop an increased awareness of their own thinking, including attitudes, habits, and dispositions. Student-initiated learning involving choice, collaboration, and active participation produces higher levels of interest and accomplishment in students.

A balanced English language arts curriculum focuses on the student as an active participant in the learning process. Included in the study is the selective and strategic use of monitoring, self-questioning, and focusing strategies. In a similar manner, engaged learners explore options in presentation: films or videotapes in the study of literature and language; audiotapes in the study of oral language; and word processors and other media in composing, revising, and publishing compositions. Reading assignments incorporate approved literature and textbooks. The reading process includes reading aloud and independent reading.

LAAAE students learn to work with complex ideas confidently and successfully. Reading and thinking skills are developed by asking questions, sharing opinions and supporting ideas with evidence from the sections they read in textbooks or teacher-selected literature. Students process reading selections that integrate other subjects, such as drama, science (with selected readings on ecology), human development, economics, and humanities curricula.

Activities include:

- Shared Inquiry Discussion
- Noting significant passages
- Supporting ideas with evidence from the text
- Vocabulary development
- Post discussion writing
- Textual analysis

Writing is taught as a process. Students are taught to write thesis statements and topic sentences. Concrete details and commentary sentences are then taught to support the thesis. Through each draft, students revise and edit their work to produce a finished product of which they can be proud. Teacher input and peer editing are essential to the success of the program. In addition to expository writing, students experiment with different writing genres. These include creative writing, letter writing, journal entries, use of Cornell Notes and poetry.

Additionally, outside speakers are brought in throughout the year to engage students in discussions and activities that pertain to an individual unit of study. In this way, students are encouraged to become involved in the larger community.

ELA Intervention

Remediation reading courses will be provided in addition to the core English language arts courses in grades 6-12. Students who score below proficiency levels or are otherwise

identified as having literacy deficiencies will be placed in a remediation reading course. These courses will focus on building fluency, phonemic awareness, phonics, vocabulary, and comprehension. The reading courses use intervention programs such as:

- **I-Ready** - *i-Ready* is a web-based program that provides an extensive library of engaging, cross-curricular informational and literary selections that adhere to grade-appropriate Lexile® metrics, and provide grade-appropriate levels of vocabulary complexity, sentence length, and word count. These rigorous controls ensure students encounter ever-increasing levels of text complexity. As a student demonstrates mastery, the selections presented will have richer academic vocabulary, higher word counts, and deeper examinations of topics and themes. For students who require support, the program provides personalized scaffolds that help students engage with challenging texts rather than avoid them.
- **NewsELA –** NewsELA is a program that provides valuable and versatile supplemental literacy lessons in social emotional learning. It is used primarily in advisory to foster social emotional learning.

English Language Development Curriculum

Students identified needing an ELD course are placed in either a middle school or high school ELD class. The ELD classes are part of LAAAE's school day and are additional classes given to students identified as students in need of targeted English support. Various SDAIE strategies and differentiated instruction are incorporated to facilitate English language acquisition. These include scaffolds, Thinking Maps, sentence frames, frequent integration of visual mediums, and Teach Like a Champion pedagogy. The English learner program is further detailed in the attached English Learner Master Plan.

Mathematics Curriculum

As outlined in the CCSS, the mathematics program is designed to give students the fundamentals they need while providing opportunities to explore real world mathematics through a variety of projects. In addition to textbooks, teachers use several different types of projects and logical puzzles to introduce real-world applications of mathematics, such as building bridges, self-designed floor plans, and budgets. LAAAE believes that students acquire an appreciation for, and develop an understanding of, mathematical ideas if they have frequent encounters with interesting, challenging problems.

Fluency in mathematics is an expectation for all students. Fluency incorporates three ideas: efficiency, accuracy and flexibility.

Students can get overwhelmed with procedures and calculations that lead to errors. They become efficient as they develop strategies that are manageable, understandable, easily carried out, and generate results that solve problems. Students must develop an accurate knowledge of number facts and number relationships in order to reason and solve problems well. Flexibility is the product of students' successful experiences with

problems using a variety of strategies and the analysis of the strategies to determine their efficiency and accuracy.

Mathematics has its own language, and the acquisition of specialized vocabulary and language patterns is critical to a student's understanding and appreciation of the subject. Students need to use correctly the concepts, skills, symbols, and vocabulary instructional practices included in this document. Students should talk about mathematics and use the language to verify solutions to mathematical problems.

Problem solving and reasoning are stressed throughout the goals at each grade and in every course. The development of problem-solving skills is a major goal of the mathematics program. Experiences in problem-solving processes should permeate instruction. Problem solving should be integrated early and continuously into each student's mathematics education. Students need a wide range of skills and strategies to use as a tool for representing and solving a variety of problems.

Mathematics Intervention

Business mathematics courses will be provided in addition to the core mathematics courses in grades 6-12. Students who score below proficiency levels or are otherwise identified as having mathematical deficiencies will be placed in a business mathematics course. Business mathematics is rooted in business concepts and intended to help increase students' math skills. The course provides comprehensive coverage of personal and business-related mathematics. In addition to reviewing the basic operations of arithmetic, students are prepared to understand and manage their personal finances, as well as grasp the fundamentals of business finances. This course also prepares students to be smart shoppers, informed taxpayers, and valued employees. Basic math skills are covered in a step-by-step manner, building confidence in students. Beyond basic math, connections are made to pre-algebra and algebra, communication and career spotlights.

Science Curriculum

Using the Next Generation Science Standards as a base, students are introduced to the recurring concepts and connections made within the various science disciplines such as Earth Science, Life Science, and Physical Science. Throughout the courses, emphasis is placed on the development of critical thinking skills, as well as, on the role of creativity in scientific thought. Students of all grade levels are responsible for showing grade-appropriate mastery in science skills, such as graphing, coherent data collection, and drawing conclusions from data. Students learn correct lab procedures and safely and develop sound reasoning and thoughtful questioning. Sample science concepts include:

- Valuing the environment by providing opportunities for students to develop a feeling of appreciation and respect for the environment.

- Systems and interactions enabling students to acquire an understanding of ecological concepts as they practice thinking and problem-solving processes.

- Patterns of change which challenge students to recognize the ways their environment changes.
- Conservation encouraging students to act responsibly toward the environment through school and community enhancement projects and personal action.

Throughout the curriculum, students are responsible for showing grade-appropriate mastery in science skills, such as graphing, coherent data collections and drawing conclusions from data. Students will learn correct and safe lab procedures and learn to develop sound reasoning and thoughtful questions, as well as, conduct short-term and long-term projects.

Social Sciences Curriculum

LAAAE embraces the History-Social Science frameworks set forth by the California State Board of Education. In this framework, there are three major goal categories:

- Knowledge and Cultural Understanding
- Democratic Understanding and Civic Values
- Skills Attainment and Social Participation.

Each of the goal categories above, further develops into basic learnings serving as curriculum strands. Examples of these are as follows:

- **Historical Literacy -** Developing research skills and a sense of historical empathy, understanding the meaning of time and chronology, analyzing cause and effect, understanding the reasons for continuity and change, recognizing history as common memory, with political implications, understanding the importance of religion, philosophy and other major belief systems.
- **Ethical Literacy** Recognizing the sanctity of life and dignity of individual; understanding the ways in which different societies have tried to resolve ethical issues; understanding the ideas that people profess affect their behaviors.
- **Cultural Literacy** - Understanding the rich, complex nature of a given culture, recognizing relationships among the various parts of a nation's cultural life; learning about the myths, legends, values of people; recognizing that literature and art shape and reflect the inner life of a people; taking pride in their own cultural heritages and developing a multicultural perspective that respects the dignity and worth of all people.
- **Geographic Literacy -** Developing an awareness of place; developing location skills and understanding; understanding human and environmental interaction; understanding human movement; understanding world regions and their historical, cultural, economic, and political characteristics.
- **Economic Literacy** - Understanding the basic economic problems confronting all societies; understanding comparative economic systems; understanding the basic economic goals; performances and problems of our society; understanding the international economic system.

- **Socio-Political Literacy** - Understanding the close relationship between social and political systems; understanding the close relations between society and the law; understanding comparative political systems.

The State Framework succinctly articulates the intent of the curriculum, "The more accurately the K-12 social studies program addresses the contemporary conditions of real life and of academic scholarship, the more likely such a program is to help students develop a deeper understanding of how to know, how to apply what they know, and how to participate in building a future."

World Languages other than English Curriculum

LAAAE believes that it is important for all students to be bilingual and biliterate in at least another language. Many of the students attending LAAAE already speak Spanish. However, not all of them are able to read and write or understand its grammar. We will focus on deepening and expanding the students' knowledge of the Spanish language by building on what they already know. This will further demonstrate the fact that we highly value the students' culture and language, contributing to their self-esteem and empowerment. This also make the curriculum more culturally relevant.

Courses begin with the grammatical groundwork for Spanish and move through successively more challenging and complex material at each level. Model sentences and reading passages gradually increase in length and complexity. Special long-range projects are designed to recognize multiple intelligences in student learning styles and interests. Teachers use multimedia, computer software, and authentic texts (such as newspapers) to enhance reading and listening skills. Students write on a variety of topics, ranging from personal experiences and current events in the lower levels to literary analysis in the upper levels.

LAAAE recognizes the value of opportunities for instruction in Other World Languages to support student participation in an increasingly international economy. As enrollment and student interest in other languages build, the school will offer more Other World Languages.

*Health and Physical Education Curriculum*LAAAE's fitness program gives each student the opportunity to experience and participate in various sports and movement activities.

Students will:

- Understand the moral, social, emotional, and conceptual aspects of health and wellness.
- Develop fundamental physical skills, including strategies, techniques, and appreciation for a physical activity.
- Emphasize teamwork and cooperation.
- Develop knowledge on body care (health and nutrition) and development.
- Understand the relationship between diet and health, and the impact on learning.

- Demonstrate knowledge of infectious diseases and prevention through written and verbal presentations.
- Understand that health means more than the absence of disease or the avoidance of danger.
- Participate in alternative fitness activities such as yoga, martial arts, dance, drill team and other movement classes or activities, as they are offered.
- Participate in team- and trust-building exercises.
- Participate in after-school athletics programs as they are available.

Visual and Performing Arts Curriculum

Using the state standards as a base, courses in the arts ground students in the rigor, detail, and focus of art in various forms, such as visual art, dance, music, drama or film. Students are also encouraged to explore their own creative processes in individual fields.

While being mindful of integrating the arts throughout the curriculum, LAAAE believes in the integrity of each of the art forms. Each discipline also provides rich and complex points of view on the world and human experience. Each offers analytical and theoretical perspectives, a distinct history, varied interpretations, as well as, innumerable connections to all human activity. Therefore, the curriculum focuses on comprehensive, sequential learning across four arts disciplines, each including its own skills, knowledge, and techniques. Instruction in the arts occurs through a hands-on orientation, e.g., students should be continually involved in the work, practice, and study required for effective and creative engagement in all disciplines.

The program aims to include, with direction taken from student and parent interest, school budget, and school facilities that support specialized teaching spaces and equipment storage, the following types of arts strands:

- Visual Arts: painting, drawing, film making, set design, sculpture, ceramics.
- Music: instrumental, digital, choral, composition, music theory, orchestra.
- Theatre: acting, improvisation, direction, production, set design, costume design.
- Dance: Folklorico, jazz, flamenco, ballet, tap, hip hop, choreography, drill.

The music department inspires students to achieve their individual musical potential, to cooperate within an ensemble setting, and to gain a higher respect for, and deeper understanding of the world of music.

The visual arts curriculum helps students explore, discover and express themselves through a wide variety of media. Students examine meaning and intention in creating art to deepen the process of personal artistic expression. The curriculum stresses artistic process over the final product. It strives to foster in students an appreciation for the creative endeavor and the willingness to take risks, the inherent discipline and rewards of

the creative process, cultural relevance, and a sense of art history, and finally, a sense of one's own infinite creative possibility.

The focus on dance is three-fold: (1) students learn and develop technique placement and skills; (2) students explore their own creative potential and the importance of dance as a tool for communication and expression; and (3) students look at both cultural and historical dance heritage. The dance curriculum includes sequential programming in each specialty. The faculty helps students develop motor efficiency, movement awareness, and technical expertise. Students explore and build their capacity for creative expression through movement and broaden their knowledge of dance heritage, history and culture. Students are encouraged to challenge themselves and to work at a level that reflects their experiences and training. Students learn current dance techniques and design their own dance routines. Students also learn the basics of choreography and progress into creating pieces for others. These pieces are performed in informal presentations, as well as, for the general public.

The theater arts curriculum is process-based and experiential. Classes are sequentially designed both for students who wish to explore a possible interest in drama and for those whose primary interest is theatre. Students develop concentration, personal discipline, and a respect for the art and the artist. Moreover, students participate in all aspects of theatrical production, providing them with experience in the business of theater arts.

Economics and Enterprise Curriculum

The school curriculum leads students through a study of enterprise that develops economic and financial literacy. The school creates a gateway to the study of enterprise, business and economics through personal experiences such as creating a home budget and understanding the concepts of needs versus wants.

Students learn economic concepts in the context of the real world and in connection with the arts. The school also offers a vision of how the arts can play a role in this. Students graduate with a sense of commitment and compassion for the world outside themselves. They learn not just about business and economics, but also about doing socially responsible business. This holistic experience gives students broader perspectives and better prepares them to be: responsible citizens, effective participants in a global economy, productive workers, prudent savers and investors, knowledgeable consumers, and life-long, thoughtful decision-makers.

Another entry to the understanding of economics is through enterprise itself. Business faculty at LAAAE organize a career day for students, bringing a number of guests from the business of the Arts. Students are exposed to many different levels of employment of various careers.

The enterprise opportunities are viewed as a method for fulfilling community service opportunities. Further, the school introduces students to arts/enterprise mentors and associated volunteer and job experiences in the community. We believe that this program

will only be effective if it is well-supported by the industries it represents. Economics and enterprise courses are currently offered.

LAAAE's Middle School Sample Course Offerings

Subject Area	6th Grade		7th Grade		8th Grade	
	1st Sem.	2nd Sem.	1st Sem.	2nd Sem.	1st Sem.	2nd Sem.

Existing and currently anticipated course offerings and their current guidelines are further detailed below.

LAAAE'S Course Offerings

English Language Arts Courses

Course Title: English 6 *(Currently offered.)*
Grade Level: 6
Label: Core College Preparatory
This course provides instruction in the English Language Arts strands identified by Common Core Standards to promote academic excellence in Reading, Writing, Speaking & Listening, and Language. Pupils will expand reading comprehension skills using structural analysis, vocabulary and knowledge of words through context, word study, and multi-media resources. They will read and comprehend grade-appropriate text with fluency and expand their use of reading strategies and skills across content areas. The course will also build knowledge and critical thinking skills through close reading of texts; writing to support claims, to clarify ideas; and a range of collaborative discussions.

The appropriate use of technology and digital media are essential components integrated in the course.

Course Title: English 6 Honors *(Planned if warranted by student demand.)*
Grade Level: 6
Label: Core College Preparatory
This course provides instruction in the English Language Arts strands identified by Common Core Standards to promote academic excellence in Reading, Writing, Speaking & Listening, and Language. This accelerated course will have augmented instructional pacing and greater depth of content and more rigorous expectation of pupil work. Pupils will expand reading comprehension skills using structural analysis, vocabulary and knowledge of words through context, word study, and multi-media resources. They will read and comprehend level-appropriate text with fluency and expand their use of reading strategies and skills across content areas. The course will also build knowledge and critical thinking skills through close reading of texts; writing to support claims, to clarify ideas; and a range of collaborative discussions. The appropriate use of technology and digital media are essential components integrated in the course.

Course Title: English 7 *(Currently offered.)*
Grade Level: 7
Label: Core College Preparatory
This course provides instruction in the English Language Arts strands identified by Common Core Standards to promote academic excellence in Reading, Writing, Speaking & Listening, and Language. Pupils will continue expanding reading comprehension skills using structural analysis, vocabulary and knowledge of words through context, word study, and multi-media resources. They read and comprehend grade-appropriate text with fluency and expand their use of reading strategies and skills across content areas. Pupils use the writing process to compose a variety of multi-paragraph texts with an awareness of audience and purpose. Pupils revise drafts and then edit for mechanics, word usage, and sentence structure. They formulate questions, research a topic, and write multi-paragraph text to inform or persuade and also write summaries and may publish their work. They participate in and sometimes lead group discussions. Pupils expand active listening skills and demonstrate public speaking techniques. The appropriate use of technology and digital media are essential components integrated in the course.

Course Title: English 7 Honors *(Planned if warranted by student demand.)*
Grade Level: 7
Label: Core College Preparatory
This course provides instruction in the English Language Arts strands identified by Common Core Standards to promote academic excellence in Reading, Writing, Speaking & Listening, and Language. This accelerated course will have augmented instructional pacing and greater depth of content and more rigorous expectation of pupil work. Pupils will continue expanding reading comprehension skills using structural analysis, vocabulary and knowledge of words through context, word study, and multi-media resources. They read and comprehend grade-appropriate text with fluency and expand

their use of reading strategies and skills across content areas. Pupils use the writing process to compose a variety of multi-paragraph texts with an awareness of audience and purpose. Pupils revise drafts and then edit for mechanics, word usage, and sentence structure. They formulate questions, research a topic, and write multi-paragraph text to inform or persuade and also write summaries and may publish their work. They participate in and sometimes lead group discussions. Pupils expand active listening skills and demonstrate public speaking techniques. The appropriate use of technology and digital media are essential components integrated in the course. This course fulfills the 7th grade English requirement and the reading requirement for promotion.

Course Title: English 8 *(Currently offered.)*
Grade Level: 8
Label: Core College Preparatory
This course emphasizes the development of critical reading and writing skills using a variety of literature and informational text of steadily increasing sophistication. Pupils conduct "close" readings, careful writing, in-depth class discussions and presentations, and deepen their ability to independently write, analyze, evaluate, and critique text. Pupils use the writing process to compose a variety of multi-paragraph texts with an awareness of audience and purpose. They revise drafts and then edit for mechanics, word usage, and sentence structure. They formulate questions, research a topic, and write multi-paragraph text to inform or persuade and also write summaries and may publish their work. Pupils participate in and sometimes lead group discussions. Pupils expand active listening skills and demonstrate public speaking techniques. Technology integration in the course will enhance reading, writing, speaking, listening, and language use. They demonstrate increasing sophistication in all aspects of language use and actively seek to comprehend other perspectives and cultures through reading and listening.

Course Title: English 8 Honors *(Planned if warranted by student demand.)*
Grade Level: 8
Label: Core College Preparatory
This accelerated course is designed for pupils who have demonstrated advanced reading and/or writing skills and will have augmented instructional pacing, greater depth of content, and more rigorous expectations of pupil work. The course uses a variety of grade level and above grade level literature and informational text of steadily increasing sophistication. Pupils enrolled in this course read and write a variety of text independently and proficiently. They conduct "close" readings, careful writing, in-depth class discussions and presentations, and independently write, analyze, evaluate, and critique text. Pupils use the writing process to compose a variety of multi-paragraph texts with an awareness of audience and purpose. They revise drafts and then edit for mechanics, word usage, and sentence structure. They formulate questions, research a topic, and write multi-paragraph text to inform or persuade and also write summaries and may publish their work. Pupils participate in and sometimes lead group discussions. Pupils expand active listening skills and demonstrate public speaking techniques. Technology integration in the course will enhance reading, writing, speaking, listening,

and language use. They demonstrate increasing sophistication in all aspects of language use and actively seek to comprehend other perspectives and cultures through reading and listening.

Course Title: English Language Development (ELD) *(Currently offered.)*
Grade Level: 6-8
Label: Core College Preparatory
This course is designed to allow students to develop fluency in academic language. Assignments and activities require students to accomplish a variety of intellectually challenging tasks, calling on them to demonstrate, at an advanced linguistic level of competence, their ability to use a variety of writing techniques, modes of development and formal conventions. This course will include college-preparatory composition and literature comparable to other mainstream college-preparatory English courses.

Course Title: Reading *(Currently offered.)*
Grade Level: 6-8
Label: Non-Core College Preparatory
This course is recommended for pupils who must develop basic reading skills/strategies. The purpose of this course is to provide remedial instruction and practice in reading and language arts skills. This course provides pupils with opportunities to develop reading skills/strategies at their individual instructional level. Pupils are assessed so that the content specifically focuses on those reading benchmarks for which pupils need extra support and practice. Emphasis is placed on mastery of those benchmarks. Skills/strategies may be taught within the context of a laboratory setting. The content should include, but not be limited to content identified by diagnosis of each pupil's needs for remedial instruction and test-taking skills and strategies for reading and writing. Instruction reviews all of the Common Core English language arts strands and domains.

Course Title: English 9 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "b" (UC approved)
High School Requirement: English
This course provides instruction in the all of the Common Core English language arts strands and domain. The course is designed to prepare students to critically examine written texts through writing. The course is designed to prepare students for further English study, as well as prepare them for writing across content areas. Students will continue their study of grammar and mechanics as these two topics apply to writing. Students will read in four genres: novel, drama, myth, and short story. Additionally, students will analyze through written responses, various non-fiction sources including business and current affairs (news) documents. Through their readings, students will expand and improve their use and knowledge of vocabulary. Students will produce expository, persuasive, and narrative essays, as well as shorter descriptive and informational pieces. In their writing assignments, students will demonstrate a mastery of steps involved in the writing process. Students will give oral presentations demonstrating

speaking skills, and be required to comment cogently on the presentations of other students, thus demonstrating appropriate listening skills.

Course Title: English 9 Honors *(Planned if warranted by student demand.)*
Grade Level: 9
Label: Core College Preparatory - "b" (pending UC approval)
High School Requirement: English
This accelerated course is designed for pupils who have demonstrated advanced reading and/or writing skill and will have augmented instructional pacing, greater depth of content, and more rigorous expectation of pupil work. This course provides instruction in all of the Common Core English language arts strands and domains. The course is designed to build on knowledge and skills acquired in earlier grades but in more sophisticated ways such as mastering the language, structure, and rhetoric of text; completing more complex writing assignments; reading and analyzing a range of literary and informational text, both classic and contemporary; delivering more extensive oral presentations; This course will offer instruction in reading and vocabulary strategies necessary for comprehension of printed materials; research; the writing of effective paragraphs and multi-paragraph papers, with emphasis upon all stages of the writing process in timed and untimed assessments (prewriting, drafting, revising, editing, publishing); speech instruction including formal and informal presentations; evaluation of mass media; the analysis of genres and the study of language in conjunction with writing, concentrating on conventions of grammar, usage, and mechanics.
PREREQUISITE: English 8 grades letter B- or higher and Teacher approval

Course Title: English 10 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "b" (UC approved)
High School Requirement: English
This course provides instruction in all of the Common Core English language arts strands and domains. The course is designed to prepare students to critically examine written texts through writing. The course is designed to prepare students for further English study, as well as prepare them for writing across content areas. Students will continue their study of grammar and mechanics as these two topics apply to writing. Students will read in four genres: novel, drama, poetry, and short story. Additionally, students will analyze through written responses, various non-fiction sources including business and current affairs (news) documents. Through their readings, students will expand and improve their use and knowledge of vocabulary. Students will produce expository, persuasive, and narrative essays, as well as shorter descriptive and informational pieces. In their writing assignments, students will demonstrate a mastery of steps involved in the writing process. Students will give oral presentations demonstrating speaking skills, and be required to comment cogently on the presentations of other students, thus demonstrating appropriate listening skills.
PREREQUISITE: English 9

Course Title: English 10 Honors *(Planned if warranted by student demand.)*

Grade Level: 10
Label: Core College Preparatory - "b" (pending UC approval)
High School Requirement: English
This accelerated course is designed for pupils who have demonstrated advanced reading and/or writing skill and will have augmented instructional pacing, greater depth of content, and more rigorous expectation of pupil work. This course provides instruction in all of the Common Core English language arts strands and domains. The Focus is on traditional, technical, and creative methods of composition. Instruction emphasizes the study of themes found universally in global text, both literary and informational, critical analysis of text, as well as author's historical, philosophical, cultural, and ethical perspectives. Content includes instruction in reading literature and in vocabulary strategies necessary to comprehend printed materials; the writing of essays for various purposes and audiences, using literary and nonliterary subjects; untimed and timed writings, utilizing all elements of the writing process where appropriate (prewriting, drafting, revising, editing and publishing); emphasis of applicable research; analysis of selections found in world literature; study of grammar, mechanics, usage and other conventions of standard written English in conjunction with writing; study of mass media, including analysis of propaganda and persuasion techniques; and instruction in speech, including analysis of effective techniques in oral presentations.
PREREQUISITE: English 9 & Teacher approval

Course Title: English 11 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "b" (UC approved)
High School Requirement: English
This course provides instruction in all of the Common Core English language arts strands and domains. The course provides a rigorous collect preparatory course designed to continue to prepare students for successful academic careers at the colleges and universities of their choice. Students read novels, short stories, drama, poetry and non-fiction works and analyzes literature in terms of theme, literary devices, historical, political and cultural context, and point of view. They draw inferences, understand historical influence, and consider philosophical stance. They expand their vocabulary, as well as their listening and speaking skills within the context of literature. They demonstrate research techniques and an ability to write with an understanding of audience and purpose. Over the course of a year, they produce a variety of writings including reading logs and journals, character studies, speeches, creative pieces, compare and contrast, analytics, expository, narrative, reflective, persuasive and research essays.
PREREQUISITE: English 10

Course Title: English 11 Honors *(Planned if warranted by student demand.)*

Grade Level: 11
Label: Core College Preparatory - "b" (UC approved)
High School Requirement: English
This accelerated course is designed for pupils who have demonstrated advanced reading and/or writing skill and will have augmented instructional pacing, greater depth of content, and more rigorous expectation of pupil work. The course is a reading and writing intensive course designed to prepare students for college, and builds upon the skills and content learned in English II Honors. Students will read, analyze, discuss, and compare a variety of full-length works, including novels, plays, poems, short stories, essays, and other non-fiction. Discussions and assignments focus on developing students' fluency in multiple forms of communication, their comprehension of different genres, their understanding and use of literary terms and devices, their analysis of texts language and structure, as well as their critical thinking. Students will participate in regular writing activities focused on the processes of writing and of thinking through writing. Students will practice different types of writing, including informal, narrative, autobiographical, expository, persuasive, and especially analytical. Students will also participate in oral and multimedia group and individual presentations. Students will learn note taking and MLA format for the research components of projects. There is an emphasis on deeper critical thinking, engaging discussion, more effective writing, and formal research papers.
PREREQUISITE: English 10 and Teacher approval

Course Title: English 12 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "b" (UC approved)
High School Requirement: English
This course promotes excellence in English language arts through experiences in all of the Common Core English language arts strands and domains. English 12 is the final year of advanced English study for high school students. It ties together four years of critical reading and word analysis skills, and polishes students writing in preparation for college and the real world beyond it. Students will draw deep into the origins of western culture, reading a variety of timeless works from classic and contemporary British authors. The literature will serve as the basis of each major unit of study. Special emphasis is placed on the recurring theme of looking to the future (for better or worse) while examining the historical, social, political, and scientific sub-disciplines embedded in each piece. Students will be expected to respond to the literature studied with increasingly complex analysis. They will understand author motive, choice of diction, tone, and perhaps most importantly of all, the impact that each studied work has on modern culture. This deep literary study is guided through fluid oral and written communication exercises throughout the year. A variety of narrative, analytical, persuasive, and expository writing accompanies all major units of study with additional opportunities to refine verbal rhetoric before peers and contemporaries.
PREREQUISITE: English 11

Course Title: English 12 Honors *(Planned if warranted by student demand.)*
Grade Level: 12

Label: Core College Preparatory - "b" (pending UC approval)
High School Requirement: English
This accelerated course is designed for pupils who have demonstrated advanced reading and/or writing skill and will have augmented instructional pacing, greater depth of content, and more rigorous expectation of pupil work. This course promotes excellence in English language arts through enriched experiences in all of the Common Core English language arts strands and domains. Instruction will cover the written and oral analysis of major literary works of various genres in relationship to cultural influences and to the development of the literary traditions of the English language. Writing assignments will develop Pupils' abilities to interpret literature and analyze it critically. All phases of the writing process will be utilized where appropriate (prewriting, drafting, revising, editing, and publishing). Pupils will also extend their speaking, researching, viewing, and listening, skills. Language study should include vocabulary and grammar in the context of literature and writing and an overview of the history of the language as reflected in literature.
PREREQUISITE: English 11 and Teacher approval

Course Title: English Language Development (ELD)
Grade Level: 9-12
Label: Core College Preparatory - "b" (ELD 2 is UC approved)
High School Requirement: English
This course is designed to allow students to develop fluency in academic language. Assignments and activities require students to accomplish a variety of intellectually challenging tasks, calling on them to demonstrate, at an advanced linguistic level of competence, their ability to use a variety of writing techniques, modes of development and formal conventions. This course will include college-preparatory composition and literature comparable to other mainstream college-preparatory English courses.

Course Title: Advanced Placement English Language and Composition *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Core College Preparatory - "b" (UC approvedal)
High School Requirement: English
Advanced Placement English Language and Composition provides pupils with college-level curriculum to study the semantic, structural, and rhetorical resources of the English language as they relate to the principles of effective writing. This college-level curriculum engages Pupils in becoming skilled readers of prose written in a variety of rhetorical contexts and in becoming skilled writers who compose for a variety of purposes. Examples of prose from various fields and periods serve as models of effective writing. This course provides a variety of writing opportunities that require the use of different styles and tones. Pupils develop individual writing styles adaptable to writing needs in college. This course is designed with an emphasis on meeting the requirements of the College Board Advanced Placement examination.
PREREQUISITES: English 10/H and teacher approval

Course Title: Advanced Placement English Literature and Composition *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Core College Preparatory - "b" (pending UC approval)
High School Requirement: English
Advanced Placement English Literature and Composition provides pupils with college--level curriculum to study practice writing and literature. Pupils learn to use the modes of discourse and to recognize the assumptions underlying various rhetorical strategies. Pupils acquire an understanding of the resources of the language and an understanding of the writer's craft. Pupils develop critical standards for the appreciation of any literary work and increase their sensitivity to literature as shared experience. This course is designed with an emphasis on meeting the requirements of the College Board Advanced Placement examination.
PREREQUISITES: English 11/H and teacher approval.

ENGLISH LANGUAGE ARTS ELECTIVES

Course Title: Speech and Debate I *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Electives
The purpose of this course is to provide instruction in the fundamentals of formal and informal oral communication, argumentation, and problem solving. The content includes, but is not limited to, the forms of oral communication, techniques of group discussion, techniques of effective listening, analysis of audience, and techniques of public speaking, logical thinking, organization of facts, speaking skills, research skills related to debate topics, and participation in frequent debate situations.

Course Title: Speech and Debate II *(Planned if warranted by student demand.)*
Grade Level: 10-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Electives
The purpose of this course is to continue the development of skills related to formal and informal oral communication, debate and forensic activities. The content should include, but not be limited to, the following: formal class discussions, public speaking assignments, oral interpretation, elements of debate, principles of effective communication for specific purposes as they apply to argumentation and debate skills, research skills, critical thinking skills, listening and speaking skills, formal written preparation of materials for competitive speaking activities.
PREREQUISITE: Speech and Debate I

Course Title: Speech and Debate III *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Electives

The purpose of this course is to provide continuing instruction in the skills and techniques of debate. The content should include, but not be limited to, the following: selection of debate topics, elements of argumentation, the use of proof, preparation of debate briefs, cross-examination techniques, and practice in conventional cross-examination debates.
PREREQUISITE: Speech and Debate II

Course Title: Journalism I – Yearbook *(Planned if warranted by student demand.)*
Course Title: Journalism I – Newspaper *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Electives
This course provides instruction in aspects of journalism and workshop experience in journalistic production. Instruction will be given in recognizing and writing news for journalistic media and in developing editorials, sports articles, and feature stories. In addition to written work, pupils will receive instruction in the history and traditions of journalism as well as workshop experiences in photography, layout, advertising, printing, and other practical aspects of journalistic enterprise. In connection with workshop experiences, one or more pupil journalistic productions may be included.

Course Title: Journalism II – Yearbook *(Planned if warranted by student demand.)*
Course Title: Journalism II – Newspaper *(Planned if warranted by student demand.)*
Grade Level: 10-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Electives
The content of this course includes, but is not limited to, the following: training necessary for successful news gathering for journalistic media, practice in gathering information, practice in writing news, sports, feature articles, and editorials, and exploration of career opportunities in journalistic fields through various media. Pupils will practice in the preparation of materials for publication in journalistic media.
PREREQUISITES: Journalism I

Course Title: Journalism III – Yearbook *(Planned if warranted by student demand.)*
Course Title: Journalism III – Newspaper *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Electives
The purpose of this course is to provide intermediate instruction in journalistic writing and production skills. The content includes, but is not limited to, instruction and practice in applying all aspects of the writing process, organization and management techniques relating to journalistic productions, including leadership skills, record keeping, time management, use of personnel, and task organization, and workshop experiences in producing various kinds of journalistic products.
PREREQUISITES: Journalism II

Course Title: Journalism IV – Yearbook *(Planned if warranted by student demand.)*

Course Title: Journalism IV – Newspaper *(Planned if warranted by student demand.)*
Grade Level: 12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Electives
The purpose of this course is to provide additional instruction in journalistic writing and production techniques. The content includes, but is not limited to, the following: writing, designing, and managing journalistic enterprises, implementing pupils' creative skills and talents in writing, graphic design, and/or photography, management skills, production techniques for printed journalistic media.
PREREQUISITES: Journalism III

Course Title: Reading *(Currently offered.)*
Grade Level: 9-12
Label: Non-Core College Preparatory
High School Requirement: Electives
This course is recommended for pupils who must develop basic reading skills/strategies. The purpose of this course is to provide remedial instruction and practice in reading and language arts skills. This course provides pupils with opportunities to develop reading skills/strategies at their individual instructional level. Pupils are assessed so that the content specifically focuses on those reading benchmarks for which pupils need extra support and practice. Emphasis is placed on mastery of those benchmarks.
Skills/strategies may be taught within the context of a laboratory setting. The content should include, but not be limited to content identified by diagnosis of each pupil's needs for remedial instruction and test-taking skills and strategies for reading and writing. Instruction reviews all of the Common Core English language arts strands and domains.

Mathematics Courses

Course Title: Mathematics 1 *(Currently offered.)*
Grade Level: 6
Label: Core College Preparatory
This course will focus on four critical areas: (1) connecting ratio and rate to whole number multiplication and division as well as using concepts of ratio and rate to solve problems; (2) completing understanding of division of fractions and extending the notion of number to the system of rational numbers, which includes negative numbers; (3) writing, interpreting, and using expressions and equations; and (4) developing understanding of statistical thinking. Algebraic concepts are developed as pupils create tables and charts to extend and describe a rule. Pupils evaluate and write formulas and algebraic expressions. In geometry, pupils determine complementary, supplementary, and missing angles. Pupils identify and locate points on a coordinate plane and plot geometric shapes in all four quadrants. Data analysis requires pupils to construct sample spaces and tree diagrams to find the number of outcomes for an event. The use of manipulatives, mathematical tools, and technology, including calculators and computer software, is an essential component of this course.

Course Title: Mathematics 1 Honors *(Planned if warranted by student demand.)*
Grade Level: 6
Label: Core College Preparatory
This accelerated course focuses on six critical areas: 1) connecting ratio and rate to whole number multiplication and division as well as using concepts of ratio and rate to solve problems; 2) completing and understanding of division of fractions and extending the notion of number to the system of rational numbers, which includes negative numbers; 3) writing, interpreting, and using expressions and equations; 4) developing understanding of statistical thinking; 5) developing understanding of and applying proportional relationships; and 6) developing understanding of operations with rational numbers and working with expressions and linear equations. Algebraic concepts are developed as pupils create tables and charts to extend and describe a rule. Pupils evaluate and write formulas and algebraic expressions. In geometry, pupils determine complementary, supplementary, and missing angles. Pupils identify and locate points on a coordinate plane and plot geometric shapes in all four quadrants. Data analysis requires pupils to construct sample spaces and tree diagrams to find the number of outcomes for an event. The use of manipulatives, mathematical tools, and technology, including calculators and computer software, is an essential component of this course.

Course Title: Mathematics 2 *(Currently offered.)*
Grade Level: 7
Label: Core College Preparatory
This course will focus on four critical areas: (1) developing understanding of and applying proportional relationships; (2) developing understanding of operations with rational numbers and working with expressions and linear equations; (3) solving problems involving scale drawings and informal geometric constructions, and working with two- and three-dimensional shapes to solve problems involving area, surface area, and volume; and (4) drawing inferences about populations based on samples. Pupils continue their development of the rational number system with the inclusion of integers. Algebraic sense develops as pupils analyze and extend patterns to describe the rule. Geometric skills include describing relationships between basic geometric elements, figures, and transformations on a coordinate plane. Pupils refine their understanding of data analysis by formulating their own questions, collecting and organizing data, and choosing the appropriate graphical representation. Identification, explanation, and application of mathematical concepts correspond with real-world situations. The use of manipulatives, mathematical tools, and technology, including calculators and computer software, is an essential component of this course.

Course Title: Mathematics 2 Honors *(Planned if warranted by student demand.)*
Grade Level: 7
Label: Core College Preparatory
This accelerated course will focus on six critical areas: 1) developing understanding of and applying proportional relationships; 2) developing understanding of operations with rational numbers and working with expressions and linear equations; 3) solving problems involving scale drawings and informal geometric constructions, and working with two-

and three-dimensional shapes to solve problems involving area, surface area, and volume; 4) drawing inferences about populations based on samples; 5) formulating and reasoning about expressions and equations, including modeling an association in bivariate data with a linear equation, and solving linear equations and systems of linear equations; and 6) analyzing two- and three-dimensional space and figures using distance, angle, similarity, and congruence, and understanding and applying the Pythagorean Theorem. Pupils continue their development of the rational number system with the inclusion of integers. Algebraic sense develops as pupils analyze and extend patterns to describe the rule. Geometric skills include describing relationships between basic geometric elements, figures, and transformations on a coordinate plane. Pupils refine their understanding of data analysis by formulating their own questions, collecting and organizing data, and choosing the appropriate graphical representation. Identification, explanation, and application of mathematical concepts correspond with real-world situations. The use of manipulatives, mathematical tools, and technology, including calculators and computer software, is an essential component of this course.

Course Title: Mathematics 3 *(Currently offered.)*
Grade Level: 8
Label: Core College Preparatory
This course will focus on three critical areas: (1) formulating and reasoning about expressions and equations, including modeling an association in bivariate data with a linear equation, and solving linear equations and systems of linear equations; (2) grasping the concept of a function and using functions to describe quantitative relationships; (3) analyzing two- and three-dimensional space and figures using distance, angle, similarity, and congruence, and understanding and applying the Pythagorean Theorem. Pupils become proficient in working with various representations of and calculating with real numbers including scientific notation. Algebra skills extend in identifying missing terms in a sequence or representation. Pupils solve linear equations and graphically represent the solution. Measurement skills expand to include how changes in dimensions affect the perimeter, area, and volume. Pupils apply properties of equality and proportionality to similar and congruent shapes. Geometric concepts are extended to include the calculation of the measure of the interior angles of polygons. Pupils refine their understanding of data analysis as they include box-and-whisker plots to graphically represent a data set and then describe this data through the use of measures of central tendency. Pupils begin to evaluate statistical arguments based on accuracy and validity. Pupils synthesize, generalize, and apply knowledge and strategies to new situations. The use of manipulatives, mathematical tools, and technology, including calculators and computer software, is an essential component of this course.

Course Title: Math Intervention
Grade Level: 6-8
Label: Non-Core College Preparatory
The purpose of this course is to provide remedial instruction and practice in mathematics skills and concepts. The content should include, but not be limited to, mathematics content identified by diagnosis of each pupil's needs for remedial instruction identified,

test-taking skills, and strategies for mathematics. Students will be able to use mathematical concepts involving quantities reasoning and analysis effectively as a tool in their personal and business lives.

Course Title: Algebra I *(Currently offered.)*
Grade Level: 8-12
Label: Core College Preparatory - "c" (UC approved)
High School Requirement: Mathematics
This course is designed to develop the algebraic concepts and processes that can be used to solve a variety of real world and mathematical problems. The course is based on the standards set by the State of California and is a necessary course for the High School Exit Exam. The following topics are included: algebraic operations; rules of exponents; solving and graphing linear equations, inequalities, and quadratics; solving systems of equations; parallel and perpendicular lines; functions and relations; application problems. Algebraic skills are applied in a wide variety of problem-solving situations.

Course Title: Algebra I Honors *(Planned if warranted by student demand.)*
Grade Level: 8-12
Label: Core College Preparatory - "c" (pending UC approval)
High School Requirement: Mathematics
This accelerated course is designed to develop the algebraic concepts and processes that can be used to solve a variety of real world and mathematical problems. The course is based on the standards set by the State of California and is a fundamental course to pass the High School Exit Exam. The following topics are included: algebraic operations; rules of exponents; solving and graphing linear equations, inequalities, and quadratics; solving systems of equations; parallel and perpendicular lines; functions and relations; application problems. Algebraic skills are applied in a wide variety of problem-solving situations.
PREREQUISITE: Mathematics 3 and teacher approval.

Course Title: Geometry *(Currently offered.)*
Grade Level: 8-12
Label: Core College Preparatory - "c" (UC approved)
High School Requirement: Mathematics
Geometry is a course designed to develop the geometric relationships and deductive strategies that can be used to solve a variety of real world and mathematics problems. This course develops students' ability to construct formal, logical arguments and proofs in geometric settings and problems. Students will learn geometry skills and concepts as well as using these skills to model and relate real world problems and applications.
PREREQUISITE: Algebra I or Algebra I Honors and teacher approval.

Course Title: Geometry Honors *(Planned if warranted by student demand.)*
Grade Level: 8-10
Label: Core College Preparatory - "c" (pending UC approval)

High School Requirement: Mathematics
Geometry Honors is a rigorous course designed to develop the geometric relationships and deductive strategies that can be used to solve a variety of real world and mathematics problems. This course provides pupils with a rigorous study of Euclidean geometry including advanced topics. It incorporates problem solving, reasoning, modeling, and effective communication in the study of transformation, geometry, trigonometry, measurement, and probability. The use of manipulatives, mathematical tools, and technology, including calculators and computer software, is an essential component of this course.
PREREQUISITE: Algebra I or Algebra I Honors and teacher approval.

Course Title: Algebra II *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "c" (UC approved)
High School Requirement: Mathematics
Algebra II is a course designed to continue the study of the structure of algebra and to provide the foundation for applying these skills to other mathematical and scientific fields. This course expands the content and concepts of algebra I and geometry. Students will acquire the problem-solving skills in various content areas such as quadratic, polynomial, exponential, logarithmic and rational functions as well as the complex number system.
PREREQUISITE: Geometry or Geometry Honors and teacher approval.

Course Title: Algebra II Honors *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "c" (pending UC approval)
High School Requirement: Mathematics
Algebra II Honors is a rigorous course designed to continue the study and expands upon the concepts and procedures learned in Algebra I H and Geometry H. It provides the foundation for applying these skills to other mathematical and scientific fields. Emphasis is on the study of polynomial, exponential, logarithmic, and trigonometric functions, systems of equations and inequalities, matrix algebra, sequences and series, conic sections, and proof of mathematical conjectures. Connection to other areas of mathematics and applications to other disciplines are integrated into the course.
PREREQUISITE: Geometry or Geometry Honors and teacher approval.

Course Title: Math Analysis/Trigonometry *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Core College Preparatory - "c" (pending UC approval)
High School Requirement: Mathematics
This course is designed to prepare students for further study of mathematics at the college level. All standard Math Analysis/Pre-calculus topics will be presented. Integration of technology, such as the use and programming of graphing calculators, throughout the units will prepare students for participation in a technological society. In-depth study of such topics as the family of functions (e.g. polynomial, rational,

exponential, logarithmic, and trigonometric), limits, derivatives, vectors, matrices, sequences, and series will be undertaken.
PREREQUISITE: Algebra 2 or Algebra II Honors and teacher approval.

Course Title: Pre-Calculus *(Currently offered.)*
Grade Level: 10-12
Label: Core College Preparatory - "c" (UC approved)
High School Requirement: Mathematics
The purpose of this course is to emphasize the study of functions and other skills necessary for the study of calculus. Pre-Calculus serves as a rigorous prelude to AP Calculus. The first half concentrates on algebra and functions, with particular attention paid to graphing and solving linear, quadratic, polynomial, rational, exponential, and logarithmic functions. Applications of the material during first semester include maxima/minima problems, average rate of change, and compound interest. Second semester, the course shifts to trigonometry, with discussion of the trigonometric ratios, radian measure, the graphs of the trigonometric functions, the special angle formulas, the laws of sines and cosines, vectors, parametric equations, and the conic sections. If time permits, the course explores additional topics such as mathematical induction, the binomial theorem, and sequences and series.
PREREQUISITE: Algebra II or Algebra II Honors and teacher approval.

Course Title: Pre-Calculus Honors *(Planned if warranted by student demand.)*
Grade Level: 10-12
Label: Core College Preparatory - "c" (pending UC approval)
High School Requirement: Mathematics
The purpose of this accelerated course is to emphasize the study of functions and other skills necessary for the study of calculus. Pre-Calculus serves as a rigorous prelude to AP Calculus. The first half concentrates on algebra and functions, with particular attention paid to graphing and solving linear, quadratic, polynomial, rational, exponential, and logarithmic functions. Applications of the material during first semester include maxima/minima problems, average rate of change, and compound interest. Second semester, the course shifts to trigonometry, with discussion of the trigonometric ratios, radian measure, the graphs of trigonometric functions, the special angle formulas, the laws of sines and cosines, vectors, parametric equations, and conic sections. If time permits, the course explores additional topics such as mathematical induction, the binomial theorem, and sequences and series.
PREREQUISITE: Algebra II or Algebra II Honors and teacher approval.

Course Title: Calculus *(Currently offered.)*
Grade Level: 11-12
Label: Core College Preparatory - "c" (UC approved)
High School Requirement: Mathematics
This course provides a comprehensive survey of differential and integral calculus concepts, including limits, derivative and integral computation, linearization, Riemann

sums, the fundamental theorem of calculus, and differential equations. Content is presented in 10 units and covers various applications, including graph analysis, linear motion, and average value, area, volume, and growth and decay models. In this course students use an online textbook, which supplements the instruction they receive and provides additional opportunities to practice using the content they've learned. **PREREQUISITE:** Pre-Calculus and teacher approval.

Course Title: Remediation Math *(Currently offered.)*
Grade Level: 9-12
Label: Non-Core College Preparatory
High School Requirement: Electives
The purpose of this course is to provide remedial instruction and practice in mathematics skills and concepts. The content should include, but not be limited to, mathematics content identified by diagnosis of each pupil's needs for remedial instruction identified, test-taking skills, and strategies for mathematics. Students will be able to use mathematical concepts involving quantities reasoning and analysis effectively as a tool in their personal and business lives.

Science Courses

Course Title: Comprehensive Science 6 *(Currently offered.)*
Grade Level: 6
Label: Core College Preparatory
The purpose of this course is to build upon previously learned scientific concepts. The course focuses on understanding Earth and Space science systems. Pupils will use scientific processes, protocols, and tools, including inquiry, to build understanding of Earth's structure and place in the Solar System, atmospheric processes, and composition of matter. For the earth and space science unifying concept, they will learn about: the relationship between the Earth's atmosphere, topography, weather, and climate; the characteristics of our solar system that is a part of the Milky Way galaxy; and that landforms result from a combination of constructive and destructive processes. Pupils develop a foundation for scientific literacy as they use critical thinking, collaboration, and communication skills. The appropriate use of technology will be an essential component of this course.

Course Title: Comprehensive Science 6 Honors *(Planned if warranted by student demand.)*
Grade Level: 6
Label: Core College Preparatory
This course will have augmented instructional pacing, more rigorous expectation of pupil work and enhanced science activities. The course focuses on understanding Earth and Space science systems. Pupils will use scientific processes, protocols, and tools, including inquiry, to build understanding of Earth's structure and place in the Solar System, atmospheric processes, and composition of matter. For the earth and space science unifying concept, they will learn about: the relationship between the Earth's

atmosphere, topography, weather, and climate; the characteristics of our solar system that is a part of the Milky Way galaxy; and that landforms result from a combination of constructive and destructive processes. Pupils develop a foundation for scientific literacy as they use critical thinking, collaboration, and communication skills. The appropriate use of technology will be an essential component of this course.

Course Title: Comprehensive Science 7 *(Currently offered.)*
Grade Level: 7
Label: Core College Preparatory
This course focuses on understanding the living systems on Earth. Pupils will use scientific processes, protocols, and tools, including inquiry, to build understandings of living things and the interactions between living and non-living things. Critical thinking, collaboration, accuracy, and communication skills will be used as pupils develop a foundation for scientific literacy in life, earth, and physical science content. For the nature of science unifying concept, pupils will learn that: scientific knowledge requires critical consideration of verifiable evidence obtained from inquiry and appropriate investigations; and interactions of science and society in an ever-changing world. For the life science unifying concept, pupils will learn: the role of genetic information in the continuation of a species; that living things are composed of cells, which are specialized multicellular organisms to perform a variety of life functions; how living and non-living components of ecosystems interact; and that life forms change over time, contributing to the variety of life forms on the Earth. For the physical science unifying concept, pupil will learn: the properties and changes of property in matter; position and motion of an object result from the net effect of the different forces acting on it; and the transfer of energy. Technology, history and nature of science will be essential components of this course.

Course Title: Comprehensive Science 7 Honors *(Planned if warranted by student demand.)*
Grade Level: 7
Label: Core College Preparatory
This course will have augmented instructional pacing, more rigorous expectation of pupil work and enhanced science activities. This course focuses on understanding the living systems on Earth. Pupils will use scientific processes, protocols, and tools, including inquiry, to build understandings of living things and the interactions between living and non-living things. Pupils develop a foundation for scientific literacy in life, earth, and physical science content and are required to use critical thinking, collaboration, and communication skills. For the nature of science unifying concept, pupils will learn that: scientific knowledge requires critical consideration of verifiable evidence obtained from inquiry and appropriate investigations; and interactions of science and society in an ever-changing world. For the life science unifying concept, pupils will learn: the role of genetic information in the continuation of a species; that living things are composed of cells, which are specialized multicellular organisms to perform a variety of life functions; how living and non-living components of ecosystems interact; and that life forms change over time, contributing to the variety of life forms on the Earth. For the physical science

unifying concept, pupil will learn: the properties and changes of property in matter; position and motion of an object result from the net effect of the different forces acting on it; and the transfer of energy. Technology, history and nature of science will be essential components of this course.

Course Title: Comprehensive Science 8 *(Currently offered.)*
Grade Level: 8
Label: Core College Preparatory
This course provides the physical science explanations that extend understandings developed in previous science courses. Pupils will use scientific processes, protocols, and tools, including inquiry, to build understanding of structures, patterns, and relationships explained through the physical sciences. Pupils expand their scientific literacy and are required to use critical thinking, collaboration, and communication skills throughout the course activities. The appropriate use of technology will be an essential component of this course.

Course Title: Comprehensive Science 8 Honors *(Planned if warranted by student demand.)*
Grade Level: 8
Label: Core College Preparatory
This accelerated course will have augmented instructional pacing, more rigorous expectation of pupil work and enhanced science activities. Pupils will use scientific processes, protocols, and tools, including inquiry, to build understanding of structures, patterns, and relationships explained through the physical sciences. Pupils expand their scientific literacy and are required to use critical thinking, collaboration, and communication skills throughout the course activities. The appropriate use of technology will be an essential component of this course.

Course Title: Earth Science *(Currently offered.)*
Grade: 9-12
Label: Core College Preparatory - "g" (UC approved)
High School Requirement: Science
Earth Science provides a strong foundation for high school freshmen in the cultivation and development of a scientific process, scientific method, a structured and coordinated approach to studying the world around us. This science course is designed to meet the following criteria: provide the student with a broad-based background and appreciation of their ever-changing planet and its place in the universe; provide quantitative analysis and experimental tools to develop the student's scientific and critical thinking skills; provide extensive preparation and comprehensive coordination between biology, chemistry, physics, and earth sciences; and prepare the student for college courses and careers in the geosciences and astronomy. The topics covered in this course are organized around the following general headings: Investigation and Experimentation, Earth Materials, Dynamic Earth Processes, Sculpting Earth's Surface, Energy in the Earth System, Biogeochemical cycles, The Global Ocean, Structure and Composition of the Atmosphere, California Geology, and Earth's Place in the Universe.

Course Title: Earth Science Honors *(Planned if warranted by student demand.)*
Grade: 9-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Science
Earth Science Honors provides a rigorous foundation for high school freshmen in the cultivation and development of a scientific process, scientific method, a structured and coordinated approach to studying the world around us. This science course is designed to meet the following criteria: provide the student with a broad-based background and appreciation of their ever-changing planet and its place in the universe; provide quantitative analysis and experimental tools to develop the student's scientific and critical thinking skills; provide extensive preparation and comprehensive coordination between biology, chemistry, physics, and earth sciences; and prepare the student for college courses and careers in the geosciences and astronomy. The topics covered in this course are organized around the following general headings: Investigation and Experimentation, Earth Materials, Dynamic Earth Processes, Sculpting Earth's Surface, Energy in the Earth System, Biogeochemical cycles, The Global Ocean, Structure and Composition of the Atmosphere, California Geology, and Earth's Place in the Universe.
PREREQUISITE: Teacher approval.

Course Title: Biology *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "d" (UC approved)
High School Requirement: Science
This course will give students an overview of life sciences covering organic chemistry, microbiology, cytology, genetics, biogenetics, evolution, comparative anatomy, zoology, botany, human biology, and ecology. It will follow California state standards for high school biology and include laboratory-based investigation to teach content by having students implement the scientific method while doing their own investigations.

Course Title: Biology Honors *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "d" (pending UC approval)
High School Requirement: Science
Biology Honors will provide opportunities to pupils for general exploratory experiences and activities in the fundamental concepts of life. Emphasis is placed on developing research skills, and laboratory techniques. Independent study projects and inquiry-based learning experiences are integral parts of the course requirements. Topics will include but not be limited to: the scientific method, laboratory apparatus usage and safety, biochemistry, cell biology, genetics, botany, zoology, human anatomy and physiology, and ecological relationships. Laboratory activities that include the use of the scientific method, measurement, laboratory apparatus, and safety are an integral part of this course.
PREREQUISITE: Algebra I/H & Teacher approval.

Course Title: Advanced Placement Biology *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "d" (UC approved)
High School Requirement: Science
The Advanced Placement Biology course is designed to offer students a solid foundation in introductory college-level biology. By structuring the course around the four big ideas, enduring understandings, and science practices it assists students in developing an appreciation for the study of life and help them identify and understand unifying principles within a diversified biological world. What we know today about biology is a result of inquiry. Science is a way of knowing. Therefore, the process of inquiry in science and developing critical thinking skills is the most important part of this course. At the end of the course, students will have an awareness of the integration of other sciences in the study of biology, understand how the species to which we belong is similar to, yet different from, other species, and be knowledgeable and responsible citizens in understanding biological issues that could potentially impact their lives. This course is designed with an emphasis on meeting the requirements of the College Board Advanced Placement examination.
PREREQUISITE: Algebra I/H & Teacher approval.

Course Title: Chemistry *(Currently offered.)*
Grade Level: 10-12
Label: Core College Preparatory - "d" (UC approved)
High School Requirement: Science
Chemistry is a college-prep, laboratory based science subject designed for 10th, 11th, and 12th grade high school students. This course will cover concepts and theories relating to the scientific field of Chemistry. Students will have a clear understanding of the atomic and molecular structure, chemical bonds, conservation of matter and stoichiometry, gases and their properties, acids and bases, solutions, chemical thermodynamics, reaction rates, chemical equilibrium, organic chemistry and biochemistry, and nuclear processes. The laboratory work will develop students reasoning power, the ability to apply chemical principles; as well as acquaint students with chemical laboratory techniques.
PREREQUISITE: Biology and Algebra I.

Course Title: Chemistry Honors *(Planned if warranted by student demand.)*
Grade Level: 10-11
Label: Core College Preparatory - "d" (pending UC approval)
High School Requirement: Science
Chemistry Honors will provide pupils with an opportunity to study the composition, properties and changes associated with matter. Topics will include but not be limited to: heat, changes of matter, atomic structure, bonding, the periodic tables, formulas, equations, mole concept, gas laws, reactions, solutions, equilibrium systems, and oxidation reduction reactions.
PREREQUISITE: Biology, Algebra I, and teacher approval.

Course Title: Physics *(Currently offered.)*

Grade Level: 10-12
Label: Core College Preparatory - "d" (UC approved)
High School Requirement: Science
Physics will provide opportunities to pupil for an introductory study of the theories and laws governing the interaction of matter, energy, and the forces of nature. Topics will include but not be limited to: kinematics, dynamics, energy, work and power, heat, thermodynamics, wave characteristics, light, electricity, magnetism, and nuclear physics.
PREREQUISITE: Algebra II (pupil may be concurrently enrolled).

Course Title: Physics Honors *(Planned if warranted by student demand.)*
Grade Level: 10-12
Label: Core College Preparatory - "d" (pending UC approval)
High School Requirement: Science
Physics I Honors will provide pupils with an in depth study of the theories and laws governing the interaction of matter, energy, and the forces of nature. Topics will include but not be limited to: kinematics, dynamics, energy, work, power, heat and thermodynamics, wave characteristics, light, electricity, magnetism, and nuclear physics.
PREREQUISITE: Algebra II (pupil may be concurrently enrolled) and teacher approval.
Course Title: Advanced Placement Environment Science *(Currently offered.)*
Grade Level: 10-12
Label: Core College Preparatory - "d" (UC approved)
High School Requirement: Science
The goal of this course is to provide students with the scientific principles, concepts, and methodologies to understand the interrelationships of the natural world, to identify and analyze environmental problems both natural and human-made, and to evaluate the risks associated with these problems and examine alternative solutions for resolving and/or preventing them. This course is designed with an emphasis on meeting the requirements of the College Board Advanced Placement examination.
PREREQUISITE: Teacher approval.

History-Social Studies Courses

Course Title: World History: Ancient Civilization 6 *(Currently offered.)*
Grade Level: 6
Label: Core College Preparatory
The purpose of this course is for pupils to investigate the development of ancient civilizations and regions through the Age of Exploration. They expand their understanding of history by studying the people and events that ushered in the dawn of the major Western and non-Western ancient civilizations. Geography is of special significance in the development of the human story. Continued emphasis is placed on the everyday lives, problems, and accomplishments of people, their role in developing social, economic, and political structures, as well as in establishing and spreading ideas that helped transform the world forever. Students develop higher levels of critical thinking by considering why civilizations developed where and when they did, why they became

dominant, and why they declined. Students analyze the interactions among the various cultures, emphasizing their enduring contributions and the link, despite time, between the contemporary and ancient worlds.

Course Title: World History: Ancient Civilization 6 Honors *(Planned if warranted by student demand.)*
Grade Level: 6
Label: Core College Preparatory
This accelerated course will have augmented instructional pacing, more rigorous expectation of pupil work and enhanced social studies activities. The purpose of this course is for pupils to investigate the development of ancient civilizations and regions through the Age of Exploration. They compare and contrast the major religions of the world, characteristics necessary for the development of sustainable civilizations, the role governments and ideologies play in societies, and the development of regional cultures.

Course Title: World History: Medieval Early Times 7 *(Currently offered.)*
Grade Level: 7
Label: Core College Preparatory
This course is the study the social, cultural, and technological changes that occurred in Europe, Africa, and Asia in the years A.D. 500–1789. After reviewing the ancient world and the ways in which archaeologists and historians uncover the past, students study the history and geography of great civilizations that were developing concurrently throughout the world during medieval and early modern times.

Social Studies – World History: Medieval Early Times 7 Honors *(Planned if warranted by student demand.)*
Grade Level: 7
Label: Core College Preparatory
This accelerated course will have augmented instructional pacing, more rigorous expectation of pupil work and enhanced social studies activities. Pupils will study the social, cultural, and technological changes that occurred in Europe, Africa, and Asia in the years A.D. 500–1789. Pupils explore and evaluate challenges facing the new nation and make connections between the rise of industrialization and contemporary social and economic conditions.

Course Title: U.S. History 8 *(Currently offered.)*
Grade Level: 8
Label: Core College Preparatory
The purpose of this course is for pupils to study the ideas, issues, and events from the framing of the Constitution up to World War I, with an emphasis on America's role in the war. After reviewing the development of America's democratic institutions founded on the Judeo- Christian heritage and English parliamentary traditions, particularly the shaping of the Constitution, students trace the development of American politics, society, culture, and economy and relate them to the emergence of major regional differences. Students learn about the challenges facing the new nation, with an emphasis on the

causes, course, and consequences of the Civil War. They make connections between the rise of industrialization and contemporary social and economic conditions.

Course Title: U.S. History 8 Honors *(Planned if warranted by student demand.)*
Grade Level: 8
Label: Core College Preparatory
This accelerated course will have augmented instructional pacing, more rigorous expectation of pupil work and enhanced social studies activities. The purpose of this course is for pupils to continue to study the ideas, issues, and events from the framing of the Constitution up to World War I, with an emphasis on America's role in the war. After reviewing the development of America's democratic institutions founded on the Judeo-Christian heritage and English parliamentary traditions, particularly the shaping of the Constitution, students trace the development of American politics, society, culture, and economy and relate them to the emergence of major regional differences. Students learn about the challenges facing the new nation, with an emphasis on the causes, course, and consequences of the Civil War. They make connections between the rise of industrialization and contemporary social and economic conditions.

Course Title: World History *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "a" (UC approved)
High School Requirement: Social Science
World History will provide pupils the opportunity to acquire an understanding of the chronological development of civilization by examining the political, economic, social, religious, military, dynastic, scientific, and cultural events that have affected humanity.

Course Title: World History Honors *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "a" (pending UC approval)
High School Requirement: Social Science
World History Honors will provide pupils the opportunity to acquire a comprehensive understanding of the past in terms of what has been interpreted about change or process as it related to the development of humanity. This is done by analyzing the political, economic, social, religious, military, dynastic, scientific, and cultural events that have shaped and molded humanity. Implicit in this is an understanding of the historical method, the inquiry process, historical reasoning and interpretation.
PREREQUISITE: Teacher approval.

Course Title: Advanced Placement World History *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "a" (pending UC approval)
High School Requirement: Social Science

Advanced Placement World History is a college-level course that offers motivated pupils the opportunity to immerse themselves in the processes that, over time, have resulted in the knitting of the world into a tightly integrated whole. The course highlights six themes that allow the pupils, throughout the course, to make comparisons, construct and evaluate arguments, assess issues of change and continuity, handle diverse interpretations through analysis of context, bias and frame of reference, and using documents and primary data in developing the skills necessary to analyze point of view, context and bias. This course is designed with an emphasis on meeting the requirements of the College Board examination.
PREREQUISITE: Teacher approval.

Course Title: United States History *(Currently offered.)*
Grade Level: 11-12
Label: Core College Preparatory - "a" (UC approved)
High School Requirement: Social Science
United States History will provide pupils with the opportunity to acquire an understanding of the chronological development of the American people by examining the political economic, social, religious, military, scientific, and cultural events that have affected the rise and growth of the nation.

Course Title: United States History Honors *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Core College Preparatory - "a" (pending UC approval)
High School Requirement: Social Science
United States History Honors will provide pupils with the opportunity to acquire an in-depth and comprehensive understanding of the chronological development of the American people by examining the political, economic, social, religious, military, scientific, and cultural events that have affected the nation. Implicit in this is an understanding of the historical method, the inquiry process, historical reasoning and interpretation, and the issues of external and internal validity.
PREREQUISITE: Teacher approval.

Course Title: Advanced Placement United States History *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Core College Preparatory - "a" (UC approved)
High School Requirement: Social Science
Advanced Placement United States History is a college-level course designed to provide pupils with the analytical skills and enduring understandings necessary to deal critically with the problems and materials in United States history. The program prepares pupils for intermediate and advanced college courses by making demands upon them equivalent to those made by full-year introductory college courses. Pupils should learn to assess historical materials—their relevance to a given interpretive problem, their reliability, and their importance—and to weigh the evidence and interpretations presented in historical

scholarship. The course should thus develop the skills necessary to arrive at conclusions on the basis of an informed judgment and to present reasons and evidence clearly and persuasively in an essay format. This course is designed with an emphasis on meeting the requirements of the College Board examination.
PREREQUISITE: Teacher approval.

Course Title: United States Government *(Currently offered.)*
Grade Level: 12
Label: Core College Preparatory - "a" (UC approved)
High School Requirement: Social Science
This course is a study of United States federal, state, local, and tribal governments evaluating the impact of political foundations, structures, processes, and institutions. Students apply constitutional principles to assess the growth and development of the United States government and political system. Pupils will acquire a comprehensive understanding of American government and political behavior. Appropriate concepts and skills will be developed through an evaluation of the Declaration of Independence, the Constitution, and the Bill of Rights, an analysis of the roles of the three branches of government at the local, state, and national levels, a comparative view of the changing roles of the three branches of government at the local, state, and national levels, a comparative view of the changing nature of political parties and interest groups in determining government policy, an evaluation of citizen rights and responsibilities in a democratic state, and the importance of civic participation in democratic political processes

Course Title: United States Government Honors *(Planned if warranted by student demand.)*
Grade Level: 12
Label: Core College Preparatory - "a" (pending UC approval)
High School Requirement: Social Science
Pupils will acquire a comprehensive understanding of American government and political behavior. This course is designated as honors level by the accelerated instructional pacing and depth of content. Appropriate concepts and skills will be developed through an evaluation of the Declaration of Independence, the Constitution, and the Bill of Rights, an analysis of the roles of the three branches of government at the local, state, and national levels, a comparative view of the changing roles of the three branches of government at the local, state, and national levels, a comparative view of the changing nature of political parties and interest groups in determining government policy, an evaluation of citizen rights and responsibilities in a democratic state, and the importance of civic participation in democratic political processes.
PREREQUISITE: Teacher approval.

Course Title: Advanced Placement United States Government & Politics *(Planned if warranted by student demand.)*
Grade Level: 12

Label: Core College Preparatory - "a" (pending UC approval)
High School Requirement: Social Science
Advanced Placement United States Government & Politics is a college-level course which provides an analytical perspective on government and politics in the United States. This course involves both the study of general concepts used to interpret U.S. politics and the analysis of specific case studies. It also requires familiarity with the various institutions, groups, beliefs, and ideas that constitute U.S. political reality. This course is designed with an emphasis on meeting the requirements of the College Board examination.
PREREQUISITE: Teacher approval.

Course Title: Economics *(Currently offered.)*
Grade Level: 11-12
Label: Core College Preparatory - "g" (UC approved)
High School Requirement: Social Science
Economics will provide pupils the opportunity to acquire an understanding of the way in which society organizes its limited resources to satisfy unlimited wants. The pupil will be introduced to the major characteristics of the mixed market economic system in the United States and how the basic economic questions are answered.

Course Title: Economics Honors *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Social Science
Economics Honors will provide pupils the opportunity to acquire a comprehensive understanding of the way in which society organizes to utilize its limited resources to satisfy unlimited wants and the distinguishing characteristics of other types of economic systems with particular attention to the American mixed system.
PREREQUISITE: Teacher approval.

Course Title: Psychology I *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "g" (UC approved)
High School Requirement: Electives
Psychology I will provide pupils with an understanding of human behavior, behavioral interaction, and the progressive development of individuals with an emphasis on sports psychology. Appropriate concepts and skills will be developed through the theories and methods of study employed by psychologists, human growth and development, self-concept development, adjustment, motivation and desire, intelligence, conditioning and learning, memory, personality and behavior, emotion and frustration, abnormal behavior, conformity, autonomy, alienation, stress, mental health and therapy.

Technology and Business Elective Courses

Course Title: Skills for Success *(Planned if warranted by student demand.)*

Grade Level: 6-8
Label: Non-Core College Preparatory
The purpose of this course to provide basic skills that are important for academic success and success in the 21st century workplace such as word processing, presentation software, creating charts from data in excel, and finding information and images online to use in reports and other documents. Students learn the basics of touch-typing, digital citizenship, as well as how to choose a computer device that fits their needs. In addition, pupils learn management systems to assist them in organization skills.

Course Title: Computer Literacy *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "g" (AP Computer Science Principles is UC approved)
High School Requirement: Electives
This semester course is designed to provide pupils with fundamental computing skills. Areas of emphasis include Internet use and safety, office productivity applications, and system fundamentals. The appropriate use of technology is an integral part of this course.

Course Title: Media Production *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "g" (UC approved)
High School Requirement: Electives
This course is designed to incorporate different mediums communications. Students will use a variety of techniques to produce projects combining sound, music, video, and art. The course will provide a culminating experience for pupils who have been who have excelled in their computer classes. Students will also get practical experience preparing materials for the school.
PREREQUISITE: Teacher approval

Course Title: Radio Production 1-4
Grade Level 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Electives
This course provides students with general information on the structure and operation of radio stations, production companies and other related companies. The course also covers theoretical aspects of the basic radio field and control room/studio equipment. Students are required to complete simple field production assignments - audio - as part of the course activities.

Course Title: Computer Applications I *(Planned if warranted by student demand.)*
Course Title: Computer Applications II *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Electives

The purpose of Computer Applications I and II is to provide pupils with intensive hands-on experience with some commonly used software packages. Advanced applications of commercially available software will be emphasized.
PREREQUISITE: For Computer Applications II, Computer Applications I.

Course Title: Introduction to Business *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "g" (UC approved)
High School Requirement: Local Option (Business)
This course provides a basic overview of the business environment. Creating, financing, marketing, and managing a business will be covered as well as communication and human resources. Included will be the examination of business as it relates to the U.S. and world economies, business ethics, entrepreneurship, types of businesses, organizational structure and ownership models, impact of technology, decision making as influenced by internal and external factors.

Course Title: Entrepreneurship *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "g" (UC approved)
High School Requirement: Local Option (Business)
This course will prepare students to be responsible, enterprising entrepreneurial thinkers by studying the attitudes and skills that characterize entrepreneurs. Through "real-life" experiences, they will learn the skills related to creativity, initiative, problem solving, flexibility and adaptability in a business setting in order to make decisions, manage results and learn from the outcomes of their decisions. Through the study of these business topics students will develop an understanding of the role of business as it relates to them, as well as develop critical thinking skills that will shape their decisions concerning future studies and career planning.

Course Title: Introduction to Marketing *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "g" (UC approved)
High School Requirement: Local Option (Business)
This course prepares students to apply marketing and advertising foundations and principles. Students will apply marketing practices, principles and tasks in a variety of business and educational settings in order to learn how marketing interacts with other facets of business such as sales, finance, communications, accounting and human resource management.

Course Title: Personal Finance *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Core College Preparatory - "g" (pending UC approval)
High School Requirement: Local Option (Business)

This course prepares students to understand and apply skills to the real world of personal finance. Students will be introduced to elements of every day financial transactions, as well as life's major financial decisions. Included will be: Banking Transactions, Income Management, Vehicle Ownership, Loans/Credit Cards, Investments, Real Estate, Renting Apartments, and some basic Business (retail oriented).

Physical Education Courses

Course Title: Physical Education *(Currently offered.)*
Grade Level: 6-8
Label: Non-Core College Preparatory
This course focuses on the physical, mental, social, and emotional development of pupils in cooperative and competitive settings. Students develop psychomotor skills and engage in movement and lifetime fitness activities at moderate to vigorous levels for a minimum of 50% of the instructional time. Students participate in movement experiences found in team, individual, and dual sports; dance/rhythms; and lifetime recreational activities. Health and skill-related fitness concepts are explored through personal goal setting and self-evaluation.

Course Title: Physical Education *(Currently offered.)*
Grade Level: 9-12
Label: Non-Core College Preparatory
High School Requirement: Physical Education
This course focuses on the physical, mental, social, and emotional development of pupils in cooperative and competitive settings. Students develop psychomotor skills and engage in movement and lifetime fitness activities at moderate to vigorous levels for a minimum of 50% of the instructional time. Students participate in movement experiences found in team, individual, and dual sports; dance/rhythms; and lifetime recreational activities. Health and skill-related fitness concepts are explored through personal goal setting and self-evaluation.

Course Title: Dance *(Currently offered.)*
Grade Level: 6-8
Label: Non-Core College Preparatory
This course is designed to develop an appreciation of dance as an art form. Through movement experiences, pupils communicate in a way that is different from the written or spoken word, or even from other visual or auditory symbol systems. Students develop higher order thinking skills through perceiving, analyzing, and making discriminating judgments about dance. The pupil examines the role and meaning of dance in diverse social, cultural, and historical contexts through a variety of dance forms. Instructional practices incorporate integration of diversity awareness including appreciation of all cultures and their important contributions to society.

Course Title: Body Conditioning *(Planned if warranted by student demand.)*
Grade Level: 9-12

Label: Non-Core College Preparatory
High School Requirement: Physical Education
This co-ed course provides student athletes with general conditioning concepts and activities, as well as sport specific training techniques and practices.

Course Title: Dance 1 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Physical Education
This course is designed to develop an appreciation of dance as an art form. Through movement experiences, pupils communicate in a way that is different from the written or spoken word, or even from other visual or auditory symbol systems. Students develop higher order thinking skills through perceiving, analyzing, and making discriminating judgments about dance. The pupil examines the role and meaning of dance in diverse social, cultural, and historical contexts through a variety of dance forms. Instructional practices incorporate integration of diversity awareness including appreciation of all cultures and their important contributions to society.

Course Title: Dance 2 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Physical Education
This course is designed to promote dance training for a higher level of achievement. This course will develop and extend the artistic, affective, cognitive, and psychomotor potentials of the advanced pupil. The pupil will be provided with opportunities to explore, create, organize, evaluate, and perform a variety of dance forms.
PREREQUISITE: Dance I

Course Title: Advance Dance/Dance 3 *(Currently offered.)*
Grade Level: 8-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Physical Education
This course is designed to promote dance for a higher level of achievement. This course will develop and extend the artistic, affective, cognitive, and psychomotor potentials of the pupil include training in dance techniques, choreography, and a variety of dancing styles. Dance technique complexity increases in the progression of course sequence.
PREREQUISITE: Dance II

Course Title: Soccer *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Non-Core College Preparatory
High School Requirement: Physical Education
This is a co-ed course designed to improve skills specific to ball handling, kicking, offense and defense in soccer. This class will include conditioning specific to preparing students for an advanced level of competition.

Course Title: Martial Arts *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Non-Core College Preparatory
High School Requirement: Physical Education

The course concepts include training in basic martial arts techniques, method of integrating mind, body and spiritual wellbeing, while improving physical fitness and emotional health.

Course Title: Weight Training 1 *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Non-Core College Preparatory
High School Requirement: Physical Education
Beginning Weight Training provides pupils with opportunities to acquire basic knowledge and skills in weight training that may be used in physical pursuits today as well as in later life, improve muscular strength and endurance, and enhance body image.

Course Title: Weight Training 2 *(Planned if warranted by student demand.)*
Grade Level: 10-12
Label: Non-Core College Preparatory
High School Requirement: Physical Education
Intermediate Weight Training provides pupils with opportunities to extend the acquisition of knowledge and the development of skills in weight training that may be used in physical fitness pursuits today as well as in later life, further improve strength and endurance, and further enhance body image.
PREREQUISITE: Weight Training 1 or teacher approval.

Course Title: Weight Training 3 *(Planned if warranted by student demand.)*
Grade Level: 11-12
Label: Non-Core College Preparatory
High School Requirement: Physical Education
Advanced Weight Training provides pupils with opportunities to further extend the acquisition of knowledge and the development of skills in weight training that may be used in physical pursuits today as well as in later life, further improve muscular strength and endurance, and further enhance body image.
PREREQUISITE: Weight Training 2 or teacher approval.

World Languages

Course Title: Spanish *(Planned if warranted by student demand.)*
Grade Level: 6-8
Label: Core College Preparatory
This course introduces pupils to the target language and its culture. Pupils will develop and communicative skills and cross-cultural understanding. Specific content includes, but

is not limited to, beginning skills in listening and speaking with special attention to pronunciation. An introduction to reading and writing is also included as well as the fundamentals of grammar and culture. The course provides practice in correct use of basic vocabulary and language structures to enable pupils to function effectively within realistic settings. Instructional practices incorporate integration of diversity awareness including appreciation of all cultures and their important contributions to our society. The appropriate use of technology is an integral part of this course.

Course Title: Spanish I *(Currently offered.)*
Grade Level: 7-11
Label: Core College Preparatory - "e" (UC approved)
High School Requirement: World Language
This course introduces pupils to the target language and its culture. Pupils will develop and communicative skills and cross-cultural understanding. Specific content includes, but is not limited to, beginning skills in listening and speaking with special attention to pronunciation. An introduction to reading and writing is also included as well as the fundamentals of grammar and culture. The course provides practice in correct use of basic vocabulary and language structures to enable pupils to function effectively within realistic settings. Instructional practices incorporate integration of diversity awareness including appreciation of all cultures and their important contributions to our society. The appropriate use of technology is an integral part of this course.

Course Title: Spanish II *(Currently offered.)*
Grade Level: 8-12
Label: Core College Preparatory - "e" (UC approved)
High School Requirement: World Language
This course is for pupils who have successfully completed Spanish I. Students continue to refine proficiency in the target language with the end-of-course goal of demonstrating proficiency at the intermediate-low level. The focus is communication in the target language incorporating understanding of the target cultures, connecting with other disciplines, comparing native language to the target language, and participating in multicultural communities. The course provides practice in correct use of basic vocabulary and language structures to enable pupils to function effectively within realistic settings. Instructional practices incorporate integration of diversity awareness including appreciation of all cultures and their important contributions to our society. The appropriate use of technology is an integral part of this course.
PREREQUISITE: Spanish I or mastery of standards corresponding to Spanish I

Course Title: Spanish III *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "e" (UC approved)
High School Requirement: World Language
This course is designed for pupils who have successfully completed Spanish II. World Languages III provides mastery and expansion of skills acquired by the pupils in World Languages II. Specific content includes, but is not limited to, expansions of vocabulary

and conversational skills through discussions of selected readings. Analyzing reading selections strengthens pupils' acquisition of grammatical concepts. Students continue to refine proficiency in Spanish with the end-of-course goal of demonstrating proficiency at the intermediate-mid level. The focus is communication in Spanish incorporating understanding of Spanish cultures, connecting with other disciplines, comparing native language to Spanish, and participating in multicultural communities.
PREREQUISITES: Spanish II or mastery of standards corresponding to Spanish II and teacher approval.

Course Title: Advanced Placement Spanish Language and Culture *(Currently offered.)*
Grade Level: 10-12
Label: Core College Preparatory - "e" (UC approved)
High School Requirement: World Languages
This advanced placement course is comparable to an advanced level college Spanish language course. This college-level curriculum prepares pupils to use the three modes of communication (interpersonal, interpretive, and presentational) in the Intermediate to Pre-Advanced range. This course engages pupils in an exploration of culture in both contemporary and historical contexts. Emphasizing the use of Spanish for active communication, it encompasses aural/oral skills, reading comprehension, grammar, and composition. Special emphasis is placed on the use of authentic source materials and the integration of language skills. Pupils will combine listening, reading, and speaking (or listening, reading, and writing) skills in order to demonstrate understanding of authentic Spanish-language source materials. This course is designed with an emphasis on meeting the requirements of the College Board examination.
PREREQUISITES: Spanish I and Teacher approval.

Course Title: Advanced Placement Spanish Literature and Culture *(Currently offered.)*
Grade Level: 11-12
Label: Core College Preparatory - "e" (UC approved)
High School Requirement: World Languages
This advanced placement course is designed to the pupil with a learning experience equivalent to that of an introductory college course in literature written in Spanish. The course introduces pupils to the formal study of a representative body of texts from Peninsular Spanish, Latin American, and U.S. Hispanic literature. The course provides pupils the opportunity to demonstrate proficiency in Spanish across the three modes of communication (interpersonal, interpretive, and presentational) and the five goal areas (communication, cultures, connections, comparisons, and communities). This course is designed with an emphasis on meeting the requirements of the College Board examination.
PREREQUISITES: AP Spanish Language and Teacher approval.

Other Electives

Course Title: Advisory *(Currently offered.)*
Grade Level: 6-8
Label: Non-Core College Preparatory
This course is designed to help build character skills and support reading skills.

Course Title: Exploratory Wheel *(Currently offered.)*
Grade Level: 6-8
Label: Non-Core College Preparatory
This course is designed for all students to experience different core programs of the school. Each quarter, students are exposed to introductory concepts across the arts and business to build a foundation of knowledge with the courses better preparing them to select a pathway during their high school career. Quarter topics change cycle three years.

Course Title: Advisory *(Currently offered.)*
Grade Level: 9-12
Label: Non-Core College Preparatory
High School Requirement: Electives
This course is designed to help build character counts skills and support reading skills.

Visual and Performing Arts

Dance

Course Title: Dance 1 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Physical Education
This course is designed to develop an appreciation of dance as an art form. Through movement experiences, pupils communicate in a way that is different from the written or spoken word, or even from other visual or auditory symbol systems. Students develop higher order thinking skills through perceiving, analyzing, and making discriminating judgments about dance. The pupil examines the role and meaning of dance in diverse social, cultural, and historical contexts through a variety of dance forms. Instructional practices incorporate integration of diversity awareness including appreciation of all cultures and their important contributions to society.

Course Title: Dance 2 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Physical Education
This course is designed to promote dance training for a higher level of achievement. This course will develop and extend the artistic, affective, cognitive, and psychomotor potentials of the advanced pupil. The pupil will be provided with opportunities to explore, create, organize, evaluate, and perform a variety of dance forms.
PREREQUISITE: Dance I

Course Title: Advance Dance/Dance 3 *(Currently offered.)*
Grade Level: 8-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Physical Education
This course is designed to promote dance for a higher level of achievement. This course will develop and extend the artistic, affective, cognitive, and psychomotor potentials of the pupil include training in dance techniques, choreography, and a variety of dancing styles. Dance technique complexity increases in the progression of course sequence.
PREREQUISITE: Dance II

Music

Course Title: Choir 1-4 *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Visual and Performing Arts
The purpose of these courses is to provide opportunities to students, from an introduction to choral techniques and music theory to being part of a highly polished, select ensemble, which explores and performs choral works of all styles and periods. Students who wish to sing and develop a joy for music will learn the basics and fundamentals of good singing and musicianship. Music literature includes classical repertoire, folk songs, pop and jazz.

Course Title: Guitar 1-4 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Visual and Performing Arts
The purpose of these courses are to develop guitar performance proficiency using a variety of techniques. Emphasis will be placed on the development of skills in reading music notation; analysis of form, style, and history; and improvisation and composition techniques.

Course Title: Music 1-4 *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
The music department inspires students to achieve their individual musical potential, to cooperate within an ensemble setting, and to gain a higher respect for, and deeper understanding of the world of music.

Course Title: Music Theory *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts

Music theory introduces students to the harmonic language of music. Beginning with a review of scales, intervals, rhythm, and meter, the course of study progresses to basic progressions, modulations, treatment of dissonance, secondary dominants, and other chromatic structures. Sight singing and dictation will be emphasized. The music history section of the course will cover the major stylistic change studying music from the Middle Ages through the twenty-first century.

Course Title: Orchestra 1-4 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Visual and Performing Arts
The focus of the class is to develop string and instrumental ensemble techniques. A variety of orchestra music literature will be addressed in a range of musical areas. Students will receive instruction with an emphasis on fundamentals and technique development. They have opportunities to practice and perform in a wide range of groupings, from orchestra to jazz ensembles.

Course Title: Piano 1-4 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Visual and Performing Arts
The purpose these courses are to develop piano performance proficiency using a variety of techniques. Emphasis will be placed on the development of skills in reading music notation; analysis of form, style, and history; and improvisation and composition techniques.
Film

Course Title: Critical Issues in Film *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
This class looks at film as a cultural product. The major focus of the class is learning how to interpret films as signifiers of the state of our society, particularly in terms of ideology and politics. The goal of the class is to provide the interpretative skills needed to read a film critically.

Course Title: Film Production *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Visual and Performing Arts
In this class, students are given cameras to produce their own film statements. They will learn basic camera operation and audio for video. Class discussions, peer critiques, and linear editing are crucial parts of this class process as are visits to studios and film productions. Guest artists will mentor class members.

Course Title: Film Studies *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
The primary objective of this class is the development of the critical ability to analyze and evaluate film texts. The major historical, theoretical and aesthetic approaches to film are examined. The challenging questions of interpretation are constantly reviewed using a variety of theoretical approaches, including genre and auteur studies.

Course Title: Technical Film *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
This course emphasizes the development of visual awareness and personal expression through the medium of film. Basic technical skills are stressed, such as familiarity with the camera and its controls, film processing and printing. Classes discuss historical as well as contemporary images and ideas from various sources.

Theatre

Course Title: Improvisation *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
Stories, characters and situations are created through the use of games and exercises. As well as a tool to relax and stay in the moment, students learn through the games and exercises to really listen to and trust each other.

Course Title: Production *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
The intersection of theatre and business is explored in this class. Students are taught the basic elements of budgeting, assembling the units which comprise a play or movie, negotiation tools, timelines, etc.

Course Title: Technical Theatre *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
This course focuses on design conceptualization and theatre technology. It provides a comprehensive background in the technical aspects of a theatre and a working knowledge of the physical stage and how it works. Students receive instruction in the elements of lighting, sound and scenic design.

Course Title: Theatre Arts *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Visual and Performing Arts
These courses are an exploration in voice, diction, and movement. Students will perform improvisations, pantomime and scenes in order to develop acting and public speaking skills. Other concepts include: acting techniques, advanced improvisation, and theatre history. Class work includes, but is not limited to, the study of method acting, auditioning techniques, performing comedy, stage dialects, and styles of acting.

Course Title: Theatre Arts 2-4 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approvedal)
High School Requirement: Visual and Performing Arts
These courses are an exploration in voice, diction, and movement. Students will perform improvisations, pantomime and scenes in order to develop acting and public speaking skills. Other concepts include: acting techniques, advanced improvisation, and theatre history. Class work includes, but is not limited to, the study of method acting, auditioning techniques, performing comedy, stage dialects, and styles of acting.

Visual Arts

Course Title: Art 1-4 *(Currently offered.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (UC approved)
High School Requirement: Visual and Performing Arts
Students apply artistic processes and skills, using a wide variety of media, to communicate meaning and intent to works of art. Students further develop skills to create more individualized works of art.

Course Title: Cartooning 1-4 *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
Cartooning introduces students to the fundamentals associated with cartooning animation and manual techniques. Students will be using paper materials to generate cartoons and animations. The course may be repeated using alternate projects to enhance and further develop skills.

Course Title: Ceramics 1-4 *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts

These courses explore a variety of techniques in clay construction, glazing, firing, and surface decoration. This course also focuses on historical and cultural influences. Students will develop aesthetic perception skills and strengthen their creative expression in the areas of sculpture and pottery. Advanced classes offer expanded technique and student input in projects and focuses on some non-traditional approaches to ceramics.

Course Title: Drawing and Painting 1-4
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
The purpose of these courses is to enable students to develop the fundamentals of drawing and painting, giving students the basic vocabulary and tools of visual art while encouraging self-expression. The principles of composition and the elements of art (line, shape, color, value, texture) are explored through a wide variety of media. The relationship of subject matter, form and meaning is studied through critiques and examples from the history of art. Sequential classes will focus on advanced perceptual, observational and compositional skills necessary to communicate a range of subject matter, symbols, ideas, and concepts using knowledge of drawing and painting media, processes and techniques and include the development of portfolios.

Course Title: Sculpture *(Planned if warranted by student demand.)*
Grade Level: 9-12
Label: Core College Preparatory - "f" (pending UC approval)
High School Requirement: Visual and Performing Arts
This class provides hands on introduction to sculpture as students work with a variety of media while exploring three-dimensional art. Possible materials include wire, plaster, clay, papier-mâché, wood, as well as, found materials. Emphasis is placed on the conceptual possibilities of sculpture and expressing a personal point of view.

Instructional Methods and Strategies to Deliver Curriculum

Charter School will use Intentional Instruction as a primary instructional method, with an emphasis on literacy across the curriculum. The five-part framework for intentional instruction requires teachers to: 1. Establish Purpose; 2. Model Their Thinking; 3. Guide Students' Thinking Through the Use of Questions, Prompts, and Cues; 4. Provide Students with Productive Group Tasks That are Meaningful and Allow Students to Practice Language and Consolidate Learning; and 5. Assign Independent Tasks That Require Students to Apply What They Have Learned. Intentional Instruction is rooted from three theories: Gradual Release of Responsibility (Pearson & Fielding, 1991; Pearson & Gallagher, 1983; Direct Explanation (Duffy et al., 1987); and Literacy as a Social Practice. In an effort to keep students engaged for extended periods of time and be able to teach bell-to-bell, lessons will be planned using the Chunk, Chew, Check method, which allows for information to be delivered in small units (timing no longer than their

approximate age), adequate processing time, like 10/2, and gradually released opportunities for demonstrating mastery. Lessons will include a balance of both teacher-centered and student-centered activities.

Additionally, teachers will be trained in planning for multiple intelligences and tiered instruction. During allocated collaboration time, teachers have opportunities to align their strategies horizontally and vertically. Specific strategies will be used to target literacy in all classes. The reading apprentice method of talking-to-the-text will be used for students to interact with a variety of texts across all disciplines, as called for by CCSS. See/Say, mean, matter (SMM) graphic organizers are used for analyzing quotes, video clips, charts and graphs, and political cartoons, to name a few. The SMM is also used to promote arts integration throughout the curriculum. A variety of cooperative learning techniques, such as structured academic controversy, Socratic seminar, or fan-n-pick will be used as a means of creating safe environments where students collectively gather evidence, have class discussions and formulate opinions. Teachers will also be including writing in every class. Students will be taught how to use SMM graphic organizers to organize their thoughts into TIEAC power paragraphs, and ultimately into essays. TIEAC is an acronym for: topic sentence; introduce the example; example from the text; analysis of the example; and concluding sentence. As students promote to higher grades or become stronger writers, they will be weaned from the graphic organizer and write directly in power paragraph format. Additional instructional strategies are detailed in the Instructional Design section above

Instructional Methodologies and Curriculum-Materials

LAAAE's methodologies and curricula, as described throughout this petition, will support implementation and ensure student mastery of the CCSS and other state content standards by incorporating CCSS aligned curriculum, training teachers in the implementation of such a curriculum, and having consistent assessment of the fidelity of those programs. Charter School will create CCSS sample benchmarks for students to take throughout the year. Analysis of the available data will be used on a regular basis for teachers' to drive their instruction towards student mastery.

Use of Technology

To equip students to better integrate with future technologies, such as computer-based state standardized assessments and workforce software, LAAAE will integrate additional technology use into the curriculum. Most of LAAAE's current is available in digital format.English language arts, mathematics, social studies, and science courses have technology-based lessons embedded into the curricula. Existing intervention web-based programs include i-Ready and Khan Academy. Through the ongoing use of these programs and other platforms, students will be adequately prepared for computer-based assessments. In order to improve technology use, the school has invested in computers. At most, two teachers share a computer cart, and many teachers have their own cart.

Meeting Graduation Requirements

LAAAE's graduation requirements are aligned to A-G admission requirements. The purpose is to ensure that all students are eligible for UC/CSU admission. In addition, the courses offered are similar to other high schools which enable easy credit transfer and midyear placement. Each passing course is worth five credits. Students currently take seven classes (core and non-core) in a semester. In addition, they have a thirty (30) minute advisory that is 2.5 credits. In the current academic year, students can earn seventy-five (75) credits. Thus, in four years, a student can graduate with three hundred (300) credits. LAAAE's minimum graduation credits are two hundred and twenty (220) credits. In addition to number of credits, students must take specific courses to ensure A-G admission as well as state and Charter School graduation requirements. A letter grade of A, B, or C is required to earn A-G credit. Middle school coursework will not count toward graduation requirement fulfillment unless such coursework is of high school nature and has been included in LAAAE's UC Doorways UC/CSU approved course list.

At the beginning of the school year, the counseling department meets with all high school students to review their graduation progress (Grad Checks). In this process, both the counselor and student develop an individual graduation plan (IGP) to enable graduation is accomplished on time. If students are missing credits (core or non-core courses), they are advised of credit recovery opportunities both onsite and offsite. These opportunities include summer school and online classes sponsored by the school and are offered based on contemporaneous needs assessment of student credit deficiencies. Progress checks are ongoing throughout the year (formal/informal) to enable timely graduation. The instructional program ensures student progress toward the college and career readiness indicator through opportunities such as advanced placement classes, career and technical education pathways, and community college articulations.

High school graduation requirements are succinctly identified below.

GRAD REQUIREMENT:	STATE MINIMUM REQUIREMENTS:	REQUIREMENTS FOR LAAAE:	REQUIREMENTS FOR UC/CSU ADMISSION ELIGIBILITY:
English	30 credits (3 years)	40 credits (4 years)	4 years
Math	20 credits (2 years: including 1 year Algebra)	30 credits (3 years: Alg 1, Geom, Alg 2)	3 years (4 recommended)
Science	20 credits (2 years: 1 biological and 1 physical)	20 credits (2 years: 1 biological and 1 physical)	2 years (3 recommended)
Social Studies	30 credits (3 years: World History, US History, and	30 credits (3 years: World History, US History, and	2 years (3 recommended)

	Economics/Government)	Economics/Government)	
Foreign Language	10 credits (1 year: either foreign language or VAPA)	20 credits (2 years: at least through Span 2 level)	2 years (3 recommended)
VAPA		10 credits (1 year)	1 year
Physical Education	20 credits (2 years)	20 credits (2 years)	
Business		10 credits (1 year)	
Electives		40* credits	1 year (can be additional class in other requirement)
Community Service		100 hours**	
TOTAL CREDITS	**130**	**220**	

*Students do not need 4 years of purely elective credits. Additional courses in any department taken beyond the minimum requirements will count towards elective credit. In compliance with Education Code, local requirements may be waived for identified students such as foster youth.

Western Association of Schools and Colleges (WASC) Accreditation

LAAAE earned its initial Western Association of Colleges and Schools (WASC) accreditation in November 2010 and was recommended for reaccreditation, for a term of six years, following the November 2014 onsite Visiting Committee review. That mid cycle visit in 2018 was positive and affirmed the previous Visiting Committee's recommendations. LAAAE remains accredited and is preparing for its next visit scheduled for the 2020 – 2021 school year to ensure continued accreditation for subsequent graduating classes.

LAAAE finds that communication is a key component for student success. Parents will constantly be communicated about courses and graduation requirements through a variety of methods such as: workshops, one-to-one conferences, flyers, and outreach calls. The counseling department has several formal and informal meetings annually with students and parents to inform them on their progress toward graduation (grad checks) throughout their high school career.

In addition, LAAAE participates and hosts Cash for College to help students and parents with college information and financial aid. To improve communication with our English learner parents, all calls, notices and workshops are translated in Spanish. In addition,

students who enroll from another country are able to present their foreign transcripts for review and inclusion into their transcript.

All course offerings at LAAAE will allow students to apply to universities/colleges as well as placing them on track for graduation as LAAAE's graduation policy is based on A-G requirements. LAAAE currently has dozens of courses approved on UC Doorways. Additional courses for addition are being considered.

Transferability of Courses and Parent Notification

LAAAE's accreditation with the Western Association of Schools and Colleges (WASC) ensures that its academic program is transferable to other high schools and universities. Courses offered at Charter School will meet state graduation requirements. Moreover, those courses will be transferable to other high schools in accordance with state guidelines for graduation. LAAAE will articulate with colleges, universities, and other schools regarding acceptable courses. LAAAE will consult on a regular basis with all stakeholders regarding the school's educational program. Parents and students will receive course lists at activities such as: articulation programs for the middle schools, parent meetings, during scheduling for each semester, and at the beginning of each school year. Course lists will be available to parents and students throughout the school year. Parents and students will be provided official transcripts and be advised by the counselor on the availability to transfer course credit to subsequent high schools or institutions of higher education.

Academic Calendar and Schedules

LAAAE provides more instructional minutes and school days than the minimum required. LAAAE will have 190 school days per year. In the current bell schedule, the regular instructional day has two late starts on Wednesdays and Fridays. During this time, LAAAE faculty meet for professional development, collaboration and data analysis. Sample student schedules were provided earlier in this element. Designated English language development is provided in the course so name. Integrated English language development is provided in the other courses. Details on the bell schedule are below.

Regular School Days

Monday Bell Schedule

	Start	End
Nutrition	8:40 AM	8:50 AM
Period 1	8:50 AM	9:40 AM
Period 2	9:45 AM	10:35 AM
Period 3	10:40 AM	11:30 AM
Period 4	11:35 AM	12:25 PM
Middle School Period 5 and Lunch

Holidays
Pupil Free Day
Quarter Begins
Quarter Ends
Graduation/ Culmination Day

Observed School Holidays/Recess
Local Holiday (Admissions Day Observed) - September 4
Labor Day - September 7
Veteran's Day - November 11
Thanksgiving Recess - November 23 - 28
Winter Recess - December 21 - January 1
Dr. Martin Luther King Jr. Day - January 18
President's Day - February 15
Cesar Chavez Day - March 31 (Observed March 26)
Spring Recess - March 25 - April 2
Memorial Day - May 31

Grading Days

Q1	42 days	August 10 - October 9
Q2	44 days	October 12 - December 18
Q3	47 days	January 5 - March 12
Q4	57 days	March 15 - June 10
Total	190 days	

After school programs, including academic tutoring, intervention, teacher office hours, test preparation, arts and music enrichment, student leadership and athletics, will usually take place from 4:00 to 6:00 p.m.

A Typical Day at LAAAE

A visitor will gain a clear perspective on the school's core values and beliefs by shadowing any given student throughout the day.

Students arrive as early as 7:30 a.m., clad with their Los Angeles Academy of Arts and Enterprise logo uniform polo. Most students walk to school from the nearby community; other students are dropped off by their parents and/or guardians. The school leadership, faculty and staff greet students as they arrive on campus. A nearby campus aide is supporting student supervision.

As students congregate inside, they are immediately welcomed into a calm environment. Bulletin boards are covered with an array of fliers, fundraising announcements, and community information pertinent to both students and their families, which reflects the school's belief in embracing student diversity, creativity, and sense of communion. Recognition of student achievement permeates the school as various posters, awards, and lists plaster the inside school hallways and classrooms.

On regularly scheduled days, students are seated in their classrooms ready to begin by 8:30 a.m. Teachers begin each period with a warm-up activity that students immediately start without instruction, which allows teachers to take attendance on their laptop computers using PowerSchool, the school's data management system. Daily attendance information is sent to the office and parents of students who are absent or tardy without an excused notice are notified before the school day ends.

Both high school and middle school starts at the same time. In their core classes, emphasis is on rigorous and challenging grade appropriate standards-based instruction with high expectations for all students. The daily learning objective can be seen on the

whiteboard, along with the class' agenda. Teachers scaffold their lesson in a manner that gradually releases the cognitive load to students. Teachers' expectations are clear; they engage students in understanding what they must know and be able to do to achieve proficient grades on grade appropriate assignments and standards. Students are actively engaged in their learning by using appropriate academic discourse to facilitate their own exchange of knowledge in pairs, small groups, or with the entire class.

Teachers involve students in defining and dissecting proficient grade-appropriate and content-specific work to ensure students understand what is expected of them. By spending time to understand the different elements that make up proficient-level work, teachers ensure that all students clearly understand how to approach assignments and accurately "judge" the quality of their work. Teachers use a combination of direct instruction and inquiry-based lessons to challenge students and teach them that learning can have different approaches. They vary instructional materials and resources, which includes the use of powerpoint presentations, worksheets, and a mixture of digital content and traditional textbooks. Teachers regularly use educational support technology, such as i-Ready and PBIS Store, to supplement student learning by bringing current technology into the classroom.

Beyond teachers planning "stretch" activities to expand student learning, high achieving students have opportunities to take enriching elective courses beyond the required core curriculum. Students who are performing below grade level on the state standardized exams in English Language Arts and/or Math are placed in a second corresponding class of reading and/or remedial math. This "double dosing" of English and math are essential to our school's push for all students reaching grade-level proficiency.

Students have a regularly scheduled advisory class, which allows teachers to meet with a consistent class for the purposes of advising them on academic, social, and future-planning issues. In some cases, other adults and staff members, such as guidance counselors, may also participate in the advisory program. This program is to ensure that at least one adult in the school has a closer relationship with their group of students, making sure their learning needs are met, encouraging them to make good academic and social choices, and help plan for their future. Advisories are designed to foster stronger teacher-student relationships and a stronger sense of community and belonging in students.

Across all content areas, the arts are integrated into the curriculum. The integration of arts enables students to make meaningful connections to one another, to themselves, to their lived world, and to other content areas. This unique practice engages even the hardest to reach students. As teachers innovate through experimenting with different art forms and processes in their lessons, students learn to take risks through exploration and to develop flexible thinking skills. By challenging students to envision from different vantage points and respond to new possibilities in the creative process, arts integration cultivates and provides an arena to display the varying multiple intelligences.

All students have the opportunity to participate in the nutrition meal program. Nutrition is part of the federal meal service program and students accept full-price, reduced-price, or free-meals depending on eligibility. Student eligibility is determined by income as indicated in their application or by participation in select federal and/or government assistance programs. Nutrition is served in the morning after instruction begins and is 10 minutes long. Breakfast is delivered to each classroom during the designated time for nutrition. High school and middle school have separate staggered 30-minute lunches.

Passing period is supervised by teachers stationed at their doors. School administrators, counselors, and other staff are also present during each passing period. Aside from ensuring student safety, this allows students and staff alike to converse and interact with each other, adding to a friendly and communal school environment.

After school tutoring and extracurricular activities are provided to students through a partnership with Woodcraft Rangers. Struggling learners, as identified through school grades, assessments, and Responses to Intervention (RtI), have opportunities for tutoring with both teachers and the afterschool program. Additionally, students can participate in various enrichment activities, such as afterschool clubs and sports. In partnership with the afterschool program, LAAAE provides supper to students. Furthermore, students regularly participate in events to better serve their communities as required for graduation.

Professional Development Plan

LAAAE promotes, supports and cultivates the preparation and competence of teachers through consistent and high quality professional development. The school expects teachers to be inspired, motivated and knowledgeable of both curriculum and methodology. In accordance with the school's mission, teachers are expected to know their students in depth and to be able to analyze and utilize student data to design, plan and execute rigorous, standards-based long-range plans, and daily lessons in meeting individual student needs.

The school's onsite professional development begins with a 5-day summer institute in the preceding week before each school year begins. The administrative team facilitates the training. Additional trainers are brought in for specialized topics such as special education, SDAIE strategies, CPR, and technology.

At the beginning of the school year, teachers also meet with the administrative team to conduct a self-assessment of their own needs in order to create their own professional growth plan. This individualized teacher plan, approved by the administration, incorporates goals aligned to school-wide, grade-level and individual student achievement data to plan an appropriate professional development program that enhances teacher competence and instructional practice.

The master schedule is designed in order to allow for grade level teachers to have common planning in order to facilitate ongoing professional development through professional learning communities (PLCs) throughout the year. The school's Principal or Assistant Principals lead the regular onsite professional development of the faculty and staff and coordinates departmental and other meetings. The administrative team also provides additional professional support to faculty such as meeting: with teachers for small-group professional development; grade level and/or departments meet with each other and the administrative team to coordinate integrated instructional activities, disaggregate data, discuss student needs, and share effective practices. To further promote a collaborative culture among teachers and facilitate ongoing professional growth, teachers are given opportunities throughout the year to observe the instructional practice of Charter School colleagues and teachers at other school sites.

Offsite professional development is also provided through agencies such as: Western Association of Schools and Colleges (WASC), Los Angeles Unified School District (LAUSD), Los Angeles County Office of Education (LACOE), and Association of Supervision and Curriculum Development (ASCD). Attendees of offsite conferences are able to autonomously select the workshops of particular interest to them.

The professional development plan for the first year of the new charter term includes topics such as:

August 10-14, 2020 (5 Days)

- New teacher orientation including the school's educational program features such as trauma informed practices, disciplinary procedures, and data supported pedagogical best practices; collaboration; PLCs; Charter School's vision and mission and other relevant charter components; building school culture
- Safety Protocols: emergency response, school wide rules, mandated reporting, PBIS;
- Regulatory training: child abuse, blood borne pathogens, first aid and CPR Training; relevant school plans; California Standards for the Teaching Profession; state priorities
- Support: Response to Intervention (RtI), SPED compliance & Accom vs. Mods,
- Effective Instruction: Lesson planning; Supporting English Learners: ELD and Specifically Designed Academic Instruction in English (SDAIE) strategies
- Discipline Policy - Promoting student engagement and a positive learning environment through appropriate classroom management

Ongoing: August-June: Weekly Late Start Wednesdays and Fridays

- Teacher planning and individualized professional growth plan meetings
- Technology integration
- Use of Data Director or other data management systems
- Common core alignment and long range planning

- School and teacher designed professional development
- Professional learning communities by content area
- Data analysis (student, classroom, school-wide) and Data-driven decision making: data system, web-based assessments, student data chats

Ongoing: August – June: Pupil Free Days

- Common core implementation workshops
- Individualized professional development selected by teachers to meet their growth plan needs
- Meeting students' needs through character education curriculum
- Differentiated instructional strategies for all students

Teacher Recruitment

Much research points to teacher expertise as a crucial element in student achievement. Therefore, the goal is to recruit and select the most highly qualified teachers possible to work at LAAAE. As further detailed in Element 5, teachers are expected to possess a bachelor's degree from an accredited college or university. A master's degree is highly desirable. Teachers must also be compliant with core, college preparatory subjects. They must possess a California credential or credential combination authorizing teaching service in the appropriate teaching area(s) and an English learner authorization. Bilingual competency is preferred. Teachers are also expected to be enthusiastic life long-learners and collaborative individuals who support a robust visual and performing arts curriculum, arts integration, urban education, and educational equity for low socioeconomic status students. Charter School will recruit its faculty through job fairs, online recruiting (*e.g.* EdJoin), its own website (www.laaae.org), and through personal recommendations.

Teachers must be able to develop and employ innovative strategies to reach students at all academic levels in grades six through twelve. Teachers must be committed to building a collaborative culture where teachers, administrators, parents, and students work together to ensure student success.

Meeting the Needs of All Students

English Learners

LAAAE will continue to meet the requirements of federal law relative to equal access to curriculum for English learners. The school has developed and implemented the Los Angeles Academy of Arts and Enterprise English Learner Master Plan. In the event of a conflict between the petition and the English Learner Master Plan, the master plan will prevail as it is regularly updated for compliance with revised laws and regulations.

In accordance with its master plan, LAAAE timely identifies potential English learners (ELs) and provides them with an effective English language acquisition program. The school's master plan is based on sound educational theory; adequately supported with trained teachers; and is periodically evaluated to ensure continued program success.

Identification of English Learners

A home language survey is part of the enrollment documentation for all new students. Upon enrolling at LAAAE all parents/guardians will fill out a home language survey. If a language other than English is indicated on the survey, the English Language Proficiency Assessment for California (ELPAC) or English Language Proficiency Assessments for California, will be used to determine English proficiency. If the student has already taken the assessment at a previous school, LAAAE will research the student's English Language Proficiency Assessment for California (ELPAC) achievement test scores to determine progress toward English proficiency and to plan instructional support. LAAAE will administer the annual ELPAC during the month of October. Initial ELPAC exams will be administered to qualifying students upon enrollment during the remainder of the school year.

English Learner Instruction, Services, and Supports

LAAAE's instructional program for English learners promotes language acquisition, oral language development, and enriched learning opportunities for all EL students. The key components of LAAAE's English Learner program are:

- Targeted support for English learners through an English Language Development (ELD) course during the regular instructional day and beyond the school day.
- Use of Specifically Designed Academic Instruction in English (SDAIE) instructional strategies in all areas of the curriculum
- Pairing of English learners with bilingual students or peer-coach "buddies."
- Regular opportunities in every discipline for students to make presentations and express their learning and themselves verbally.
- Progress monitoring of English learners through Reading Plus, SBAC interim assessments, classroom assessments, and teacher evaluations
- Additional reading courses for EL students to accelerate their progress in language acquisition
- Push-in and pull-out support in and out of the classroom provided by EL teacher assistant(s)

Students are mainstreamed into regular courses during instructional day in ensuring that they are afforded meaningful access to the school's academic core curriculum. The standards-based instructional program is presented in English with provisions to ensure comprehension for English Learners and development of English as a second language.

ELD Courses - Students identified (using the criteria above) with a need for an ELD course are placed in either a middle school or high school designated ELD class. The ELD classes are part of LAAAE's school day and are additional classes given to students identified as students in need of targeted English support. The English Learner Coordinator currently progress monitors academic progress for English language learners through an analysis of student performance on state tests, internal benchmarks, and teacher feedback. Long Term English Learners (LTELs) and those at risk of becoming LTELs are identified for additional support services such as increased push-in support from EL paraprofessionals. Designated ELD classes use a variety of instructional tools including online programs to provide differentiated ELD instruction according to students' current proficiency.

Additionally, integrated ELD instruction is ubiquitous in other classes on campus. This is done through a variety of instructional strategies and pedagogy including:

- Various SDAIE strategies and differentiated instruction are used in all classes in order to also assist EL students.
- Numerous visual mediums and other language scaffolds help EL students grasp content while developing English proficiency.
- English teachers assist their colleagues in supporting EL students in other core areas as well as VAPA and other elective courses.

Reading Intervention Courses - English learners who have not achieved grade level proficiency are assigned to take an additional reading course. The reading classes focuses on improving reading development. In particular, the classes will increase reading comprehension, fluency, phonemic awareness, phonics, and vocabulary development.

Research indicates that teaching literacy "is essential to achievement in every academic subject and to educational and economic opportunities beyond school." The panel found that focusing on phonemic awareness, phonics, reading comprehension, and fluency has a positive effect on the literacy development of language-minority students. The research found that language-minority students "rarely approach the same levels of proficiency in text-level skills achieved by native English speakers." In order to increase the found the text level-skills, it is important to build vocabulary knowledge as well as ability to define words, listening comprehension, and syntactic skills as these are all linked to reading and writing proficiency.

LAAAE's emphasis on literacy development through these reading intervention courses has yielded the reclassification rates compiled in the tables below. Detailed EL demographic data is available above in the Community Need for Charter School section.

LAAAE's reading courses are taught by credentialed teachers who are English language arts credentialed. In addition, teachers at LAAAE are required to possess English Learner authorization. Teachers are regularly trained in Specifically Designed Academic

Instruction in English (SDAIE) and are expected to incorporate SDAIE strategies in their lessons and other best practice strategies when working with EL students.

LAAAE's partnership with Woodcraft Rangers also assists EL students through afterschool tutoring and homework assistance. The school also provides students access before, during and after school to assistive technology such as Duo Lingo - a web-based language interactive application, which facilitates language acquisition.

Meeting the State Standards

The Common Core State Standards for English language arts and California State Standards for English Language Development articulate rigorous grade-level expectations in the areas of speaking, listening, reading, and writing to prepare all students to be college and career ready, including English Learners. With Common Core pushing toward literacy across all content areas, the school has made literacy instruction a priority across all content areas. English Learners will also benefit from LAAAE's VAPA and entrepreneurship programs, which will allow students to present their learning in creative and artistic ways. The school's curriculum also allows students to learn how to engage in real-world situations so that they are able to participate on equal footing with native speakers in all aspects of social and civic endeavors.

Reclassification of English Learners

ELs are reclassified to fluent English proficient based on the following multiple criteria that are identified in the California Education Code and recommended by the State Board of Education (SBE). The minimum criteria to be considered for reclassification are:

1. ELPAC score of 4 on overall, oral language, and written language proficiency;
2. Teacher evaluation with a grade of C or better in grade level English language arts class;
3. Parent consultation and approval; and
4. SBAC score of Standard Met or Standard Exceeded OR i-Ready grade level score as follows: Sixth grade $\geq$ 566; Seventh grade $\geq$ 583; Eighth grade $\geq$ 594; Ninth grade $\geq$ 605; Tenth grade $\geq$ 625; Eleventh grade $\geq$ 637; and Twelfth grade $\geq$ 645.

LAAAE has realized success with Reclassified Fluent English Proficient (RFEP) students. In school year 2018-2019, LAAAE's Reclassified Fluent English Proficient was 6.3%. In 2017-2018, the rate was 17.6%. In 2016-2017, the rate was 11%. Over the years, LAAAE's reclassification rate is similar to the reclassification rate of LAUSD, LACOE, and the State of California.

Data in this section was compiled from data retrieved at California Department of Education's DataQuest (www.dq.cde.ca.gov/Dataquest). Not only has LAAAE consistently maintained a higher percentage of English learners and Ever English learners, LAAAE has also maintained a higher newcomer English learner rate. For each

of the three immediate past years, LAAAE has ranked second in percentage of newcomers among the Resident Schools. Below is a table indicating the annual reclassification rate and the percentage of English learners from 0-3 years.

RFEP Rate with 0-3 Years

	2018-2019		2017-2018		2016-2017		2015-2016	
School	RFEP	0-3 Years	RFEP	0-3 Years	RFEP	0-3 Years	RFEP	0-3 Years
Belmont Senior High	5.4%	34.3%	6.6%	35.7%	6.0%	32.3%	12.4%	23.0%
Berendo Middle	28.3%	10.6%	36.5%	10.0%	32.0%	10.4%	19.4%	7.9%
Contreras Learning Center - School of Business and Toursim	7.4%	15.9%	9.7%	18.5%	14.6%	12.4%	25.7%	5.1%
Contreras Learning Center-Academic Leadership Comm	8.2%	23.0%	2.9%	19.7%	10.7%	17.6%	11.3%	13.9%

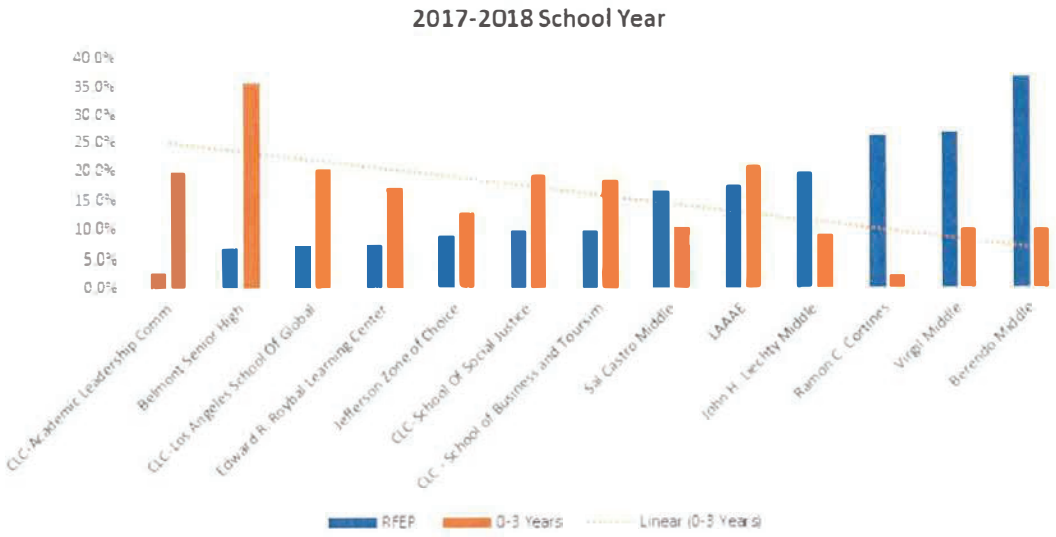
Zone Median	11.5%	12.4%	8.6%	12.8%	11.0%	10.3%	10.2%	6.8%

Source: California Department of Education, DataQuest

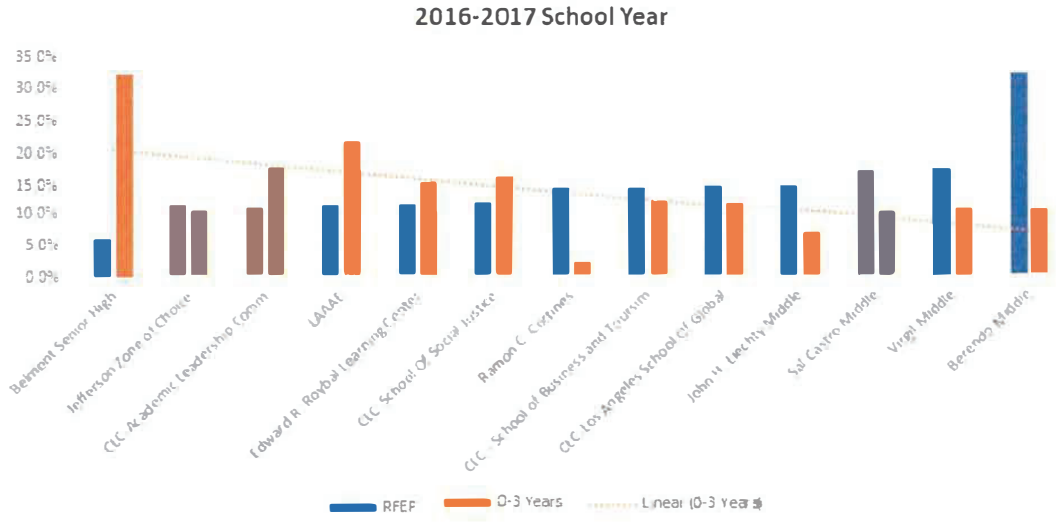
There is an inverse relationship between the percentage of annual reclassification rate and the percentage of newcomers a school has. That is, schools with higher annual

reclassification rates typically serve fewer students new to the country. Below is the 2017-2018 data displayed with a trendline for the 0-3 years percentage rates.



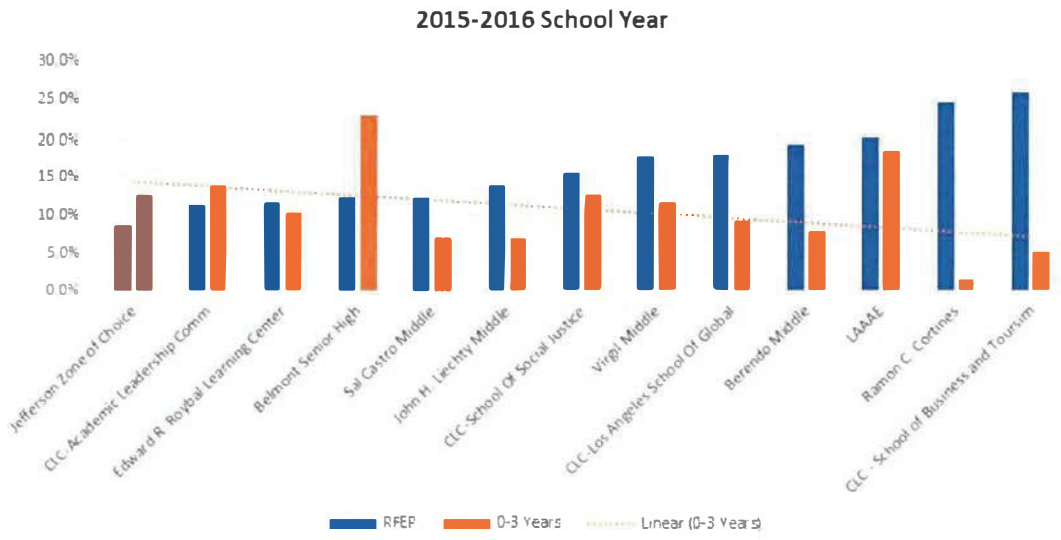
Source: California Department of Education, DataQuest

Reorganizing the data again by annual reclassification rate, below is the 2016-2017 data displayed with a trendline for the 0-3 years percentage rates.



Source: California Department of Education, DataQuest

Reorganizing the data again by annual reclassification rate, below is the 2015-2016 data displayed with a trendline for the 0-3 years percentage rates. The inverse trendline is not as pronounced. However, it is noticeable that LAAAE is an outlier with higher reclassification rates this year.



Source: California Department of Education, DataQuest

Evaluation of English Learners

In the fall of every academic year, EL students take the ELPAC assessment and are reclassified as results become available. LAAAE also uses the state assessment and teacher recommendation in order to monitor student progress and reclassification. A variety of assessments in all classes (core) will also assist in monitoring the progress of EL students and their individual needs. The English Learner Coordinator works directly with the Director of Student Services and other school leaders to evaluate and improve services given to EL students.

Progress Monitoring

The Director of Guidance and Counseling or other later identified faculty, will monitor the progress of English learners, long term English learners (LTELs), and reclassified fluent English proficient (RFEP) on an ongoing basis and via various sources of data including annual ELPAC assessment data, standardized assessments, Reading Plus data, report cards, progress reports, classroom performance, teacher evaluations, Response to Intervention, parental feedback, and if applicable, Individualized Education Plans. This information will assist the school in determining student progress as well as the school's effectiveness servicing the needs of its EL population. Through quarterly data analysis,

teachers identify ELs, LTELs, and FEPs who may be struggling to access grade level content. These students continue to receive individual and small group intervention and targeting tutoring support by the EL paraprofessional(s). Moreover, LAAAE continues to offer reading courses to students who meet the reclassification criteria but still require support with English. Students are also encouraged to participate in the afterschool program to continue receiving academic support beyond the school day. Teachers are regularly trained in Specifically Designed Academic Instruction in English (SDAIE) and are expected to incorporate these strategies in their lessons and other best practice strategies when working with EL students.

Gifted and Talented Students and Students Achieving Above Grade Level

LAAAE meets the academic needs of all its students, from those needing intervention to those needing accelerated studies. Students identified as gifted or talented will be progress monitored by the Director of Student Services or the Assistant Principal. They will serve as the onsite designee for parents to contact regarding gifted and talented education. High achieving students will be identified as those who are:

- Reading at least one or more years above grade level;
- Scoring in the advanced range on internally developed standards-based benchmark assessments;
- Achieving mastery in all core courses as evidenced by report card grade of "A"; and
- Scoring in the advanced range on corresponding state assessments.

LAAAE's teachers will provide gifted students with opportunities for more advanced learning through advanced coursework such as honors or AP coursework (including the arts), curriculum enrichment, creative research projects, and portfolios. These students are provided with targeted classroom instruction and enrichment opportunities intended to meet their specific learning needs.

LAAAE's small, individualized environment allows teachers to create learning activities that target the needs of all students. Through differentiation of instruction, teachers can create enriching lessons with additional learning activities for gifted and talented students, while meeting the needs of all learners in a given classroom. Teachers consistently analyze student data and performance to inform instruction in ensuring that all students are achieving and receiving the appropriate services within the context of curriculum delivery and instruction. Middle school students who are academically ready for high school coursework are provided opportunities for the same, such as Algebra. Given the small size of the school, LAAAE offers honors and advanced courses based on demand and will expand honors/AP the offerings as the school continues to grow. LAAAE will not offer honors or AP courses which have not been included in LAAAE's UC Doorways UC/CSU approved course list.

Accelerated students are also provided enrichment opportunities outside of the core instructional program such as: additional exposure to visual and performing arts and entrepreneurial classes, exhibitions, and internships. For example, advanced students are pushed to express themselves creatively through musical and artistic performances in and out of the school. Leadership provides students a chance to engage in shared decision making, project oversight and overall school improvement. Students are also able to enroll in other programs for remediation, enrichment, or acceleration.

Students Achieving Below Grade Level

The school's thematic program, which allows students to make real-world connections through engaging activities in the arts and entrepreneurial courses, encourages all students to be more engaged. This allows students, including those entering below grade level to benefit more from the core curriculum. The school will take steps to ensure that these students, in particular, are successful. For example, the school will determine the level of mastery in reading, writing, and mathematics for all students using baseline data and interim assessment data from the SBAC assessments. This information, coupled with the results of the prior year standardized tests results and student records, will be used to determine the best educational setting for students (e.g., appropriate course selection, tutoring, referral for special services). Accordingly, services for academically low-achieving students begin with an assessment of student achievement data, including previous report cards, standardized test scores, teacher comments and information provided by the student's parents. Standardized assessments indicate below grade level performance, low grades, and teacher feedback may lead to a Response to Intervention referral.

LAAAE will use the Response to Intervention (RtI) process to identify students achieving below grade level and to provide a multi-tiered system of supports for these students. The school will identify students at-risk for poor learning outcomes; monitor student progress; provide evidence-based interventions and adjust the intensity and nature of those interventions depending on a student's responsiveness. The RtI implementation will contribute to more meaningful identification of learning/behavioral problems, improve instructional quality, provide all students with the best opportunities to succeed at the school, and assist with the identification of learning difficulties and problems. The RtI model will have four essential components: a school-wide, multi-level instructional and behavioral system for preventing school failure, screening, progress monitoring, and data-based decision making for instruction, movement within the multi-level system, and disability identification (in accordance to the law).

Faculty comprise the RtI teams who will review (tier 1 meetings) the screening data and identify students in need of additional support through tier 2 intervention. For those students that meet benchmark standards from the administered assessments, they will continue to remain at tier 1 and be progress monitored by the Assistant Principal through the completion of online work associated with the benchmark, academic grades, and teacher feedback. Those students not meeting benchmark standards will be identified and

monitor to determine tier 2 status. The second tier involves instructional modifications and assessments that are developed for students who do not respond sufficiently to tier 1 strategies. At this stage, the process includes assessing students' skills and evaluating the instructional environment, curriculum, and delivery of instruction. Specific interventions are designed and delivered as needed, often in small-group contexts, and students' progress is measured frequently. Students not demonstrating progress in tier 2 interventions will be moved into tier 3 status and those interventions will be implemented. At tier 3, instruction and interventions are further individualized and students may be referred for evaluation of eligibility for special education. Throughout this process the school will identify barriers to learning and strategies to overcome such barriers.-

Low-achieving students will also be targeted for small group tutoring as well as a variety of intervention and enrichment activities such:

- Before- and after- school tutoring and enrichment through partnership with Woodcraft Rangers
- After school teacher office hours for homework help and individualized tutoring
- Remedial classes to build basic skills
- Summer intensives in English language arts and mathematics
- English language development classes as needed
- Test preparation workshops

Socio-Economically Disadvantaged/Low Income Students

LAAAE will identify socioeconomically disadvantaged students based on students qualifying for the Federal Free and Reduced Lunch Program, a proxy for level of poverty.

In 2019, school records indicated that 98% of students at LAAAE qualified for the Federal Free and Reduced Lunch Program. LAAAE serves a community that faces particular challenges regarding poverty, employment, domestic violence, substance abuse and gangs. Serving a predominantly low-income student population, the school recognizes how these and other issues related to family income and the stigma of poverty may impact students' self-esteem and their perception of what they can achieve academically.

When teachers make judgments about students based on their socioeconomic levels, they are hindering students from having an equal opportunity for academic achievement. Thus, LAAAE ensures that its faculty and staff are trained to be sensitive to not single out students as members of this subgroup, but rather view students as individuals. Accordingly, the school identifies needs and monitors socioeconomic students using the same criteria for all other subgroups/students. Teachers, counselors and administrative staff work cooperatively in identifying any social, emotional, economic or academic needs of students and monitor their progress through data and

assessment systems already in place at the school (as described in Element 2 and 3 herein). Through the RtI process, struggling students are identified, monitored, and appropriate support is provided. The Assistant Principal progress monitors students by compiling weekly reports in the areas of academics, behavior, attendance, and social-emotional needs.

LAAAE's educational program is designed to meet the unique needs of socio-economically disadvantaged students by:

- Providing a small and safe learning environment where every student can receive individualized attention and support (e.g. teachers and staff know students by name, foster relationships, and offer support beyond the traditional school day);
- Enforcing a culture of high expectations for all, where every students is encouraged to take the most rigorous course they can, while struggling students are supported through interventions and tutoring initiatives;
- Relating content to students' prior knowledge and real world experiences, which has been proven to improve achievement for socioeconomically disadvantaged students;
- Using the arts and enterprise courses as a method of engaging students interest beyond the traditional classroom experience (see previous research provided in Arts Integration section);
- Providing support that students may not receive at home (e.g. tutoring, homework help and access to computer labs before and after school)
- Providing one to one college preparation support (counselors meet with every student to map out college plans);
- Providing peer group counseling service and clinical support through onsite school counselors with parent consultation and authorization;
- Facilitating fee waivers for college entrance exams;
- Funding and providing college tours of local universities;
- Ensuring that students' basic needs are met so that they can be academically successful (e.g. providing additional meals such as breakfast, lunch, afterschool snack, supper);
- Providing a free school and physical education uniforms for every student;
- Partnering with community organization to provide onsite and offsite services to students and families.

LAAAE also believes it is critical to provide families with additional resources regarding the United States secondary and college educational system. To do this, LAAAE partners with the Parent Institute for Quality Education (PIQE) to provide a free 9-week course to parents each school year. The PIQE course teaches parents how to become advocates for their student's education. Course topics include high school graduation requirements and college entrance requirements, financial aid, school governance structure, parent's rights, A-G requirements, Smarter Balanced (11th grade), and admission tests such as SAT and ACT.

Students with Disabilities

LAAAE currently participates in LAUSD SELPA Option 2. For the 2020-21 school year, LAAAE plans to submit an application for LAUSD SELPA Option 3. If it does not qualify under this option, it will remain under LAUSD SELPA Option 2 and will execute the applicable memorandum of understanding.

Homeless and Foster Youth

Supports enumerated throughout this section for other youth will also be provided to homeless and foster youth upon identification. LAAAE will provide a questionnaire to enrolling students to identify foster and homeless youth to facilitate early identification and services. The governing board regularly reviews the Homeless Student and Foster Youth Policy to ensure resources, such as counseling, instructional materials, a supportive classroom environment are adequately allocated to homeless students and foster youth. The Director of Student Services will monitor student progress, and coordinate necessary resources, including tutoring, academic enrichment program, credit recovery programs, and academic counseling to ensure early intervention, academic counseling and supports; information and data sharing; and coordination of social-emotional supports.

Students in Other Subgroups

Subgroups have been addressed in previous sections of this element. LAAAE's current subgroups are Latino students, socioeconomically disadvantaged students, English learners, and students with disabilities. Should other subgroups materialize over the term of the charter, LAAAE will appropriately respond.

Early College and Middle College High Schools attendance requirements are not applicable.

ELEMENT 2: MEASURABLE PUPIL OUTCOMES
ELEMENT 3: METHOD BY WHICH PUPIL PROGRESS TOWARD OUTCOMES WILL BE MEASURED

"The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school." **(Ed. Code § 47605(b)(5)(B).)**

"The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card." **(Ed. Code § 47605(b)(5)(C).)**

MEASURABLE GOALS OF THE EDUCATIONAL PROGRAM

Charter School shall meet all statewide content and performance standards and targets. (Ed. Code §§ 47605(c)(1), 60605.)

Charter School shall comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula) and AB 484 (2013), as they may be amended from time to time, including all requirements pertaining to pupil outcomes.

STANDARDIZED TESTING

Charter School agrees to comply with state requirements for participation and administration of all state-mandated tests, including computer-based assessments. Charter School shall submit and maintain complete, accurate, and up-to-date California Longitudinal Pupil Achievement Data System (CALPADS) data in accordance with the requirements of California Code of Regulations, title 5, section 861. Charter School hereby grants authority to the State of California to provide a copy of all test results directly to the District as well as Charter School. Upon request, Charter School shall submit, in the requested format (e.g., CD), a copy of the results of all state-mandated tests to the District.

Measurable Goals of the Education Program
"Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both school wide and for all groups of pupils served by LAAAE. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated by LAAAE.

Student outcomes are measured according to applicable adopted state performance standards, LAAAE's definition of an educated person in the 21st century, and LAAAE's mission, as described in Element 1. Students will demonstrate progress toward meeting and exceeding these learning goals through their performances on a variety of assessments which are detailed in the charts located within Element 2 & 3. LAAAE's achievement will be measured in both growth and absolute measures and will be compared to the achievement of selected District schools that are similar in demographic and other characteristics, as well as statewide as the accountability framework statewide continues to evolve. Accordingly, LAAAE will adhere to State testing requirements, including provisions of AB 484/2012, and any revisions of Education Code that are applicable to charter schools.

Statewide Standardized Assessments
While LAAAE's educational program does not focus on standardized testing, LAAAE's students will take applicable statewide standardized tests, as comprised within the California Assessment of Student Performance and Progress (CAASPP) administration (including the Smarter Balanced Assessment Consortium (SBAC) for English Language Arts and Mathematics, the California Alternative Assessment (CAA) as applicable, and the California Science Test (CAST)); the English Language Proficiency Assessments for California (ELPAC); and Physical Fitness Testing (PFT), and any other statewide assessment required in the future that is not yet in operation. LAAAE will also incorporate related available instruments and encourage students to take external standardized assessments. The above include:

- •ELPAC - Given to EL students every October for the annual assessment and within 20 days upon arrival for a first time U.S.A. EL student)
- •CAASPP SBAC (annually in the Spring)
- •EAP - Early Assessment Placement embedded in the 11th grade English language development State testing
- •Fitnessgram (Grades 7 and 9)
- •SBAC Interim Comprehensive Assessments (throughout school year)
- •SBAC Interim Block Assessments (throughout school year)
- •SAT (grades 11 and 12 given every once a month)
- •ACT (grades 11 and 12 once a month)
- •PSAT (grades 10 and 11 in October)

	Assessment	Purpose	Grades Tested	Schedule	Expected Outcomes
Statewide Assessments	California Assessment of Student Performance and Progress (CAASPP)- Smarter Balanced Assessment Consortium (SBAC) –*English Language Arts*	Measure proficiency in English Language Arts/Literacy.	Grades 6-8, 11	Annually	See LCFF Charts Below (Goal 2)

	California Assessment of Student Performance and Progress (CAASPP)- Smarter Balanced Assessment Consortium (SBAC) – *Mathematics*	Measure proficiency in [illegible]	Grades 6-8, 11	Annually	See LCFF Charts Below (Goal 2)
	California Assessment of Student Performance and Progress (CAASPP)- California Science Test (CAST)	Measure proficiency in [illegible]	Grades	Annually	See LCFF Charts Below (Goal 2)
		Measure percentage of students in the Healthy Fitness Zone (HFZ). *Physical Education Model Content Standards*	Grades 7	Annually	See LCFF Charts Below (Goal 2)
	English Language Proficiency Assessment for California (ELPAC)	Measure Progress toward English Language Proficiency. [illegible]	All Grades	nitial and Annual	See LCFF Charts Below (Goal 2)
		Measure academic outcomes for students with significant cognitive abilities in English Language Arts, Mathematics, and Science. *Core Content Connectors (linked to the California Common Core State Standards)*	[illegible]	Annually	Students will achieve increasingly higher academic outcomes.

Measurable Pupil Outcomes: Summative and Formative Assessment Performance Targets

Measurable student outcomes will correlate to Common Core and California Content standards, as measured by statewide, standardized assessments, and teacher developed instruments. Formative assessments will take the form of in-class work (such as investigations) and homework assignments. Summative assessments will take the form of unit quizzes and tests. These assessments are standard throughout the educational program and are not described in the charts below.

Formative and summative standards-aligned assessments will also provide data for faculty, students, and parents to review as a measurement of student progress. As established throughout Element 2 and 3, and throughout Element 1, LAAAE will utilize diverse assessments that are aligned with the curriculum and instructional program. LAAAE will pursue schoolwide and student subgroup outcomes to ensure the implementation of the eight state priorities set forth in California Education Code §52060(d). For the purposes of measuring achievement, by student subgroup, a

numerically significant student subgroup is defined as one that meets the criteria set forth in EC §52052(a) and students will include ethnic subgroups, socioeconomically disadvantaged students, English Learners, and students with disabilities of at least 30 in number, and will include homeless youth and foster youth in at least 15 in number. Faculty will use the data to guide instruction and improve student learning.

Students are expected to demonstrate adequate progress. Students not demonstrating adequate progress on standardized assessments will be provided interventions.

School-Based Assessments in courses will include:

- Standards-based assessments
- Weekly teacher-generated quizzes
- Teacher-generated and textbook-adopted assessments
- Quarterly and semester exams
- Portfolios and presentations (as needed)
- Class participation/presentations and rubrics
- Quarterly projects /investigations
- Teacher made performance-based assessments
- UDL Design Framework*

*Universal Design for Learning supports teachers' efforts to meet the challenge of diversity by providing flexible assessment strategies that help teachers differentiate instruction to meet varied needs, especially for students with disabilities and English learners. It does this by providing options for Instruction (Presenting information and content in different ways) and Assessment (Differentiating the ways that students can express what they know) standards-based assessments are embedded in the curriculum used in the instruction of English language arts and mathematics. This curriculum, aligned to Common Core State Standards, additionally provides class and individual diagnostics of student performance. Collectively, these tools allow teachers to assess students based on individual Common Core standards.

Student achievement in developing conceptual thinking, problem-solving skills, and content mastery is assessed using multiple measures. As a program focused on exposing to careers in arts and enterprise, LAAAE also uses formative assessments, which vary from teacher to teacher, when assessing student performance and progress (e.g. career portfolios, performance-based tasks, exhibitions and presentations, peer and self-assessments, audio/visual presentations, journals, research projects, reviews/case studies). These will also help determine whether students are meeting the expectations set forth by the school's mission and vision.

Other Standards-Aligned Assessments, Benchmarks

LAAAE will use standards-aligned benchmark diagnostic assessments at all grade levels. Faculty and staff will utilize test results to determine students' academic needs, and will create learning plans to address these needs in order to reach instructional goals. The additional assessments currently used to measure student growth include: i-

Ready and unit assessments. LAAAE recognizes during the term of the Charter, the Board of Directors, Principal, and faculty may determine an alternate to better support student academic growth, and accordingly reserves the ability to make substitutions. The chart below identifies how LAAAE will monitor and measure student progress toward mastery of state standards and other goals identified therein.

Core Subject	Frequency of Assessment	English language arts/California English language development	Math	Science	
Grades 6-12	*Formative - Q1, Q2, Q3*	*i-Ready, SBAC Interim*			
	Summative	*SBAC - English language arts i-Ready*	*SBAC – Math i-Ready*	*CAST*	

**Assessment Tools subject to change based on recommendations and annual review conducted by Board, Principal, and Faculty.*

Performance Targets Aligned to the State Priorities and Other Performance Targets

The charts below demonstrate the manner in which LAAAE intends to align annual performance goals to the state priorities. As the State revises standardized assessment tools (e.g., SBAC, ELPAC, and CAST) and new school accountability performance measures (e.g., the California Dashboard), LAAAE will update its plans and goals accordingly. The LCAP shall not be deemed part of the charter, and therefore, annual amendments to the LCAP shall not be considered a "material revision to the charter" as defined in Education Code § 47607. Actions intended to ensure that LAAAE meets these goals and targets are also detailed throughout this charter petition.

LCFF STATE PRIORITIES	
GOAL #1 - BASIC SERVICES, IMPLEMENTATION OF STATE STANDARDS	
Provide all students with access to credentialed teachers, instructional materials that align with state standards, and safe facilities.	Related State Priorities: x 1 ☐ 4 ☐ 7 x 2 ☐ 5 ☐ 8 ☐ 3 ☐ 6 Local Priorities: ☐: ☐:
Specific Annual Actions to Achieve Goal	
Access to credentialed teachers:	

-Hire and retain qualified teachers, screen for a valid credential as outlined by the California Commission on Teacher Credentialing, as well as subject matter and or English learner authorization, and special education authorization as required by law. (Principal/Faculty)
-Annual review of the master schedule to ensure teachers are appropriately assigned.
-Annual reviews and reports of credential status to track upcoming expirations, and notify faculty to renew in a timely manner. Submission of School Accountability Report Card annually. (Principal/Faculty)

Access to standards-aligned curriculum - every student will have access to standards-aligned instructional materials, including English Learners, to master the California Core State Standards (CA CCSS). EC §17002(d).
-Annual budget development and inventory review process will ensure adequate funding for instructional materials that are aligned with California Common Core State Standards. Administer formative and summative assessments in English language arts/literacy, math, science, and social science and analyze data by subgroup. Review will analyze results of internal assessments, benchmark data, and statewide data (such as i-Ready, ELPAC, CAASPP) by student subgroup to inform purchase decisions. Obtain technology necessary to administer CAASPP and other assessments. (Board/Principal/Faculty)
-Conduct ongoing review of standards-based curriculum, and academic achievement data (utilizing formative and summative assessments, internal benchmark data, and statewide test results) to improve and refine comprehensive and consistent delivery of high quality standards-based program for all students. (Principal/Faculty)
-Professional development will be designed to support teachers with the implementation of the California Common Core State Standards, to enhance teacher strategies to provide greater access to the content and improve student outcomes in core subjects. (Principal)
-Refine the teacher evaluation system. (Principal)
Stakeholder Reporting: Provide information annually on the progress of meeting this standard to the Board of Directors and stakeholders at a regularly scheduled LAAAE board meeting, with number/percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home. Additionally, report on the progress in implementing the state academic standards adopted by the State Board, for the California Dashboard and pursuant to EC § 60119. (Principal/Faculty) (Principal/Board/Stakeholders)
-Ongoing review of English learners, students with disabilities, gifted and talented, homeless, foster youth, and socioeconomically disadvantaged student programs, policies, and services, including student group performance data via internal and statewide assessments, to identify and obtain instructional materials needed to support all students. (Principal/Faculty)
-Services for Student Subgroups: English learners will have access to the English language development program, and supplemental materials necessary to provide English learners with access to core instruction. Individualized intervention strategies, including push-in and or pull-out services, will be provided, as needed to meet student needs. (Principal/Faculty)
-Each student with an individualized education plan (IEP) will have access to instructional materials necessary to participate fully in the education program, as set forth by the student's IEP. (Principal/Faculty)
-Teachers will receive training and professional development specifically directed at the implementation of curriculum that meets the needs of special populations. Teachers will also receive ongoing professional development on SDAIE, GLAD, and other teaching strategies to ensure English learners access content, and will also be trained in strategies addressing the needs of students with disabilities, homeless and foster youth students, gifted and talented students, and socioeconomically disadvantaged students. (Principal/Faculty).

-Teacher Professional Development Process will continue to include a teacher evaluation process, utilizing an evaluation rubric such as The College Ready Promise Framework for Effective Teaching to meet the specific needs of all students, especially students in special populations. (Principal)

Access to safe facilities - School facilities will be kept in good repair. EC §60119.
-Annual planning with adequate budget allocation for facilities maintenance. Personnel will be hired to ensure the facility is cleaned daily and maintained in good repair, in accordance with EC §02(d)(1)(A)-(S). (Principal)
-Regular system of facilities inspections will occur to screen for safety compliance, as needed, including: daily general cleaning by custodial staff, with logs and regular spot checks, and facility maintenance referral request reviews. Facilities and maintenance requests will be corrected in a timely manner, if urgent, corrected immediately. (Principal)
-Comply with requirements to maintain a valid Certificate of Occupancy. (Principal)

Expected Annual Measurable Outcomes

Outcome #1

Students will be taught by teachers who are properly assigned, who have a valid credential, and who hold English learner authorization and education specialist, as may be necessary for compliance with the Williams settlement requirements and other applicable laws.

Metric/Method for Measuring

Ongoing, regular internal compliance checks for percentage of teachers appropriately credentialed and appropriately assigned. Documentation of required credential (per CCTC) maintained on file for each teacher. Annual review of teacher qualifications, percentage of teachers appropriately assigned and credentialed, as defined by CCTC, as reported to the Board of Directors, the School Accountability Report Card (SARC), and LCFF Local Indicator #1 (CA Dashboard).

APPLICABLE STUDENT GROUPS	Baseline	2020-2021	2021-2022	2022-2023	2023-2024	2024-2025

Expected Annual Measurable Outcomes

Outcome #2
Every student will have access to standards-aligned instructional materials, including English Learners, to master the California Common Core State Standards (CA CCSS) appropriate to their respective coursework, and teachers will continue to be trained in California Common Core State Standards implementation.

Metric/Method for Measuring
-Completion of the self-reflection tool for (LCFF Priority #1, California Dashboard).
-Annual completion of textbook and instructional materials section of the School Accountability Report Card (SARC).
-Percentage of teachers that receive professional development and complete the teacher evaluation cycle, utilizing an instrument such as The College Ready Promise Framework for Effective Teaching.
-Annual and ongoing Board of Directors' review of instructional materials purchases at a publicly noticed meeting.

LCFF STATE PRIORITIES

GOAL #2 - STUDENT ACHIEVEMENT, BROAD COURSE OF STUDY, COLLEGE AND CAREER READINESS

All students will demonstrate adequate academic growth and proficiency in core subjects and college and career readiness, and English Learners will gain content knowledge and demonstrate adequate progress towards English language acquisition.

Related State Priorities:
X 1 ☐ 4 x 7
X 2 X 5 ☐ 8
☐ 3 X 6

Local Priorities:
☐:
☐:

Specific Annual Actions to Achieve Goal

Schoolwide
Schoolwide Assessments & Data Analysis
-Administer formative and summative assessments in English Language Arts, Mathematics, Science, and History-Social Science. Analyze data schoolwide and by subgroup. (Principal/Faculty)
-Ongoing use of internal standards-aligned benchmark diagnostic assessment results to review student needs, create learning plans that address the needs to reach instructional goals in core subject areas. (Principal/Faculty)

Instructional Practices and Interventions
-Pacing plans (incorporating California Common Core State Standards for English language arts and Math; California English language development; California Next Generation Science Standards; and State Content standards). (Faculty)
-The master schedule will include English language development, reading intervention, and other coursework to promote English language proficiency for all students, to ensure students achieve proficiency in core academic content. (Principal)
-Devise a pullout and push in schedule to support students not proficient in English or otherwise struggling. (Principal)

Professional Development (PD)
-Ongoing professional development on standards-based instruction (including California Common Core State Standards, California English language development, Next Generation

Science Standards, and CA History-Social Studies Framework) for teachers, with an emphasis on how to make content accessible to English learners and other struggling learners.(Principal)
-Administrative staff will conduct walkthroughs, evaluations using College Ready Promise Framework
for Effective Teaching (or similar rubric), and will set professional goals with teachers. (Principal/Leadership Team)

Stakeholder Reporting
-Statewide test results and other results shared as available within the calendar cycle with stakeholders, including students, teachers, parents, and Board of Directors.(Principal)
-Report progress in implementation of standards adopted by the State Board to the LAAAE Board of Directors and stakeholders at regularly scheduled board meeting, using template from CA Dashboard. Principal/Board/Stakeholders)

Student Achievement – Statewide Assessments
-Implement a benchmark system (using assessments such as, SBAC Interims, i-Ready,relative to grade level) to conduct regular benchmarking (2-4 times per year, depending on assessment).(Principal)
-Provide educational support through a variety of support personnel.(Principal)
-Provide technology and other resources to implement data-driven instruction and differentiation based on individual student need through continuous progress monitoring of student data.(Principal)
-Ensure incentives are in place to achieve participation in statewide testing of 95% or more.(Principal)
-Engage parents, share testing outcomes, present data at schoolwide meetings, host parent workshops.
-Provide regular reports to the Board of Directors on internal standards-aligned diagnostic assessments and statewide assessments.(Principal)
-Annual administration of the FITNESSGRAM® (or other assessment) will yield data to be used as follows: (1) students to assess and plan personal fitness programs; (2) teachers to design the curriculum for physical education programs; and (3) parents and guardians to understand their children's fitness levels. (Principal/Faculty)
-Science teachers will continue to receive professional development on California Next Generation Science Standards. (Principal)
-Students will receive science instruction aligned with the California Next Generation Science Standards.(Principal)
-Use formative and summative assessments to measure students' grade level skills and content knowledge in life, earth and space, and physical science, using the California Next Generation Science Standards (California Next Generation Science Standards). (Principal)
-Teachers will participate in a variety of team meetings to analyze benchmark assessments, California English language development folders, RtI2 meetings, individualized education plan (IEP) meetings, and other meetings as necessary to meet the needs of individual students. (Principal)
-Internal California Next Generation Science Standards-aligned science benchmarks will demonstrate student growth sufficient to meet or exceed student performance at local district schools. (Principal)

English Learners
Assessment

-Continued adherence to systematic collection of the home language survey and implementation of the English learner diagnostic. (Principal/Faculty)
-Administer ELPAC annually to all English learners, analyze data, and design a master schedule that supports intervention. (Principal/Faculty)
-Reclassified Fluent English Proficient (RFEP) students will be monitored in accordance with state and federal requirements, and interventions will be provided, as needed. (Principal/Faculty)
-In addition to the curriculum and standards-aligned texts, English Learners and other struggling readers will be provided with reading intervention to help students achieve improved improvement in literacy skills and advance their reading ability to grade level proficiency. (Principal/Faculty)

Instruction
-Teachers will receive professional development and instructional materials for the implementation of California Common Core State Standards and California English language development standards, and will receive training and utilize strategies (such as SDAIE, GLAD) to support the needs of English Learners. (Principal/Faculty)
-Teachers will utilize assessment data to inform teaching and engage students in evidence-based intervention for English Learners (including a focus on newcomers, and LTELs), and RFEP students, and low-performing students. (Faculty)
-EL students will receive additional instructional support to ensure they are able to access grade-level
academic content through the implementation of California Common Core State Standards and California English language development standards. (Faculty)
-Long-term English Learners (LTELs) will be tracked and monitored, per Every Student Succeeds Act (ESSA) and state guidelines, and provided intervention to achieve English proficiency. (Principal/Faculty)

Stakeholder Involvement
-English Learner Advisory Committee (ELAC) will review the progress of English learners and make recommendations for program improvements, and student interventions. (Faculty)
-Statewide test results and student grades shared as available within the calendar cycle with stakeholders, including students, teachers, parents, and Board of Directors. (Principal/Faculty)
-Report progress in CA implementation of standards adopted by the State Board to the Board of Directors and stakeholders at regularly scheduled board meeting, using template from CA Dashboard. (Board/Principal/Stakeholders)

EL Reclassification
- Provide systematic English language development (ELD) Instruction to English learners who require ongoing language support to provide access to California Common Core State Standards and other content areas. (Principal/Faculty)
-Teachers will continuously monitor the academic achievement and progress of EL students and make
necessary interventions. (Principal/Faculty)
-Teachers will have necessary curricular materials to serve English learners.(Principal/Faculty)
-Teachers will receive professional development on strategies to support instruction for English learners.(Principal/Faculty)
-Re-designated Fluent English Proficient (RFEP) students will continue to be monitored, and

supported, pursuant to State and Federal guidelines.(Principal/Faculty)
-Growth targets will be set schoolwide to increase the percentage of students making annual progress toward English proficiency. (Principal/Faculty)

EL Adequate Progress Rate
-Implement the English Learner Master Plan. (Principal/Faculty)
-Teachers will receive professional development on a variety of strategies (SDAIE, GLAD, and Thinking Maps) to implement standards-aligned instruction with English learners, and ensure that California English language development standards are implemented. (Principal/Faculty)
-Teachers will continuously monitor the academic achievement and progress of English learners, and provide differentiated instruction, evidence-based interventions and activities to meet individual literacy development needs of English learners. (Principal/Faculty)
-Provide designated and integrated English learner instruction to English learner students. (Principal/Faculty)
-Growth targets will be set schoolwide annually to increase the percentage of students making annual progress toward English proficiency. (Principal/Faculty)

Special Populations - English learners, socioeconomically disadvantaged students, students with disabilities, gifted and talented education students, homeless and foster youth
Assessment
-Administer standards-based benchmarks to measure growth and proficiency on state-adopted standardized assessment (by subgroup). (Principal)
-Annually set schoolwide baseline and benchmark performance targets to achieve student performance levels that meet or exceed the local district schools, monitor student progress. (Principal)

Instruction
-Teachers will receive professional development (PD) specific to the implementing standards-aligned instruction, and strategies for addressing the needs of socioeconomically disadvantaged students, students with disabilities, gifted students, and other minority learners. (Principal/Faculty)
-100% of pacing guides and lessons plans will utilize student data and address low-achieving students.
(Faculty)

Homeless and Foster Youth Students
-Implement policy and data infrastructure necessary to identify and support Homeless and Foster Youth students. (Principal)
-Annual review of Homeless Student and Foster Youth Policy ensures adequate resources (counseling, instructional materials, for example) are allocated to Homeless Students and Foster Youth, as required by law, necessary to support educational success. (Board of Directors/Principal)
- Foster youth and homeless student liaison will monitor student progress, and coordinate necessary resources, including tutoring, academic enrichment program, credit recovery programs, and academic counseling to ensure early intervention, academic counseling and supports; information and data sharing; and coordination of social-emotional supports. (Homeless Liaison)

Gifted and Talented Education (GATE) Students
-Ensure staff is well-trained on identification of newly enrolled gifted students, or referral for assessment based on CAASPP data, report card grades, and or teacher referral. (Principal/Faculty)
-Teachers will use strategies such as using different text levels in independent reading and guided reading instruction, appropriate and flexible grouping, and challenge problems for early finishers. (Principal/Faculty)

Expected Annual Measurable Outcomes

Outcome #1

English Learner (EL) Students will have full access to the English language development program and materials and supplemental materials necessary to gain academic content knowledge and attain English language proficiency.

Metric/Method for Measuring

California Dashboard Indicator #2 score - 3 or better.

ELPAC, CAASPP, English Language Proficiency Indicator (ELPI), and other Standardized Assessment and Growth metrics will indicate progress toward English Language Proficiency, reclassification, and LTEL rates that demonstrate adequate increased proficiency.

APPLICABLE STUDENT GROUPS	Baseline	2020-2021	2021-2022	2022-2023	2023-2024	2024-2025

Expected Annual Measurable Outcomes

Outcome #3

Annual administration of the FITNESSGRAM® demonstrating performance that meets or exceeds local District schools. Students will meet or exceed the percentage of students within the Healthy Fitness Zone at local District Schools.

Metric/Method for Measuring

Students will be tested in aerobic capacity, body composition, abdominal strength, trunk extension, upper body strength and flexibility, as required by the FITNESSGRAM Performance Standards.

APPLICABLE STUDENT GROUPS	Baseline	2020-2021	2021-2022	2022-2023	2023-2024	2024-2025

LCFF STATE PRIORITIES	
GOAL #3 - PARENT AND COMMUNITY ENGAGEMENT	
Build capacity to achieve a strong family and school partnership with the resources necessary to encourage effective communication, provide	Related State Priorities: x 1 x 4 x 7 x 2 X 5 ☐ 8 ☐ 3 x 6

educational access and equity, and promote parent leadership, including all significant student groups.	Local Priorities: ☐: ☐:

Specific Annual Actions to Achieve Goal

Build Capacity, Leadership
-Provide professional development to faculty and staff on effective parental engagement practices. Host workshops and trainings for parents on student academics and school plans. (Principal/Faculty)
-Establish and regularly review parent engagement policies and ensure equitable parent representation on committees (such as, School Site Council (SSC), English Learner Advisory Committee (ELAC), and Parent Teacher Organization (PTO), as required. (Principal/Faculty)
-Consult with parents on the school accountability plans (such as, Local Control and Accountability Plan (LCAP), Western Association of School and Colleges (WASC), Local Education Agency Plan (LEAP), and Single Plan for Student Achievement (SPSA).) (Principal/Faculty/Staff/Parents) (Principal/Faculty)

Allocate Resources/Promote Participation
-Establish a parent center on campus and designate faculty and staff to support parent involvement. (Principal)
-Host frequent volunteer opportunities and schoolwide events, such as open house, back to school night, progress night, coffee with the principal, parent teacher organization meetings, parent volunteer opportunities, and schoolwide family nights to encourage parent engagement. (Principal/Staff/Parents)

Ensure Access, Communication
-Implement Annual Parent Survey. Present results to stakeholders. (Principal/Faculty)
-Ensure that parents are informed of participation opportunities through a variety of methods, including newsletters, phone calls and orientation meetings. (Principal/Faculty)
-Invest in Student Information System (SIS) that will allow parents to readily access student grades. (Principal/Faculty)
-Ensure critical parent information is readily available in accessible formats and languages spoken by families. [EC §48985] (Principal/Faculty)
-Design specific workshops/events to engage parent participation from specific student subgroups in accordance with English Learner Advisory Committee and School Site Council regulatory requirements (Principal/Faculty)

Expected Annual Measurable Outcomes

Outcome #1
Annual report on parental involvement will show that LAAAE is meeting LCFF Local Indicator #3, as it relates to (1) seeking input from parents/guardians in decision making; and (2) promoting parental participation in school programs.

Metric/Method for Measuring

-LAAAE will use resources such as the *Family Engagement Framework – A Tool for California School Districts*, California Department of Education, as set forth by the California Department of Education, and *Partners in Education – A Dual Capacity-Building Framework for Family-School Partnerships*, as set forth by the United States Department of Education, to inform the development of parent involvement.
-Dashboard Local Indicator #3
-Parental Participation in programs for unduplicated pupils and other student groups
-Minimum of two parent events per year
-Anonymous Annual Climate survey

LCFF STATE PRIORITIES

GOAL #4 - SCHOOL CLIMATE, STUDENT ENGAGEMENT, AND COLLEGE & CAREER READINESS

Students will be engaged and prepared for academic and social emotional success through the implementation of Multi-Tiered System of Supports (MTSS).

Related State Priorities:
1 x 4 x 7
X 2 x 5 x 8
☐ 3 x 6

Local Priorities:
☐:
☐:

Specific Annual Actions to Achieve Goal

School Attendance Rate

-Establish schoolwide expectations and set norms with parents and students regarding the importance of student attendance. Include workshops that specifically address attendance. (Principal/Faculty)

-Utilize data systems for attendance monitoring and early intervention through actions such as daily phone notifications, weekly written notifications to keep parents well-informed of any attendance concerns at regular times specified by attendance policy. (Principal/Faculty)

-Refine PBIS strategies that specifically address attendance behaviors, as a means of prevention and intervention. Teachers will be provided professional development to identify students who may require targeted intervention services and strategies to become more engaged. (Principal/Faculty)

-Foster a safe environment free of physical or psychological violence, bullying, and harassment to encourage attendance. (Principal/Faculty)

-Provide additional intervention services to students and families, and parent workshops to serve the unique needs of English learners, socioeconomically disadvantaged students, foster youth, and homeless youth. (Principal/Faculty)

Chronic Absenteeism Rate

-Establish schoolwide expectations and norms regarding attendance. (Principal/Faculty)
-Establish a Student Attendance Review Team (SART) that will review data regularly and address root causes of chronic absenteeism. (Principal/Faculty)
-Utilize data systems for attendance monitoring and early intervention to notify parents and students at intervals to keep parents well informed of attendance concerns. (Principal/Faculty)
-Utilize MTSS, including PBIS strategies to address attendance behaviors. (Principal/Faculty)
-Encourage students to access mental health counseling, academic intervention services, and other individualized support services.(Principal/SART)

Dropout Rate

-Utilize data systems (such as, attendance and behavior monitoring) to identify opportunities for early intervention and to keep parents well-informed of students identified as high risk of dropping out. (Principal)
-Train leaders, teachers and staff to utilize MTSS and implement Positive Behavior Intervention Strategies (PBIS) strategies, Response to Instruction and Intervention (RtI²), Restorative Practices, Trauma- informed strategies, Bias Elimination, and Social Emotional Learning (SEL). (Principal)
-Provide training on re-engagement strategies for teachers to utilize with behavior referrals (Principal)
-Examine school data (for example, student group academic performance, attendance, course failure rates) among student groups to identify students at risk of dropping out. (Principal)

Graduation Rate

-Provide opportunities for academic recognition, such as quarterly progress nights, and awards nights (Principal/Faculty)
-Credit Recovery – offer summer school (HS) and summer enrichment (MS) (Principal/Faculty))
-Ensure that UC/CSU courses are approved by UC Doorways. (Principal/Faculty)
-Submit additional courses for UC approval. Increase the UC/CSU acceptance rate. (Principal/Faculty)
-Devise a master schedule to provide pathways for students to succeed in honors and advanced courses. -Increase course offerings and enrollment in honors and advanced courses. (Principal/Faculty)
-Consult with students early and often regarding A-G requirements and develop individual plans for college readiness. (Principal/Faculty)
-Empower high school students by teaching them to perform their own individualized graduation plan. (Principal/Faculty)
-Through RtI2 and tutoring, provide academic intervention and support to increase the percentage of students promoting to the next grade level in middle school or making adequate progress toward requirements for graduation. (Principal/Faculty)
-Provide access to credit recovery, and other academic support resources for struggling students. (Principal)
-Work closely and collaboratively with afterschool partners to coordinate effective tutoring services for struggling learners (Principal/Faculty)
-Conduct meetings for high achieving students, as well as failing students, to meet with board members. Survey student elective interests annually (Principal/Faculty)

Suspension & Expulsion Rates

-Meet the individual needs of students, in lieu of an exclusionary disciplinary system, adhering to Implement a Multi-Tiered Systems of Support (MTSS) framework, including PBIS, restorative justice, and RtI2 to address behavioral and academic challenges. (Principal/Faculty)
-Track student discipline data, utilizing evidence- based alternatives to suspensions and expulsions. (Principal)
-Provide training and collaboration to ensure team-based implementation from leadership, faculty; data based decision making; and family and community collaboration. (Principal)
-Teachers will engage in regularly professional development that incorporates MTSS framework and strategies such as such as Response to Instruction and Intervention (RtI2), Restorative Practices, Trauma-informed strategies, Bias Elimination, Social Emotional Learning (SEL), and Positive Behavior and Intervention Support (PBIS) to meet individual student needs. (Principal/Faculty)
-Ensure policies are fair, provide for due process, support re-engagement with learning, and avoid practices that lead to disengagement with learning. (Principal)
-Provide training on re-engagement strategies for teachers to utilize with behavior referrals. (Principal)
-Examine school data (for example, student group academic performance, attendance, course failure rates) among student groups. (Principal)

Expected Annual Measurable Outcomes

Outcome #1

Maintain or exceed dashboard performance in Chronic Absenteeism and achieve average daily attendance (ADA) of greater than or equal to 95% schoolwide and by numerically significant subgroups.

Metric/Method for Measuring

-Performance on the Statewide Indicators for Chronic Absenteeism
-Student Information System (SIS) - Monthly, Quarterly, and Annual Attendance Reports; weekly truancy Data reports; CalPADS data reporting

Expected Annual Measurable Outcomes

Outcome #3

Adherence to all laws and applicable policies regarding expulsions and suspensions, maintaining an expulsion and suspension rate that is less than the median expulsion and suspension rates of local and similar schools.

Data Analysis and Reporting

LAAAE uses a variety of processes to collect, disaggregate, and analyze data. Baseline data for initial student placement is collected upon student registration using reports from previous school records (as available and applicable) and standardized test scores, or other performance-based criterion examinations, report card grades, attendance records, and behavioral records.

At the beginning of each school year and at least semi-annually, the school administration will work collaboratively with faculty to generate meaningful reports on assessment data and identify areas of instructional weaknesses pinpointing thresholds of student progress. State standardized assessments will be used to determine mastery of content standards and make decisions regarding school-wide improvement; baseline data will be used for baseline and instructional purpose, program reporting, or as a measure for developing school improvement plans; i-Ready and other classroom based assessments will be used as screening and progress monitoring tools to differentiate instruction; interim assessments will be used for ongoing progress-monitoring of students. In addition to required and mandated assessments, teacher-made and text-adopted classroom assessments will further determine mastery of content standards for earning specific class credit requirements.

Data will be disaggregated and used by teachers to inform instruction on student knowledge and skills relative to Common Core State Standards and applicable state academic content standards as follows:

1. Data reports from the Dashboard, i-Ready, and other instruments will be disaggregated to inform decisions about adjustments to the educational program. Different members of the leadership team will lead different data reports either in silo or in collaboration with other staff. These reports will be made in concert with teachers to identify areas needing improvement while informing instruction to enhance curriculum delivery and teacher effectiveness. Academic updates, as they become available, are provided at every regularly scheduled Board of Directors' meeting for board review and consideration.

2. The school leadership team will meet regularly to: evaluate data and correlate to instructional decisions; review progress-monitoring data at the grade level and classroom level to identify students and their academic levels; identify professional development to enhance students' achievement levels; collaborate, problem solve, share effective practices, evaluate implementation, make decisions, and practice new programs and skills; facilitate the process of building consensus, increasing infrastructure, and making decisions about implementation.

3. Based on data analyses, school leadership and faculty will collaboratively develop an instructional focus calendars with timelines for addressing targeted strands as denoted in assessed benchmarks. Through the use of the calendars, student assessment data will drive-decisions for continuous improvement of the teaching and learning process. Teacher leaders and/or the school leadership team will communicate with teachers to determine the areas of students' strengths and weaknesses as demonstrated by class work assignments and assessment results.

4. Teachers will be trained and expected to use available data to determine the instructional focus lessons and differentiate instruction accordingly. Struggling students and students referred by teachers will be targeted for tutoring and other services as needed. Students at and above mastery level will be challenged through the use of additional hands-on investigations, projects and research assignments, or advanced coursework to reinforce the mastery of benchmarks.

Targeted Interventions

Using real-time data from frequent assessment results, LAAAE will provide necessary individual, classroom and/or school-wide intervention programs which include: requiring students to attend specific targeted tutoring during and after school; providing for supplemental intervention programs and support within the respective reading and math classrooms through academic coaching, lesson modeling, computerized intervention programs and pull out services.

LAAAE will use data on an ongoing basis to inform instructional practices. Incorporating data will serve as a feedback system to guide teachers in lesson planning and individualizing instruction and to provide students with knowledge of their current levels of performance. These actions will enhance instructional interventions by closely monitoring activities and aligning results with effective instructional decision-making.

Teachers also meet regularly for RtI. Teachers routinely evaluate existing intervention strategies for students who are not meeting expectations academically and socially. These intervention strategies are updated throughout the year.

Sharing Data with Stakeholders

LAAAE developed a process to ensure the data is being shared in a variety of ways, including but not limited to: staff professional development meetings, department meetings, individualized education plan (IEP) meetings, MTSS meetings, parent meetings, back to school nights, progress reports, and the use of the school's database PowerSchool. PowerSchool provides students and parents access to see notes from the teacher, student grades, and attendance. Progress reports are issued to the students and parents at the back to school progress report nights. Progress report night provides a forum wherein students and families are able to meet with teachers to discuss academic and behavioral concerns. Parents and students also receive copies of students state assessment results and in parent meetings. LAAAE also hosts parental workshops wherein parents are taught how to read the data.

Teachers complete a progress report, quarter grades, and have continuous contact with parents via letter, phone calls and emails or through parent-teacher conferences prior to the final grade reports each semester.

The comprehensive assessment program is used to inform stakeholders (students, parents, and teachers) about where a student is succeeding and what areas need strengthening. Assessment serves as a feedback to guide teachers in lesson planning and individualizing instruction. Additionally, it guides students in understanding full mastery of each respective standard and keeps parents informed about student progress through specific learning objectives.

Specific English and Math Intervention Using Data
Staff participates in a review of data including student standardized test scores to verify proficiency levels, grades and teacher recommendations to determine courses that best fits the needs of students. Students below proficiency levels in English and math are provided with additional supports to achieve mastery, which addresses the school's critical learner needs (WASC). These supports include taking additional remedial courses in reading and math, and having ongoing tutoring with their respective teachers and the after-school program. Additional intervention information is provided in Element 1.

Grading, Progress Reporting, and Promotion/Retention
Grading Policy
Students will have regular examinations, performances, projects, papers, and other assignments that may be graded using a conventional letter-grade system. Letter grades ranging from an A to an F may be given for all courses. The current grades include: A (90-100); B (80-89); C (70-79); and F (0-69). Missing work or prolonged absences may result in a grade of incomplete (I). Grades are maintained in PowerSchool or a comparable student information system. Teachers may determine the deadlines for submission of missing work, as well as, the consequences and final grades when students fail to complete missing work. Grade point averages may be weighted based on successful completion of advanced coursework. Middle school grades appear on middle school transcripts. High school grades and coursework completed for high school credit in the middle school appear on the high school transcript. Transferable coursework will

also be reflected on student transcripts. Grade point averages may reflect distinctions for plus and minus grades. A valedictorian and a salutatorian may be recognized at the high school graduation.

Grade Point Averages (GPA) are calculated for any of the reasons listed below:

- Eligibility for high school graduation;
- Class rank;
- Eligibility to participate in interscholastic or extracurricular activities, such as California Interscholastic Federation or National Honor Society;
- Awards and recognition programs;
- Eligibility for the honor roll and /or membership in honor societies; and/or
- College admissions and scholarship competitions.

Type and Frequency of Progress Reporting

Students must earn a minimum grade point average (GPA) of 2.0 to graduate from high school in the State of California. This is also the minimum requirement for participation in sports and activities. LAAAE believes in academic rigor and achievement of potential.

Official progress reports are distributed at parent conferences according to the following schedule:

- Quarter 1 Progress Report (around September)
- Quarter 2 Progress Report (around November)
- Quarter 3 Progress Report (around February)
- Quarter 4 Progress Report (around April)

Report cards are issued at the end of every quarter. Understanding progress reports and report cards may be key in making sure students are on track to graduate. Because progress reports happen at the halfway mark in the reporting period, this allows students and their families to make necessary study preparations following the progress report to ensure academic success.

Interim assessment results, daily student work, and final exams are used to determine student performance. LAAAE hosts parent conferences, open house meetings, parental workshops, and coordinates other appropriate methods of communication with parents/guardians regarding student progress. Parents of students performing below/far below proficient performance are requested to participate in a scheduled parent conference to discuss a collaborative parent's and teacher's plan to improve the student's performance. Faculty regularly meet to analyze these reports and to make necessary adjustments in the program being offered to students who are showing a lack of progress.

Promotion/Retention Policy and Procedures

The school will use data (state and district requirements, report cards, testing scores, and past performance) as factors for placement in the appropriate courses to best suit each child. Depending on individual student assessment results, some students may be

required to enroll in remediation courses for mathematics and reading, which will take the place of electives.

LAAAE does not endorse social promotion and has clearly defined expectations for what students should know and be able to do at each grade level in each subject in an effort to equip all students with the academic skills that enable them to be ready for entrance to and success in college. The middle school promotion policy adopted by LAAAE's Board of Directors is excerpted below.

Students shall progress through grade levels by demonstrating growth in learning and meeting standards of expected student achievement.

As early as possible in the school year in students' school careers, the principal shall identify students who may be at risk of retention in accordance with law, board policy, and the following criteria:

- Teachers' grades in courses. Middle school students must successfully complete at least half of their courses to be promoted to the next grade.
- State-wide achievement test scores (e.g. CAASPP).
- Other performance-based assessments as designated by the school principal.
- In the case of English learners, student progress towards proficiency in the use of the English language.

When a student in grades 6-8 is retained or recommended for retention, the principal shall offer programs of direct, systematic and intensive supplemental instruction in accordance with Education Code 37252.2 to assist the student in overcoming his/her academic deficiencies. Such opportunities may include but are not limited to tutorial programs, after-school programs, and summer school programs.

When a student is identified as being at risk of retention or recommended for retention, the principal shall so notify the student's parent or guardian in writing as early in the school year as practical. The student's parent/guardian shall be provided with an opportunity to consult the teachers responsible for the decision to promote or retain the student. (Education Code 48070.5)

The principal shall also provide a copy of the school's promotion/retention guidelines to those parents/guardians who have been notified that his/her child is eligible for retention.

Before retaining a student, the principal shall determine that:

- The student has not met standards of expected student achievement.
- Remedial help has been provided consistently but has not sufficiently prepared the student for advancement.
- Appropriate support targeted to the student's needs and maturity will be provided in addition to retention.

To repeal a retention decision, the appealing party shall submit a written request to the principal specifying the reasons that the decision should be overruled. The request shall be placed on the subsequent Board of Directors' agenda and shall be resolved within 60 days.

The measurable student outcomes are designed to reflect a dedication to educate all students so that they can flexibly apply the skills and information they have learned in school to a variety of settings for the purpose of making the world a better place.

Student outcomes are measured according to applicable adopted state performance standards, LAAAE's definition of an educated person in the 21st century, and LAAAE's mission, as described in Element 1. Students will demonstrate progress toward meeting and exceeding these learning goals through their performances on a variety of assessments which are detailed in the charts located within Element 2. LAAAE's achievement will be measured in both growth and absolute measures and will be compared to the achievement of selected District schools that are similar in demographic and other characteristics. It is expected that LAAAE will demonstrate adequate growth such that all subgroups will make progress toward meeting or exceeding the performance of subgroups at similar schools or statewide, and according to any other measurement standards that are enacted throughout the course of LAAAE's charter. LAAAE will adhere to State testing requirements, including provisions of AB 484/2012, and any revisions of Education Code that are applicable to charter schools.

Formative and summative standards-aligned assessments will provide data for faculty, students, and parents to review as a measurement of student progress. As established throughout Elements 1 - 3, LAAAE will utilize diverse assessments that are aligned with the curriculum and instructional program. LAAAE will pursue schoolwide and student subgroup outcomes to ensure the implementation of the eight state priorities set forth in California Education Code §52060(d). For the purposes of measuring achievement, by student subgroup, a numerically significant student subgroup is defined as one that meets the criteria set forth in EC §52052(a) and students will include ethnic subgroups, socioeconomically disadvantaged students, English learners, and students with disabilities of at least 30 in number, and will include homeless youth and foster youth in at least 15 in number. Faculty will use the data to guide instruction and improve student learning.

ELEMENT 4: GOVERNANCE

"The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement." **(Ed. Code § 47605(b)(5)(D).)**

GENERAL PROVISIONS

As an independent charter school, Charter School, operated as or by its nonprofit public benefit corporation, is a separate legal entity and shall be solely responsible for the debts and obligations of Charter School.

Charter School shall ensure that, at all times throughout the term of the Charter, the bylaws of its governing board and/or nonprofit corporation are and remain consistent with the provisions of this Charter. In the event that the governing board and/or nonprofit corporation operating Charter School amends the bylaws, Charter School shall provide a copy of the amended bylaws to CSD within 30 days of adoption.

Charter School shall send to the CSD copies of all governing board meeting agendas at the same time that they are posted in accordance with the Brown Act. Charter School shall also send to the CSD copies of all board meeting minutes within one week of governing board approval of the minutes. Timely posting of agendas and minutes on Charter School's website will satisfy this requirement.

The District reserves the right to appoint a single representative to the Charter School governing board pursuant to Education Code section 47604(b).

LEGAL AND POLICY COMPLIANCE

Charter School shall comply with all applicable federal, state, and local laws and regulations, and District policies as it relates to charter schools adopted through Board action.[4]

Charter School shall comply with all applicable federal and state reporting requirements, including but not limited to the requirements of CBEDS, CALPADS, the Public Schools Accountability Act of 1999, and Education Code section 47604.33.

Charter School shall comply with the Brown Act and the Public Records Act.

---

[4]The District is in the process of compiling a list of LAUSD policies that apply to its authorized charter schools. The list will be finalized by April 1, 2018. Charter Schools Division staff will annually review District policies and make recommendations to the LAUSD Board of Education on continued application to charter schools.

Charter School and all employees and representatives of Charter School, including members of Charter School's governing board, members of Charter School or governing board committees and councils, Charter School administrators, and managers, shall comply with federal and state laws, nonprofit integrity standards, and LAUSD charter school policy, regarding ethics and conflicts of interest. Charter School shall enter into all transactions and conduct business with all persons and entities at arm's length or, in the case of otherwise permissible related party transactions, in a manner equivalent to arm's length.

Charter School shall notify parents, guardians, and teachers in writing within 72 hours of the issuance of a Notice of Violation, Notice of Intent to Revoke, Final Decision to Revoke, Notice of Non-Renewal, or equivalent notice, by the LAUSD Board of Education.

TITLE IX, SECTION 504, AND UNIFORM COMPLAINT PROCEDURES

Charter School shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 (Title IX) and section 504 of the Rehabilitation Act of 1973 ("Section 504"), including any investigation of any complaint filed with Charter School alleging its noncompliance with these laws or alleging any actions which would be prohibited by these laws. Charter School shall notify all of its students and employees of the name, office address, and telephone number of the designated employee or employees.

Charter School shall adopt and publish complaint procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX or Section 504.

Charter School shall adopt and implement specific and continuing procedures for notifying applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Charter School, that Charter School does not discriminate on the basis of sex or mental or physical disability in the educational programs or activities which it operates, and that it is required by Title IX and Section 504 not to discriminate on any such basis.

Charter School shall establish and provide a uniform complaint procedure in accordance with applicable federal and state laws and regulations, including but not limited to all applicable requirements of *California Code of Regulations*, title 5, section 4600 et seq.

Charter School shall adhere to all applicable federal and state laws and regulations regarding pupil fees, including Education Code sections 49010 - 49013, and extend its uniform complaint procedure to complaints filed pursuant to Education Code section 49013.

Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the Local Control Funding Formula legislation provisions set forth in Education Code section 52075.

RESPONDING TO INQUIRIES

Charter School, including its nonprofit corporation shall promptly respond to all reasonable inquiries, including but not limited to inquiries regarding financial records from the District, and shall cooperate with the District regarding any inquiries. Charter School acknowledges that Charter School, including but not limited to its nonprofit corporation, is subject to audit by LAUSD, including, without limitation, audit by the District Office of the Inspector General. Charter School shall provide the District with current, complete, and accurate contact information for Charter School, Charter School administrators, and Board members.

If an allegation or other evidence of waste, fraud, abuse, or other material violation of law related to Charter School's operations, or breach of the Charter, is received or discovered by the District, Charter School, including but not limited to its nonprofit corporation, employees, and representatives, shall cooperate with any resulting inquiry and/or investigation undertaken by the District and/or the Office of the Inspector General Investigations Unit.

Charter School acknowledges and agrees that persons and entities that directly exercise control over the expenditure of Charter School's public funds shall be subject to all necessary and appropriate District charter school oversight.

NOTIFICATION OF THE DISTRICT

Charter School shall notify the Charter Schools Division (CSD) in writing of any citations or notices of workplace hazards, investigations by outside governmental regulatory or investigative agencies, lawsuits, changes in corporate or legal status (e.g., loss of IRS 501(c)(3) status), or other formal complaints or notices, within one week of receipt of such notices by Charter School. Unless prohibited by law, Charter School shall notify the CSD in writing of any internal investigations within one week of commencing investigation. Charter School shall notify the CSD within 24 hours of any dire emergency or serious threat to the health and safety of students or staff.

STUDENT RECORDS

Upon receipt of a student records request from a receiving school/school district, Charter School shall transfer a copy of the student's complete cumulative record within ten (10) school days in accordance with Education Code section 49068. Charter School shall comply with the requirements of California Code of Regulations, title 5, section 3024, regarding the transfer of student special education records. In the event Charter School closes, Charter School shall comply with the student records transfer provisions in Element

15. Charter School shall comply with the requirements of Education Code section 49060 et seq., which include provisions regarding rights to access student records and transfer of records for youth in foster care.

PARENT ENGAGEMENT

Charter School shall not require a parent or legal guardian of a prospective or enrolled student to perform volunteer service hours, or make payment of fees or other monies, goods, or services in lieu of performing volunteer service, as a condition of his/her child's admission, continued enrollment, attendance, or participation in the school's educational activities, or otherwise discriminate against a student in any manner because his/her parent cannot, has not, or will not provide volunteer service to Charter School.

FEDERAL PROGRAM COMPLIANCE

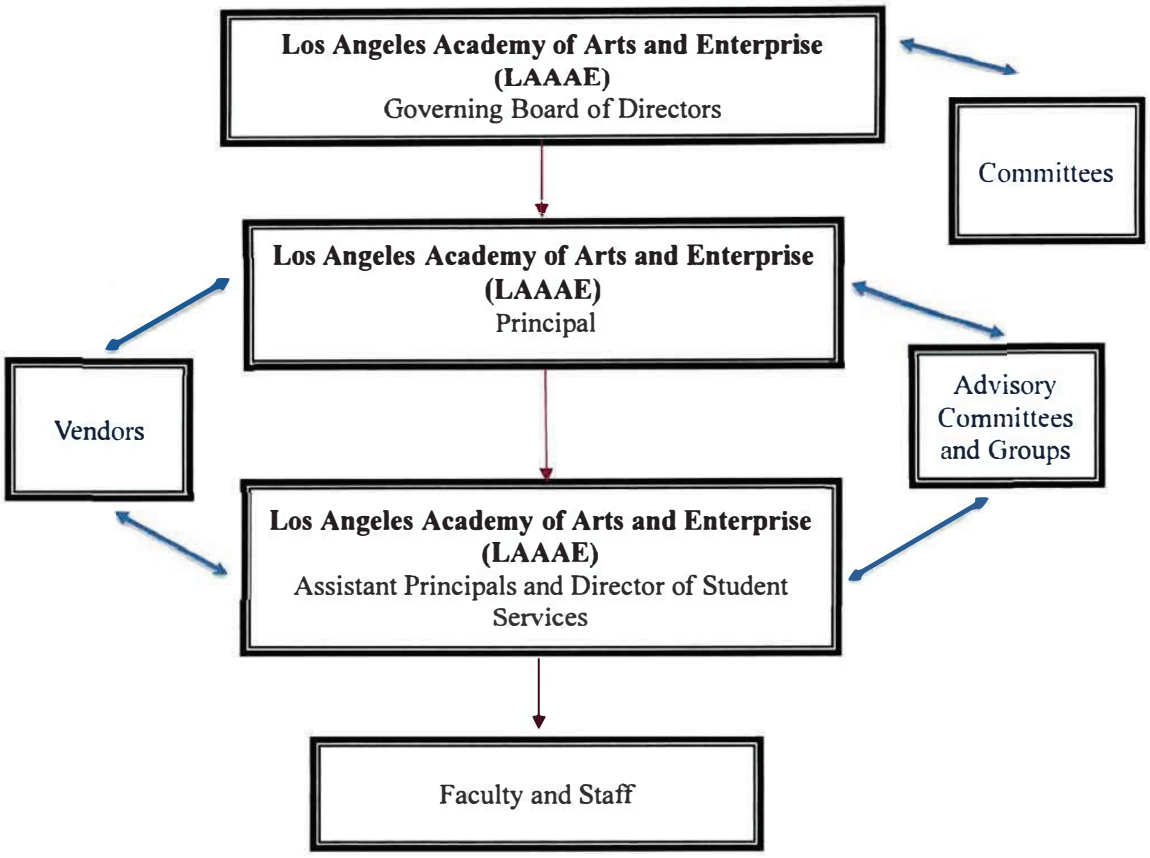
As a recipient of federal funds, Charter School has agreed to meet all applicable programmatic, fiscal and other regulatory requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) and other applicable federal programs. Charter School understands that it is a local educational agency (LEA) for purposes of federal compliance and reporting purposes. Charter School agrees that it will keep and make available to the District any documentation necessary to demonstrate compliance with the requirements of ESEA and other applicable federal programs. Charter School also acknowledges that, as part of its oversight of Charter School, the District may conduct program review for federal as well as state compliance.

Governance Structure

LAAAE's Board of Directors will determine the academic direction and oversees the operation of LAAAE. LAAAE's Board of Directors will hire and oversee the Charter School principal. The principal will be responsible for all aspects of day-to-day administration of LAAAE within the scope of LAAAE's Board of Directors' operating policy and in compliance with district, state, and federal guidelines. LAAAE's onsite leadership team will ensure the operations at LAAAE (e.g. resources, courses, and policies) are in accordance with the mission and vision of LAAAE. The principal is responsible for the day-to-day operations of LAAAE. A description of the principal's roles and responsibilities is provided below. The school's faculty and staff will be responsible for carrying out the day-to-day procedures in their daily activities and interactions with students, parents and the community. LAAAE's faculty and staff will report directly to the principal, who reports to LAAAE's Board of Directors.

Organizational Chart

The following is the organizational chart for LAAAE:



LAAAE's Board of Directors is the ultimate policy-making body for LAAAE and will have the responsibility for the affairs and management of LAAAE. LAAAE's Board of Directors will provide continuing oversight of LAAAE's operations, including a responsibility to effectively and properly manage public funds. Advisory committees and groups include the parent teacher organization, school site council, English language advisory committee, coffee with the principal, and associated student body.

The Principal

The Principal will be the leader of the school. The principal will ensure that the curriculum is implemented in order to maximize student-learning experiences. The principal reports directly to the Board of Directors, and is responsible for the orderly operation of the school and supervision of all employees at the school.

The principal shall perform assigned tasks as directed by the Board of Directors and shall be required to undertake some or all of the tasks detailed below. These tasks may include, but are not limited to, the following:

- Ensure the school enacts its mission;
- Supervise and evaluate, hire and terminate, teachers and staff;
- Communicate and report to the Board of Directors;
- Oversee school finances to ensure financial stability;
- Participate in and develop professional development workshops as needed;
- Serve or appoint a designee to serve on any committees of school;
- Interview and recommend employee hiring, promotion, discipline, and/or dismissal;
- Ensure compliance with applicable state and federal laws and help secure local grants;
- Communicate with parents, recruit new families and students, and assure families of academic growth;
- Take responsible steps to secure full and regular attendance at school of the students enrolled in accordance with policies established by the Board of Directors;
- Complete and submit required documents as requested or required by the charter and/or Board of Directors and/or LAUSD;
- Identify the staffing needs of the school and offer staff development as needed;
- Maintain up-to-date financial records;
- Ensure that appropriate evaluation techniques are used for both students and staff;
- Establish and maintain a system to handle organizational tasks such as student records, teacher records, teacher credentialing information, contemporaneous attendance logs, purchasing, budgets, and timetables;
- Hire qualified substitute teachers as needed;
- Ensure the security of the school building;
- Promote the school in the community and promote positive public relations and interact effectively with media;
- Encourage and support teacher professional development ;
- Attend LAUSD administrative meetings as requested by the District and stay in direct contact with the District regarding changes, progress, etc.;
- Provide all necessary financial reports as required for proper attendance reporting;
- Develop the school annual performance report, the SARC, and the LCAP;
- Present independent fiscal audit to the Board of Directors and, after review by the Board of Directors, submit audit to LAUSD, the County Superintendent of Schools, the State Controller and the California Department of Education;

- Manage student discipline, and as necessary participate in the suspension and expulsion process; and
- Participate in IEP meetings as necessary.

Board Roles and Responsibilities

LAAAE's Board of Directors will have a legal and fiduciary responsibility of LAAAE. LAAAE's Board of Directors will be responsible for providing fiscal accountability by approving and monitoring the budget. LAAAE's Board of Directors will also help ensure effective organizational planning by approving long-range goals and annual objectives, monitoring the general policies such as health and safety, use and maintenance of facilities, fundraising, and overseeing that Charter School resources are managed effectively. This goal will be accomplished primarily through hiring, supporting, reviewing the performance of, and if necessary, dismissing the principal.

Board candidates meet with the principal and with the board's nomination committee to become acquainted with LAAAE's educational program, mission, vision, finances, fundraising goals, and board member expectations. Candidates vetted by the nomination committee are then presented to the full Charter School's Board of Directors for appointment. Currently, LAAAE's Board of Directors' member responsibilities and expectations are outlined in the following that include but are not limited to:

Strategic Planning

- Approve Charter School's mission and review the principal's performance in fulfilling LAAAE's mission;
- Review and approve LAAAE's plans for funding its strategy;
- Review and approve LAAAE's five-year financial goals;
- Annually review and approve LAAAE's budget; and
- Approve major policies.

Leadership and Organization

- Participate in LAAAE's fundraising activities;
- Ensure that the status of LAAAE's strength and workforce planning is equal to the requirements of the long-range goals;
- Approve appropriate compensation, benefit policies, and practices;
- Conduct the performance review of the principal and establish his/her compensation;
- Suggest possible nominees to the nomination committee who can make significant contributions to the work of the board and the organization; and
- Determine eligibility for (if any) and appoint directors to the Board committees.

Operations

- Review the results achieved by LAAAE as compared with the mission, annual and long-range goals, and the performance of similar charter schools;

- Ensure that the financial structure of LAAAE is adequate for its current needs and its long-range strategy; and
- Approve major actions of the principal, consistent with the Board-adopted Fiscal Policies and Procedures.

Communication

- Be informed about LAAAE's mission, policies, and programs;
- Inform others about LAAAE; and
- Keep up-to-date on developments in LAAAE's surrounding community.

Meetings

- Attend Charter School Board of Directors and committee meetings and functions, such as special events. Per LAAAE's Board of Directors' bylaws, a director may be removed from LAAAE's Board of Directors for successive absences at Board of Directors' meetings without reasonable excuse or justification; and
- Review agenda and supporting materials prior to board and committee meetings.

Audit

- Review and accept reports that reflect the operating results and financial condition of LAAAE.;
- Follow applicable policies; and
- Review compliance with relevant material laws affecting LAAAE.

Evaluation and Monitoring Procedures

LAAAE's Board of Directors carries out several evaluation and monitoring procedures throughout the school year. Most noticeably, LAAAE's Board of Directors solicits stakeholder feedback at each Charter School's Board of Directors meeting and retreat. LAAAE's Board of Directors has also requested a fixed agenda item at every board meeting titled principal's update. This agenda item includes a review of both academic progress, which includes applicable academic data as may be available, and school enrollment figures. To ensure adequate fiscal oversight, LAAAE's Board of Directors reviews and questions and/or approves financial reports at each LAAAE board meeting.

To promote graduation rate, LAAAE's Board of Directors' chair personally meets with senior students in danger of not graduating. Other attendees at this meeting may include the principal, assistant principal, other school staff, and the student's parent(s) and/or family. Through a collaborative effort, a strategic plan is identified which will lead to graduation. To encourage postsecondary enrollment, LAAAE's Board of Directors' chair also meets with and motivates students who are on track to graduate.

At the end of the academic school year, stakeholders complete a climate survey wherein they answer questions about LAAAE's culture, the effectiveness of their teachers, and provide constructive feedback about what they think is working and what is not. Data from this survey is then used to drive discussions and workshops at the next retreat.

In addition, LAAAE's Board of Directors certifies compliance to LAUSD's yearly oversight visit. Each year, the school is evaluated by LAUSD for compliance with the charter petition, regulations, and laws and rules. LAAAE's Board of Directors oversees this process and certifies compliance. LAUSD also provides feedback review on their oversight visits.

Board of Directors' Composition and Member Selection

The membership of LAAAE's Board of Directors is comprised of community members who possess the expertise in areas of business, arts and entertainment, finance, school management and governance. These professionals are responsible for establishing policies consistent with LAAAE's mission and ensuring that the educational programs and Charter School operations are in compliance with all statutory and regulatory requirements.

Three of the four founding board members have continuously served since the school's founding over 15 years ago. Their service brings stability and continuity to the school's governance. The following is a list of LAAAE's Board of Directors members and a brief description of their backgrounds, skills, and experience highlighting their contribution in servicing as a Charter School Board of Directors member.

Victoria Castro

Los Angeles educator and activist Victoria Castro was born and raised in Boyle Heights. Castro attended California State University, Los Angeles, and earned her teaching credential from University of California, Santa Cruz, and her master's degree from Pepperdine University. During her college years, she was active in community and college organizations seeking equality, fair representation, and an increase in college attendance for Latinos. She worked in an array of educational posts that ranged from teaching math to administration. In 1986, she assumed her first position as a school principal in East Los Angeles. In 1993, Castro was elected to the Los Angeles Unified School District Board of Education. As a member of the Board, Castro worked tirelessly to improve the school system. In 2001, after eight years on the Board (including one year as president), she returned to school administration as the principal of Hollenbeck Middle School, the junior high she attended. Castro retired from Hollenbeck and LAUSD in 2006. She continues serving on several community-based board of directors. Her activism, dedication, and leadership continue to contribute to community empowerment and educational reform and inspire those who follow in her footsteps.

Moctesuma Esparza

The dream and vision for LAAAE comes from founding board member Moctesuma Esparza. He is an award-winning filmmaker, producer, entertainment executive and entrepreneur, and is well known for his contributions to the movie industry and commitment to creating opportunities for Latinos in entertainment. As a partner in the highly successful Esparza-Katz Productions with Robert Katz, he has worked with stars

such as Robert Redford, Jennifer Lopez, Andy Garcia, Jimmy Smits, Martin Sheen, Robert Duvall and Halle Berry. Esparza most recently founded Maya Entertainment, a vertically integrated production, acquisition and distribution company. It is the only Latino owned and managed production/distribution/exhibition entity in the United States, dedicated to the growing U.S. Latino market. Born and raised in Los Angeles, Esparza received a Bachelor of Arts and a Master in Fine Arts in Theatre Arts, Motion Pictures and Television, from University of California, Los Angeles, and from the onset of his career dedicated himself to empowering and transforming the images of Latinos in Hollywood. Esparza has received numerous awards and honors including being named one of the 50 "Most Powerful and Influential Latinos" of 2008 by The Imagen Foundation, recipient of the 2013 EY Entrepreneur of the Year Award, an Academy Award nomination, a Golden Globe nomination, an Emmy award, a Clio award, Alma Award and a Cine Golden Eagle award.

Tonantzin Esparza

Tonantzin Esparza is an accomplished producer, actress and distribution consultant, and currently Founder and Managing Partner of JoyLab Media – a Los Angeles based production and distribution company. Previously, she served as V.P. of Acquisitions, at Maya Entertainment, a Los Angeles based film production and distribution company focusing on independent films. She was responsible for all content acquisitions, strategic planning, and brand stewardship for the international and U.S. divisions, acquiring and packaging content for theatrical, television, home entertainment and digital. Additionally, she helped launch the international sales division, including strategy, recruiting key talent and co-production opportunities. Previously, Ms. Esparza co-founded the Latino Theater Company's Laboratory, a group of young actors, writers and directors led by artistic director Jose Luis Valenzuela at the Los Angeles Theater Center. As an alumna of Los Angeles County High School for the Arts, Ms. Esparza brings to LAAAE the perspective of a performing arts high school graduate. She double majored in Theatre and Chicano/a Studies at University of California, Los Angeles, with summa cum laude recognition. Most recently, she earned a master's degree in Business at New York University (NYU).

Hector and Norma Orci

In 1986, Mr. and Mrs. Orcí founded La Agencia de Orcí & Asociados—a 100% independent, Latino-owned and managed communications agency. Mr. Orcí is highly respected and has been recognized as a leader by members of the industry, clients and the community. He serves on the boards of the American Advertising Federation, the Association of Hispanic Advertising Agencies and the New America Alliance. Mrs. Orcí is a frequent speaker at colleges and universities around the country and serves on the boards of the Mexican American Legal Defense Fund, New America Alliance, and other community organizations.

Otto Pádron

Otto is President and COO of Meruelo Media Holding. Before joining the Meruelo Media team, Otto was Senior Vice President for Univision Television Network, the leading Spanish language Network in the US. Otto is the only executive to successfully have

headed programming for both major US Spanish language networks, Univision and Telemundo. His unique media background brings a rich perspective and matchless insight of the Hispanic viewer profile, content and cultural preferences to any project. As a shaping member of these powerhouse brands, Otto skillfully blended solution-based ideas with a value-oriented management style driven by bottom-line results. During his 20+ year tenure programming these competitive networks, Otto developed a keen understanding of relevant entertainment formats and has established a reputation for delivering winning results through production excellence and flawless execution.
Otto is a Lieutenant Colonel with over 30 years of service in the US Army. He's an Infantry officer having served in some of the most demanding units in the Army from the 1st Ranger Battalion to 20th Special Forces Group Airborne. LTC Padron has been featured in the "US Army Strong" campaign and in national print publications as one of America's top Hispanic leaders. He holds an advanced degree in Military Strategic Studies from the US Army Command and General Staff College, Ft. Leavenworth, Kansas. Additionally, Otto is a decorated and tested leader with multiple combat tours in Iraq. Otto is also a Commissioner at the City of Los Angeles Convention Center. He holds a double Bachelor of Science in Broadcast Communications and Economics from the University of Miami, Coral Gables and an MBA from Florida International University's Chapman School of Business.

Julio Vallejo

Julio Vallejo is Vice President of Finance & Strategic Planning at Maya Cinemas, a film exhibition company focused on Latino markets across the United States. He has been instrumental in assembling and securing the necessary financing for Maya's existing theaters, including private and venture capital, commercial lending, New Markets Tax Credits, EB-5 and government subsidies. He is responsible for evaluating and underwriting the feasibility of new theater projects. He also monitors and identifies market and industry trends to incorporate them into the company's overall business and market strategies, leveraging on his deep understanding of the Latino consumer behavior and market. Julio began his career with Maya Cinemas as an intern 15 years ago and worked his way up working hand in hand with Moctesuma Esparza.

Julio founded Pigmentocracia Foundation, a non-profit organization in Mexico focused on spearheading the conversation and combat against racial discrimination based mostly on skin color amongst Mexicans, a social issue that is close to Julio's heart. Over the past six years, Julio has become an empirical expert in the subject of racial dynamics in Mexico and how it relates to migration into the United States. He has created an extensive network in the fields of academia, social entrepreneurship, media, film and advertising, as they relate to the subject matter. He majored in Economics at the Tecnologico de Monterrey (ITESM) in Mexico and then went on to study Business and Management of Entertainment at UCLA. Before Maya, Julio started his career working on business strategy consulting and venture capital working at multinational corporations.

Criteria and Process for Selecting Board of Directors' Members

Board Selection
All powers of the corporation shall be exercised by and under the authority of LAAAE's Board of Directors. The property, business, and affairs of the corporation shall be managed under LAAAE's Board of Directors' direction. LAAAE's Board of Directors is the ultimate policy-making body for LAAAE and will have the responsibility for the affairs and management of LAAAE. The guidelines and policies about the selection, composition, and duties of LAAAE's Board of Directors are set out in LAAAE's charter petition and bylaws.

LAAAE's Board of Directors' Bylaws clearly specify the nomination, appointment, removal procedures, and term limits of LAAAE's Board of Directors members, and is summarized as follows:

The authorized number of directors shall be not less than three individuals, nor more than nine. The exact number of directors, the individuals to serve as directors, and their terms of office will be determined from time to time by LAAAE's Board of Directors. No reduction of the authorized number of directors shall have the effect of shortening the term of any incumbent director. Each director shall hold office unless otherwise removed from office in accordance with the Bylaws for three years and until a successor director has been designated and qualified.

The Chair of the Board of Directors or, if none, the President will appoint a committee to designate qualified candidates for election to the Board of Directors at least thirty (30) days before the date of any election of directors. The nomination committee shall make its report at least seven (7) days before the date of such designation or at such other time as the Board of Directors may set and the Secretary shall forward to each Board member, with the notice of meeting required by the Bylaws, a list of all candidates nominated by committee.

Directors shall be appointed at a duly organized meeting of LAAAE's Board of Directors. Newly created directorships resulting from an increase in the number of directors comprising LAAAE's Board of Directors and all vacancies occurring on LAAAE's Board of Directors for any reason shall be filled by the majority of the members in office at a duly organized meeting of LAAAE's Board of Directors. A member elected to fill a newly created directorship or a vacancy will serve until a successor is elected. Newly elected members will qualify upon majority vote, agreement to support the founding organization's vision, and upon any other qualifications determined by the board.

All directors shall have full voting rights, including any representative appointed by the chartering authority as permitted by Education Code Section 47604(c). If the chartering authority designates a representative to serve on the Board of Directors, the Board of Directors may appoint an additional director to ensure an odd number of Board

members. All directors, except for the representative designated by the chartering authority, shall be appointed by the existing Board of Directors.

Any director, except for the representative appointed by LAUSD, may be removed from office with or without cause, by a vote of the majority of the members of the entire Board of Directors. Any director may be removed at the discretion of the Board of Directors from office for missing without reasonable excuse or justification three successive Charter School Board of Directors or committee meetings or half or more meetings of LAAAE's Board of Directors or any committee of Charter School Board of Directors on which the director serves. The representative designated by the chartering authority may be removed without cause by the chartering authority or with the written consent of the chartering authority.

Governance Procedures and Operations

Board Meetings

Regular meetings of the Board, including annual meetings, shall be held at such times and places as may from time to time be fixed by the Board of Directors. The Board of Directors generally meets almost monthly. LAAAE's Board of Directors will hold special meetings as needed and will give proper notice per the *Brown Act* for both regular and special meetings. The Board will approve an annual Board calendar at its annual meeting, which will be held in accordance to the bylaws.

Meetings of the Board shall be held at the principal office of the Corporation, and in accordance with Education Code Section 47604.1(c), unless the Board of Directors designates another location in accordance with the bylaws. The Board may also designate that a meeting be held at any place within the physical boundaries of the county in which the Charter School is located. All meetings of the Board of Directors shall be called, held and conducted in accordance with the terms and provisions of the Brown Act.

Board of Directors' regular meeting dates will be posted in LAAAE's main office and on LAAAE's website calendar. A copy of the Board meeting agenda will be posted at least 72 hours in advance of regular meetings, in accordance with the *Brown Act*. LAAAE's Board of Directors encourages parents, all student-elected officials, and faculty representative be present at every Charter School Board of Directors meeting to ensure active stakeholder engagement in Charter School governance. During these meetings LAAAE's Board of Directors chair actively supports participants to verbalize their concerns, as well as participate in developing and refining existing and new programs to meet state priorities.

LAAAE's Board of Directors actions will be memorialized in meeting minutes, which shall be duly approved by LAAAE's Board of Directors at a subsequent meeting. The minutes will be taken by the LAAAE secretary, principal, and/or other school employee, as may be so assigned by LAAAE's Board of Directors. Meeting minutes will be signed by LAAAE's Board of Directors secretary and maintained in LAAAE's main office.

Board's Decision-Making Procedures

A majority of the directors then in office shall constitute a quorum. All acts or decisions of the Board of Directors will be by majority vote based upon the presence of a quorum. Should there be less than a majority of the directors present at the inception of any meeting, the meeting shall be adjourned. Directors may not vote by proxy. The vote or abstention of each board member present for each action taken shall be publicly reported.

A majority of LAAAE's Board of Directors present, whether or not a quorum is present, may adjourn any meeting of LAAAE's Board of Directors to another time and place. Notice of such adjournment to another time or place shall be given, prior to the time scheduled for the continuation of the meeting, to the directors who were not present at the time of the adjournment, and to the public in the manner prescribed by the Brown Act.

LAAAE's Board of Directors may participate in teleconference meetings, provided the Board complies with all applicable Brown Act requirements, as outlined in its Bylaws. At a minimum, a quorum of the members of the Board of Directors shall participate in the teleconference meeting from locations within the Los Angeles County boundaries.

Stakeholder Involvement

Website

From board meetings, to public information, to the school calendar, the website is a primary source of information for stakeholders. Social media will also be used as an information and engagement platform.

Parents and Staff in Governance

One of the primary predictors of student success is stakeholder involvement. Parents of LAAAE students are encouraged to participate in the educational process of their child(ren). Parents are encouraged to actively participate at LAAAE's Board of Directors' meetings. As required by the *Brown Act*, Charter School Board of Directors' meeting agendas are posted prior to Charter School Board of Directors' meetings. Parents are also notified of Board of Directors meetings through other communications such as an automated call. Moreover, LAAAE's Board of Directors requests that parent, student, and faculty representatives be present at every Charter School Board of Directors meeting to ensure that each group is actively involved and represented in governance. During Charter School Board of Directors meetings, stakeholders are given a voice and encouraged to verbalize their concerns, as well as participate in developing and refining existing and new policies and programs.

Parents can participate in Charter School governance, as well as, support student's educational development. LAAAE's parents also lead a parent group.The parent group helps develop family events and school activities Teachers and staff support the parent group in advertising meetings and participating at meetings.

LAAAE also provides parent workshops where parents learn ways to assist with the development of their child.

Stakeholders Consulted on Educational Program

LAAAE engages with stakeholders through meetings, retreats, and events. During these activities, ongoing analysis of data and student achievement guides the direction of LAAAE's LCAP. Accordingly, the stakeholder involvement plan meets LCFF stakeholder involvement requirements and guidelines.

The multiple opportunities for involvement and collaboration of parents, community partners, students, faculty, and school staff have successfully and actively engaged in the development of LAAAE's LCAP through the following methods:

- *Biannual stakeholder retreat* - continuing in the established retreat tradition, LAAAE's Board of Directors sponsors a fall and spring retreat. The retreats are attended by Charter School stakeholders, including LAAAE's Board of Directors, administrative leadership, faculty, staff, the entire student body, and parents. The retreat is a reflective process where all participants study academic data and develop action plans inclusive of the eight state priorities as defined by the LCAP. Priority setting includes but is not limited to refining academic content and performance standards, course access and enrollment, pupil achievement, parental involvement, pupil engagement, and school climate. Students participate through a special rotating workshop style schedule. The multiple opportunities for involvement and collaboration have successfully yielded an increase in student achievement. The ongoing analysis of data and student achievement continue to guide the direction of the curriculum and course offerings. Through this collaboration and analysis, LAAAE continuously evaluates the entire Charter School program to ensure that high expectations which are aligned to the school-wide learner outcomes are maintained as well as an infrastructure which enables the same.
- *Coffee with the principal*- coffee with the principal is a monthly meeting that provides parents with information about governance and school operations issues, and calls for feedback, volunteers, and suggestions about how certain aspects of school priorities should be developed, evaluated, and refined. This meeting provides a forum for parents to share their concerns with the principal and school leadership.
- *Annual climate survey*- The entire student body, faculty and staff, in addition to any parents who wish to participate, complete a school climate survey at the end of each school year. This survey allows LAAAE stakeholders to freely and

anonymously rate their teachers and voice their concerns and provide feedback about all aspects of the school. The results are provided to faculty to assist them in identifying perceived areas of growth, in addition to provide opportunities to improve their craft.

ELEMENT 5: EMPLOYEE QUALIFICATIONS

"The qualifications to be met by individuals to be employed by the charter school." **(Ed. Code § 47605(b)(5)(E).)**

EQUAL EMPLOYMENT OPPORTUNITY

Charter School acknowledges and agrees that all persons are entitled to equal employment opportunity. Charter School shall not discriminate against applicants or employees on the basis of race, color, religion, sex, gender, gender expression, gender identity, sexual orientation, pregnancy, national origin, ancestry, citizenship, age, marital status, physical disability, mental disability, medical condition, genetic information, military and veteran status, or any other characteristic protected by California or federal law. Equal employment opportunity shall be extended to all aspects of the employer-employee relationship, including but not limited to recruitment, selection, hiring, upgrading, training, promotion, transfer, discipline, layoff, recall, and dismissal from employment.

ESEA/ESSA AND CREDENTIALING REQUIREMENTS

Charter School shall adhere to all requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) that are applicable to teachers and paraprofessional employees. Charter School shall ensure that all teachers are appropriately assigned and fully credentialed in accordance with applicable state requirements for certificated employment, including but not limited to the provisions of Education Code section 47605(l). Charter School shall maintain current copies of all teacher credentials and make them readily available for inspection.

Employee Positions and Qualifications

LAAAE's workforce shares the educational philosophy of LAAAE and is committed to the education of children. Personnel are committed to the mission and vision of LAAAE. Employees' job descriptions, titles, and work schedules are reviewed and modified as necessary to meet the needs of LAAAE and its students.

The following is a list of key Charter School employee classes/positions, including administrators, certificated staff, instructional support staff, and classified staff with job descriptions along with minimum and desirable qualifications:

PRINCIPAL

Serves as the instructional leaderand the chief administrator and is responsible for the direction of the instructional program, staff performance, and the operation of the school plant. Duties and Responsibilities include, but are not limited to:

JOB DESCRIPTION

Faculty and Instructional Program

- Develop and manage an articulated academic program;

- Provide instructional leadership to faculty;
- Develop and implement the curriculum in adherence to the charter; and
- Implement and model the professional standards of LAAAE.

Financial Operations

- Implement policies outlined in the Fiscal Policies and Procedure Handbook.

QUALIFICATIONS

Education

- An earned master's degree or advanced degree of at least equivalent standard from an accredited college or university.

- Coursework in multicultural education or equivalent study.

- Coursework in culture, language, and methodology or equivalent study.

Credentials

-A California K-12 teaching credential and an Administrative Services Credential authorizing K-12 service.

Experience

At least five school years of successful full-time service in a public school certificated position(s), no fewer than three years of which must have been in K-12 teaching service.

In addition to or concurrent with the five years required above:

- At least two years of public school certificated service directly related to an instructional program at a middle or senior high school covering grades 6 through 12, inclusive.

- At least one year of service in an administrative or supervisory position utilizing an administrative credential, such as assistant principal or equivalent position.

Knowledge, Skills, Abilities, and Personal Characteristics

- Knowledge of current instructional programs and curriculum;
- Ability to lead, direct, and supervise teachers and staff, including sensitivity to what is appropriate in dealing with students, teachers, administrators, and the public;
- Ability to understand and make provision for divergent viewpoints of personnel involved in the total educational program;
- Ability to recognize, use, and credit ideas of others;
- Recognition that differences in backgrounds present an educational challenge toward the improvement of working relationships;
- Evidence of educational leadership at the secondary level, including the ability to: promote and provide opportunities for recognition, development, and leadership among students and colleagues; and work cooperatively with students, families, Charter school personnel, and community partners;
- Professional growth appropriate for educational administration at the secondary level; awareness of and ability to recognize the effect of proposed or new local or state requirements on secondary educational offerings; alertness in the perception of policy and information needs;
- Understanding of and sensitivity to diversity in the school community and knowledge of resources and instructional materials related to diversity;
- Knowledge of effective administrative and managerial practices and ability to implement them;
- Leadership skill in facilitating group processes, including consensus building and conflict resolution;
- Ability to communicate effectively with students, parents, peers, other personnel, and community representatives, both individually and as a group;
- Ability to direct the management activities associated with the positions of middle school principal and senior high school principal;
- Knowledge of Charter School Board of Directors policies and procedures, goals and objectives, organizational structure and functions, the California Education Code, Charter School Board of Directors rules, negotiated contracts, and consent decrees;
- Appropriate interpersonal style and methods to guide individuals and groups toward task accomplishment;
- Ability to compose and comprehend written communication;
- Knowledge of and skill in budget preparation and control;
- Ability to observe and evaluate subordinates' activities;
- Mobility to traverse all areas of the work site; and
- Ability to travel to other sites/locations.

ASSISTANT PRINCIPAL

The assistant principal will assist the principal in overseeing the development and day-to-day operations of the academic programs and school operations according to the specified goals of the charter petition. Duties and Responsibilities include, but are not limited to:

JOB DESCRIPTION

Provides educational leadership by:

- Assisting in formulating, interpreting, and implementing the school's administrative policies;
- Supervising instruction and activities;
- Developing and improving instructional programs and student services, plan management, staff development, and community affairs; and
- Performs other functions as necessary.

QUALIFICATIONS

Education

- An earned master's degree or advanced degree of at least equivalent standard from an accredited college or university.
- Coursework in multicultural education or equivalent study.
- Coursework in culture, language, and methodology or equivalent study.

Credentials

- A California K-12 teaching credential and an Administrative Services Credential authorizing K-12 service.

Experience

- At least four school years of successful full-time public school certificated position(s), with no fewer than three years of which must have been in teaching service.
- At least two school years of service in a certificated position(s) directly related to a secondary instructional program covering grades 6 through 12, inclusive.
- At least one year of verifiable experience in a non-classroom setting is preferred.

Knowledge, Skills, Abilities, and Personal Characteristics

- Leadership in the field of education and in securing community cooperation;
- Capacity to lead, direct, and supervise fellow workers in education on a democratic basis;
- Understanding of, and sensitivity to the needs of the various cultural and ethnic groups in the school community;
- Ability to direct the management activities associated with the position of l principal or assistant principal;
- Knowledge of the Education Code, Charter School Board of Directors policies and operating procedures, and negotiated agreements;

- Facility in oral and written communication; and
- Appropriate manner including poise, tact, good judgment, and ability to work effectively with LAUSD personnel, community representatives, and students.

TEACHERS

Teachers teach specific subjects in departmentalized classes for which they are appropriately authorized. Teachers are selected by the principal on an application and interview basis. Selection of teachers is based on their teaching experience, the degree of subject matter expertise, and their ability to demonstrate classroom instructional capabilities. Duties and Responsibilities include, but are not limited to:

JOB DESCRIPTION

Instructional Process

- Maintain current teaching certification as applicable;
- Deliver instruction to students in assigned subjects;
- Plan and implement a program of instruction that adheres to LAAAE's philosophy, goals and objectives as outlined in the school charter;
- Make purposeful and appropriate lesson plans that provide for effective teaching strategies and maximize time on task;
- Plan and implement a program of study designed to meet individual needs of students;
- Create a classroom environment conducive to learning by employing a variety of appropriate teaching strategies;
- Encourage student enthusiasm for the learning process and the development of good study habits;
- Prepare substitute folder containing appropriate information;
- Plan and prescribe purposeful assignments for teaching assistants, tutors and volunteers as needed;
- Demonstrate a strong grasp of subject matter; and
- Use effective oral and written expression.

Student Evaluation

- Recognize learning problems and make referrals, as appropriate;
- Evaluate accomplishments of students on a regular basis using multiple assessment methods such as teacher made tests, samples of students' work, mastery skills check lists, criterion-referenced tests and norm-referenced tests;
- Provide progress and interim reports as required; and
- Respect the confidentiality of records and information regarding students, parents, and teachers in accordance with accepted professional ethics, and state and federal laws.

Curriculum Development

- Keep current in subject matter knowledge and learning theory and display willingness to share this knowledge for continual improvement of the school's curriculum;
- Assist on the ongoing curriculum revision process, including the revision of written courses of study; and
- Become acquainted with supplemental services beneficial to students as an extension of regular classroom activities.

Student Safety

- Uphold consistently LAAAE's policies for classroom management, student interaction, and student discipline;
- Take necessary and reasonable precautions to protect students, equipment, materials and facilities;
- Uphold responsibility as a mandated reporter to report any form of suspected child abuse and/or neglect;
- Share responsibility during the school day for the supervision of students in all areas of the school; and
- Provide for the supervision of assigned students when circumstances require a brief absence from the assignment.

Public Relations

- Uphold and enforce Charter School rules and policies;
- Work cooperatively with parents to strengthen the educational program for their children; and
- Establish and maintain cooperative relationships with other staff members.

Professional Growth

- Develop and follow an annual professional development plan that includes clearly stated metrics of success;
- Maintain membership in appropriate professional organizations;
- Attend faculty and staff meetings as required;
- Contribute to the intellectual capital of LAAAE by asking questions and making suggestions for improvement; and
- Maintain appropriate work habits, including regular and punctual attendance and appropriate use of conference and planning time.

QUALIFICATIONS

Education

- An earned bachelor's degree from an accredited college or university.
- ESEA compliance for core, college preparatory subjects.

Credential

- A California credential or credential combination authorizing teaching service in the area and at the level of the assignment.
- English Learner authorization
- Bilingual competency and/or certification, is preferred.

Knowledge, Skills, Abilities, and Personal Characteristics

- Thorough knowledge of and ability to conduct and implement a cognitively challenging instructional program as required by approved course of study;
- Ability to differentiate instruction to meet diverse student learning needs;
- Ability to cooperate with the school faculty and administration in the development of a coherent program of instruction;
- Ability to work effectively with students, parents, staff members, and community representatives in providing a rigorous educational program;
- Thorough knowledge of content and pedagogy necessary for effective instruction; enthusiasm for, and imagination and creativity in teaching the necessary skills for academic success; and commitment to the education of all students;
- Understanding of the physical, intellectual, social, and emotional developmental growth patterns of students;
- Ability to work effectively with all racial, ethnic, linguistic, disability, and socioeconomic groups;
- Ability to communicate effectively including giving clear concise instructions, using academic language, and appropriate level of delivery, and listening without bias and providing appropriate feedback/reinforcement;
- Ability to compose and comprehend written communication;
- Ability to properly use and to care for the materials, supplies, and equipment employed in teaching;
- Appropriate personal appearance, cleanliness, and manner; and
- Poise, tact, and good judgment, and commitment to the education of all students.

SPECIAL EDUCATION COORDINATOR

Coordinates, implements, and monitors legal and LAUSD special education policy compliance activities regarding students with disabilities eligible for special education. Duties and Responsibilities include, but are not limited to:

JOB DESCRIPTION

- Develops and coordinates measurement, scheduling, training, implementation, and

monitoring procedures and activities for school compliance reviews;
- Coordinates and provides services necessary for IEP compliance;
- Assists in the implementation of special education consent decrees and the development of compliance policies, procedures, and communications;
- Develops relevant training and monitoring systems;
- Coordinates and serves as a consultant for the implementation, monitoring, and evaluation of special education instructional programs to meet federal, State, and LAUSD compliance standards at all grade levels;
- Provides assistance and support in the investigation and resolution of complaints related to special education compliance;
- Participates in, and contributes to, the development and revision of comprehensive special education policies and procedures;
- Prepares monitoring reports and other written material for submission to the California Department of Education, LAUSD administrative offices, and other agencies as may be appropriate; and
- Performs other functions as necessary.

QUALIFICATIONS

- An earned master's degree or advanced degree of at least equivalent standard from an accredited college or university.
- Coursework in multicultural education or equivalent study.
- Coursework in culture, language, and methodology or equivalent study.

Credential

- A California credential authorizing special education service.
- English Learner authorization, is preferred.
- Bilingual competency and/or certification, is preferred.

Knowledge, Skills, Abilities, and Personal Characteristics

- Knowledge of the fundamental principles and accepted practices, current trends, literature and research in the field of special education;
- Knowledge of special education curriculum, instructional objectives, and best instructional methods and strategies;
- Knowledge of federal, state and local policies, rules, laws, regulations, and legislation pertaining to special education including the Federal Corrective Action Plan (FEDCAP) for California, the Division of Special Education's *Schools For All Children Strategic Plan For Achieving Measurable Results For All Students Including Those With Disabilities,* consent decrees, consent decree action plans, the Individuals with Disabilities Education Act (IDEA), Federal Corrective Action Plan (FEDCAP) for California, State of California Special Education Regulations, and District special education policies;

- Knowledge of Quality Assurance Process (QAP) and District Validation Review (DVR);
- Ability and integrity in dealing with confidential matters;
- Ability to provide leadership including decision-making, problem-solving, and delegation of authority;
- Ability to work effectively and cooperatively with diverse racial, ethnic, socio-economic, linguistic, and disability groups;
- Appropriate interpersonal style and methods to guide individuals and groups toward task accomplishment; and
- Leadership skill in facilitating group processes, including consensus building and conflict resolution.

DIRECTOR OF STUDENT SERVICES / SCHOOL COUNSELOR

Provides counseling services to secondary students for the early identification and intervention for barriers to academic achievement of students, and to promote and encourage a healthy learning environment. Duties and Responsibilities include, but are not limited to:

JOB DESCRIPTION

- Identify and provide advocacy, child welfare, and attendance services to students;
- Facilitate student achievement by preventing students dropping out, improving their social adjustment, and adding to their sense of stability;
- Identify, assess, and provide clinical intervention to students with behavioral, social, and attendance issues for appropriate school-based and community services;
- Have knowledge of and ability to utilize effective group and individual counseling skills and techniques;
- Provide counseling services and on-going case management to targeted students and their families;
- Participate in the development and revision of policies and procedures relating to safety, violence prevention, and the welfare of students;
- Protect the educational rights of at-risk students, foster-care, homeless students, pregnant and parenting teens, and other disenfranchised youth by linking them to the appropriate services and advocating on their behalf;
- Participate in the development, planning, and implementation of multi-disciplinary and integrated learning support services such as Student Success Team (SST), Resource Coordinating Team (RCT), School Attendance Review Team (SART), and Dropout Prevention and Recovery Team;
- Initiate referrals for parents and students to appropriate community agencies when their needs are beyond the scope of the school; work cooperatively with these and other agencies on a continuing basis regarding aspects of the student's problems which may affect school adjustment;
- Develop and maintain school-site attendance plan and motivation/incentive programs;

- Promote the development and involvement of community partnerships;
- Participate in crisis response as may be necessary;
- Provide leadership in facilitating group processes, including consensus building and conflict resolution;
- Assist in the coordination of standardized assessments including: Advanced Placement (AP), English Language Proficiency Assessments of California (ELPAC), California Assessment of Student Performance and Progress (CAASPP) / Smarter Balanced (SBAC), and Preliminary SAT (PSAT);
- Assist students with institutions of higher education processes such as college applications and financial aid;
- Assist in the development of the master schedule and assign students to appropriate classes. Modify student schedules as may be necessary;and
- Develop and implement training as needed for school staff.

QUALIFICATIONS

Education and Experience

- An earned master's degree or advanced degree of at least equivalent standard from an accredited college or university.
- Coursework in multicultural education or equivalent study.
- Coursework in culture, language, and methodology or equivalent study.

Knowledge, Skills, Abilities, and Personal Characteristics

- Knowledge of and experience in the use of counseling and guidance techniques with secondary students;
- Ability to work effectively and cooperatively with colleagues, other personnel, and community representatives and agencies;
- Knowledge of the growth and development of children and adolescents, learning theory, and mental health concepts;
- Knowledge of uses, interpretation, and limitations of standardized individual and group tests;
- Ability to communicate effectively with students, parents, and personnel;
- Ability to work effectively with students in an advisory capacity and with adults in a consultative role;
- Understanding of the relationship between the total education program and counseling/guidance services;
- Understanding of the physical, intellectual, social, and emotional growth patterns of students;
- Ability to work effectively with all racial, ethnic, linguistic, disability, and socioeconomic groups;
- Ability to compose and comprehend written communication;

- Ability to travel to other sites/locations;
- Mobility to traverse all areas of the worksite and
- Ability to use word processing, spread sheet, and presentation software.

OTHER CERTIFICATED STAFF/SUBSTITUTE TEACHERS

Teachers and staff may serve multiple capacities such as teacher and soccer coach. LAAAE also has established relationships with educational staffing agencies to fill as-needed teaching assignments or other certificated needs.

FINANCIAL MANAGER

Manages and advises on financial matters and accounting procedures pertaining to student body funds, cafeteria collections, and other authorized collections. Duties and Responsibilities include, but are not limited to:

JOB DESCRIPTION

- Collects, counts, records and deposits all monies for field trips, fundraising, and any other source involving monetary activity; posts and maintains accurate ledgers for internal funds;
- Reviews and sorts mail; date stamps invoices and statements; establishes and maintains control procedures for processing incoming correspondence and action documents; maintains files of financial transactions and related correspondence in accordance with approved retention schedules;
- Develops and monitors purchase orders; prepares credit applications with vendors; purchases approved items; verifies that items ordered are received;
- Codes invoices/statements, collates appropriate backup documentation and routes for account payable processing; processes reimbursements; submits school bills for payment; reconciles check register; prepares check register for Charter School Board of Directors agenda review;
- Contacts vendors, administrative offices and financial institutions to resolve problems or discrepancies related to accounts, balances, purchases and payments;
- Assists in budget and audit development; monitors budget line items for variances;
- Tracks and coordinates maintenance of equipment; develops and maintains property inventory;
- Coordinates minor facility concerns and repairs;
- Coordinates payroll transactions and transmits appropriate reports; disseminate paychecks and paystubs;

- Calculates monthly employer and employee CalSTRS contributions; coordinates with CalSTRS consultant to ensure appropriate retirement reporting; prepares voucher for payment to LACOE;
- Disseminates, collects, and monitors free/reduced lunch applications; determines eligibility for free/reduced lunch; provides qualifying notices to applying families;
- Coordinates menu with food service provider; certifies meal plan; orders and monitors meals delivered; processes monthly reimbursement claim with National School Lunch Program;
- Advises principal regarding internal compliance, account balances, and site policies and procedures related to accounting and financial management and
- Performs other functions as necessary.

QUALIFICATIONS

Education:

- Possession of a high school diploma or GED. An earned bachelor's degree from an accredited college or university, is preferred.

Experience:

- Five years of progressive office experience.

Knowledge, Skills, Abilities, and Personal Characteristics

- Accounting practices and procedures;
- Office practices, procedures, and management techniques;
- Principles and terminology of purchasing;
- Budget procedures;
- Sales, withholding, and federal and state employment tax regulations;
- Statistical and arithmetical presentation of data;
- Basic principles of office computer operation;
- Spreadsheet and word processing programs;
- Operate office computer, calculator, and other office machines;
- Follow established administrative procedures;
- Technically supervise and coordinate the work of students assisting in a student body activity;
- Establish and maintain effective relations with students and school employees;
- Conduct business and maintain favorable relations with vendors; and
- Exercise independent judgment and apply sound business practices to student body financial activities.

TEACHER ASSISTANT / TUTOR

Provides instructional support and assistance to teachers and other certificated personnel. Duties and Responsibilities include, but are not limited to:

JOB DESCRIPTION

- Assists teachers or other certificated personnel in preparation for, carrying out, and following up on instruction to individual or small groups of students as assigned; may also assist with instructional materials, audio-visual equipment, and the maintenance of student records;
- Assists teachers, the leadership team, and/or staff with maintaining control of assigned classes to ensure a suitable learning environment, both in classrooms and on Charter School grounds;
- May be assigned limited responsibility to teach specific subject matter, in which the teacher assistant has special skills or training, to a small group of students, under the immediate supervision of a teacher or other certificated personnel; and
- Performs other functions as necessary.

QUALIFICATIONS

Education and Experience

- Possession of a high school diploma or GED.
- All teacher assistants must meet one of the following requirements:
    - Possession of an earned Associate of Arts (AA) degree or higher from a recognized college or university **OR**
    - Have a passing score on the *CBEST* **OR**
    - Completion of 60 semester units or 90 quarter units from a recognized college or university.

Non-degreed teacher assistants are, on a continuing basis, required to be enrolled in, and successfully complete, college courses as described below.

a. Degree Track: A minimum of 12 college semester units (or equivalent quarter units) must be successfully completed each school year. The unit must be in courses leading toward a baccalaureate degree and a teaching credential.

b. Non-Degree Track: Enrollment in a college course at all times during the September-June school year. Such coursework must be successfully completed and result in receipt of college unit or credit.

Knowledge, Skills, Abilities, and Personal Characteristics

- Understanding of the physical, intellectual, social, and emotional growth patterns of

students;
- Ability to properly use and to care for teaching materials, supplies, and equipment;
- Appropriate appearance and cleanliness;
- Commitment to the education of students;
- Appropriate matter, including poise, tact, and use of good humor;
- Oral and written communication skills; and
- Ability to work effectively with all racial, ethnic, language, disability, and socioeconomic groups.

Office and support personnel such as school aides and tutors are selected by the principal on an application and interview basis. Selection is based on the ability to perform the job duties for that position. Office personnel duties include, but are not limited to:

- Answering telephones;
- Filing reports;
- Enrolling students;
- Managing/monitoring office operations;
- Ordering and purchasing office and classroom supplies, and vendor management;
- Developing and implementing clerical and administrative procedures for daily Charter School operations;
- Preparing correspondence, reports, bulletins, files, forms, memorandums, and performing other clerical and administrative duties as assigned;
- Developing and leading parent engagement activities, and
- Bilingual translation and communication with parents and community.

QUALIFICATIONS

Education and Experience

- Possession of a high school diploma or GED.

ELEMENT 6: HEALTH AND SAFETY OF PUPILS

"The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall include the requirement that each employee of the charter school furnish it with a criminal record summary as described in Section 44237." **(Ed. Code § 47605(b)(5)(F).)**

HEALTH, SAFETY AND EMERGENCY PREPAREDNESS PLAN

Charter School shall comply with all applicable federal, state, and local requirements related to school and student health, safety, and emergency preparedness.

If Charter School occupies and/or operates on a District facility, Charter School shall comply with all District health, safety, and emergency procedures and requirements applicable to District facilities and related operations, and shall be subject to inspection by the District's Facilities Services Division, Office of Environmental Health and Safety, and other District offices in the same manner as other LAUSD campuses.

Charter School shall adopt, implement, and maintain at all times a current, comprehensive, and site-specific Health, Safety, and Emergency Preparedness Plan ("Plan"), which must include but is not limited to provisions for building and site emergency evacuation, the acquisition and maintenance of adequate onsite emergency supplies. The Plan must include Charter School's requirements and procedures for protecting student health and safety during off-campus school-sponsored activities, including but not limited to field trips and transportation. Charter School shall ensure that all staff members receive annual training on Charter School's health, safety, and emergency procedures, including but not limited to training on bloodborne pathogens, and shall maintain a calendar for, and conduct, emergency response drills for students and staff.

Charter School shall provide all employees, and other persons working on behalf of Charter School who are mandated reporters, with annual training on child abuse detection and reporting, which shall occur within the first six weeks of each school year, or within the first six weeks of a person's employment if employed after the beginning of the school year, in accordance with the requirements of AB 1432 (2014).

Charter School shall stock and maintain the required number and type of emergency epinephrine auto-injectors onsite and provide training to employee volunteers in the storage and use of the epinephrine auto-injector as required by Education Code section 49414 and section 4119.2 of the Business and Professions Code, as they may be amended from time to time.

Charter School shall comply with the requirements of Education Code section 49475, with respect to any athletic program (as defined in Education Code § 49475) offered by or on behalf of Charter School.

Charter School shall periodically review, and update and/or modify as necessary, its Health, Safety, and Emergency Preparedness Plan, and keep it readily available for on-site use. Charter School shall provide a copy of the Health, Safety, and Emergency Preparedness Plan for review upon CSD request.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Charter School, including its employees, officers, and representatives, shall comply with the Family Educational Rights and Privacy Act (FERPA) and Education Code section 49060 et seq. at all times.

CRIMINAL BACKGROUND CLEARANCES AND FINGERPRINTING

Charter School shall comply with all requirements of Education Code sections 44237 and 45125.1. Charter School shall designate and maintain at all times at least one Custodian of Records duly authorized by the California Department of Justice.

Charter School shall maintain on file and available for inspection evidence that (1) Charter School has performed criminal background checks and cleared for employment all employees prior to employment; (2) Charter School has obtained certification from each of its contracting entities/independent contractors that the entity/contractor has conducted required criminal background clearances for its employees prior to provision of schoolsite services and/or any contact with students, and has requested subsequent arrest notification service; and (3) Charter School has performed criminal background checks and cleared for service all volunteers not directly supervised by staff and who may have contact with students. Charter School shall also ensure that it requests and receives subsequent arrest notifications from the California Department of Justice for all employees and volunteers not directly supervised by staff. Upon request, Charter School shall provide a copy of Department of Justice confirmation of Custodian of Records status for each Custodian of Records. Charter School, including its administrators and officers, shall comply with the requirements of Education Code section 44030.5.

IMMUNIZATION AND HEALTH SCREENING REQUIREMENTS

Charter School shall require all employees, and any volunteer or vendor/contracting entity employee who may have frequent or prolonged contact with students, to undergo a risk assessment and/or be examined and determined to be free of active tuberculosis (TB) within the period of 60 days prior to employment/service, or otherwise meet the requirements of Education Code section 49406. Charter School shall maintain TB clearance records and certificates on file.

Charter School shall comply with all federal and state legal requirements, including but not limited to the requirements of SB 277 (2015), related to student immunization, health examination, and health screening, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the students were attending a non-charter public school. Charter School shall maintain student immunization, health examination, and health screening records on file.

SAFE PLACE TO LEARN ACT

Charter School shall comply with all applicable requirements of the Safe Place to Learn Act, Education Code section 234 et seq.

SUICIDE PREVENTION POLICY

If Charter School serves students in grades 7-12, Charter School shall comply with the requirements of AB 2246 (2016), codified in Education Code section 215, including but not limited to the requirement that the school's pupil suicide prevention policy shall be developed in consultation with school and community stakeholders, school-employed mental health professionals, and suicide prevention experts. Charter School shall provide the CSD with a copy of its pupil suicide prevention policy for review upon request.

Custodian(s) of Records

Pursuant to Penal Code section 11102.2(b); the Department of Justice (DOJ) implements a confirmation program to process fingerprint-based criminal offender record information background responses on individuals designated by applicant agencies to serve as custodian of records. No person shall serve as an agency custodian of records unless they have been confirmed by the DOJ. Every agency must designate at least one custodian of records.

LAAAE's principal is confirmed by the DOJ and serves as the custodian of records. The Board of Directors may select additional custodians of records. The custodian of records is responsible for the security, storage, dissemination and destruction of the criminal records furnished to the agency and will serve as the primary contact for the DOJ.

Student Health and Wellness

The health and safety of LAAAE staff and pupils is a high priority for LAAAE. LAAAE follows required safety activities included in its policies and procedures. LAAAE will continue to comply with all health and safety laws and regulations that apply to non-charter public schools, including those required by CAL/OSHA, the California Health and Safety Code, and the EPA. LAAAE operates as a drug, alcohol, and tobacco free workplace.

LAAAE will comply with the following new developments in law:

Nutritionally Adequate Free or Reduced Price Meal
Effective July 1, 2019, AB 1871 LAAAE shall provide each needy student, as defined in Education Code Section 49552, with one nutritionally adequate free or reduced-price meal, as defined in Education Code Section 49553(a), during each school day.

California Healthy Youth Act
Effective July 1, 2019, AB 2601 requires that the Charter School shall teach sexual health education and human immunodeficiency virus ("HIV") prevention education to students in grades 7-12, at least once in middle school and at least once in high school, pursuant to the California Healthy Youth Act (Education Code Section 51930, *et seq.*).

Feminine Hygiene Products
The Charter School will stock at least 50% of its restrooms with feminine hygiene products, and shall not charge students for these products, pursuant to Education Code Section 35292.6.

Prevention of Human Trafficking
By January 1, 2020, the Charter School shall identify and implement the most appropriate methods of informing parents and guardians of students in grades 6 through 12 of human trafficking prevention resources.

Bullying Prevention

By December 31, 2019, the Charter School shall adopt procedures for preventing acts of bullying, including cyberbullying. The Charter School shall annually make available the online training module developed by the CDE pursuant to Education Code Section 32283.5(a) to certificated schoolsite employees and all other schoolsite employees who have regular interaction with children.

LAAAE has adopted a wellness policy that addresses the following:

Nutrition Education
School: LAAAE will put up posters that promote good eating habits and healthy food options. Other information will be available through the school website, flyers and/or Charter School newsletter.

Students: Nutrition education is included in the classroom as well as the multipurpose room. Students are required to participate in physical education courses.

Staff: Charter School staff will attend in-services and/or nutrition trainings.

Parent: LAAAE will support parents' effort to provide a healthy diet and daily physical activity for their children.

School Meals: Meals served through the National School Lunch and Breakfast Program will:

- Be appealing and attractive to children;
- Be served in clean and pleasant setting;
- Meet, at a minimum, nutrition requirements established by local, state, and federal statutes and regulations; and
- Serve only low-fat (1%) white, chocolate, or strawberry milk.
- Beverage vending machines in faculty/staff areas at school and school sites shall include water and 100% fruit juice.

Staff Wellness: LAAAE shall provide information about wellness resources and services and establish a staff committee to assist in identifying and supporting the health, safety and wellbeing of site staff.

- LAAAE site shall be in compliance with drug, alcohol and tobacco free policies;

- LAAAE site shall provide an accessible and productive work environment free from physical dangers or emotional threat that is as safe as possible and consistent with applicable occupation and health laws, policies and rules; and
- Employees shall be encouraged to engage in daily physical activity during the workday as part of work breaks and/or lunch periods, before or after work hours in site sponsored programs or as part of discounted membership in local fitness facilities.

Emergency Situations/AB 1747 Assurance

LAAAE will develop policies and procedures for response to natural disasters and emergencies, including fires and earthquakes. In accordance to AB 1747, the school will develop a comprehensive school safety plan with input from classified employees of LAAAE, a fire department and other first responder entities and that the school safety plan shall include procedures for conducting tactical responses to criminal incidents, including procedures related to persons with guns on school campuses and at school-related functions. Faculty and staff will be trained in basic first aid and CPR.

Child Abuse Reporting: LAAAE will adhere to the requirements of California Penal Code Section 11166 regarding child abuse reporting and AB 1432 regarding required child abuse and neglect mandated training. Charter School staff must report to the proper authorities if they suspect the following occurring to a student:

- sexual assault;
- neglect;
- willful cruelty or unjustifiable punishment;
- cruel or inhuman corporal punishment or injury; and/or
- abuse in out-of-home care.

Auxiliary Services: School staff will conduct annual reviews to ensure all auxiliary services are safe (food services, custodial services, hazardous materials) by developing appropriate policies and awareness training. Charter School will contract with an outside agency for its food service needs. Charter School will ensure that its auxiliary services such as food services, transportation, custodial services are safe and free from hazardous materials through monitoring the execution and implementation of activities described by vendor contracts.

ELEMENT 7: RACIAL AND ETHNIC BALANCE

"The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted." **(Ed. Code § 47605(b)(5)(G).)**

COURT-ORDERED INTEGRATION

Charter School shall comply with all requirements of the *Crawford v. Board of Education, City of Los Angeles* court order and the LAUSD Integration Policy adopted and maintained pursuant to the Crawford court order by the District's Student Integration Services (collectively the "Court-ordered Integration Program"). The Court-ordered Integration Program applies to all schools within or chartered through LAUSD.

Charter School has set forth below its initial plan for achieving and maintaining the LAUSD's Racial and Ethnic Balance goal of a 70:30 or 60:40 ratio. (*Ratio represents the percentage of Predominantly Hispanic Black Asian Other (PHBAO) compared to Other White (OW)).* The written plan lists specific dates and locations of recruitment activities that Charter School will undertake in order to achieve the District's Racial and Ethnic Balance goal. Charter School shall monitor the implementation and outcomes of the initial plan, and modify it as necessary throughout the term of the Charter to achieve the District's goal. Upon request, Charter School shall provide the District with a copy of its current written plan.

The District receives neither average daily attendance allocations nor Court-ordered Integration Program cost reimbursements for charter school students. The District may receive the Targeted Instructional Improvement Block Grant (TIIBG) for its Court-ordered Integration Program. The District retains sole discretion over the allocation of TIIBG funding, where available, and cannot guarantee the availability of this funding.

Plan for Achieving and Maintaining LAUSD's Racial and Ethnic Balance Ratio

LAAAE will continue to make every effort to recruit students of various racial and ethnic groups in order to continue achieving a balance reflective of the general population residing within the jurisdiction of LAUSD. Students are primarily recruited in the neighborhood where the school is located, which automatically reflects the demographics of nearby LAUSD schools.

LAAAE will conduct orientation meetings prior to the opening of each school year to inform interested parents and students on what the school has to offer. Outreach meetings will be held near LAAAE to expand access for students in the area. Open houses and school tours will be conducted on a regular basis during the school year as well.

LAAAE will develop promotional and informational material (i.e. a school brochure, flyers, a website, and advertisements for local media) that will be easily transmittable to all of the various racial and ethnic groups represented in the district. Promotional and informational materials will be distributed in a variety of community settings to a broad range of community

groups, agencies, neighborhood youth organizations, social service providers, churches, grocery stores, public libraries, and legislators that serve the various racial, ethnic, and interest groups represented in the district. Materials in languages other than English, such as Spanish, will be distributed in order to reach the limited English proficient populations that exist in the area. Should the language base of the community change in the future and become more diversified we would accommodate additional language needs for outreach purposes. Interested students will be subjected to the admission procedures detailed in **Element 8**. It is the objective of LAAAE to notify parents and students in the community through the following methods:

Provide information handouts to businesses frequented by local community members. The flyers will include enrollment period and lottery information (location, date, time). Letters sent to existing families. The letter will include enrollment period and lottery information (location, date, time).

Community outreach efforts including communication with local council members' field offices, local public libraries, park and recreation centers, community-based organizations, and churches and synagogues. Flyers in Spanish and English announcing the enrollment period will be distributed to the local elementary and middle schools, six weeks prior to the closing of the enrollment period and the implementation of the public random lottery (if needed). The flyers will include enrollment period and lottery information (location, date, time).

LAAAE's website (www.laaaae.org) will serve as a primary source of information for stakeholders. LAAAE's radio station (101.5 FM) and social media will also be used as an information and engagement platform.

ELEMENT 8: ADMISSION REQUIREMENTS

***"Admission requirements, if applicable."* (Ed. Code § 47605(b)(5)(H).)**

DOCUMENTATION OF ADMISSIONS AND ENROLLMENT PROCESSES

Charter School shall maintain complete and accurate records of its annual admissions and enrollment processes, including but not limited to documentation of implementation of lottery and waitlist criteria and procedures in accordance with the terms of the Charter. These records shall be made available to the District upon request.

HOMELESS AND FOSTER YOUTH

Charter School shall adhere to the provisions of the federal McKinney-Vento Homeless Assistance Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. Charter School shall provide specific information, in its outreach materials, websites, at community meetings, open forums, and regional center meetings, that notifies parents that Charter School is open to enroll and provide services for all students, and provides a standard District contact number for access to additional information regarding enrollment.

Charter School shall comply with all applicable federal and state laws regarding homeless and foster youth, including but not limited to the provisions of AB 379 (2015) and Chapter 5.5 (commencing with Section 48850) of Part 27 of Division 4 of Title 2 of the Education Code, as amended from time to time. Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the applicable provisions of AB 379.

NON-DISCRIMINATION

Charter School shall not require a parent/legal guardian/student to provide information regarding a student's disability, gender, gender identity, gender expression, nationality, legal or economic status, primary language or English Learner status, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, or any other information that would violate federal or state law, prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment. Charter School may request, at the time of, and as part of, conducting its lottery process, the provision of information necessary to apply specific admissions preferences set forth in this Charter.

Charter School shall not request or require submission of a student's IEP, Section 504 Plan, or any other record or related information prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment.

Admission Requirements

LAAAE will admit all students who wish to attend LAAAE Should demand exceeds capacity, a lottery shall be performed as described in this petition. LAAAE will not require any child to attend LAAAE.

Student Recruitment

LAAAE primarily focuses its student recruitment efforts within the 2-mile area surrounding LAAAE. This area is predominantly immigrant, low-income, and Spanish speaking. LAAAE uses flyers and word-of-mouth campaigns with the help of its parent volunteers to attract families from the immediate community to ensure the population of students enrolled reflects the surrounding community. Support staff visit elementary schools in the neighborhood, at previously agreed upon dates and times, to recruit students for sixth and ninth grade. School staff also attend local community events to recruit students.

Lottery Preferences and Procedures

Lottery preferences are as follows:

1. Preference shall be extended first to students residing within LAUSD.
2. Preference shall be then extended to students currently attending LAAAE.
3. Preference shall then be extended to siblings of students currently attending LAAAE.

LAAAE extends a preference to current students so that they will not be displaced in their own school. LAAAE provides a preference for siblings to keep families together. Preference eligibility will be determined through information entered on the lottery form.

Public Random Drawing

Should the number of pupils that wish to attend LAAAE exceed capacity, attendance, except for existing pupils who return their intent to reenroll by March 15, shall be determined by a public random lottery will take place per Education Code, section 47605(d)(2)(B). Existing pupils who timely return their intent to reenroll shall be notified of the same with an acceptance letter. Preference eligibility will be determined through information entered on the lottery form.

LAAAE's annual open enrollment window is January 1 to March 15. Only lottery forms received prior to the March 15 deadline will be considered for the public random drawing. Applicants who are not otherwise exempt from the drawing will receive a notificationwith the date, time, and location of the public drawing, their corresponding number, and enrollment preference category, if applicable. Additionally, LAAAE will post the lottery date, time and location on its website homepage (www.laaae.org). The lottery will take place at LAAAE campus in a general meeting space such as the multipurpose room that is easily accessed by visitors. The public display of the lottery will demonstrate to those attending and observing, that the procedures are fairly executed. The drawing will be conducted in both English and Spanish and

will be led by three staff (at least two individuals from the leadership team and one teacher) and three applicants. The lottery will take at a date to be identified, the week following the March 15 deadline at 6:00 p.m., enabling working parents to attend the lottery.

LAAAE will retain the following documents to demonstrate that the lottery was conducted fairly: information session agenda(s)/notice(s); submitted lottery forms; list(s) of students per lottery pool; and sign-in sheet(s) for the public random drawing.

Parents of students on the waiting list will be notified by telephone of space in the applicable grade level. LAAAE will allow two business days for parents/guardians to respond. The response must be provided in person, by telephone, or by writing to the school leadership team member who led the drawing. If no response is received at the end of two business days, then LAAAE will contact the next family on the appropriate waiting list(s). All relevant communications with parents on the waiting list will be logged and maintained in LAAAE's administrative office until the end of the school year.

ELEMENT 9: ANNUAL FINANCIAL AUDITS

"The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority." **(Ed. Code § 47605(b)(5)(I).)**

Charter School shall provide for an annual audit that shall be conducted in compliance with applicable state and federal laws, including but not limited to the requirements of Education Code sections 47605(b)(5)(I) and 41020 as they may be amended from time to time. Charter School shall ensure compliance with the requirements of section 41020(f)(2), which makes it unlawful, absent an Education Audits Appeal Panel waiver, for a public accounting firm to provide audit services to a local educational agency if the lead audit partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local educational agency in each of the six previous years.

The following reports will be submitted to LAUSD, in the required format and within timelines to be specified by LAUSD, each year:

a. Provisional Budget – Spring prior to operating fiscal year
b. Final Budget – July of the budget fiscal year
c. First Interim Projections – November of operating fiscal year
d. Second Interim Projections – February of operating fiscal year
e. Unaudited Actuals – July following the end of the fiscal year
f. Audited Actuals – December 15 following the end of the fiscal year
g. Classification Report – monthly according to Charter School's Calendar
h. Statistical Report – monthly according to Charter School's Calendar of Reports
   In addition:
   - P1, first week of January
   - P2, first week of April
i. Instructional Calendar – annually five weeks prior to first day of instruction
j. Other reports as requested by the District

Annual Audit Procedures

As required in LAAAE's petition and state law, LAAAE has been operating in compliance with the state of California's policies on developing an annual budget, conducting annual audits, as well as quality accounting practices. LAAAE contracts with a bookkeeping and back office firm which assists in the accounting procedures checks and balances. This firm also prepares the bank reconciliations. Financial reports are reviewed at each board meeting. Audits are performed by an independent accounting firm. Audit reports are provided to LAAAE's Board of Directors. Audits must be performed in compliance with the requirements described by the US Office of Management and Budget. Previous independent audits have demonstrated that the school's accounting practices are compliant with guidelines.

Each fiscal year an independent auditor conducts an audit of the financial affairs of LAAAE to verify the accuracy of LAAAE's financial statements, attendance and enrollment accounting

practices, and to review LAAAE's internal controls. LAAAE will continue retaining auditors to conduct independent financial audits, which employ generally accepted auditing principles and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Controller General of the United States. The principal will lead the request for proposals to engage firms identified on the State Controller's list of approved auditors. The principal will make an engagement recommendation at a regularly scheduled Charter School Board of Directors' meeting and will subsequently collaborate with the auditor to produce requested items for testing. LAAAE's Board of Directors will determine with which auditor to engage. The audits are performed in compliance with the requirements described by the U.S. Office of Management and Budget. Audit exceptions and deficiencies shall be resolved in conference with the auditor to the satisfaction of the auditing agency. LAAAE agrees to resolve outstanding issues from the audit, insofar as is feasible, prior to the completion of the auditor's final report.

LAAAE's principal will review any audit exceptions or deficiencies with LAAAE's Board of Directors' Treasurer/Chief Financial Officer, or designee to develop a plan to address any deficiencies, findings, material weaknesses, or exceptions. The principal will report such recommendations to the full Charter School Board of Directors explaining how these findings have been or will be resolved to the satisfaction of the auditing agency and the anticipated timeline for doing so.

Annual Audit Procedures

After LAAAE Board of Directors' approval, the principal will engage an independent public accountant, certified by the State of California, to audit LAAAE's financial statements in accordance with Generally Accepted Auditing Standards and the audit guide issued by the Controller of the State of California. LAAAE will prepare the necessary financial reports to be submitted to the District.

Two interim reports and a year-end report, in a format to be produced by LAUSD, which will include actual and revised budget figures and projected revenues, expenditures and fund balances, will be submitted to LAUSD unless a different system is agreed to by all parties.

LAAAE has a financial procedures handbook that outlines fiscal policies and procedures. It provides proper segregation of duties, conforms to Generally Accepted Accounting Principles, and is approved by the LAAAE Board of Directors.

Financial Reports

LAAAE will continue conducting all of its financial operations in a timely manner and for all programs (regular, categorical, and special education) through procedures established by the State of California and the Federal Government, as appropriate. For Federal programs, including Title I, the criteria for eligibility and fiscal guidelines will continue to be as established by the Federal Government. LAAAE elects to receive funding directly.

LAAAE is responsible for meeting eligibility and fiscal requirements established by the Federal Government and for completing the Consolidated Application.

LAAAE shall continue to provide LAUSD with financial and related reports, including enrollment attendance to enable LAUSD to meet its requirements by law. Notwithstanding the petitioners' expectation to receive Title I funding under the Federal guidelines, said funding may not be forthcoming until LAAAE meets established criteria for a determined school year.

LAUSD may at its discretion provide services to LAAAE on a fee for service basis, if requested by LAAAE to do so. In such a case, LAUSD will determine the cost of providing such services.

ELEMENT 10: SUSPENSION AND EXPULSION PROCEDURES

"The procedures by which pupils can be suspended or expelled." **(Ed. Code § 47605(b)(5)(J).)**

GENERAL PROVISIONS

Charter School shall provide due process for all students, including adequate and timely notice to parents/guardians and students of the grounds for all suspension and expulsion recommendations and decisions and their due process rights regarding suspension and expulsion, including rights of appeal.

Charter School shall ensure that its policies and procedures regarding suspension and expulsion will be periodically reviewed, and modified as necessary, in order to conform to changes in state law.

Charter School shall ensure that its staff is knowledgeable about and complies with the District's Discipline Foundation Policy and/or current equivalent policy, as required by the Modified Consent Decree. Charter School shall comply with the terms of the School Discipline Policy and School Climate Bill of Rights resolution adopted by the LAUSD Board of Education on May 6, 2013.

Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of Charter School's student expulsion process and shall facilitate the post-expulsion placement of expelled students.

Charter School shall document and implement the alternatives to suspension and expulsion that Charter School utilizes in response to attendance-related concerns, e.g. truancy or excessive tardiness.

STUDENTS WITH DISABILITIES

Charter School shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, pending the completion of the expulsion process, Charter School shall identify and provide special education programs and services at an appropriate interim educational placement determined in coordination with the LAUSD Division of Special Education.

In the case of a student who has an Individualized Education Program ("IEP"), or a student who has a Section 504 Plan, Charter School shall ensure that it follows correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District's Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a Section 504 Plan, Charter School's administrator will convene a Link Determination meeting to ask the following two questions:

A. Was the misconduct caused by, or directly and substantially related to the student's disability?
B. Was the misconduct a direct result of the Charter School's failure to implement Section 504?

NOTIFICATION OF THE DISTRICT

Upon expelling any student, Charter School shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed "Notification of Charter School Expulsion" [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Charter School's policies and procedures were followed
- Copy of parental notice of expulsion hearing
- Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student's compliance for reinstatement, appeal process, and options for enrollment
- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:
  A. Was the misconduct caused by, or directly and substantially related to the student's disability?
  B. Was the misconduct a direct result of Charter School's failure to implement Section 504 Plan?

Notwithstanding and apart from the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student's district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

OUTCOME DATA

Charter School shall gather and maintain all data related to placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.

REHABILITATION PLANS

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School's governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

READMISSION

Charter School's governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School's governing board shall readmit the pupil, unless Charter School's governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil's parent/guardian within a reasonable time.

REINSTATEMENT

Charter School's governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. Charter School is responsible for reinstating the student upon the conclusion of the expulsion period in a timely manner.

GUN-FREE SCHOOLS ACT

Charter School shall comply with the federal Gun-Free Schools Act.

Discipline Foundation Policy

Student discipline at LAAAE is based on positive support and involves multiple parties including school staff, teachers, parents, and students. LAAAE seeks input from parents, teachers, and students on how to best provide a safe and healthy school environment.

Based on stakeholder feedback, LAAAE has developed a comprehensive student discipline policy included in the student handbook. Charter School staff review the discipline policy with students and parents. By enrolling in LAAAE, the students and parents acknowledge their understanding of and the responsibility to the standards set forth in the discipline policy. The discipline policy will include the students' rights and responsibilities and LAAAE's suspension and expulsion policies. The discipline policy will not be discriminatory, arbitrary, or capricious, and will follow the general principles of due process.

Charter School shall ensure that its staff is knowledgeable about and complies with the District's Discipline Foundation Policy and/or current equivalent policy, as required by the Modified Consent Decree. Charter School shall comply with the terms of the School Discipline Policy and School Climate Bill of Rights resolution adopted by the LAUSD Board of Education on May 6, 2013.

LAAAE's foundational beliefs and practices align with the District's Discipline Foundation Policy. Specifically, LAAAE implements a schoolwide positive behavior and intervention and support (PBIS) program. School level practices also include: teaching school rules and social emotional skills; reinforcing appropriate student behavior; using effective classroom management and positive behavior support strategies by providing early intervention for misconduct and appropriate use of consequences. Serving as examples, faculty and staff model community norms, including treating others with respect, appreciating differences, finding peaceful solutions, showing empathy and compassion, and defending the rights of others. Expected student behaviors are rewarded with points which students can redeem for prizes. The program aims to reduce tardies, increase attendance, and improve school climate and culture through a multi-tiered system of academic, social, and behavioral supports to address students' attendance, behavioral, and academic needs. Through positive reinforcement, PBIS is intended to mitigate punitive approaches that infringe on instructional time. Staff enforce disciplinary rules and procedures fairly and consistently among all students. Staff are trained and annually review de-escalation strategies for students in crises. These strategies focus on developing relationships with students, identifying and avoiding, when possible, triggers for undesirable behavior, and stabilize students who have been triggered safely.

Wellness Center and Student Support Services
When a teacher has referred a student to the office, an assistant principal, or designee, will carefully review the incident. Parent(s) will be notified with a phone call and in writing, in more severe cases.

Disciplinary consequences will be appropriate and are issued at the discretion of the administration. The leadership team, office staff, and other faculty assist in classroom management and diffusing challenging situations. Students who do not adhere to their responsibilities, and who violate the school rules may expect consequences for their behavior. Once a student has been referred to the office, consequences may include but are not limited to:

- Loss of privileges;
- Warning, both verbal and written;
- Separation from other students in class;
- Restorative justice practices;
- Notification to parents/guardians;
- In-school and after-school detention;
- In-school suspension;
- Out-of-school suspension; and
- Expulsion.

The decision regarding the consequence will be based on circumstances unique to each individual incident of inappropriate behavior. Factors such as, the cause and severity of the offense, the student's attitude, length of time since the last incident, and the student's past behavior records may influence the disciplinary action to be taken.

In-School and Out-of-School Suspensions

In alignment with California Education Code Section 48911.1, the principal or assistant principal may assign a student to a supervised in-school suspension for any offense that qualifies for suspension for the length of the suspension. Students are expected to attend school if an in-school suspension is assigned. During the suspension, the student will be assigned an alternate and specialized schedule based on the availability of teacher planning periods. The student will be able to continue his or her course of study with the support of other certificated personnel. If the student was receiving support from classified staff, the student will continue receiving that support.

Process for Suspension and/or Expulsion - Informal Conference

Suspension shall be preceded by an informal conference conducted by the principal or designee, with the student and his/her parents. The conference may be omitted if the principal determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If the student is suspended without a conference, the parent/guardian shall be notified of the suspension by the principal or designee by telephone. Should this not render success, the principal or designee will follow up in writing by email or US mail. A conference will be conducted as soon as possible thereafter. The principal may notify law enforcement if it is reasonably suspected that the student committed offenses identified in Penal Codes 245, 626, and Education Code 48900. If the student is subsequently arrested, the principal or designee will take immediate steps to notify the parent of the place to which the student is reportedly being taken.

Notice to Parents/Guardians

At the time of a student's suspension, the principal or designee shall make a reasonable effort to contact, in English or Spanish, the parent/guardian by telephone or in person. A written notice will follow initial contact. This notice will state the specific offense(s) committed by the student. In addition, the notice will also state the date and time the student may return to school. The notice will also provide assurance that the process for investigating incidents and collecting evidence will be fair and thorough.

Length of Suspension

The length of a suspension, when not including a recommendation for expulsion, can range from a class period to not exceeding five (5) consecutive days per suspension or twenty (20) days total per year. Students are expected to continue completing their respective assignments throughout a suspension period. LAAAE will continue to provide the student with an education, including textbooks or other instructional materials, classwork, and homework, as well as support from appropriate staff and opportunities to complete missed assignments or other in-class activities. Students will also receive support from the student services team for behavior reflection. Such activities and restorative justice provide opportunities for students to amend acts of hate violence, threats, and terrorist threats, unless identified as an emergency situation as previously

identified. Students not responsive to intervention during in-school suspension will be referred to out-of-school suspension by the principal. As noted earlier, students will continue to receive education through a specialized schedule or home schooling. Upon a recommendation by the principal for expulsion, the pupil and the pupil's parent or guardian will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. The principal will make this determination upon either of the following findings:

- Whether the pupil's presence will be disruptive to the educational process; or
- Whether the pupil poses a threat or danger to others.

Upon this determination, the pupil's suspension will be extended, pursuant to Education Code 48911 (g) pending the results of an expulsion hearing.

Grounds for Suspension and Expulsion

Students who present an immediate threat to the health and safety of others may be suspended or expelled. A student may be suspended or expelled for any of the acts enumerated in this section.

Reasons for Suspension and Expulsion (Education Code 48900 and 48915)

LAAAE does not consider suspensions or expulsions as effective means of improving student behavior and compliance with school rules and policies. While either or both may become necessary in extraordinary circumstances, disciplinary issues shall first be attempted to be dealt with through other strategies. A student may be suspended or expelled for acts which occur, but not limited to: while on school grounds; while going to or leaving from school; and during, or traveling to or from, a school-sponsored activity.

Below are excerpts from the Administrator Recommendation of Expulsion Matrix as posted on the California Department of Education's website (http://www.cde.ca.gov/ls/ss/se/expulsionrecomm.asp) which are used as guidelines by the school.

Must Recommend Expulsion

In accordance with Education Code Section 48915(c), the principal shall suspend and recommend expulsion of a pupil determined to have committed any of the following acts:

1a. Possessing firearm when a district employee verified firearm possession and when student did not have prior written permission from a certificated employee which is concurred with by the principal or designee.

1b. Selling or otherwise furnishing a firearm.

2. Brandishing a knife at another person.

3. Unlawfully selling a controlled substance listed in *Health and Safety Code* Section 11053 et. seq.

4. Committing or attempting to commit a sexual assault as defined in subdivision (n) of *EC* 48900 or committing sexual battery as defined in subdivision (n) of 48900.

5. Possession of an explosive.

Shall Recommend Expulsion Unless Particular Circumstances Render Inappropriate

In accordance with Education Code Section 48915(a), the principal shall recommend expulsion for the following violations [except for 48915 subsections (c) and (e)] unless the principal finds that expulsion is inappropriate due to a particular circumstance.

a. Causing serious physical injury to another person, except in self-defense.
b. Possession of any knife, explosive, or other dangerous object of no reasonable use to the pupil.
c. Possession and/or use of any substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the *Health and Safety Code*, except for the first offense for possession of not more than one avoirdupois ounce of marijuana other than concentrated cannabis.
d. Robbery or extortion.
e. Assault or battery, or threat of, on a school employee.

The recommendation for expulsion shall be based on one or both of the following:
1. Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.
2. Due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others [see Section 48915 (b)].

May Recommend Expulsion

In accordance with Education Code Section 48900, in addition to the foregoing mandatory suspension/expulsion infractions, students may be immediately suspended and recommended for expulsion upon a determination that the student has committed one of the acts listed below:

a. Inflicted physical injury
b. Possessed dangerous objects
c. Possessed drugs or alcohol
d. Sold look alike substance representing drugs or alcohol
e. Committed robbery/extortion
f. Caused damage to property
g. Committed theft
h. Used tobacco
i. Committed obscenity/profanity/vulgarity
j. Possessed or sold drug paraphernalia
k. Received stolen property
l. Possessed imitation firearm
m. Committed sexual harassment
n. Harassed, threatened or intimidated a student witness
o. Sold prescription drug Soma
p. Committed hazing
q Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act, as defined in subdivisions (f) and (g) of Section 32261, directed specifically toward a pupil or school personnel.
r. Participating in the act of hate violence and terroristic threats

Expulsion Procedures

Expulsion Hearing
Upon recommendation of expulsion by the principal, the student and student's guardian(s) and/or representative(s) will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. The determination will be made by the principal upon either of the following determinations:

(1) the pupil's presence will be disruptive to the education process or
(2) the pupil poses a threat or danger to others.

Upon either determination, the student's suspension will be extended pending the results of an expulsion hearing. Students recommended for expulsion are entitled to a hearing to determine whether the pupil should be expelled. A written hearing waiver will be solicited from parents electing to waive the hearing. Unless postponed for good cause, the hearing shall be held within 30 school days after the recommendation for expulsion. The principal will be responsible for providing the student with appropriate educational opportunities, while the student is on suspension and awaiting an expulsion hearing. An agreement currently exists between LAAAE and LAUSD for interim placement.

The expulsion hearing (which is usually held in closed session, unless otherwise requested, 72 hours in advance) will be presided over by an expulsion administrative panel appointed by LAAAE's Board of Directors. The expulsion administrative panel will consist of at least three members who are certificated. No teacher of the pupil or Charter School Board of Directors member will serve on the expulsion administrative panel. A facts and findings document that includes dates, times, incidences, people present, and an objective anecdotal record of the events will be prepared by the expulsion administrative panel to summarize the evidence presented at the hearing and to substantiate the expulsion decision. The administrative panel may recommend to reinstate the student, to reinstate the student with a behavioral contract, or to expel. A special meeting of LAAAE's Board of Directors will be convened preferably within one week of the expulsion hearing. At that meeting, the final expulsion hearing decision and outcome will be reported, by a representative of the expulsion administrative panel, to LAAAE's Board of Directors, who will uphold or not uphold the recommendation.

Written notice of the hearing shall be forwarded by the principal or principal's designee, to the pupil and the pupil's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include the following:

a. The date and place of the expulsion hearing;
b. A statement of the specific facts, charges, and offenses upon which the proposed expulsion is based;
c. A copy of the disciplinary rules which relate to the alleged violation;

d. Notification of the pupil's or parent/guardian's obligation provide information about the pupil's status at the school to any other school district or school to which the pupil seeks enrollment;
e. The opportunity for the pupil or the pupil's parent/guardian to appear in person or to employ and be represented by counsel or an advocate;
f. The right to inspect and obtain copies of all documents to be used at the hearing;
g. The opportunity to confront and question all witnesses who testify at the hearing; and
h. The opportunity to question all evidence presented and to present oral and documentary evidence on the pupil's behalf including witnesses.

Recording of Hearing
A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

Presentation of Evidence
While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof, only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A decision by the expulsion administrative panel to expel must be supported by substantial evidence that the pupil committed the expellable offense(s).

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay, and sworn declarations may be admitted as testimony from witnesses, when the principal determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the pupil who is being considered for an expulsion, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery, as defined in Education Code Section 48900, a complaining witness shall have the right to have his/her testimony heard in a session closed to the public.

Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. LAAAE must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the person or panel conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.

4. The person conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The person conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The person conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, LAAAE must present evidence that the witness' presence is both desired by the witness and will be helpful to LAAAE. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the hearing room during that testimony.
9. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Notification of Expulsion

The principal, following LAAAE's Board of Directors' decision to expel shall send written notice of expulsion, including the expulsion administrative panel's findings of fact, to the pupil or parent/guardian. This notice shall include the following:

(1) Notice of the specific offense(s) committed by the pupil.

(2) Notice that the pupil has a right to appeal and the date and process by which an appeal may be filed.

(3) Notice of the pupil's or parent/guardian's obligation to inform any new district in which the pupil seeks to enroll of the pupil's status.

(4) Effective date of expulsion.

(5) Notice of alternative education placement.

(6) Date the student to be reviewed for readmission.

Appeal Of Suspension Or Expulsion

If a suspension was assigned by a principal's designee, a parent may request an appeal by submitting a written appeal request, addressed to the principal, within 72 hours of the imposed suspension. If the suspension was assigned or upheld by the principal, a parent may request an appeal, addressed to LAAAE's Board of Directors' chair, within 72 hours of the principal's notification. Lastly, a parent may request an appeals hearing at a regularly scheduled Charter School Board of Directors' meeting. LAAAE's Board of Directors will issue a decision the same day. A written notice with the decision will be provided to the parent. A suspension appeal decision by LAAAE's Board of Directors is final.

Parent/s or legal guardian/s may appeal an expulsion within thirty (30) days from the notice of expulsion by submitting a written request for appeal, or providing that request in person or via telephone to the principal. If the request is made in person or via telephone, the principal will create a memorandum that documents the request and forward it to LAAAE's Board of Directors for review and consideration.

Written notice of the appeal shall be forwarded to the pupil and the pupil's parent/guardian at least ten (10) calendar days before the date of the appeals hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include the following:

a. The date and place of the expulsion appeal hearing;
b. A statement of the specific facts, charges, and offense(s) upon which the proposed expulsion is based;
c. A copy of the disciplinary rules which relate to the alleged violation;
d. Notification of the pupil's or parent/guardian's obligation provide information about the pupil's status at the school to any other school district or school to which the pupil seeks enrollment;
e. The opportunity for the pupil or the pupil's parent/guardian to appear in person or to employ and be represented by counsel or an advocate;
f. The right to inspect and obtain copies of all documents to be used at the hearing;
g. The opportunity to confront and question all witnesses who testify at the hearing; and
h. The opportunity to question all evidence presented and to present oral and documentary evidence on the pupil's behalf including witnesses.

The student will be considered suspended until a meeting is convened to hear the appeal (within 10 working days) at which time the parent(s) or guardian must attend to present their appeal. A fair and impartial panel of representatives assigned by LAAAE's Board of Directors will hear the appeal. Such hearing will be presided over by an expulsion appeals administrative panel which will consist of at least three members who are certificated. No teacher of the pupil or Charter School Board of Directors' member will serve on the administrative appeals panel. This panel will not include any of the members of the expulsion administrative panel. The expulsion appeals administrative panel will deliberate in closed session after hearing presentations from both the principal and the student and his/her parent/s or legal guardian/s. The expulsion appeals administrative panel will issue its decision the same day as the hearing. The expulsion appeals administrative panel may recommend to reinstate the student, to reinstate the student with a

behavioral contract, or to expel. The decision of the expulsion appeals administrative panel will be final.

A facts and findings document that includes dates, times, incidences, people present, and an objective anecdotal record of the events will be prepared by the expulsion appeals administrative panel to summarize the evidence presented at the hearing and to substantiate the appeal decision. A special meeting of LAAAE's Board of Directors will be convened within one week of the expulsion appeal hearing. At that meeting, the final decision and outcome will be reported, by a representative of the expulsion appeals administrative panel, to LAAAE's Board of Directors, who will uphold or not uphold the recommendation.

Recording of Hearing
A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. A copy of the record will be provided to the parent or guardian.

Presentation of Evidence
While technical rules of evidence do not apply to expulsion appeals hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A decision by the expulsion appeals administrative panel to expel must be supported by substantial evidence that the pupil committed the expellable offense(s).

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay, and sworn declarations may be admitted as testimony from witnesses, when the principal determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the pupil who is being considered for an expulsion, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery, as defined in Education Code Section 48900, a complaining witness shall have the right to have his/her testimony heard in a session closed to the public, as previously detailed in this element.

In the event of a decision to expel a student from LAAAE, LAAAE will work cooperatively with the district of residence, county, and/or private schools to assist with the appropriate educational placement of the student who has been expelled. Any incident of violent and/or serious student behavior shall be communicated to the district/school to which the student matriculates.

If a student is expelled or leaves LAAAE without graduating or completing the school year for any reason, LAAAE shall notify the superintendent of the school district of the student's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the student, including a transcript of grades or report card, and health information.

If the student is not reinstated, the student can enroll at their home school. Students who are not reinstated, must be sent written notification of such, including specific reasons why reinstatement was denied; and must be given a new eligibility review date.

For new enrollees, LAAAE will request a copy of the rehabilitation plan and work with the expelling school/district to ensure the student is provided with the supports and interventions needed for successful reinstatement.

Outcome data will be maintained including:

- Suspensions
- Expulsions and Expulsion Placements
- Reinstatements
- Out of the District Expellees

Students who demonstrate successful rehabilitation are able to be reinstated. LAAAE will expunge the expulsion order once the student has successfully completed the prescribed rehabilitation plan.

ELEMENT 11: EMPLOYEE RETIREMENT SYSTEMS

***"The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security."* (Ed. Code § 47605(b)(5)(K).)**

Charter School shall comply in a timely manner with all applicable federal and state laws and regulations, as they may change from time to time, including but not limited to Internal Revenue Code section 414(d) and related regulations, governing Charter School's participation in, and/or coverage of its staff members by, the State Teachers' Retirement System (CalSTRS), the Public Employees' Retirement System (CalPERS), and/or federal social security.

If Charter School participates in, or otherwise covers its staff members by enrolling or continuing their enrollment in, a "government plan" governed by section 414(d) (e.g., CalPERS), upon dissolution or final liquidation of Charter School, and/or its nonprofit public benefit corporation, notwithstanding any provision in Element 15 to the contrary, Charter School shall distribute its net assets in accordance with section 414(d), related regulations, and the government plan's requirements.

If Charter School participates in CalSTRS and/or CalPERS, Charter School shall continue such participation for the duration of Charter School's existence under the same CDS code, if mandated by applicable legal and retirement plan requirements.

Employee Benefits

Mandatory benefits, such as workers compensation, unemployment insurance, Medicare, and social security (for non-CalSTRS members) will be provided by LAAAE. Certificated employees in assignments with creditable service (e.g. principal, assistant principal, and faculty) will not receive social security benefits, but will instead receive California State Teachers Retirement System (CalSTRS) benefits. Non-CalSTRS eligible and classified employees will receive social security benefits.

LAAAE will provide contributions for benefits such as: life, health, dental, vision, and related to full-time employees. Part-time employees will have access to purchase life, health, dental, and vision plans among others. Upon hiring, the principal will ensure that each employee is set up to receive benefits including but not limited to retirement, CalSTRS, social security and health insurance as applicable by employee type and full- or part-time status.

Retirement

All full-time certificated employees who are eligible will participate in the State Teachers Retirement System (CalSTRS). LAAAE will continue such participation for the duration of LAAAE's existence under the same CDS code. Employees will contribute the required percentage, and LAAAE will contribute the required employer's portion. Withholdings from employees and LAAAE will be forwarded to the CalSTRS fund as required. LAAAE will submit retirement data through LACOE and will comply with all policies and procedures for payroll reporting. Employees will accumulate service credit years in the same manner as all other

members of CalSTRS. Social Security payments will be contributed for all non-certificated employees in accordance to Federal and State laws. Full-time classified employees may elect to participate in 403b or similar plans.

ELEMENT 12: PUBLIC SCHOOL ATTENDANCE ALTERNATIVES

"The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools." **(Ed. Code § 47605(b)(5)(L).)**

Pupils of Charter School do not have or gain any right to admission in a particular school of any school district, or program of any school district, as a consequence of applying to or enrolling in Charter School, except to the extent that such a right is extended by the school district.

A pupil who chooses not to attend Charter School may attend a public school within the pupil's school district of residence in accordance with applicable law and that school district's policies and procedures. The pupil alternatively may seek to enroll in another charter school in accordance with applicable law and the terms of the school's charter. If LAUSD is the pupil's school district of residence, an eligible pupil may pursue an inter-district transfer, if available, in accordance with the admission, enrollment, and transfer policies and procedures of the District, as they may change from time to time.

LAAAE is a school of choice. No student is required to attend. Parents are informed of this provision at the school orientation meetings. This provision is also indicated in LAAAE's Student and Family Handbook.

ELEMENT 13: RIGHTS OF DISTRICT EMPLOYEES

"The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school." **(Ed. Code § 47605(b)(5)(M).)**

Employees of the District who choose to leave the employment of the District to work at Charter School shall have no automatic rights of return to the District after employment at Charter School unless specifically granted by the District through a leave of absence or other agreement or policy of the District as aligned with the collective bargaining agreements of the District. Leave and return rights for District union-represented employees and former employees who accept employment with Charter School will be administered in accordance with applicable collective bargaining agreements and any applicable judicial rulings.

ELEMENT 14: MANDATORY DISPUTE RESOLUTION

"The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter." **(Ed. Code § 47605(b)(5)(N).)**

GENERAL PROVISIONS

Any claim, controversy or dispute between the District and Charter School arising out of or relating to this Charter, except for any claim, controversy or dispute related to the authorization (non-renewal, revision and/or revocation) of this Charter, ("Dispute") shall be resolved pursuant to the terms of this Element 14.

Notwithstanding any other provision of law, each party shall bear and be solely responsible for all of its own attorneys' fees, costs and expenses associated with any Dispute, including, but not limited to, any written/oral communication, meeting, Issues Conference, mediation, arbitration, administrative and/or civil action (including all levels of appeal), and no party shall be ordered to pay, or be awarded, any other party's attorneys' fees, costs or expenses in connection therewith, regardless of who may be deemed the prevailing party. Any fees, costs and expenses charged by a mediator or arbitrator (including all associated administration fees, costs and expenses) shall be shared equally by the parties regardless of the outcome or award. To that effect, any order or award of attorneys' fees, costs and/or expenses, or mediator's or arbitrator's fees, costs or expenses (including any associated administration fees, costs and expenses), issued by a mediator, arbitrator, judicial officer (including all levels of appeal) or jury in any Dispute shall be deemed invalid as a matter of law and unenforceable by one party against the other party.

PROPOSITION 39 DISPUTES

Any Dispute related to or arising out of Education Code §47614 and/or its implementing regulations set forth in California Code of Regulations, title 5, section 11969 *et seq.* ("Proposition 39"), shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and all supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

Unless directed otherwise, all Written Notifications to the District and Charter School shall be addressed respectively as follows:

Director
Charter Schools Division
Los Angeles Unified School District

333 South Beaudry Avenue, 20th Floor
Los Angeles, California 90017

Principal
Los Angeles Academy of Arts and Enterprise
1200 West Colton Street
Los Angeles, CA 90026

2) A written response ("Written Response") shall be tendered to the other party within fifteen (15) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3) If the Dispute has not been resolved by mutual agreement from the Written Response, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, and conclude within forty (40) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5) If the mediation is not successful, either party may then initiate a civil action. Venue for any civil action between the parties shall be the Los Angeles County Superior Court.

NON-PROPOSITION 39 DISPUTES

Any Dispute not related to or arising out of Proposition 39 shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and any supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

   Unless directed otherwise all Written Notifications to the District and Charter School shall be addressed respectively as follows:

   Director
   Charter Schools Division
   Los Angeles Unified School District
   333 South Beaudry Avenue, 20th Floor
   Los Angeles, California 90017

   Principal
   Los Angeles Academy of Arts and Enterprise
   1200 West Colton Street
   Los Angeles, CA 90026

2) A written response ("Written Response") shall be tendered to the other party within twenty (20) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3) If the Dispute has not been otherwise resolved by mutual agreement, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall

be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5) If the mediation is not successful, then the parties agree to resolve the Dispute by binding arbitration conducted by a single arbitrator. Unless the parties mutually agree otherwise, arbitration proceedings shall be administered in accordance with the commercial arbitration rules of the American Arbitration Association. The arbitrator must be an active member of the State Bar of California or a retired judge of the state or federal judiciary of California.

ELEMENT 15: CHARTER SCHOOL CLOSURE PROCEDURES

"The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records." **(Ed. Code § 47605(b)(5)(O).)**

REVOCATION OF THE CHARTER

The District may revoke the Charter pursuant to the provisions set forth in the Charter Schools Act of 1992, as they may be amended from time to time. The District may revoke the Charter of Charter School if the District finds, through a showing of substantial evidence, that Charter School did any of the following:

- Charter School committed a material violation of any of the conditions, standards, or procedures set forth in the Charter.
- Charter School failed to meet or pursue any of the pupil outcomes identified in the Charter.
- Charter School failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
- Charter School violated any provision of law.

Prior to revocation, and in accordance with Education Code section 47607(d) and state regulations, the LAUSD Board of Education will notify Charter School in writing of the specific violation, and give Charter School a reasonable opportunity to cure the violation, unless the LAUSD Board of Education determines, in writing, that the violation constitutes a severe and imminent threat to the health or safety of the pupils. Revocation proceedings are not subject to the dispute resolution provisions set forth in this Charter.

Pursuant to AB 97, charter schools may be identified for assistance based on state evaluation rubrics and be subject to revocation pursuant to Education Code section 47607.3.

CLOSURE ACTION

The decision to close Charter School, by the governing board of Charter School must be documented in a "Closure Action". A Closure Action shall be deemed to have been automatically taken when any of the following occur: the Charter is revoked (subject to the provisions of Education Code section 47607(i)) or non-renewed by the LAUSD Board of Education and Charter School has exhausted its revocation or non-renewal administrative appeal rights pursuant to Education Code sections 47605(j)(1) and 47607(f), or its administrative appeal rights have lapsed, or the charter school voluntarily closes at any stage of the administrative appeal process;; the governing board of Charter School votes to close Charter School; or the Charter lapses.

CLOSURE PROCEDURES

The procedures for charter school closure set forth below are guided by *Education Code* sections 47604.32, 47605, and 47607 as well as *California Code of Regulations*, title 5, sections 11962 and 11962.1, and are based on "Charter School Closure Requirements and Recommendations (Revised 08/2009)" posted on the California Department of Education website. All references to "Charter School" apply to Charter School, including its nonprofit corporation and governing board.

Designation of Responsible Person(s) and Funding of Closure

Prior to or at the time of the taking of a Closure Action by either the governing board of Charter School or the LAUSD Board of Education, the governing board of Charter School shall designate a person or persons responsible for conducting and overseeing all closure-related procedures and activities, and allocate sufficient funding for, or otherwise determine how Charter School will fund, these activities.

Notification of Closure Action

Upon the taking of a Closure Action, Charter School shall send written notice of its closure to:

1. The LAUSD Charter Schools Division (CSD). Charter School shall provide the CSD with written notice of (1) the person(s) designated to be responsible for conducting and overseeing all closure activities, and (2) the source, location, and management of the funding for such activities. If the Closure Action is an act of Charter School, Charter School shall provide the CSD with a copy of the governing board resolution or minutes that documents its Closure Action.

2. Parents/guardians of all students, and all majority age and emancipated minor students, currently enrolled in Charter School within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written parent notification to the CSD.

3. Los Angeles County Office of Education (LACOE). Charter School shall send written notification of the Closure Action to LACOE by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

4. The Special Education Local Plan Area (SELPA) in which Charter School participates. Charter School shall send written notification of the Closure Action to the SELPA in which Charter School participates by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

5. The retirement systems in which Charter School's employees participate. Within fourteen (14) calendar days of the Closure Action, Charter School shall notify, as applicable, the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS), the Social Security Administration, and the Los Angeles County Office of Education of the Closure Action, and follow their respective procedures for dissolving contracts and reporting. Charter School shall provide a copy of these notifications and correspondence to the CSD.

6. The California Department of Education (CDE). Charter School shall send written notification of the Closure Action to the CDE by registered mail within 72 hours of the Closure Action. Charter School shall provide a copy of this notification to the CSD.

7. Any school district that may be responsible for providing education services to the former students of Charter School. Charter School shall send written notification of the Closure Action within 72 hours of the Closure Action. This notice must include a list of potentially returning students and their home schools based on student residence. Charter School shall provide a copy of these notifications, if any, to the CSD.

8. All Charter School employees and vendors within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written employee and vendor notification, with any attachments, to the CSD.

Notification of all the parties above, with the exception of employees and vendors, must include but is not limited to the following information:

1. The effective date of the closure of Charter School

2. The name(s) and contact information for the person(s) handling inquiries regarding the closure

3. The students' school districts of residence

4. How parents/guardians of all students, and all majority age and emancipated minor students, may obtain copies of student records and transcripts, including specific information on completed courses and credits that meet graduation requirements

In addition to the four required items above, notification of the CDE shall also include:

1. A description of the circumstances of the closure

2. The location of student and personnel records

In addition to the four required items above, notification of parents/guardians of all students, and all majority age and emancipated minor students, shall also include:

1. Information on how to enroll or transfer the student to an appropriate school

2. A certified packet of student information that includes closure notice, a copy of the student's cumulative record and other records, including but not limited to grade reports, discipline records, immunization records, completed coursework, credits that meet graduation requirements, a transcript, and state testing results

3. Information on student completion of college entrance requirements, for all high school students affected by the closure

Notification of employees and vendors shall include:

1. The effective date of the closure of Charter School
2. The name(s) and contact information for the person(s) handling inquiries regarding the closure
3. The date and manner, which shall be no later than 30 days from the effective date of the closure of Charter School, by which Charter School shall provide employees with written verification of employment

Within 30 calendar days of the effective date of closure, Charter School shall provide all employees with written verification of employment. Charter School shall send copies of all such employee verification letters to the CSD.

Records Retention and Transfer

Charter School shall comply with all applicable laws as well as District policies and procedures, as they may change from time to time, regarding the transfer and maintenance of Charter School records, including student records. These requirements include:

1. Charter School shall provide the District with all original student cumulative files and behavior records, pursuant to District policy and applicable District handbook(s) regarding cumulative records for secondary and elementary schools, for all students, both active and inactive, of Charter School. Transfer of the complete and organized original student records to the District, in accordance with District procedures applicable at the time of closure, shall occur within seven (7) calendar days of the effective date of closure.
2. Charter School's process for transferring copies of student records to receiving schools shall be in accordance with applicable law and LAUSD procedures for students moving from one school to another.
3. Charter School shall prepare and provide an electronic master list of all students to the Charter Schools Division in accordance with the District procedures applicable at the time of closure. This list shall include the student's identification number, Statewide Student Identifier (SSID), birthdate, grade, full name, address, home school/school district, enrollment date, exit code, exit date, parent/guardian name(s), and phone number(s). If the Charter School closure occurs before the end of the school year, the list also shall indicate the name of the school to which each student is transferring, if known. This electronic master list shall be delivered to the CSD in the form of a CD or otherwise in accordance with District procedures.
4. Charter School must organize the original cumulative files for delivery to the District in two categories: active students and inactive students. Charter School will coordinate with the CSD for the delivery and/or pickup of student records.

5. Charter School must update all student records in the California Longitudinal Pupil Achievement Data System (CALPADS) prior to closing.

6. Charter School must provide to the CSD a copy of student attendance records, teacher gradebooks, and Title I records (if applicable).

7. Charter School must provide to the CSD the name, title, and contact information of the person designated to maintain all Charter School personnel records after the closure. Personnel records to be transferred to and maintained by the designee must include any and all employee records, including but not limited to, records related to performance and grievance. Charter School must provide to the CSD and the designee a list of all active and inactive employees and their periods of service. Both Charter School and the designee, individually and separately, shall inform the CSD immediately upon the transfer of Charter School's employee records to the designee.

8. Charter School shall ensure that all records are boxed and clearly labeled by classification of documents and the required duration of storage in accordance with District procedures.

9. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student's district of residence.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

1. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.

2. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.

3. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School's annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

1. Preliminary budgets
2. Interim financial reports
3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School's governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District's personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.

2. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.

3. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.

4. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated as or by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School's governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.

b. Make final federal tax payments (employee taxes, etc.)

c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School's authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

Additional Provisions

Facilities

District-Owned Facilities

If Charter School is using District facilities as of the date of the submission of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

The circumstances of Charter School's occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term may be co-terminous with the approved Charter, as permitted by law. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education's approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection by the District's Facilities Services Division, OEHS, and other District offices in the same manner as other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities (i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational programs. If Charter School will share the use of

District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- Use: Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.

- Furnishings and Equipment: The District shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

- Leasing; Licensing: Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.

- Programs, Services, and Activities Outside Instructional Program; Third Party Vendors
  (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term "instructional program" is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on "average daily attendance" and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.
  (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- Minimum Payments or Charges to be Paid to District Arising From the Facilities:
  (i) Pro Rata Share: The District shall collect and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

(ii) Taxes; Assessments: Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School's legal or equitable interest created by the use agreement.

- Maintenance & Operations Services: In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.

(i) Co-Location: If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

(ii) Sole Occupant: If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD's policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

- Real Property Insurance: Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD's property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

Non-District-Owned Facilities

Occupancy and Use of the Site: Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an

appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

Facility Compliance: Prior to occupancy or use of any non-District-owned school site and/or facility, Charter School shall ensure that the site and/or facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, and notices issued by any authorized building and safety agency. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and shall promptly provide such documentation to the CSD upon request.

Pest Management: Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

Asbestos Management: Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

Insurance Requirements

Insurance Requirements

No coverage shall be provided to Charter School by the District under any of the District's self-insured programs or commercial insurance policies. Charter School shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable to the District [A.M. Best A-, VII or better] or the equivalent provided through a California Joint Powers Authority self-insurance program to protect Charter School from claims which may arise from its operations. Each Charter School location shall meet the below insurance requirements individually.

It shall be Charter School's responsibility, not the District's, to monitor its vendors, contractors, partners, and/or sponsors for compliance with the insurance requirements.

The following insurance policies are required:

1. Commercial General Liability, including Fire Legal Liability, coverage of $5,000,000 per Occurrence and in the Aggregate. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles as named additional insureds and shall provide specifically that any insurance carried by the District

which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy. Coverage shall be maintained with no Self-Insured Retention above $15,000 without the prior written approval of the Division of Risk Management and Insurance Services for the LAUSD.

2. Workers' Compensation Insurance in accordance with provisions of the California Labor Code adequate to protect Charter School from claims that may arise from its operations pursuant to the Workers' Compensation Act (Statutory Coverage). The Workers' Compensation Insurance coverage must also include Employers Liability coverage with limits of $1,000,000/$1,000,000/$1,000,000.

3. Commercial Auto Liability, including Owned, Leased, Hired, and Non-owned, coverage with limits of $1,000,000 Combined Single Limit per Occurrence if Charter School does not operate a student transportation service. If Charter School provides student transportation services, the required coverage limit is $5,000,000 Combined Single Limit per Occurrence.

4. Crime Insurance or Fidelity Bond coverage shall be maintained by Charter School to cover all Charter School employees who handle, process or otherwise have responsibility for Charter School funds, supplies, equipment, or other assets. Minimum amount of coverage shall be $1,000,000 per occurrence/$1,000,000 aggregate, with deductible that is acceptable to the Los Angeles Unified School District.

5. Cyber Liability insurance coverage with minimum limits of $500,000 per occurrence and $500,000 general aggregate.

6. Professional Educators Errors and Omissions liability coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

7. Sexual Molestation and Abuse coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or the Errors and Omissions Policy.

8. Employment Practices Legal Liability coverage with limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

9. Excess/Umbrella Liability insurance with limits of not less than $10,000,000 is required of all high schools and any other school that participates in competitive interscholastic or intramural sports programs.

Coverages and limits of insurance may be accomplished through individual primary policies or through a combination of primary and excess policies and alternative methods of coverage as approved by the District. *The policy shall be endorsed to name the Los Angeles Unified School District and Its Board of Education as named additional insureds and shall provide specifically*

that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy.

Evidence of Insurance

Charter School shall furnish to the District's Division of Risk Management and Insurance Services located at 333 S. Beaudry Ave, 28th Floor, Los Angeles CA 90017 within 30 calendar days of all new policies, inceptions, renewals or changes, certificates, or such insurance signed by authorized representatives of the insurance carrier. Certificates shall be endorsed as follows:

> *"Charter school shall be required to provide LAUSD with 30 days prior written notice by certified mail, return receipt requested, if the insurance afforded by this policy shall be suspended, cancelled, reduced in coverage limits or non-renewed."*

Facsimile or reproduced signatures may be acceptable upon review by the Division of Risk Management and Insurance Services. However, the District reserves the right to require certified copies of any required insurance policies.

Should Charter School deem it prudent and/or desirable to have insurance coverage for damage or theft to Charter School, employee or student property, for student accident, or any other type of insurance coverage not listed above, such insurance shall not be provided by the District and its purchase shall be the responsibility of Charter School.

Hold Harmless/Indemnification Provision

To the fullest extent permitted by law, Charter School does hereby agree, at its own expense, to indemnify, defend and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever, arising out of, or relating to, this Charter agreement. Charter School further agrees to the fullest extent permitted by law, at its own expense, to indemnify, defend, and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever for claims, damages, losses and expenses arising from or relating to acts or omission of acts committed by Charter School and/or its officers, directors, employees or volunteers. Moreover, Charter School agrees to indemnify, defend and hold harmless "the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers, for any contractual liability resulting from third party contracts with Charter School's vendors, contractors, partners or sponsors.

Fiscal Matters

District Oversight Costs

The District may charge for the actual costs of oversight of Charter School not to exceed 1% of Charter School's revenue, or the District may charge for the actual costs of oversight of Charter School not to exceed 3% if Charter School is able to obtain substantially rent free facilities from the District. Notwithstanding the foregoing, the District may charge the maximum oversight fee allowed under the law as it may change from time to time. The oversight fee provided herein is separate and distinct from the charges arising under charter school facilities use agreements.

Cash Reserves

Charter School acknowledges that the recommended cash reserve is 5% of expenditures, as provided in section 15450, title 5 of the California Code of Regulations.

Third Party Contracts

Charter School shall ensure that all third party contracts, whether oral or written, for supplies, equipment, goods and/or services, for the direct or indirect benefit of, or otherwise related to the operation of, Charter School, require compliance with and otherwise conform to all applicable local, state, and federal policies, regulations, laws, and guidelines, including but not limited to licensing and permit requirements as well as requirements related to protection of health and safety.

Special Education Revenue Adjustment/Payment for Services

In the event that Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State's adjustment to allocation of special education revenues from Charter School, Charter School authorizes the District to deduct any and all of the in lieu property taxes that Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

Student Body Funds

Charter School shall supervise and manage any and all student body funds in a manner consistent with the provisions of Education Code sections 48930-48938. Charter School shall include and

address student body funds in its financial reports, and ensure that such funds are included and addressed in Charter School's annual audit as a stand-alone item.

Audit and Inspection of Records

Charter School agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- Charter School is subject to District oversight.
- The District's statutory oversight responsibility continues throughout the life of the Charter and requires that the District, among other things, monitors the fiscal condition of Charter School.
- The District is authorized to revoke this Charter for, among other reasons, the failure of Charter School to meet generally accepted accounting principles or if Charter School engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit Charter School books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of Charter School's financial information,
- Charter School's debt structure,
- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- Charter School's enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.

Charter School shall cooperate fully with such audits and shall make available any and all records necessary for the performance of the audit upon 30 days notice to Charter School. When 30 days notice may defeat the purpose of the audit, the District may conduct the audit upon 24-hours notice.

Fiscal Policies and Procedures

Charter School shall establish, maintain, and implement sound fiscal policies and procedures, including but not limited to internal controls governing all financial and business-related activities.

Apportionment Eligibility for Students Over 19 Years of Age

Charter School acknowledges that, in order for a pupil over nineteen (19) years of age to remain eligible for generating charter school apportionment, the pupil shall be continuously enrolled in

public school and make satisfactory progress toward award of a high school diploma. (Ed. Code § 47612(b).)

Local Control and Accountability Plan

In accordance with California Education Code sections 47604.33 and 47606.5, Charter School shall include in its annual update a "listing and description of the expenditures for the fiscal year implementing the specific actions included in the charter as a result of the reviews and assessment required by paragraph (1)" of section 47606.5(a). These expenditures shall be "classified using the California School Accounting Manual pursuant to Section 41010." (Ed. Code § 47606.5(b).)

ADDENDUM

Assurances, Affirmations, and Declarations

[Los Angeles Academy of Arts and Enterprise] (also referred to herein as "[LAAAE]" and "Charter School") shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter "Ed. Code") § 47605(d)(1).)

- Not charge tuition. (Ed. Code § 47605(d)(1).)

- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code. (Ed. Code § 47605(d)(1); Ed. Code § 220.)

- Except as provided in Education Code section 47605(d)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(d)(1).)

- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(d)(2)(A).)

- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School's capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as "LAUSD" and "District"). (Ed. Code § 47605(d)(2)(B).)

- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, Charter School shall notify the superintendent of the school district of the pupil's last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. (Ed. Code § 47605(d)(3).)

- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(c)(1).)

- Consult, on a regular basis, with Charter School's parents, legal guardians, and teachers regarding the school's educational programs. (Ed. Code § 47605(c)(2).)

Charter School hereby declares that Charter School, operated as or by its nonprofit public benefit corporation, is and shall be the exclusive public school employer of Charter School's employees for the purposes of the Educational Employment Relations Act (EERA), Chapter 10.7 (commencing with Section 3540) of Division 4 of Title I of the Government Code. Charter School shall comply with all provisions of the EERA and shall act independently from LAUSD for collective bargaining purposes. In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes.

NOTE: This Charter contains specific "District Required Language" (DRL), including the *Assurances, Affirmations, and Declarations* section above. The DRL should be highlighted in gray within each Charter element or section. The final section of the Charter provides a consolidated addendum of the DRL. This intentional redundancy facilitates efficient charter petition review while ensuring ready access to the DRL for any given section of the Charter. To the extent that any inconsistency may exist between any provision contained within the body of the Charter and the DRL contained in the addendum, the provisions of the DRL addendum shall control.

Element 1 – The Educational Program

"The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners." **(Ed. Code § 47605(b)(5)(A)(i).)**

"The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals." **(Ed. Code § 47605(b)(5)(A)(ii).)**

"If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A" to "G" admissions criteria may be considered to meet college entrance requirements." **(Ed. Code § 47605(b)(5)(A)(iii).)**

LOCAL CONTROL FUNDING FORMULA (LCFF) AND LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP)

Charter School acknowledges and agrees that it must comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula), as they may be amended from time to time, which include the requirement that Charter School shall annually submit a Local Control and Accountability Plan (LCAP)/annual update to the Los Angeles County Superintendent of Schools and the Charter Schools Division (CSD) on or before July 1. In accordance with Education Code sections 47604.33 and 47606.5, Charter School shall annually update its goals and annual actions to achieve those goals identified in the charter pursuant to Education Code section 47605(b)(5)(A)(ii), using the Local Control and Accountability Plan template adopted by the State Board of Education, as it may be changed from time to time. Charter School shall comply with all requirements of Education Code section 47606.5, including but not limited to the requirement that Charter School "shall consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the local control and accountability plan and annual update to the local control and accountability plan." (Ed. Code § 47606.5(e).)

ACADEMIC CALENDAR AND SCHEDULES

Charter School shall offer, at a minimum, the number of minutes of instruction set forth in Education Code section 47612.5, and the number of school days required by *California Code of Regulations*, title 5, section 11960.

MATHEMATICS PLACEMENT

Charter School shall comply with all applicable requirements of the California Mathematics Placement Act of 2015.

TRANSITIONAL KINDERGARTEN

Charter School shall comply with all applicable requirements regarding transitional kindergarten. For purposes of admission to Charter School, transitional kindergarten shall be considered a part of kindergarten, and therefore students enrolled in transitional kindergarten at Charter School shall be considered existing students of Charter School for purposes of Charter School's admissions, enrollment, and lottery.

HIGH SCHOOL EXIT EXAMINATION

Charter School shall comply with all applicable requirements of Education Code sections 60850 – 60859, including but not limited to the requirements of sections 60851.6 and 60852.3.

WASC ACCREDITATION

If Charter School serves students in grades 9-12, before Charter School graduates its first class of students, Charter School shall obtain, and thereafter maintain, Western Association of Schools and Colleges (WASC) accreditation.

ENGLISH LEARNERS

Charter School shall identify potential English Learners in a timely manner in accordance with all applicable legal requirements. Charter School must provide all English Learners with an effective English language acquisition program that also affords meaningful and equitable access to Charter School's core academic curriculum. Instructional plans for English Learners must be (1) based on sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

On an annual basis, upon request, Charter School shall submit a certification to the LAUSD Charter Schools Division (CSD) that certifies that Charter School has adopted and is implementing either the LAUSD English Learner Master Plan *or* Charter School's own English Learner (EL) Master Plan. If Charter School chooses to implement its own EL Master Plan, the plan shall provide a detailed description of Charter School's EL program, and shall address the following:

- How Charter School's EL Master Plan provides all of its English Learners, including but not limited to Long Term English Learners (LTELs) with an effective English language acquisition program as well as meaningful and equitable access to Charter School's core academic curriculum
- How English Learners' specific needs will be identified
- What services will be offered
- How, where, and by whom the services will be provided
- How Charter School will evaluate its EL program each year, and how the results of this evaluation will be used to improve the program, including the provision of EL services

Each year, Charter School shall provide to the CSD a report on its annual evaluation of the effectiveness of its EL program. Upon request, Charter School shall provide a copy of its current EL Master Plan to the CSD.

Charter School shall administer the CELDT/ELPAC annually in accordance with federal and state requirements.

Charter School shall reclassify English Learners in accordance with federal and state requirements.

Charter School shall provide parent outreach services and meaningfully inform parents with limited English proficiency of important information regarding Charter School matters to the same extent as other parents.

STUDENTS WITH DISABILITIES

Federal Law Compliance

Charter School shall adhere to all provisions of federal law related to students with disabilities including, but not limited to, section 504 of the Rehabilitation Act of 1973, Title II of the

Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act of 2004.

Special Education Program

Charter School shall ensure that no student otherwise eligible to enroll in Charter School shall be denied, directly or indirectly, admission due to a disability or to Charter School's inability to provide necessary services. Charter School acknowledges that policies and procedures are in place to ensure the recruitment, enrollment, service, and retention of students with disabilities at LAUSD-authorized charter schools, including Charter School.

Prior to LAUSD Board of Education approval of an initial Charter petition, and if a renewing Charter School intends to operate as a "school of the district" for special education services, Charter School shall execute a Memorandum of Understanding ("MOU") by and between LAUSD and Charter School regarding the provision and funding of special education services consistent with applicable state law and the LAUSD Special Education Local Plan Area ("SELPA") Local Plan for Special Education and shall be considered a "public school of the District" for purposes of Special Education pursuant to Education Code Section 47641(b). However, Charter School reserves the right to make written verifiable assurances that it may become an independent local educational agency (LEA) and join a SELPA pursuant to Education Code Section 47641 (a) either on its own or with a grouping of charter school LEAs as a consortium following the requirements of Education Code section 56195.3(b).

SELPA Reorganization

The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code section 56195.1(a). As a single-District SELPA, the District has created two charter school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full implementation of the reorganized LAUSD SELPA commenced in the 2013-2014 school year requiring all District-authorized charter schools to elect one of the three options available under the LAUSD SELPA. Prior to an option election, all District-authorized charter schools were required to participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that had previously executed an Option 3 Memorandum of Understanding ("MOU"), were required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated Program schools do not have LEA status for the purposes of special education but will function in a similar role in that each charter school will be responsible for all special education requirements, including but not limited to services, placement, due process, related services, special education classes, and special education supports. Charter schools that have elected to participate in a District-operated programs option may apply for membership in the Charter-operated Program section of the SELPA. Charter schools accepted for participation in the Charter-operated Programs section receive support from a Special Education Director for the Charter-operated Programs.

Modified Consent Decree Requirements

All charter schools approved by the LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of the *Chanda Smith* Modified Consent Decree ("MCD") and other court orders imposed upon the District pertaining to special education. The MCD is a consent decree entered in a federal court class action lawsuit initially brought on behalf of students with disabilities in LAUSD. It is an agreement of the parties approved by the federal court and monitored by a court-appointed independent monitor. The MCD includes nineteen statistically measureable outcomes and facilities obligations that the District has to achieve to disengage from the MCD and federal court oversight. All charter schools are required to use the District's Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software system used for online Individualized Education Programs ("IEPs") and tracking of related services provided to students during the course of their education.

As part of fulfilling the District's obligations under the MCD, student level data requests from District-operated and Charter-operated charter schools are made on a regular basis. The requested data must be submitted in the Office of the Independent Monitor's ("OIM") required format in accordance with the OIM's required timelines and as follows:

- End of Year Suspension

  District ID, SSIS ID, last name, first name, date of birth, gender, grade, date of suspension, number of days suspended, and reason for suspension.

- Statewide Assessment Data

  The standard file including District ID.

- Norm day
  District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- CBEDS

- All Students enrolled as of December 1 of each school year

  District ID, SSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- Dropout
  District ID, SSIS ID, last name, first name, middle name, date of birth, grade, last location, school name and local district

- Monthly SESAC and Suspension data

- Graduation roster from all charter schools with 12th grade students with disabilities

The MCD requires charter schools to implement the District's integrated student information system, which is currently referred to as My Integrated Student Information System (MiSiS). MiSiS is a suite of applications which is designed to capture all District student data. All charter schools are required to utilize MiSiS directly or interface with MiSiS via a web based Application Programming Interface (API) in compliance with the requirements of the MCD and applicable timelines. Upon charter school full utilization of MiSiS either directly or via a web based API, the list of required data above will automatically be captured within MiSiS.

Element 2 – Measurable Pupil Outcomes and by which Pupil Progress Toward Outcomes will be Measured	Element 3 – Method

"The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school." **(Ed. Code § 47605(b)(5)(B).)**

"The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card." **(Ed. Code § 47605(b)(5)(C).)**

MEASURABLE GOALS OF THE EDUCATIONAL PROGRAM

Charter School shall meet all statewide content and performance standards and targets. (Ed. Code §§ 47605(c)(1), 60605.)

Charter School shall comply with all applicable laws and regulations related to AB 97 (2013) (Local Control Funding Formula) and AB 484 (2013), as they may be amended from time to time, including all requirements pertaining to pupil outcomes.

STANDARDIZED TESTING

Charter School agrees to comply with state requirements for participation and administration of all state-mandated tests, including computer-based assessments. Charter School shall submit and maintain complete, accurate, and up-to-date California Longitudinal Pupil Achievement Data System (CALPADS) data in accordance with the requirements of California Code of Regulations, title 5, section 861. Charter School hereby grants authority to the State of California to provide a copy of all test results directly to the District as well as Charter School. Upon request, Charter

School shall submit, in the requested format (e.g., CD), a copy of the results of all state-mandated tests to the District.

Element 4 – Governance

"The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement." **(Ed. Code § 47605(b)(5)(D).)**

GENERAL PROVISIONS

As an independent charter school, Charter School, operated as or by its nonprofit public benefit corporation, is a separate legal entity and shall be solely responsible for the debts and obligations of Charter School.

Charter School shall ensure that, at all times throughout the term of the Charter, the bylaws of its governing board and/or nonprofit corporation are and remain consistent with the provisions of this Charter. In the event that the governing board and/or nonprofit corporation operating Charter School amends the bylaws, Charter School shall provide a copy of the amended bylaws to CSD within 30 days of adoption.

Charter School shall send to the CSD copies of all governing board meeting agendas at the same time that they are posted in accordance with the Brown Act. Charter School shall also send to the CSD copies of all board meeting minutes within one week of governing board approval of the minutes. Timely posting of agendas and minutes on Charter School's website will satisfy this requirement.

The District reserves the right to appoint a single representative to the Charter School governing board pursuant to Education Code section 47604(b).

LEGAL AND POLICY COMPLIANCE

Charter School shall comply with all applicable federal, state, and local laws and regulations, and District policies as it relates to charter schools adopted through Board action.[5]

Charter School shall comply with all applicable federal and state reporting requirements, including but not limited to the requirements of CBEDS, CALPADS, the Public Schools Accountability Act of 1999, and Education Code section 47604.33.

---

[5]The District is in the process of compiling a list of LAUSD policies that apply to its authorized charter schools. The list will be finalized by April 1, 2018. Charter Schools Division staff will annually review District policies and make recommendations to the LAUSD Board of Education on continued application to charter schools.

Charter School shall comply with the Brown Act and the Public Records Act.

Charter School and all employees and representatives of Charter School, including members of Charter School's governing board, members of Charter School or governing board committees and councils, Charter School administrators, and managers, shall comply with federal and state laws, nonprofit integrity standards, and LAUSD charter school policy, regarding ethics and conflicts of interest. Charter School shall enter into all transactions and conduct business with all persons and entities at arm's length or, in the case of otherwise permissible related party transactions, in a manner equivalent to arm's length.

Charter School shall notify parents, guardians, and teachers in writing within 72 hours of the issuance of a Notice of Violation, Notice of Intent to Revoke, Final Decision to Revoke, Notice of Non-Renewal, or equivalent notice, by the LAUSD Board of Education.

TITLE IX, SECTION 504, AND UNIFORM COMPLAINT PROCEDURES

Charter School shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 (Title IX) and section 504 of the Rehabilitation Act of 1973 ("Section 504"), including any investigation of any complaint filed with Charter School alleging its noncompliance with these laws or alleging any actions which would be prohibited by these laws. Charter School shall notify all of its students and employees of the name, office address, and telephone number of the designated employee or employees.

Charter School shall adopt and publish complaint procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX or Section 504.

Charter School shall adopt and implement specific and continuing procedures for notifying applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Charter School, that Charter School does not discriminate on the basis of sex or mental or physical disability in the educational programs or activities which it operates, and that it is required by Title IX and Section 504 not to discriminate on any such basis.

Charter School shall establish and provide a uniform complaint procedure in accordance with applicable federal and state laws and regulations, including but not limited to all applicable requirements of *California Code of Regulations*, title 5, section 4600 et seq.

Charter School shall adhere to all applicable federal and state laws and regulations regarding pupil fees, including Education Code sections 49010 - 49013, and extend its uniform complaint procedure to complaints filed pursuant to Education Code section 49013.

Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the Local Control Funding Formula legislation provisions set forth in Education Code section 52075.

RESPONDING TO INQUIRIES

Charter School, including its nonprofit corporation shall promptly respond to all reasonable inquiries, including but not limited to inquiries regarding financial records from the District, and shall cooperate with the District regarding any inquiries. Charter School acknowledges that Charter School, including but not limited to its nonprofit corporation, is subject to audit by LAUSD, including, without limitation, audit by the District Office of the Inspector General. Charter School shall provide the District with current, complete, and accurate contact information for Charter School, Charter School administrators, and Board members.

If an allegation or other evidence of waste, fraud, abuse, or other material violation of law related to Charter School's operations, or breach of the Charter, is received or discovered by the District, Charter School, including but not limited to its nonprofit corporation, employees, and representatives, shall cooperate with any resulting inquiry and/or investigation undertaken by the District and/or the Office of the Inspector General Investigations Unit.

Charter School acknowledges and agrees that persons and entities that directly exercise control over the expenditure of Charter School's public funds shall be subject to all necessary and appropriate District charter school oversight.

NOTIFICATION OF THE DISTRICT

Charter School shall notify the Charter Schools Division (CSD) in writing of any citations or notices of workplace hazards, investigations by outside governmental regulatory or investigative agencies, lawsuits, changes in corporate or legal status (e.g., loss of IRS 501(c)(3) status), or other formal complaints or notices, within one week of receipt of such notices by Charter School. Unless prohibited by law, Charter School shall notify the CSD in writing of any internal investigations within one week of commencing investigation. Charter School shall notify the CSD within 24 hours of any dire emergency or serious threat to the health and safety of students or staff.

STUDENT RECORDS

Upon receipt of a student records request from a receiving school/school district, Charter School shall transfer a copy of the student's complete cumulative record within ten (10) school days in accordance with Education Code section 49068. Charter School shall comply with the requirements of California Code of Regulations, title 5, section 3024, regarding the transfer of student special education records. In the event Charter School closes, Charter School shall comply with the student records transfer provisions in Element 15. Charter School shall comply with the requirements of Education Code section 49060 et seq., which include provisions regarding rights to access student records and transfer of records for youth in foster care.

PARENT ENGAGEMENT

Charter School shall not require a parent or legal guardian of a prospective or enrolled student to perform volunteer service hours, or make payment of fees or other monies, goods, or services in lieu of performing volunteer service, as a condition of his/her child's admission, continued enrollment, attendance, or participation in the school's educational activities, or otherwise discriminate against a student in any manner because his/her parent cannot, has not, or will not provide volunteer service to Charter School.

FEDERAL PROGRAM COMPLIANCE

As a recipient of federal funds, Charter School has agreed to meet all applicable programmatic, fiscal and other regulatory requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) and other applicable federal programs. Charter School understands that it is a local educational agency (LEA) for purposes of federal compliance and reporting purposes. Charter School agrees that it will keep and make available to the District any documentation necessary to demonstrate compliance with the requirements of ESEA and other applicable federal programs. Charter School also acknowledges that, as part of its oversight of Charter School, the District may conduct program review for federal as well as state compliance.

Element 5 – Employee Qualifications

"The qualifications to be met by individuals to be employed by the charter school." **(Ed. Code § 47605(b)(5)(E).)**

EQUAL EMPLOYMENT OPPORTUNITY

Charter School acknowledges and agrees that all persons are entitled to equal employment opportunity. Charter School shall not discriminate against applicants or employees on the basis of race, color, religion, sex, gender, gender expression, gender identity, sexual orientation, pregnancy, national origin, ancestry, citizenship, age, marital status, physical disability, mental disability, medical condition, genetic information, military and veteran status, or any other characteristic protected by California or federal law. Equal employment opportunity shall be extended to all aspects of the employer-employee relationship, including but not limited to recruitment, selection, hiring, upgrading, training, promotion, transfer, discipline, layoff, recall, and dismissal from employment.

ESEA/ESSA AND CREDENTIALING REQUIREMENTS

Charter School shall adhere to all requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) that are applicable to teachers and paraprofessional employees. Charter School shall ensure that all teachers are appropriately assigned and fully credentialed in accordance with applicable state requirements for certificated employment, including but not limited to the provisions of Education Code section 47605(l).

Charter School shall maintain current copies of all teacher credentials and make them readily available for inspection.

Element 6 – Health and Safety Procedures

"The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall include the requirement that each employee of the charter school furnish it with a criminal record summary as described in Section 44237." **(Ed. Code § 47605(b)(5)(F).)**

HEALTH, SAFETY AND EMERGENCY PREPAREDNESS PLAN

Charter School shall comply with all applicable federal, state, and local requirements related to school and student health, safety, and emergency preparedness.

If Charter School occupies and/or operates on a District facility, Charter School shall comply with all District health, safety, and emergency procedures and requirements applicable to District facilities and related operations, and shall be subject to inspection by the District's Facilities Services Division, Office of Environmental Health and Safety, and other District offices in the same manner as other LAUSD campuses.

Charter School shall adopt, implement, and maintain at all times a current, comprehensive, and site-specific Health, Safety, and Emergency Preparedness Plan ("Plan"), which must include but is not limited to provisions for building and site emergency evacuation, the acquisition and maintenance of adequate onsite emergency supplies. The Plan must include Charter School's requirements and procedures for protecting student health and safety during off-campus school-sponsored activities, including but not limited to field trips and transportation. Charter School shall ensure that all staff members receive annual training on Charter School's health, safety, and emergency procedures, including but not limited to training on bloodborne pathogens, and shall maintain a calendar for, and conduct, emergency response drills for students and staff.

Charter School shall provide all employees, and other persons working on behalf of Charter School who are mandated reporters, with annual training on child abuse detection and reporting, which shall occur within the first six weeks of each school year, or within the first six weeks of a person's employment if employed after the beginning of the school year, in accordance with the requirements of AB 1432 (2014).

Charter School shall stock and maintain the required number and type of emergency epinephrine auto-injectors onsite and provide training to employee volunteers in the storage and use of the epinephrine auto-injector as required by Education Code section 49414 and section 4119.2 of the Business and Professions Code, as they may be amended from time to time.

Charter School shall comply with the requirements of Education Code section 49475, with respect to any athletic program (as defined in Education Code § 49475) offered by or on behalf of Charter School.

Charter School shall periodically review, and update and/or modify as necessary, its Health, Safety, and Emergency Preparedness Plan, and keep it readily available for on-site use. Charter School shall provide a copy of the Health, Safety, and Emergency Preparedness Plan for review upon CSD request.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Charter School, including its employees, officers, and representatives, shall comply with the Family Educational Rights and Privacy Act (FERPA) and Education Code section 49060 et seq. at all times.

CRIMINAL BACKGROUND CLEARANCES AND FINGERPRINTING

Charter School shall comply with all requirements of Education Code sections 44237 and 45125.1. Charter School shall designate and maintain at all times at least one Custodian of Records duly authorized by the California Department of Justice.

Charter School shall maintain on file and available for inspection evidence that (1) Charter School has performed criminal background checks and cleared for employment all employees prior to employment; (2) Charter School has obtained certification from each of its contracting entities/independent contractors that the entity/contractor has conducted required criminal background clearances for its employees prior to provision of schoolsite services and/or any contact with students, and has requested subsequent arrest notification service; and (3) Charter School has performed criminal background checks and cleared for service all volunteers not directly supervised by staff and who may have contact with students. Charter School shall also ensure that it requests and receives subsequent arrest notifications from the California Department of Justice for all employees and volunteers not directly supervised by staff. Upon request, Charter School shall provide a copy of Department of Justice confirmation of Custodian of Records status for each Custodian of Records. Charter School, including its administrators and officers, shall comply with the requirements of Education Code section 44030.5.

IMMUNIZATION AND HEALTH SCREENING REQUIREMENTS

Charter School shall require all employees, and any volunteer or vendor/contracting entity employee who may have frequent or prolonged contact with students, to undergo a risk assessment and/or be examined and determined to be free of active tuberculosis (TB) within the period of 60 days prior to employment/service, or otherwise meet the requirements of Education Code section 49406. Charter School shall maintain TB clearance records and certificates on file.

Charter School shall comply with all federal and state legal requirements, including but not limited to the requirements of SB 277 (2015), related to student immunization, health examination, and health screening, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the students were attending a non-charter public school.

Charter School shall maintain student immunization, health examination, and health screening records on file.

SAFE PLACE TO LEARN ACT

Charter School shall comply with all applicable requirements of the Safe Place to Learn Act, Education Code section 234 et seq.

SUICIDE PREVENTION POLICY

If Charter School serves students in grades 7-12, Charter School shall comply with the requirements of AB 2246 (2016), codified in Education Code section 215, including but not limited to the requirement that the school's pupil suicide prevention policy shall be developed in consultation with school and community stakeholders, school-employed mental health professionals, and suicide prevention experts. Charter School shall provide the CSD with a copy of its pupil suicide prevention policy for review upon request.

Element 7 – Means to Achieve Racial and Ethnic Balance

"The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted." **(Ed. Code § 47605(b)(5)(G).)**

COURT-ORDERED INTEGRATION

Charter School shall comply with all requirements of the *Crawford v. Board of Education, City of Los Angeles* court order and the LAUSD Integration Policy adopted and maintained pursuant to the Crawford court order by the District's Student Integration Services (collectively the "Court-ordered Integration Program"). The Court-ordered Integration Program applies to all schools within or chartered through LAUSD.

Charter School has set forth below its initial plan for achieving and maintaining the LAUSD's Racial and Ethnic Balance goal of a 70:30 or 60:40 ratio. (*Ratio represents the percentage of Predominantly Hispanic Black Asian Other (PHBAO) compared to Other White (OW)).* The written plan lists specific dates and locations of recruitment activities that Charter School will undertake in order to achieve the District's Racial and Ethnic Balance goal. Charter School shall monitor the implementation and outcomes of the initial plan, and modify it as necessary throughout the term of the Charter to achieve the District's goal. Upon request, Charter School shall provide the District with a copy of its current written plan.

The District receives neither average daily attendance allocations nor Court-ordered Integration Program cost reimbursements for charter school students. The District may receive the Targeted Instructional Improvement Block Grant (TIIBG) for its Court-ordered Integration Program. The District retains sole discretion over the allocation of TIIBG funding, where available, and cannot guarantee the availability of this funding.

Element 8 – Admission Requirements

***"Admission requirements, if applicable."* (Ed. Code § 47605(b)(5)(H).)**

DOCUMENTATION OF ADMISSIONS AND ENROLLMENT PROCESSES

Charter School shall maintain complete and accurate records of its annual admissions and enrollment processes, including but not limited to documentation of implementation of lottery and waitlist criteria and procedures in accordance with the terms of the Charter. These records shall be made available to the District upon request.

HOMELESS AND FOSTER YOUTH

Charter School shall adhere to the provisions of the federal McKinney-Vento Homeless Assistance Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. Charter School shall provide specific information, in its outreach materials, websites, at community meetings, open forums, and regional center meetings, that notifies parents that Charter School is open to enroll and provide services for all students, and provides a standard District contact number for access to additional information regarding enrollment.

Charter School shall comply with all applicable federal and state laws regarding homeless and foster youth, including but not limited to the provisions of AB 379 (2015) and Chapter 5.5 (commencing with Section 48850) of Part 27 of Division 4 of Title 2 of the Education Code, as amended from time to time. Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the applicable provisions of AB 379.

NON-DISCRIMINATION

Charter School shall not require a parent/legal guardian/student to provide information regarding a student's disability, gender, gender identity, gender expression, nationality, legal or economic status, primary language or English Learner status, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, or any other information that would violate federal or state law, prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment. Charter School may request, at the time of, and as part of, conducting its lottery process, the provision of information necessary to apply specific admissions preferences set forth in this Charter.

Charter School shall not request or require submission of a student's IEP, Section 504 Plan, or any other record or related information prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment.

Element 9 – Annual Financial Audits

"The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority." **(Ed. Code § 47605(b)(5)(I).)**

Charter School shall provide for an annual audit that shall be conducted in compliance with applicable state and federal laws, including but not limited to the requirements of Education Code sections 47605(b)(5)(I) and 41020 as they may be amended from time to time. Charter School shall ensure compliance with the requirements of section 41020(f)(2), which makes it unlawful, absent an Education Audits Appeal Panel waiver, for a public accounting firm to provide audit services to a local educational agency if the lead audit partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local educational agency in each of the six previous years.

The following reports will be submitted to LAUSD, in the required format and within timelines to be specified by LAUSD, each year:

a. Provisional Budget – Spring prior to operating fiscal year
b. Final Budget – July of the budget fiscal year
c. First Interim Projections – November of operating fiscal year
d. Second Interim Projections – February of operating fiscal year
e. Unaudited Actuals – July following the end of the fiscal year
f. Audited Actuals – December 15 following the end of the fiscal year
g. Classification Report – monthly according to Charter School's Calendar
h. Statistical Report – monthly according to Charter School's Calendar of Reports
   In addition:
   - P1, first week of January
   - P2, first week of April
i. Instructional Calendar – annually five weeks prior to first day of instruction
j. Other reports as requested by the District

Element 10 – Suspension and Expulsion Procedures

"The procedures by which pupils can be suspended or expelled." **(Ed. Code § 47605(b)(5)(J).)**

GENERAL PROVISIONS

Charter School shall provide due process for all students, including adequate and timely notice to parents/guardians and students of the grounds for all suspension and expulsion recommendations and decisions and their due process rights regarding suspension and expulsion, including rights of appeal.

Charter School shall ensure that its policies and procedures regarding suspension and expulsion will be periodically reviewed, and modified as necessary, in order to conform to changes in state law.

Charter School shall ensure that its staff is knowledgeable about and complies with the District's Discipline Foundation Policy and/or current equivalent policy, as required by the Modified Consent Decree. Charter School shall comply with the terms of the School Discipline Policy and School Climate Bill of Rights resolution adopted by the LAUSD Board of Education on May 6, 2013.

Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of Charter School's student expulsion process and shall facilitate the post-expulsion placement of expelled students.

Charter School shall document and implement the alternatives to suspension and expulsion that Charter School utilizes in response to attendance-related concerns, e.g. truancy or excessive tardiness.

STUDENTS WITH DISABILITIES

Charter School shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, pending the completion of the expulsion process, Charter School shall identify and provide special education programs and services at an appropriate interim educational placement determined in coordination with the LAUSD Division of Special Education.

In the case of a student who has an Individualized Education Program ("IEP"), or a student who has a Section 504 Plan, Charter School shall ensure that it follows correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District's Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a Section 504 Plan, Charter School's administrator will convene a Link Determination meeting to ask the following two questions:

A. Was the misconduct caused by, or directly and substantially related to the student's disability?
B. Was the misconduct a direct result of the Charter School's failure to implement Section 504?

NOTIFICATION OF THE DISTRICT

Upon expelling <u>any</u> student, Charter School shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed "Notification of Charter School Expulsion" [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Charter School's policies and procedures were followed
- Copy of parental notice of expulsion hearing
- Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student's compliance for reinstatement, appeal process, and options for enrollment
- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:
  A. Was the misconduct caused by, or directly and substantially related to the student's disability?
  B. Was the misconduct a direct result of Charter School's failure to implement Section 504 Plan?

Notwithstanding and apart from the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student's district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

OUTCOME DATA

Charter School shall gather and maintain all data related to placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.

REHABILITATION PLANS

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School's governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

READMISSION

Charter School's governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School's governing board shall readmit the pupil, unless Charter School's governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil's parent/guardian within a reasonable time.

REINSTATEMENT

Charter School's governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. Charter School is responsible for reinstating the student upon the conclusion of the expulsion period in a timely manner.

GUN-FREE SCHOOLS ACT

Charter School shall comply with the federal Gun-Free Schools Act.

Element 11 – Employee Retirement Systems

***"The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security."* (Ed. Code § 47605(b)(5)(K).)**

Charter School shall comply in a timely manner with all applicable federal and state laws and regulations, as they may change from time to time, including but not limited to Internal Revenue Code section 414(d) and related regulations, governing Charter School's participation in, and/or coverage of its staff members by, the State Teachers' Retirement System (CalSTRS), the Public Employees' Retirement System (CalPERS), and/or federal social security.

If Charter School participates in, or otherwise covers its staff members by enrolling or continuing their enrollment in, a "government plan" governed by section 414(d) (e.g., CalPERS), upon dissolution or final liquidation of Charter School, and/or its nonprofit public benefit corporation, notwithstanding any provision in Element 15 to the contrary, Charter School shall distribute its net assets in accordance with section 414(d), related regulations, and the government plan's requirements.

If Charter School participates in CalSTRS and/or CalPERS, Charter School shall continue such participation for the duration of Charter School's existence under the same CDS code, if mandated by applicable legal and retirement plan requirements.

Element 12 – Public School Attendance Alternatives

"The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools." **(Ed. Code § 47605(b)(5)(L).)**

Pupils of Charter School do not have or gain any right to admission in a particular school of any school district, or program of any school district, as a consequence of applying to or enrolling in Charter School, except to the extent that such a right is extended by the school district.

A pupil who chooses not to attend Charter School may attend a public school within the pupil's school district of residence in accordance with applicable law and that school district's policies and procedures. The pupil alternatively may seek to enroll in another charter school in accordance with applicable law and the terms of the school's charter. If LAUSD is the pupil's school district of residence, an eligible pupil may pursue an inter-district transfer, if available, in accordance with the admission, enrollment, and transfer policies and procedures of the District, as they may change from time to time.

Element 13 – Rights of District Employees

"The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school." **(Ed. Code § 47605(b)(5)(M).)**

Employees of the District who choose to leave the employment of the District to work at Charter School shall have no automatic rights of return to the District after employment at Charter School unless specifically granted by the District through a leave of absence or other agreement or policy of the District as aligned with the collective bargaining agreements of the District. Leave and return rights for District union-represented employees and former employees who accept employment with Charter School will be administered in accordance with applicable collective bargaining agreements and any applicable judicial rulings.

Element 14 – Mandatory Dispute Resolution

"The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter." **(Ed. Code § 47605(b)(5)(N).)**

GENERAL PROVISIONS

Any claim, controversy or dispute between the District and Charter School arising out of or relating to this Charter, except for any claim, controversy or dispute related to the authorization (non-renewal, revision and/or revocation) of this Charter, ("Dispute") shall be resolved pursuant to the terms of this Element 14.

Notwithstanding any other provision of law, each party shall bear and be solely responsible for all of its own attorneys' fees, costs and expenses associated with any Dispute, including, but not limited to, any written/oral communication, meeting, Issues Conference, mediation, arbitration, administrative and/or civil action (including all levels of appeal), and no party shall be ordered to pay, or be awarded, any other party's attorneys' fees, costs or expenses in connection therewith, regardless of who may be deemed the prevailing party. Any fees, costs and expenses charged by a mediator or arbitrator (including all associated administration fees, costs and expenses) shall be shared equally by the parties regardless of the outcome or award. To that effect, any order or award of attorneys' fees, costs and/or expenses, or mediator's or arbitrator's fees, costs or expenses (including any associated administration fees, costs and expenses), issued by a mediator, arbitrator, judicial officer (including all levels of appeal) or jury in any Dispute shall be deemed invalid as a matter of law and unenforceable by one party against the other party.

PROPOSITION 39 DISPUTES

Any Dispute related to or arising out of Education Code §47614 and/or its implementing regulations set forth in California Code of Regulations, title 5, section 11969 *et seq.* ("Proposition 39"), shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and all supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

   Unless directed otherwise, all Written Notifications to the District and Charter School shall be addressed respectively as follows:

   Director
   Charter Schools Division
   Los Angeles Unified School District
   333 South Beaudry Avenue, 20th Floor
   Los Angeles, California 90017

   Principal
   Los Angeles Academy of Arts and Enterprise
   1200 West Colton Street
   Los Angeles, CA 90026

2) A written response ("Written Response") shall be tendered to the other party within fifteen (15) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written

Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3) If the Dispute has not been resolved by mutual agreement from the Written Response, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, and conclude within forty (40) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5) If the mediation is not successful, either party may then initiate a civil action. Venue for any civil action between the parties shall be the Los Angeles County Superior Court.

NON-PROPOSITION 39 DISPUTES

Any Dispute not related to or arising out of Proposition 39 shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be communicated in writing ("Written Notification"). The Written Notification must identify the nature of the Dispute and any supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

   Unless directed otherwise all Written Notifications to the District and Charter School shall be addressed respectively as follows:

Director
Charter Schools Division
Los Angeles Unified School District
333 South Beaudry Avenue, 20th Floor
Los Angeles, California 90017

Principal
Los Angeles Academy of Arts and Enterprise
1200 West Colton Street
Los Angeles, CA 90026

2) A written response ("Written Response") shall be tendered to the other party within twenty (20) business days from the date of receipt of the Written Notification or other date as determined by mutual agreement of the parties. The Written Response shall be tendered to the other party by personal delivery, by facsimile or e-mail, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such communication if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile or e-mail, upon electronic confirmation of receipt; or (c) if by certified mail, two (2) business days after deposit in the U.S. Mail.

3) If the Dispute has not been otherwise resolved by mutual agreement, the parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date from the date on which the Written Response is received by the other party or other date as determined by mutual agreement of the parties.

4) If the Dispute has not been resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Within fifteen (15) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties, the parties shall mutually agree upon the selection of a mediator. If the parties are unable to mutually agree upon the selection of a mediator, the mediator shall be selected from a list of mediators prepared and provided by the American Arbitration Association. Mediation proceedings shall commence within thirty (30) business days of the date of the request for mediation or other date as determined by mutual agreement of the parties. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

5) If the mediation is not successful, then the parties agree to resolve the Dispute by binding arbitration conducted by a single arbitrator. Unless the parties mutually agree otherwise, arbitration proceedings shall be administered in accordance with the commercial arbitration rules of the American Arbitration Association. The arbitrator must be an active member of the State Bar of California or a retired judge of the state or federal judiciary of California.

Element 15 – Charter School Closure Procedures

"The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records." **(Ed. Code § 47605(b)(5)(O).)**

REVOCATION OF THE CHARTER

The District may revoke the Charter pursuant to the provisions set forth in the Charter Schools Act of 1992, as they may be amended from time to time. The District may revoke the Charter of Charter School if the District finds, through a showing of substantial evidence, that Charter School did any of the following:

- Charter School committed a material violation of any of the conditions, standards, or procedures set forth in the Charter.
- Charter School failed to meet or pursue any of the pupil outcomes identified in the Charter.
- Charter School failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
- Charter School violated any provision of law.

Prior to revocation, and in accordance with Education Code section 47607(d) and state regulations, the LAUSD Board of Education will notify Charter School in writing of the specific violation, and give Charter School a reasonable opportunity to cure the violation, unless the LAUSD Board of Education determines, in writing, that the violation constitutes a severe and imminent threat to the health or safety of the pupils. Revocation proceedings are not subject to the dispute resolution provisions set forth in this Charter.

Pursuant to AB 97, charter schools may be identified for assistance based on state evaluation rubrics and be subject to revocation pursuant to Education Code section 47607.3.

CLOSURE ACTION

The decision to close Charter School, by the governing board of Charter School must be documented in a "Closure Action". A Closure Action shall be deemed to have been automatically taken when any of the following occur: the Charter is revoked (subject to the provisions of Education Code section 47607(i)) or non-renewed by the LAUSD Board of Education and Charter School has exhausted its revocation or non-renewal administrative appeal rights pursuant to Education Code sections 47605(j)(1) and 47607(f), or its administrative appeal rights have lapsed, or the charter school voluntarily closes at any stage of the administrative appeal process;; the governing board of Charter School votes to close Charter School; or the Charter lapses.

CLOSURE PROCEDURES

The procedures for charter school closure set forth below are guided by *Education Code* sections 47604.32, 47605, and 47607 as well as *California Code of Regulations*, title 5, sections 11962 and 11962.1, and are based on "Charter School Closure Requirements and Recommendations (Revised 08/2009)" posted on the California Department of Education website. All references to "Charter School" apply to Charter School, including its nonprofit corporation and governing board.

Designation of Responsible Person(s) and Funding of Closure

Prior to or at the time of the taking of a Closure Action by either the governing board of Charter School or the LAUSD Board of Education, the governing board of Charter School shall designate a person or persons responsible for conducting and overseeing all closure-related procedures and activities, and allocate sufficient funding for, or otherwise determine how Charter School will fund, these activities.

Notification of Closure Action

Upon the taking of a Closure Action, Charter School shall send written notice of its closure to:

1. The LAUSD Charter Schools Division (CSD). Charter School shall provide the CSD with written notice of (1) the person(s) designated to be responsible for conducting and overseeing all closure activities, and (2) the source, location, and management of the funding for such activities. If the Closure Action is an act of Charter School, Charter School shall provide the CSD with a copy of the governing board resolution or minutes that documents its Closure Action.

2. Parents/guardians of all students, and all majority age and emancipated minor students, currently enrolled in Charter School within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written parent notification to the CSD.

3. Los Angeles County Office of Education (LACOE). Charter School shall send written notification of the Closure Action to LACOE by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

4. The Special Education Local Plan Area (SELPA) in which Charter School participates. Charter School shall send written notification of the Closure Action to the SELPA in which Charter School participates by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

5. The retirement systems in which Charter School's employees participate. Within fourteen (14) calendar days of the Closure Action, Charter School shall notify, as applicable, the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS), the Social Security Administration, and the Los Angeles County Office of Education of the Closure Action, and follow their respective procedures for dissolving contracts and

reporting. Charter School shall provide a copy of these notifications and correspondence to the CSD.

6. The California Department of Education (CDE). Charter School shall send written notification of the Closure Action to the CDE by registered mail within 72 hours of the Closure Action. Charter School shall provide a copy of this notification to the CSD.

7. Any school district that may be responsible for providing education services to the former students of Charter School. Charter School shall send written notification of the Closure Action within 72 hours of the Closure Action. This notice must include a list of potentially returning students and their home schools based on student residence. Charter School shall provide a copy of these notifications, if any, to the CSD.

8. All Charter School employees and vendors within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written employee and vendor notification, with any attachments, to the CSD.

Notification of all the parties above, with the exception of employees and vendors, must include but is not limited to the following information:

1. The effective date of the closure of Charter School

2. The name(s) and contact information for the person(s) handling inquiries regarding the closure

3. The students' school districts of residence

4. How parents/guardians of all students, and all majority age and emancipated minor students, may obtain copies of student records and transcripts, including specific information on completed courses and credits that meet graduation requirements

In addition to the four required items above, notification of the CDE shall also include:

1. A description of the circumstances of the closure

2. The location of student and personnel records

In addition to the four required items above, notification of parents/guardians of all students, and all majority age and emancipated minor students, shall also include:

1. Information on how to enroll or transfer the student to an appropriate school

2. A certified packet of student information that includes closure notice, a copy of the student's cumulative record and other records, including but not limited to grade reports, discipline records, immunization records, completed coursework, credits that meet graduation requirements, a transcript, and state testing results

3. Information on student completion of college entrance requirements, for all high school students affected by the closure

Notification of employees and vendors shall include:

1. The effective date of the closure of Charter School

2. The name(s) and contact information for the person(s) handling inquiries regarding the closure

3. The date and manner, which shall be no later than 30 days from the effective date of the closure of Charter School, by which Charter School shall provide employees with written verification of employment

Within 30 calendar days of the effective date of closure, Charter School shall provide all employees with written verification of employment. Charter School shall send copies of all such employee verification letters to the CSD.

Records Retention and Transfer

Charter School shall comply with all applicable laws as well as District policies and procedures, as they may change from time to time, regarding the transfer and maintenance of Charter School records, including student records. These requirements include:

1. Charter School shall provide the District with all original student cumulative files and behavior records, pursuant to District policy and applicable District handbook(s) regarding cumulative records for secondary and elementary schools, for all students, both active and inactive, of Charter School. Transfer of the complete and organized original student records to the District, in accordance with District procedures applicable at the time of closure, shall occur within seven (7) calendar days of the effective date of closure.

2. Charter School's process for transferring copies of student records to receiving schools shall be in accordance with applicable law and LAUSD procedures for students moving from one school to another.

3. Charter School shall prepare and provide an electronic master list of all students to the Charter Schools Division in accordance with the District procedures applicable at the time of closure. This list shall include the student's identification number, Statewide Student Identifier (SSID), birthdate, grade, full name, address, home school/school district, enrollment date, exit code, exit date, parent/guardian name(s), and phone number(s). If the Charter School closure occurs before the end of the school year, the list also shall indicate the name of the school to which each student is transferring, if known. This electronic master list shall be delivered to the CSD in the form of a CD or otherwise in accordance with District procedures.

4. Charter School must organize the original cumulative files for delivery to the District in two categories: active students and inactive students. Charter School will coordinate with the CSD for the delivery and/or pickup of student records.

5. Charter School must update all student records in the California Longitudinal Pupil Achievement Data System (CALPADS) prior to closing.

6. Charter School must provide to the CSD a copy of student attendance records, teacher gradebooks, and Title I records (if applicable).

7. Charter School must provide to the CSD the name, title, and contact information of the person designated to maintain all Charter School personnel records after the closure. Personnel records to be transferred to and maintained by the designee must include any and all employee records, including but not limited to, records related to performance and grievance. Charter School must provide to the CSD and the designee a list of all active and inactive employees and their periods of service. Both Charter School and the designee, individually and separately, shall inform the CSD immediately upon the transfer of Charter School's employee records to the designee.

8. Charter School shall ensure that all records are boxed and clearly labeled by classification of documents and the required duration of storage in accordance with District procedures.

9. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student's district of residence.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

1. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.

2. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.

3. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School's annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

1. Preliminary budgets
2. Interim financial reports
3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School's governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf

of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District's personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.

2. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.

3. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.

4. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated as or by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School's governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.

b. Make final federal tax payments (employee taxes, etc.)

c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School's authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District

therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

Additional Provisions

FACILITIES

Charter School shall comply with all geographic and site limitations and related requirements set forth in Education Code sections 47605.1, 47602(a), and 47605(a).

District-Owned Facilities

If Charter School is using District facilities as of the date of the submission of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

The circumstances of Charter School's occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term may be co-terminous with the approved Charter, as permitted by law. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education's approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health,

safety, and emergency procedures and requirements and shall be subject to inspection by the District's Facilities Services Division, OEHS, and other District offices in the same manner as other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.
In the event of an emergency, all District facilities (i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- Use: Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.

- Furnishings and Equipment: The District shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

- Leasing; Licensing: Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.

- Programs, Services, and Activities Outside Instructional Program; Third Party Vendors
  (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term "instructional program" is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on "average daily attendance" and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.
  (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- Minimum Payments or Charges to be Paid to District Arising From the Facilities:
  (i) Pro Rata Share: The District shall collect and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

  (ii) Taxes; Assessments: Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School's legal or equitable interest created by the use agreement.

- Maintenance & Operations Services: In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.

  (i) Co-Location: If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

  (ii) Sole Occupant: If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD's policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

- Real Property Insurance: Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD's property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

Non-District-Owned Facilities

Occupancy and Use of the Site: Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site

as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

Facility Compliance: Prior to occupancy or use of any non-District-owned school site and/or facility, Charter School shall ensure that the site and/or facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, and notices issued by any authorized building and safety agency. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and shall promptly provide such documentation to the CSD upon request.

Pest Management: Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

Asbestos Management: Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

INSURANCE

Insurance Requirements

No coverage shall be provided to Charter School by the District under any of the District's self-insured programs or commercial insurance policies. Charter School shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable to the District [A.M. Best A-, VII or better] or the equivalent provided through a California Joint Powers Authority self-insurance program to protect Charter School from claims which may arise from its operations. Each Charter School location shall meet the below insurance requirements individually.

It shall be Charter School's responsibility, not the District's, to monitor its vendors, contractors, partners, and/or sponsors for compliance with the insurance requirements.

The following insurance policies are required:

1. Commercial General Liability, including Fire Legal Liability, coverage of $5,000,000 per Occurrence and in the Aggregate. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy. Coverage shall be maintained with no Self-Insured Retention above $15,000 without the prior written approval of the Division of Risk Management and Insurance Services for the LAUSD.

2. Workers' Compensation Insurance in accordance with provisions of the California Labor Code adequate to protect Charter School from claims that may arise from its operations pursuant to the Workers' Compensation Act (Statutory Coverage). The Workers' Compensation Insurance coverage must also include Employers Liability coverage with limits of $1,000,000/$1,000,000/$1,000,000.

3. Commercial Auto Liability, including Owned, Leased, Hired, and Non-owned, coverage with limits of $1,000,000 Combined Single Limit per Occurrence if Charter School does not operate a student transportation service. If Charter School provides student transportation services, the required coverage limit is $5,000,000 Combined Single Limit per Occurrence.

4. Crime Insurance or Fidelity Bond coverage shall be maintained by Charter School to cover all Charter School employees who handle, process or otherwise have responsibility for Charter School funds, supplies, equipment, or other assets. Minimum amount of coverage shall be $1,000,000 per occurrence/$1,000,000 aggregate, with deductible that is acceptable to the Los Angeles Unified School District.

5. Cyber Liability insurance coverage with minimum limits of $500,000 per occurrence and $500,000 general aggregate.

6. Professional Educators Errors and Omissions liability coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

7. Sexual Molestation and Abuse coverage with minimum limits of $5,000,000 per occurrence and $5,000,000 general aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or the Errors and Omissions Policy.

8. Employment Practices Legal Liability coverage with limits of $5,000,000 per occurrence and $5,000,000 general aggregate.

9. Excess/Umbrella Liability insurance with limits of not less than $10,000,000 is required of all high schools and any other school that participates in competitive interscholastic or intramural sports programs.

Coverages and limits of insurance may be accomplished through individual primary policies or through a combination of primary and excess policies and alternative methods of coverage as approved by the District. *The policy shall be endorsed to name the Los Angeles Unified School District and Its Board of Education as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School's insurance shall be primary despite any conflicting provisions in Charter School's policy.*

Evidence of Insurance

Charter School shall furnish to the District's Division of Risk Management and Insurance Services located at 333 S. Beaudry Ave, 28th Floor, Los Angeles CA 90017 within 30 calendar days of all new policies, inceptions, renewals or changes, certificates, or such insurance signed by authorized representatives of the insurance carrier. Certificates shall be endorsed as follows:

> *"Charter school shall be required to provide LAUSD with 30 days prior written notice by certified mail, return receipt requested, if the insurance afforded by this policy shall be suspended, cancelled, reduced in coverage limits or non-renewed."*

Facsimile or reproduced signatures may be acceptable upon review by the Division of Risk Management and Insurance Services. However, the District reserves the right to require certified copies of any required insurance policies.

Should Charter School deem it prudent and/or desirable to have insurance coverage for damage or theft to Charter School, employee or student property, for student accident, or any other type of insurance coverage not listed above, such insurance shall not be provided by the District and its purchase shall be the responsibility of Charter School.

Hold Harmless/Indemnification Provision

To the fullest extent permitted by law, Charter School does hereby agree, at its own expense, to indemnify, defend and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever, arising out of, or relating to, this Charter agreement. Charter School further agrees to the fullest extent permitted by law, at its own expense, to indemnify, defend, and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys' fees, brought by any person or entity whatsoever for claims, damages, losses and expenses arising from or relating to acts or omission of acts committed by Charter School and/or its officers, directors, employees or volunteers. Moreover, Charter School agrees to indemnify, defend and hold harmless "the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and

volunteers, for any contractual liability resulting from third party contracts with Charter School's vendors, contractors, partners or sponsors.

FISCAL MATTERS

District Oversight Costs

The District may charge for the actual costs of oversight of Charter School not to exceed 1% of Charter School's revenue, or the District may charge for the actual costs of oversight of Charter School not to exceed 3% if Charter School is able to obtain substantially rent free facilities from the District. Notwithstanding the foregoing, the District may charge the maximum oversight fee allowed under the law as it may change from time to time. The oversight fee provided herein is separate and distinct from the charges arising under charter school facilities use agreements.

Cash Reserves

Charter School acknowledges that the recommended cash reserve is 5% of expenditures, as provided in section 15450, title 5 of the California Code of Regulations.

Third Party Contracts

Charter School shall ensure that all third party contracts, whether oral or written, for supplies, equipment, goods and/or services, for the direct or indirect benefit of, or otherwise related to the operation of, Charter School, require compliance with and otherwise conform to all applicable local, state, and federal policies, regulations, laws, and guidelines, including but not limited to licensing and permit requirements as well as requirements related to protection of health and safety.

Special Education Revenue Adjustment/Payment for Services

In the event that Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State's adjustment to allocation of special education revenues from Charter School, Charter School authorizes the District to deduct any and all of the in lieu property taxes that Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

Student Body Funds

Charter School shall supervise and manage any and all student body funds in a manner consistent with the provisions of Education Code sections 48930-48938. Charter School shall include and address student body funds in its financial reports, and ensure that such funds are included and addressed in Charter School's annual audit as a stand-alone item.

Audit and Inspection of Records

Charter School agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- Charter School is subject to District oversight.

- The District's statutory oversight responsibility continues throughout the life of the Charter and requires that the District, among other things, monitors the fiscal condition of Charter School.

- The District is authorized to revoke this Charter for, among other reasons, the failure of Charter School to meet generally accepted accounting principles or if Charter School engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit Charter School books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of Charter School's financial information,
- Charter School's debt structure,
- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- Charter School's enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.

Charter School shall cooperate fully with such audits and shall make available any and all records necessary for the performance of the audit upon 30 days notice to Charter School. When 30 days notice may defeat the purpose of the audit, the District may conduct the audit upon 24-hours notice.

Fiscal Policies and Procedures

Charter School shall establish, maintain, and implement sound fiscal policies and procedures, including but not limited to internal controls governing all financial and business-related activities.

Apportionment Eligibility for Students Over 19 Years of Age

Charter School acknowledges that, in order for a pupil over nineteen (19) years of age to remain eligible for generating charter school apportionment, the pupil shall be continuously enrolled in public school and make satisfactory progress toward award of a high school diploma. (Ed. Code § 47612(b).)

Local Control and Accountability Plan

In accordance with California Education Code sections 47604.33 and 47606.5, Charter School shall include in its annual update a "listing and description of the expenditures for the fiscal year implementing the specific actions included in the charter as a result of the reviews and assessment required by paragraph (1)" of section 47606.5(a). These expenditures shall be "classified using the California School Accounting Manual pursuant to Section 41010." (Ed. Code § 47606.5(b).)

About Academies Students Parents Staff Conta

Welcome

Belmont High School -- Home of the Sentinels!

Belmont is located in the Belmont Zone of Choice and is a historic part of the West Lake/Echo Park neighborhood. Belmont is rich with tradition and ha a staple of the community since 1923. Belmont also offers a variety of activities to our students, from athletics to the academics. There are currently 12 teams, 15+ clubs, and 10 AP courses offered. The school is also comprised of three unique academies that foster the futures of our students and encour career path. The schools mascot is Sammy the Sentinel and the school colors are green and black.

Los Angeles Academy of Medical and Public Service (LAAMPS)
This academy incorporates many features of high school reform movements, which include creating a close-like family atmosphere, integrating acader and career technical education, and establishing viable business partnerships in order to meet key components of the academy model.

Belmont Multimedia Academy (Multimedia)
This academy focuses on technology to prepare students for university and careers in the Arts, Media, and Entertainment, key economies of Los Angele multimedia capital of the world.

School of Science, Art and Green Engineering (SAGE)
This academy offers an academic environment where students become agents of change for themselves.

- Students are prepared for 21st C college and career through exciting, real world multimedia project excellent instruction in Science, Math, Social Studies, and English! Many AP classes are available! W a big school program with very personal service. We get to know our students very well, to help the their personal path to success! We have the advantages of a comprehensive school with many choi courses, clubs, sports, activities, leadership, and various academic and afterschool programs to sup and engage you!
- The Multimedia Academy has its own counselor to assist you in graduating, and Belmont has a full college counselor to help in getting into college!
- Why "Multimedia"? The Multimedia Industry is a major part of LA's $200 billion "Creative Economy" major local employer - Otis Report. Get ready for Los Angeles, a global center of media arts!
- Our Multimedia Subjects include: Drawing, Animation, Web Design, Video, Music Production, Digita Imaging, Photography, Multimedia Journalism, Advertising Design, Game Design, Drama. Our teach have decades of experience in media production and instruction!
- Interdisciplinary instruction combines various subject areas into engaging projects!
- Yearly Grants support new high-tech multimedia equipment!
- Equipment is available for student check-out: video and music production laptops and cameras.
- Multimedia graduates have gone on to many prestigious college programs including MIT, Williams, USC, UC Berkeley, Stanford, Cal States, as well as work in the media arts industry.
- Partners that have supported our program: Cal Arts Summer Program, Hollywood Reporter's Wome Entertainment, Film Production with the Philipino Workers Center, Hispanic Fund Summer Sympos UCLA, and Upward Bound with Occidental College, USC, and LACC
- Many "Thanks!" to John Morarity, well-known industry lighting wizard, for his contributions of advi curriculum, and industry connections!
- Huge "Thanks!" to our new partner, Ableton Music Software ("Live"), for their generous contributio our program!
- "Thanks" to the California Alliance for Arts Education for their valuable partnership in the Student V Campaign - and a trip to San Francisco Art Institute for our students.
- Stay tuned for a possible equipment donation from Cinelease for our mini-soundstage!
- Stay tuned for a developing relationship with USC's MxR Virtual Reality Lab and Annenberg's Multin Journalism program.
- Mentorship, job shadowing, field trip and career path providers have included: Fox Studios, The Bre Foundation, The Grammy Museum, Gnomon College, and AT&T, Google and Facebook.
- Please contact us if you have questions or would like to become a partner!
- Lead Teacher/Coordinator - Dain Olsen dain.olsen@lausd.net

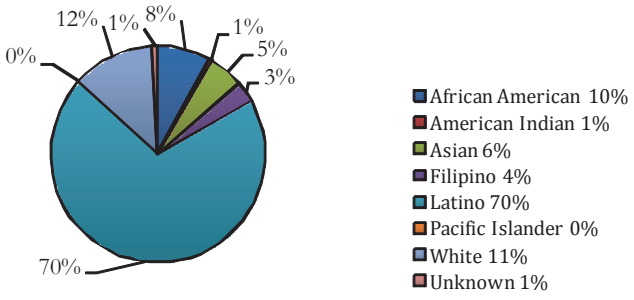
Sophomores (2020)	321
Juniors (2019)	369
Seniors (2018)	355

Student Demographics



School Information:

Ramon C. Cortines School of Visual and Performing Arts (Grand Arts), formally known as Central Los Angeles High School No. 9, is an LAUSD comprehensive high school for the visual and performing Arts. Ramon C. Cortines Visual and Performing Arts has four arts academies: Theatre, Visual Arts, Dance and Music. Grand Arts is a unique and innovative comprehensive high school—unique not because of its ability to attract the finest trained young artists in Los Angeles, but rather because of its unprecedented commitment to serving the underserved in both academic and arts education. Located in heart of Los Angeles, it serves an area with very high poverty and crime rates. Our diverse student body is made up of Latino, African American, Asian, Filipino, and Caucasian students. Using the visual and performing arts as a focus and motivational tool for student academic achievement, our school program offers an interdisciplinary approach to academics to provide students with a college-preparatory curriculum and learning goals that are focused on enabling students to meet the needs of a globalized society by developing critical thinkers, responsible and socially aware citizens, and effective communicators.

Other Statistics:

86% participate in the federal school lunch program.
9% are English Language Learners at some level.
18% of students are identified gifted/talented.

Accreditation:

Western Association of Schools and Colleges (WASC) has granted accreditation through 2019. Memberships: National Association for College Admission Counseling; The College Board.

Staff:

There are 61 certificated staff members including 4 administrators, 4 guidance counselors, 1 college counselor, 1 Pupil Services and Attendance Counselor, 1 Psychiatric Social Worker and 1 librarian. Doctoral degrees: 0%; Master's degrees: 64%.

Marking System:

Letter grades of A, B, C, D, and F are used. A passing grade is "D". The college recommending mark is "C" or higher. A final cumulative grade point average is computed using a 4.0 scale and includes all work completed in grades 9 through the first semester of the 12th grade.

Method of Computing GPA and Class Rank:

The 12th grade class rank is calculated on a 4.0 scale based on all grades earned in the 9th through 11th grades. The official final class rank is based on work completed in grades 9 through the first semester of 12th grade. The grades are weighted for AP only, not honors courses.

Admissions

Grand Arts High School is a Belmont Zone of Choice school; however, we also admit students from outsid the Belmont Zone based on seat availability.

2021-2022 Applications.

We are currently recruiting for the 2021-2022 school year. If your student is currently in 8th grade, please download the application form below. Complete it, and send t**xochilt.garay(at)lausd.net**

To help provide an insight into our rich arts and academic programs, we are hosting a Recruitment Fair March 3. Please click**http://bit.ly/come2VAPA** to register.

Zoom: 845 4902 2840
Passcode: come2vapa

Please SAVE the application on your computer, then open it and fill in the fields, then save again. Make su your entries are complete before submitting the application.

Non-Belmont Zone Application

Fall 2020 Enrollment

If you previously received a letter of acceptance for your child to attend our school beginning in the fall of 2020, please read this note. Due to the precautionary steps in place with regards to COVID-19, our campu is closed and we are therefore accepting the official enrollment packets electronically at this time. If you have already mailed in your packet, it will be received. Whether or not you have mailed your packet, we need your email address.

Non-BZOC students: Please send an email to enrollment specialist Xochilt Garay: **xochilt.garay(at)lausd.net** with your child's name in the subject line.

BZOC students: Download the BZOC application online a**achieve.lausd.net/zoc** fill it out, and submit it to the School Administrative Assistant at**njs0307@lausd.net**.

Application: Belmont Zone of Choice Students

Students who live in LAUSD's Belmont Zone of Choice may apply in their eighth grade year by computer through their home schools beginning in October. We caution those students to be sure to attend school on the day applications are accepted and to be sure to list the desired Cortines academy (Dance, Music, Visual, or Theatre) as #1, but then also to continue to list all choices through #17.

PROGRAM DESCRIPTION

The Los Angeles County Department of Public Health is partnering with the Los Angeles County Department of Mental Health and Planned Parenthood of Los Angeles to make preventive health care accessible to young people throughout the County by bringing youth-focused health and wellness education and services on campus. Research suggests that many young people enrolled in LA County schools may lack preventive care at an age when risk is highest for uptake of smoking/vaping, for unsafe sex and for other unhealthy behaviors including use of alcohol and other substances. The centers will offer services to educate students for lifelong protective practices and promote social/emotional well-being, youth leadership, and sexual health. These spaces will be youth-friendly and will provide students with a safe, welcoming place where they will find caring adults, supportive peers and integrated services.

The SWCs will be located on 50 high school campuses, represented in all 5 Supervisorial Districts. They will be staffed with Masters level Health Educators and will be open a minimum of 20 hours/week. The services offered through the partnership of DPH, PPLA and DMH include:

- Health education, in the center and in the classroom
- Mental health support, individual and group
- Substance use prevention
- Sexual health services, including limited over-the-counter contraceptives and testing and treatment for sexually transmitted infections.
- Peer leadership training and civic engagement opportunities
- Parent education and support
- After-hours call line for support and referral

The centers are designed within a Positive Youth Development Framework in which students are offered opportunities to discover new strengths and talents, and to experience themselves as leaders in their communities. Students from each school will be trained as peer leaders and receive a stipend for their work and a first job for their college and employment resumes.

Downtown Magnets High School • 2021-2022 Profile

Business • Fashion • Engineering • Electronic Information

School Description:

Downtown Magnets High School began in 1981 as the Downtown Business Magnet (DBM), a component of the Los Angeles Unified School District's expanding voluntary integration program. When the Electronic Information Magnet (EIM) was created in 1994, DBM adopted the name "Downtown Magnets" to incorporate both magnets into its name. We now house The Academy of Fashion Design and Merchandising, The Academy of Engineering, The Academy of Information Technology, and Academy of Finance. We have a thriving IB program where almost 100% consistently earn the full International Baccalaureate Diploma.

* Top ranked school according to the mandated state testing in English/Language Arts, and math among secondary schools in LAUSD.
* California Gold Ribbon School
* Magnets Schools of America School of Distinction Award in 2016, 2017, 2018, 2019 , and 2020

911 Students	
259 Seniors	
221 Juniors	
235 Sophomores	
196 Freshmen	

84% Students eligible for free lunch

536 Hispanic	**289** Asian / Filipino
39 African American	**27** Multi-racial
20 White	**0** Native American

Advanced Placement Courses:
554 students have 915 enrollments in AP courses in 2019-20

97 Students designated AP Scholars in 2021
29 AP Scholars with Distinction
26 AP Scholars with Honors

College Entrance Test Scores - 2021

SAT/ACT Score Averages: Due to COVID-19 and it's closure of nearly every available testing site in the Southern California area, we did not have enough students take the test to develop a cohort. We will probably have enough to report averages next year.

97% of the Class of 2021 was accepted to college.
82% will be first generation students.

71% 4 year school	**26%** Community college	**2%** Military	**<1%** Work / other	**<1%** Gap year

Marking System

Letter grades of A, B, C, D, and F are used. A passing grade is "D." A final cumulative grade point average is computed using a 4.0 scale and includes all work completed in grades 9 through the first semester of the 12th grade.

The 12th grade class rank is calculated on a 4.0 scale based on all grades earned in the 9th through 11th grades. The official final class rank is based on work completed in grades 9 through the first semester of 12th grade. **The grades are weighted for AP and IB HL only, not honors courses. College classes do not receive an extra point.**

See "Info About COVID-19"

Info About COVID-19

On March 13, 2020, all LAUSD high schools were closed for the rest of the semester. Work was done remotely for the rest of the term. While letter grades were retained, due to a significant number of families with little or no access to internet or technology for weeks, no student could be assigned a failing grade. Students could improve their grades, but they couldn't fall below their 10 week mark.

In the Fall of 2020, we returned to a regular A-F grading system, but we were remote learning only. In April 2021, students were invited to return to campus but remain in online learning. Because of this, only about 5% of our population returned to school and the rest remained in remote learning for the rest of the year.

Because the vast majority of LAUSD students live in poverty that greatly affected their ability to learn, the district implemented a policy that allowed students to use a "Pass/No Pass" (P/NP) grade for some or all classes for the 2020-21 school year only. The Fall of 2021 we returned to a fully on campus experience, with students wishing to stay remote having to move to the distract's online school. They have return rights for the spring, if they choose to come back.By January of 2022, all students are required to be vaccinated against Covid. We will see how this affects our enrollment.

Graduation Requirements - Credits

Important Program Notes:

* The class Advanced Math is a course that combines algebra 2 and pre-calculus into an accelerated curriculum.

Magnet Programs

DBM

Downtown Business Magnet attracts students from throughout the district, and includes the Academy of Finance, and the Academy of Fashion Design and Merchandising. Students in the Finance program enroll in up to eight accelerated courses, one of which is a college course, Foundations of Corporate Finance, taken at the University of Southern California.

Design and Merchandising seniors are placed as interns at various industry sites in the Downtown fashion district. Academy courses include Clothing, Apparel Skills, Design, and Merchandising. The culminating activity is a show featuring fashion lines designed and created by the senior students.

DBM is proud to have been adopted by Ernst & Young, and also maintains strong partnerships with the Fashion Institute of Design and Merchandising, Woodbury University, Cal Mart, and many other businesses.

Computer Science / Engineering/ Multimedia

The Computer Science / Engineering/ Multimedia Magnet incorporates technology into all aspects of the educational process and was originally developed with the L.A. Central Library and the UCLA Graduate School of Education. Computer Science / Engineering/ Multimedia includes the Academy of Information Technology, which contains both computer science and digital design pathways, and the Academy of Engineering. A sampling of classes unique to Computer Science / Engineering/ Multimedia includes Engineering Design and Development, Computer Science, Generative Art, Digital Production, and Filmmaking.

IB

IB was introduced to our school 10 years ago with some preparatory courses. The curriculum was very rigorous, and these students sacrificed higher GPA's by remaining in the program. 2017 marked the first graduating cohort of our school's IB Diploma Programme. Of the 104 students over five cohorts who completed the curriculum, 100 received the full diploma, many with extra points.

Enrollment Information for Incoming Students 2021-22 (Links and Forms)

Welcome to the DMHS Enrollment page. Here you will find relevant information, links, and forms related to enrollment for the 2021-22 school year. Before you begin the process make sure you have scheduled an Intake Interview Session with your child's counselor. An Intake Interview Session is where students, parents, and counselors meet to enroll the student and map out their freshman year. **No student is fully enrolled until both parent and student have completed their intake interview.** If you have not scheduled your intake interview, please click here.

IN-TAKE INTERVIEWS – Incoming 9th Grade Students

The counseling department will conduct individual in-take interviews with all incoming 9th-grade students and parents. This activity will take place through Zoom and in the student union on the following dates:

- #1) Wednesday, May 19, 2021 (4-7 pm)
- #2) Thursday, May 27, 2021 (4-7 pm)
- #3) Wednesday, June 2, 2021 (4-7 pm)
- #4) Saturday, June 5, 2019 (9-1pm)

Welcome to the Computer Science Academy!

Our Mission

The Computer Science Academy promotes a rigorous academic and computer orient

curriculum within a supportive environment to foster the intellectual and personal development of our students in preparation for college and a career.

Bienvenidos a la Academia de Ciencia Informática!

Nuestra misión

La Academia de Ciencia informática promueve un currículo riguroso orientado en un ambiente de apoyo para fomentar el desarrollo intellectual y personal de nuestros alu para prepararlos para la universidad y para una carrera.

Digital Citizenship in the 21st Century

Now more than ever we are learning the importance of being digital citizens. The sch closures due to COVID 19 has forced us to rely on distance or online learning. While w remain safe staying at home your education must continue. Your dreams of going to college and creating a career doing something you are passionate about requires you stay focused. It means knowing how to use technology to learn, create, problem solve interact and communicate with your teachers, classmates and peers around the cou and world. Whereas once you were a CSA student of Roybal, now you are a student of world!

VIDEO Link - What does it mean to be a Digital Citizen?

VIDEO Link - What is Digital Citizenship?

Attention All 8th Graders/ Future Class of 2025:

Join Roybal's Computer Science Academy now!

CSA is the place to learn the technological skills and knowledge you'll need to succee college and prepare for a career in the 21st Century.

We are the only high school academy in the Belmont Zone of Choice that offers the P Lead the Way Computer Science Program.

Computer Science - Project Lead the Way

Bringing Computer Science to Life!

At a time when computer science affects how we work and live, PLTW Computer Scie

empowers students in grades 9-12 to become creators, instead of merely consumers the technology all around them.

The program's interdisciplinary courses engage students in compelling, real-world challenges. As students work together to design solutions, they learn computational thinking – not just how to code – and become better thinkers and communicators. Students take from the courses in-demand knowledge and skills they will use in high school and for the rest of their lives, on any career path they take.

2013 Flashback – Roybal's First Cyber Patriot Team

BEE-WARE MAKES NATIONALS IN CYBER PATRIOTS COMPETITION

Roybal Learning Center fielded a team in a national competition dealing with cyb security. The team, BEE-WARE kept winning and advanced all the way to the national in Washington DC. Team members included [redacted] all of CSA and [redacted] Sandoval of ISOL. The team was led by their coach, William Diaz. This is another exam

excellence that deserves our recognition. A special congratulations to all the tea members !!!

Speak a new language so that the world will be a new world. - Rumi

Academy of Social Work & Child Development (SWCD)

Academy Offerings:

- Spanish-English Dual Language Program
- College Credit from LACC in Child Development
- Certificate Program to work in Early Education Centers
- Programa de Lenguaje Dual en español y inglés
- Créditos universitarios con el Los Angeles Community College
- Programa de Certificado indicando preparados para trabajar en centros de Educ Temprana

Dual Language Program

SWCD students interested in participating in our Dual Language program will receive rigorous grade-level standards-based instruction in both English and Spanish to deve academic proficiency in both languages. Beginners in our Dual Language program wi receive 50% of their academic content in Spanish (Spanish, Algebra 1, Chemistry) and other 50% in English (Eng. 9A, PE, Health). SWCD is the only academy in the BZOC tha offers a dual language program where students get to enjoy the lifelong advantage of bilingualism like: California Seal of Biliteracy, increased academic performance,and awareness and understanding of other cultures.

Academy History

Originally founded as the International School of Languages (ISOL), our academy performed a self-examination in the 2019-2020 school year. Based on a democratic process involving both faculty and students, we rededicated ourselves to supporting students' needs and re-formed as the Academy of Social Work and Child Developmen SWCD.

The ALC School of Advanced Studies

What is an SAS program? What is a SAS program?

Schools for Advanced Studies (SAS), initially implemented in the 1998–1999 school year, were created as an alternative to the Gifted / High Ability Magnet program to service gifted / high ability learners throughout the District at resident schools. SAS is the GATE instructional program for resident students.SAS supports the District's commitment to strengthen District services for students identified as gifted, highly gifted, and students who demonstrate superior academic achievement with appropriate documentation (K – 12). SAS also reflects the District's commitment to ensure equitable access, excellence and accountability to high quality gifted / talented programs districtwide.

Schools for Advanced Studies (SAS), initially implemented in the 1998–1999 school year, were zoned within the entire district as an alternative to the Gifted / High Ability Magnet program. SAS schools are part of the GATE instructional curriculum for students who are residents of the campus.SAS schools support the District's commitment to strengthen District-wide support for students identified as gifted, gifted, and students who demonstrate superior academic achievement with appropriate documentation (K – 12).SAS schools also reflect the District's commitment to ensuring equitable access,

Schools for Advanced Studies serve as District demonstration sites for innovative and research-based differentiated curriculum and instruction for gifted / high ability learners in multiple categories. The selection of a school as a Schools for Advanced Studies site is based on proven c nitment and ability to offer a sustained, highly effective, exemplary gifted and talented education (GATE) program that includes essential GATE / SAS program components: 1) Gifted

Gifted Learners 6) Budget Fidelity 7) Innovation and 21st Century Competencies 8) and Program Reporting and Management .

For more information, please email Sandi Drinkward, SAS Program Coordinator, at shd1550@lausd.net

The Schools for Advanced Studies serve as the District's demonstration sites by providing an innovative curriculum that is research-based and includes differentiated instruction for gifted and gifted students in multiple categories.The selection of a school as a Schools for Advanced Studies site is based on the demonstration of commitment, the ability to offer a highly effective curriculum, supporting a Gifted / Talented Education (GATE), as example, which includes the essential components of a GATE program: 1) Identification as Gifted 2) Instruction and Academic Performance of GATE Program Students 3) Knowledgeable and Expert Faculty 4) Parental Involvement,

The SAS model, which is in alignment with AB2313 and the *State Board of Education Recommended Standards for Programs for Gifted and Talented Students,* explicitly supports the District's agreement with the Office for Civil Rights (OCR). It is District policy that schools must reapply every five years for SAS designation. Independent charter schools and magnet programs are not eligible for the SAS designation.

A model SAS site, which is in alignment with the Gifted / Talented Programs Policy Recommendations of the AB2313 legislature and the State Board of Education, explicitly supports the District's agreement with the Office for Civil Rights (OCR for its acronym in English)It is District regulation that schools must reapply every five years for designation as a SAS schoolIndependent charter schools and magnet programs are not eligible for SAS school designation.

ALC Leadership Development

What is Leadership Development?

The Leadership Development program at ALC is designed to help our students grow as leaders in their communities. Through the LD program, students connect with school-based programs and outside organizations that can match a wide range of student interests. Students are also able to design their own LD program and complete internships at local schools, hospitals, and animal shelters. Our students have worked at city hall and in the offices of school board members. They have shadowed neurosurgeons and presented their own clothing brand to a multi-billion dollar clothing company. They've made films that have landed them in film festivals and worked with internationally-known muralists to design murals for the community. There is no limit to what you can do in LD.

Check out the LD Calendar to see some of the amazing programs we have to offer!

Click here to review the ALC Graduation Requirements related to Leadership Development

The 9th Grade Workshop Series

In the 9th grade, students venture through a series of workshops deigned to give them a foundation before they start to develop their own Leadership Development journey.

School-Based LD Programs

Insert description here.

Partnership LD Programs

ALC works with dozens of outside organizations to provide leadership opportunities for our students. If you're interested in extreme sports, join Stoked. Stoked exposes students snowboarding, skateboarding, surfing and a whole lot more to get excited about. If you're interested in dance or other fine arts, then Inner City Arts has a ton of great programs for our students to take advantage of. Want to be an architect? We've partnered with the ACE Mentor program to give our students exposure on what it means to design building and further build up our great city.

SCHOOL OF SOCIAL JUSTICE @ MIGUEL CONTRERAS LEARNING COMPLEX

*We stand in solidarity with our Black students and staff. Visit our **Black Students Matter** page.*

Welcome to Social Justice

Located just outside of Downtown Los Angeles in the Westlake neighborhood, The School of Social Justice is one of four high schools located on the Miguel Contreras Learning Complex, named for the honored union and labor activist, Miguel Contreras. The School of Social Justice, or SJ as it is affectionately known, is committed to following the path to educational justice for its students and community. We take pride in developing and guiding our students into becoming champions and role models of social change, justice, and equity for all.

/ Educate
/ Organize
/ Advocate

Life's most urgent and persistent question is, "What are you doing for others?" –Martin Luther King, Jr.

Our Vision / *Nuestra Visión*

The vision of The School of Social Justice at The Miguel Contreras Learning Complex is to provide a college preparatory curriculum that develops career readiness. Through an intensive study of diverse perspectives, this curriculum will explore issues of human rights and social concerns, and stimulate intellectual curiosity. Graduates of The School of Social Justice will continue to educate, organize, and advocate as lifelong champions of dynamic social change.

La visión de la Escuela de Justicia Social en el Complejo de Aprendizaje Miguel Contreras es proporcionar un plan de estudios de preparación universitaria que desarrolle la preparación profesional. A través de un estudio intensivo de diversas perspectivas, este plan de estudios explorará temas de derechos humanos y preocupaciones sociales, y estimulará la curiosidad intelectual. Los graduados de la Escuela de Justicia Social continuarán educando, organizando y abogando como campeones de por vida del cambio social dinámico.

Principal's Message / *Mensaje de la directora*

August 7, 2021

Thank you for visiting the Miguel Contreras School of Social Justice website! SJ strives to create a community of learners using a caring and personalized approach. Our curriculum centers topics of human rights and social justice to accomplish our mission to ***Educate, Organize, Advocate.***

We are excited to return to in-person learning for the 2021-22 academic year. Please check out this webpage filled with resources provided by LAUSD to ensure a safe and successful transition from distance learning to in-person learning.

I am proud to say that I have been a member of the SJ team for nearly 20 years, including four at Belmont High School (where I was a founding lead teacher), and the last 15 at Contreras LC. Please reach out to me if you should have any questions; my email address is nmeza@lausd.net, my office number is 213.240.3895, and my Google number (text) is 818.732.9513.

Alliance Ted K. Tajima High School

Mission and Vision

THE ALLIANCE MISSION

Our mission is to open and operate a network of small, high-performing high schools and middle schools in low-income communities in California with historically under-performing schools, that will annually demonstrate scholar academic achievement growth, and graduate scholars ready for success in college.

ALLIANCE'S CORE VALUES

Our five core values build a strong school culture where Alliance principals, teachers, staff, and parents work together to prepare scholars for success in college and future careers. Alliance schools provide powerful learning experiences through interdisciplinary projects and integration of real-world applications into the classroom. Close relationships between scholars teachers and staff encourage teamwork and accountability while ensuring that no scholar slips through the cracks.

1 High Expectations for All Scholars

- Our challenging, standards-based curriculum is premised on the belief that all scholars can perform at high levels.

2 Small Personalized Learning Environments

- Each scholar is part of an advisory group of about 25 scholars.
- Our scholars thrive where they develop close relationships with teachers and all adults in the building.

3 Increased Instructional Time

- Longer school year and school days adding up to 38 more school days per year than local public schools.
- Uninterrupted two-hour block courses to encourage deeper focus and discovery.

Principal's Message

Mission and Vision

School Dashboard

Academic Performance (CAASPP)

4 Highly Qualified Educators

- All staff is held accountable for scholar success and uses data to appraise improvement efforts.
- Extensive training programs for school leaders to better support highly motivated educational innovators.

5 Parents as Partners

- Parent Engagement Specialists at each school are highly involved in training and engaging parents to ensure that learning does not end with the school day.

TAJIMA'S VISION/MISSION

Our vision at Alliance Ted K. Tajima High School is for all scholars, through a shared love of learning, to graduate from college and become enthusiastic, self-aware and influential leaders who, by uplifting their communities, positively impact the world.

Our mission at Alliance Ted K. Tajima High School is to create a nurturing environment that prepares all scholars for college and beyond through rigorous instruction and individualized supports serving the holistic needs of scholars and their families.

2019–2020 School Accountability Report Card

School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC).The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Amber Diaz, Principal

About Our School

Welcome to Alliance Ted K. Tajima High School!

As a staff, we are delighted to have all of you on board for what promises to be another exciting school year. You are now a part of an innovative and challenging charter school designed to provide students from some of the most underserved communities in Los Angeles with a quality education. We have eight full years under our belts and know the real challenges (and rewards) of starting a school from scratch. Most importantly, we have a very small school of approximately 450 students in grades 9-12.We must continue to make it our personal goal that each and every student that we come in contact with will learn and succeed academically. We know that the success of our students depends on our ability to work together and to establish supportive relationships between our staff, our students, and their families.

I strongly encourage families to communicate openly with each other. More importantly, all families should feel free to approach the administration to discuss any personal or school issues that may arise for you or your child. Our doors are always open and we welcome any input you may have to make ed K. Tajima High School a more productive learning environment for all students.

We look forward to working with you and your families as we prepare your child for academic success!

School Description and Mission Statement (School Year 2020–2021)

Alliance Ted K. Tajima High is part of a network of independent public charter schools that provide world-class educational services to address the unique needs of each student.
Alliance schools are tuition-free public schools that serve all students including those with special needs. Alliance schools have been recognized as among the best in the nation in preparing students to enter and succeed in college and significantly outperforming neighboring public schools through an educational model based on:

- High expectations for all students
- Small and personalized campuses
- Longer school year and a longer instructional day
- Highly qualified teachers and principals
- Parents as partners in their child's educational success

Together the teachers and staff of our school are working with our community to create a safe and harmonious school that will prepare our students realize their full potential.

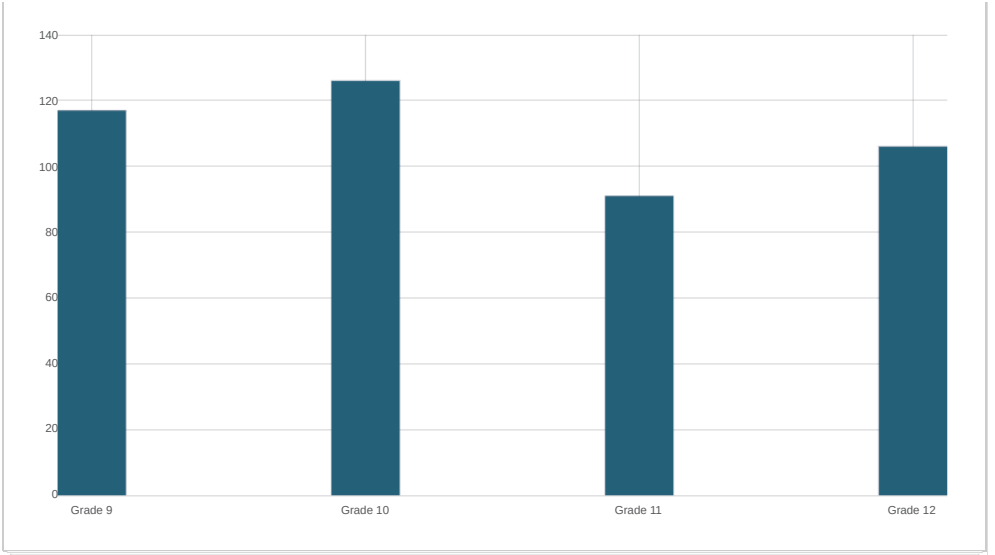
Student Enrollment by Grade Level (School Year 2019–2020)

Grade Level	Number of Students
Grade 9	117
Grade 10	126
Grade 11	91
Grade 12	106
Total Enrollment	440



Last updated: 1/11/2021

Student Enrollment by Student Group (School Year 2019–2020)

Student Group	Percent of Total Enrollment
Black or African American	0.90 %
American Indian or Alaska Native	%
Asian	0.50 %
Filipino	1.80 %
Hispanic or Latino	96.40 %
Native Hawaiian or Pacific Islander	%
White	0.20 %
Two or More Races	%

Student Group (Other)	Percent of Total Enrollment
Socioeconomically Disadvantaged	96.60 %
English Learners	11.80 %
Students with Disabilities	9.80 %
Foster Youth	0.70 %
Homeless	3.20 %

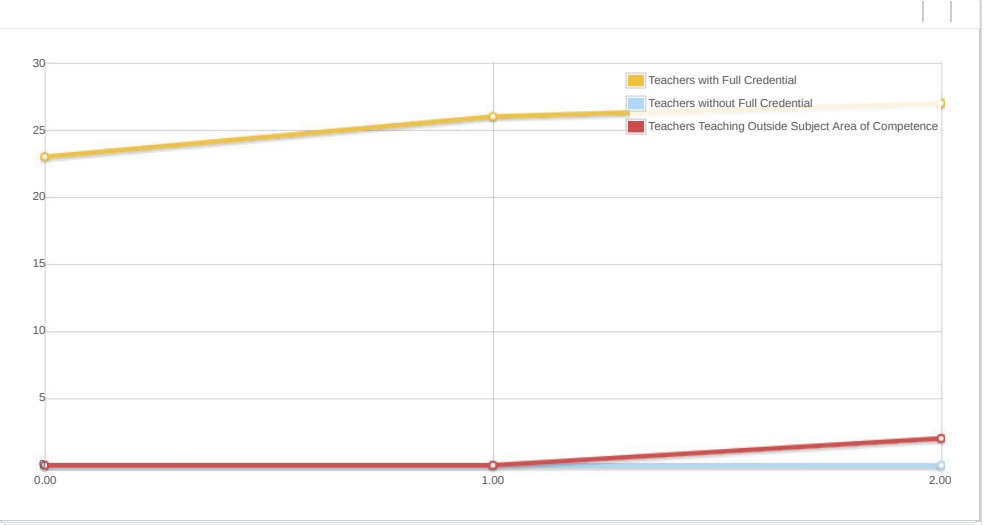
State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

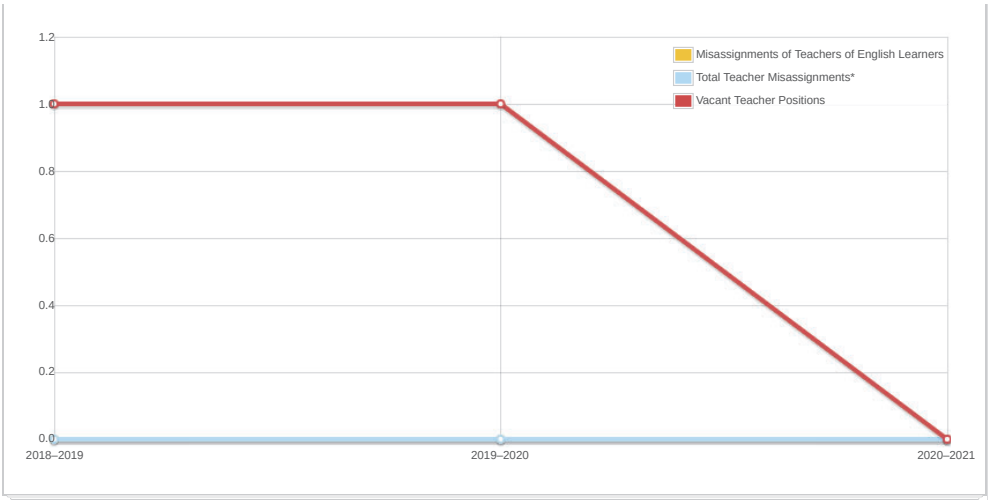
Teachers	School 2018–2019	School 2019–2020	School 2020–2021	District 2020–2021
With Full Credential	23	26	27	20610
Without Full Credential	0	0	0	669
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	2	1337



Last updated: 1/29/2021

Teacher Misassignments and Vacant Teacher Positions

Indicator	2018–2019	2019–2020	2020–2021
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	1	1	0



Note: “Misassignments” refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements

The Alliance College Ready Public Schools Facilities Department conducts numerous inspections yearly on school safety and overall general conditions of our campus. These inspections ensure that our facilities are kept safe and clean for students, families and staff.

Last updated: 1/11/2021

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: October 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Filter updates to MERV 13 in December 2020
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	

System Inspected	Rating	Repair Needed and Action Taken or Planned
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	Upgraded to touchless fixtures in 2020
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

Overall Facility Rate

Year and month of the most recent FIT report: October 2019

Overall Rating	Good

Last updated: 1/26/2021

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018–2019	School 2019–2020	District 2018–2019	District 2019–2020	State 2018–2019	State 2019–2020
English Language Arts / Literacy (grades 3-8 and 11)	75.0%	N/A	45.0%	N/A	50%	N/A
Mathematics (grades 3-8 and 11)	54.0%	N/A	34.0%	N/A	39%	N/A

Note: Cells with N/A values do not require data.
Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.
Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/26/2021

CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2019–2020)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2019–2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.
Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

Last updated: 1/26/2021

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Parents and families are always strongly encouraged to become involved in school activities within their local community. Some of these activities include; a) school beautification projects, b) parent teacher conferences, c) academic/curriculum fairs, d) numerous social and cultural events, e) collaborative events with local district representatives, and f) classroom support during instructional time. Additionally, we encourage parents to participate in a variety of workshops that we provide regularly throughout the school year. These workshops focus on college readiness, mental health, local community topics, and the ways in which parents can provide social emotional support to their scholars. Last, we also provide the Parent Leadership and Parent Ambassador programs, which are platforms through which parents can develop their leadership skills to impact change in their school community, larger charter school community, or neighborhood initiatives.
Our school also maintains a focus on seeking parent input to guide our decision making process and to ensure that multiple perspectives guide our approach to providing services. In order to do this, we hold a robust, annual stakeholder engagement cycle during which we share data and communicate our budgeting decisions to parents. During this stakeholder engagement cycle, we provide multiple meetings and forums to ensure that these opportunities are accessible to our parents, including regularly occurring townhall meetings, coffees with the principal, and committee meetings. At each of these meetings, parents have the opportunity to review our recommendations and provide feedback based on the data that we review and their own, personal experiences. After each cycle of meetings, we incorporate our families' feedback to ensure that we use our resources in a way that supports our students academic performance and experience at our school. In addition to these feedback sessions, we also offer parents the opportunity to communicate actively with our school through our annual Parent Satisfaction Survey, which provides parents an avenue through which they can rate our school on a number of indicators.

Last updated: 1/11/2021

State Priority: Pupil Engagement

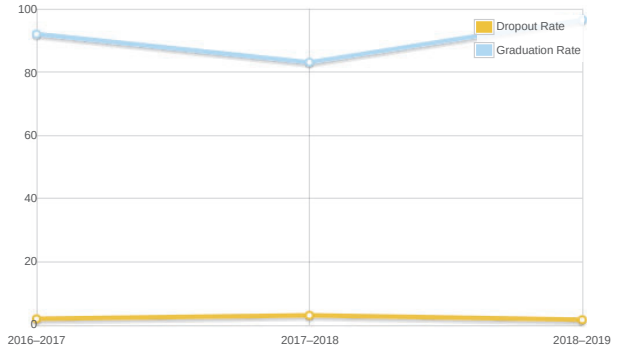
The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016–2017	School 2017–2018	School 2018–2019	District 2016–2017	District 2017–2018	District 2018–2019	State 2016–2017	State 2017–2018	State 2018–2019
Dropout Rate	2.00%	3.10%	1.70%	10.80%	11.30%	10.90%	9.10%	9.60%	9.00%
Graduation Rate	92.00%	83.10%	96.60%	79.70%	80.10%	81.50%	82.70%	83.00%	84.50%

Dropout/Graduation Rate (Four-Year Cohort Rate) Chart



Last updated: 1/26/2021

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions
(data collected between July through June, each full school year respectively)

Rate	School 2017–2018	School 2018–2019	District 2017–2018	District 2018–2019	State 2017–2018	State 2018–2019
Suspensions	0.50%	1.00%	0.80%	0.70%	3.50%	3.50%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.10%	0.10%

Suspensions and Expulsions for School Year 2019–2020 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–2020	District 2019–2020	State 2019–2020

Rate	School 2019–2020	District 2019–2020	State 2019–2020
Suspensions	1.50%	0.40%	2.50%
Expulsions	0.22%	0.02%	0.10%

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

The School Safety Plan covers policies and expectations regarding the practices at the school in maintaining the safety and security of students, staff members, and the physical campus, responding appropriately to emergencies, and creating a safe and orderly environment that is conducive to learning. The plan is organized according to the state's Standardized Emergency Management System (SEMS) and is reviewed and updated annually. Training is conducted annually at the beginning of the school year and emergency drills and exercises are conducted throughout the school year.

Types of Services Funded (Fiscal Year 2019–2020)

Alliance Ted K. Tajima High has programs in place to accelerate scholars' academic growth and ensure scholars are prepared for college and their careers by providing high quality curriculum and support services. Among these, the school provides heightened support for English Learners (EL) with the purpose of reclassifying them with the tools to succeed. The school's reclassification progress is attributed to highly trained and continuous education on evidence-based practices provided to EL staff. In addition, the school provides services for scholars with a range of mild to moderate disabilities, including specialized instructional methods. School intervention supplementary services are also provided to scholars with the purpose of improving academic achievement of disadvantaged scholars. Services rendered include professional development for teachers to assist with reinforcement of curriculum and master schedule modification to provide support classes for scholars beyond the core instructional schedule.

RISE KOHYANG HIGH SCHOOL

GRADES 9–12

PRINCIPAL'S MESSAGE

It is my great pleasure to welcome you to Rise Kohyang High School (RKHS)! Our vision for RKHS is to create a holistic and inclusive culture of success where all scholars are safe to persevere through challenges and demonstrate personal growth through collaboration, academic excellence, and a devotion to community service.

I believe passionately it is the job of our school to open as many doors as possible for our students. As such, our program includes high academic rigor coupled with high expectations, a true commitment to community, and a focus on the celebration of our diversity. As one of the pioneers of social-emotional learning in secondary education, RKHS teaches its scholars to apply the skills needed to understand and manage their emotions, demonstrate empathy, and create positive relationships and opportunities through responsible decision making.

I am honored and humbled to serve as the principal of this inspiring community.

Elias Pappas
Founding Principal
Rise Kohyang High School

"I LOVE BRIGHT STAR BECAUSE THEY GAVE ME SO MANY OPPORTUNITIES FOR MY FUTURE. THE EDUCATION IS GREAT AND CHALLENGING, AND THE TEACHERS CARE FOR US ALL. MY CLASSMATES ARE AMAZING."

– BRIGHT STAR STUDENT

RISE KOHYANG HIGH SCHOOL
A BRIGHT STAR SCHOOL

600 S. LA FAYETTE PARK PLACE, 2ND FLR.
LOS ANGELES, CA 90057

PHONE: 323-284-2553

SPORTS AND CLUBS

CIF Sports, including: soccer, basketball, volleyball, wrestling, tennis, cross-country, and track.

Arts, including: Performing arts, arts integration (including visual arts), performing arts, dance through Gabriella Foundation (including Latin Dance and Hip Hop), and music performance (2018-2019 elective course)

Leadership opportunities, including: student government, Model UN, Big Citizens Hub Program, and Youth Business Alliance

Numerous clubs, including: computer, culinary, gaming, Homecoming Committee, winter/spring Showcase Committee, and yearbook

AP CLASSES

AP offerings begin in 9th grade, and we have a 57% pass rate in 9th grade. Students can choose from up to 14 AP courses by the time they graduate as seniors, including:

- Art History
- Biology
- Calculus
- Chemistry
- English Language
- Environmental Science
- Government
- Human Geography
- Literature
- Physics
- Psychology
- Spanish
- US History
- World History

FREE AFTER-SCHOOL PROGRAMS

include clubs, tutoring, and HOLA music

COMMUNITY SERVICE

RKHS students completed over 4,000 hours of community service last year

STUDENT SUPPORT

1:90 Rise Kohyang counselor to student ratio

1:477 National average of counselors to students

1:945 California average of counselors to students

100%

of our students will graduate having met the "A through G" requirements for admission to a UC or Cal State school

LIFE EXPERIENCE LESSONS AND COLLEGE EXPERIENCE LESSONS

Through our hallmark "Life Experience Lessons" (LELs) and "College Experience Lessons," students access horizon-broadening field trips, see endless possibilities for their lives, and know that all opportunities are available to them. RKMS' incoming 9th graders experience a beginning of the year LEL, and all students experience a grade level end-of-year LEL.

TO APPLY

You may apply online via our website: **www.brightstarschools.org**, or stop by any of our schools to apply in person. To reach our enrollment team, please call (323) 954-9957 or email enrollment@brightstarschools.org.

ASSEMBLY BILL (AB) 104: 2020-2021 GRADE CHANGE POLICY

Sharing Search Search Login

Assembly Bill (AB) 104 requires school districts to implement policies that give students opportunities to counteract the impact of the pandemic on students' academic achievement and graduation credits. The new law, which went into effect on July 1, 2021, includes the option to change grades to a Pass or No Pass for students enrolled in high school last year (2020-2021 school year).

Click here for more information and to submit a grade change request for the 20-21 school year.

ABOUT US

*"So happy with this school--
the academics, the philosophy...all of it!
Every child in Los Angeles deserves
to go to a school like this one."
-Eli, parent*

Mission

Larchmont Charter School exists to provide a socio-economically, culturally and racially diverse community of students with an exceptional public education.

We foster creativity and academic excellence; our students learn with and from each other in an experience-centered, inquiry-based learning environment. With participation from our entire community, we strive to instill in each student a dedication to improving the world we inhabit.

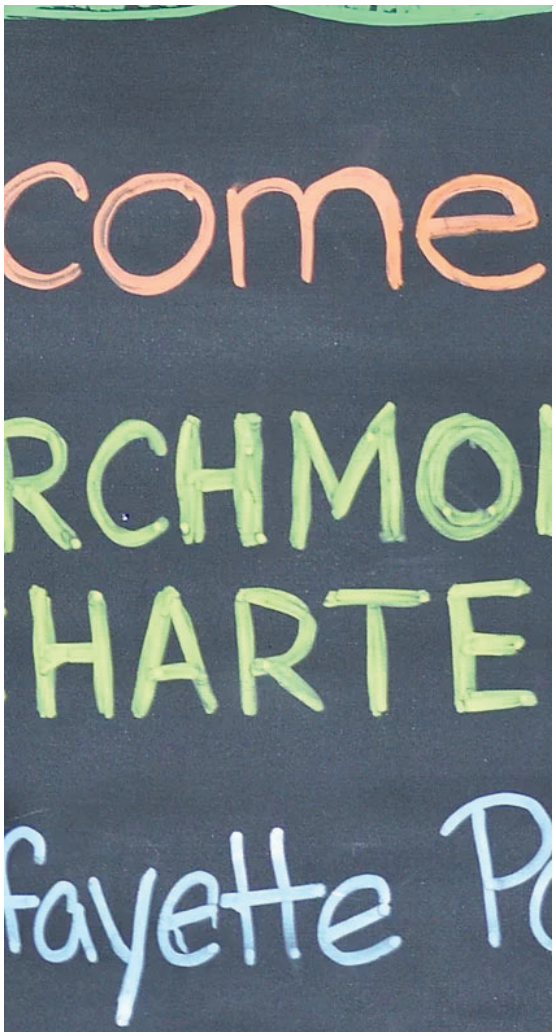
PROGRAMS
at Lafayette Park



Welcome!

Opening its doors in 2012, Larchmont's secondary program at Lafayette Park (LFP) serves approximately 600 students ranging from 8th grade to 12th grade. The high expectations of Larchmont's secondary progams rigorously prepares students for college, while continuing to foster the sense of community, love of learning and creative processes that are the hallmark of our elementary and middle school programs.

All students receive rigorous college preparatory humanities, mathematics, and science instruction from quality educators who focus on the unique needs of the learner through the constructivist lens. Students are encouraged to creatively utilize what they learn and apply it, to positively address challenges occurring in the world around them and have access to engaging elective courses, like Edible Schoolyard cooking and gardening, yoga, dance, humanities, arts, technology and science. Students additionally form, lead and manage a series of self-directed clubs, which help them continue to grow as well-rounded, successful people, able to gain entrance to the college and career path of their choice.

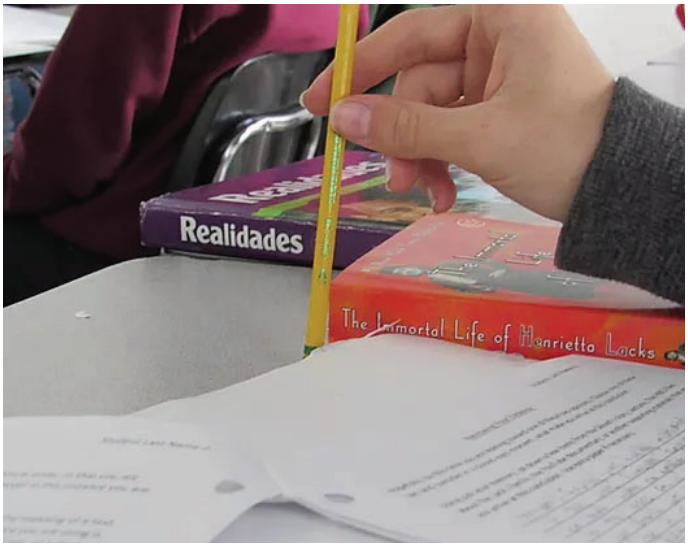
LFP's secondary curriculum is designed to meet and exceed the college admission requirements of top universities and colleges. LFP's courses are aligned to the new Common Core State Standards (CCSS). Consistent with Larchmont's inquiry-based educational philosophy and approach, the CCSS emphasizes the development of critical thinking skills and the experience of reading and writing across the curriculum. Larchmont students therefore explore non-fiction materials from varied academic areas while continuing to read fiction from varied sources and time periods. These experiences serve to help students build the analytical skills necessary to successfully complete junior and senior year research seminars and signature project.

In 11th grade, students take the Junior Research Seminar course in preparation for the 12th grade Senior Seminar where they complete their Senior Hallmark Project and an imbedded SAT preparation program. The Signature Project, a graduation requirement in the senior year, includes an extensive and well-researched thesis, oral presentation and an action research component focused on an area of each student's interest.

In order to graduate, students are required to successfully complete a minimum of 230 credits in four years in grades 9 through 12 and meet proficiency standards as determined by the State of California. Graduation requirements have also been designed to meet the University of California/California State University A-G requirements. All courses offered, with the sole exception of P.E., meet A-G requirements. Core content area courses and most electives satisfy A-G course requirements for admission to University of California and other highly selective universities. Currently, we offer twelve Advanced Placement courses including AP World History, AP US History, AP Government, AP English Language, AP English Literature, AP Calculus AB, AP Calculus BC, AP Statistics, AP Spanish Language, AP Spanish Literature, AP Biology, and AP Environmental Science.

The secondary program has a vibrant after-school programming where students can seek out additional academic support and enrichment opportunities. Athletics offered to 9th-12th students are part of an official CIF-sanctioned program. High school sports include men's and women's tennis, men's and women's volleyball, men's and women's basketball, men's and women's soccer, track and cross country. Middle school sports include all of the aforementioned

track and cross country. Middle school sports include all of the aforementioned options with the addition of flag football and baseball.



English Language Arts

English courses:

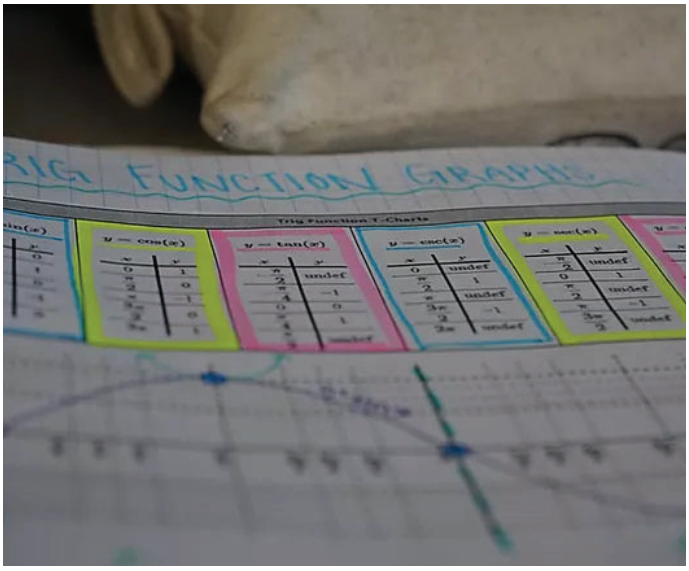
- English 9
- English 10
- English 11
- English 12
- AP English Language
- AP English Literature
- Creative Writing

Mathematics

At LFP all students have the opportunity to take an AP level course math by their Senior year.

Current Math Program Offerings:

- Pre Algebra
- Algebra I
- Algebra II
- Geometry
- Math Analysis
- Introduction to Engineering
- Pre Calculus
- AP Calculus AB
- AP Calculus BC
- AP Statistics



Science

Science courses:

- 8th grade NGSS Science
- Biology
- AP Biology
- Physics
- Chemistry
- Environmental Science
- AP Environmental Science

Social Studies

History courses:

- 8th grade US History
- World Geography
- World History
- AP World History
- US History
- AP US History
- Sociology
- US Government/Economics
- AP US Government

Foreign Language

Spanish courses:

- 8th grade Intro to Spanish
- Spanish I
- Spanish I for Native Speakers
- Spanish II
- Spanish II for Native Speakers
- Spanish III
- AP Spanish Language
- AP Spanish Literature

Electives

Elective courses:

- Edible Schoolyard: Cooking
- Edible Schoolyard: Gardening
- Photography
- Poetry
- Philosophy
- Dance I
- Advanced Dance
- Computer Science
- Mock Trial
- Middle School Art
- Yoga
- Physical Conditioning
- Yearbook
- Music Theory
- Intro to Film
- Advanced Film

Edible School Yard

The Edible Schoolyard Garden at LFP reflects the core values of both our charter and our affiliation with The Edible Schoolyard Project, founded by Alice Waters in Berkeley, CA. The goals of our program are:

- To create and maintain green spaces on campus while studying nature on and around our urban schoolyard. We primarily do this through hands-on maintenance and project oriented work days.
- To begin taking ownership of your learning through activities such as growing plants from seed, preservation practices, garden to table & body care recipes and tastings, collaboration, scientific exploration, DIY activities and more.
- To gain a deeper understanding of our responsibilities to protect the environment through conservation and sustainable practices.
- To cultivate plant life for our own enjoyment while also creating ecosystems for pollinators and birds. Doing this in such an urban setting, we learn more about the available resources and considerations given our climate requirements.

Visual And Performing Arts (VAPA)

Visual And Performing Arts courses:

- Introduction to Chorus
- Advanced Chorus
- Music Theory
- Introduction to Film
- Advanced Film
- Introduction to Theater
- Advanced Theater
- Introduction to Art
- Advanced Art
- Studio Art

Visit the LFP VAPA page.

Athletics

MIDDLE SCHOOL

- Flag Football
- Boys & Girls Basketball

- Boys & Girls Soccer
- Boys & Girls Volleyball
- Boys Baseball
- Boys & Girls Track
- Boys & Girls Cross Country
- Girls Softball

HIGH SCHOOL

- Boys & Girls Basketball
- Boys & Girls Soccer
- Boys & Girls Volleyball
- Boys Baseball
- Boys & Girls Track
- Boys & Girls Cross Country
- Boys & Girls Tennis
- Girls Softball

All programs are based on student interest and support.

Visit the LFP Athletics page.

Student Support

Academic Counseling, Social-Emotional Learning and Special Education

Social-Emotional Learning

At LCS we believe that social and emotional learning is integral to academic success. A number of tools have been blended together to create an SEL program that specifically develops skills in self-recognition & emotional self-management, empathy toward others, conflict resolution and problem-solving.

Key components within Social Emotional Learning include:

- SLO's (School-wide Learning Outcomes), integrated into all of our lessons and interactions with students throughout the day.
- mindfulness, which creates space for students, changing their impulsive reactions to more thoughtful responses.
- positive discipline/alternatives to suspension. We understand that students are still developing an understanding of school expectations, friendships, and countless other skills required to navigate a school setting. With that in mind, our discipline policy/student guidance plan, focuses on a restorative approach to addressing any negative behaviors which may occur at school. Restorative systems include: mediation, conversations, reflection time, repairs, community service, goal plans, and much more.

For more information regarding Larchmont Charter's Student Support Services and special education, please contact Myra Salinas at myra.salinas@larchmontcharter.org.

See additional resources below:

Special Education

The vision of Larchmont Charter's special education program is to ensure life success and/or college success by providing quality instruction to all students with special needs in the least restrictive environment. While the co-teaching model is the ideal method in providing instruction for students with special needs, Larchmont Charter recognizes that given its student population and facilities challenges, it will take some time to achieve this goal. At this time Larchmont Charter implements a pull-out/push-in method in providing services for students with special needs.
Larchmont Charter also provides speech, occupational therapy, counseling, adapted physical education, educational- related intensive counseling services, recreational therapy, and behavior intervention supports.

Our goal for our students with special needs is to master strategies and skills to compensate for their unique learning profiles to enable them to demonstrate learning or proficiency/mastery of the common core standards with the end goal of being exited from the special education program prior to high school graduation.

Differentiation & Gifted Learners: The year begins with an assessment of each learner's ability level, against which individual progress is regularly measured. This is coupled with high expectations for all students, enabling students at all levels to thrive. Larchmont Charter School does not offer separate classes for Gifted/Talented learners. Rather, within the auspices of our program, we utilize curriculum, approaches, and instructional methods which allow us to meet students at their level and to be able to provide differentiated and rigorous learning opportunities.

Curriculum

The state-led effort to develop the Common Core State Standards was launched in 2009 by state leaders, including governors and state commissioners of education from 48 states, two territories and the District of Columbia, through their membership in the National Governors Association Center for Best Practices (NGA Center) and the Council of Chief State School Officers (CCSSO). State school chiefs and governors recognized the value of consistent, real-world learning goals and launched this effort to ensure all students, regardless of where they live, are graduating high school prepared for college, career, and life.

The standards are informed by:

- The best state standards already in existence
- The experience of teachers, content experts, states, and leading thinkers
- Feedback from the public

Language Arts Standards

The Common Core asks students to read stories and literature, as well as more complex texts that provide facts and background knowledge in areas such as science and social studies. Students will be challenged and asked questions that push them to refer back to what they've read. This stresses critical-thinking, problem-solving, and analytical skills that are required for success in college, career, and life.

Special Education and Resources

We Climb

**Growing together.
Building together.**

We Climb

JOIN US ON OUR "WE CLIMB" CAMPAIGN TO RAISE $5.5 MILLION FOR AN EVEREST VALUE SCHOOL CAMPUS.
FIND OUT HOW

The Common Core concentrates on a clear set of math skills and concepts. Students will learn concepts in a more organized way both during the school year and across grades. The standards encourage students to solve real-world problems.

The full list of criteria used to develop the standards is available here.

One Size Does Not Fit All

The Value Schools model is not a "one-size-fits-all" approach. What directs the instructional process is student needs, not the dictates of a particular curriculum or methodology. Good teachers always analyze student needs regardless of who selects the methods and materials. The Value Schools model focuses the teachers' attention first on the needs of the student, and gives responsibility for choosing the most effective means to the teacher in collaboration with the principal and other on-site learning professionals. If the methods and materials are not successful, there is no blame assigned to the curriculum planners for poor decisions; responsibility is immediate and local.

Value Schools is not organized around a particular pedagogical style; rather it is organized around the twin centers of the five core values and the student needs. Educators know a variety of sound pedagogical methods. Using their professional judgment, they determine the learning strengths and needs of each student and the most efficient way for each student to acquire the knowledge or skill set by the curriculum.

Do you have questions about the English Language Development (ELD) Standards? The California Department of Education (CDE) has published resources for understanding the ELD Standards and their alignment to English Language Arts Standards. Read more about it out here.

Central City Value High School Course Guide

Central City Value High School uses the standards-based curricula adopted by the California State Board of Education and the State Department of Schools for the essential subject areas of Language Arts, Mathematics, Science, and Social Studies. University Prep Value School also uses the California State Board of Education's standards-based curricula in the areas of Fine Arts, Health/Physical Education and World

Languages.

Subjects:

- **Language Arts:** writing, reading, written and oral conventions, listening and speaking, including critical thinking and analysis. **Courses:** *English 9/9 Honors, English 10/10 Honors, English 11/11 Honors, AP English Language and Composition, English 12/12 Honors, AP English Literature, Practical Writing 9, English Language Acquisition (ELA).*
- **Mathematics:** *Math Readiness, Geometry, Algebra I/Honors and Algebra II/Honors, Pre-Calculus, and AP Calculus*
- **Social Studies:**
  - Grade 9: *Freshman (Value) Seminar*
  - Grade 10: *World History/Honors*,
  - Grade 11: *United States History/Honors, AP United States History*
  - Grade 12: *United States Government and Politics, AP US Government and Politics, Economics*
- **Science**: Grades 9 - 12: *Physical Science, Chemistry/Honors, Biology/Honors, AP Biology, Physiology/Honors and Health.*
- **Arts**: *Drama and Visual Arts – Art 1, Drawing and Painting, AP Studio Art: Drawing*
- **Physical Education**: *Grades 9 and 10*
- **World Languages**: *Spanish I, Spanish II, Spanish III, AP Spanish Language*
- **Electives**: *Art 3D Design, Chicano Studies, Drawing and Painting, En neering for the Future, Game Design, Health, History of Rock & Roll, Intro to Bu iness, Intro to Computer Science, Latin American History, Life Skills, Printmaking & Design, Psychology, SAT Prep, Women and Gender Studies, World Religions*

Courses meet the A-G requirements of the University of California. This includes four years of English, three years of Social Studies, three years of mathematics, two years of laboratory science, two years of a language other than English, one year of visual and performing arts, and one year of an elective from the preceding content areas.

Athletics

Jaguars Pitcher [redacted] working on his pitching mechanics with Coach Mac Marroquin

Jaguars Athletic Philosophy

Athletics plays an important part in the life of Central City

Athletics plays an important part in the life of Central City Value High School. Young people learn a great deal from participation in interscholastic athletics. Lessons in sportsmanship, teamwork, competition, and how to win and lose gracefully are integral parts of the athletic program. Athletic participation also plays an important part in helping students develop a healthy self-concept, as well as a healthy body. Athletic competition also improves school spirit and helps students develop pride in Central City. Most importantly, it is a privilege to participate in athletics at Central City.

The opportunity for participation in a wide variety of student-selected activities is a vital part of a student's educational experiences. Such participation is a privilege that carries with it responsibilities to the school, to the activity, to other students, to the community, and to the athletes themselves. These experiences contribute to the development of learning skills and emotional patterns that enable the student to achieve maximum benefit from their education.

The major objective of the athletic program is to provide wholesome opportunities for students to develop positive leadership habits and attitudes of social and group interaction.

Coaching leadership is of the highest quality at Central City and provides athletes with the examples of exemplary behavior. Measurement of leadership success is not in terms of the tangible evidence of victories and defeats. Character, courage, commitment, and integrity are the major objectives of the Central City Athletic Program.

The athletic program at Central City is supplemental to the academic program which strives to provide experiences that will help to develop the students physically, mentally, socially, and emotionally. Participation in athletics at Central City seeks to instill the following Five Values:

1. Academic Excellence
2. Realizing Potential
3. Individual Respect
4. Community Values
5. Service to Others

The California Interscholastic Federation (CIF) and the Central City Athletic Department determine the levels of competition and regulations. Central City proudly supports the CIF's Sportsmanship Program: **"Character Counts – Pursuing Victory with Honor"**. Central City Student/Athletes and coaches are expected to abide by the six pillars of character: **Caring, Good Citizenship, Fairness, Respect, Responsibility, and Trustworthiness.**

Sports Offered at Central City Value:

Girls Volleyball **Boys Volleyball**

Cross Country **Dance & Cheer**

Girls Basketball **Boys Basketball**

Girls Soccer **Boys Soccer** **Baseball**

About LAAAE

Los Angeles Academy of Arts and Enterprise (LAAAE) is a public charter school located in the west downtown Los Angeles community.

The founding of LAAAE originated with Moctesuma Esparza, a motion picture industry leader who has received over 200 honors and awards, including an Emmy Award and Clio Award, as well as nominations for an Academy Award and a Golden Globe. In addition to movie making, Esparza has been active in the community, including previously serving on the Board of Directors of Los Angeles County High School for the Arts (LACHSA) which is located on the California State University, Los Angeles campus. This experience led Esparza to envision a charter school as an option for students unable to access LACHSA, but whose dreams and talents needed to be nurtured and developed. He believed all students, regardless of socioeconomic status, should have access to a college preparatory curriculum with an emphasis on visual and performing arts and entrepreneurship. Thus, LAAAE was founded and continues to develop into a viable public education option for students and families.

On August 24, 2004, Los Angeles Unified School District (LAUSD) authorized LAAAE to open in September 2005. Upon initial authorization, LAAAE only offered sixth grade. Adding one grade each subsequent year, LAAAE graduated its first senior class in June 2012. LAAAE has now graduated nine senior classes. LAAAE is currently collocated with Roybal Learning Center at 1200 West Colton Street, Los Angeles. Previously, LAAAE was based at 600 South La Fayette Park Place, Los Angeles from 2006 to 2016 and at 3119 West 6 Street, Los

Angeles from 2005 to 2006. LAAAE's charter has been renewed by LAUSD on multiple occasions, most recently in March 2020.

Since its founding, LAAAE has served a predominantly minority, immigrant, and socially and economically underserved population. With an average enrollment of 330 for the past five years, its small size has enabled the fostering of a family-like community. In school year 2019-2020, LAAAE's enrollment was 291. Over 98% of students were socioeconomically disadvantaged. Ninety-nine percent (99%) were minorities and over 91% of students were, or had previously been classified as, an English language learner.

As is implied in its name, students have access to a wide variety of courses in the arts (dance, film, music, radio, theater, and visual arts) and business. Middle school students receive arts and enterprise instruction through an exploratory wheel which enables them to learn different related topics each quarter. The exploratory wheel content changes annually to provide students broad exposure across the arts and entrepreneurship throughout their middle school experience. The 2020-2021 exploratory wheel spokes include: animation, business, cinema production, and dance. Advanced middle school students may enroll in high school or college level classes.

High school students follow an A-G curriculum and complete coursework in both the arts and business to graduate. School year 2020-2021 high school academic course intensity offerings range from intervention to college level and include over 35 University of California A-G approved courses. Five of these are also currently authorized on the College Board's AP Course Audit Ledger and include: AP 2-D Art and Design, AP Calculus, AP Computer Science Principles, AP Spanish Language and Culture, and AP Spanish Literature and Culture. *One hundred percent (100%) of the students who took the AP Spanish Language and Culture exam in May 2020 earned a passing score.*

Through a partnership with Los Angeles City College (LACC), students can take LACC courses at LAAAE. In 2019, LAAAE launched another dual enrollment pathway with LACC through the K12 Strong Workforce Program. These on- and off-campus dual enrollment classes lead students to certification in animation or cinema. To obtain certification, students must complete two years (concentrator and capstone) of coursework in their respective pathway. During the completion of the respective pathway, students obtain skills needed to obtain a job in the cinema or animation industry. There are other career-real-world experiences at LAAAE.

Over two days in December 2019, LAAAE students trained with Swan Lake's (Matthew Bourne) company onstage. After the workshops, students choreographed their own dance and performed it for the company. A few days later, the students were able to see a Swan Lake performance. In February 2019, LAAAE students had a similar experience but with Matthew Bourne's innovative adaptation of Cinderella. On both occasions, students rehearsed in the Music Center studios in downtown Los Angeles and performed on the

Ahmanson stage! During the 2017-2018 school year, LAAAE collaborated with Ballet Hispanico, including participating in a company residency with one of their teaching artists. LAAAE hosts a semiannual showcase (December and May) to feature the visual and performing arts students' talent.

LAAAE in consortium with the National Hispanic Media Coalition and other agencies, was granted broadcasting rights on 101.5 FM in late 2016. Radio classes were then launched to teach students requisite skills for broadcasting. There is a timeshare agreement among the broadcasting partners and each collectively contribute to the signal's transmission. Music production later emerged from radio production. From 2017 to 2020, LAAAE partnered with the Latino Film Institute Youth Cinema Project. In that program, students engaged deeply in all elements of filmmaking and created their own short film. Students were mentored weekly by active members of the entertainment industry. In the culminating activity, students debuted their films at the Linwood Dunn Theater – a screening facility for the Academy of Motion Picture Arts and Sciences. Related noteworthy accomplishments include a student script being selected for a live YouTube read by cast members from NBC's Broke! and another student being featured (October 2020) on the Cartoon Network's series Drawn to Storytelling. Movie making now continues through the LACC pathway.

In 2014, the "D" letter grade was eliminated in both the middle and high school educational program. All students are expected to earn at least a C in order to successfully complete a course. Beyond academics, LAAAE's educational program has a holistic approach and includes providing multi-tiered systems of supports. These systems of support include: positive behavioral interventions and supports (PBIS), multiple opportunities to demonstrate mastery, and a targeted tutoring program. The California PBIS Coalition awarded LAAAE Silver recognition in 2016, 2017, and 2018 and Platinum recognition in 2019, for its systems of tiered interventions. LAAAE is the only California charter school to earn Platinum recognition in the award's history. The California PBIS Coalition recognized LAAAE as a Community Cares recipient in 2020 for its ongoing, positive efforts throughout the COVID-19 pandemic. Other notable recognitions include True Grit in 2015 by Educators 4 Excellence for making significant academic growth. LAAAE was also recognized in 2015 with a Best High Schools Bronze Medal by U.S. News and World Report.

LAAAE has a robust student services team which collaborates with community-based organizations to provide onsite and offsite individual and group therapy, family therapy, gang prevention, and gang intervention. LAAAE has also partnered with Woodcraft Rangers to provide comprehensive after school and extended break programming and services.

To ensure no child goes hungry, LAAAE students are provided with breakfast-in-the-classroom (BIC), lunch, afterschool snack, and supper (for students who stay afterschool).

To promote attendance, LAAAE students are provided with transportation. Most students are issued a transit access pass (TAP card) to ride the public bus (LA Metro and DASH) to school. Alternatively, students may participate in the school-operated transportation services before and after school. Transportation services have been suspended until further notice. During the pandemic, food service has continued in the community. Funding from No Kid Hungry enabled supper and weekend service during June through October. Woodcraft Rangers now supports this initiative.

In 2010, LAAAE initially applied for and received accreditation from the Western Association of Schools and Colleges (WASC). In November 2014 and March 2018, WASC reaffirmed LAAAE's accreditation until June 2021. In 2012, LAAAE became an associate member of the California Interscholastic Federation. In 2015, LAAAE was admitted as a full member. LAAAE's athletic program offers boys' and girls' sports each season. Interested student athletes may participate in any team. Due to the pandemic, athletics have been suspended until further notice.

LAAAE is incorporated as a California nonprofit public benefit corporation and is recognized as a 501(c)(3) entity with the Internal Revenue Service (IRS). Financial statements are independently audited annually. The audit reviews compliance in accordance with generally accepted auditing standards; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, issued by the California Education Audit Appeals Panel as regulations. LAAAE's 2019-2020 unaudited financial statements report over two million in net assets. The 2020-2021 fiscal year budget balances nearly five million dollars.

The California PBIS Coalition recognized LAAAE in August 2020 for its outstanding contribution of support and care during the COVID-19 pandemic.

The California PBIS Coalition awarded LAAAE Silver recognition in 2016, 2017, and 2018 and Platinum recognition in 2019. LAAAE is the only California charter school to earn Platinum recognition in the award's history.

Professional Associations and Memberships

Los Angeles Academy of Arts and Enterprise is associated with: California Association of School Business Officials (CASBO), California Charter Schools Association (CCSA), California Interscholastic Federation (CIF), College Board, Latino Film Institute's Youth Cinema Project, National Foundation for Teaching Entrepreneurship (NFTE), School Services of California (SSC), Western Association of Schools and Colleges (WASC), and Woodcraft Rangers.

LAAAE teachers and leaders are members of: Association of Supervision and Curriculum Development (ASCD), California Art Education Association (CAEA), California Association for Health, Physical Education, Recreation and Dance (CAHPERD), California Association of Bilingual Education (CABE), California Association of School Counselors (CASC), California Association of Resource and Special Educators (CARS+), California Business Education Association (CBEA), California Council for the Social Studies (CCSS), California Mathematics Council (CMC), California School Nutrition Association (CSNA), California Science Teachers Association (CSTA), National Art Education Association (NAEA), National Association for Bilingual Education (NABE), National Council of Teachers of Mathematics (NCTM), and National Science Teachers Association (NSTA).

LAAAE was awarded a Verizon grant

In May 2019, the Verizon Innovative Learning (VIL) program awarded LAAAE with a grant for materials and curricula. LAAAE is one of 70 schools nationwide and one of five California schools selected to participate. VIL is a virtual reality STEM based program developed by the Verizon Foundation and Arizona State University to teach students about: emerging technology, design thinking process, entrepreneurial thinking, and sustainable development goals.

LAAAE was awarded No Kid Hungry grants

LAAAE pursued funding to expand its community food service program. These grants provided supper and weekend food service during the pandemic from June to October.

LAAAE was recognized with a Bronze Medal from U.S. News and World Report

U.S. News and World Report annually evaluates and recognizes the best high schools in the United States. In their 2015 recognition, LAAAE earned a Bronze Medal.

LAAAE was awarded K12 Strong Workforce grants

In April 2019, LAAAE was one of three Los Angeles high schools selected to participate in a dual enrollment pathway with Los Angeles Community College through the K12 Strong Workforce Program (SWP). While this program continues, LAAAE was funded again for the second and third rounds to continue expanding career education programming in animation and cinema.

LAAAE's Accreditation was Reaffirmed

In April 2018, WASC visited and reaffirmed LAAAE's accreditation until June 30, 2021. LAAAE had great feedback from the Visiting Committee during the January 2021 visit and awaits its final recommendation. LAAAE has been accredited since 2010.

LAAAE's Charter was Renewed by Los Angeles Unified School District

In March 2020, LAUSD renewed LAAAE's charter until June 2025. LAAAE was initially authorized by LAUSD on August 24, 2004 to open in 2005.

Optional Narrative Summary

Completed By Los Angeles Academy of Arts and Enterprise

Los Angeles Academy of Arts and Enterprise (LAAAE) is a public charter school which largely serves the west downtown Los Angeles community. Since its founding in 2005, LAAAE has served a predominantly minority, immigrant, and socially and economically underserved population.

Vista Legacy Global Academy
Intent to Re/Enroll Form

Dear current and potential Vista Legacy Global Academy parents/guardians:

This form may be used to support Charter School's request for facilities pursuant to Proposition 39 (California Education Code section 47614). By submitting this form, you are indicating that you are meaningfully interested in enrolling or re-enrolling (as applicable) your child in Charter School's classroom-based program during the 2023-24 school year. Thank you very much for your support and cooperation!

Student Information:

Please fill out one form for EACH student.

Student Name: [redacted] **Grade Level in 2023-24:** 9th
Last, First, Middle

Home Address (including zip code): [redacted]

Home Phone: ([redacted] **Date of Birth:** [redacted]

Does this student currently attend a Charter School?

Yes or No (circle one)

Is this child a resident of Los Angeles Unified School District ("LAUSD")?

Yes or No (circle one)

If yes, please list the name of LAUSD School this student would otherwise attend:

[redacted]

Parent/Legal Guardian Name: [redacted]
Last, First, Middle

Home [redacted]

Home Phone: (___) [redacted] **Email:** [redacted]

By signing below, I am indicating that I am meaningfully interested in enrolling or re-enrolling (as applicable) the above named child in Charter School for the 2023-24 school year. I understand that signing this form does not guarantee enrollment in Charter School. I further understand that this information will be disclosed to the LAUSD to support Charter School's request for facilities under Proposition 39.

Signature of Parent/Legal Guardian: [redacted] **Date:** 8.5.2022

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Vista Charter Public Schools, Inc.
and Affiliated Organizations
(California Nonprofit Public Benefit Corporations)
Los Angeles, California

Report on the Financial Statements

We have audited the accompanying combined financial statements of Vista Charter Public Schools, Inc. (the Organization), and its Affiliated Organizations: Vista Charter Public Schools Foundation (the Foundation) and 2900 W. Temple LLC (the LLC) (California Nonprofit Public Benefit Corporations), which are comprised of the combined statement of financial position as of June 30, 2021, and the related combined statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

3040 Saturn Street • Suite 107 • Brea, California 92821 • (714) 529-7707 • FAX (714) 572-1525

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the respective financial position of the Organization, as of June 30, 2021, and the changes in its net assets, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information such as the Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and the other supplementary information as listed on the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements.

The Schedule of Expenditures of Federal Awards and other accompanying supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. Such information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the combined financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2021, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

NOTE 1 - ORGANIZATION AND MISSION

Vista Charter Public Schools, Inc.

Vista Charter Public Schools, Inc. (the Organization) is a nonprofit public benefit corporation located at 2900 W. Temple Street, Los Angeles, CA 90026. Under the Charter Schools Act of 1992, a charter school is authorized to elect to operate as, or be operated by, a nonprofit public benefit corporation. The Organization is organized and operated exclusively for educational and charitable purposes pursuant to and within the meaning of Section 501(c)(3) of the Internal Revenue Code.

The Organization operates four charter schools (the Charter Schools) in Los Angeles and Orange counties serving students in transitional kindergarten through grade eight. The Charter Schools' mission is to create a transformative TK-8 learning experience that is engaging, globally oriented, and builds a strong STEAM foundation for college and career readiness in a learning environment that allows students to have power in developing their identity within personal, interpersonal and educational realms. We aim to provide a quality education for all students by focusing on both heart and mind as critical tools of student engagement in learning. Our compassionate community of global learners focuses on developing students' knowledge and skills, as well as their attitudes, behaviors, aspirations, and beliefs for success in the 21st-century economy.

Vista Charter Middle School – Charter No. 1234

Vista Charter Middle School (Vista CMS) was formed as a charter school pursuant to *California Education Code* Section 47600 under a charter agreement with the Los Angeles Unified School District. The charter agreement was approved by the Los Angeles Unified School District in 2010 and has been renewed for a five-year term expiring in 2025. Vista Charter Middle School is located at 2900 W. Temple St., Los Angeles, California. Vista Charter Middle School opened September 1, 2010, and currently serves approximately 390 students in grades sixth through eighth.

Vista Heritage Global Academy – Charter No. 1752

Vista Heritage Global Academy (Heritage) was formed as a charter school pursuant to California Education Code Section 47600 under a charter agreement with the Orange County Department of Education. The charter agreement was entered into in July 2015 and expires in 2020. Vista Heritage Global Academy is located at 206 West Fifth St., Santa Ana, California. Vista Heritage Global Academy opened August 24, 2015, and currently serves approximately 290 students in grades sixth through eighth.

Vista Condor Global Academy – Charter No. 1930

Vista Condor Global Academy (Condor) was formed as a charter school pursuant to *California Education Code* Section 47600 under a charter agreement with the Orange County Department of Education. The charter agreement was entered into in April 2018. Vista Condor Global Academy is located at 2519 West Fifth St., Santa Ana, California. Vista Condor Global Academy opened August 13, 2018, and currently serves approximately 215 students in transitional kindergarten through fifth grade.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

Vista Horizon Global Academy – Charter No. 2043

Vista Horizon Global Academy (Horizon) was formed as a charter school pursuant to *California Education Code* Section 47600 and was authorized by the Los Angeles Unified School District at its November 2018 board meeting for a five-year term expiring in 2024. Vista Horizon Global Academy is located at 980 S. Hobart Blvd., Los Angeles, California. Vista Horizon Global Academy opened July 1, 2019, and currently serves approximately 70 students in transitional kindergarten through fifth grade.

Other Related Entities

2900 W. Temple, LLC

In 2014, the Organization formed the 2900 W. Temple, LLC (the LLC) exclusively for charitable purpose solely related to property and assets of the Organization, for charitable purposes as specified in Section 501(c)(3) of the Internal Revenue Service. The Charter Schools make lease payments to the LLC, in accordance with the lease agreements. Vista Charter Public Schools, Inc. is the sole member of the LLC.

Vista Charter Public Schools Foundation

Vista Charter Public Schools Foundation (the Foundation) is organized for the public and educational support purposes as specified in its Articles of Incorporation. It is not organized for private gain of any one individual person. It is organized under the Nonprofit Corporation Law of California ("California Nonprofit Corporation Law") for public Purposes.

1. To support the charitable and educational mission of Vista Charter Public Schools, Inc., a California nonprofit, tax-exempt corporation, and any and all California public charter school that the Organization operates;

2. To undertake any and all additional activities as may be proper in connection with this corporation's specific purposes for which this corporation is formed, and which are exclusively charitable and educational within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986.

The Foundation did not have any activity during the year ended June 30, 2021.

California Charter Schools Joint Powers Authority

The Organization's charter schools are associated with the California Charter Schools Joint Powers Authority (the JPA). The JPA does not meet the criteria for inclusion as a component unit of the Charter Schools. The JPA arranges for and provides for various types of insurances for its member schools as requested. The JPA is governed by boards consisting of one or more representatives from each member. The board controls the operations of the JPA, including selection of management and approval of operating budgets, independent of any influence by the member schools beyond their representation on the boards. Each member school pays a premium commensurate with the level of coverage requested and shares surpluses and deficits proportionate to their participation in the JPA. Information on JPAs financials can be obtained by contacting the JPA directly at 6401 Linda Vista Road, Orange, California, 92111. Organization's total expenses paid to the JPA for year ended June 30, 2021, were $8,840.

El Dorado Charter Special Education Local Plan Area (*SELPA*)

The Organization's Heritage and Condor charter schools are associated with the El Dorado Charter SELPA (the SELPA). The SELPA does not meet the criteria for inclusion as a component unit of the Organization. The SELPA provided special education ancillary and/or related services. Total expenses for year ended June 30, 2021, were $11,681.

Los Angeles County Office of Education Special Education Local Plan Area (*SELPA*)

The Organization's Vista CMS and Horizon charter schools are associated with the Los Angeles County Office of Education SELPA (the SELPA). The SELPA does not meet the criteria for inclusion as a component unit of the Organization. The SELPA provided special education ancillary and/or related services.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES AND PROCEDURES

Basis of Accounting

The accompanying financial statements were prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as applicable to nonprofit organizations. Revenues are recognized as discussed below, and expenditures are recognized in the accounting period in which the liability is incurred.

Principles of Combination

The combined financial statements include the accounts of Vista Charter Middle School, Vista Heritage Global Academy, Vista Condor Global Academy, and Vista Horizon Global Academy. All material intercompany transactions have been eliminated (Eliminations). As a part of its mission, Vista Charter Public Schools, Inc., has created a limited liability company that owns real estate for educational purposes. Vista Charter Public Schools, Inc., is the sole member of the LLC. They lease these facilities to the Organization. Since this support is closely aligned with Vista Charter Public Schools, Inc. and they are financially inter-related, the LLC's financial information is combined with the Vista Charter Public Schools, Inc. audit. This consolidation is required due to common control with shared leadership and management. For disclosure purposes, the financial information of the entities are separated within the report as a matter of clarification.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- *Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor restrictions. The board of directors has designated $524,763 in net assets without donor restrictions for the year ended June 30, 2021.

**VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)**

**NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021**

- *Net Assets with Donor Restrictions* – Net assets subject to donor (or certain grantor) restrictions. Some donor imposed (or grantor) restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. The Organization reports contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Cash and Cash Equivalents

The Organization considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents (including cash in the County Investment Pool and LLC investments).

Receivables and Credit Policies

Accounts receivable consist primarily of noninterest-bearing amounts due for educational programs. Management determines the allowance for uncollectable accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectable. No allowance for doubtful accounts has been established, as the Organization deems all amounts to be fully collectible. Substantially all outstanding accounts receivable as of June 30, 2021, are due from state and/or federal sources related to grant contributions and are expected to be collected within a period of less than one year.

Intercompany Receivable/Payable

Intercompany receivable/payable results from a net cumulative difference between resources provided by on charter school account to the other charter schools and reimbursement for those resources from each charter school to the home office account. Operating transfers include certain costs of shared liabilities and shared assets between the Organization.

Property and Equipment

Property and equipment additions over $5,000 are recorded at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any remaining gain or loss is included in the statement of activities. Cost of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

The Organization reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2021.

Investments

The Organization records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values on the statement of financial position. Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Revenue and Revenue Recognition

Revenue is recognized when earned. Operating funds for the Organization are derived principally from state and federal sources. The Organization receives state funding based on each of the enrolled student's average daily attendance (ADA) in its school. The Organization receives federal and state grants, which are paid through the California Department of Education or other state agencies. Revenues related to these federal and state grants are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract and grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position.

Contributions of goods are recorded at fair value. Contributions of services are recorded at fair value as revenue at the time the service is rendered when specialized skills are required and when the Organization would otherwise purchase the services. No amounts have been reflected in the accompanying financial statements for contributed goods or services during the year being reported because items did not meet the definition above. Contributions with donor restrictions received are recorded as increases in net assets with donor restrictions. Net assets with donor restrictions received are recognized as revenue without donor restrictions when the terms of the restrictions are met, which may be in the same period if the revenue is received, and the restriction satisfied during the same period. All contributions are considered to be available for use without donor restrictions unless specifically restricted by the donor.

Functional Allocation of Expenses

The financial statements report categories of expenses that are attributed to program service activities or supporting services activities. The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's estimates.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

Income Taxes

The Organization is organized as a California nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as organizations described in Section 501(c)(3), qualify for the charitable contribution deduction under Section 170(b)(1)(A)(vi). It is also exempt from State franchise and income taxes under Section 23701(d) of the California Revenue and Taxation Code. The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. The Organization determined that it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

The Organization has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740 that clarifies the accounting for uncertainty in tax positions taken or expected to be taken on a tax return and provides that the tax effects from an uncertain tax position can be recognized in the financial statements only if, based on its merits, the position is more likely than not to be sustained on audit by the taxing authorities. Management believes that all tax positions taken to date are highly certain. Accordingly, no accounting adjustment has been made to the financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Financial Instruments and Credit Risk

Deposit concentration risk is managed by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, no losses have been experienced in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members, governmental agencies, and foundations supportive of the Charter School's mission.

**VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)**

**NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021**

Finance and Operating ROU

Right-of-Use (ROU) assets represent the right to use an underlying asset for the lease term and lease liabilities represent the obligation to make lease payments arising from the lease. Finance and operating lease ROU assets and liabilities are recognized at the lease commencement date and are based on the present value of lease payments over the lease term. As most leases do not provide an implicit rate, a risk-free rate is utilized in lieu of determining an incremental borrowing rate at the commencement date in deciding the present value of lease payments. The finance and operating lease ROU asset also includes any lease payments made and excludes lease incentives. Lease expense is recognized on a straight-line basis over the lease term. Lease agreements with lease and non-lease components are generally accounted for separately.

Recent Accounting Pronouncements

In September 2020, FASB issued ASU 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities Contributed Nonfinancial Assets, which requires a nonprofit entity to present contributed nonfinancial assets in the statement of activities as a line item that is separate from contributions of cash or other financial assets. ASU 2020-07 also requires additional qualitative and quantitative disclosures about contributed nonfinancial assets received, disaggregated by category. The ASU is effective for the Organization for the year ended June 30, 2022. Management is evaluating the impact of the adoption of this standard.

Changes in Accounting Principles

FASB Accounting Standards Codification Topic 606, Revenue from Contracts with Customers, as amended, supersedes, or replaces nearly all GAAP revenue recognition guidance. These standards establish a new contract and control-based revenue recognition model, change the basis for deciding when revenue is recognized over time or at a point in time, and expand disclosures about revenue.

ASU 2020-05 defers the effective date of FASB ASC 606, Revenue from Contract with Customers, for certain entities that have not yet issued their financial statements (or made financial statements available for issuance) reflecting the adoption of FASB ASC 606. Those entities may elect to adopt FASB ASC 606 for annual reporting periods beginning after December 15, 2019, and for interim reporting periods within annual reporting periods beginning after December 15, 2020.

The Organization has adopted this standard as management believes the standard improves the usefulness and understandability of the Organization's financial reporting. Accordingly, there is no effect on net assets in connection with the implementation of ASC 606.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

The Organization adopted the new lease accounting guidance in Accounting Standards Update (ASU) No. 2016-02, Leases (Topic 842). The Organization elected to apply the guidance as of July 1, 2020, the beginning of the adoption period. The comparative financial information and disclosures presented are in accordance with the legacy standard, Accounting Standards Codification (ASC) 840. The standard requires the recognition of right-of-use assets and lease liabilities for lease contracts with terms greater than 12 months. Operating lease costs are recognized in the income statement as a single lease cost and finance lease costs are recognized in two components, interest expense and amortization expense. the Organization has elected the package of practical expedients permitted in ASC Topic 842. Accordingly, the Organization accounted for its existing leases as an operating lease under the new guidance, without reassessing: (a) whether the contract contains a lease under ASC Topic 842; (b) whether classification of the operating lease would be different in accordance with ASC Topic 842; or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in ASC Topic 842 at lease commencement.

As a result of the adoption of the new lease accounting guidance, the Organization recognized on July 1, 2020, the beginning of the adoption period, an operating lease liability of $6,521,438 and an operating lease right-of-use asset of $6,521,438. There was no cumulative effect adjustment to net assets. The adoption of the new standard did not materially impact the Organization's Statements of Activities. See Note 14 for further disclosure of the Organization's lease contracts.

In August 2018, the FASB issued ASU 2018-13, Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement, which modifies the disclosure requirements for fair value measurements by removing, modifying, or adding certain disclosures. ASU 2018-13 is effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The Organization has adopted this ASU as of July 1, 2020. Management has determined that the adoption of this standard did not have a significant impact on the Organization's financial statement disclosures.

NOTE 3 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents at June 30, 2021, consisted of the following:

	Reported Amount				
Deposits	Vista CMS	Heritage	Condor	Horizon	LLC
Cash on hand and in banks	$ 2,942,152	$ 87,209	$ 727,452	$ 320,150	$ 321,377
Cash in county treasury	-	172,692	92,743	-	-
Total	$ 2,942,152	$ 259,901	$ 820,195	$ 320,150	$ 321,377
Restricted cash	$ -	$ -	$ -	$ -	$ 654,272

Deposits	Total	Bank Balance
Cash on hand and in banks	$ 4,398,340	$ 4,576,665
Cash in county treasury	265,435	N/A
Total	$ 4,663,775	$ 4,576,665
Restricted cash	$ 654,272	$ 654,272

Cash balances held in banks are insured up to $250,000 by the Federal Depository Insurance Corporation (FDIC). The Organization maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts. At June 30, 2021, the Organization had a balance of $4,980,937 in excess of FDIC insured limits. Management believes that the Organization is not exposed to any significant risk related to cash.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

NOTE 4 - LIQUIDITY AND AVAILABILITY

Financial assets for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprises the following:

	Vista CMS	Heritage	Condor	Horizon
Cash and cash equivalents	$ 2,942,152	$ 259,901	$ 820,195	$ 320,150
Accounts receivable	1,286,196	873,783	903,601	558,101
Prepaids	183,281	52,371	23,172	9,102
Total	$ 4,411,629	$ 1,186,055	$ 1,746,968	$ 887,353

	LLC	Total
Cash and cash equivalents	$ 321,377	$ 4,663,775
Accounts receivable	-	3,621,681
Prepaids	-	267,926
Total	$ 321,377	$ 8,553,382

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due. The Organization invests cash in excess of daily requirements in county investment pools and money market funds. Occasionally, the board will designate a portion of any operating surplus to its operating reserve. As of June 30, 2021, the Organization has reserves of $524,763 recorded for restricted programs.

NOTE 5 - INVESTMENTS

Summary of Investments

Investments as of June 30, 2021, are classified in the accompanying financial statements as follows:

Investment Type	Charter Schools	LLC	Total
Orange County Pooled Investment Funds	$ 265,435	$ -	$ 265,435
U.S. Government obligations	-	654,272	654,272
Cash and money market funds (at cost)	-	321,377	321,377
Total	$ 265,435	$ 975,649	$ 1,241,084

All assets have been valued using a market approach, with quoted market prices.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

Cash in County Treasury

The Organization is a voluntary participant and therefore maintains a portion of it's cash in the Orange County Treasury as part of the common investment pool. The County Treasury is restricted by Government Code §53635 pursuant to §53601 to invest in time deposits, U.S. Government Securities, state registered warrants, notes or bonds, State Treasurer's investment pool, banker's acceptances, commercial paper, negotiable certificates of deposit, and repurchase or reverse agreements.

The fair value of the Organization's investments in the pool is reported in the accompanying financial statements at amounts based upon the pro-rata share of the fair value provided by the County Treasury for the entire County Treasury portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasury, which are recorded on an amortized cost basis. Cash may be added or withdrawn from the investment pool without limitation.

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The Organization does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The Organization manages exposure to interest rate risk by investing in the County Pool.

Weighted Average Maturity

The Organization monitors the interest rate risk inherent in its portfolio by measuring the weighted average maturity of its portfolio.

Investment Type	Reported Amount	Weighted Average Days to Maturity
Orange County Pooled Investment Funds	$ 265,435	375

NOTE 6 - ACCOUNTS RECEIVABLE

Receivables at June 30, 2021, consisted of the following:

	Vista CMS	Heritage	Condor	Horizon	LLC	Total
Local Control Funding Formula	$ 976,281	$ 679,896	$ 721,562	$ 297,350	$ -	$ 2,675,089

(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

NOTE 9 - MARKET VALUE OF FINANCIAL ASSETS AND LIABILITIES

The Organization determines the fair market values of certain financial instruments based on the fair value hierarchy established in FASB ASC 820-10-50, which requires an entity to maximize the use of observable inputs and minimize the use unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value.

The following provides a summary of the hierarchical levels used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 asset and liabilities may include debt and equity securities that are traded in an active exchange market and that are highly liquid and are actively traded in over-the-counter markets.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Level 2 assets and liabilities may include debt securities with quoted prices that are traded less frequently than exchange-traded instruments and other instruments whose value is determined using a pricing model with inputs that are observable in the market or can be derived principally from or corroborated by observable market data. This category generally includes U.S. Government and agency mortgage-backed debt securities, corporate debt securities, derivative contracts, residential mortgage, and loans held-for-sale.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation. This category generally includes certain private equity investments, retained residual interests in securitizations, residential MSRs, asset-backed securities (ABS), highly structured or long-term derivative contracts and certain collateralized debt obligations (CDO) where independent pricing information was not able to be obtained for a significant portion of the underlying assets.

Uncategorized - Investments in the Orange County Treasury Investment Pool are not measured using the input levels above because the Charter Schools' transactions are based on a stable net asset value per share. All contributions and redemptions are transacted at $1.00 net asset value per share.

Charter School Revolving Loan Fund Program (Revolving Loans Payable)

Vista Horizon Global Academy

The Organization entered into a two-year loan agreement with the California School Financing Authority to supplement cash flows for Horizon during implementation years. The agreement provided for annual payments of $25,000 and $50,000 plus accrued interest for a period of three to five years, beginning August 1, 2019 and August 1, 2022. Payments include interest at a rate of .4 to 2.21 percent.

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

Future payments are as follows:

Year Ending June 30,	Principal	Interest	Total
2022	$ 75,000	$ 1,991	$ 76,991
2023	75,000	1,322	76,322
2024	75,000	586	75,586
Total future maturities	$ 225,000	$ 3,899	$ 228,899

Bonds Payable

In October 2014, the LLC entered into a loan agreement with the California Municipal Finance Authority for the issuance of $7,075,000 in Charter Lease Revenue Bonds. The funds were used for financing the costs of acquisition of land and education and related facilities for use as a charter school facility located at 2900 West Temple Street, Los Angeles, California. The charter school facilities are leased by Vista Charter Middle School.

The Series 2014 Charter School Lease Revenue Bonds were sold at an original issue discount of $63,592, amounting to total bond proceeds, net of the original issue discount, of $7,011,408. Terms of the bond call for principal and interest payments due for each year ending July 1.

Bond discount arises when the market rate of interest is higher than the stated interest rate on the bond. Generally Accepted Accounting Principles (GAAP) require that the discount decrease the face value of the bond and then amortize the discount over the life of the bond. The discounts are amortized over the life of the bond using the straight-line method.

The following bond was issued at a discount resulting in effective interest as follows:

2014 Charter School Lease Revenue bonds	
Total interest	$ 7,779,226
Plus bond discount	63,592
Net interest	$ 7,842,818
Par amount of bonds	$ 7,075,000
Periods	30
Effective interest rate	3.70%

Debt Service Coverage and Days Cash on Hand

Under the current bonding agreement, the Organization is required to maintain a Debt Service Coverage Ratio 1.20 and Cash Days on Hand of 45 days.

The Debt Service Coverage Ratio is calculated by dividing the combined Net Income Available for Debt Service by the Maximum Annual Debt Service for all outstanding indebtedness. As of June 30, 2021, the Organization had a 2.77 Debt Service Coverage Ratio and was in compliance with the 1.20 required ratio and cash on hand for 112 days meeting the required 45 days on hand.

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

NOTE 14 - FINANCE LEASE

Vista Charter Public Schools, Inc. (the Organization) leases certain real property with 2900 W. Temple, LLC for the operation of charter schools with various terms under long-term, non-cancelable operating lease and finance lease agreements. The leases expire at various dates through June 1, 2044; and provide for renewal options ranging from one year to seven years. The Organization included in the determination of the right-of-use assets and lease liabilities any renewal options when the options are reasonably certain to be exercised. The agreements generally require The Organization to pay insurance and repairs. The Organization elected the option to use the risk-free rate determined using a period comparable to the lease terms as the discount rate. The Organization has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on straight-line basis. The Organization has real property short term lease agreements for the year ended June 30, 2021. The Organization elected the practical expedient to not separate lease and non-lease components for real estate leases.

Total lease costs for the year ended June 30, 2021, were as follows:

Finance lease cost:		
Interest Expense:	$	365,266
Amortization of right-of-use-assets		271,727
Total lease cost	$	636,993

The following table summarizes the supplemental cash flow information for the year ended June 30, 2021:

Cash Paid for amounts included in the measurement of lease liabilities		
Operating cash flows for finance leases	$	137,478
Financing cash flow for finance leases		134,249
Right-of-use assets obtained in exchange for lease liabilities		
Finance leases	$	6,521,438

2032-2036	2,501,206
2037-2041	2,507,000
2042-2044	1,498,200
Total	$ 11,510,001

NOTE 15 - EMPLOYEE RETIREMENT SYSTEMS

Qualified employees are covered under multiple-employer defined benefit pension plans maintained by agencies of the State of California. Academic employees are members of the California State Teachers' Retirement System (CalSTRS) and classified employees are members of the California Public Employees' Retirement System (CalPERS).

The risks of participating in these multi-employer defined benefit pension plans are different from single-employer plans because: (a) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and State contribution rates are set by the California Legislature, and (c) if the Organization chooses to stop participating in the multi-employer plan, it may be required to pay a withdrawal liability to the plan. The Organization has no plans to withdraw from this multi-employer plan.

The details of each plan are as follows:

California State Teachers' Retirement System (CalSTRS)

Plan Description

The Organization contributes to the State Teachers Retirement Plan (STRP) administered by the California State Teachers' Retirement System (CalSTRS). STRP is a cost-sharing multiple-employer public employee retirement system defined benefit pension plan. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

A full description of the pension plan regarding benefit provisions, assumptions (for funding, but not accounting purposes), and membership information is listed in the June 30, 2020, annual actuarial valuation report, Defined Benefit Program Actuarial Valuation. This report and CalSTRS audited financial information are publicly available reports that can be found on the CalSTRS website under Publications at: http://www.calstrs.com/member-publications.

Benefits Provided

The STRP provides retirement, disability, and survivor benefits to beneficiaries. Benefits are based on members' final compensation, age, and years of service credit. Members hired on or before December 31, 2012, with five years of credited service are eligible for the normal retirement benefit at age 60. Members hired on or after January 1, 2013, with five years of credited service are eligible for the normal retirement benefit at age 62. The normal retirement benefit is equal to 2.0 percent of final compensation for each year of credited service.

The STRP is comprised of four programs: Defined Benefit Program, Defined Benefit Supplement Program, Cash Balance Benefit Program and Replacement Benefits Program. The STRP holds assets for the exclusive purpose of providing benefits to members and beneficiaries of these programs. CalSTRS also uses plan assets to defray reasonable expenses of administering the STRP. Although CalSTRS is the administrator of the STRP, the State is the sponsor of the STRP and obligor of the trust. In addition, the State is both an employer and nonemployer contributing entity to the STRP.

The Organization contributes exclusively to the STRP Defined Benefit Program; thus, disclosures are not included for the other plans.

The STRP provisions and benefits in effect at June 30, 2021, are summarized as follows:

	STRP Defined Benefit Program	
Hire date	On or before December 31, 2012	On or after January 1, 2013
Benefit formula	2% at 60	2% at 62
Benefit vesting schedule	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life
Retirement age	60	62
Monthly benefits as a percentage of eligible compensation	2.0% - 2.4%	2.0% - 2.4%
Required employee contribution rate	10.25%	10.205%
Required employer contribution rate	17.10	17.10
Required state contribution rate	10.328	10.328

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

Contributions

Required member, Organization, and State of California contributions rates are set by the California Legislature and Governor and detailed in Teachers' Retirement Law. The contributions rates are expressed as a level percentage of payroll using the entry age normal actuarial method. In accordance with AB 1469, employer contributions into the CalSTRS will be increasing to a total of 19.1 percent of applicable member earnings phased over a seven-year period. The contribution rates for each plan for the year ended June 30, 2021, are presented above and the Organization's total contributions were $641,074.

California Public Employees Retirement System (CalPERS)

Plan Description

Qualified employees are eligible to participate in the School Employer Pool (SEP) under the California Public Employees' Retirement System (CalPERS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by CalPERS. Benefit provisions are established by State statutes, as legislatively amended, within the Public Employees' Retirement Law.

A full description of the pension plan regarding benefit provisions, assumptions (for funding, but not accounting purposes), and membership information is listed in the June 30, 2020, annual actuarial valuation report, Schools Pool Actuarial Valuation. This report and CalPERS audited financial information are publicly available reports that can be found on the CalPERS website under Forms and Publications at:
https://www.calpers.ca.gov/page/forms-publications.

Benefits Provided

CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of service credit, a benefit factor and the member's final compensation. Members hired on or before December 31, 2012, with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. Members hired on or after January 1, 2013, with five years of total service are eligible to retire at age 52 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after five years of service. The Basic Death Benefit is paid to any member's beneficiary if the member dies while actively employed. An employee's eligible survivor may receive the 1957 Survivor Benefit if the member dies while actively employed, is at least age 50 (or 52 for members hired on or after January 1, 2013), and has at least five years of credited service. The cost-of-living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

The CalPERS provisions and benefits in effect at June 30, 2021, are summarized as follows:

	School Employer Pool (CalPERS)	
	On or before	On or after
Hire date	December 31, 2012	January 1, 2013
Benefit formula	2% at 55	2% at 62
Benefit vesting schedule	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life
Retirement age	55	62
Monthly benefits as a percentage of eligible compensation	1.1% - 2.5%	1.0% - 2.5%
Required employee contribution rate	7.00%	7.00%
Required employer contribution rate	20.700%	20.700%

Contributions

Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Total plan contributions are calculated through the CalPERS annual actuarial valuation process. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The Organization is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. The contributions rates are expressed as percentage of annual payroll. The contribution rates for each plan for the year ended June 30, 2021, are presented above and the total Organization's contributions were $142,384.

On Behalf Payments

The State of California makes contributions to CalSTRS on behalf of the Organization. These payments consist of State General Fund contributions to CalSTRS in the amount of $391,618 (10.328 percent of annual payroll). Contributions are no longer appropriated in the annual Budget Act for the legislatively mandated benefits to CalPERS. Therefore, there is no on behalf contribution rate for CalPERS. Under accounting principles generally accepted in the United States of America, these amounts are to be reported as revenues and expenditures. Accordingly, these amounts have been recorded in these financial statements.

The Organization contributes to an employee 403(b) Tax Deferred Annuity Plan (TDA), which is a defined contribution pension plan. A defined contribution pension plan provides pension benefits in return for services rendered, provides an individual account for each participant, and specifies how contributions to the individual’s account are to be determined instead of specifying the amount of benefits the individual is to receive. Under a defined contribution pension plan, the benefits a participant will receive depend solely on the amount contributed to the participant's account, the returns earned on investments of those contributions, and forfeitures of other participants' benefits that may be allocated to such participant's account.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2021

NOTE 16 - CONTINGENCIES

Grants

The Organization has received State and Federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any reimbursement, if required, would not be material.

Litigation

The Organization is not currently a party to any legal proceedings.

NOTE 17 - COMMITMENTS

The Organization makes payments to the authorizing agency for oversight and facility usage. Fees associated with oversight and facility usage consisted of 3.0 percent of revenue from local control funding formula sources.

NOTE 18 - SUBSEQUENT EVENTS

The Organization's management has evaluated events or transactions that may occur for potential recognition or disclosure in the combined financial statements from the balance sheet date through December 13, 2021, which is the date the combined financial statements were available to be issued. Management has determined that there were no subsequent events or transactions, except as noted below, that would have a material impact on the current year combined financial statements.

During December 2021, the Organization and 2609 W. 5th Street, LLC are in the process of issuing a bond offering for the purchase on the existing Condor and Heritage leased building (including property located behind the current schools). The terms of the bond offering will be a 40 years maturity and an interest range of approximately 3% to 5%. Expected closing date of the offering is projected by January 2022.

Subsequent to June 30, 2021, the Organization closed the Vista Charter Public Schools Foundation.

Vista Heritage received a Material Revision to their Charter and it now includes High School. The Organization opened a High School called Vista Meridian.

NOTE TO SUPPLEMENTARY INFORMATION
JUNE 30, 2021

NOTE 1 - PURPOSE OF SUPPLEMENTARY SCHEDULES

Schedule of Expenditures of Federal Awards

The accompanying schedule of expenditures of federal awards (the schedule) includes the federal award activity of the Organization under programs of the federal government for the year ended June 30, 2021. The information is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

Summary of Significant Accounting Policies

Expenditures reported in the schedule are reported on the accrual basis of accounting. When applicable, such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Local Education Agency Organization Structure

This schedule provides information about the Charter School's operating members of the governing board and members of the administration.

Schedule of Average Daily Attendance

Average daily attendance (ADA) is a measurement of the number of pupils attending classes of the Organization. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of State funds are made to local education agencies. This schedule provides information regarding the attendance of students at a newly operational charter school and is based on October 2020 CBED enrollment totals. For all other continuing charter schools the Schedule of Average Daily Attendance is not required due to COVID-19.

For purposes of calculating apportionments for the 2020–21 fiscal year, a local educational agency shall offer in-person instruction, and may offer distance learning, pursuant to the requirements of this part.

Notwithstanding Sections 41601, 42238.05 to 42238.053, inclusive, and 46010, for purposes of calculating apportionments for the 2020–21 fiscal year for a local educational agency, except for a local educational agency with apportionments calculated pursuant to Section 43505, the department shall use the average daily attendance in the 2019–20 fiscal year reported for both the second period and the annual period apportionment that included all full school months from July 1, 2019, to February 29, 2020, inclusive, and extended year average daily attendance attributed to the 2019–20 school year reported pursuant to Section 96 of Chapter 24 of the Statutes of 2020. Any positive adjustment to average daily attendance for the 2019–20 fiscal year in the second or annual period attendance report submitted to the Superintendent after August 17, 2020, shall be substantiated by concurrence from an independent auditor.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTE TO SUPPLEMENTARY INFORMATION
JUNE 30, 2021

NOTE 1 - PURPOSE OF SUPPLEMENTARY SCHEDULES, Continued

Schedule of Instructional Time

This schedule presents information on the amount of instructional time offered by the Organization and whether the Organization complied with the provisions of Education Code Sections 47612 and 47612.5, if applicable.

For the 2020–21 fiscal year, a local educational agency shall satisfy the annual instructional day requirements described in Sections 41420, 46200.5, and 46208, and in Section 11960 of Title 5 of the California Code of Regulations through in-person instruction or a combination of in-person instruction and distance learning pursuant to this part. (d) (1) For the 2020–21 fiscal year, a local educational agency shall not be required to offer the annual instructional minutes that it would otherwise have offered pupils to meet the requirements of Sections 46201.5, 46207, and 47612.5, or the implementing regulations for those sections.

Reconciliation of Annual Financial Report With Audited Financial Statements

This schedule provides the information necessary to reconcile the net assets of all funds reported on the Unaudited Actual Financial Report to the audited financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Vista Charter Public Schools, Inc.
and Affiliated Organizations
(California Nonprofit Public Benefit Corporations)
Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Vista Charter Public Schools, Inc.'s (the Organization), and its Affiliated Organizations: Vista Charter Public Schools Foundation (the Foundation) and 2900 W. Temple LLC (the LLC) (California Nonprofit Public Benefit Corporations) as of June 30, 2021, and the related combined statements of activities, cash flows, and functional expenses for the fiscal year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated December 13, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's combined financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

3040 Saturn Street • Suite 107 • Brea, California 92821 • (714) 529-7707 • FAX (714) 572-1525

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's combined financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Vista Charter Public Schools, Inc.
and Affiliated Organizations
(California Nonprofit Public Benefit Corporations)
Los Angeles, California

Report on Compliance for Each Major Federal Program

We have audited Vista Charter Public Schools, Inc.'s (the Organization), and its Affiliated Organizations: Vista Charter Public Schools Foundation (the Foundation) and 2900 W. Temple LLC (the LLC) (California Nonprofit Public Benefit Corporations), compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the Organization's major Federal programs for the year ended June 30, 2021. The Organization's major Federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its Federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major Federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major Federal program. However, our audit does not provide a legal determination of the Organization's compliance.

3040 Saturn Street • Suite 107 • Brea, California 92821 • (714) 529-7707 • FAX (714) 572-1525

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major Federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major Federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON STATE COMPLIANCE

To the Board of Directors
Vista Charter Public Schools, Inc.
and Affiliated Organizations
(California Nonprofit Public Benefit Corporations)
Los Angeles, California

Report on State Compliance

We have audited Vista Charter Public Schools, Inc.'s (the Organization), which operates Vista Charter Middle School, Vista Heritage Global Academy, Vista Condor Global Academy, and Vista Horizon Global Academy, compliance with the types of compliance requirements described in the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* applicable to the state laws and regulations listed in the table below for the year ended June 30, 2021.

Management's Responsibility

Management is responsible for compliance with the state laws and regulations as identified in the table below.

Auditor's Responsibility

Our responsibility is to express an opinion on the Organization's compliance with state laws and regulations based on our audit of the types of compliance requirements referred to below. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of the 2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements listed below has occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on state compliance. However, our audit does not provide a legal determination of the Organization's compliance.

3040 Saturn Street • Suite 107 • Brea, California 92821 • (714) 529-7707 • FAX (714) 572-1525

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine the Organization's compliance with the State laws and regulations applicable to the following items:

LOCAL EDUCATION AGENCIES OTHER THAN CHARTER SCHOOLS (EXCEPT AS STATED IN ATTENDANCE AND DISTANCE LEARNING AND INSTRUCTIONAL TIME)	Procedures Performed
Attendance and Distance Learning	Yes
Teacher Certification and Misassignments	No, see below
Kindergarten Continuance	No, see below
Instructional Time	Yes
Instructional Materials	No, see below
Ratio of Administrative Employees to Teachers	No, see below
Classroom Teacher Salaries	No, see below
Early Retirement Incentive	No, see below
Gann Limit Calculation	No, see below
School Accountability Report Card	No, see below
K-3 Grade Span Adjustment	No, see below
Apprenticeship: Related and Supplemental Instruction	No, see below
Comprehensive School Safety Plan	No, see below
District of Choice	No, see below
SCHOOL DISTRICTS, COUNTY OFFICES OF EDUCATION, AND CHARTER SCHOOLS	
California Clean Energy Jobs Act	No, see below
Proper Expenditure of Education Protection Account Funds	Yes
Unduplicated Local Control Funding Formula Pupil Counts	Yes
Independent Study - Course Based	No, see below
CHARTER SCHOOLS	
Attendance	Yes
Mode of Instruction	Yes
Non-Classroom-Based Instruction/Independent Study for Charter Schools	No, see below
Determination of Funding for Non-Classroom-Based Instruction	No, see below
Charter School Facility Grant Program	Yes

Programs listed above for "Local Education Agencies Other than Charter Schools except as stated in Attendance and Distance Learning and Instructional Time" are not applicable to charter schools; therefore, we did not perform any related procedures.

The Charter Schools did not receive funding related to the California Clean Energy Jobs Act; therefore, we did not perform any related procedures.

The Charter Schools did not offer Independent Study-Course Based program; therefore, we did not perform any related procedures.

The Charter Schools did not operate Nonclassroom-Based Instruction; therefore, we did not perform any procedures related to Nonclassroom Based Instruction/Independent Study for Charter Schools or Determination of Funding for Nonclassroom-Based Instruction.

Unmodified Opinion

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that are applicable to the government programs noted below that were audited for the year ended June 30, 2021.

The purpose of this report on state compliance is solely to describe the results of our testing based on the requirements of the *2020-2021 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Vista Charter Public Schools, Inc.
and Affiliated Organizations
(California Nonprofit Public Benefit Corporations)
Los Angeles, California

Report on the Financial Statements

We have audited the accompanying combined financial statements of Vista Charter Public Schools, Inc. (the Organization), and its Affiliated Organizations: Vista Charter Public Schools Foundation (the Foundation) and 2900 W. Temple LLC (the LLC) (California Nonprofit Public Benefit Corporations), which are comprised of the combined statement of financial position as of June 30, 2020, and the related combined statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these combined financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

3040 Saturn Street • Suite 107 • Brea, California 92821 • (714) 529-7707 • FAX (714) 572-1525

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the respective financial position of the Organization, as of June 30, 2020, and the changes in its net assets, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information such as the Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and the other supplementary information as listed on the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements.

The accompanying supplementary information is the responsibility of management, and was derived from, and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, Schedule of Expenditures of Federal Awards and the other accompanying supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 24, 2020, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

NOTE 1 - ORGANIZATION AND MISSION

Vista Charter Public Schools, Inc.

Vista Charter Public Schools, Inc. (the Organization) is a nonprofit public benefit corporation located at 2900 W. Temple Street, Los Angeles, CA 90026. Under the Charter Schools Act of 1992, a charter school is authorized to elect to operate as, or be operated by, a nonprofit public benefit corporation. The Organization is organized and operated exclusively for educational and charitable purposes pursuant to and within the meaning of Section 501(c)(3) of the Internal Revenue Code.

The Organization operates four charter schools (the Charter Schools) in Los Angeles and Orange counties serving students in transitional kindergarten through grade eight. The Charter Schools' mission is to create a transformative TK-8 learning experience that is engaging, globally oriented, and builds a strong STEAM foundation for college and career readiness in a learning environment that allows students to have power in developing their identity within personal, interpersonal and educational realms. We aim to provide a quality education for all students by focusing on both heart and mind as critical tools of student engagement in learning. Our compassionate community of global learners focuses on developing students' knowledge and skills, as well as their attitudes, behaviors, aspirations, and beliefs for success in the 21st-century economy.

Vista Charter Middle School – Charter No. 1234

Vista Charter Middle School (Vista CMS) was formed as a charter school pursuant to *California Education Code* Section 47600 under a charter agreement with the Los Angeles Unified School District. The charter agreement was approved by the Los Angeles Unified School District in 2010 and has been renewed for a five-year term expiring in 2025.Vista Charter Middle School is located at 2900 W. Temple St., Los Angeles, California. Vista Charter Middle School opened September 1, 2010, and currently serves approximately 390 students in grades sixth through eighth.

Vista Heritage Global Academy – Charter No. 1752

Vista Heritage Global Academy (Heritage) was formed as a charter school pursuant to California Education Code Section 47600 under a charter agreement with the Orange County Department of Education. The charter agreement was entered into in July 2015 and expires in 2020. Vista Heritage Global Academy is located at 206 West Fifth St., Santa Ana, California. Vista Heritage Global Academy opened August 24, 2015, and currently serves approximately 290 students in grades sixth through eighth.

Vista Condor Global Academy – Charter No. 1930

Vista Condor Global Academy (Condor) was formed as a charter school pursuant to *California Education Code* Section 47600 under a charter agreement with the Orange County Department of Education. The charter agreement was entered into in April 2018. Vista Condor Global Academy is located at 2519 West Fifth St., Santa Ana, California. Vista Condor Global Academy opened August 13, 2018, and currently serves approximately 180 students in transitional kindergarten through fifth grade.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

Vista Horizon Global Academy – Charter No. 2043

Vista Horizon Global Academy (Horizon) was formed as a charter school pursuant to *California Education Code* Section 47600 and was authorized by the Los Angeles Unified School District at its November 2018 board meeting for a five-year term expiring in 2024. Vista Horizon Global Academy is located at 980 S. Hobart Blvd., Los Angeles, California. Vista Horizon Global Academy opened July 1, 2019, and currently serves approximately 40 students in transitional kindergarten through fifth grade.

Other Related Entities

2900 W. Temple, LLC

In 2014, the Organization formed the 2900 W. Temple, LLC (the LLC) exclusively for charitable purpose solely related to property and assets of the Organization, for charitable purposes as specified in Section (c)(3) of the Internal Revenue Service. The Charter Schools make lease payments to the LLC, in accordance with the lease agreements. Vista Charter Public Schools, Inc. is the sole member of the LLC.

Vista Charter Public Schools Foundation

Vista Charter Public Schools Foundation (the Foundation) is organized for the public and educational support purposes as specified in its Articles of Incorporation. It is not organized for private gain of any one individual person. It is organized under the Nonprofit Corporation Law of California ("California Nonprofit Corporation Law") for public Purposes.

1. To support the charitable and educational mission of Vista Charter Public Schools, Inc., a California nonprofit, tax exempt corporation, and any and all California public charter school that the Organization operates;

2. To undertake any and all additional activities as may be proper in connection with this corporation's specific purposes for which this corporation is formed and which are exclusively charitable and educational within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986.

The Foundation did not have any activity during the year ended June 30, 2020.

California Charter Schools Joint Powers Authority

The Organization's charter schools are associated with the California Charter Schools Joint Powers Authority (the JPA). The JPA does not meet the criteria for inclusion as a component unit of the Charter Schools. The JPA arranges for and provides for various types of insurances for its member schools as requested. The JPA is governed by boards consisting of one or more representatives from each member. The board controls the operations of the JPA, including selection of management and approval of operating budgets, independent of any influence by the member schools beyond their representation on the boards. Each member school pays a premium commensurate with the level of coverage requested and shares surpluses and deficits proportionate to their participation in the JPA. Information on JPAs financials can be obtained by contacting the JPA directly at 6401 Linda Vista Road, Orange, California, 92111. Organization's total expenses paid to the JPA for year ended June 30, 2020, were $66,702.

El Dorado Charter Special Education Local Plan Area (*SELPA*)

The Organization's Heritage and Condor charter schools are associated with the El Dorado Charter SELPA (the SELPA). The SELPA does not meet the criteria for inclusion as a component unit of the Organization. The SELPA provided special education ancillary and/or related services. Total expenses for year ended June 30, 2020, were $9,247.

Los Angeles County Office of Education Special Education Local Plan Area (*SELPA*)

The Organization's Vista CMS and Horizon charter schools are associated with the Los Angeles County Office of Education SELPA (the SELPA). The SELPA does not meet the criteria for inclusion as a component unit of the Organization. The SELPA provided special education ancillary and/or related services.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES AND PROCEDURES

Basis of Accounting

The accompanying financial statements were prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as applicable to nonprofit organizations. Revenues are recognized as discussed below, and expenditures are recognized in the accounting period in which the liability is incurred.

Principles of Combination

The combined financial statements include the accounts of Vista Charter Middle School, Vista Heritage Global Academy, Vista Condor Global Academy, and Vista Horizon Global Academy. All material intercompany transactions have been eliminated (Eliminations). As a part of its mission, Vista Charter Public Schools, Inc., has created a limited liability company that owns real estate for educational purposes. Vista Charter Public Schools, Inc., is the sole member of the LLC. They lease these facilities to the Organization. Since this support is closely aligned with Vista Charter Public Schools, Inc. and they are financially inter-related, the LLC's financial information is combined with the Vista Charter Public Schools, Inc. audit. This consolidation is required due to common control with shared leadership and management. For disclosure purposes, the financial information of the entities are separated within the report as a matter of clarification.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- *Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor restrictions. The board of directors has not designated net assets without donor restrictions for the year ended June 30, 2020.

**VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)**

**NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020**

- *Net Assets with Donor Restrictions* – Net assets subject to donor (or certain grantor) restrictions. Some donor imposed (or grantor) restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. The Organization reports contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Cash and Cash Equivalents

The Organization considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents (including cash in the County Investment Pool and LLC investments).

Receivables and Credit Policies

Accounts receivable consist primarily of noninterest-bearing amounts due for educational programs. Management determines the allowance for uncollectable accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectable. No allowance for doubtful accounts has been established, as the Organization deems all amounts to be fully collectible. Substantially all outstanding accounts receivable as of June 30, 2020, are due from state and/or federal sources related to grant contributions and are expected to be collected within a period of less than one year.

Intercompany Receivable/Payable

Intercompany receivable/payable results from a net cumulative difference between resources provided by on charter school account to the other charter schools and reimbursement for those resources from each charter school to the home office account. Operating transfers include certain costs of shared liabilities and shared assets between the Organization.

Property and Equipment

Property and equipment additions over $5,000 are recorded at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any remaining gain or loss is included in the statement of activities. Cost of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

The Organization reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2020.

Investments

The Organization records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values on the statement of financial position. Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Revenue and Revenue Recognition

Revenue is recognized when earned. Operating funds for the Organization are derived principally from state and federal sources. The Organization receives state funding based on each of the enrolled student's average daily attendance (ADA) in its school. The Organization receives federal and state grants, which are paid through the California Department of Education or other state agencies. Revenues related to these federal and state grants are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract and grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position.

Contributions of goods are recorded at fair value. Contributions of services are recorded at fair value as revenue at the time the service is rendered when specialized skills are required and when the Organization would otherwise purchase the services. No amounts have been reflected in the accompanying financial statements for contributed goods or services during the year being reported because items did not meet the definition above. Contributions with donor restrictions received are recorded as increases in net assets with donor restrictions. Net assets with donor restrictions received are recognized as revenue without donor restrictions when the terms of the restrictions are met, which may be in the same period if the revenue is received and the restriction satisfied during the same period. All contributions are considered to be available for use without donor restrictions unless specifically restricted by the donor.

Advertising Costs

Advertising costs are expensed as incurred, and were $26,667 for the year ended June 30, 2020.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

Functional Allocation of Expenses

The financial statements report categories of expenses that are attributed to program service activities or supporting services activities. The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's estimates.

Income Taxes

The Organization is organized as a California nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as organizations described in Section 501(c)(3), qualify for the charitable contribution deduction under Section 170(b)(1)(A)(vi). It is also exempt from State franchise and income taxes under Section 23701(d) of the California Revenue and Taxation Code. The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. The Organization determined that it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

The Organization has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740 that clarifies the accounting for uncertainty in tax positions taken or expected to be taken on a tax return and provides that the tax effects from an uncertain tax position can be recognized in the financial statements only if, based on its merits, the position is more likely than not to be sustained on audit by the taxing authorities. Management believes that all tax positions taken to date are highly certain. Accordingly, no accounting adjustment has been made to the financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Financial Instruments and Credit Risk

Deposit concentration risk is managed by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, no losses have been experienced in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members, governmental agencies, and foundations supportive of the Charter School's mission.

**NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020**

Recent Accounting Pronouncements

In February 2016, FASB issued Accounting Standards Update (ASU) 2016-02, *Leases*. ASU 2016-02 requires a lessee to recognize a lease asset representing its right to use the underlying asset for the lease term, and a lease liability for the payments to be made to lessor, on its statement of financial position for all operating leases greater than 12 months. Although the full impact of this update on the Organization's financial statements has not yet been determined, the future adoption of this guidance will require the Organization to record assets and liabilities on its statement of financial position relating to facility and other leases currently being accounted for as operating leases. The ASU is effective for the Organization for the year ended June 30, 2021. Management is evaluating the impact of the adoption of this standard.

FASB Accounting Standards Codification Topic 606, *Revenue from Contracts with Customers*, as amended, supersedes, or replaces nearly all GAAP revenue recognition guidance. These standards establish a new contract and control-based revenue recognition model, change the basis for deciding when revenue is recognized over time or at a point in time, and expand disclosures about revenue.

Topic 606 is effective for the Organization for the year ended June 30, 2021. Management is evaluating the impact of the adoption of this standard.

Change in Accounting Principle

On June 3, 2020, the FASB issued Accounting Standards Update (ASU) 2020-05, *Revenue from Contracts with Customers* (Topic 606) and *Leases* (Topic 842) Effective Dates for Certain Entities, as part of its efforts to support and assist stakeholders as they cope with the many challenges and hardships related to the COVID-19 pandemic.

ASU 2020-05 defers the effective date of FASB ASC 606, *Revenue from Contract with Customers*, for certain entities that have not yet issued their financial statements (or made financial statements available for issuance) reflecting the adoption of FASB ASC 606. Those entities may elect to adopt FASB ASC 606 for annual reporting periods beginning after December 15, 2019, and for interim reporting periods within annual reporting periods beginning after December 15, 2020. Those entities may elect to follow the original effective date of annual reporting periods beginning after December 15, 2018, and interim reporting periods within annual reporting periods beginning after December 15, 2019.

The effective date for a public business entity, a nonprofit entity that has issued, or is a conduit bond obligor for, securities that are traded, listed, or quoted on an exchange or an over-the-counter market, and an employee benefit plan that files or furnishes financial statements with or to the Securities and Exchange Commission (SEC) is not affected by the amendments in this ASU.

The effective date of FASB ASC 842, *Leases*, is deferred by one year, as follows:

For private companies and private nonprofits, to fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

For public nonprofits that have not yet issued their financial statements (or made financial statements available for issuance) reflecting the adoption of FASB ASC 842, to fiscal years beginning after December 15, 2019, including interim periods within those fiscal years.

The Organization has adopted this standard as management believes the standard improves the usefulness and understandability of the Organization's financial reporting. Accordingly, there is no effect on net assets in connection with the implementation of ASU 2020-05.

NOTE 3 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents at June 30, 2020, consisted of the following:

	Reported Amount				
Deposits	Vista CMS	Heritage	Condor	Horizon	LLC
Cash on hand and in banks	$ 1,746,953	$ 161,729	$ 298,283	$ 432,138	$ 314,580
Cash in county treasury	-	9,685	64,342		
Total	$ 1,746,953	$ 171,414	$ 362,625	$ 432,138	$ 314,580
Restricted cash	$ -	$ -	$ -	$ -	$ 678,773

Deposits	Total	Bank Balance
Cash on hand and in banks	$ 2,953,683	$ 3,078,280
Cash in county treasury	74,027	74,027
Total	$ 3,027,710	$ 3,152,307
Restricted cash	$ 678,773	$ 678,773

Cash balances held in banks are insured up to $250,000 by the Federal Depository Insurance Corporation (FDIC). The Organization maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts. At June 30, 2020, the Organization had a balance of $2,439,673 in excess of FDIC insured limits. Management believes that the Organization is not exposed to any significant risk related to cash.

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

NOTE 4 - LIQUIDITY AND AVAILABILITY

Financial assets for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprises the following:

	Vista CMS	Heritage	Condor	Horizon
Cash and cash equivalents	$ 1,746,953	$ 171,414	$ 362,625	$ 432,138
Accounts receivable	901,104	397,526	412,149	171,182
Prepaids	99,410	25,834	20,085	504
	$ 2,747,467	$ 594,774	$ 794,859	$ 603,824

	LLC	Total
Cash and cash equivalents	$ 314,580	$ 3,027,710
Accounts receivable	-	1,881,961
Prepaids	-	145,833
	$ 314,580	$ 5,055,504

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due. The Organization invests cash in excess of daily requirements in county investment pools and money market funds. Occasionally, the board will designate a portion of any operating surplus to its operating reserve. As of June 30, 2020, no reserves are recorded.

NOTE 5 - INVESTMENTS

Summary of Investments

Investments as of June 30, 2020, are classified in the accompanying financial statements as follows:

Investment Type	Charter Schools	LLC	Total
Orange County Pooled Investment Funds	$ 74,027	$ -	$ 74,027
U.S. Government obligations	-	126,567	126,567
Cash and money market funds (at cost)	-	866,787	866,787
Total	$ 74,027	$ 993,354	$ 1,067,381

All assets have been valued using a market approach, with quoted market prices.

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

Cash in County Treasury

The Organization is a voluntary participant and therefore maintains a portion of it's cash in the Orange County Treasury as part of the common investment pool. The County Treasury is restricted by Government Code §53635 pursuant to §53601 to invest in time deposits, U.S. Government Securities, state registered warrants, notes or bonds, State Treasurer's investment pool, banker's acceptances, commercial paper, negotiable certificates of deposit, and repurchase or reverse agreements.

The fair value of the Organization's investments in the pool is reported in the accompanying financial statements at amounts based upon the pro-rata share of the fair value provided by the County Treasury for the entire County Treasury portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasury, which are recorded on an amortized cost basis. Cash may be added or withdrawn from the investment pool without limitation.

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The Organization does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The Organization manages exposure to interest rate risk by investing in the County Pool.

Weighted Average Maturity

The Organization monitors the interest rate risk inherent in its portfolio by measuring the weighted average maturity of its portfolio.

Investment Type	Reported Amount	Weighted Average Days to Maturity

Due From	Due To		
	Vista CMS	Heritage	Total
Vista CMS	$ -	$ 53,898	$ 53,898
Condor	351,762	119,244	471,006
Heritage	689,110	-	689,110
Horizon	209,660	-	209,660
Total to/due from related entities	$ 1,250,532	$ 173,142	$ 1,423,674

NOTE 9 - MARKET VALUE OF FINANCIAL ASSETS AND LIABILITIES

The Organization determines the fair market values of certain financial instruments based on the fair value hierarchy established in FASB ASC 820-10-50, which requires an entity to maximize the use of observable inputs and minimize the use unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value.

The following provides a summary of the hierarchical levels used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 asset and liabilities may include debt and equity securities that are traded in an active exchange market and that are highly liquid and are actively traded in over-the-counter markets.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Level 2 assets and liabilities may include debt securities with quoted prices that are traded less frequently than exchange-traded instruments and other instruments whose value is determined using a pricing model with inputs that are observable in the market or can be derived principally from or corroborated by observable market data. This category generally includes U.S. Government and agency mortgage-backed debt securities, corporate debt securities, derivative contracts, residential mortgage, and loans held-for-sale.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation. This category generally includes certain private equity investments, retained residual interests in securitizations, residential MSRs, asset-backed securities (ABS), highly structured or long-term derivative contracts and certain collateralized debt obligations (CDO) where independent pricing information was not able to be obtained for a significant portion of the underlying assets.

Uncategorized - Investments in the Orange County Treasury Investment Pool are not measured using the input levels above because the Charter Schools' transactions are based on a stable net asset value per share. All contributions and redemptions are transacted at $1.00 net asset value per share.

The fair value measurements are as follows at June 30, 2020:

	Fair Value Measurements at Report Date Using			
Investment Type	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
U.S. Government obligations	$ 125,918	$ -	$ -	$ 125,918
Cash and money market funds (at cost)	866,787	-	-	866,787
Orange County Treasury Investment Pool (Uncategorized)	-	-	-	74,027

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

Bonds Payable

In October 2014, the LLC entered into a loan agreement with the California Municipal Finance Authority for the issuance of $7,075,000 in Charter Lease Revenue Bonds. The funds were used for financing the costs of acquisition of land and education and related facilities for use as a charter school facilities located at 2900 West Temple Street, Los Angeles, California. The charter school facilities are leased by Vista Charter Middle School.

The Series 2014 Charter School Lease Revenue Bonds were sold at an original issue discount of $63,592, amounting to total bond proceeds, net of the original issue discount, of $7,011,408. Terms of the bond call for principal and interest payments due for each year ending July 1.

Bond discount arises when the market rate of interest is higher than the stated interest rate on the bond. Generally Accepted Accounting Principles (GAAP) require that the discount decrease the face value of the bond and then amortize the discount over the life of the bond. The discounts are amortized over the life of the bond using the straight line method.

The following bond was issued at a discount resulting in effective interest as follows:

2014 Charter School Lease Revenue bonds	
Total interest	$ 7,779,226
Plus bond discount	63,592
Net interest	$ 7,842,818
Par amount of bonds	$ 7,075,000
Periods	30
Effective interest rate	3.70%

The Series 2014 Charter School Lease Revenue Bonds mature as follows:

Bond Component	Interest Rate	Amount	Maturity Date
2024 Tax-Exempt Term Bonds	5.000%	$ 1,265,000	July 1, 2024
2029 Tax-Exempt Term Bonds	5.125%	$ 930,000	July 1, 2029
2034 Tax-Exempt Term Bonds	5.375%	$ 1,195,000	July 1, 2034
2038 Tax-Exempt Term Bonds	6.000%	$ 1,225,000	July 1, 2038

Debt Service Coverage and Days Cash on Hand

Under the current bonding agreement, the Organization is required to maintain a Debt Service Coverage Ratio 1.20 and Cash Days on Hand of 45 days.

The Debt Service Coverage Ratio is calculated by dividing the combined Net Income Available for Debt Service by the Maximum Annual Debt Service for all outstanding indebtedness. As of June 30, 2020, the Organization had a 3.98 Debt Service Coverage Ratio and was in compliance with the 1.20 required ratio and cash on hand for 94 days.

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

NOTE 14 - OPERATING LEASES

The Organization leases facilities and equipment to the Charter Schools under lease agreements. The agreements do not contain a purchase option and do not meet the requirements for capitalization.

Future minimum lease payments under these lease agreements are as follows:

Fiscal Year Ending June 30,	Total
2021	$ 499,244
2022	502,744
2023	500,744
2024	498,494
2025	496,327
2026-2030	2,502,715
2031-2035	2,498,112
2036-2040	2,419,633
2041-2045	2,378,523
2046-2047	215,452
Total	$ 12,511,988

NOTE 15 - EMPLOYEE RETIREMENT SYSTEMS

Qualified employees are covered under multiple-employer defined benefit pension plans maintained by agencies of the State of California. Academic employees are members of the California State Teachers' Retirement System (CalSTRS) and classified employees are members of the California Public Employees' Retirement System (CalPERS).

The risks of participating in these multi-employer defined benefit pension plans are different from single-employer plans because: (a) assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and State contribution rates are set by the California Legislature, and (c) if the Organization chooses to stop participating in the multi-employer plan, it may be required to pay a withdrawal liability to the plan. The Organization has no plans to withdraw from this multi-employer plan.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

The details of each plan are as follows:

California State Teachers' Retirement System (CalSTRS)

Plan Description

The Organization contributes to the State Teachers Retirement Plan (STRP) administered by the California State Teachers' Retirement System (CalSTRS). STRP is a cost-sharing multiple-employer public employee retirement system defined benefit pension plan. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law.

A full description of the pension plan regarding benefit provisions, assumptions (for funding, but not accounting purposes), and membership information is listed in the June 30, 2018, annual actuarial valuation report, Defined Benefit Program Actuarial Valuation. This report and CalSTRS audited financial information are publicly available reports that can be found on the CalSTRS website under Publications at: http://www.calstrs.com/member-publications.

Benefits Provided

The STRP provides retirement, disability, and survivor benefits to beneficiaries. Benefits are based on members' final compensation, age, and years of service credit. Members hired on or before December 31, 2012, with five years of credited service are eligible for the normal retirement benefit at age 60. Members hired on or after January 1, 2013, with five years of credited service are eligible for the normal retirement benefit at age 62. The normal retirement benefit is equal to 2.0 percent of final compensation for each year of credited service.

The STRP is comprised of four programs: Defined Benefit Program, Defined Benefit Supplement Program, Cash Balance Benefit Program and Replacement Benefits Program. The STRP holds assets for the exclusive purpose of providing benefits to members and beneficiaries of these programs. CalSTRS also uses plan assets to defray reasonable expenses of administering the STRP. Although CalSTRS is the administrator of the STRP, the State is the sponsor of the STRP and obligor of the trust. In addition, the State is both an employer and nonemployer contributing entity to the STRP.

The Organization contributes exclusively to the STRP Defined Benefit Program, thus disclosures are not included for the other plans.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

The STRP provisions and benefits in effect at June 30, 2020, are summarized as follows:

	STRP Defined Benefit Program	
	On or before	On or after
Hire date	December 31, 2012	January 1, 2013
Benefit formula	2% at 60	2% at 62
Benefit vesting schedule	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life
Retirement age	60	62
Monthly benefits as a percentage of eligible compensation	2.0% - 2.4%	2.0% - 2.4%
Required employee contribution rate	10.25%	10.205%
Required employer contribution rate	17.10	17.10
Required state contribution rate	10.328	10.328

Contributions

Required member, Organization, and State of California contributions rates are set by the California Legislature and Governor and detailed in Teachers' Retirement Law. The contributions rates are expressed as a level percentage of payroll using the entry age normal actuarial method. In accordance with AB 1469, employer contributions into the CalSTRS will be increasing to a total of 19.1 percent of applicable member earnings phased over a seven-year period. The contribution rates for each plan for the year ended June 30, 2020, are presented above and the Organization's total contributions were $677,165.

California Public Employees Retirement System (CalPERS)

Plan Description

Qualified employees are eligible to participate in the School Employer Pool (SEP) under the California Public Employees' Retirement System (CalPERS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by CalPERS. Benefit provisions are established by State statutes, as legislatively amended, within the Public Employees' Retirement Law.

A full description of the pension plan regarding benefit provisions, assumptions (for funding, but not accounting purposes), and membership information is listed in the June 30, 2018, annual actuarial valuation report, Schools Pool Actuarial Valuation. This report and CalPERS audited financial information are publicly available reports that can be found on the CalPERS website under Forms and Publications at:
https://www.calpers.ca.gov/page/forms-publications.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

Benefits Provided

CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of service credit, a benefit factor and the member's final compensation. Members hired on or before December 31, 2012, with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. Members hired on or after January 1, 2013, with five years of total service are eligible to retire at age 52 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after five years of service. The Basic Death Benefit is paid to any member's beneficiary if the member dies while actively employed. An employee's eligible survivor may receive the 1957 Survivor Benefit if the member dies while actively employed, is at least age 50 (or 52 for members hired on or after January 1, 2013), and has at least five years of credited service. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

The CalPERS provisions and benefits in effect at June 30, 2020, are summarized as follows:

	School Employer Pool (CalPERS)	
	On or before	On or after
Hire date	December 31, 2012	January 1, 2013
Benefit formula	2% at 55	2% at 62
Benefit vesting schedule	5 years of service	5 years of service
Benefit payments	Monthly for life	Monthly for life
Retirement age	55	62
Monthly benefits as a percentage of eligible compensation	1.1% - 2.5%	1.0% - 2.5%
Required employee contribution rate	7.00%	7.00%
Required employer contribution rate	19.721%	19.721%

Contributions

Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Total plan contributions are calculated through the CalPERS annual actuarial valuation process. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The Organization is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. The contributions rates are expressed as percentage of annual payroll. The contribution rates for each plan for the year ended June 30, 2020, are presented above and the total Organization's contributions were $155,491.

**VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)**

**NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020**

On Behalf Payments

The State of California makes contributions to CalSTRS on behalf of the Organization. These payments consist of State General Fund contributions to CalSTRS in the amount of $303,032 (10.328 percent of annual payroll). Contributions are no longer appropriated in the annual Budget Act for the legislatively mandated benefits to CalPERS. Therefore, there is no on behalf contribution rate for CalPERS. Under accounting principles generally accepted in the United States of America, these amounts are to be reported as revenues and expenditures. Accordingly, these amounts have been recorded in these financial statements.

Senate Bill 90 (Chapter 33, Statutes of 2019), which was signed by the Governor on June 27, 2019, appropriated for an additional 2019–2020 contribution on-behalf of school employers of $1.1 billion for CalSTRS. A proportionate share of this contribution has been recorded in the amount of $101,647 in these financial statements.

The Organization contributes to an employee 403(b) Tax Deferred Annuity Plan (TDA), which is a defined contribution pension plan. A defined contribution pension plan provides pension benefits in return for services rendered, provides an individual account for each participant, and specifies how contributions to the individual's account are to be determined instead of specifying the amount of benefits the individual is to receive. Under a defined contribution pension plan, the benefits a participant will receive depend solely on the amount contributed to the participant's account, the returns earned on investments of those contributions, and forfeitures of other participants' benefits that may be allocated to such participant's account.

NOTE 16 - CONTINGENCIES

Grants

The Organization has received State and Federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any reimbursement, if required, would not be material.

Litigation

The Organization is not currently a party to any legal proceedings.

NOTE 17 - COMMITMENTS

The Organization makes payments to the authorizing agency for oversight and facility usage. Fees associated with oversight and facility usage consisted of 3.0 percent of revenue from local control funding formula sources.

VISTA CHARTER PUBLIC SCHOOLS, INC.
and AFFILIATED ORGANIZATIONS
(California Nonprofit Public Benefit Corporations)

NOTES TO COMBINED FINANCIAL STATEMENTS
JUNE 30, 2020

NOTE 18 - SUBSEQUENT EVENTS

The Organization's management has evaluated events or transactions that may occur for potential recognition or disclosure in the combined financial statements from the balance sheet date through December 24, 2020, which is the date the combined financial statements were available to be issued. Management has determined that there were no subsequent events or transactions, except as noted below, that would have a material impact on the current year combined financial statements.

Subsequent to year-end, the Organization has been negatively impacted by the effects of the world-wide coronavirus pandemic. The Organization is closely monitoring its operations, liquidity, and capital resources and is actively working to minimize the current and future impact of this unprecedented situation. As of the issuance date of these financial statements, the full impact to the Organization's financial position is not known beyond increased cash flow monitoring due to state apportionment deferrals.

NOTE TO SUPPLEMENTARY INFORMATION
JUNE 30, 2020

NOTE 1 - PURPOSE OF SUPPLEMENTARY SCHEDULES

Schedule of Expenditures of Federal Awards

The accompanying Schedule of Expenditures of Federal Awards includes the Federal grant activity of the Organization and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the financial statements. The Organization has not elected to use the ten percent de minimis cost rate as covered in Section 200.414 Indirect (F&A) costs of the Uniform Guidance. No Federal financial assistance has been provided to a subrecipient.

Local Education Agency Organization Structure

This schedule provides information about the Organization's operating members of the governing board, and members of the administration.

Schedule of Average Daily Attendance

Average daily attendance (ADA) is a measurement of the number of pupils attending classes of the Organization. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of State funds are made to local education agencies. This schedule provides information regarding the attendance of students at the Organization.

Schedule of Instructional Time

This schedule presents information on the amount of instructional time offered by the Organization and whether the Organization complied with the provisions of *Education Code* Sections 47612 and 47612.5, if applicable.

The Organization must maintain their instructional minutes at the 1986-1987 requirements, as required by *Education Code* Section 47612.5.

Reconciliation of Annual Financial Report With Audited Combined Financial Statements

This schedule provides the information necessary to reconcile the net assets reported on the Unaudited Actual Financial Report to the audited combined financial statements.

INDEPENDENT AUDITOR'S REPORTS

SILVA & SILVA
CERTIFIED PUBLIC ACCOUNTANTS

Rudolph F. Silva, CPA
Lisa D. Silva, CPA

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Vista Charter Public Schools, Inc.
and Affiliated Organizations
(California Nonprofit Public Benefit Corporations)
Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Vista Charter Public Schools, Inc.'s (the Organization), and its Affiliated Organizations: Vista Charter Public Schools Foundation (the Foundation) and 2900 W. Temple LLC (the LLC) (California Nonprofit Public Benefit Corporations) as of June 30, 2020, and the related combined statements of activities, cash flows, and functional expenses for the fiscal year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated December 24, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the combined financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's combined financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

3040 Saturn Street • Suite 107 • Brea, California 92821 • (714) 529-7707 • FAX (714) 572-1525

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's combined financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors
Vista Charter Public Schools, Inc.
and Affiliated Organizations
(California Nonprofit Public Benefit Corporations)
Los Angeles, California

Report on Compliance for Each Major Federal Program

We have audited Vista Charter Public Schools, Inc.'s (the Organization), and its Affiliated Organizations: Vista Charter Public Schools Foundation (the Foundation) and 2900 W. Temple LLC (the LLC) (California Nonprofit Public Benefit Corporations), compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major Federal programs for the year ended June 30, 2020. The Organization's major Federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its Federal awards applicable to its Federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major Federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major Federal program. However, our audit does not provide a legal determination of the Organization's compliance.

3040 Saturn Street • Suite 107 • Brea, California 92821 • (714) 529-7707 • FAX (714) 572-1525

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the year ended June 30, 2020.

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major Federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major Federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON STATE COMPLIANCE

To the Board of Directors
Vista Charter Public Schools, Inc.
and Affiliated Organizations
(California Nonprofit Public Benefit Corporations)
Los Angeles, California

Report on State Compliance

We have audited Vista Charter Public Schools, Inc.'s (the Organization), which operates Vista Charter Middle School, Vista Heritage Global Academy, Vista Condor Global Academy, and Vista Horizon Global Academy, compliance with the types of compliance requirements described in the *2019-2020 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting* applicable to the state laws and regulations listed in the table below for the year ended June 30, 2020.

Management's Responsibility

Management is responsible for compliance with the state laws and regulations as identified in the table below.

Auditor's Responsibility

Our responsibility is to express an opinion on the Organization's compliance with state laws and regulations based on our audit of the types of compliance requirements referred to below. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of the *2019-2020 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements listed below has occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on state compliance. However, our audit does not provide a legal determination of the Organization's compliance.

3040 Saturn Street • Suite 107 • Brea, California 92821 • (714) 529-7707 • FAX (714) 572-1525

Compliance Requirements Tested

In connection with the audit referred to above, we selected and tested transactions and records to determine the Organization's compliance with the State laws and regulations applicable to the following items:

	Procedures Performed
LOCAL EDUCATION AGENCIES OTHER THAN CHARTER SCHOOLS	
Attendance	No, see below
Teacher Certification and Misassignments	No, see below
Kindergarten Continuance	No, see below
Independent Study	No, see below
Continuation Education	No, see below
Instructional Time	No, see below
Instructional Materials	No, see below
Ratio of Administrative Employees to Teachers	No, see below
Classroom Teacher Salaries	No, see below
Early Retirement Incentive	No, see below
Gann Limit Calculation	No, see below
School Accountability Report Card	No, see below
Juvenile Court Schools	No, see below
Middle or Early College High Schools	No, see below
K-3 Grade Span Adjustment	No, see below
Transportation Maintenance of Effort	No, see below
Apprenticeship: Related and Supplemental Instruction	No, see below
Comprehensive School Safety Plan	No, see below
District of Choice	No, see below
ORGANIZATION DISTRICTS, COUNTY OFFICES OF EDUCATION, AND CHARTER SCHOOLS	
California Clean Energy Jobs Act	No, see below
After/Before School Education and Safety Program:	
General Requirements	Yes
After School	Yes
Before School	No, see below
Proper Expenditure of Education Protection Account Funds	Yes
Unduplicated Local Control Funding Formula Pupil Counts	Yes
Local Control Accountability Plan	Yes
Independent Study-Course Based	No, see below
CHARTER SCHOOLS	
Attendance	Yes
Mode of Instruction	Yes
Nonclassroom-Based Instruction/Independent Study for Charter Schools	No, see below
Determination of Funding for Nonclassroom-Based Instruction	No, see below
Annual Instructional Minutes - Classroom Based	Yes
Charter School Facility Grant Program	Yes

Programs listed above for local education agencies are not applicable to charter schools; therefore, we did not perform any related procedures.

The Charter Schools did not receive funding related to the California Clean Energy Jobs Act; therefore, we did not perform any related procedures.

The Charter Schools do not operate a Before School Education and Safety Program; therefore, we did not perform any related procedures.

The Charter Schools did not offer Independent Study-Course Based program; therefore, we did not perform any related procedures.

The Charter Schools did not operate Nonclassroom-Based Instruction; therefore, we did not perform any procedures related to Nonclassroom Based Instruction/Independent Study for Charter Schools or Determination of Funding for Nonclassroom-Based Instruction.

Unmodified Opinion

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that are applicable to the government programs noted below that were audited for the year ended June 30, 2020.

The purpose of this report on state compliance is solely to describe the results of our testing based on the requirements of the *2019-2020 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

Independent Auditor's Report

To the Board of Directors
Vista Charter Public Schools, Inc.
Los Angeles, California

Report on the Financial Statements

We have audited the accompanying financial statements of Vista Charter Public Schools, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related Consolidated Notes to the Financial Statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Charter School Template as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note A to the financial statements, the School has adopted the provisions of FASB ASU 2016-14, Not-for-Profit Entities (Topic 958) - *Presentation of Financial Statements of Not-for-Profit Entities.* Our opinion is not modified with respect to this matter.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying additional supplementary information, as required by the *2018-19 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, prescribed in Title 5, *California Code of* Regulations, section 19810 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 16, 2019, on our consideration of Vista Charter Public Schools, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Vista Charter Public Schools, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Vista Charter Public Schools, Inc.'s internal control over financial reporting and compliance.

Vista Charter Public Schools, Inc.

Consolidated Notes to the Financial Statements

June 30, 2019

A. Organization and Significant Accounting Policies

Organization

Vista Charter Public Schools, Inc.

Vista Charter Public Schools, Inc. (the School) is a non-profit public benefit corporation located at 2900 W Temple St., Los Angeles, CA 90026. Under the Charter Schools Act of 1992, a charter school is authorized to elect to operate as, or be operated by, a nonprofit public benefit School The School is organized and operated exclusively for educational and charitable purposes pursuant to and within the meaning of section 501(c)(3) of the Internal Revenue Code.

The School's mission is to create a learning environment that allows students to have power in developing their identity within personal, interpersonal and educational realms.

Vista Charter Middle School

Vista Charter Middle School was formed as a charter school pursuant to California Education Code Section 47600 under a charter agreement with the Los Angeles Unified School District. The charter agreement was approved by the Los Angeles Unified School District in 2010 and renewed for a five-year term in November 2014.Vista Charter Middle School is located at 2900 W. Temple St., Los Angeles, California.

Vista Heritage Charter Middle School

Vista Heritage Charter Middle School was formed as a charter school pursuant to California Education Code section 47600 under a charter agreement with the Orange County Department of Education. The charter agreement was entered into in July 2015. Vista Heritage Charter Middle School is located at 206 West Fifth St., Santa Ana, California.

Vista Condor Global Academy

Vista Condor Global Academy was formed as a charter school pursuant to California Education Code section 47600 under a charter agreement with the Orange County Department of Education. The charter agreement was entered into in April 2018. Vista Heritage Charter Middle School is located at 2519 West Fifth St., Santa Ana, California.

Vista Horizon

Vista Horizon was formed as a charter school pursuant to California Education Code Section 47600 and was authorized by the Los Angeles Unified School District at its November 2018 board meeting. Vista Horizon Global Academy is located at 980 S. Hobart Blvd., Los Angeles, California.

2900 W. Temple LLC

2900 W. Temple LLC (the Corporation) was formed in 2014, as a California limited liability company, whose sole member is Vista Charter Public Schools, Inc., a California nonprofit public benefit corporation.

Vista Charter Public Schools, Inc.
Consolidated Notes to the Financial Statements, Continued
June 30, 2019

Basis of Accounting

The financial statements were prepared in accordance with accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations. The School uses the accrual basis of accounting, under which revenues are recognized when they are earned and expenditures are recognized in the accounting period in which the liability is incurred.

Basis of Consolidation

The accompanying consolidated financial statements include accounts of Vista Charter Middle School, Vista Heritage Middle School, Vista Condor Global Academy, Vista Horizon and 2900 W Temple LLC. All significant intercompany accounts and transactions have been eliminated in consolidation. Management makes estimates and assumptions that affect the amounts reported in the financial statements and footnotes. Actual results could differ from those estimates.

Cash and Cash Equivalents

The School considers all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition

Accounts Receivable

Accounts receivable consist primarily of noninterest-bearing amounts due to the School for federal, state, and local grants and contracts receivable. The amounts in accounts receivable are considered fully collectable and as such there has not been an allowance for uncollectable accounts or discount established for the School.

Property and Equipment

The School records property and equipment additions over $5,000 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 30 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed in the current period.

The School reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2019.

Vista Charter Public Schools, Inc.
Consolidated Notes to the Financial Statements, Continued
June 30, 2019

Investments

The School records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values on the statement of financial position. Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenue and Revenue Recognition

The School recognizes revenue from sales when the products are transferred and services are provided. The school records special events revenue equal to the cost of direct benefits to donors, and contribution revenue for the difference. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. The schools federal, state, and local contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expense.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to the School's program services, administrating, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. We record donated professional services at the respective fair values of the services received

Advertising Costs

Advertising costs are expensed as incurred, and approximated $16,915 for the year ended June 30, 2019.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

The School is a 509(a)(1) publicly supported non-profit organization that is exempt from income taxes under Sections 501(a) and 501(c)(3) of the Internal Revenue Code. The School is also exempt from California franchise or income tax under Section 23701d of the California Revenue and Taxation Code. The School may be subject to tax on income which is not related to its exempt purpose. For the year ended June 30, 2019, no such unrelated business income was reported and, therefore, no provision for income taxes has been made.

The School follows provisions of uncertain tax positions as addressed in ASC 958. The School recognizes accrued interest and penalties associated with uncertain tax positions as part of the income tax provision, when applicable. There are no amounts accrued in the financial statements related to uncertain tax positions for the year ended June 30, 2019.

The School files informational and income tax returns in the United States and in the state of California. The federal income tax and informational returns are subject to examination by the Internal Revenue Service for three years after the returns are filed. State and local jurisdictions have statutes of limitation that generally range from three to five years.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the School to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Financial Instruments and Credit Risk

The School manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by the School to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the School has not experienced losses in any of these accounts. Credit risk associated with accounts receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from government agencies. Investments are made by diversified investment managers whose performance is monitored by the School and the investment committee of the Board of Directors. Although the fair values of investments are subject to fluctuation on a year to year basis, the School believes that the investment policies and guidelines are prudent for the long-term welfare of the organization.

Change in Accounting Principles

On August 18, 2016, FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The School has implemented ASU 2016-14 and has adjusted the presentation in these financial statements accordingly.

In August 2016, FASB issued ASU 2016-15, *Statement of Cash Flows (Topic 230), Classification of Certain Cash Receipts and Cash Payments.* This guidance is intended to reduce the diversity in practice in how certain transactions are classified in the statement of cash flows. In addition, in November 2016, FASB issued ASU 2016-18, *Statement of Cash Flows (Topic 230), Restricted Cash*. This ASU provides additional guidance related to transfers between cash and restricted cash and how entities present, in their statement of cash flows, the cash receipts and cash payments that directly affect the restricted cash accounts. The School has adopted these provisions in the accompanying financial statements.

FASB Accounting Standards Codification Topic 606, *Revenue from Contracts with Customers*, as amended, supersedes or replaces nearly all GAAP revenue recognition guidance. These standards establish a new contract and control-based revenue recognition model, change the basis for deciding when revenue is recognized over time or at a point in time, and expand disclosures about revenue. The School has implemented Topic 606 and has adjusted the presentation in these financial statements accordingly.

In June 2018, FASB issued ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. This standard assists entities in evaluating whether transactions should be accounted for as contributions or exchange transactions and determining whether a contribution is conditional. The School has implemented the provisions of ASU 2018-08 applicable to both contributions received and to contributions made in the accompanying financial statements under a modified prospective basis. Accordingly, there is no effect on net assets in connection with the implementation of ASU 2018-08.

Subsequent Events

The School has evaluated subsequent events through December 16, 2019, the date the financial statements were available to be issued.

Vista Charter Public Schools, Inc.
Consolidated Notes to the Financial Statements, Continued
June 30, 2019

B. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the statement of financial position, comprise the following:

	Vista Charter Middle School	Vista Heritage Charter Middle	Vista Condor Global Academy	2900 W Temple LLC
Cash and cash equivalents	$ 1,316,067	$ 363,546	$ 313,821	$ 313,025
Operating investments	-	-	-	681,761
Accounts receivable	3,469,020	687,950	467,682	-
	$ 4,785,087	$ 1,051,496	$ 781,503	$ 994,786

C. Fair Value Measurements and Disclosures

The School reports certain assets and liabilities at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that we can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

Level 3: Unobservable inputs for the asset or liability. In these situations, the School develops inputs using the best information available in the circumstances

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the School's assessment of the quality, risk, or liquidity profile of the asset or liability.

Vista Charter Public Schools, Inc.
Consolidated Notes to the Financial Statements, Continued
June 30, 2019

A significant portion of the School's investment assets are classified within Level 1 because they comprise open end mutual funds with readily determinable fair values based on daily redemption values. The School invests in CDs traded in the financial markets and additionally has funds at the Orange County Treasury which invests funds in various markets such as CDs, money market, and U.S. government obligations. Those CDs and U.S. government obligations are valued by the custodians of the securities using pricing models based on credit quality, time to maturity, stated interest rates, and market rate assumptions and are classified within Level 2.

The following tables presents assets and liabilities measured at fair value on a recurring basis at June 30, 2019:

Vista Heritage Charter Middle School

		Fair Value Measurements at Report Date Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

D. Cash and Cash Equivalents

Cash and cash equivalents at June 30, 2019 consisted of the following:

	Vista Charter Middle School	Vista Heritage Charter Middle	Vista Condor Global Academy	2900 W Temple LLC
Cash in county treasury	$ -	$ 363,546	$ 313,821	$ -
Cash in bank accounts	1,316,067	-	-	313,025
Total cash and cash equivalents	$ 1,316,067	$ 363,546	$ 313,821	$ 313,025

Cash in County Treasury

The School is a voluntary participant and therefore maintains a portion of its cash in the San Diego County Treasury as part of the common investment pool ($677,367 as of June 30, 2019). The County Treasury is restricted by Government Code §53635 pursuant to §53601 to invest in time deposits, U.S. Government Securities, state registered warrants, notes or bonds, State Treasurer's investment pool, banker's acceptances, commercial paper, negotiable certificates of deposit, and repurchase or reverse agreements.

The fair value of the School's investment in this pool is reported in the accompanying financial statements at amounts based upon the School's pro-rata share of the fair value provided by the County Treasury for the entire County Treasury portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasury, which are recorded on an amortized cost basis. Cash may be added or withdrawn from the investment pool without limitation.

Cash in Bank

The remainder of the School's cash ($1,629,092 as of June 30, 2019) is held in financial institutions which are either insured by the Federal Deposit Insurance School (FDIC) up to a limit of $250,000 per depositor or certain non-interest-bearing accounts that are fully insured by the FDIC. As of June 30, 2019, the School held $1,379,092 in excess of the FDIC insured amounts. The School reduces its exposure to risk by maintaining such deposits with high quality financial institutions. The School has not experienced any losses in such accounts and believe it is not exposed to any significant credit risk.

G. Bonds and Notes Payable

Bonds Payable

In October 2014, 2900 W. Temple LLC, whose sole member is the School, entered into a loan agreement with the California Municipal Finance Authority for the issuance of $7,075,000 Charter Lease Revenue Bonds. The funds were used for financing the costs of acquisition of land and education and related facilities for use as a charter school facilities located at 2900 West Temple Street, Los Angeles, California. The charter school facilities will be leased by the School.

The Series 2014 Charter School Lease Revenue Bonds were sold at an original issue discount of $63,592, amounting to total bond proceeds, net of the original issue discount, of $7,011,408. Terms of the bond call for principal and interest payments due for each year ending July 1.

Bond discount arises when the market rate of interest is higher than the stated interest rate on the bond. Generally Accepted Accounting Principles (GAAP) require that the discount decrease the face value of the bond and then amortize the discount over the life of the bond. The discounts are amortized over the life of the bond using the straight line method.

The following bond was issued at a discount resulting in effective interest as follows:

	2014 Charter School Lease Revenue Bonds
Total Interest	$ 7,779,226
Plus Bond Discount	63,592
Net Interest	$ 7,842,818
Par Amount of Bonds	$ 7,075,000
Periods	30
Effective Interest Rate	3.70%

The Series 2014 Charter School Lease Revenue Bonds matures as follows:

Bond Component	Interest Rate	Amount	Maturity Date
2024 Tax-exempt Term Bonds	5.000%	$ 1,265,000	July 1, 2024
2029 Tax-exempt Term Bonds	5.125%	930,000	July 1, 2029
2034 Tax-exempt Term Bonds	5.375%	1,195,000	July 1, 2034
2038 Tax-exempt Term Bonds	6.000%	1,225,000	July 1, 2038
2044 Tax-exempt Term Bonds	6.000%	2,460,000	July 1, 2044

Vista Charter Public Schools, Inc.
Consolidated Notes to the Financial Statements, Continued
June 30, 2019

Future maturities of bonds payable are as follows:

Year Ending June 30,	Principal	Interest	Total
2020	$ 125,000	$ 372,369	$ 497,369
2021	130,000	365,994	495,994
2022	140,000	359,244	499,244
2023	145,000	348,840	493,840
2024	150,000	340,290	490,290
2025-2029	885,000	1,554,960	2,439,960
2030-2034	1,135,000	1,261,695	2,396,695
2035-2039	1,490,000	880,935	2,370,935
2040-2044	1,990,000	373,635	2,363,635
2045	470,000	-	470,000
	$ 6,660,000	$ 5,857,962	$ 12,517,962

Notes Payable

In September 2015, the Schools entered into a loan agreement with the California School Financing Authority to supplement cash flows during implementation years. The agreement provided for annual payments of $50,000 plus accrued interest for a period of 5 years, beginning September 20, 2016. Payments included interest at a rate of 0.34%.

As of June 30, 2019, the Schools were obligated for the following remaining payments:

Year Ending June 30,	Principal	Interest	Total
2020	$ 50,000	$ 449	$ 50,449
2021	50,000	117	50,117
	$ 100,000	$ 566	$ 100,566

Vista Charter Public Schools, Inc.

H. Leases

The School entered into lease agreements with 2900 West Temple LLC for the use of facilities and equipment. The agreements do not contain a purchase option and does not meet the requirements for capitalization. As such, the leases have not been recorded on the consolidated statement of financial position.

Future minimum lease payments are as follows:

Year Ended June 30	Operating Leases
2020	$ 500,494
2021	499,244
2022	502,744
2023	500,744
2024	498,494
2025-2029	2,504,413
2030-2034	2,500,405
2035-2039	2,505,044
2040-2044	2,502,700
2045-2047	498,200
Total minimum lease payments	$ 13,012,482

I. Unearned Revenue

The following table provides information about significant changes in unearned revenue for the year ended June 30, 2019:

Unearned Revenue, beginning of period	$ 15,000
Increases in deferred revenue due to cash received during the period	-
Decreases in deferred revenue due to performance obligations met during the period	-
Unearned Revenue, end of period	$ 15,000

Vista Charter Public Schools, Inc.
Consolidated Notes to the Financial Statements, Continued

J. Employee Retirement System

Qualified employees are covered under multiple-employer defined benefit pension plans by agencies of the State of California. Certificated employees are members of the California State Teachers' Retirement System (CalSTRS) and classified employees are members of the California Public Employees' Retirement System (CalPERS). The risks of participating in these multi-employer plans are different from single-employer plans in the following aspects:

1. Assets contributed to the multi-employer plan by one employer may be used to provide benefits to employees of the other participating employers.

2. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.

3. If the Schools choose to stop participating in some of its multi-employer plans, the Schools may be required to pay those plans an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The Schools participation in these plans for the fiscal year ended June 30, 2019, is outlined in the table below. The "EIN/Pension Plan Number" column provides the Employee Identification Number (EIN) and the three-digit plan number, if applicable. Unless otherwise noted, the most recent Pension Protection Act (PPA) zone status available in 2019, 2018 and 2017 is for the plan's year-end at June 30, 2019, 2018and 2017, respectively. The zone status is based on information that the School received from the plan and is certified by the plan's actuary. Among other factors, plans in the red zone are generally less than 65% funded, plans in the yellow zone are less than 80% funded, and plans in the green zone are at least 80% funded. The "FIP/RP Status Pending/Implemented" column indicates plans for which a financial improvement plan (FIP) or a rehabilitation plan (RP) is either pending or has been implemented.

Period to Period Comparability:

Vista Charter Public Charter Schools, Inc. increased in CalSTRS contributions from 2017 to 2018 by 30.6% followed by an additional increase in 2019 of 41.8%. Vista Charter Public Charter Schools, Inc. increased in CalPERS contributions from 2017 to 2018 by 139.5% followed by an additional increase in 2019 of 2.8%.

	EIN/	Pension Protection Act Zone Status Year Ended June 30,			FIP/RP Status Pending/
Pension Fund	Pension Plan Number	2019	2018	2017	Implemented
CalSTRS	19920	Yellow	Yellow	Yellow	No
CalPERS	15237970072	Yellow	Yellow	Yellow	No

	Contributions			Number of	Surcharge
Pension Fund	2019	2018	2017	Employees	Imposed
CalSTRS	$ 527,006	$371,595	$284,543	35	No
CalPERS	152,832	148,688	62,094	12	No
Total	$ 679,838	$520,283	$346,637	47	

CalSTRS:

The School contributes to the California State Teachers' Retirement System (CalSTRS), a cost-sharing multiple employer public employee retirement system defined benefit pension plan administered by CalSTRS. Required contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law. Contribution rates are expressed as a level of percentage of payroll using the entry age normal actuarial cost method. CalSTRS also uses the level of percentage of payroll method to calculate the amortization of any unfunded liability. Copies of the STRS annual report may be obtained from the STRS, 7667 Folsom Boulevard, Sacramento, California 95826.

For the fiscal year ended June 30, 2019, active plan members were required to contribute between 10.205% and 10.25% of their salary, depending on their hire date. The employer contribution rate was 16.28% of annual payroll. CalSTRS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. The School made contributions as noted above. For the year ended June 30, 2019 the State contributed $498,908 (15.412% of certificated salaries) on behalf of the School.

CalPERS:

The School contributes to the School Employer Pool under the California Public Employees' Retirement System (CalPERS), a cost-sharing multiple employer public employee retirement system defined benefit pension plan administered by CalPERS. The plan provides retirement and disability benefits, annual cost of living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, with the Public Employees' Retirement Law. CalPERS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. Copies of the CalPERS annual financial report may be obtained from the CalPERS Executive Office, 400 P Street, Sacramento, California 95814.

Active plan members are required to contribute 7% of their salary and the School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the CalPERS Board of Administration. The required employer contribution rate for fiscal year 2018-19 was 18.062% of classified salaries. The School made contributions as noted above. For the year ended June 30, 2019 the State contributed $54,695 (6.464% of classified salaries) on behalf of the School.

K. Joint Ventures (Joint Powers Agreements)

The School participate in one joint powers agreement (JPA) entity, the California Charter Schools Joint Powers Authority (CCS-JPA). The relationship between the Schools and the JPA is such that the JPA is not a component unit of the school.

The JPA arranges for and provides for various types of insurances for its member schools as requested. The JPA is governed by boards consisting of one or more representatives from each member. The board controls the operations of the JPA, including selection of management and approval of operating budgets, independent of any influence by the member schools beyond their representation on the boards. Each member school pays a premium commensurate with the level of coverage requested and shares surpluses and deficits proportionate to their participation in the JPA.

Information on JPAs financials can be obtained by contacting the JPAs directly at 6401 Linda Vista Road, San Diego, CA 92111.

L. Related Party Transactions

Related parties as defined by generally accepted accounting standards include:

1. Affiliates of the entity,
2. Management and members of their immediate families, or
3. Other parties that can significantly influence management or operating policies.

Vista Charter Public Schools' have the same Board of Directors. During the year, the Schools have related transactions that are recorded in their respective related party accounts. At year end, the related party accounts are reconciled to ensure all transactions between the Schools are properly recorded, and all intercompany related party accounts have been eliminated.

M. Upcoming Changes in Accounting Pronouncements

The Financial Accounting Standards Board (FASB) has issued the following Accounting Standards Updates (ASU) that become effective during the 2019-20 fiscal year:

1. FASB ASU 2019-04 *Codification Improvements to Topic 326, Financial Instruments – Credit Losses, Topic 815, Derivatives and Hedging, and Topic 825, Financial Instruments*
2. FASB ASU 2018-20 *Leases (Topic 842): Narrow-Scope Improvements for Lessors*
3. FASB ASU 2018-16 *Derivatives and Hedging (Topic 815): Inclusion of the Secured Overnight Financing Rate (SOFR) Overnight Index Swap (OIS) Rate as a benchmark Interest Rate for Hedge Accounting Purposes*
4. FASB ASU 2018-11 *Leases (Topic 842): Targeted Improvements*
5. FASB ASU 2018-10 *Improvements to Topic 842, Leases*
6. FASB ASU 2018-09 *Codification Improvements*
7. FASB ASU 2018-08 *Not-For-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*
8. FASB ASU 2018-02 *Income Statement – Reporting Comprehensive Income (Topic 220): Reclassification of Certain Tax Effects from Accumulated Other Comprehensive Income*
9. FASB ASU 2018-01 *Leases (Topic 842): Land Easement Practical Expedient for Transition to Topic 842*
10. FASB ASU 2017-15 *Codification Improvements to Topic 995, U.S. Steamship Entities: Elimination of Topic 995*

Vista Charter Public Schools, Inc.
Consolidated Notes to the Financial Statements, Continued
June 30, 2019

11. FASB ASU 2017-12 *Derivatives and Hedging (Topic 815): Targeted Improvements to Accounting for Hedging Activities*
12. FASB ASU 2017-10 *Service Concession Arrangements (Topic 853): Determining the Customer of the Operation Services*
13. FASB ASU 2017-07 *Compensation – Retirement Benefits (Topic 715): Improving the Presentation of Net Periodic Pension Cost and Net Periodic Postretirement Benefit Cost*
14. FASB ASU 2017-06 *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): Employee Benefit Plan Master Trust Reporting*
15. FASB ASU 2017-01 *Business Combinations (Topic 805): Clarifying the Definition of a Business*
16. FASB ASU 2016-18 *Statement of Cash Flows (Topic 230): Restricted Cash*
17. FASB ASU 2016-15 *Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments*
18. FASB ASU 2016-02 *Leases (Topic 842)*

These updates were issued to provide clarification and simplification in accounting for certain transactions. In addition, they provide for additional note disclosures to create transparency involving these transactions. The updates effective during the 2019-20 fiscal year will not impact the financial accounting or presentation for the School.
